## Wake up, you sleepers....

B.D. No. 4895

May 11th 1950

**W**ake up, you sleepers, and get to work, for the day is short that is still given to you until the end. Every idle and negligent work will be avenged, and only he who is diligent and carries out his work in all seriousness will receive the blessing that means eternal life, while everything that fails is doomed to death. Wake up, you sleepers, and look around you and you will notice the changes which already indicate the approaching end. You must not regard anything as coincidence but know that nothing comes over you without a reason and that you therefore have to pay attention to it. Don't give yourselves over to idleness because it will only bring you ruin instead of rescue from the adversity which cannot be denied, and only those who are constantly active can control it. But your activity should consist of enriching yourselves with knowledge and then passing it on to your fellow human beings, of presenting yourselves with the questions which only I can answer for you, and of asking Me to instruct you. And then I will mentally give you the right answer and spur you on to carry out what I advise you to do through the voice of the heart.... i.e., everyone of good will will gain knowledge of what he should and should not do in order to secure peace for the soul. He will be awake and stay awake and not fall into the tempter's hands in his sleep, for the tempter does not sleep and constantly sets out to catch souls in his nets, which the human being does not see and recognize, who walks along drowsy and will surely fall because he does not protect himself against it. There is a safe way, indeed narrow and thorny, where an ascent without danger is certain, but the still drowsy man does not find it, he goes towards an abyss and is in greatest danger if he does not first awaken and look around for a safe way. And the day is short, soon night will fall, and whoever has not yet found the safe way will be lost, he will fall into the abyss without salvation. Anyone who does not make use of the time until the end belongs to those sluggish sleepers who do not take their work seriously and will therefore be rejected in the end; who cannot reach the aim because they did not let themselves be admonished and warned by My servants, whom I send into everyone's path so that they will guide those who take the wrong path, so that they are never helplessly abandoned to ruin but can always save themselves to Me....

Amen

## Statements by seers and prophets....

B.D. No. 6936

October 5th 1957

**L**isten to what the spirit of God proclaims to you: the seers and prophets are chosen by Me Myself because they have to fulfil a great and important task.... informing people of the forthcoming Judgment of the world and admonishing them to prepare themselves for it. These seers and prophets don't use their own words but merely pass on what My spirit tells them. Thus, in a manner of speaking, you receive a direct proclamation from Me Myself, I merely have to use a mediator in order not to compel your thoughts and actions. You therefore **can** believe it but are not **forced** to do so. You will believe it if you acknowledge the gift of vision and prophesy in these mediators; you will reject it if you doubt their mission. But I want to make it easy for you to believe them, I will visibly emphasise

their mission by allowing the announced events to happen which precede the Judgment.... I will make sure that these announcements will be spread, that many people can be informed of them and that they then will experience the evidence of it, because everything will happen as I predicted through seers and prophets. Although I warned people.... when I lived on earth.... to beware of false Christs and false prophets and pointed out that My adversary's emissaries will also wreak havoc, I now caution people once again not to get caught in his nets of lies and to believe his intrigues, for he is active and through remarkable accomplishments, through physical works of wonder, is trying to awaken in people the belief that the 'powers of heaven' are expressing themselves....

But precisely his remarkable activity during the last days also gives rise to My countermeasure which consists of using methods that revive a weak faith again or let a lost faith arise anew. And this cannot happen in any other way than through pure truth, which comes forth from the source of truth but must reach you humans through mediators because you are unable to receive it directly yourselves.

And thus I present to people what lies ahead of them. And the people I have chosen to mediate between Myself and you humans can be acknowledged by you as genuine prophets whose words you should believe. I Am also prepared to demonstrate that they speak on My instruction and inform you of what is to come by very soon making the first announcements come true. For the most important task of these seers and prophets is the announcement of the end, which is of utmost importance for you humans and which you thus should await being **prepared**. And for this you are still granted a period of time which can suffice to save your souls from ruin.

And so I will not hesitate much longer, I will confirm My seers' and prophets' mission, I will let their proclamations be followed by action.... Prior to this.... before the end.... I will shake the earth and show Myself to all people through a natural event which time and again has been announced according to My will. For I gave them the instruction Myself, they only spoke as My instruments, as My representatives on earth who should admonish and warn people on My behalf. You must not deem yourselves safe from events which testify to a higher Power, you should dread them and believe that My Word is truth, that I Myself speak and have spoken to you through them and that you are therefore definitely approaching an extremely difficult time, if My grace will not call you back beforehand. You are facing the end of an era, and in this certainty you should live your life accordingly.... always in view of a sudden end which, however, need not be feared by anyone who consciously improves himself, who pays more attention to his soul than to his earthly body, for he will not lose anything but only gain....

Amen

## Ending a period of redemption

### End of the period of Salvation.... God's plan of Salvation....

B.D. No. 5278

December 21st 1951

I have set a goal for you and granted you humans a period of time in which you certainly could have reached this goal. And even now it is still possible for you to attain this goal if you genuinely wanted to do so. Yet the limit given to you has passed, only a short time separates you from the end, and anyone who hasn't reached the goal by then will have squandered his spiritual life, he will have forfeited it because he didn't want to live, and his fate will be death.... One period of Salvation comes to an end and a new one begins; yet the spiritual essence which is presently embodied on earth as a human being has definitely reached the end, and if it fails it must start the cycle of evolution once again, so that My law of eternal order shall be fulfilled. The deadline has expired, you are just minutes away from the hour when the old earth will be destroyed, when its creations will be disintegrated in order to arise anew, in order to provide again new opportunities for the development of the still immature spiritual beings. And although I repeatedly inform you of this hour.... it bypasses your ears without leaving any impression, you don't believe it.... Yet your unbelief will not deter My eternal plan, it just induces Me to send you ever more distinct signs to make a near end seem credible to you.

Your unbelief causes Me to inflict extremely painful wounds on you in order to make you consider what your life is about and how you have used it. You cannot be spared hours of adversity and misery since they can, after all, still contribute towards leading you to the goal, which you really can still reach if you have the serious will to do so. I will noticeably help you and give you strength, yet your heart must appeal to Me for help to demonstrate your will. I can and will do anything to make you happy yet I cannot change My eternal plan of Salvation, it has to be carried out in accordance with the law of eternal order and within the preordained time, which is now coming to an end. Humanity's spiritual state had already reached its lowest point some time ago which necessitated the end of the earth, yet I still wait for the sake of the few who are weak and undecided, as I can still win them over before the end of the deadline. But then all options will have been exhausted, then everyone will have to accept the consequences of their attitude towards Me, and Judgment will categorically take place, and everyone will receive the fate he deserves.... eternal bliss or damnation.... life in paradise on the new earth or renewed banishment into the creations for an infinitely long time again....

Amen

### Reasons for ending an earth period....

B.D. No. 7167

July 17th 1958

Take note of the fact that the time granted to you humans to mature on this earth is coming to an end. The whole human race, which was allowed to embody itself during this earthly period, has more or less passed the test, it has entered the kingdom of the beyond and was able to continue its upward development there.... even if under different conditions than on earth.... but countless human souls have also sunk back into the depths.... And now the last of this generation have still been admitted to embodiment as a human being.... also with the aim of becoming free during their earthly life from the material form which has imprisoned them for eternities. But now this **time** is coming to an **end** and irrevocably a conclusion is taking place because a new redemption period has to begin....

And understandably only slight success can be recorded in this last time, for a great deal of God-opposing spiritual substance is now embodied which was not allowed in earlier precisely because of

its resistance.... but which was destined for this earthly period and still has to walk the path as a human being before a new redemption period begins.... In order to make the earthly path successful for these people, they are accompanied by many spiritual beings which guide them and assist them where human strength is too weak.... Thus it is certainly **possible** for these people to reach maturity but it is extremely **difficult** because their will is never forcibly influenced.

Yet the end of this earthly period has been determined since eternity, it is laid down in God's plan of salvation because He knows from eternity when it is time to establish a new legal order on earth which has been overturned by human will and therefore an upward development of the spiritual has become almost impossible.... If people now believe that it is not compatible with the **love** of a 'God and father' that a work of creation such as earth is heading towards a **total transformation**, it has to be countered that it would far rather prove a lack of love if no end was put to such a spiritual low, for the earth would then have ceased to be a station of education for the spiritual, it would completely miss its **purpose** and only **encourage** a chaos which spiritually reigns on it.... God's love truly tries everything to help people to salvation, yet no improvement is apparent, no spiritual 'turnaround' can be expected on this earth anymore, for it can no longer be expected that the human race will change and return to God's intended order.... which alone could stop an 'end'.... And God has known since eternity that this possibility no longer exists, and therefore He was able to build His plan on this **human will**.... And He will also carry it out, for He is a good, just and exceedingly wise God Who wants nothing else than to help His creatures from the abyss to the height, to Him, and Who also truly knows and uses the right means.... But you humans don't **want** to believe that the time has come, that humanity has already reached a spiritual low which will no longer tolerate any delay.

You do not want to accept it, although your inner feeling tells you that humanity can no longer expect anything else. And that is why you raise objections upon objections which, however, lack all logic.... For as soon as you seriously consider **what this earth is** and **what it is** meant to **serve for**.... and when you now see that only one human being rarely makes the most of his earthly life in order to mature **spiritually**, which is obvious to everyone, then it must also be more probable to you that **an end will come** than that it will continue to exist in the same way.... For it must also be obvious to you that God cannot necessarily bring people to maturity, thus only a transformation of this earth can still take place, an end of an ineffective epoch and a beginning of a new one where the spiritual's ascent development can continue again and where the spiritual, which is still in the abyss, is also given a new opportunity of ascent.... You humans must always take into account the infinite love and unsurpassable wisdom of your God and creator Who wants to become the father of all of you and Who truly does everything to achieve His aim. And thus you may only regard the coming end of the earth as an act of His love but never as cruelty, which He is incapable of, for He never wants to destroy but only ever give life to those who have lost it through their own fault.

Amen

## Concluding a period of Salvation....

B.D. No. 7390

August 15th 1959

**Y**ou can believe without doubt that one period of Salvation is coming to an end, for as soon as you are spiritually inclined you will also be able to observe people's development, and then you will not find it difficult to believe that a change has to occur if I don't want to let humanity fall prey to Satan, who is visibly at work. For the purely worldly-minded person this is indeed no explanation, because he will not accept a low spiritual level since he is unable to see it. Yet the purpose of earthly existence is not a purely-worldly one, but the meaning and purpose of earthly existence rests in the human being's spiritual development, and once this clearly becomes a secondary issue then earthly life has become futile and need no longer be continued by people who totally deny their purpose of existence. But it does not just concern the **human being's** higher development.... The whole of Creation shelters spiritual substances within itself which likewise go and should go through this

process of development, consequently a certain order has to be observed in creation which, however, is being revoked by people and therefore the creations on earth no longer fulfil the purpose which was assigned to them. An unspiritual human race does not live in accordance with My will, and thus it will not use all available works of creation according to My will but assign them for other purposes which therefore endanger the inherent spiritual beings' development or make it impossible.... And such an unspiritual human race is presently populating the earth and endangering its continued existence because it no longer lives on earth in keeping with My will but revokes the divine order and lets its own will break through which opposes My plan of Salvation. Nevertheless, people's will is free....

And thus their behaviour and activity will not be opposed, instead people themselves will lend a hand to the work of the final destruction, they themselves will hasten the end and don't realise that they nevertheless indirectly proceed in line with My plan of Salvation, since due to the work of destruction the process of development of the spiritual substances which are still constrained in the creations will continue, because a new period of Salvation will start and take its course in lawful order again, as it is destined by My love and wisdom. The fact that the majority of people do not believe it only demonstrates the low spiritual level, because every spiritually awakened person can see for himself that the present situation on earth cannot go on if one wants to speak of spiritual development. But the few of My Own will know that not much time is left until the end because they can see the signs very distinctly which I indicated through Word and Scripture.... The human being must see with spiritual eyes, then humanity's state will be apparent to him. If, however, he only pays attention to the world he will just see economic development and progress, and then he will find it difficult to believe that everything will come to an end, that no-one will be able to enjoy the results of his own effort, his possession of worldly goods, he will only ever see the world and its development and spiritual thoughts will move ever further from his mind the more he observes the world and its progress.... But he will be unable to enjoy what the world has to offer for much longer; very soon he will be able to watch the disintegration, first through My will, through the raging of the elements of nature.... and later through human projects.... after all, I built My eternal plan of Salvation on the basis of people's wrong will, which will give all spirits in the entire universe new possibilities for higher development, because I want to help them achieve spiritual progress.

And thus it will come to pass as it is proclaimed.... and regardless with how much incredulity you humans look at My predictions.... you can expect with certainty that you are approaching tremendous upheavals and that one period of Salvation will come to an end and a new one will begin soon.... For the time has expired that was granted to the spirits by My love, wisdom and might.... And it will come to pass as it has been proclaimed again and again to you humans....

Amen

## Ending an earth period is imminent....

B.D. No. 7929

June 27th 1961

**T**he time set for your redemption will be observed, and this means that a period of redemption will also come to an end, that a new era will begin according to the plan of eternity.... As I saw it as necessary and successful for your soul, for the development of the whole of humanity, this plan has been determined, for the spiritual low requires a new order, it requires an intervention on My part, a turning point which is only a blessing, which serves the spiritual upward development. And since eternity I have also known the time when humanity has reached this spiritual low which necessitates a change, and I will also keep to this time and carry out My plan of salvation, after all, My love and My wisdom always determine My rule and activity in the entire universe.... And thus the end of one redemption period will take place and a new one will begin again, because the process of development has to continue unstoppably, because no standstill can occur on My part and because I want to prevent an even deeper sinking of the spiritual substance which lives on earth as a human being. It is therefore certain that an epoch of development will come to an end.... It will be a spiritual turning point which,

however, will also have an earthly effect, for since that which is still bound in form shall also become free and take on new forms, this will also necessitate a dissolution and reshaping of the earth's creations, so that a total reshaping of the entire earth's surface is to be expected, which will end the old period of redemption and signify the beginning of a new era of development. What has been predetermined since eternity will also come to pass on the day which has been set for it.... but the exact knowledge of the day remains hidden from you humans because it would not be helpful for the salvation of your souls if you knew about it.... But it is no longer far away.... whether you believe it or not.... the time has expired and My plan of salvation from eternity will be carried out according to My will.... The fact that you humans of the present time are destined to experience this end also has its reason, for your resistance against Me was strong and did not allow for an earlier embodiment as a human being.... But again, the same period of time was set for you since you had to end your course of development.... It is also possible for you to finish it successfully; it is still possible for all of you to find your way to Me before the end, if only you give up your resistance and turn to Me again, from Whom you once turned away in free will to your own harm.... You are still dwelling on earth; don't let the time pass by unused, for I pour out My blessings on you in abundance and truly help you in every way, because I alone know what it means for you if you fail and have to take the infinitely long path of development once again through the creations of the new earth.... Reckon with the fact that the end is very near and prepare yourselves for this end.... And truly, it will only be a blessing for you if you turn to Me and appeal for My strength and help.... You can still achieve much in a short time, you can be rid of your last form and attain full spiritual freedom.... You only need to want that you do not travel your earthly path as a human being in vain.... You only need to call upon Me, your God and father from eternity, for help and you will find Jesus.... to Him Who alone can and will redeem you. Do not let this admonition fall on your ears, take it into your hearts with the utmost seriousness and think about it.... and act before it is too late.... For no one shall be lost, I still want to help **everyone** before the end comes.... **But it will come irrevocably**, for the time has been fulfilled, the period of time has expired which was granted to the spiritual, which was to be completed in this redemption period, and a new one will begin, as and when it is intended in My plan of salvation from eternity....

Amen

## Timing the end

### Human timing of the end.... disciples of Jesus also unknowing.... shortening the days....

B.D. No. 4011  
March 31st 1947

**T**he human determination of the time of the end is also inaccurate, as soon as it is calculated intellectually or given by people of unawakened spirit. However, if they announce the end in the near future, they come closer to the truth. But they can also still postpone the time of the end for a long time, and this would be a deception which has detrimental consequences for people's souls. For anyone who does not expect the end shortly will also never seriously tackle the work of the soul, and this is the purpose of such announcements, that people strive to change and can only do so if they constantly work on themselves and keep the near end in mind. This is why God constantly points to the end but always leaves people in uncertainty about the time of the end. And even His servants, who are mentally in contact with Him, are not informed of the exact time, yet the firmer they stand in faith, the more they live in love, the more they will also know that they themselves are in the time of the end, for they pay attention to the appearances which God Himself announced to earthly people through His son Jesus Christ as a sign of the end. Even the man Jesus did not know the day and hour of the end, and His announcements were also to be applied in all times, so that His disciples also reckoned with the approaching end and the imminent return of Christ, which was connected with the end. His disciples were also of awakened spirit and could not determine the day and hour. And so no certain information can be given from a human point of view until the end, only the signs of the time can be taken into consideration and from them the near end can be concluded, which must one day irrevocably come because the divine word must be fulfilled. But serious strivers will also seriously consider the thoughts of the end of the world, the day of judgment and the fulfilment of all prophecies which point to it. And their eyes will also be opened so that they will recognize the signs of the end, and their thinking will be right.... They will know that they themselves live in the time, that they have to familiarize themselves with the thought in order to belong to those who have to live through a time of unspeakable hardship and distress because these precede the end. But Jesus has also given them a comforting assurance that He will shorten the days for the sake of the elect, so that they will become blessed. And therefore, if a person believes that the end time has come and that the last judgment is to be expected every day, he need not be anxious.... he will have the strength to endure everything as long as he strives towards God and belongs to His own.... But only then will he recognize the signs of the end time, otherwise he will never expect a near end because he does not believe. But the believers know what hour has struck.... they know that the end is near, as God has proclaimed in word and scripture....

Amen

### Determining the time of the end - False prophets....

B.D. No. 5162  
July 1st 1951

**T**he intention to determine the time of the approaching world judgment does not correspond to My will and My wisdom, which recognises full well that knowing the time and hour would not be beneficial to you humans, as it would influence your thoughts as well as your actions and therefore it will be kept a secret by Me, in spite of My constant announcements, warnings and reprimands. You humans have to conduct your life in free will, constant references to the approaching end are certainly good but not the exact knowledge of time and hour. Indeed the end, the world judgment, is very close at hand and I will repeatedly mention it to you, nevertheless you all will be taken by surprise because

no one will expect it with certainty and believe in the approaching end. But anyone who believes that he can specify the time and hour is not My messenger, and his words should not be trusted even though he claims to speak on My behalf, even though he wants to guide his fellow human beings to the right faith in Me. All the same, this claim can not have been imparted to him by My spirit, it can not have originated from Me, it is his own product of thought which he firmly believes to be truth and therefore he tries to spread it....

‘No one knows the day and hour....’ Remember these Words, which I spoke to My disciples on earth.... As God and Creator of infinity I Am well aware of this day and hour since eternity, yet My wisdom prevents Me from proclaiming this knowledge to you humans. For it concerns the human being’s will which may not be infringed, but it would be infringed by any precise revelation of the last day.... The day itself has indeed been predetermined since eternity, but so are all events preceding it which aim to contribute towards the voluntary change of the human being’s will. And thus I will do everything which helps and enables the human being to expect My judgment on the last day in the right frame of mind.... But if a person himself makes no use of it, his fate is already decided for an infinitely long time.

To know the day and hour of the end would then result in a compulsory change of his nature which, however, would neither entitle him to enter the kingdom of light nor the paradise of the new earth, but it would not result in eternal perdition either.... because anguish and fear determine his will and not love, which should be the only reason for a change of will. Thus his love would not be sufficient, and therefore one cannot speak of a change of disposition; nevertheless, the human being has to be given credit for his will to do right, he effectively would be obedient, not due to love but due to fear.... yet love is the crucial factor in the end.... For I want to separate the sheep from the goats, I want to initiate a purification process and thereby end one period of redemption before the beginning of a new one.... Hence a clear decision of will has to take place, for which people have ample time and opportunity, and in order to motivate them they are informed of the end.

But they have to make their choice entirely without compulsion. Therefore I will keep the day and hour a secret but it will come like a thief in the night.... it will arrive when no-one is expecting it, when people find their satisfaction in the enjoyment of life, when they chase one enjoyment after another, when they forget everything around themselves and are merry, when they experience utmost joy of life.... Then the day will dawn which brings everything to an end.... And then it will emerge who will stand by Me or by My adversary, who is lord of this world.... Everything will then be revealed, light and darkness, truth and lie, love and hatred.... no-one will be able to hide himself or conceal his true nature.... Then everyone will show his true face, because the hardship around him pulls the mask off his face, and then everyone will receive his fair reward.... light or darkness, heavenly bliss or eternal damnation....

Amen

## **The predetermined day of the end will be kept....**

B.D. No. 8500

May 18th 1963

**T**he day is not far away that My wisdom predetermined in order to cause a transformation on earth which merely serves a worldly inclined human race as a dwelling place but is no longer used as a spiritual place of education.... The day is not far away when My will shall implement an act which aims to achieve the complete transformation of the external shape of the creation work earth, which signifies the destruction of all life in, on and above the earth as well as all existing works of creation.... For My plan of Salvation has been determined for eternity and the time will be kept which I, in My wisdom, recognised to be necessary in order to create new maturing opportunities for the spiritual beings.... And you humans will not be able to persuade Me to abandon this plan or to grant you more time, for I know and have known for eternity humanity's spiritual state at this point in time, which is precisely the reason why a complete change is needed, a renewed transformation of all spiritual beings

which are on the path of return to Me.... Consequently, My predictions that you should not count on a long time ought to be taken literally.... that you should not transfer the announced end to the future, for one day even the future will become the present, and this time has arrived. Moreover, you humans can see for yourselves by all the happenings in the world and around yourselves that people's spiritual low level can almost not be surpassed anymore, and therein you will also have to recognise the reason for a near end, for everything has become disorderly, the development of the spiritual beings has come to a standstill if it is not regressing....

Hence you are living in false hope if you humans believe that you can win Me over through prayer, even if I keep telling you that prayers have great strength.... But what you pray for is only ever a selfish prayer, because you are not prepared to surrender your earthly life, and therefore you only pray that I should preserve the earth so that you will not have to fall prey to the end as well.... Your prayer should only concern your fellow human beings' state of soul, you should only take care of your spiritual maturing and pray for each other and not appeal to Me for abandoning a final destruction, for this is needed for the spiritual substances which are still bound in the creation which, just like you, are entitled to ascend so that one day they will also be permitted become a human shell. But people forfeit their own right to be embodied on earth because they no longer take even one step upwards but are more inclined to strive towards the abyss again. A prolonged existence on this earth would be of no benefit whatsoever for these souls, instead they would even sink lower still, and they shall be prevented to do so.... which happens through a new banishment.... so that they will be wrested away from My adversary again, who had too much control over them as human beings in earthly life. You humans should only pray on behalf of each other that the souls will still release themselves from his control before the end.... Such a prayer of loving intercession for one of your fellow human beings will also reach My ear and be granted.... yet you will not succeed in trying to persuade Me to change My plan of eternity, after all, I know what is beneficial for all My living creations and what will help them to progress.

Therefore, anyone who wants to work for Me in My vineyard should take into account that the imminent end is a fact and thus be appropriately active on earth by preaching love and by also drawing all people's attention to the proclaimer of this divine teaching of love, to Jesus Christ, so that they will take the path to Him and under His cross and become redeemed from sin and death when the end has come.... Then they will either enter the kingdom of light or be placed onto the new earth where they will be assured of a paradisiacal stay which is already comparable to entering the kingdom of light, because people will have passed their test of earthly life and be free from guilt. And in order that many people will still reach this goal I continue to address them time and again through you, My messengers on earth, who receive My Word directly and pass it on to wherever it will be faithfully accepted. And this speech will not cease until the end, for I know who is suited to hear My Word, who allows My ray of love to flow into his heart and also makes correct use of it. And they will testify time and again that the end is not far away, they will never cease to mention My plan of Salvation and constantly refer to Jesus Christ and His act Salvation.... Time after time I will also emphasise His great significance and refer people to Him, Who alone can deliver them from the fall into the deepest abyss. And anyone who is able to believe in an end will not fear it either, for his faith has come alive through love and a person who lives in love will always also have the strength to defy all onslaughts which will still confront him in the last days.... For love itself is strength, because love connects the human being with Me, the Eternal Love, and thus constant strength flows to him from Me. And truly, none of you need to fear the end if only you would make the effort to live a life of love.... Humanity, however, is lacking love and is therefore descending ever deeper and thus causing the end itself.... as I recognised for eternity and therefore My plan of Salvation will be implemented, as it was proclaimed in Word and Scripture....

Amen

**Y**ou will never receive any indication in regards to time, because it would only have a damaging effect on your soul if you exactly knew when a prediction will take place. You should certainly take notice of it because I want you to prepare yourselves, because I want to admonish and caution you.... admonish, so that you will eagerly work at improving your soul and caution, so that you will not become complacent, which you will bitterly regret one day. This is why I inform you of future happenings and indeed pointed forthcoming events out to people since the beginning of this period of salvation, for the idea of approaching them shortly should encourage you to live in accordance with My will and thus fulfil your purpose of earthly life.... Yet the time when you should expect the announced events has never been specified, and this made you become half-hearted regarding these predictions.... You always assume that My predictions will fulfil themselves in the distant future.... But you fail to consider that time passes constantly, that you draw ever closer to this future and that one day even the 'future' becomes the 'present'.... Thus I once again predict to you that the end of this earth, the end of a period of Salvation, is soon to come. And I keep referring to it with increasing urgency because it seems incredible to you that you should live in this end time.... Once again I don't give you the precise time and will not do so until the end as not to compel your will....

Yet I one thing I will tell you, you don't have much time left, very soon the time will come when all My predictions will fulfil themselves and you should not rely on the fact that one day is like a thousand years to Me.... Even a thousand years eventually pass by, and thus even the period of Salvation in which you live will come to its end one day, for sooner or later a new period will have to start if only for the sake of the bound spiritual substances in the works of creation which shall continue their development.... And again I only say, you are on the verge of it.... But time and again I repeat these Words with such urgency that you should nevertheless start to think.... Time and again I try to attract labourers during the last days before the end because I urgently need them in view of the forthcoming event, I convey remarkable knowledge to you humans so that you learn to understand My predictions, so that you know the reasons on which My proclamations are based.... I do this because the end is very near and because you ought to believe that My Words will fulfil themselves.... Yet even now I cannot specify the time since I don't want to throw you into incalculable chaos.... For the knowledge of the precise day and hour would throw you into dreadful confusion but no longer result in any kind of maturity. I can only repeatedly and ever more urgently draw your attention to the fact that you must take the fulfilment of all predictions into account, that you should not rely on the fact that you yourselves will not experience them anymore....

No-one knows the hour of his death and neither will anyone know as to whether he will be taken by surprise by the announced end, by the immense work of destruction and its predecessor, the unexpected natural disaster, and whether he will have to live through everything that happens in the last days, for I keep telling you: You are on the verge of it, you don't have much time left and every day and every hour must take into account that I will extraordinarily manifest Myself through the elements of nature, and then you will also know that the end is no longer far away.... Therefore you should live in accordance with My will.... It will enable you to approach all events without fear.... You should only unite yourselves with Me through deeds of love, prayer and frequent thoughts and truly, your souls will not be harmed even if I prematurely call you back .... But I will also physically protect you if it is My will that you shall still serve Me until the end.... Yet never expect Me to disclose a time to you, for it would not be of any benefit whatsoever for you, who serve Me, nor for your fellow human beings whose state of maturity is even less suitable for such knowledge. Yet whatever knowledge you can possibly impart to your fellow human beings about the forthcoming events, about My eternal plan of Salvation and the Father's infinite love Who wants to save all His children before the end.... should be done by you, and thus you still carry out fruitful vineyard work for Me until the end.... For every soul which still finds deliverance is a gain for Me for which I will truly reward you....

Amen

## Events of the end time

**'I will come like a thief in the night....'**

B.D. No. 2534

November 2nd 1942

People carelessly pay no attention to the signs of the time, nothing seems unusual to them, and they accept every happening without realising its significance. And they do not believe the proclamations about the impending natural disaster either, for they think that the time which is mentioned in the Scriptures has not yet come.... They do not accept any kind of explanation because the thought that people of the present time should be the victims is inconvenient to them. Therefore the forthcoming event cannot be made plausible to them either and they will be taken by surprise and be unprepared when the day arrives. And these are the people to whom the Lord says 'I will come like a thief in the night....' They will be fast asleep and will have made no preparations, and their souls will suffer serious hardship when they are recalled from earth. They will not be able to call upon God anymore because the magnitude of the disaster will deprive them of every thought.... God's love will not let anything happen to humanity without informing them first.... And He warns them a long time in advance yet He will not force people to believe these warnings.

However, anyone who pays attention to the signs will not find it difficult to believe. And anyone who is in contact with God will also feel God's admonition in his heart. He will become aware of the signs of the time himself and he will try to attain God's grace, that is, he will appeal for it and commend himself to God's mercy.... Only a short time separates you humans from this event, and you should use this time so that you can expect it with composure.... You should not entertain the thought that you are perfect and have no need of mercy, you should humbly entrust yourselves to God's love and always believe that your last hour has come.... you should listen to the admonitions of those who, as representatives of God, bring you His Word; you should know that the hour is not far away and always be ready. And God's love and mercy will help you during the hours of adversity. He will remember you as you remember Him.... He will spare your life if it is helpful for you, or He will remove you from the earth and grant you a better life in the beyond if you are worthy of it.... But woe to those who approach this hour unprepared and lose their life.... Their fate in the beyond will truly not be an easy one. And God wants to protect people from this by announcing the forthcoming events to them and admonishing them to turn around if their way of life does not correspond to His will. And thereby He will demonstrate the Words of the Holy Scriptures 'I will come like a thief in the night, therefore watch and pray....'

**God's voice.... work of satan.... battle of faith....**

B.D. No. 3291

October 13th 1944

A little while longer and your thinking will be forcibly directed upwards, you who are only entangled in earthly matter and don't want to detach yourselves from it. But you will have to do it, for God Himself will take everything from you in order to direct your mind towards Himself. You humans do not benefit from the difficult time which has come upon you; you do not ask yourselves what is the cause of adversity and affliction, and thus you do not change because you do not recognize yourselves. And thus the adversity of the time has not yet had an influence on your soul's life, and therefore God resorts to more severe means in order to change your mind.... He takes away everything your heart is attached to, both people and possessions.... And this in the shortest possible time.... And thus He shows Himself in a way which seemingly lacks divine love. Yet you humans want it that way

yourselves, for you did not recognize God's love when it expressed itself.... You did not accept His word, which is God's emanation of love, and in your blindness you did not recognize that God Himself met you in His word.... Thus He comes in bitter suffering, although again not recognized by those who are bound by matter, for they do not seek God and thus cannot find Him either. He reveals Himself again, but in the most painful way.... He comes in the raging of the forces of nature and lets His voice sound, mighty and terrifying, and all shall hear Him. And where this voice will sound there will be great misery afterwards, for He will sensitively strike those people who do not want to bow down to Him under the law of love and who therefore shall feel His severity. For the law of love is disregarded to the point of inhumanity.... God has always and constantly taught love, His adversary preaches hatred, God gave truth to people, His adversary interspersed it with lies and error, and now the adversary gains the upper hand because people listen to him while they reject God. They disregard love, they no longer strive for truth, and all their actions and thoughts are influenced by God's adversary, so that the human being is no longer receptive for the truth from God. And yet He reveals Himself to them so that they shall recognize Him. For His working will be so obvious that a higher power would have to be recognized in it.... But now questions and doubts arise about the existence of God, Who Himself destroys that which He created.... And this uncertainty is used by God-rejecting people to initiate the fight against faith, for this the work of destruction by the forces of nature offers them a welcome tool.... And the people of the affected areas are the first to believe their explanations.... they discard their old faith and strive with increased strength towards matter again, i.e. they seek to restore the former conditions as quickly as possible.... And this time is characterized by the most severe spiritual battles.... For now people are running riot....

He who is in possession of grace, who turns his gaze upwards and accepts the grace flowing towards him, will probably keep away from the goings-on and watch the course of earthly events with horror. For he recognizes God, and he recognizes the God-opposing nature of human activity. And he seeks to enlighten wherever he is given the opportunity. But he will have little success because the voice of the world drowns him out and is rather respected. But if God lets His voice be heard they can still become attentive and remember these admonitions of their fellow human beings, and this can save their souls. For the time of suffering afterwards, the hardship and meagre way of life, the seemingly difficult struggle for existence can have a favourable effect on the human being insofar as he loses his love for matter and learns to recognize spiritual striving as the purpose of life. But the majority will strive more than ever to possess the goods of the world and will spare no means to acquire them. And then the unkindness of the world will first come to light unveiled. And this will mean a terrible life for those people who are still capable of love, for they will be exposed to constant threats and hostility and will not be able to defend themselves because they are weak and powerless in the face of those who live at the will of the world.... The time will be hard but also bearable where God's strength can become effective, where people's will strives towards God and the human being requests strength from God.... for God does not rely on His own, and the greater the adversity the closer and more tangible His help is. And by this fellow human beings will also recognize the strength of faith and, if they are not completely hardened, become thoughtful. God's love courts every soul and makes it truly possible for it to come to realization. But since the human being has to decide in free will, he can only be affected in the form of suffering as soon as he does not listen to the gentle admonitions and warnings. And since people do not pay attention to His word, which easily helps them to realize, He must now bring His power to bear and try to persuade people to turn back in a painful way. This is the last resort before the end and therefore also particularly painful for countless people, yet it has been planned since eternity because the whole of humanity stands in a God-opposing will which cannot be broken by God's gentleness and goodness. And if this event does not bring about a change of will there is no longer salvation for the souls on this earth and they have to bear the consequences of their rebelliousness. The soul has to walk the path through the creation of the new earth again and take upon itself an unspeakably agonizing fate until, after an infinitely long time, it is allowed to make a free decision of its will again....

Amen

**‘They ate and drank....’ just as it was before the Flood....**

B.D. No. 4575

February 28th 1949

**A**s the end comes closer it will become again as it was before the great flood. People will be seized by an increased lust for life and be influenced by the world with all its attractions. People will no longer be able nor want to control themselves and will therefore unscrupulously enjoy life in sinfulness. For they will not desire harmless pleasures, instead, sin will prevail everywhere, selfish love will displace all neighbourly love and thus people will become sinful by harming their fellow human beings merely to satisfy their body's every wish. Other people's possessions will not be respected and thus all laws will be violated. The increased pleasure of life will stifle the voice of conscience and what the world has to offer will be relished to the full.... The world, however, is My adversary's realm and thus only bad can come from the world, it can only denote a danger for the soul, for the satisfaction granted to the body must be atoned for by the soul, it must pay for what the body demands. People may therefore seemingly delight in the pleasure, only those belonging to My Own will know which hour has struck when people seek to intoxicate themselves in the ecstasy of pleasure. Then the end will be very near, for I have long announced to you already that it will be like before the great flood.... They ate and drank, they married and were given in marriage and took no notice of the admonitions and warnings from above. And it will be difficult to preach the Gospel to these people, for since they only pay attention to and aim for earthly life they lack all understanding for spiritual life, and therefore they mock and ridicule every bearer of truth who will try to convert them. Yet in the midst of euphoria comes the last Judgment.... It will be dreadful for all who look upon the world as their God, for they will fall from the height into the abyss, from joy into immense fear, they will fall from heaven into hell.... For the world and its attractions was their heaven, but the world will be destroyed.... and harshest incarceration will be the fate of those who used their freedom on earth wrongly, who live in sin and also die in sin. Beware of the world for it is a great danger for you.... at the moment it certainly still offers much that is desirable yet it is better that you refrain from it and strive toward the heavenly joys which come afterwards, and do without, so that you can enjoy the delights of heaven in all abundance. Don't belong to those who only love themselves and want to provide the body with every pleasure. The euphoria is short-lived, yet it will be followed by a dreadful awakening, as it is announced in Word and Scripture.... The human race, however, is in great danger, for it is already dazzled by the world's deceptive light, and it will not stand still in its demands but it will increase them.... It aims with giant strides towards the final end.... it seeks life and will find death, it seeks joy and walks into ruin....

**The weak will not experience the end....**

B.D. No. 4613

April 13th 1949

**T**he weak will not experience the end.... I certainly know the nature of every individual person's soul; I know their will and their degree of maturity, which is also the extent of their strength of will in the last battle of faith. I know that this final acknowledgment of Me will require immense strength which only few people will be able to muster, and that it will necessitate an utterly living faith in order to stand firm and remain faithful to Me. For this reason the gates of paradise on the new earth will be opened to those who are faithful supporters and acknowledge Me, so that their demonstrated love for Me until the end will be rewarded.

But people of weak faith will not survive this last battle on earth. I shall avert the risk of their apostasy from Me so as not to let them fall into My adversary's hands and in order to give them the opportunity of continuing their development in the kingdom of the beyond which, after the end of this world, will no longer be possible for a very long time. They will not be able to cope with the demands

and strains of the last days and will end their purely physical life before this time, for they will not oppose Me, but they will merely lack the profound, living faith which would enable them to be true advocates of Christ. And there will be many who will indeed choose Me, who will carry the faith in a God of love and wisdom within themselves, yet who will not increase it sufficiently to entrust themselves to Me without worry and appeal for My help. These souls will be taken from earth by Me or they would go astray for a very long time.

The strong, however, will remain faithful to Me until the end and will be raptured by Me before the destruction of the old earth. This process has to be plausible to you, and it should be equally understandable to you that the weak souls will not inhabit the paradise of the new earth, which can only bear spiritually mature human beings who permit My presence amongst them, as I have promised you. There has to be a separation of the goats from the sheep in the end. The old period of development will end with the banishment of the failed spiritual essence into solid matter, and a new era will start with a mature human generation, which will already find itself in a state of bliss on earth because it will have endured and have been sufficiently tested by Me on earth. This level of a soul's maturity allows for My presence amongst My children. But weak and still immature souls would not be able to endure My presence. Consequently, the new earth will not be a suitable abode for them; nevertheless, they will continue to ascend in the spiritual kingdom and, due to their prematurely finished life, will also enjoy privileges in the spiritual kingdom which will help their ascent. This is the separation of the spirits, which has always been proclaimed through Word and Scripture....

## **Destruction of the earth act of mercy by God.... seers and prophets....**

B.D. No. 4651

May 26th 1949

**M**y love, grace and mercy will certainly still apply to the individual human being but no longer to the whole of humanity if this is understood to mean the continued existence of the old earth, which you humans want to accept as an act of mercy. It is much more an act of mercy that the destruction of the old earth takes place, because thereby new possibilities are created again for the maturing of the still imperfect spiritual as well as of the souls of people who have already fallen into darkness and yet shall find their way back to Me, to the light. My principle is the redemption of the spiritual from darkness to light. But if the earth is completely darkened then it is no longer suitable for the purpose it is meant to serve, and then new means have to be created which My wisdom alone can judge for their expediency, and human intellect is not sufficient to weigh the pros and cons. Yet My love and mercy still wants to give the souls the opportunity to complete their course of development on earth before the destruction of the old earth, because this is of utmost importance. And therefore I inform you of what is about to happen in an extraordinary way by initiating you through revelations into My plan of salvation from eternity.... And this is a significant act of My love, grace and mercy for which you should be grateful and make use of every opportunity to bring your souls to maturity before the end is here. I inform you of this, however, you have to find the belief in it yourselves, otherwise you would forcibly change, which could not be called an upward development. But pay attention to the signs which I have constantly pointed out to you through seers and prophets.... heed them, and you can recognize for yourselves that the time has come when My announcements will be fulfilled.... that the time of the end has come which shall determine you to utmost work on your soul.

(27.5.1949) I have not announced the end through seers and prophets without purpose, and the sole purpose is that the human being should always bear the end in mind as being imminent and adjust his way of life accordingly so as not to get lost on the day of judgment. The fact that a long time has passed so far without bringing the end does not justify the assumption that people of the present time will not experience the end either, on the contrary, it is ever more probable that one day My prediction will come true, because My word is truth and remains.... that the time will therefore draw ever closer. However, you can be completely certain that you people of the present time are the ones in whom My

word will come true, that the present time will therefore bring about the event which is written.... You can expect the last days with certainty, and you need no longer imagine a long earthly life, even though the world does not want to know about an end, that is, those people who are worldly-minded and only turn their thoughts towards material gain. The end will also come for them but they will not prepare themselves for it and will therefore be surprised and despair when it becomes obvious to them that they can no longer expect anything from the earthly world. And therefore it shall be spoken wherever the opportunity presents itself, even if the announcements are not believed. Yet when the hour has come for My word to come true, a few people will still turn their thoughts to Me and also be able to be certain of My help in spiritual adversity. And this is the purpose of My predictions, and therefore they should not be rejected, for soon you humans will recognize the truth of them....

Amen

### **Unbelief and devils during the last days.... Battle of faith.... The coming of the Lord....**

B.D. No. 4825

January 29th 1950

**T**he lack of belief during the last days before the end will have alarming consequences, since people will only chase after profit and never remember a God. Then people will equally try to cheat and outsmart each other, for the sake of matter they will increase all evil instincts, their lack of conscience will not hesitate to harm their neighbour as long as it is to their own advantage. They will solely think and strive towards increasing their possessions.... God, however, will be forgotten, they will neither believe in Him nor fear Him, they won't believe in their future accountability and punishment for their sins, and thus they will sin without hesitation and fear of a Judge. In an earthly way they will be prosperous, because they are supported by God's adversary who impels them to ever more greed for material possessions. He will have great power where faith in God does not exist; this is why unbelief is exceedingly dangerous for people, because this will move them closer to devastation. Where faith is missing there is no love either, since only this would be able to revive their faith. Where love is missing, people are spiritually blind, they don't know anything, and what they know is untrue. Darkness is spread across the human race and the earth is approaching the end.... From a secular point of view, there is no adversity, people are living in prosperity apart from the few whose faith is still firm and who will be treated with hostility by the former. Although their fate will indeed be harsh for a short time, they will recognise the most unmistakable sign of the end in their unbelieving fellow human beings' prosperity, because they were informed of it in advance so that they will bear up against the adversity they experience as a result of their faith in God.... When the time of Satan's obvious reign has come, the end will not be far away either, for it also has been proclaimed in advance that the world will be full of devils, and people who do not believe will likewise behave like devils and therefore declare bitter war against the believers. But then the coming of the Lord will not be far away anymore, then every day might bring the end, because the Lord will come when the adversity is so great that they will fear to lose heart.... when Satan believes that he has won, when unbelief abounds to such an extent that the believers must fear for their lives. Then the Saviour will come from above, as it has been proclaimed.... He will come in the clouds and fetch His Own into the realm of peace and implement a final Judgment on earth. This will be the end, when Satan will be enchained and, with him, all those who were enslaved by him.... And a new Earth will arise which will only be occupied by profoundly devout people, people, who will remain faithful to God during the last battle of faith and thus receive their reward.... a life in the paradise on the new Earth....

Amen

Translation handled by Heidi Hanna

Everything is included in the plan of creation, and thus it follows that I know every person's will which, so to speak, provides Me with the reason to shape his destiny of life such that it can only benefit him, providing the person strives for the latter. And you can rest assured that I indeed know the inclination of every individual person's will but I cannot change it or make it inclined towards Me. Nevertheless, I can still let a human being take many paths in order to attain a change of will. This is what I intend to achieve through My intervention which will certainly claim countless people's lives but for whom the gates into the kingdom of the beyond will still be open so that they can still reach maturity there.... Yet the remaining survivors will be granted the tremendous grace of being able to accomplish this change of will while they are still on earth, in order to then be saved for eternity. Time and again I refer you humans to this event, but I do not find any credence.... Only very few people spend serious thought on the forthcoming event, yet even they are incapable of imagining the magnitude of the catastrophe, because it will surpass everything that ever has happened on this earth. And neither can the individual person form an impression of it, because people will be cut off from all communications, the connections between the affected places as well as the countries will no longer exist. Some swathes will seem entirely deserted where only a few will find each other in order to continue their life. Anyone who does not hold on to Me and entirely puts his trust in Me will be horror-struck. And then his will can decide.... Every individual person can still find Me and he will be very safely guided through the chaos.... But he can equally curse the Being Which allowed this to happen and the curse will fall back on him. And especially because I Am aware of people's will during the last days, it shall be My last attempt to spare people the dreadful fate of a renewed banishment. And again you will ask why I allow such destruction to come upon humanity, which will only be surpassed by the final disaster .... because you all lack faith in an eternal God, in a Creator of Heaven and Earth, in the One Who also created you.... The number of people who still possess faith and have not lost it as yet is constantly declining, and these will not cease to believe or they will be recalled beforehand so that they will not have to endure this suffering. And neither need you pity anyone who departed prior to it, for the opportunity to mature fully still exists for him in the beyond. But once this day has come it will be futile to escape for My hand reaches all places, and thus I also keep My protective hand over everyone who belongs to Me.... And I will manifestly be with them, for they will be in utmost adversity and I will come to help them in their need.

And then it will be clear what strength of faith can achieve.... For anyone who merely seeks My proximity will receive the evidence of My presence and his faith will constantly grow stronger. The time of the event will not keep you waiting long, even if a thousand years are like a day before Me. However, I have told you that you will live to see it.... And that means that a large proportion of those who accept My Word will experience it themselves.... that I will still make great demands on them, for then the time of activity will have come when you shall still be diligent labourers for Me and then I will not remove you from earth until you have fulfilled your task.... This applies to **all** of you who work for Me and My kingdom. For time and again I keep telling you that I don't have many labourers in My vineyard and that I will therefore protect everyone who places himself at My disposal. From this alone you can conclude that it won't be long until this disaster, which will be inconceivable for you, both its magnitude as well as the suffering and misery it will signify for the survivors. Consequently I must equip those people with much strength so that they will be My supporters during this time of sorrow. And I will also give **you** strength, since you are very weak by nature, because I will need you during this time and will use every conceivable means in order to increase the number of My Own, in order to grant them firm faith as to influence those who still lack faith in a God and Creator, to Whom all power is given in Heaven and on Earth and Who thus can also extend the life of those who want to help them gain faith.... And remember that the end of a period of salvation has come, that this time need only be exceptionally used and that I will therefore also use exceptional means in order to merely fan a tiny spark of faith in a person before he has to relinquish his life. For once he has this small spark it will also ensure his ascent in the spiritual kingdom. But to depart entirely without faith from earth is a hopeless state and will end with renewed banishment, because the

gates of the beyond will close the moment the old earth is dissolved. For this reason I will leave no stone unturned at the end in order to persuade people to change their will, and because My gentle voice within is ignored by them I will speak louder, so loud that they must hear this voice.... But whether they will recognise Me Myself by that is still left up to them, nevertheless, it seals their future fate. Even so, you, who are of service to Me, are assured of My protection and blessing in spiritual and earthly adversity, for I Am in need of you.... So even if you approach difficult times you are nevertheless looked after by Me and need not fear anything....

Amen

# The future becomes the present

**Last days.... Future - Present....**

B.D. No. 3579

October 16th 1945

God has foretold people what will happen to earth in accordance with His eternal plan of Salvation.... He does not want them to experience the last day unprepared, He does not want to surprise them suddenly in their imperfection but give them ample opportunity beforehand to achieve perfection. He wants to urge them to become spiritual, He wants to warn them of the consequences if they ignore His reminders, and He wants to inform His Own of all events which shall come to pass during the last days in order to strengthen their faith and to give them hope and trust for their deliverance. He will not allow anything to happen to earth without informing people first, so that they should recognise Him in all forthcoming events. But He will never divert from His eternal plan of Salvation which He has wisely considered in knowledge of its effectiveness. The end may well take its time but it will irrevocably arrive, and for that reason all prophecies concerning earth and the signs of the last days should be taken literally. And thus the human being can expect the end at any hour, he should always anticipate that the end could occur in the present time, and therefore attach great importance of improving himself, his soul, so that it can emerge unharmed and stand before God on Judgment Day. As soon as the human being believes the end to be in the future he becomes indifferent and slow in the work on himself.

However, if he anticipates that God's prophecies could fulfil themselves in the present time he takes the transformation of his nature seriously, and this is God's intention from the start, and He urges people to change their nature. But yet one day His proclamations will become the present and shall fulfil themselves word for word. And just prior to the events people will least believe the prophecies and this itself will demonstrate that the last days have arrived. When no-one anticipates the transformation of earth any longer, when people reject all relevant information, when they look at all events from an entirely earthly and material point of view and ignore the divine Creator, i.e. when they negate every connection between humanity's fate and divine will.... then the hour is not far, because then humanity has reached the degree of maturity which causes the end. And then God's proclamations shall fulfil themselves literally, to the horror of those who do not believe and hence are completely unprepared, and to the joy and comfort of the few who are waiting for the last hour as the hour of deliverance from greatest earthly distress. Because one day even the future will become the present, and although God's love is infinitely great, one day God's justice will take its place and end a condition which is disastrous for the still imperfect spiritual substances in the universe. And for that reason people should be repeatedly reminded of the end, they should be informed of the Word of God Who uses His prophets to warn and remind people and hence speaks to them through mediators.... The end is close at hand and blessed is he who believes the prophecies and prepares himself. The day will come unexpectedly and take all living beings from earth to lead them either into eternal life or into death, as God has proclaimed in Word and Scripture....

Amen

**Announcements to be taken literally.... end.... future - present....**

B.D. No. 3710

March 11th 1946

If you do not yet consider the time to have come when what is proclaimed in word and scripture will be fulfilled, then you will be surprised, for My will will come into action as it has been determined since eternity. If you have an open eye and discernment for humanity's spiritual state you will also not

doubt My word and prepare yourselves every day for the fulfilment of My announcements. And only those who are still blind in spirit reckon with a more distant time, even if they are believers, i.e. if they acknowledge Me as the controller of all destinies. Yet the closer knowledge of the connection between all creations and their creator.... the knowledge of the human being's task on earth and the consequences of not observing it would give people the certainty that the end has approached and all doubt would be invalidated. However, they lack this knowledge and therefore only few realize that there is only little time left for people's spiritual development. And as long as they pay more attention to earthly development the last time will not be used extensively. People have to prepare themselves daily so that the end will not frighten them. But who will do this if he does not yet consider the time to have come which signifies the end of a redemption period?.... Every thought of postponement is detrimental to the souls. And when I inform you through My messengers whom I instruct Myself, when I want to initiate you into My plan of salvation and inform you that you only have a short time left, then accept these words of Mine with utmost faith; consider that I will not send you these admonitions and instructions in vain and adjust your life accordingly.... Count on a speedy end and take everything I proclaim to you through My servants on earth literally. Consider that one day the future will also become the present, and if you don't believe the words alone then look at the life and activity of the people around you, look at what is happening everywhere, recognize the spiritual state of the whole of humanity on earth which outdoes itself in unkindness and actions which do not correspond to My commandment of love. And this realization must be your confirmation of My announcements, you must see from it in which hour you live and thus expect My intervention daily and hourly, for it precedes the last end which will follow in not too long a time. I instruct My servants in such a way that you must recognize that I train them for a mission. This, too, must be proof to you of the soon working of these servants, for I do not need scholastically instructed proclaimers of My word but people who have shaped themselves into receptacles of My word through their way of life so that they can convincingly stand up for My word. And thus they will soon have to take up office in order to be successfully active for Me and My kingdom on this earth. And if someone accepts My word from their mouth and is likewise willing to serve Me, to be active for Me in the last days before the end, he will also consider the time to have come, he will himself realize the necessity of My activity in the last days and not doubt My word.... he will reckon with the very near time when he will be admitted to work for Me, for he who faithfully receives My word also feels the nearness of the end.... He recognizes humanity's low level and knows that there can be no more spiritual ascent on this earth. But anyone who only pays attention to world events has no view for the spiritual state of the whole of humanity, and therefore he also does not want to acknowledge that the time of the end has come. Yet surprisingly quickly the day will arrive which I have determined since eternity as the end of a redemption period.... And therefore always and constantly wait for it and prepare yourselves so that you need not fear this day....

Amen

## **The present time will lead to the end....**

B.D. No. 4320

June 1st 1948

**A**nd time and again I say to you: You will experience the end.... It is an urgent wake-up call which I send to people who presently inhabit the earth, it is a call which I will still intensify because you need to let go of your conviction that you still have much time left, because you need to spend thought on a sudden end and try to come close to Me. You have only little time left and very soon will be startled out of your calm, fear will enter your hearts which you can only banish by calling upon Me, by faithful prayer, which will provide you with strength and composure. The time is fulfilled, and even if you resist this thought.... you must prepare yourselves for whatever the end entails. It is you who will experience the last battle, who ought to win it; it is you who will experience the last Judgment, who will either see My coming in the clouds and the homecoming of the righteous or the final act of destruction take place, depending on your attitude towards Me, depending on your will and your love.

It is you who must make a decision since you will not be able to enter the kingdom of the beyond after your death if you side with the adversary, but you will have to repeat the process through the creation of the new earth according to My eternal counsel. Do not expect the end in the future, get used to the idea that the present time will lead to the end, that you will be affected and that everything will come upon you as seers and prophets predicted according to My will. I can only ever draw your attention to it and as confirmation of My Word speak to you from above, and I will implement it shortly because there is not much time until the end.

I will inform you, whose will to serve Me made you My Own, once again of this just before the end, so that you will not experience the day unprepared, for even though you believe that My Word is truth you are still not taking My prediction seriously enough, you are still counting on a reprieve and not on My speedy arrival which, however, is about to happen to you. Yet you will yearn for My arrival when the time of the battle of faith comes and you enter the last stage of this earthly period. Then you will have learned to despise the world, you will have no further desire for earthly possessions, you will only yearn for My Word, and I will also always be with you in the Word and comfort you until the day when I will appear in the clouds, when your adversity has reached huge proportions and help can only come from Me. You must take it for granted that you will experience this time if I won't recall this or that servant of Mine prematurely, according to wise judgment. You will all be surprised as to how quickly events will unfold, which I predicted long in advance through the voice of the spirit. And once I appear the end will come upon you with giant strides. Anyone who is profoundly faithful will inwardly rejoice despite hardship and suffering, for he will know that he will be compensated one day, that sooner or later all adversity will have an end and that a new era will start again with the paradise, as I have promised....

Amen

## Truth of the end prophecies....

B.D. No. 8175

May 12th 1962

**I**f I repeatedly inform you of what lies ahead of you.... if I constantly point out to you the time of tribulation.... if I predict a great judgment which will be followed by the end of this earth shortly afterwards, then you can accept this announcement of Mine as truth, for I only repeat what has always already been predicted about the end of this earth and I now only inform you that all these events are imminent, that the time has come when all My prophecies will come true, to the sorrow of all those who do not believe. You should not approach the future without being warned, and you should know that the 'future', into which you transfer the end, will soon have become the 'present'. And you should reckon with the fact that you will be surprised, that you will not have much time left and that I will therefore send you these announcements time and again, because I don't want you to experience everything that is to come unprepared, because I don't want to leave you in ignorance of the time in which you live. I know that all My announcements through seers and prophets will find little faith; I know that people will ridicule all messengers, that they will accuse them of being false prophets.... Yet not long time will pass and they will be able to convince themselves of the truth of what My prophets proclaim to people on My behalf. It has **never** been believed when great changes occurred on earth, when a redemption period came to an end and a new one began again.... And then it was always only a few who believed My messengers and who therefore were also saved.... But the knowledge of past all-changing events is also hidden from people, the times are endlessly long until such an earthly change happens again.... And that is why people have no evidence and now also consider an end of the old form of this earth to be impossible. And yet you humans are close to it, for I know when a transformation is necessary, I know when people have reached the spiritual low which necessitates such a transformation.... Yet I can do nothing other than send you information about it.... which you can then accept or reject, because you have to live in complete freedom of will until the end and even certain knowledge would not be beneficial for your salvation.... But you should think about the fact that I do not send you these announcements without reason.... and you should always remember that

your God and creator is a God of love.... and that everything that happens is also based on My love. For this reason I also impart knowledge to you through My revelations which should open up your understanding for My plan of salvation, and then you would also believe that the time is fulfilled, that one day the order has to be established again into which all people shall enter in order to mature spiritually.... and that the possibility of upward development must also be created for the spiritual substances which are still bound in solid matter, for all spiritual substances shall one day reach perfection, and I alone know how this is possible and when the right time has come for everything to be redirected again.... And I keep the time as it is determined in My plan of salvation from eternity....

Amen

# Unbelief of the people at an end

## Disbelief in the end....

B.D. No. 6174

January 24th 1955

People do not want to believe that they are so close to the end, they do not want to believe that things will happen which they consider impossible, that a completely new era will begin, a time when completely different conditions will exist among people, a time when there will be peace and harmony.... and nothing reminds us of the battle on earth which precedes this new era. It is also difficult for people to believe in a total transformation of the earth's surface, in a so-called downfall, because they are still in the midst of life and so far removed from the spiritual that the correlations cannot be made clear to them. They do not know that a change, a turning point, has become necessary and that they themselves are the cause of it, precisely because of their lack of faith, because of their completely unspiritual state. The earthly world alone moves their thinking, and this earthly world they consider indestructible.... And yet they will experience it, upheavals will take place earthly and spiritually.... i.e., every earthly destruction has an influence on the spiritual, which likewise experiences a change in its abode.... People will **experience** what they don't want to believe.... but the belief in it would cause them to change themselves, so that they need not fear what they will experience because it would not be to their detriment.... whereas the faithless people will be affected quite severely without being able to defend themselves, and the end will come ever closer.... The signs are multiplying and everyone could pay attention to them.... The misery will become greater and greater.... people will be startled from their rest.... Every man's mind will be shaken by events of all kinds.... Nature will speak out as a warning to the indifferent.... Fate will often prove cruel, but never without reason.... Everything shall only serve to rouse people from their indifferent state, to turn their thoughts towards the forthcoming, of which they are well aware but do not believe in it.... And they will all be helped to gain faith in an end.... yet no person will receive such obvious evidence that he will be forced to believe the announcements of the end to be true.... Everyone will be able to believe it who follows people's spiritual development.... Anyone who does not just view events in an earthly material way but relates them to people's spiritual state.... anyone who believes in a God at all, Who guides people's destiny.... An end will be more likely for them than a continuation on the same path which can never lead to a good conclusion. An end will come, and good for him who reckons with it and prepares himself to lose his physical life prematurely.... For he will gain more than will be taken from him, and he will not be lost....

Amen

## Disbelief in an end....

B.D. No. 7549

March 15th 1960

There is not much time left until the end.... even if you believe that the announced end will be in the distant future.... you will be surprised how the signs will increase and the point in time you live in will become only too evident. But everything will always proceed within the framework of natural progression, and that will raise your hope time and again that the end is still far away. However, your will shall remain free until the last day, for you cannot reach your goal by force which consists of establishing your bond with Me, of voluntarily raising your hands to Me and thereby acknowledging **Me**, Whom you did not want to acknowledge until now. Earthly life will therefore make great demands on you, you will have to endure many adversities and always have the opportunity to turn to Me.... But everything will take place entirely naturally, although the awakened

person will recognise it as the last signs before the end. And if I repeatedly proclaim that you are shortly before the end.... that you are only granted a little more time on this earth, then you should take this declaration very seriously and not always relate it to the future in line with people's point of view.... You ought to understand the words as they are given to you, you ought to take them literally, and you will do well by doing so.... For the time is close at hand when the earth will be cleansed and a new earth will arise again.... But regardless of how urgently I speak to you, you don't want to believe it, and I cannot provide you with any other evidence that My Word is truth other than that you will soon be shocked by a natural event and that you can then equally surely count on the end. Yet do you know whether you will survive the former or fall victim to this natural event?

Hence you should likewise consider it an end, for many people will thereby find their demise, and their life will not last much longer anymore. So don't be thoughtless and prepare yourselves, even if earthly life around you shapes itself as if only progress and prosperity exist.... Just one day, and everything will have disappeared and fallen prey to the destruction of natural forces, and the survivors will be presented with dreadful sights, because it is My will that they should come to their senses and still use the remaining time of grace they have left until the end. For everything I announce to you humans through seers and prophets will come to pass word for word, and you will soon experience the truth of My Word, and blessed is he Who accepted My Word and then found his path to Me, for in great adversity he will always find a way out, he will manifestly experience My help which I have promised to all of you who call upon Me....

For this reason I speak to you, so that you can appeal to Me for strength in advance and then in utmost distress, when you only have My help to rely on.... you will receive it, for I do not forget My Own.... Therefore take care that you are counted amongst My Own.... Call upon Me in times of need, and I will answer your prayer....

Amen

# Satan's influence on people

## Servants of satan....

B.D. No. 5775

September 25th 1953

**H**ow abysmally low are men who no longer hold the lives of their fellow men sacred.... who mercilessly set themselves up as judges over their brethren and judge arbitrarily, depriving them of freedom and harming them in body and soul.... They are willing servants of satan, devilish in mind, devoid of love, unjust in thought and action.... They are truly people who have become devils, who no longer deserve mercy and who must therefore be put out of harm's way when the time comes.... God's adversary makes use of them and they willingly do what he urges them to do.... There is no more love amongst people and even less justice, everyone only seeks his own advantages and forces them upon himself at the expense of his fellow human beings.... And these are no longer isolated cases but the whole of humanity is moving in this direction, even if not always obviously, but mentally many people are also sinning who do not detest or condemn what is obviously the work of satan. The world has become accustomed to outrages that cry out to heaven.... It tolerates instead of opposing, it does not help where help is needed.... And the number of devils grows with every day, and their evil deeds increase.... But the time will come when everyone will have to answer to God, when no one will be able to hide from Him and when all evil deeds will be revealed.... People no longer believe in a God, they do not believe in a judge before whom they must answer, and they do not believe in retribution.... Yet they will have to pay their debt in pennies and nickels, nothing will be forgiven, every wrong will demand its atonement, and the freedom they abused will be transformed into a captivity which they will have to endure for eternities, because otherwise their guilt cannot be redeemed, because otherwise they cannot attain correction. Only the deeply sunk will have to endure such torment, yet before the end of this earth people will have reached the deepest depth, and apart from the small flock of God-faithful people the earth will only have devils left, representatives of him who rages on earth because he knows that he doesn't have much time left.... He is already unmistakably active now, for he drives people to cruelty, to lies and intrigue, he puts people into greatest distress who are not at his beck and call.... Satan has embodied himself in his helpers and abettors. And the world is full of sin.... The time of tribulation has begun, ushering in the end, and it will proceed as proclaimed in word and scripture.... The persecution of those will begin who are not willing to serve Him, who want to remain faithful to God and therefore have to endure a time of struggle which is directed against God Himself.... But then the end will also be here, then the time will be fulfilled and satan's activity will come to an end.... Then the day of judgement will come when accountability will be demanded, when God's justice will balance everything out, when everyone will receive what he deserves....

Amen

## Success at the end of an earth-period.... Scientists....

B.D. No. 6081

October 17th 1954

**T**he end of a developmental period will always have come when people have left the divine order, in as much as they feel themselves entitled to intervene in God's plan of Creation because they don't believe in God as a creative power and deem themselves capable of controlling everything in existence themselves.... people certainly received the creative spirit as a birthright from God and can considerably increase this inheritance, with divine assistance they can also achieve the seemingly impossible and still remain within the divine order.... as long as they receive the strength for their creativity from God.... But they will instantly step out of this order if all their plans are purely worldly

orientated.... if they set themselves apart from God as the creative power and thus conduct their experiments purely rationally.... if they use the divine creation itself as test objects and thereby turn themselves into henchmen of God's adversary whose objective it is to destroy divine creations. At the end of an earth period the world is always full of earthly wisdom.... Science believes to have found the key to all fields and the spiritual path will only rarely have been taken, which God has indicated in order to attain the right knowledge.... Without Him, however, all paths are dangerous, without Him the results are doubtful and people more or less enter danger zones, because they are guided by the one who does not want progress but destruction.... who lets people believe that they are constructively active while they are digging their own graves.... and contribute towards the ruin of the old earth. For the apparently scientific progress is his work, the work of God's adversary, he impels people into extreme intellectual activity without divine support. They will harness natural forces yet in a different way than is intended by God's will.... They will leave the divine order and the consequences of this will reveal themselves.... God, however, has foreseen humanity's will and activity since the beginning and therefore keeps referring to what will come to pass time and again, for He knows when and where the consequences of human thought and activity will express themselves.... He informs people about their wrong thinking and wants to persuade them to entrust themselves to **that** power which stands **above** everything.... He wants to warn them of His adversary's influence.... He wants to advise them to remain within the divine order.... He considers those who acknowledge Him as God and Creator of eternity and enlightens them about Himself and His opposing power....

Amen

## True and false prophets....

B.D. No. 6782

March 12th 1957

**N**o matter what is done to displace the truth, it will nevertheless prevail, even though misconceptions will claim countless victims. Yet anyone with serious intentions will find the truth, he will also clearly recognise misconception as such, and it will be of no further danger to him. The fact that people generally fall prey to error is understandable, since error always promises certain advantages to a person, be they of a spiritual or an earthly nature.... And people are always interested in gaining advantages, they do not love truth for the sake of truth, it always has to involve a benefit for them, only then are they willing to accept it. Pure truth, however, presents everything clearly and openly and can also result in a person's disadvantage if the world, his earthly well-being, still means too much to him. For this reason it often meets with little approval, this is why the human being rather accepts error than truth, since he always hopes to gain a certain advantage, because error is more inclined to comply with his wishes.

And thus people don't want to know or hear about a destruction of earth, of an end of all life and creations on earth.... And what they are now offered under the cover of truth, what is still giving them a small ray of hope that the end is avoidable, will be accepted by them and they rather support this than the pure truth which, after all, would make them feel committed to prepare themselves for a definite end.... There will always be prophets who proclaim the end on behalf of God. There will also be those who speak on behalf of his adversary who, being false prophets, will try to invalidate those proclamations, who make promises to people but do not draw their attention to the certain end and instead try to make out that it can be avoided. And again, these prophets will meet with greater approval because people don't want an end to come, thus they rather accept teachings which promise them an advantage....

Completely ignorant people will find it difficult to differentiate between lies and truth. But a person who has already been initiated into spiritual knowledge need only question, as a criterion of truth and fallacy, the purpose of a doctrine.... what it aims to achieve.... If it wants to impart more knowledge to a person, if it wants to achieve the improvement of his character, if it helps him to detach himself from matter, then it is of divine origin and has to be valued as truth. If, however, it intends to create a better

earthly living standard, which often takes place under the guise of piety, the teaching can be unhesitatingly rejected as misguided and having originated from God's adversary.

But during the last days many false prophets will come forward on his behalf, because neither the adversary nor his followers want to admit to an end. And thus, even people who consider an end will be fooled by him again. He will plunge them into confusion, he will argue the proclamations of true prophets with proclamations of false prophets, since during the last days the darkness will steadily intensify and anyone in possession of light should protect it from getting extinguished, which can be done if his love for truth is strong, if he just holds on to God and His Word.

But anyone who is not content with the soft light of God's love will search for deceptive lights and won't take care of the small light which glows in the darkness of night.... And then it can be easily extinguished by God's adversary, and his deception was successful. He himself appeared as an angel of light and found his victims: The world and the desire for it have triumphed. People rather listen to what he has to say because it casts doubt on an end of the earth, on the end of the old and the beginning of a new era, thus it makes people believe that they are in control of it themselves. They recognise this advantage, and the mere fact that he makes people believe that they can delay or avert the implementation of God's plan of Salvation identifies Satan's activity.... However, this activity is also part of the visible indication of the end, and he will undertake many more attacks against the truth, and he will get especially busy where he finds no resistance due to an absolute desire for truth.... Because that is where the lie is not recognised, and where he has an easy game. But he will not be able to deceive those who work for God and on His behalf, for they are enlightened by His spirit and will always be able to differentiate between truth and error....

Amen

## Serious warning about the end....

B.D. No. 7596

May 7th 1960

Consciously receive My Word as your Father's loving speech and listen to what I want to say to you: You are living in the last phase of this earth, it is you who live in the last days, it is you who can still experience the spiritual turning-point if your state of maturity allows you to persevere to the end. The time of the end has irrevocably come, regardless how implausible you deem this to be. For the day is predetermined in My plan of Salvation and it will be adhered to because the time is fulfilled. There will be no more delay, for the adversary's activity is getting out of hand and his actions will always be brought to an end when he exceeds the boundaries of his authority.... when he has influenced people to the point that they lose all faith in a God Who one day will hold every individual person to account as to how he has lived his life. The human being is supposed to choose his Lord during his lifetime on earth, he is supposed to choose Me and reject My adversary and thus he must also be informed about both powers who want to possess him and fight for his soul. This knowledge is crucial for making a decision.

My adversary, however, tries to suppress this information and he succeeds because people, due to their attitude and their will, leave themselves open to his influence. And he takes advantage of it in a way which surpasses his authority by far: He influences people to take violent actions against the believers, against everything that is to be understood as belief in a God and Creator.... Most of all, he tries to induce people into eradicating the belief in the divine Redeemer Jesus Christ. He will unleash the final battle of faith and, in a manner of speaking, force Me to put an end to his activities in order to save the few, who want to remain loyal to Me, from eternal ruin. And this time is near and therefore also the end. By repeatedly announcing this to you through My Word I only intend to make you realise the significance of the time you are living in, you should be aware of the gravity of this time and take care not to fall prey to My adversary's artful temptations, for he influences people in an appalling manner in order to make them abandon their belief in Me and is very successful. And if I Am now counteracting his actions by speaking to people Myself in order to enable them to have faith in Me or

to strengthen their faith, then this, in itself, is already an explanation for My Word from above, which truly ought to convince you, for My love for you humans motivates Me to help you in a time of momentous spiritual hardship, which can let you go astray for eternities and which I therefore would like to stop from happening to you.

Even though your free will alone is decisive I nevertheless take pity on your ignorance, your misguided thinking and indifference, and by talking to you I try time and again to shake you out of your apathy and motivate you to think. Believe that you will be in great spiritual peril if you don't abide by My Word and fight against your enemy.... Believe that you have the strength to do so, that you need not fear to succumb in the battle against him.... Just change your will. Direct it towards Me if you want to find God and I will let Myself be found by you. But if you are indifferent My adversary will gain the upper hand over you, and then you will be lost for an endless time. This is the danger you find yourselves in and I know that you need exceptional help, yet I cannot determine your will, I can only ever speak to you again and warn and admonish you, I can only ever give you My merciful love and inform you of what is to come, of the time you are approaching.... I cannot do anything other than lovingly speak to you time and again, so that you may recognise a God and Father, so that you will believe in Him and loyally abide by this faith. But the end will come irrevocably, for My Word is truth and fulfils itself, and the hour of the end has been predetermined since the beginning of time.... Hence accept My Word in your hearts and just desire to become blessed.... And I will not leave you, I will give you strength to persevere until the end.... I will be a powerful protection and shield for My Own and support you when you have to profess Me before the world....

Amen

## Reminders to prepare for the end

**Reference to a natural disaster.... Urgent admonition to prepare....**

B.D. No. 3949  
January 1st 1947

**M**y call goes to all those of you who receive My Word: Prepare yourselves for the coming time which will considerably change your circumstances of life, which will confront you with immense spiritual and earthly tasks and which you therefore cannot take seriously enough if you don't want to damage to your soul. For you must already draw strength in advance because overwhelming requirements will be demanded of you, both spiritually as well as earthly. Earthly life will burden you so heavily that you will only be able to endure it with Me and My help, and therefore you must first of all remain in contact with Me, you must not waver in your faith and think that I have forsaken you, for you can only find comfort and strength in your faith in Me, then you will come to Me and I will help you. And although many people around you will lose faith in view of the immense adversity which will irrevocably occur.... remain steadfast and devoted to Me in your heart and you will feel Me and My presence, you will always find the help which I had promised you. As yet you are unable to believe that which I have proclaimed to you time and again, as yet it still seems questionable to you that I Myself will visibly appear.... Nevertheless, the hour comes constantly closer and with it a complete change of your normal living conditions.... And you should prepare yourselves for this already by detaching yourselves from all material things in advance, by leaving your further lifestyle entirely up to Me and in complete faith in Me only take care of your soul. For regardless of how much care you take you will be unable to keep earthly things if I consider it more helpful for you to lose them.... Yet whatever I want you to keep will not be touched by the forces of nature through which I will manifest Myself.

Believe that I direct everyone's fate according to My love and wisdom and that any anxious worry by you is unfounded. I Myself look after My Own such that they will still be able to achieve as much maturity of soul as possible on Earth.

The time until the end is but short and for many people it will also signify a shortened life on earth; they should and would indeed be able to reach the goal, even in a shorter time, because My love makes every opportunity available to them. Therefore, take My Words seriously, count on a speedy end and on the natural disaster beforehand, and expect it daily, for it will come suddenly, even for My Own. And utterly entrust yourselves to Me.... I will never ever leave you if only you remember Me, and if you call upon Me in your heart I will hear you. Yet make full use of the time before, let go of all earthly striving and only try to gain spiritual benefits. And remain faithful to Me even in times of greatest adversity and you will have Me as a constant helper by your side, you will evidently experience My often miraculous help, for I have promised you this and My Word is and remains eternal truth. Believe in this and also in the forthcoming great time of adversity and prepare yourselves for it by constantly drawing strength from My Word, by seeking Me more sincerely than ever and by remaining in constant contact with Me through prayer and actions of love, for you will need much strength so as not to falter when I manifest Myself through the forces of nature.... However, don't fear anything regardless of what will happen, for I will protect My Own so that they will be strong supporters for Me during the last days before the end, who shall help to spread My Word in order that souls of good will shall still be saved....

Amen

Translation handled by Heidi Hanna

**Y**ou must prepare yourselves for the end. I constantly send this admonition to you; time is rushing by without you becoming aware of this time in all seriousness. Anyone who has My word is certainly focused on it, but you also still pay attention to the world because you stand in the midst of it. But if you knew how close you are to the end then the world would no longer entice you because you expect something better after the end of this earth. And you can believe that there is not much time left because My word is coming true. I do not speak in vain through My servants on earth, and I do not let them speak anything that is against My will if they speak for Me, if they are active for My kingdom and for My teaching, if they stand up for My word from above. If I want the truth to be spread and thus convey truthful knowledge to earth, I will not tolerate the spreading of error through the same mouth which also endangers the pure truth. And therefore I keep telling you again and again: You can believe it that the end is near.... Your soul will sense it by feeling differently, by being sad where the world's joys are offered to people, by being anxious where the world looks to the future with hope. Your soul feels correctly because it senses the end, it senses the intensified struggle in the spiritual kingdom which also oppresses and frightens itself, and it will not be satisfied with earthly joys and earthly goods because it recognizes their worthlessness in view of the end. Pay attention to this inner voice, let your soul instruct you, i.e., pay attention to your feelings, and prepare yourselves for the fact that a sudden change will come, that the worldly peace will be disturbed and a fire will start to flare up which will usher in the end. Listen to what I tell you and believe that every day will bring you closer to the event which I keep announcing....

Amen

**Admonition to prepare for the end....**

B.D. No. 5195

August 25th 1951

**Y**ou should prepare yourselves for the coming time.... What My seers and prophets have proclaimed will come to pass, for time has expired and according to eternal law humanity is facing a radical change, which has to be understood in a spiritual as well as a material sense. It is the time of the end, the earth is changing and for the inhabitants of earth an era comes to an end and a new one begins. Yet only a few of the people who are presently alive will experience this new era, for preconditions have to be complied with which only those few will carry out. For this reason the earth will come to an end and countless people will die as a result because they cannot experience the new era anymore. I Am indeed lenient with those who will still come to Me in the last hour, who will call upon Me for mercy, yet only a few will suddenly change and realise their sinfulness and therefore still be accepted by Me in the last hour. But it is My will that the small flock of My Own shall reach the final goal, that they will survive the ending of this era and enter the new era where I will need them to uphold My law of order. And therefore I say to you:

Prepare yourselves for the coming time, for it will make extraordinary demands on you, on your will, your faith and your loyalty to Me. The approaching time enables you to achieve exceptionally high maturity but it will also lay claim to all your strength. For the closer it gets to the end the more that which is actually reality will appear unreal to you, the more your faith will be attacked and My name dragged through the mud. But if you seriously prepare yourselves you will be above it all, for as soon as you belong to those who know, your faith can no longer be shaken. Knowledge, however, is the consequence of love.... therefore you should make an effort to live a busy life of love for then you will prepare yourselves well for the end.... This is My advice which you should not ignore.... Cultivate love.... and an abundance of strength and light will flow to you which will enable you to resist everything that will be inflicted on you in the last days and nothing will be able to incapacitate you in the final battle. Prepare yourselves and don't hesitate, for the time is approaching the end, this period of Salvation will be terminated because it corresponds to the eternal order that a change will have to

take place as soon as no further progress can be achieved in the spiritual development.... No spiritual impetus can be found amongst people, only a few are striving towards the light and for these few I have a new task in mind which will only start after the change that takes place at the end. Hence they, My small flock, will once again be admonished to eagerly work at improving their souls, for the last great onslaught will happen soon, the last battle begins which shall find forearmed fighters who will enter the battle with Me and therefore will also win.... who will triumph in the end over the opponent and his followers....

Amen

### Serious wake-up call....

B.D. No. 5397

May 22nd 1952

**Y**ou don't have much time left.... Time and again I have to say this to you for you don't take My Words seriously, you are living in the midst of the world and cannot believe that everything around you will cease to exist one day and that only that will remain which is everlasting.... your soul. Time and again I want to admonish you to seriously envisage what kind of state your soul will then be in. Time and again I want to warn you against focussing your every thought and intention on acquiring earthly goods, on improving your earthly situation.... it is a futile effort, for you will not keep anything when your time has come, the time when you will either be recalled or when everything around you disintegrates. You really should believe that you are wasting your energy, that you work for nothing, that it is merely temporary prosperity which might still provide you with a few comfortable days of life but which is unfavourable for the soul if you don't consider it first and diligently aim to gain spiritual possessions. You may certainly enjoy a good living standard if you use your earthly possessions correctly, if you share them with those suffering poverty and hardship, if you manage your possessions beneficially, if you regard them as having been received from Me and show your gratitude by practicing active neighbourly love, by alleviating hardship in an earthly and spiritual way and thereby live an exemplary life for your fellow human beings and motivate them to also live a life of love.... Then earthly prosperity will have positive consequences, then your soul will not have to starve, then you are considering your soul **first** and need not be afraid of the forthcoming events.... But woe to those who only pay attention to their physical life.... it will be taken from them and the poverty they suffer in the spiritual kingdom will be a dreadful burden to them....

Believe that you are facing immense events, believe that you are only granted a little time longer, make every effort to attain spiritual possessions before it is too late.... Everything you acquire of an earthly nature will be lost to you; take care that you will possess spiritual goods; I seriously admonish you so that you cannot say that you were not informed of that which is irrevocably granted to you.... Don't turn a deaf ear to My advice and warning, they are My loving calls which come to you through a human mouth and intend to protect you from a dreadful fate and which I will repeat in a different way for those earthly children who are unwilling to listen and believe.... My admonishing wake-up call will very soon resound so forcefully that it will make you tremble. I want to speak to you once more through the forces of nature and call to you from above: Wake up, you sleepers.... pluck up courage and stop being feeble.... don't look for worldly pleasures and everything of a transient nature; try to gain My kingdom and consider your true Self.... consider your soul, whose fate in eternity is prepared by yourselves.... Once again I Am telling you: Shortly after this final wake-up call the last Judgment will follow and the disintegration of Earth and the end of everything that lives on it will take place.... That is why you humans are in such great danger, because you don't want to recognise and believe that your end has come or you would yet prepare yourselves and pay no further attention to the world and its commodities.... The time I have granted to you is over and until the very end I will still try to save souls, hence My love constantly calls to people to take stock of themselves, to do penance and to turn back, for I don't want them to go astray.... I only want them to become blissfully happy....

Amen

**Serious Words of admonition regarding the end....**

B.D. No. 7211

November 19th 1958

**B**race yourselves for severe strokes of fate which will affect you to a greater or lesser extent because the end is coming ever closer and all people shall still be influenced such that they will seriously consider the end, be it their own end or that which the **whole earth** can expect.... They shall only be seriously reminded to prepare themselves, for you don't have much time left. Hence you humans will repeatedly hear from Me Myself about what is in store for you and you would do well to heed My Words, to accept them as pure truth and to adjust your life accordingly. There will always be people again who will try to lessen such admonitions and warnings, who will claim that they are implausible and aim to trivialise what is, after all, hugely important because it can determine the state of your souls for an infinitely long time to come.... Don't listen to them but keep to My Word instead which, time and again, comes to you from above, for I Myself will make sure that you receive the information; and anyone who hears it should take it seriously and regard it as evidence of My love that I Myself want to save his soul and therefore speak to him. I know who receives My Word and I admonish all of them to ponder it in their hearts and to do everything so that they will not suddenly and unexpectedly be met by what is to come and, indeed, must come on account of the many people who live in a deaf and blind state. Then you, who accept and believe My Words, will be able to contribute much towards clarifying the situation by informing your fellow human beings that you have long since known about it already through My Word.... Then you will also be able to announce to them that the final end will just as certainly follow not long afterwards. For in My love and mercy I still want to give all people a last reprieve during which time they can make up for what they had previously failed to do, and therefore they will still provide them with the evidence of the credibility of all proclamations which I send to you humans in such a natural way that you can just as easily be inclined to doubt them.... That which is decided in My plan will irrevocably come true.... But My plan is well thought through in all wisdom and therefore will not be overturned or changed, neither in its form nor its time.... For this reason you can accept My Word as irrevocable and thus live your life accordingly, and you will not need to regret it, for the acquisition of earthly possessions will prove to be utterly pointless, since everything will be taken away from you. However, all of you will be able to acquire spiritual possessions if you seriously want them. Listen to My Word and believe the truthfulness of the One Who conveys it to you.... And then consider how seriously you will still have to work at improving yourselves in order to exist before Me when your hour has come that I will recall you from the world.... And not one of you knows when this hour will come, but for all of you it is closer than you think. This is why My love calls to you time and again: Prepare yourselves and only place importance upon that which serves your spiritual development.... Everything else is unimportant and will continue to become even less important the closer you are to the end.... But the fact that the end will come is certainly true and, therefore, you should not doubt but believe....

Amen

**The end is near....**

B.D. No. 8361

December 23rd 1962

**E**very day brings you closer to the end.... For the time is fulfilled and My eternal plan of salvation will be carried out, which was recognized by My love and wisdom as successful for countless beings who are still in ascent development and need My help. And although you are not given the day and hour you can nevertheless expect this end with certainty as being imminent, for you are in the last days.... And this will pass very quickly and bring many unforeseen events by which you will be able to recognize the truth of these words ever more clearly. Yet whatever may happen I protectively keep My hands spread over My own, over those people who are consciously in contact with Me, who want to belong to My own and who are also closely united with Me through prayer and activity of love.

Although it seems that the world will experience an upswing, people's prosperity will seemingly constantly increase and no thought will be further from their minds than that everything could suddenly change and the greatest adversity and gloom will befall people.... But as soon as I let My voice sound through the elements of nature, misery and chaos will set in, and the last phase on this earth has begun and will also pass very quickly.... And I will keep reminding you of this so that you do not become lukewarm and lethargic in this time which still offers you everything.... It will not remain like this and the hardship will affect **you** all the more terribly, you who know nothing of My eternal plan of salvation, who cannot draw strength from a living faith in Me, Who can and will always help if only I am called upon and thus acknowledged as God and creator, Who is full of love and uses His power because He is also your father, to Whom you should pray like children in spirit and in truth.... And truly, you will also endure the coming time of adversity, the time of greatest tribulation, and time and again you will be led out of every adversity as long as you keep to Me.... And the end will come just as surely not long after, for the day of the end has been fixed from eternity and it will be kept.... Therefore I can only ever call out to you humans: Remember the end.... Live in such a way that you need not fear the end, do not let yourselves be blinded by the apparent blossoming which you can observe everywhere around you.... Know that you live in the last days and make good use of them, then the last day need not frighten you either, for then you will only exchange this earth for a place of peace where I will transfer My own before the last work of destruction takes place.... which, however, is necessary for the still bound spirits which are to be liberated and which are to continue their upward development in new forms. The end has been announced to you long enough, for I have always informed you through seers and prophets that one day the day of judgment will come.... the day when everything will be 'judged,' i.e. transferred to where it belongs according to its degree of maturity.... be it the still bound spiritual or the human being who is also still on the path of his higher development and has let it come to a standstill through his wrongly directed will.... Everything has gone out of order and must be restored to the state of My order from eternity.... it has to be "straightened" so that the upward development of all spiritual things can continue again.... And you are now standing shortly before this 'judgment', and you will do well to reckon with it and prepare yourselves for a sudden end, so that you need not fear it.... But this requires faith in the truth of My predictions, and you will also gain this as soon as you make an effort to live a life of love, as soon as you strive to fulfil My will. Then everything I convey to you Myself from above will be understandable and credible in order to save you humans before the end comes....

Amen

## Instructions of the people on the near end

**The near end should be mentioned time and again....**

B.D. No. 6689

November 15th 1956

**Y**ou should seize every opportunity to mention the near end, for you are approaching it with giant strides. Admittedly, you will not be believed, people will laugh at you and mock you, but you should do so all the same, because people will remember your words as soon as unusual happenings take place on earth which are inexplicable to them. Even total unbelievers will recall your words, and amongst them will be a few again who will take the possibility into account and thus spend thought on it. I know that you will only meet with little success when you want to convey the Gospel to them and they will keep their hearts and ears closed.... I also know that the announcements of the end will find even less belief, yet I will not let anything come upon people without warning and admonishing them first, and for this you shall lend Me your mouth.... For I cannot speak to them Myself, after all, their faith is too weak and therefore their hearts are incapable of hearing My voice. But I can do it through you when you tell them what My spirit has revealed to you.... The world event will take its course.... and yet, a few people will relate it to that which they had learned from you. Their thoughts will have been pointed in the right direction which may still be a blessing to them in the forthcoming time. You will find little belief.... That, too, is known to Me.... And yet it is better for them to have been informed than not to have received any indications at all and to be surprised by the end in complete ignorance.... And this is why every day is still a gift of grace for humanity, for it can still be spiritually utilised, both by you through your work of spreading enlightenment as well by those who hear about the Gospel from you. For they would only need to take your words to heart and then live according to My will.... They would only need to make an effort to fulfil My commandments of love and would still be able to achieve much for their souls until the end.

Don't tire and slacken in your work for Me and My kingdom, because in the last days this is the most urgent work which is more important than all earthly activity, although your fellow human beings don't look upon it as work and deny it all merit. But people don't know how useless the work that they accomplish themselves is if they only work in an earthly sense without any spiritual striving, without a spiritual goal.... And you should also draw their attention to the fact that they will not keep anything, that everything will perish and that they are wasting their energy of life by only using it earthly.... they should know that they could use it to obtain spiritual goods and thereby gather everlasting treasures for eternity.... You will find little belief, however, words once taken up by the heart and intellect can certainly be forgotten but they will surely appear again and then may still be effective enough to be taken seriously. Every human being will still be addressed by Me in the coming time, and you support Me insofar as that you are the connecting link between them and Me, that you will only voice what I have to say to them all.... And the events of the time will add to emphasising your words, therefore always be prepared, My servants on earth, for Me to call upon you if I need you 'to speak on My behalf.... ' And don't think that your work is in vain, because I Myself bless your activity and help wherever your strength does not suffice.... The time until the end must still be used and every opportunity must still be seized where redemptive work can still be carried out on a soul so that it will be snatched from the adversary....

Amen

Translation handled by Heidi Hanna

Anyone who regards himself as one of My Own also knows that the last days have started, that humanity is facing a spiritual and earthly turning point. For My Own are informed by the spirit, My Own can be spoken to by the spirit and hear My voice, either directly or in their thoughts.... And they also faithfully accept My Word which is given to them by My messengers and has originated from Me.... Thus My Own know what time they live in, they know that the last hour of the world's clock will strike soon, that night will begin to engulf countless people on this earth and that a new day will begin to dawn for others, for the few who will remain true to Me until the end, who belong to My small flock.... which I call 'My Own'. And they still have a task on earth: to inform their fellow human beings of what earth can expect.... this will not be easy, for despite the fact that My Own are convinced of the truthfulness of My Word.... thus also of the proclamations about the end and the Judgment.... fellow human beings will not believe them and indignantly turn away when the last days are mentioned to them. Nevertheless, time and again they should try to point out that My announced end will not be far away.

And as confirmation of this you should also draw their attention to the natural disaster which will put the whole world into turmoil beforehand.... And you should also tell them that the subsequent end can be expected with the same certainty, for through this natural disaster I still want to give people a final warning, a final sign, to make it easier for them to believe what you tell them.... Anyone who is enlightened himself should also let the light shine into the darkness.... Anyone who believes in Me and My Word himself should also try to show his fellow human beings the way to faith, and do so kindly so as not to arouse resistance.... And therefore the natural disaster will not keep you waiting for very long, since it is also intended to contribute towards preparing people for the end.... You should also mention the natural disaster, My intervention, which every person will be able to take notice of, for it will be of enormous proportions and cannot be dismissed as an everyday occurrence.... Thus you should constantly point to this event and not be afraid to speak about it openly, for it will come with absolute certainty.... And anyone who has heard about it from you will also find it easier to believe in the announced end. Thus My Own shall be capable workers for Me, even if their work merely consists of speaking about the forthcoming events....

Then they will already render Me an immense service, for I want people to know but can only give them the information through a human mouth, which they then may or may not believe, but at least they will have heard of it and will also remember it when the day comes that the whole world will hold its breath in view of the natural catastrophe which will bring overwhelming suffering to the people who experience it.... Do not fear that you spread misguided prophecies but speak frankly and openly that I Myself conveyed them to you and that you firmly believe in My Words.... They will not be able to call you liars, for sooner than they think they will get the confirmation. Yet people should use this knowledge to shed their doubts in regards to the proclamations of the end.... With that, much will already have been achieved, because then they can prepare themselves and thus be saved from the abyss....

Amen

Revelation 20, 1-6

And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand.

And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years,

And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.

And I saw thrones, and they sat upon them, and judgment was given unto them: and [I saw] the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received [his] mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

But the rest of the dead lived not again until the thousand years were finished. This [is] the first resurrection.

Blessed and holy [is] he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years.

## **The end will come unexpectedly....**

B.D. No. 7609

May 28th 1960

**A**nd unusual intervention by God will take place when the time is right.... This has been announced to you over and over again, yet you doubt it, because the time I still grant to you as a reprieve seems too long for you; however, you fail to consider that I regard time differently, that a short extension of time is irrelevant in view of the magnitude of My intervention, in view of the overwhelming act of destruction which this intervention as well as the forthcoming end will mean to humanity. You forget the fact that you were nevertheless only granted a short time of grace but that even the longest period of time will one day come to an end and that you should, therefore, expect every day that My announcements will fulfil themselves. And this is how you should also look at your life, always thinking that every day could be the last day for you. One day, when you no longer live on earth in the flesh, you will realise how short your whole lifetime on earth has been. And then you will also understand the urgency of My admonitions and warnings, for only then will you realise that your concept of time on earth is different from that in the spiritual realm. However, you should already recognise this while you are living on earth and therefore accept My admonitions and warnings, you should not doubt even if you think it takes a long time until My intervention will take place. It will nevertheless come unexpectedly and cause tremendous adversity to those people who are not yet so united with Me that, in their distress, they simply take refuge with Me.

The day will come unexpectedly, like all big natural disasters of a similar kind, which you humans are unable to prevent or evaluate in advance.... Even so, it will come without fail.... I will repeat this time and again with all urgency, because it is necessary for you to prepare yourselves for it, for you to believe and always live your life in view of this natural event. For no human being will know whether he will belong to the survivors, no-one will know where the event will take place and which countries will be affected by it. You all should count on it and be thankful to Me if it passes you by. For in that case you will still have to fulfil the task of carrying out labours of love for those affected unfortunate people and of showing them the path to Me, so that I can comfort and uplift them and lead them out of all adversity. For truly, nothing is impossible for Me, and an intimate prayer can avert much suffering and hardship, wherever it may be. This is why I repeatedly come in the Word to you, so that you can draw strength from it in advance and calmly face whatever will affect you. And time and again I say to you: take care that you belong to My Own, who will find refuge and protection with Me, whom I will strengthen over and over again and to whom I will impart extraordinary strength to work for Me and My name. And then the end will not be far away anymore. And you should all prepare yourselves for this end and learn to believe ever more firmly what is proclaimed to you through My Word.... For everything will come to pass when the time is right....

Amen

Translation handled by Heidi Hanna

**A**nd whether an end may seem incredible to you.... it is imminent for you.... To give you an exact time would not be helpful for your soul's salvation, but you should be content if I indicate to you that it is imminent, and you should live and work on yourselves as if the last day had already come tomorrow. For in view of the length of a redemption period which is now coming to an end, only a very short time can still be spoken of which remains for your redemption, for only a few phases will pass until the end which are necessary for the separation of spirits.... And as it has been predetermined since eternity, everything will also come to pass, because it is not an arbitrary process when this earth is reshaped but everything has its spiritual reason and thus everything also takes effect as a result of people's failure on this earth in their last test of will. However, you humans can all feel safe in My protection if you believe in Me and are willing to enter into My will.... you can expect all events with inner equanimity, always trusting that I will protect My own.... provided you want to belong to My own.... But you should **believe** in an end and take the transformation of your nature into love seriously. If you lack this faith you will be lukewarm, then you will not be aware of the seriousness of the time which, however, is recognizable as the last time because I have often mentioned the signs by which you can recognize the approach of the end.... And therefore you should only be attentive and look around you with open eyes.... You should also try to associate My obvious gift of grace with the fact that unusual things are about to happen to you, which is why I also try to have an unusual effect on all people in order to shake them up, so that they become awake and realize the time in which they live. And they should not carelessly give in to the hope that I will be pass off with the end.... For I know when this transformation of earth has to take place, I know when people's low level has reached such a point that a change has to be created, that a turning point has to occur which, however, will not only take place spiritually but also earthly. For on **this** earth humanity never changes so that it strives for a higher spiritual level.... On this earth only a decline can be expected, for more and more people fall away from faith, more and more people deny Jesus Christ and His act of salvation.... more and more people fall into matter and strive back again towards the state they had long since overcome. And everyone is responsible for himself, for his will and actions; everyone has to accomplish the transformation of his being on himself.... because every human being is a once fallen original being which has to prove its will to finally return to Me.... And therefore don't give yourselves over to false hopes.... The end is irrevocably coming and you will no longer be able to stop it. But every individual can avert the fate of a new banishment for himself if only he surrenders himself to Me and then has also provided the proof of having passed the test of will.... then he may stay wherever he likes.... he will be saved from the end, for I know the state of every soul and its will, I also know that and how he can be saved, for My arm reaches far and will surely take hold of My own in order to fetch them to Himself when the adversity will be so great that only I Myself will be able to remedy it.... Believe in Me alive and you will also be able to believe in the end which will come according to the plan of salvation from eternity.... which will take you by surprise because the day I have determined for it will be observed and because the time is fulfilled....

Amen

**Prediction of a swiftly approaching end.... Weak faith therein....**

B.D. No. 3964

January 29th 1947

**Y**ou know that you cannot expect a long life on earth anymore and that every day is a grace enabling you to mature fully if you make correct use of the time. You know this from My Word but your faith is not yet profound enough to be spurred into utmost striving, you doubt the truth of My Word as far as it relates to the approaching end. Nevertheless, you should eagerly work at improving yourselves, for the end is at hand.... Time and again I approach you with this admonition and warn you of half-hearted thoughtless living; time and again I call to you: Pay attention to My Word, engross yourselves in it and live accordingly.

You won't know when your last hour has come, you don't know how much time you have left until the end, hence you should live as if every day is your last. I always send you My obedient spirits to convey illuminating thoughts to you, to direct your mind to the spiritual kingdom, I send you My messengers on earth to inform you of the approaching end, to draw your attention to the signs of the last days and to awaken firm faith in you by imparting My Word to you which was transmitted directly to earth. And thus I constantly try to explain to you the gravity of the situation in order to enable you a blissful end, yet none of you take My Words seriously enough, your faith is still too weak to live appropriately even though your will is turned to My direction. And therefore I admonish you time after time:.... Engross yourselves in My Word, let the thought of a near end come alive in you, prepare yourselves for it, and place less importance on earthly things in view of the end, in view of the immense spiritual hardship which will even increase the closer it is to the end.

Use all available strength in order to grow spiritually, and fully entrust the care of your body to Me. Make use of the short time until the end, be constantly active with love, always draw strength from My Word, admonish and teach your fellow human beings to do the same and thus help each other to reach the goal on earth which I had given you, help each other to become perfect, for there is only little time left until the end....

Amen

Revelation 8, 6-12

And the seven angels which had the seven trumpets prepared themselves to sound.

The first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: and the third part of trees was burnt up, and all green grass was burnt up.

And the second angel sounded, and as it were a great mountain burning with fire was cast into the sea: and the third part of the sea became blood;

And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed.

And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters;

And the name of the star is called Wormwood: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter.

And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.
