Narrow, thorny path to height.... world people....

B.D. No. 4717

August 19th 1949

Countless people could still leave the broad path they are walking on and enter the narrow path which leads to Me, thus to the aim; they could still gather rich treasures, even though the time until the end is only short; they still have helpers at their disposal on earth and also in the spiritual kingdom who would like to provide them with right guides and to whom they could entrust themselves without hesitation. Yet their will alone decides, and as long as this will does not consciously turn to Me, for which faith in Me must first be present, as long as the world is still in the foreground, thus holding all of the human being's senses captive, they still walk on the broad path which seems more appealing to them and which they therefore don't want to exchange for the narrow, unappealing path, but which is the only path upwards. And yet they themselves should feel that the world can only offer worldly reward, whereas the spiritual kingdom can only be won spiritually, thus by surrendering the earthly world. Consequently, the path of earthly life will also show privations and hardship which shall let the human being change and mature. In the last time before the end the path to the height will be particularly difficult to pass, thorns and undergrowth will often make it impassable, and the wayfarer will have to look for help from above in order to reach the height

without danger. And precisely these hardships and difficulties of life shall give you the proof that you are on the right path, for He who rules the world, Who wants to win you over for Himself, seeks to give you everything beautiful, to fulfil your wishes, so that you shall acknowledge Him and desire His kingdom. Not many take the narrow, difficult path and you can already recognize the time of the end because everything pays homage to the world, people live a worldly life and are only concerned about doing to their body what it desires. But those who walk the narrow path have their gaze directed upwards, they strive towards the spiritual kingdom, they are mentally connected to Me and turn their backs on the world, they don't look towards the broad, delightful path because they recognize it as misleading but are seriously willing to reach the right aim. Countless people could take an example from those and try out what a way of life that is less pleasing to the body than to the soul will bring them.... And people's spiritual development as well as their physical condition would truly look better, for earthly hardship and suffering would also cease to exist because people would not need it if they took care of their upward development themselves. Yet people don't listen to well-meant advice, they don't turn to My word and My indications of the near end.... And thus time will pass without success for the souls until the day has come when all will be called to account....

Amen

Tribulations and trepidations of Jesus, the man....

B.D. No. 7278

February 9th 1959

I, too, found life on earth as a human being difficult at times, for I was subject to the same laws as you are, I had to fight against the same weaknesses and temptations, and it was not always easy to face up to them even though My heart was full of love and was therefore permeated by divine strength when I needed it. But hours of psychological distress were also part of My journey through life and had I not experienced it like you, I would not have been as 'human' as you either.... My soul had to go through the process of spiritualisation on earth which led to My complete unification with the Father, the complete becoming as One with Him. Although My soul had indeed come from above, it nevertheless had come into flesh with all its immature substances which every material shell basically consists of, and all these substances had to spiritualise themselves, for the body with all its wishes and cravings exerted an extraordinary influence on the soul which was unable to ignore these temptations but had to bear up against them.... just as is the task of the human soul who wants to take the path of following Jesus in order to release themselves from sin and death. However, the battles I had to go through were difficult and My earthly progress often weighed Me down like an overwhelming burden which wanted to make Me doubt that I would ever be able to travel this path until the end. Time and again I drew strength from love.... For by virtue of My love and its consequences I also foresaw the difficult path I had to take, I foresaw the suffering and death on the cross as well as the people's spiritual state who nailed Me on the cross.... And yet I had to continue My path until the end.... Time and again I had to endeavour to master My fears and weaknesses and cling to the Father to strengthen Me in every adversity of body and soul, for I experienced all these tribulations like you and even far more severely, because My life surrounded by sinful humanity was already a torture for Me, Who lived in all purity in the midst of those for whom I wanted to suffer and die.

However, the more My body matured, the deeper became My soul's union with the Father Who was in Me, and the clearer became My mission, which I indeed began as a 'human being' but concluded as 'God' and which I was able to accomplish because the strength in Me grew constantly, just as the love for the unhappy human race became greater the nearer I got to the end. And **Love was** the strength which made Me accomplish the act of Salvation; Love was the Father in Me Whose will I wanted to fulfil in order to help My fallen brothers. I consciously travelled My earthly path, at first I only had vague ideas and every now and then bright thoughts and insights; yet the more the spiritualisation progressed in Me the clearer I saw the plan of Salvation on account of which I had descended from the kingdom of light to Earth. But as long as human substances were still clinging to My body I also had to endure human suffering and torments which, last but not least, also included the inner distress of

not being able to cope with My task.... for I knew what it would mean were I to fail in the battle against the one who was, is and will remain everyone's enemy for eternities to come. Yet I gained victory over him, I took on the battle with incredible pain and suffering and constantly gained more strength because My love for you also kept growing since you must suffer until you are released from him and his power. My strength grew as My love intensified.... And so you humans know that you can only draw the strength for your earthly task from love, for My adversary will always try to weaken you by driving you into unkindness, by wanting to prevent you by any means to carry out an act of love in order to keep you weak.... But then remember that I, too, have struggled against him, and that he also tried to weaken Me through trepidations and anxious questioning of whether I would have the strength for My mission. Then turn to Me for help and appeal to Me for strength against the enemy of your soul and for every battle in life, be it of an earthly or spiritual nature.... And you will not ask in vain, for I will truly grant everyone's prayer who calls to Me in his distress....

Amen

Earthly adversity is often a revelation of God's love....

B.D. No. 5485

September 13th 1952

My love for you is boundless, and yet you often believe to have reason to doubt it.... You often feel abandoned by Me, earthly adversity approaches you with overwhelming force and you know of no way out.... Yet then I only seem to have withdrawn from you in order to be sought by you, because I always want to reveal My love to you anew by helping you. For the adversity is never so great that I cannot remedy it.... I want to reveal My love to you.... because I want to gain your love in return; your faith in Me and My power, your reverence for Me and your obedience are nothing without your love, for this alone allows Me to find My **children**. And where there is love there is also faith and reverence and obedience, but love is the most powerful thing because it alone makes you happy. I'll do anything to win your love.... Yet if I were to provide you with the most beautiful earthly life, if I were to give you everything that makes you happy on earth, this would only increase your love for the world but not for Me, Whom you cannot see because your eyes are directed towards the world. This is why I often have to withdraw from you, even if only seemingly, I have to let you fall into worldly abandonment, into a state of hardship and suffering, you have to recognise your own powerlessness and also the lack of love of your fellow human beings in order to then seek Me, to call for Me and then also to recognise My great love for you once I have liberated you from your adversity. Then love will also awaken in you and it will become ever stronger because you will recognise Me as your most faithful friend and brother, the Helper out of all adversity, the Father Who loves His children dearly.... You will not be able to resist My love for ever, yet I cannot force your love in return, therefore I will endeavour to gain it with all patience without ever slackening My love which, after all, created you. And every loving thought of yours increases My love because it is a sure sign that I will soon have won you for eternity. Therefore know that you are never abandoned when you are in earthly trouble, know that I immediately approach you who call for Me, know that I then only want to kindle your love, that I long for your call, for your love, like a father who wants to embrace his child in order to be able to make it happy with his love. Yet love does not want to be one-sided, love in return first makes you happy and I want to receive this from you.... I always long for you, yet you sometimes have to get into difficult situations, for you are in the midst of the world and your desire is still very divided, it is often directed towards earthly things.... and then I sometimes resort to means which are intended to turn you back to Me in order to then emerge again with My love, in order to show you My love again in such a way that you will also be inflamed with love for Me, that you will become and remain Mine forever....

Spiritual hardship greater than earthly.... The adversary's activity....

B.D. No. 5526
November 6th 1952

The spiritual adversity is far greater still than the earthly one, for people no longer know the truth and every error is an obstacle towards ascent, every error is spiritual standstill or even regression, for error is My adversary's work in order to obstruct the path to Me, in order to make it impossible to find. Every error reinforces his power and provides him with new opportunities to spread darkness across the human race. Everything is an error which contributes towards complicating the realisation of Me, everything is an error which prevents people from seeking and finding contact with Me.... It is My goal and intention that people shall unite with Me, that they long for Me and seek to satisfy this longing of the heart.... My aim is to gain My living creations' love.... Anything that contributes towards this is good and never My adversary's activity. However, anything that prevents people from finding this contact with Me, anything that diverts their eyes from Me is My adversary's doing. And thus you can easily recognise him in everything you are offered, be they spiritual doctrines, messages from the spiritual kingdom or events of any kind.... You must always try to realise what is intended by this.... And if it leads you away from Me and towards the world or if it impedes your heartfelt bond with Me then you will also know that it is My adversary's work who tries to push you humans away from Me. He also uses means which are intended to feign My activity, he does not shy away from seemingly working for Me in order to convince the gullible, who do not recognise him and accept what he offers them. People's gullibility encourages his activity, for they accept anything without serious scrutiny at the slightest occasion which requires their faith. That is how cunning he is, to seemingly strengthen the faith and yet to divert it into the wrong direction.... The truth is constantly sent to Earth, it is constantly conveyed to people and yet, the worst errors and lies are far more likely to be accepted than just a glimmer of truth, which would enlighten their spiritual state. My adversary, however, stands on solid ground, he stands on ground which people themselves have made firm and tenable.... My adversary works where people believe they are entering My territory. This, too, is his cunning, which can only be exposed again through the pure truth which I send to people through My Word. Yet this, My Word, can only enter with great difficulty where My adversary has carefully closed all doors. And people themselves support My adversary and uphold his power.... This is why the spiritual adversity is so indescribably great and yet cannot be forcibly eliminated, because the human being has to strive of his own free will to enter the light, then he will soon be illuminated and the ground beneath My adversary's feet will begin to falter. Nevertheless, without the truth spiritual hardship cannot be reduced, for the truth teaches love, but anyone in possession of love will also recognise the adversary's activity and release himself from him, given that his love also gives him the strength to escape from him, since due to his love he establishes unity with Me and thus I support him by imbuing him with light and strength....

Nullity of earthly worries....

B.D. No. 5581
January 19th 1953

How trivial are all earthly worries and how seriously and highly you value them.... And you humans pay little attention to what is important on its own, and that is why your needs and worries become ever greater, because they are intended to motivate you to remember Me and your own soul. And if this is achieved then the hardships and worries were a blessing, but where these also failed to make the human being turn to Me there is often great danger that lower powers will now become active and help the human being, yet then always at the loss of the soul which the prince of darkness tries to win. Faithlessness is ever increasing, people unhesitatingly abandon Me and greedily reach for material goods which they receive as a purchase price, as it were, because they surrender Me and thus also their soul.... And therefore earthly hardship also increases and is so obviously recognizable as being brought into the world by satan. For unbelief and earthly adversity will always occur together because satan reigns where there is no longer faith, but profound faith always signifies

a way out of every adversity. This is why earthly adversity need not be valued so highly, for profound faith in Me can and will remedy it. But this also requires a certain maturity of soul, an intimate connection with Me, Who will always help you and end the adversity. To the unbeliever a hardship appears enormous, the believer is hardly affected by the same hardship, after all, he knows one above him Who sent it and can also take it away from him again, whereas the unbeliever uses his own strength in order to master this hardship and, since he does not succeed, then accepts support from below, i.e. he resorts to means which promise success and, with great certainty and expectation, forces everything that seemed to push him down. Unbelief is also a strength, but one has to be warned against it, for the unbeliever is in association with the one who also has strength but uses it wrongly and thus the recipient of strength also uses it for sinful deeds. This is why this strength can cause unimaginable damage if the human being abandons himself to it, if he detaches himself so completely from Me that My adversary has full control over him. Every earthly adversity should lead you humans to Me, and in every adversity you should first consider your soul whether it will use this adversity to unite with Me.... A serious question like this can already reduce the burden, for it is placed in you so that you will pay attention and recognize the meaning of your worries. You can very easily be relieved of these worries through an earnest call to Me for strength and help.... I only wait for such a call in order to then grant you My help, for I only want to protect your souls from the abyss, and I can do this as soon as you turn your eyes upwards and call upon Me.... But don't be stubborn of heart, don't believe that you can free yourselves from every difficult situation by your own strength. You humans are all weak and need support, yet turn to the right source where you can draw strength, don't let yourselves be seduced by My adversary who promises you everything and causes damage to your soul which you can no longer repair unless you call upon Me to heal you....

Amen

Fear of dying.... Beholding the spiritual kingdom before death....

B.D. No. 6637

September 6th 1956

Spiritual death is far more dreadful than physical death. And it is spiritual death which people unconsciously fear if they are frightened to die, for they fear what will happen to them after the death of the body.... this fear can befall the very person who does not believe in a continuation of life after death.... The soul feels that it is in a wretched state, and it transmits this awareness as fear onto the body, which therefore fights death as long as possible.

Fear of death is an involuntary confession of psychological immaturity, for the person lacks all realisation and therefore also confidence in God's mercy, in hope for help, which it certainly would always receive if it would call for help. The soul is in utter darkness and unconsciously fears to approach an even darker night. A fully matured soul expects its final hour with complete calm, it longs for deliverance from its bodily shell, it hands itself over to the One in Whom it believes, and commends itself to Him and His grace. And often such souls are allowed to take a glance into the kingdom that awaits them and can radiantly happy open their eyes, in order to then close them forever and to escape from their body into the kingdom they beheld. Fear of death is a distinct indication of the soul's state, and such souls must be given much help by their fellow human beings so that they will still awaken in the last minute and turn to the One Who wants to help and is able to help them....

Anyone who witnesses the death struggle and fear of a soul will be able to send a quiet, heartfelt prayer to Jesus Christ if he wants to help this soul to find inner peace.... For the soul will feel this help and reach out for the last rescue anchor, and it will be carried by the fellow human being's love when it leaves the body.... to Jesus Christ, Who will not close His ear to a sincere prayer for help. For this reason people should take especially good care of those who are afraid of dying and who thereby admit that they are still far from the light, from the right realisation and therefore also from God.... Fear of death confirms that they need help or they would be permeated by blissful calm when they feel that the hour of their departure from this earth is approaching.

And it is an act of utmost mercy and love to support a fearful soul, when nothing else can be done but to call upon Jesus Christ Himself that He may have mercy on this soul. This loving appeal will be heard and can save the soul so that it will be spared the darkest night....

Amen

People's fear... Natural disaster and its consequences...

B.D. No. 4633

May 10th 1949

All disbelievers will suffer inconceivable tribulation when I manifest Myself through the forces of nature, for they will experience a spectacle of development by tremendous forces against which the human being himself will be completely powerless. People will be seized by mortal fear, and even My Own will be affected yet be miraculously strengthened by My help as soon as they lift their thoughts up to Me. The disbelievers, however, will have no support to hold on to and will be hopelessly exposed to the elements of nature. In view of death a few will call to Me in heartfelt need, and their call will reach My ear and denote earthly or just spiritual rescue, if their hour has come. Yet then they will still have gained their eternal life.

But in the main, people will be senselessly scared, that is, they will be incapable of thinking of God, they will try to save themselves and face the same difficulties everywhere, for the whole of nature will conspire against them, all elements will be in tremendous uproar, water, fire, storm and light will leave their natural order and cause an unimaginable amount of devastation which will cost countless human lives. It will just be a short action but have extremely far-reaching consequences for all survivors, for only now will there start an earthly time of hardship which surpasses all previous experiences. People will have to change their way of life completely, they will have to make use of everything left to them, they will have to rely on themselves and cannot expect any earthly help for a long time, since they will be completely cut off from the world and contact will not be able to be established again in a hurry.

The magnitude of the disaster will be incomprehensible, yet I constantly draw your attention to the fact that you should not abandon yourselves to earthly possessions, that you should not consider them important and forget about your soul, as it entirely depends on its maturity how you will bear up to the aftermath.

Proclamations of this nature meet with little belief and yet should be taken extremely seriously, for they will fulfil themselves literally. And every day is still a gift of grace which you should utilize, not in an earthly sense but spiritually, for only your spiritual possessions are of lasting value. Nevertheless, I promise My protection and My help to all of you who believe and want to be of service to Me. Don't let My Words depress you but know that everything, even the most difficult, can be endured if you hand it over to Me, if you ask Me to help you carry your burden.... I will not leave you and will help you persevere until the end....

Amen

'Fear not...'

B.D. No. 6111

November 17th 1954

Don't fear, only believe.... Nothing will frighten you, nothing will oppress you if only you believe firmly and unshakeably.... And thus, a strong faith can mean an easier earthly life for you, for then you will not fear anything and you can walk along untroubled, your thoughts always turned towards the One Who will help you in every adversity.... You should inwardly be firmly convinced that you have a Father in heaven Who is watching over His children and will not leave them in difficulty, because He loves His children.... This firm conviction is already an assurance that this is so.... And what indeed could be more powerful than your Father in heaven?

No human being on earth and no being of darkness can resist Him, and therefore you need not fear that anyone on earth or any dark being would be able to harm you if you believed in God's greater than great love and the protection He has promised you. For His Words are: 'Come unto Me all ye that labour.... Ask, and it shall be given, knock, and it shall be opened.... Lift up your eyes to Me, Who will bring you help....' If you succeed in making the Words of His love your own, if you feel addressed by the Father yourselves, then you will no longer oppose them with doubt and faithfully wait until help arrives.... There is nothing He cannot ward off.... there is nothing impossible for Him.... And thus there is always a solution, even if you cannot foresee one yourselves.... He will truly find the means; He will find a way out of every adversity.... Contemplate these Words deep within your hearts until all doubt has vanished, until you entrust yourselves to Him without fear and wait patiently.... For His love is for you, His children, and this love will never end....

Amen

Fear is insufficient faith....

B.D. No. 7462

November 24th 1959

It is My will that you should not be afraid but only ever believe in a loving and almighty God and Father, Who will not leave you in distress. Fear, however, is insufficient faith. Fear does not know God's **love and omnipotence** Who wants to be your Father.... For as soon as you believe that I love you like a father loves his children you will also be convinced that I will not let anything happen to you, no matter what the enemy of your souls will do to you. My protective Fatherly hand is always ready to intervene when it means providing help for My child in need. And you are in need when you are afraid, be it physically or spiritually.... you are in need when you are anxious and despondent because you lack the strength of faith that nothing can happen to you as long as you turn to Me and appeal to Me for protection and help.

Yet even if your own common sense keeps telling you this, your heart nevertheless remains scared and sad, and this is where you have to improve matters yourselves.... by establishing your bond with Me as intimately as possible, with your eternal Father Who is just waiting for you to come to Me in heartfelt prayer and confide your worries to Me. I require this sincere devotion to Me in order to provide your heart with the inner calm that is still lacking in you. You have to come to Me with your every concern and in a completely childlike manner appeal to Me for help.... And I will listen and answer your prayer because I love you like a father loves his children. But you often find it so difficult to approach and discuss matters with Me.... you so often remain distant and struggle to cope with your worries although it would be so simple to burden Me with them and free yourselves of them....

You have a loving Father Who would like to arrange a pleasant earthly life for you if only you would grant him the right to do so by forming a heartfelt bond with Me as a matter of course.... Anyone who is connected to **Me** will truly no longer suffer hardship; but difficulties arise as soon as you loosen the connection, because I do not tie you to Me but long for your voluntary devotion to Me.... And this is what you should demonstrate through heartfelt love and personal communication by confiding your worries to Me and appealing to Me to take them from you.... Then all you have to do is wait and it will happen as you wish.... all your worries will be taken from you. And you need not even fear if you are besieged by the powers of darkness, for they cannot harm you as long as your will applies to Me, as long as you yearn for Me and the final unity with Me.... And therefore you should only ever question your deep-down desire, and if it applies to Me you can also firmly trust in the fact that My longing for you will not allow Me to abandon you, that I will protect you from every difficulty wherever it may come from.... I want to own you one day and will not allow you to go astray as long as you yourselves also aim for and strive towards Me.... That is why every worry and apprehension is unnecessary.... You belong to Me and shall remain My Own eternally....

Amen

Translation handled by Heidi Hanna

Why do you fear and tremble, and why are you so of little faith?.... Why do you not keep My word which promises you My help and grace? If you believe in My word every anxiety will fall away from you, but without this faith you are like swaying reeds in the wind, unstoppable and at the mercy of the evil forces which try to uproot you. Without faith in Me and My word it is dark in you and your soul despairs. That is why you constantly have to struggle for profound faith, you have to remind yourselves that nothing can happen without the will of a higher power. You must remind yourselves that the will of the individual person can never determine the outcome of what he plans to do if I don't give My approval, otherwise there would be no misery on earth if the human being had it in his hands to shape his own destiny. And thus you must acknowledge a higher Power Which directs everyone's destiny.... And once you have gained faith in this higher power you will also learn to believe in the love and wisdom of This one, if you don't apply the human standard.... imperfection.... that is, unkindness and lack of knowledge. You must seek to recognize love above all by reflecting on creation and its creator. If you are open-hearted you will understand the language of creation which only preaches to you about the love and wisdom of the one Who brought everything into being.... If you are open-hearted I Myself can instruct you about the meaning and purpose of creation and your earthly life, and then you will also learn to recognize Me as love, wisdom and might, and this is faith which makes you strong and defies every adversity, every challenge.... And if you hear or read My word with the good will to gain information, you will deepen your faith through it and no longer be timid, for My word contains strength which will flow over you if you receive it with profound faith and live accordingly. Ask and struggle for strong faith, don't let yourselves be depressed by the adversity of the time, for it will come upon you, so that you will call upon Me all the more sincerely and your faith will become unshakeable if you visibly feel My help.... But I would like to call out to you of little faith: Drop all your worries, consider yourselves My children from eternity, whom the father loves from eternity and whom He will never lose to the forces of darkness.... And only try to explain all events to yourselves in this love which wants to win you back.... and you will become believers, because then you will recognize the purpose and meaning of what I send upon you; you will be able to trustingly call upon your loving father for help, and your request will also be granted. As soon as you establish the right relationship, the relationship of a child to its father, you will also be able to pray correctly and pleasingly to Me and find an answer, for I want to be called upon as father.... you shall come to Me as true children and grace and strength will flow to you without measure, and you will overcome all sorrow and hardship, for then you will no longer carry anything on your own but your father in heaven will help you carry it.... And know that all adversity will one day come to an end and can be a blessing for you, for earthly life is short but it is decisive for eternity....

Amen

Strong faith.... power of faith....

And everyone will be helped according to his faith.... People who let My spirit speak within themselves, who therefore try to unite their spiritual spark with the father-spirit through intimate contact with Me, these people have faith even if they are weak and despondent at times of earthly adversity and anxiously appeal to Me for help. Prayer to Me is a sign of faith, earthly adversity, however, often oppresses the body to such an extent that it gains control over the soul and seemingly overwhelms it. And then the human being is anxious and despondent but his faith has not died out, for the soul which once has found Me will always stick to Me in adversity and thus prove its faith. And I will come to its aid. Weak faith is when a person doubts Me and My might in times of adversity, when he is in danger of no longer accepting spiritual things and grants the world greater power and rights. Then faith is in serious danger, and then I cannot manifestly appear through miraculous help either,

because then I would force faith but this is not beneficial for the human being's soul. But as soon as the human being wrestles daily for My fatherly love, as soon as he constantly commends himself to My love and grace and presents all his worries and needs to Me in prayer, he will also have profound faith, and he only has to try to make the body as silent as possible, i.e., to pay less attention to the earthly afflictions and impose them on Me with complete faith. He must try to let the soul speak alone, thus to hear the voice of the spirit through it, the emanation of My love, which will certainly earn him strength to also become master over the body's afflictions. For the believer will be helped because I will not leave My own in adversity as soon as they call upon Me for help.... And the less attention they pay to the body's distresses the less they will be oppressed by them, and this is strength of faith.... leave all earthly worries to Me and wait for My help in peace of mind.... My love for My living creations determines Me to constantly provide them with help, but especially if they are in spiritual hardship. And the greater the spiritual hardship the further away they are from Me, thus the more faithless they are. And then the earthly adversity must press them hard so that they will find their way to Me.... But anyone who has found his way to Me, who consciously desires My love and thus believes in Me, in My love, wisdom and omnipotence, no longer needs harsh means of education to the same extent as the unbeliever, and I can helpfully approach him at any time. And his fate on earth will be easier, even if he cannot remain completely spared for the sake of his fellow human beings and for the purification of his own soul. Yet I am always ready to help if his call rises from his heart to Me.... And thus constantly let My spirit speak to you, listen to the voice of the spirit within you even in earthly adversity, that is, intimately unite with Me in thought and listen to My voice which will comfort you and impart strength, which will restore your inner peace if you are in danger of losing it, and which will also give you earthly advice if you need it. For if you remain united with Me nothing can approach you which harms you, because My nearness always protects you from the activity of the forces of darkness, because where light is there can never be darkness and where I am the enemy of your soul never has access. And deeply remember that I am able to banish every adversity and, if you deeply and unshakably believe in it, you can be sure of My help.... Strive for strong faith, pray for it without ceasing, then every adversity will stay away from you because you will be able to banish it yourselves with My strength, which a strong faith brings to you....

Quiet and peace of the soul through deep faith....

B.D. No. 3656

January 14th 1946

Your heart remains restless as long as you do not firmly believe in My everlasting love and care for all My creatures. Only profound faith gives you peace and tranquillity of soul. And thus you must first try to gain it, then you will master earthly life even in the most difficult days, in earthly adversity and distress. Again and again I call out to you: What can happen to you without My will or My permission?.... My might is so strong that it can prevent everything I want; and My love for you is so great that I will also prevent what will harm your soul. If the body nevertheless has to suffer, then also consider this a proof of love, for it serves your soul for the best. And therefore don't fear earthly suffering but trust Me that I will also make this bearable for you if only you believe in Me, My love and might. Try to imagine that an opposing force from Me wants to ruin you and that I will never ever allow this out of love for you. The opposing force seeks to win your will and if it does not succeed in doing so, it rages against you.... If your will is now seriously turned towards Me I will also stand by you as protection and the adversary's activity will be unsuccessful. And thus you only ever have to believe that I am with you, that you will never be defencelessly exposed to his influence, and this faith will give you comfort and peace, for I will not disappoint it. Your faith is the best weapon against the enemy of your souls.... I will not disappoint it and help you in every adversity, spiritually and earthly. But if you fear and doubt, the adversary will penetrate you and exert his influence. You can only achieve strong faith if you constantly unite with Me in prayer, for the constant call also gives you the inner certainty that I can help you, and you will also feel My love which wants to help you in every

adversity.... Don't let earthly worries arise, for I will take care of them when the time comes, and only remember your souls and diligently care for them by strengthening and fortifying them through My word.... If you supply your soul with My word it will grow stronger in faith, and if you believe no earthly adversity will frighten you anymore. I constantly give you the assurance that I protect you in every danger of body and soul, and believe this word of Mine.... And peace and tranquillity will enter your heart, you will leave all worries to Me, you will also be able to transfer your faith to others, for profound faith radiates its strength and also revives your fellow human beings' weak faith. Don't be afraid but believe that I am powerful and love you.... And you will go through earthly life light-heartedly, always certain of My help, no adversity will frighten you even if you have to endure it for the sake of your souls, for I will end it when it is time, I will help you in accordance with your faith....

Amen

Blessings of faith in the time of adversity....

B.D. No. 3784

May 29th 1946

You shall experience all the blessings of faith once adversity approaches you in all its severity. Do not despair, for I will be with you every day until the end.... And you truly cannot have greater protection than My presence guarantees you. And try to gain faith in it beforehand, pray and live with love and My presence shall become a certainty for you, and then you will be fearless and strong. Yet the adversity is unavoidable, for the last days of life have come for countless people which are still supposed to bring them salvation in spiritual adversity. I have to approach them harsh and tangibly if I still want to win them over for Myself, and therefore you, too, have to take the days of adversity upon yourselves for the sake of your fellow human beings, yet always standing under My protection and overcoming everything with My strength and grace. But once the great adversity approaches you, you will no longer be timid if only you are willing to firmly believe, for I hear the prayer of the heart, which is aimed at gaining a strong faith. As soon as you feel Me close to you, you will no longer fear, then you will be strong and take on every battle, both earthly and spiritually, i.e. with the enemy of your souls. Persevere and do not be afraid, for to whom I once promised My protection I shall never leave him, I shall guide you safely through all adversity and danger. Every day brings you closer to the great event which is not caused by human will, but through My will alone. And no matter how great the adversity is beforehand, it will come to an end through this event but will trigger a different kind of adversity. Yet you can also become masters of this if you stand by Me and create and work with Me. For the time being, believe in My constant presence with My own, with those who try to shape themselves into love through a way of life in accordance with My will.... Believe in My working in and through you, and everyone will be at peace, even in the face of the greatest adversity, for then you will constantly draw strength from Me, from the One in Whom you believe. Do not be anxious and of little faith, for the greater your adversity will be, but banish it yourselves through firm faith.... Therefore, pray and live with love, and your faith will strengthen and attain a strength which eliminates all fear, for you will feel secure and powerful in My presence and you will also master the most difficult things with My strength.... Very quickly a change will take place, very quickly the days will pass, one adversity will chase the other, and suddenly I shall speak from above as I have always and constantly proclaimed.... You are so close to it that you will have to endure everything in view of it, for these are the last storms before the great storm that will pass over the earth.... Remember that I stood by your side as a constant admonisher and warner and pointed you to this time of adversity, remember that the great adversity will also start as I have proclaimed, for My Word is and remains eternal truth.... Thus, draw strength from it, which is always and constantly at your disposal so you desire it. A father withholds nothing from his children because he loves them; he protects them in every adversity and danger. So does your heavenly Father, Who loves you even more and therefore provides you with every physical and spiritual protection so that you can one day enter His kingdom unharmed....

Amen

Don't fear those who kill the body, but are not able to kill the soul....B.D. No. 4566
February 14th 1949

Don't fear those who can physically harm you but only the one who tries to pull your souls into the abyss. Yet you can even face him with courage if you call Me to your side, in which case he will not be able to do anything to you because then you have a shield that makes you invincible, thus your soul will be protected from all danger. The world, however, will badly oppress you and the authorities will try to destroy you, because they will rise up against anyone loyal to Me since they don't want to acknowledge Me as Lord and therefore demand all power and veneration for themselves alone. You will be badly oppressed and can nevertheless face every battle undauntedly and without worry, because I will go into battle with you as your commander-in-chief and fight on your behalf just as you fight on My behalf and for My name. And victory will be yours.... Do all you can to attain an ever deeper and steadfast faith, then you will also lose all fear of those who can only kill the body. If you pay more attention to the life of your soul you will also remain completely unaffected by everything of a worldly nature, enticements and threats.... you will only live according to My will, and if the demands of the worldly powers oppose My will, you will recognise them as Satan's emissaries and stop being afraid of them, for your faith will give you the strength to resist them; then you will no longer dread the world and its advocates but increasingly more side with Me as the One, Whom you fear and love at the same time.

Anyone of weak faith will be anxious and also observe earthly proceedings with worry; I Am not constantly present to anyone of weak will. He still pays too much attention to the world, albeit he does not desire it he will nevertheless not remain unimpressed, it will still occupy his mind, it will still hold him back from spiritual striving. And he will be afraid and hard pressed by the earthly powers. I would like to help him dispose of his fear, I would like to call to Him: You will always find a Saviour in Me if only you have complete faith in My love and My power. I can achieve everything, and I want whatever is beneficial for you. Believe this and know that I will always stand by your side when you are threatened by Satan's advocates who want to push you away from Me. And once you have become aware of My presence you will lose all fear and courageously confront the enemy. You will be strong due to your faith in Me and will no longer fear your physical death because you will know that death does not exist for those who believe in Me.... that therefore your body can be killed but never your soul, but that I will also protect your physical life as long as your hour has not yet come....

Amen

Lack of faith.... assurance of God's help....B.D. No. 4722
August 24th 1949

Prepare yourselves for the great event which I announce again and again. But know that all suffering will pass, even if you believe to collapse under it. Everything will follow one another quickly, there will be a rush of events, and in a short time that will happen, which I point out to you again and again. But how will you bear this difficult time if you don't look up to Me with more faith in the hours of adversity? I know what is coming and want to help you gain the strength of faith which overcomes everything that comes upon you. Just lean firmly on Me, know that you will not find the support on earth that you have in Me if only you believe. I am always there for you, I hear every call, every sigh, I know about every tear, about all sorrow which oppresses you, and I only ever want to call out to you: Why do you trust so little in Me, Who constantly promises you My protection and My help? Why don't you come to Me when you are burdened and threaten to sink under the load? Why is your prayer not so fully trusting that I can help you, that you, so to speak, force My help through the strength of your faith? And if you sincerely want it you can also believe, yet you have to seriously consider My word, you have to move it in your heart, i.e. deeply empathize with its meaning and

realize that I am not telling an untruth, that you can therefore fully expect the fulfilment of My promises. Therefore, if I have promised you My help in every adversity of body and soul, think about the fact that I can help you by virtue of My omnipotence, that I want to help you by virtue of My love and that you must not doubt it, for then you will either not recognize My omnipotence or My love, and then you will prevent Me Myself from expressing love and omnipotence, because then you will step out of the right relationship with the child, but which I require in order to be able to reveal Myself in My love and omnipotence. Why are you afraid of the power of the world, why do you let yourselves be oppressed by earthly worries when you have a father in heaven Who can and will take care of everything for you because you are His children? Why don't you have faith in Him, Who constantly gives you proof of His activity and work, if you only look around you? Why is the worldly so much closer to you than I am, why are you afraid, since I am constantly present to you? And how do you then want to bear the heaviness that the future still brings? But I know about your adversity and want to avert it so that you can serve Me as a support when everything around you threatens to shake.... I need you and want to educate you to become strong, fearless representatives of My teaching. And I will achieve it, that is, your faith will become unshakeable and defy all storms. You will experience My help so obviously that all doubt will disappear and your faith will grow stronger.... and you will serve Me until the end....

Amen

Faith in Jesus Christ.... reduced suffering....

B.D. No. 6168

January 18th 1955

There need not be so much misery and hardship on earth if people were more mindful of their saviour and redeemer, Who took the suffering of the whole of humanity on His shoulders and suffered and died for it on the cross.... He bore it for humanity.... but it has to believe in Him and His act of salvation, for only the guilt of sin can be considered redeemed which is carried to Him.... under His cross.... is carried to Him under His cross in faith and hope that Jesus Christ gave His blood so that this guilt will also be redeemed. But anyone who does not believe in the redemption through Jesus' blood is still burdened by his guilt of sin, and he has to make atonement for it himself, he has to bear all the suffering himself which is the effect of his former sin.... Need and sickness, sorrow and suffering.... Jesus knew that humanity had to suffer unspeakably because of its great guilt of sin. And His merciful love took the suffering, the consequence of sin, upon Himself.... He wanted to take it away through His suffering and a most painful death, He wanted to make atonement so that people could become free from misery and hardship.... so that in this freedom they could find their way back to God, from Whom they had once voluntarily separated.... Jesus Christ died for **all** people.... So **all** people can take their sins to Him.... They will find forgiveness, they will be released from the burden of their sins because the divine redeemer has taken away all their burdens and placed them on Himself out of immense love.... Yet it is easily understandable that He also wants to be acknowledged as redeemer of the world.... It is understandable that only he who believes in Jesus Christ as the son of God and redeemer of the world will be freed from his guilt.... that only he who comes to Him with his guilt and asks Him to also remember him will find forgiveness, who thus consciously places himself under the cross of Christ in order to let His blood wash away all guilt.... But how do people relate to Him now? Can we still speak of a living faith in Him, in Whom God embodied Himself? Humanity no longer wants to acknowledge Him, except for a few who belong to Him.... Christ's act of salvation no longer means anything to people.... and therefore all remain unredeemed who do not acknowledge Him as He wants to be acknowledged.... And the burden of sin accumulates enormously, people have to suffer from the effects of sin, because divine justice demands atonement from people themselves who do not belong to the host of the redeemed, because they separate themselves from Him, because they do not belong to those whom Jesus Christ redeemed from sin and who **therefore** do not belong to the redeemed because they do not acknowledge the divine redeemer, thus they do not believe that the eternal love Himself took upon Himself the death on the cross in order to bring redemption to

people.... No human being is excluded from the act of salvation.... but anyone who excludes himself cannot avail himself of the blessings of the act of salvation either, and therefore he will not be able to avert a dreadful fate from himself which will certainly await him in the kingdom of the beyond, if it does not already affect him on earth.... For according to divine justice atonement has to be made by anyone who does not bear his sins to Jesus Christ, Who died on the cross for all people in order to redeem them....

The faith that can move mountains....

B.D. No. 6957

October 30th 1957

You are all not yet strong enough in faith otherwise not the slightest doubt would befall you when you turn to Me in heartfelt prayer. You lack the strength of faith which can move mountains.... Although I always want you to submit yourselves to My will, to completely enter into My will, with strong faith you would not doubt that My will is other than to give you what you ask for.... For this is the strength of faith that you feel at one with Me and My will, that you feel so intimately united with Me that the same will also controls you, that you no longer feel isolated from Me but that you walk your earthly path in the feeling of complete agreement between My will and yours and therefore also always know that you will only request what I want to give you. You all have to form your bond with Me even more intimately and then you will truly be able to move mountains, for then it will always be Me Who carries out everything you want. And therefore you should ward off every doubt, you should approach Me for help in full faith that I will help you.... For as soon as you sincerely join Me you will only address such requests to Me whose fulfilment will not be detrimental to your soul. And therefore only ever ask yourselves whether you desire something for the soul or only for your body.... I truly do not withhold from the soul what serves it, what is desirable for the body alone I can certainly withhold from you, but then only ever out of love for you so that your soul will not suffer any harm. Yet again and again I tell you that you will only address such requests to Me yourselves which I will grant as soon as you are sincerely devoted to Me. And thus you first have to ask yourselves what kind of bond exists between you and Me.... And as long as you doubt, this bond also leaves much to be desired. For if you are convinced of My presence within you then you will also know that I regulate everything and think and act for you. Then you will also know that nothing is impossible for Me, that I only want you to trust Me.... that I only require strong, unshakeable faith from you in My love, wisdom and power.... You should gain this faith in order to also be able to transfer it to others, and the stronger this faith is within yourselves the more convincing you can also influence your fellow human beings, who shall also attain faith again. You don't doubt My **power** but you doubt My **will**.... Therefore you must still be of a **different** will yourselves, otherwise you would know yourselves to be in complete agreement with Me and then you would not desire anything which does not correspond to My will.... But **if** you desire, then you should also know that I desire the same for you.... that I therefore also want to fulfil your requests as soon as you submit yourselves to Me and My will. For then you **cannot** want anything **else**. And then your prayer will be right and you need not doubt. So only ever strive to let Me be present in you through your will to live to please Me, through heartfelt prayer and unceasing love.... Then you will also always be of the same will as Me and only ever request what I will certainly grant you, for then your will will be Mine and you will only ever request what is beneficial for your soul's salvation....

Amen

Translation handled by Doris Boekers

A believing prayer will work miracles if you send it up to Me in distress. And thus you have a means which banishes every adversity.... Why then should you still be timid?.... For I hear and listen to such a prayer because it is pleasing to Me. Believe in Me and in My love, believe in My omnipotence and call upon Me, and I will come to your aid, for I do not want you to suffer.... Yet I want to be recognized by you as the father of His children, and therefore I want you to trustingly come to Me with every worry so that I will take it away from you. For I have the power and also the will to do so, I can help you, and I want to help you as soon as you are not apostate to Me, as soon as you feel like My children and desire to come to the father. And you express this will through believing prayer.... Stand in profound faith and ask for My grace, for strength and help.... this is the state which is to be achieved on earth and which enables you to gain insight into the spiritual kingdom. But this state also earns you the fulfilment of your requests, for now you are such that I can call out to you: Ask and it shall be given you. I Myself have given you the promise and I will truly fulfil it if you pray to Me in the right way. But a right prayer should ascend to Me in childlike trust, you should not doubt for a moment that I will grant your request, you should imagine My greater than great love for you and rely on this love so firmly that it will not deny you anything. Yet your prayer should predominantly be for your soul's salvation and earthly only for the prevention of severe adversity, but you should never ask for futile things, for I will give you what you need for your earthly life if you seriously strive for My kingdom. But if you are in earthly distress then trustingly take refuge in My fatherly heart and I will banish all adversity. And thus you are never alone, never helpless and abandoned, for you always have prayer as soon as you believe. And a prayer coming from the heart will always please Me, and I will grant My help to the earthly child, often in a miraculous way, because nothing is impossible for Me and therefore I can also banish the most severe adversity if I thereby want to prove the strength of faith and prayer to a believing earthly child....

Prayer for grace and strength....

B.D. No. 3714

March 15th 1946

When you approach Me from the bottom of your heart with a request for strength and grace you will certainly receive it, even if it is not instantly recognisable as help, since grace and strength affect the soul more than the body. The human being as such can still be subject to affliction but it will not touch the soul as much, so that the human being remains calm and collected due to his soul's strength, and yet the physical affliction still needs to be overcome. Thus I do not always remove it from the person but I will give him the strength to bear what I inflict on him. He will not experience something as severely as someone without faith who does not desire and request My gift of strength. Not the misfortune itself constitutes its severity but the state of the human being who, being weak, is doubly affected by every hardship. But My grace and strength is always at your disposal and, providing you make use of it, even the most difficult earthly life will be bearable for you and always of benefit for your soul, because as a result of My strength and grace its shell will be gradually dissolved.... For as soon as the human being joins Me, as soon as he makes contact with Me by praying for strength and grace, I will be able to reveal Myself to him by giving him strength, and depending how much I can develop his soul, his earthly ambition will be reduced accordingly.... The strength of My grace urges the soul towards the spirit within itself and away from material possession. My grace and strength has the effect that a person becomes inwardly strong, that he disassociates himself from the external world and tries to make contact with the spirit in himself, and thus he achieves spiritual progress when he tries to alleviate worldly hardship with My support, with My supply of grace and strength. But such a request will never remain unfulfilled, a person who approaches Me with this appeal will never fail to benefit. And he will also always notice how much stronger he is after a heart-felt prayer to Me, albeit worldly hardship is not yet resolved.

On the one hand this is intended to make the person aware of his weakness and lack of strength and to encourage him to approach the One Who can remedy it, but on the other hand it should also strengthen his faith when he receives such obvious help after his heart-felt appeal to Me. A soul which strives towards Me will always derive spiritual benefit from the body's distress, because it will always take flight to Me and every heart-felt prayer will provide it with strength and grace, which will then take effect in accordance with its state of maturity... visibly and noticeably for the body too or just perceptible for the soul, depending on how suitable it is deemed by My wisdom and love. But I will never leave anyone without strength who requests it from Me.... For I will fulfil every appeal for spiritual wealth and, providing it is beneficial to you, also for earthly help. And thus you will be able to feel Me even during utmost adversity, you need not be discouraged and despondent providing you entrust yourselves to My love and grace, providing you want to accept My strength and confirm this in sincere conversation with Me. I know of all your difficulties, your weaknesses and doubts, but I want you to hand them over to Me in prayer so that you know when they are removed by My love, by My supply of strength and grace.... so that you will learn to recognise Me in everything that affects you. I speak to you through hardship just as I reveal Myself to you through help.... And if you stay in close contact with Me you will not fear any hardship, no matter how harsh it appears to be, because all strength and grace is at your disposal due to My love. I will take care of you until the end of your life, physically and spiritually and, providing you believe this without doubt, you will lose all fear of every severe hardship facing you, because you will always be able to overcome it with My grace and My strength....

Amen

Sincerity of prayer strengthens faith....

B.D. No. 3778

May 23rd 1946

Sincerity of prayer increases the receptivity for My Word, and thus you will always receive strength and grace if you pray to Me in spirit and in truth. And regardless of how often the world wants to come between you and Me, it will be unable to sever your connection to Me, just as it will never be able to stop Me from approaching you in the Word as long as you don't forget to call upon Me for help. Yet I expect your prayer to Me as long as your faith is not strong enough that even the worst worldly danger is no longer capable of destroying your awareness of My presence. Only then will you be indelibly united with Me. Weak faith, however, will loosen the bond; it always will have to be established anew through prayer. Yet I assure you that it will never tear apart, for I know My Own and draw them to Me until they are forever inseparably connected to Me. That which is yet to happen to Earth will be so immense that it will necessitate great strength of faith if a person wants to survive it without damage to his soul. And every earthly crisis is a preparation for this time which will come to pass without fail according to My proclamation. I certainly place a heavy burden upon humanity, I let great suffering come upon them, yet I also know their results and only ever consider people's salvation of soul, whom I want to help in their spiritual hardship.

However, if you are profoundly faithful you will be calm and peaceful, and even the greatest adversity will neither frighten nor weaken you. Aim to achieve this faith, always and forever try to establish a connection with Me, don't pay too much attention to the world and its requirements but immerse yourselves ever more deeply in My Word, accept strength directly from Me through My Word, let yourselves be nourished and refreshed by Me so that you will be awash with strength and feel no more anxiety, so that you will live in awareness of My presence and commend yourselves to My love and grace without worry. I know of all your problems, I know of your souls' despondency, the anxiety of your hearts, and evaluate everything according to how far your will applies to Me. And correspondingly I will direct all happenings such that they will benefit your souls. Never disregard the sincerity of prayer, always look for Me in every adversity and danger, and I will hear your call and help you. For you ought to become My Own with every fibre of your heart, you ought to seek the

most intimate unity with Me so that your faith will gain such strength that you will no longer fear whatever will come your way....

Retreat into silence.... time of need....

B.D. No. 5629

March 18th 1953

Often dwell on spiritual thoughts, withdraw into silence, commune with your father of eternity and thus establish the connection with the spiritual world so that its radiations can touch you, so that you are open-hearted.... and there is no resistance in you against the flow of grace from above. God's strength of love cannot take effect on you as long as you close yourselves off, thus your will must be ready to receive the strength from God. You have to practice this conscious opening very often and you will happily perceive a spiritual strengthening, you will no longer have the feeling of being alone, then you will establish a relationship with the spiritual world which will give you a certain security compared to the earthly world. Don't let the earthly world gain control over you, but always put the spiritual world before it.... i.e., let God Himself always be present to you through conscious desire for Him.... Only in this way can you mature your soul, for then you will do everything consciously, you will seek to live according to the divine will in everything.... You have directed all your senses spiritually.... In the coming time you will need this attitude very much, for the world will give you a hard time, you will need a lot of strength and will only ever be able to receive it through living contact with God, with the world, which supports you in your striving upwards. And it will become increasingly more difficult for you to only direct your senses spiritually.... Therefore practice diligently beforehand, don't live a purely worldly life for a single day, again and again withdraw into silence, use every opportunity to send your thoughts upwards, and even if you only let a short call arise from your heart.... it will be heard, and the beings of light will not leave you alone if you request support from them.... Strive to secure God's presence for yourselves.... remain in love.... and trust in Him that He will straighten what is crooked, that He will heal those who are sick, and believe that He is stronger than everything you fear, that which threatens you.... Trust in Him and give yourselves to Him as your own.... And He will truly not leave you.... Begin and end each day with Him, and He will be your constant companion, He will lead you out of all trouble....

Amen

Power of the divine word in times of need....

B.D. No. 5225

October 3rd 1951

Strengthen yourselves again and again with My word.... You receive unusual strength through it, you use a grace of such great effect if you move My word in your heart, if you therefore immerse yourselves in it and let Me Myself speak to you.... It is a gift from the spiritual kingdom which therefore also only has spiritual influence, i.e. it is only felt by the soul as a gift of grace. And yet you will feel its strength as an increased willingness to love, as spiritual progress, as increased striving for perfection.... My word comes from the spiritual kingdom and also guides you back into the spiritual kingdom from which you once took your origin. And therefore you can only gain if you listen to Me, as soon as you accept My word with your heart and make an effort to put what you hear into practice. Then your soul will spiritualize itself, it will, as it were, be raptured from earth and enter into contact with the kingdom, which alone is real and everlasting and whose inhabitants are beings of highest spiritual maturity who are constantly willing to give and distribute what makes them happy themselves.... Light and strength.... My word, which they receive from Me themselves and which they want to pass on out of love. As often as you immerse yourselves in My word the source of strength opens up and flows over to you, and therefore you can constantly draw from it, and the source will never run dry, My word will never lose its effectiveness. And if you are in distress My word is the

surest help, for you establish contact with Me as soon as you read or hear My word, and in contact with Me you receive the strength from Me which lets your faith come alive, and you will be helped through strong faith. You will always be able to draw strength from My word, yet you test it far too little and make use of My gift of grace, you let My word take effect on you far too little because your faith is still weak. Therefore I can only keep pointing you to My flow of love which constantly flows to you. Come to Me, all you who are weary and burdened, I will refresh you.... let all of you be strengthened and invigorated by Me, accept what My love offers you, then you will be free from all suffering and hardship.... always abide by My word and your soul will be strengthened by its power....

Amen

The way to the height not without Jesus Christ....

B.D. No. 6477

February 16th 1956

It is not difficult for you humans to ascend if only you take My word as a guideline for your way of life.... if you take My word into your heart and live accordingly.... This only requires a little self-conquest, a putting aside of your own desires and cravings for the sake of your neighbour, a detachment from the material world insofar as it does not **dominate** your thoughts but is only used as far as your earthly life requires in order to exist. As soon as you succeed in changing your selfish love into unselfish neighbourly love, you will gain more and more strength in order to cover the path upwards with ease. And in order for you to succeed in changing your selfish love into the right kind of love I died on the cross and acquired a treasure of grace for you which you only need to use in order to be able to carry out what you plan to do.... i.e. you only need to call upon Me in Jesus Christ to impart the strength for the change of will and it will be given to you without limitation.... Therefore you first have to believe in the divine redeemer Jesus Christ, in His crucifixion, which was a work of mercy for you, and in the human manifestation of your God and creator of eternity, Who embodied Himself in the man Jesus in order to accomplish this work of mercy for you. For only when you believe in this will you also avail yourselves of the blessings of the act of salvation, you will turn to Jesus Christ in prayer and appeal for His help. And then you will truly no longer be powerless, your will will experience the strengthening you need in order to now also be able to live out My word, and you will no longer strive for any other aim than unification with Me, which results in the fulfilment of My commandments of love. Hence I don't demand anything from you which is impossible, I only require faith in Me in Jesus Christ.... because this faith will then guarantee you everything, because it will trustingly let you request **what** you lack: strength to resist all temptations and strength to ascend.... But without this faith you will remain eternally in the abyss. And you pay homage to the world and thus to the one who is lord of this world, you will always grow more self-love within yourselves, you will pass by your fellow human beings' adversity untouched, you will never call upon the one Who alone can favour a change of your thinking and your will through the supply of strength.... Who alone gives your will the strength to separate you from everything that belongs to My adversary and to strive towards Me alone. But before the end of this earth people lack living faith in their divine redeemer Jesus Christ.... For people are devoid of all love, even though everyone carries the spark of love within himself and only needs to ignite it.... And much hardship is necessary for individuals to be inspired by such to practice neighbourly love.... Great adversity can still bring about a thawing of people's hearts, that they put aside their own desires and help others, and then they will feel a strength within themselves which will help them to ascend, as long as they are of good will and do not stifle the flame of love within themselves which has broken through the ice of the heart.... Adversity could still become a blessing for many people, and it is used as a last resort for those who don't pay attention to My word, which so clearly shows them the path upwards that they should find it if only they would accept My word. But there is no other way to help them than through My word if they don't want to listen.... And therefore My voice will once again sound loud and audible to people who close their ears to the quiet voice.... But nevertheless their will will remain free, for My loud voice can also fall flat on their ears and remain without effect....

Unwavering faith....

B.D. No. 3491

June 28th 1945

As soon as the human being turns to Me in unshakable faith in his adversity it will be remedied. And thus you will never be helpless and abandoned, for you need not fear anything, for you yourselves can banish every disaster at any time by virtue of your faith. But only when you have unshakeable, profound faith will you also have the strength of faith, and you must try to gain it and struggle and pray for it without ceasing. For it is necessary in the coming time when you have to confess Me and My teaching. If you are deeply permeated by faith in Me and My love, in My might and wisdom, you will not hesitate for a second to confess Me, for you trust in My help which will truly be granted to you. Again and again I will help you so that your faith will become strong, and again and again you will be able to feel My saving and guiding hand if you pay attention, if you remain intimately united with Me through prayer and constantly practice love. Your fate may seem hard to you.... but it is necessary and successful for your souls as long as you strive to live in My pleasure. Every day and every hour, every experience, adversity and suffering, can help you achieve maturity of soul if you look at it from a spiritual point of view and always remember that My love and wisdom has determined it for you for the best of your souls. And in this awareness you will devotedly submit yourselves to My will and thereby make it possible for Me to guide and look after you without finding resistance. Thus always take your cross upon yourselves, which truly only My love burdens you with.... But also believe at all times that I will help you carry it, that you have the strength to persevere and that I am always ready to help you if it seems unbearable to you.... Strong faith can do everything. Therefore, wrestle and pray that you lose the weakness of your faith so that I can always consider you according to your faith....

Amen

"Fear not, only believe...."

B.D. No. 3929

December 5th 1946

Do not be afraid, but only believe.... Where all human strength fails, where earthly help no longer seems possible, My might is not at an end, and again and again I find ways which lead out of the darkness, out of all adversity and distress, earthly and spiritual. Hope in Me and My help and I will truly not disappoint you.... In the last days you will often be confronted with difficulties, yet you need never despair, never fear that I am far away from you. For in adversity I am closer to you than ever. You only need to believe in My love which will never ever leave you alone, which will never ever abandon you to adversity and misery.... You must believe in My omnipotence, which is able to cope with everything and for which there are no limits to creation.... You must believe in My wisdom which does not arbitrarily let you get into adversity and distress but has very well recognized since eternity what is good for your soul and its perfection. And if you believe deeply and firmly nothing will frighten you anymore, for you will always feel Me close to you and place all your suffering and worries at My feet, you will place yourselves at My mercy and you will not expect My help in vain. Fear not, but only believe.... What can frighten you, what can harm you if you have Me, if you have My assurance that I will always help you in all situations in life.... what can make you weak and discouraged if you can constantly avail yourselves of My strength which flows towards you if only you ask for it.... Fulfil My will, always fulfil the commandment of love, then you will also constantly be in possession of strength and no longer need to fear anything earthly and spiritually, for then you will be united with Me and My presence will eliminate every adversity and worry, even though it approaches you earthly.... For I take it from you and you can completely trustingly hand yourselves over to this assurance, you can fearlessly walk every path, no matter how thorny and arduous it may

seem.... I always walk beside you and protect and shelter you, I give you strength and draw your hearts to Me.... and the more you detach yourselves from the world and unite with Me, the less you feel earthly hardship.... The time of the end has come which places great demands on your faith, therefore only seek to gain a firm unshakeable faith, therefore pray without ceasing and pay attention to every help so that you will become strong in faith and you will not need to fear whatever comes your way, for a firm faith banishes every disaster, a firm faith secures you My help, My strength and grace in every adversity and distress of body and soul....

Amen
