You should recognise the Father's voice in every Word that is sent to you from above. It is My spirit which speaks to you, it is My strength which flows to you, it is light from My light which shines upon you, it is the Word which My infinite love forms for you so that you can understand Me, so that you shall fulfil My will, so that you shall be comforted in times of need and be instructed in all truthfulness. Only I can impart this truth to you.... your God and Father of eternity, Who instructs you so that you learn to know and love Him. For I want your love.... This is why I speak to you, who are unable to see Me and therefore don't strive towards Me either if you have no knowledge you can believe in. But it is My will that you should believe in Me and therefore I do whatever it takes in order to help you attain this belief.... I reveal Myself to you.... You humans are unable to judge the full significance of this gift of grace, the Lord of infinity, the eternal God and Creator Who brought everything into being which is visible to your eyes and Who created an infinite number of works which are invisible for you.... He lovingly draws near to you, He speaks to the individual person but through them also to all people. He reveals Himself to you.... And only a few people recognise My voice....

But these few are spiritually enlightened, for anyone who is able to hear Me, who recognises Me Myself in the Word I convey to earth is also permeated by the strength of My spirit and therefore looks at all happenings, at everything around him and his experiences with completely different eyes.... My spirit illuminates his thinking and also provides him with clarification about all correlations; he is no longer able to doubt, precisely because he recognises Me Myself if I address him through My Word. Where My spirit is working, knowledge can be found and knowledge is light which penetrates the darkness.... But where on earth can you humans still find light? People live in darkness, they are spiritually unenlightened, they don't stop to think, and were they to think they would not come to any reliable result.... The darkness which exists on earth can only be dispelled by light from above. However, I Am always willing to kindle a light in you, I Am always willing to permeate you with the strength of My spirit if only you were willing to accept the Words of My love, if only you opened your hearts to Me in order to let the flow of My love pour in, if only you humans desired to hear Me.... It is My wish that you should learn to love Me, therefore you must listen to Me, you must accept My revelations and you will become enlightened, then you will penetrate the mysteries of My eternal love, My eternal plan of Salvation, you will recognise yourselves and your earthly task, you will recognise Me and grant Me your love, and you will yearn to hear the sound of My voice forever....

Amen

God.... father....

B.D. No. 5343

March 24th 1952

I am your God and father.... Perhaps you will still acknowledge Me as God if you mentally deal with your origin and your being. Thus you can come to the conclusion through intellectual work that you acknowledge a creator and sustainer from eternity Who is the original source of strength for you and Whom you now call God. But I want to be recognized by you as **father**.... And this cannot be achieved through intellectual activity, this requires the activity of the spiritual spark in you, which.... as a divine part itself.... clarifies the right relationship with your creator of eternity for you, but which you first have to enter in order to recognize Me as father and yourselves as My children. A person who certainly acknowledges God but does not know the purpose and aim of his earthly existence will hardly know the connection between himself and God, and he will also not be able to intellectually establish a bond between himself and God.... For this is the activity of the spirit which, as a part of Me, pushes towards Me again, thus strives to come close to its father-spirit again, with which it indeed remains inseparably united but which also impels the soul it inhabits towards unification, because it,

as an external being, lacks the bliss of unification with Me. Hence the union with Me is like the relationship of a child with its father, whereas the isolated being is only God's 'creature' and thus also regards God as a being distant from it. But I want to be united with My living creations, I want to accept them as My children in order to make them blissfully happy. I am indeed your God but I want to be your **father**. For you emerged from My **love**, not just from My power.... and love seeks constant contact because it wants to make happy.... But love is a free feeling which can never be forced.... For this reason I must first be recognizable to you humans as God, Whom you shall now learn to love and Who then returns your love as father. Then you will also feel this fatherly love, it will fill you with emotion and make you yearn ever more intimately for the father. As long as you only show reverence and obedience towards Me as your God I will not yet appear as your father, for I desire your love in order to then deal with My children in a fatherly way and make them happy with My love.... Then you will no longer stand isolated in creation, even though you are independent creatures, then you will have drawn Me to you through your love, and the connection between us can never be severed because it has always existed, you were just unaware of it as long as you only saw Me as God and creator, but Who is and will remain your father for all eternity....

Amen

God's endless love can be recognized by every human being....

B.D. No. 7285

February 17th 1959

You shall only become aware of My infinite love for you, and then you will also ignite the spark of love within yourselves which will become a flame and strike Me again. And that is all I want to achieve, that love will ignite in you which will then unite us eternally again, just as unkindness once separated you from Me. And the fact that I love you could become evident to you again and again if you were to look at everything around you and also your whole earthly life in thoughts of Me, Who directs your destiny, Who created everything that delights your eyes and your senses.... as far as it is not My adversary's means to chain you to the earthly-material world. But you can see My love for you everywhere if only you look around you with open eyes. If My love did not keep you then you would be surrounded by unimaginable chaos, for your earthly life would already lack all order, since I must rule by natural law even over those whose will is completely turned away from Me. They would have supremacy and destroy everything that is still meant to serve their fellow human beings for upward development. My love, however, puts a stop to them and prevents them by natural law from encroaching, which would be extremely harmful to all of you. But you humans often don't recognize My rule and activity when it is openly evident, because you take everything for granted and accept comforts as a matter of course. And yet, it is love which applies to you, My living creations, whom I want to make My children and who therefore shall return My love to Me so that I can unite with them as it was in the beginning. My love for you has not yet diminished and will also not cease eternally.... Yet you will not feel it as long as you are without love yourselves and do not open yourselves to My illumination of love. But once you become aware of My great love for you, then the ice around your heart will melt and then My illumination of love will have taken effect.... You begin to reciprocate My love, you ignite the flame of love within yourselves and the now flaring fire seeks to unite with the fire of love from eternity. You humans should only pay attention to how often a merciful fate saves you from **unusual** sorrow and suffering, you should pay more attention to everything beautiful and happy in your life and gratefully remember Him Who allows you to experience it.... You should pay attention to every smallest event in your life which reveals a wise guidance of your heavenly father, and you should know that nothing happens without My will or My permission, that I constantly remember you and let everything happen to you out of My love as it is beneficial for you.... You should know that only My love ever speaks out of all events which affect you.... And if you are now fully aware of My love then the hot feeling of love for Me will also ignite in you, then you will want to make contact with Me, you will enter the circuit of love and allow yourselves to be illuminated with the blissful feeling of resting on the father's heart and being well sheltered in His love. And then I will

also be able to have a direct effect on you, and My love will give you further evidence which you will only be able to experience in heartfelt union with Me....

Amen

God's infinite Fatherly love....

B.D. No. 7353

May 3rd 1959

My love will carry you across all obstacles if only you entrust yourselves to Me and want nothing else but to fulfil My will.... because My love for you is boundless, and were you able to imagine the degree of My love, truly, you would no longer experience any hardship or worry since you would know that I will keep My hands over you and protect and bless you. However, your anxious doubts keep Me away from you so that the full strength My love cannot take effect. And I must allow this to happen if I don't want to restrict your will, which must aim towards Me in complete freedom.... But although I keep telling you that I love you with all fervour and that you have nothing to fear.... you must ponder these Words within yourselves, for only then can their effect permeate you and make you truly happy.... Imagine a Father Who faithfully guides His children by their hand and will not allow dangers to approach them. A Father's love is truly selfless and only wants to make the child happy, but the child must also fearlessly stay close to the Father, it must not distance itself from Him and want to take its own paths; it must listen when it is called by the Father and must do what the Father asks. And this is what you should do as well by living up to My commandments, which I only gave to you so that I can make you indescribably happy. If you comply with My commandments of love for God and your neighbour, you will also give Me great pleasure, for then you will voluntarily return to Me, you will voluntarily take hold of My hand and let yourselves be led on your future path of life. From that moment on you will be released from all hardship and worry, because I will take care of these for you, because I will deal with everything on your behalf, because My power and strength will carry you across everything that seems to hamper you on your way towards ascent. Just imagine often and sincerely that I hold you by your hand and watch over you.... that I love you and that I Am concerned for you to mature.... that I will not abandon you to My adversary once you turn to Me of your own free will.... Try to penetrate the nature of My Divinity ever more deeply, Which is Love Itself.... And you will feel more and more that a God of love will not want your misfortune, that it will therefore be kept at bay if you merely follow Him.... if you merely take My hand, which I will always extend to you if you walk alone, and walk with Me. My eyes constantly watch over you and recognise all dangers.... Do you really believe that My love will leave you unprotected in such dangers? Do you think that I would let you walk alone even if you wanted it? I follow you because I know you and your hearts and because I know that you belong to Me as a result of your will. But you will be put under pressure and burdened for as long as you walk alone without taking My hand, and you will experience problems which shall remind you of Me and make you call for Me.... And I will be with you in every adversity of body and soul, for My love is always close to you and only waits for your call in order to walk by your side again and to provide you with reliable protection, which will make you feel safe and secure because you will then be walking consciously next to Me. Don't lose this consciousness of My presence.... Time and again you should turn your thoughts to Me, and time and again you should think of the One Who follows you with tireless love and patience, Who wants to possess you completely, to Whom you should hand yourselves over in complete faith that He will lead you out of all adversity....

Amen

Translation handled by Heidi Hanna

Except ye become as little children, ye shall not enter into the kingdom of heaven....' It is an odd statement that I expected you to become children, after all, I gave you a whole lifetime, from infancy to old age, so that you shall mature on earth. However, you should not use a child's deficiency and lack of understanding as an example but the childlike trust towards the Father, which makes My Fatherly heart receptive, which I will not reject, which opens the kingdom of heaven for you.... It is the truly childlike faith which a child places into its Father, the trusting pleas which ensure that I will grant them; it is the humility of a child which can therefore receive an abundance of blessings. And can any love ever be more pure and unselfish than that of the child for its Father? A child does not first intellectually assess the feelings it has for the Father; it is driven by its heart to the Father and only the heart takes the direct path to Me and completely hands itself over to Me. And where the heart of a person is moved by such love, My Word is confirmed, for he will truly enter My kingdom, because I will never ever let go of him again, I will draw the child to My heart and bestow eternal life upon it in blissful happiness.... Furthermore, My Words are intended to tell you that you humans will hardly reach your goal on earth by using intellectual thinking.... that therefore increasing adulthood, the fulfilment of life or even intellectual conclusions cannot replace the childlike love for Me.... that the right kind of relationship with Me must be that of a child with its Father, for this relationship includes everything needed for the attainment of psychological maturity: Love, humility and complete submission to My will.... But how many people establish this heartfelt relationship with Me.... how many are capable of calling upon Me in their heart as a Father Who takes care of His child with burning love and helps it in every adversity and danger.... And how few take hold of Me with their childlike love and thereby inextricably chain Me to themselves. These people, however, have acquired the kingdom of heaven, for it automatically comes to those in whom I can dwell, drawn by the love of My child. And thus you will understand that I do not regard those who are great, instead, I bend down to those who are small; that I do not value what the human being achieves or has achieved with his human abilities and their training, instead, I only look into his heart as such, and that every ray of love I discover therein is pleasing to Me, for this ray of love has nothing to do with human abilities, it was solely kindled through the heartfelt bond with Me, which characterises the right Father-child relationship. And therefore only a 'true child' will take possession of My kingdom, as I have promised through My Word....

Amen

Conditions for attaining childship to God....

B.D. No. 7280

February 11th 1959

Every one of you is destined to walk the path across earth who wants to attain childship to God, but not every one of you attains it, rather, there are only a few whose earthly path is so successful that they can depart as true **children** whom the father can receive into His kingdom. For conditions have to be fulfilled which could certainly be fulfilled by people but which nevertheless cost too much self-conquest to be taken seriously by all people. The prerequisite for attaining childship to God is a life of love which results in a high degree of maturity, and very few people are prepared for such an activity of love. But it is nothing impossible, God does not demand something that would be unfulfillable for human beings.... But childship to God ensures the being an immeasurably blissful existence in the father's immediate proximity.... What this means cannot be explained to you exhaustively, but it is a fate which promises supreme bliss to the being which has become God's 'child' from a 'creature'.... God has then achieved His goal, which He already planned when He created countless spiritual beings and which also provides Himself with unlimited bliss. But to reach this goal requires the free will of every individual being, and therefore there will also only rarely be people on earth who so seriously strive towards the goal and are completely absorbed in love during their earthly life. And yet, every human being could achieve it, for living in love is not that difficult if only the

human being would muster the serious will to do so. But love must be practiced for its own sake, not out of calculation, for the latter would not be love. Love must be kindled in the heart and then flare up ever more brightly through loving activity, then the fire of love will quickly spread and take hold of everything.... or also: Anyone who is once driven from within to work with love will never let up, because every work of love is a bond with the eternal love and fills him with ever new strength which he uses again to work with love. But the human being is too full of selfish love and as long as he does not conquer it, that is, as long as he does not overcome himself, he will only ever try but never seriously strive to fulfil the commandments of love. Yet only the beginning will cost overcoming, for nothing can soon tempt a loving person to do it to himself.... He finds far more happiness in loving his neighbour than in fulfilling his own wishes and desires. And this degree must be reached if the attainment of childship to God is to follow, which only requires pure, selfless love, which one day will bring him endless happiness, such as the father provides for His child whom He loves above all else. You shall certainly all become God's children, yet His children will have the right to the father's inheritance, who will immediately return from earth into the father's arms, who will directly receive His strength of love and therefore also be directly permeated by Him, which signifies unlimited beatitude. Only the path across this earth earns the once fallen original spirits the childship to God, although other souls can also expect beatitude in the spiritual kingdom if they have developed into beings of light on earth or in the beyond, but the degree of light of all beings is different, and the highest degree which can be attained on earth is the degree of childship to God, which you should all strive for and which you could also achieve with good will and heartfelt bond with the God and creator Who wants to be your father.... For this heartfelt bond will give you the strength to overcome yourselves, and once you have become completely selfless you will only ever work with love, you will try to make happy and not think of yourselves but only of your fellow human beings. And then your degree of love will increase and you will be certain of God's presence, which is also a guarantee that you will be close to the father.... For the father desires His children, for whom He wants to prepare an eternal life in unlimited bliss....

Amen

Loving father words....

B.D. No. 7510

January 29th 1960

You may confidently leave yourselves to My guidance if you have approached Me for it. Hand over all your worries and needs to Me and then just wait for everything else and it will work out as it is good for you earthly and spiritually. You would only lack full confidence in My help otherwise you would go your earthly path calmly and cheerfully, always in the certainty that I will take care of everything for you and that you only need to leave yourselves to Me. But you do not yet possess this very strength of faith and it cannot be given to you, you have to acquire it.... once through the firm will to come close to Me, and secondly through loving activity, which will certainly earn you My presence, which will then also give you this firm faith. I cannot give you this faith but again and again I can assure you that you have a faithful helper in Me Who is always concerned about your spiritual and also your earthly well-being. And therefore you can also address earthly requests to Me, I will grant them if only you firmly believe in them.... And thus your earthly life can also take a sudden turn which you do not expect.... For My ways are often different from your ways or your plans, because I know all your hardship and suffering but I want you to consciously present them to Me in order to be able to help you. I want you to discuss everything with Me because I want to possess your trust and express your confidence in My help, for I want your faith to strengthen when you visibly experience My help.... A strong faith is everything, it carries you over everything difficult, it makes you resilient and courageous in battle, a strong faith is a close bond with Me, a strong faith secures My presence for you, and in a strong faith you can achieve everything from Me, for I will not let a strong faith fail....

Amen

Translation handled by Doris Boekers

The steadfastness of faith lies only in a constant attitude which is turned towards God.... It is inevitable that a person will waver if his train of thought moves away from God. Faith is always the result of a deep connection with Him, for the feeling of belonging to Him makes it impossible to waver. The more intimately the heart beats towards the divine father, the stronger and more unshakeable is faith. The child's intimate relationship with the father must therefore never be disturbed. For then divine strength can also flow to the human being without interruption, and this strength first expresses itself in a strong faith and joyful confession of faith to the world around him and in a joyful affirmation of life. His gaze is clear, his train of thought is in accordance with the divine will and everything he does and does not do is likewise in accordance with God's will. The child seeks the closeness of the father, and this also brings him complete peace and security, for all his thoughts are then rightly guided. And every separation from Him will be noticeable to a person who longs for God.... for once he has been allowed to enjoy the security of the father's heart, every state of separation from Him will be perceived as torment.... He lacks security, persuasiveness and trust.... he lacks faith.... he is weak and without inner peace, because he lacks the closeness of the father.... And this is often the result of a lack of trust in God in earthly adversity. Every earthly need should be confidently presented to the father in heaven. However, if the human being allows himself to be overwhelmed and, instead of joining God all the more intimately, loosens the bond that connects him to the father in heaven, the strength will also diminish and this will result in a weakness of faith. You can achieve nothing without God.... With God you will win every battle, without God you will lose. Earthly things separate you from God time and again, and yet this is your own fault, for God does not command your thoughts, therefore do not let them wander away from Him and turn to other things, for this will not satisfy you, you will walk along in constant restlessness until you have found your way back.... Trust in God is faith.... and a believing earthly child should not allow itself to be shaken by anything, it should surrender itself unconditionally to the father in heaven, only then will it feel the strength of deep faith in itself and accept all the difficulties in life without worry, for they are always touchstones of faith that must not cause a person to fall.

Amen

The value of a "living" faith....B.D. No. 8209
July 8th 1962

You will also be told time and again that you can only gain a living faith through love.... For love unites you with Me, Who is love Myself, and then your faith in Me must also be alive because you feel My presence, thus it is conviction for you what you should 'believe'.... for believing means believing something to be true for which you lack the evidence.... But then you will no longer need evidence, for the feeling of My presence is the strongest evidence of Myself, and then you will also know that **I** work **with you** or that you can work with **Me**, that everything is possible for you because it is I Myself Who now carries out what you ask for or what you want to do yourselves in strong faith in Me and My strength.... I Myself am love, and you must unite yourselves intimately with this love, which you will always do when you carry out works of love, when you only ever seek to show unselfish love to your neighbour, when you help where help is needed, when you assist your neighbour earthly and spiritually.... when you take care of his earthly and spiritual needs and thus serve him with love.... The blessing of such works of love flows back to you a thousand fold, and the feeling of a **living** faith is the most delicious thing you can gain through it, for then you will go through earthly life completely carefree, you will have intercourse with Me again as with your father at every hour, and there are no doubts or unsolvable problems for you, for in this living faith you leave everything to Me, your father of eternity, Who is constantly present in you and you can never feel abandoned because you know yourselves to be safe in Me.... And you will understand how extremely important it is that you practise love.... that you perform deeds of love which give you strength for

your way of life, that it constantly takes place in love and thereby you establish an ever closer bond with Me, your God and father of eternity.... Who created you out of His love. Anyone who has gained a living faith will now also safely walk the path of ascent, for since he knows that I Myself am present to him he will only walk in My company, Who will truly also lead him to the goal.... He can now also say with conviction: "I not only **believe** but I **know** that God is close to me...." For living faith will no longer allow any doubt, living faith will also no longer allow any weakness, for it **is** strength itself, because it cannot be thought of **without love** and love is the strength which now flows through him and enables him to do everything he wants out of his love.... And therefore he will also be able to accomplish every work of love if it benefits his fellow human being; he will also be able to heal the sick, for the love within him and firm faith give him the strength to do so, because the knowledge is now also within him when and whether an unusual activity on his neighbour is also a blessing.... Just try to gain living faith, which therefore requires loving activity, and you will truly do justice to your earthly task. You will mature in your soul, you will have Me Myself as your constant companion, for you unite with Me through love, and everything you do now you accomplish with Me.... And your earthly life will truly bring you perfection, for you should only shape yourselves into love, then you will also accomplish your soul's transformation, you will return to your original state again, and then you will be blissfully happy again and remain eternally....

Amen

Humility....

B.D. No. 5587

January 27th 1953

Approach God in all humility and He will lovingly draw close to you. Listen to the voice of your heart, don't become arrogant in spirit when His love becomes obvious to you but always remain humbly devoted to Him, then the measure of grace He pours out on you will be inexhaustible, then you will truly be His children who have found the path to the father's heart.... Humility must completely fill you, and even the greatest gift of love must not let you become arrogant, for it is only His greater than great love which bestows that gift upon you but not your worthiness. What is weak is lovingly regarded by God as soon as it recognizes its weakness and humbly withholds itself from eternal love.... Then it will truly be showered with an abundance of grace which will secure you a high ascent. And thus a simple explanation is given to you humans when and how God bestows His gifts of grace; information is given to you as to what alone is necessary in order to receive a richest measure of grace.... Humility is presented as the virtue which is looked upon by God with eyes of love, which moves Him to empty Himself, to distribute an abundance of grace which surely leads the human being to the aim, to the union of the child with the father.... Just as a child approaches the father in all humility, so the human being must also feel humble towards the eternal father. But where humility fades, God also withdraws His grace. Humility, however, demands nothing for itself; humility feels so infinitely small in the face of the divinity, which it certainly suspects but does not dare to address. True humility will only produce a slur, it will not be able to express itself with words, for it does not dare to address words to the highest being, Which can already destroy with a thought what It once created.... Humility is silent and only falls down before the face of God, pleading for His mercy.... Humility waits patiently until it is raised up by His benevolent hand. And where you humans recognize this humility, there the flow of grace also flows uninterruptedly into the heart, there God's presence is evident, there the connection from earth to heaven is created, there God inclines Himself to earth and fills the vessel with His grace which is held out to Him openly, the heart which humbly surrenders itself to God in the knowledge of its unworthiness and weakness.... (27.1.1953) For humility of heart is the soul's highest adornment, it opens, as it were, the gate to the spiritual kingdom, it opens the source of grace, for where humility is there is also love for God, Whom the soul acknowledges as a supra-holy being, Whom it hardly dares to look up to but Whom it strives towards, to Whom it would like to make itself entirely its own: The soul's humble devotion to its creator and father from eternity is the shortest path to Him, for a powerful wave of love and grace carries it over

all obstacles to the father's heart, Who graciously draws it to Himself because a humble soul is well pleasing to Him. True humility of heart need not be outwardly recognizable, rather it often hides behind an impenetrable nature, for true humility does not apply to people but to the God and creator from eternity, true humility does not venture forth, it walks silently, true humility does not dare to come forward, it walks quiet, solitary paths in modesty and never comes forward, it is without any self-love but always endeavours to make its fellow human beings aware of God's greatness and holiness, because it itself feels how small and miserable the human being is in comparison to His holiness. And it will find grace in abundance.... for its whole being is an abhorrence of the former sin of apostasy from God, Whom it would never ever want to offend and Who therefore grasps its will, which is fully turned towards Him, and draws the soul to Himself in the most ardent merciful love....

Amen

Devotion of the child to the father....

B.D. No. 7414

September 23rd 1959

If you adhere to Me like children, no harm can ever come to you, for My fatherly love watches over those who want to be My children. I only require your trusting remembrance, a devotion which only a child can muster who loves its father and also knows itself to be loved by Him. This child no longer knows any distance from Me, it comes very close to Me with its love, it firmly nestles against Me and is therefore also safely sheltered in My arms.... It feels this security and now knows neither fear nor worry, for it knows that I take care of the child, that it can hand itself over to Me in complete trust, that I satisfy all its needs and protect it against all attacks which the enemy repeatedly undertakes against My own. But he cannot reach them if they take refuge in Me in their adversity. And if a person can muster this trust in Me then he can truly travel his earthly path easily and safely, he will not have too many worries, he will always know Me by his side and also always turn his thoughts towards Me, which is always the best protection against enemy attacks, for the will which applies to Me gives Me the right to protect him from the enemy. But this requires a childlike trust, a devotion like that of a child which knows no inhibitions and is devoted to Me with all its soul. And again and again I can only say that a person full of love will always accomplish this devotion to Me, for love urges him towards Me, towards My heart, and love tears down all barriers which are still erected between the human being and Me, for where love exists I Myself come to meet the human being and draw him towards Me in return for love.... because love urges love. Become like the children.... The saying was not given to people in vain, for a right child relationship always testifies to love, and I am accessible to a person's love at all times, a person's love will always have power over Me, i.e., a loving child compels Me to reciprocate its love, and reciprocated love is equal to the fulfilment of every wish and request.... This is why a person who is filled with love will never make a wrong request, for his prayer is already fulfilled before he has voiced it, because I can never deny Myself love and give Myself away in excess. And therefore an intercession made with love is also extraordinarily effective.... Where love intercedes for a fellow human being there will truly be fulfilment, for right love also guarantees right prayer, right love knows what it can ask for and will therefore never make a wrong request. Love drives the child to the father, and the child is accepted full of love, for I only desire My children's love which makes Me Myself happy and also allows Me to give unlimited gifts, which is a blessing for My children.... And the right union with Me can only be found in this devoted love, where the child pushes towards the father of its own free will and the father draws it to His heart in order to make it eternally blissful....

Amen

Simply remain devoted to Me in love, then you will have nothing to fear, regardless of what will happen. And do not forget that I Am in control of your destiny, that everything that comes upon you is good. Do not forget that My love arranges your life such that it will benefit your higher development. Believe in My love, then you will also understand everything, you will patiently endure even the most difficult situation and confidently expect My help if life seems unbearable to you. After all, My love and My will only intend to bring about your perfection, and My wisdom knows the means and ways for you; therefore trust Me that I only have your spiritual well-being at heart and will not send you anything which would not benefit the latter. Become like little children, let yourselves be guided by Me without hesitation, always hoping and believing that I will not let you take the wrong path, even if the path is stony and laborious. Your soul will thank Me one day that I let you suffer during your life on earth. What is the short earthly life compared to eternity.... where glories await you which for you, as human beings, are beyond your imagination. Why do you despair if you believe in Me?..... I Am Love.... and love would truly not let you suffer if you did not need this suffering for your soul.... I let you suffer because I love you and want to help you, and because you will not find the path to Me by any other means. Your path is thorny and laborious, yet the wide passable path does not lead to Me, instead, it leads into My adversary's camp, and My love can never allow you to enter this path which will inevitably lead to disaster. Trust Me and willingly hand yourselves over to Me, take the cross upon you and appeal to Me to help you carry it; don't become disheartened and despondent but be glad that, through suffering, you become aware of My love which you shall recognise in all distress. Be patient and wait for My help which is certain to come if only you believe.... And if you are overcome by weakness, if you waver in faith, then pray.... Call upon Me for strength, send merely a thought up to Me and commend yourselves to My grace.... I will truly not leave you without comfort, I will strengthen you and your soul will rejoice. For it will feel My presence and experience the strength it receives from a heartfelt prayer to Me. For as long as you can enter into a dialogue with Me, you will not be lonely and forsaken, for I will always hear you and I Am constantly concerned that your soul shall mature as long as you still live on earth. And I will help you, even if your body does not feel this help.... My help applies to that which is immortal, because this immortal part belongs to Me and thus shall also attain Me. And so you should recognise My love at all times and humbly accept everything from My hand, be it joy or suffering.... Your adversity on earth can be called small compared to the adversity in the beyond, which I want to spare you by treating you harshly on earth. Be faithful and trust Me.... One day you will realise that I was only motivated by love to send such immense suffering upon the earth, that I made you learn the hard way in order to win you over for My kingdom, in order to help you gain eternal life in blissful happiness in this kingdom. As long as you are still burdened by earthly difficulties you do not recognise your Father's love completely, yet I call to you with comforting Words: Don't let go of your love for Me, so that My love will be able to take hold of you and compensate you a thousand fold for all earthly suffering and adversities.... Take refuge in Me, so that I can help you carry your suffering and don't despair, for your life on earth won't last forever.... I will finish it when your hour has come and call your soul to Me....

Amen

Strokes of fate.... The Father's love....

B.D. No. 6277

June 6th 1955

My care pursues you with never changing love, for I don't want your downfall but your happiness.... I want your salvation from darkness and your admission into light. This is why I will not throw you into misery and hardship for any other motive than to aid your ascent, because you still languish in darkness and cannot muster the strength to ascend on your own. But My methods and their effectiveness are unknown to you, and you are easily inclined to believe that I Am cruel.... Yet believe in My love and believe that My action is only ever motivated by love, that with every event I

only ever intend your beatitude.... Only I know the outcome of such events, only I know which path you would have followed without My strokes of fate.... and only I know when such a path will lead you astray. And what I then allow to happen to prevent it is only ever based on My love and will have beneficial results even if this seems incomprehensible to you humans.

Thus, the last days before the end urgently require painful interventions on My part, and they will repeat themselves many a time, My hand will increasingly have to solve problems and there will be much suffering and mourning, but souls will also be rescued, people will be evidently directed to the One Who holds everyone's fate in His hands.... even though they will then only fear Him since they will be unable to love Him.... but they will acknowledge Him, they will believe in a God and Controller of heaven and earth.... And this belief can show them the way forward if they are of good will.... My love belongs to the smallest creature and I alone safeguard all life so that one day it will enter the stage of free will and be able to fulfil its last task on earth.... But how much more will I look after those who have already reached this stage so that they do not regress and will not have walked their earthly path in vain....

But I also recognise the obstacles on every person's earthly path. And I know whether a human being will rise above this hurdle or whether he is in danger of failing.... And therefore I pursue him with My care and pull him back or continue to guide him onto another path.... But I will never want his downfall.... Besides, you should know that I Am always a considerate Father.... and that **My** Fatherly care is truly more valuable for the earthly human being than any person's care for his fellow human being....

You should always hold on to this when you doubtfully question yourselves as to how I can allow children to become orphans, families to be deprived of their provider, the most precious possession to be taken away from people.... **I** can give comfort to everyone, I can take all worries from them, and I Am a Father to all who are lonely and abandoned.... yet they have to find their way to Me.... And this is what I intend, that they establish a relationship with Me in utmost adversity.... For of what use are words which confess faith in Me if they are not turned into action, if people don't come to Me when earthly suffering threatens to depress them.... The living faith will be a true support for people.... but a dead faith will awaken one doubt after another about God's love and omnipotence.... And every human being is confronted by hours of intense hardship.... Then they shall take their path to Me and I will truly help them in their distress....

I Am the only One who can take but also give. And if you humans know this then you should also believe that I can **heal** the wounds I have inflicted on you for the sake of your beatitude.... believe firmly and without doubt that not everything you regard as good and useful will always lead to beatitude.... My ways are often different but they will certainly lead to the goal. Always come to Me in this belief, and you may then experience My love because you believe in Me....

Amen

Comforting words from the father....

B.D. No. 1850

March 17th 1941

Let the little children come to Me and do not hinder them.... Come to Me, all you who labour and are heavy laden, and I will give you rest.... Can I give you more assurance that you will not be lonely and forsaken than through these words of Mine? I am the father of the wise, the friend of the poor, the comforter of the afflicted and the defender of all who are oppressed.... Whoever takes refuge in Me can truly be relieved of every worry. And that is why you should come to Me in every adversity and present your concerns to Me, I want to be present always and everywhere where you need Me and My help, I want to guide you on all your paths towards Me, I want to turn away suffering and turn it into joy, and thus you will not be abandoned and helpless in the suffering that I allow to come upon you as a test. I desire your hearts, I want you to unite yourselves intimately with Me, I want you to be strengthened in your faith in Me and My love in the forthcoming time of adversity.... I want you to be

able to stand up for Me with full conviction, that you can represent Me before the whole world. I want My love to be revealed to you so that you feel Me close to you.... I want you to become calm in your suffering, that you devotedly and faithfully entrust yourselves to Me so that I can visibly work on you, so that you realize My power and strength, so that I live in your hearts, so that you commune with Me as with your brother, so that you do not fear but believe. For My love is greater than all adversity, My arm is stronger than danger, and what means great suffering for you will bring you a state of maturity which you can never reach otherwise. And so I call out to you: Believe, love and trust.... Become like little children who carelessly leave everything to the father because they know that His love only wants the best for His children.... And come to Me in all distress, I will help you, and you shall never call upon Me for help in vain, for I hear the prayer of those who recognize Me as their father and plead with Me in all distress....

Amen

God's help in every need....

B.D. No. 5945

April 30th 1954

There is no adversity so great that I cannot remedy it; and there is no enemy stronger than I.... Therefore, stand by My side and join Me in the battle against the one who threatens to destroy you, and don't be fickle for a second, so that you doubt Me that I will help you. For I am and will remain a saviour from all adversity for anyone who only wants to walk with Me. Whatever troubles you.... be it spiritual or earthly.... come to Me with it and don't try to cope with anything on your own, because in your weakness you won't be able to cope on your own, but you will soon become despondent and fall into ever greater adversity.... But if you turn to Me immediately without first having to deal with your oppressive worry then you will already be relieved of this worry, for whatever you faithfully entrust to Me I will also take care of for you, and truly, in such a way that you will obviously recognize My support. But what does 'full of faith' mean? You certainly come to Me but mostly only with a questioning and anxious heart.... you don't come to Me with the confidence to ask your **father** for something, Who will certainly not refuse you anything. The more confident you are, the less you doubt My will to help and My might, the more certain you are of My help, for I want your faith, because a strong faith also demonstrates the bond with Me and then the purpose of every adversity is also achieved, that you establish the connection with Me in all intimacy.... Call upon Me in times of need, come to the father like children and present all your needs to Him, and then wait for the help which will surely be granted to you if only you believe....

Amen

God's everlasting help to completion....

B.D. No. 8953

March 13th 1965

I know no other aim than to make you happy forever, and even if you have to go through suffering and tribulation on earth, everything serves to reshape you again into what you were in the beginning: perfect beings, but which have now become My 'children' of their own free will, with whom I can create and work in all bliss.... But since it concerns a state which no longer has an end, your earthly life is only a very short moment and therefore also all suffering and all tribulation is limited. And you will thank Me that I used all these means to form you so that you can enjoy eternal happiness, because you can now supply light even to the still imperfect; you can take part in the redemption of innumerable souls, which still cover the course over earth with the same aim to also reach perfection. And these souls all still have to feel great suffering and affliction; they still stand in the midst of the fight against the dark forces; they have not yet decided for Me, and that is why the hardship will become more and more violent, because mankind has mercy on Me, because it stands shortly before the end, and I still use all means to make the decision for Me easy for them.... Yet I will

only achieve little success with it, and yet I give all people the assurance that they will one day reach the aim, that I will not leave any soul in darkness for eternity, that it will one day return to Me.... Yet the souls themselves determine the length of time until their return.... For they are subject to the law of time and space, and they will remain subject to this law until they have perfected themselves, until time and space are eliminated for them.... until they can dwell where they want, and also past, present and future are no longer separate concepts for them. Then they will also only see the past as a moment; they will certainly be able to put themselves into it, but no longer feel pain; every event will be understandable to them, because they recognize it as means of My love and therefore sing praise and thanks to Me that I helped them to perfection. Then your earth life is truly only like a moment, measured in eternity.... But as man you are still equipped with the concept of time and space, which only stops with your perfection, because also this is the result of your fall to the deep, that you became limited in all sensations, however always only both to your own agony as also to the relief of earth existence, because only that could be imposed on you, what you are able to carry. But nevertheless, during earthly time you also have the opportunity to place all burdens on His shoulders, Who died for you and your guilt of sin on the cross.... if you hand yourselves over to Him, then everything will seem bearable to you, and you will patiently take everything upon yourselves and thus also reach the aim more easily.... to complete union with Me, Who then can also prepare bliss for you without measure. But as long as you yourselves prevent Me from it, by you not acknowledging Me and therefore deny Me as before every acknowledgment, you are also powerless, because My love cannot illuminate you, therefore you will also feel every suffering stronger; you will go through earth life in agony and tribulation or be supported by My opponent, who demands your soul for it. But suffering is a sign that I will not let you fall, that I wrestle for your soul because you do not yet want to accept My love.... which would also avert suffering for you.... Take it upon yourselves patiently, and know that I do everything to turn your looks towards Me, and take earth life only as a temporary test, which you have to pass.... It will pass, just as everything earthly is transient.... But if you emerge from this test purified, you will thank Me eternally for having saved you from a fall into the abyss, which will result in the endless long walk through earth's creation again....

Amen

"Cast all your worries on Me...."

B.D. No. 3568

October 5th 1945

And I say to you that it is truly better that you take refuge in Me in prayer than that you anxiously worry in order to cover the body's needs. For only I can give you what you need, and only My will is decisive as to how far your earthly worries will bring you success. But if you pray you determine this will to grant you help, and then it is the right care if you leave it to Me. You should indeed fulfil your duty on earth, you should take your office seriously and fill the place you have been placed in, but you should drop all anxious worry about the future, for can you secure it for yourselves? If My will is against it, you worry in vain, and if My will provides you with what you need, therefore make every effort to make this will of Mine inclined towards you through a pleasing way of life and unity with Me. Never forget that you have a loving father Who takes care of His children and only strives to be accepted as His child.... the father Who loves His children will never let them go empty-handed but will cover all their needs and try to provide a carefree existence for the children. And thus you, as My children, are always in the most faithful care, and spiritually and physically you will lack nothing. But you have to testify to your childship to Me by intimately praying to Me, your father from eternity. Do not worry anxiously but cast all your worries upon Me and My fatherly love will take them away from you according to your faith and your way of life. And therefore strive to live according to My will, and My will will be inclined towards you, My love will take over the care for your spiritual and earthly well-being, and you may carelessly hand yourselves over to Me.... But anyone who anxiously worries still belongs to the world, he does not yet recognize in Me the father to Whom he can take refuge in every adversity and danger; he still trusts too much in his own strength

and is therefore repeatedly exposed to disappointments and new hardships and worries until he remembers the one Who can take all his worries away, Who wants to express His fatherly love but wants to be approached for it in heartfelt prayer.... And therefore drop all earthly worries, you who want to be My children, and let Me take care of you.... Remember the soul, pay attention to its adversity and seek to remedy it.... And I will guide you through earthly hardship and danger so that you will feel the strength of faith and join Me ever more closely. For a strong faith is able to banish all adversity....

Amen

Soul food.... God's care for earthly needs....

B.D. No. 3637

December 26th 1945

The food of the soul shall be desired first, and to it shall be the desire of the heart.... and every earthly worry will become obsolete.... This is My condition which I set in order to be able to take care of you, in order to provide you with everything you need for the preservation of earthly life. I will gladly take care of you, yet you must also fulfil My will, you must make the salvation of your souls your first concern, for the sake of which I gave you earthly life. And your souls can only mature if you feed and water them, if you don't let them starve during your earthly life. The soul must receive spiritual nourishment because it is spiritual, and this nourishment is constantly offered to it through My word. Therefore, if you accept My word in order to nourish your souls it will be able to perfect itself; it will receive strength which will enable it to mature. And therefore you must first desire spiritual nourishment, you must long for My word and hungrily accept it within yourselves, and you will fulfil the condition I set and can look forward to every day without worry.... I cover all your needs in helpfulness which is also clearly recognizable to you. My concern is only for your soul, yet you must tackle the work on it. I cannot shape your soul into perfection but your free will must accomplish this. The maturing of the soul is the aim and purpose of your earthly existence, and I will always help you to reach the aim. And thus, if you seriously strive to become perfect, you can only use all care for your spiritual well-being, and I will relieve you of earthly worries, I will give you everything you need. For I rejoice over My children if they accept the nourishment from heaven offered to them in their desire for Me, if they open their hearts hungering and thirsting in order to let themselves be satisfied by Me. And I now provide for them abundantly, spiritually and earthly.... He who hungers shall be fed, he who thirsts shall be watered, I will sustain the body until it departs from earth, until it has fulfilled its purpose of enabling the soul to mature. Therefore, don't worry and be anxious but leave all earthly worries to Me, your father of eternity, Who will not let you go hungry if only you desire My word in your desire for Me, which is always offered to you if you hunger and thirst for it....

Amen

God's care for the human being....

B.D. No. 7540

March 6th 1960

First seek the kingdom of God.... For it is your task in life to find the contact with My kingdom so that this kingdom can receive you again one day when you leave the earth. This is, in fact, your only task, because everything else will sort itself out, if only you make an effort to do justice to this task. You were placed in this earthly world in order to look for the **spiritual** kingdom while you live in it.... But you were also given a glorious promise that you will be able to cope with this earthly world as well if you fulfil the condition of looking for the kingdom of God **first**.... In a manner of speaking, I promised you a reward which, by itself, should alone entice you to comply with My requirement, for as a result of My promise you are also spared the struggle for existence, the worry about your life, about your earthly life....

You need only take care of your soul's salvation, and I will take over the care for your physical well-being and sort out everything, which otherwise would demand a great deal of effort from you if you had to deal with it by yourselves. I will take over the care which earthly life demands of you as soon as you fulfil My requirement: to first strive for My kingdom and its justice.... i.e. if you completely hand yourselves over to Me because you recognise Me as your God and Creator, as your Father of eternity, because you recognise that true justice can only be found with Me, a life according to your soul's maturity, and because you realise that this is why you should seek Me and My kingdom, which will then certainly be opened for those of you who hand yourselves over to Me with complete trust in My justice.... You should only live in the right way with a view of acquiring My kingdom.... You should strive for heartfelt contact with Me....

However, don't look for Me in the world, for My kingdom is not of this world, therefore you must turn your thoughts heavenwards, away from the world and its enticements.... you must think of My kingdom, your true home, which you once abandoned and to which you should return again. And you will not regret it if you follow My advice to strive for this kingdom, for you will also be relieved of all earthly worries and problems at the same time, because I will take care of these on your behalf and, in every adversity, I will truly look after you. I will provide for you in an earthly way like a father for his children, I will give to you what you need in everyday life, and I will also provide you with an abundance of spiritual wealth, for as soon as you turn your eyes to Me and My kingdom you will also receive gifts of grace from there and your bond with Me will grow increasingly stronger, earthly life will no longer be a burden to you, you will have what you require.... physically and spiritually.... For then you will have escaped from the danger of succumbing to the world and its demands, of completely becoming enslaved by it and thus you will also have escaped from the lord of the world by completely consciously turning towards My kingdom which will now be granted to you. First seek the kingdom of God, all other things will be given to you.... This promise shall encourage you to look for the bond with Me and My kingdom, for as yet you are often held back by earthly worries, which you take more seriously than the worry for your soul.... But I promise you certain help, I take all your worries upon Me, providing you first look for Me and My kingdom.... Therefore you can live your earthly life completely without worry, if only you would always remember My promise.... However, only a few people take these Words seriously but they are released from all earthly burdens, for I Myself look after them, and I will lovingly look after every person who only ever strives to gain Me and My kingdom. And he will certainly reach the goal, he will find Me and unite with Me. He will not live his life on earth in vain, he will be admitted to My kingdom and be very happy....

Amen

Fatherly love.... God's guidance....

B.D. No. 3506

August 5th 1945

Why do you fear and tremble?.... Do I not take part in your fate by always promising you My help? Just place your complete trust in Me and let yourselves be guided, and My guidance is truly right. You can walk along comfortably by My hand, the father's love protects you and will not let you fall. Yet you must overcome small difficulties so that you will grasp the father's hand all the more firmly, so that you will not forget His guidance, detach yourselves and want to travel the path alone. For this is a danger for you. Therefore, don't shrink from the hardship which makes the path seem arduous to you every day, accept all obstacles with complete trust in My help and you will easily overcome them and be able to calmly go your way again. For I always and constantly accompany you as soon as you want to accept My company. And strength will flow over to you from My nearness, and thus you need not fear anything, whatever the world threatens you with. It is My will or My permission that people will still suffer great hardship for the sake of their souls which are still turned away from Me. But I lovingly take care of My own, even though they have to share in the suffering and hardship of the general public. Let Me take care of you and free your hearts from every care of the body.... And only remember your souls that they need not go hungry; stay united with Me, pray and

practice love, and you will never ever be without strength, for I will not forget My own, and I will hear and listen to every call to Me. And believe firmly and without doubt that nothing is impossible for Me and that I am closer to you than ever in the greatest adversity. But in My plan from eternity this adversity is intended, however, only as help for the lost souls which would otherwise get lost. But anyone who believes in Me, in My love and omnipotence, can let go of all worries, for as My child he will always be allowed to feel the loving father's hand which carefully looks after him on his path through life. People's spiritual low requires a time of adversity which is so drastic that it hardly seems bearable to people. And yet, you, who are My own, should not fear this time of adversity, for as long as you remain united with Me through heartfelt prayer and loving activity, through your will to live to please Me, you are also protected from the corrupting influence of the one who wants to bring you down. And thus the powers of darkness, which want to work through people, have little influence on you.... They can certainly frighten you but they cannot harm you because I stand before you and avert every harm from you.... unless it is necessary for your soul.... Therefore believe and trust, hold on to Me, and My fatherly hand will carefully guide you out of every danger....

Amen

The father leads His own by the hand....

B.D. No. 5283

December 28th 1951

You all walk by My hand, you who consciously seek Me and call upon Me for My love and mercy, you who want to work for Me, you who have joined together in spiritual striving, you who put Me before everything else, you who **want** Me to guide you.... Whoever holds My hand unfailingly goes right, for My path is the right one and My guidance truly certain. Yet your eyes must not wander or be directed towards the world from which I lead you away, for then you will loosen your bond with Me, then your hand will no longer cling so tightly to Mine, and then there is the danger that you will detach yourselves and stay behind, even if only for a short time, until you call for Me again and want to rejoin Me and My guidance.... When you walk in My company you hear My voice, you hear what I say to you, you greedily absorb My words into your hearts.... But if you detach yourselves from Me then the voice within you is only faintly audible, then sounds of the world sound in between, then earthly things are mixed with spiritual things and you yourselves can no longer separate them and don't know what I and what the world has spoken to you. Therefore it is a danger if you still allow yourselves to be tempted by the world, if you have not yet completely severed your ties with it. And I want to warn and admonish you against this, that you hold on to Me, that you cling to Me and that you only listen to what I advise you, that you only take in spiritual bread and close your ears to the sounds which the world shouts to you, which have no spiritual value, which only confuse you and dull your ear for the fine sound of My divine word of love, which all of you can hear who unite with Me. Whom I have placed in the world shall also prove himself in it, and he can also do so as soon as his love for Me is so strong that he always and constantly lets Me lead the way in everything he does in the world too.... Then I will also sharpen his spiritual ear so that he will nevertheless be able to hear Me, that the world will not be an obstacle for him to nevertheless hold on to My hand, that he will always let Me be present in whatever he does.... Then the world is no longer a danger for him, but it can be for him who is still tempted by the pleasures of the world.... For he is, as it were, squinting at the second lord, he has not yet completely renounced Him, otherwise the world could not be an incentive for him.... And therefore be vigilant, you My children, that you do not let go of the father's hand because you want to reach for something that enticingly comes before your eyes.... My adversary has many means by which he tries to separate you from Me.... And although he will no longer succeed, since you are willingly devoted to Me, your path can nevertheless be hindered at times, you can sink back, walk seemingly even paths and yet slide downwards until you realize it and then fearfully call upon Me for help.... I will not let you fall and always help you up again; but blessed is he who never ever lets go of My hand.... for he strides effortlessly upwards, because the path with Me is completely safe and leads to the aim....

The path to the father's house.... God's guidance....

B.D. No. 6418

December 5th 1955

All of you are guided who want to walk by My hand, who entrust yourselves to My guidance.... I must always take your own will into account, I cannot push you **against** your will onto a path which you consciously avoid, which you avoid because it does not seem pleasant to you.... I can only quietly urge you on but immediately yield to your resistance if it is recognizable to Me. But anyone who entrusts himself to My guidance can walk his earthly path without worry.... it leads to the aim.... Therefore you should not look anxiously at the many obstacles and difficulties, you should only ever firmly hold on to My hand and you will be guided past all difficulties with the certainty which only My guidance can offer you.... Therefore, don't look anxiously into the future either, don't worry unnecessarily, leave all earthly concerns and only lift your eyes up to Me. For I am always there for you, I will also keep all adversity away from you if only you trust Me faithfully, if you behave like children towards your father, if you don't leave My side and leave all care for yourselves to Me. Your faith will banish all danger, for I will not disappoint your complete trust in My loving care.... You are indeed still surrounded by deepest darkness because you stand in the midst of a world of sin and unkindness. But the path I lead you is illuminated by a gentle glow, and where I am, where you walk next to Me, there will always be light, and thus you need not fear the darkness, you need only turn your gaze upwards from where bright light will always shine for you.... The deepest darkness surrounds you.... but the fact that you can walk the path of light by My hand should make you gratefully remember the great work of love and mercy which I accomplished for you humans in order to be able to lead you out of darkness into light.... I have prepared the path on earth which you can now take by My hand, in My discipleship, under My guidance. Before there was deepest darkness and no way out of this darkness.... But I prepared a path that leads from the depth to the height, from darkness to light.... And this path can only be taken under My guidance, i.e. the human being has to believe in Me in Jesus Christ, he has to acknowledge the act of salvation and Me Myself as the divine redeemer Who embodied Himself in the man Jesus in order to help you rise from darkness into light.... So everyone who wants to walk the path upwards with Me must join Me in Jesus Christ.... Then he walks the same path that the man Jesus walked, which leads to the father, home to the father's house.... The path leading up will always require the company of Jesus Christ, because there is only one path, the path of Jesus' discipleship, and because this path alone is full of light and guarantees the right aim. But I will never let go of anyone who has once entrusted himself to Me, My hand will hold him so that he will not fall, My hand will support him if he is weak, and My hand will pull him back from the abyss which can open up to him if he is not careful, if he turns his eyes back to the world he had already detached himself from.... He who entrusts himself to Me and My guidance can walk his path calmly, he will not go astray.... You should not allow any weakness, any doubt, any worry to arise within you, for if you hand yourselves over to Me you will take refuge in the father's arms, Whose love will truly protect and look after you, Who will safely lead you heavenwards....

Amen

Childlike trust.... "Come unto Me, all of you...."

B.D. No. 0761

January 27th 1939

Become like children and thereby also acquire the right to be led by the hand like an underage child, and your path will truly be the right one. An unknown feeling of security will make life easier for you to bear, and if you trustingly abandon yourselves to the lord and saviour, you will want for nothing. For His words are sweet: "Come to Me, all you who labour and are heavy laden, and I will give you rest." If the lord Himself gives you this promise, you need only remember the lord in

your suffering and He will help you bear it, for He does not forsake His children. Take heed of these words, for you are still facing a difficult time on earth, and whoever does not then trustingly surrender to the divine saviour will have to struggle unspeakably hard. The right consolation at all times is His word, which He gave to the children of earth in love, and anyone who adheres to it will be wonderfully strengthened to endure the severe suffering on earth, for His word is both strength and fortitude for the anxious heart. And do not forget the prayer.... Offer all your worries and needs to the father in heaven, so that He may send you help at the right time. Whoever finds the way to the father will not knock in vain, and his request will always be granted if it is sent up to Him with all fervour. And if everything around you should waver, then stand firm and hold on to the word of the lord that He will protect His own in all dangers of body and soul....

'Come unto Me....'

B.D. No. 5508

October 15th 1952

All of you who labour and are heavily laden can take refuge in My arms.... For My love wants to embrace all of you and nobody who comes to Me in his distress and appeals to Me for help will be pushed back by Me.... I want to comfort and give strength, I want to heal wounds and fortify the weak, I want to awaken hope and confidence in all hearts, I want to bestow My blessings upon everyone, because no one's soul can recover without grace. 'Come unto Me, all ye that labour and are heavily laden.... I will give you rest....' However, someone who is weak in faith might well hear these Words but he will not accept them as being spoken to him too.... he will continue to carry his burden, which I would gladly take from him if he handed it over to Me. **Come** to Me.... your own will must impel you to Me, for I only placed the burden upon your shoulders so that you should find the path to Me.... Every adversity is a coaxing call from your heavenly Father Who, in His love, longs for your love, for your coming to Him, in order to be able to please you. And thus, psychological distress shall also lead you to Me, you should entrust everything to Me, for it is My will that you should let Me know what troubles you.... Admittedly, I know all your afflictions and problems, yet I can only help you when you present them to Me, because it is My will that you conduct yourselves like children to the Father, it is My will that you always take the path which all good children take.... the path to the Father Who, in His love, wants to relieve them from every worry and support them with help and advice in order to make them happy now and forever. Take refuge in My arms at all times, they will shield you protectively, carry you across cliffs and stony lanes, they will take loving care of you as long as you live on earth. Put your trust in Me always and forever, for I will push no-one away from Me, even if they are sinful.... I want to release you from sin and guilt, just come unto Me, all ye that labour and are heavily laden.... Call upon My mercy and I will answer your prayer, I will extend My hands to you to make your path to Me easy, for I want to help and heal you, I want to please the sick and weak who can no longer help themselves on their own, and you all shall recognise in Me the One Who has redeemed you because of His boundless love for you....

"Come all to Me...."

B.D. No. 7047

February 23rd 1958

In prayer you have an extremely effective remedy for every earthly and spiritual adversity, for a right prayer which is addressed to Me in spirit and in truth truly does not fail to have an effect. I cannot and will not close My ear to it, and I will use My power to help you even where earthly help seems impossible. But first you must enter into trust in Me, you must know that I am the father of all of you Who loves His children and does not want to leave them in hardship and suffering, even if these are necessary for your soul.... and you must know that there is nothing for Me which I cannot

change, and that there is also no illness which is impossible for Me to heal.... entrust yourselves to Me, present all your needs to Me in all childlikeness, speak to Me as a child speaks to its father, and be not faithless but believing.... You all don't yet know how to appreciate the power of prayer, otherwise you would truly be spared much adversity and suffering, because I gladly listen to the pleas of a child which comes to Me in all confidentiality and hands over its small cross to Me so that I may carry it for it. I have borne all your sins and died for them on the cross, I have suffered for you the suffering which your guilt of sin had burdened you with.... You could go through your earthly life without suffering if you wanted to unite with Me so intimately that all your burden would rest on My shoulders and that you would walk freely and light-heartedly along the path to the height.... But you all still keep yourselves too far away from Me, you don't come closer to Me in confidentiality, and therefore you yourselves often still feel the burden of the cross which, however, should only urge you towards Me because you should live in intimate communion with Me. But you can prove this intimate fellowship to Me in right prayer, I always hear and listen to a right prayer which is spoken to Me in confidence, for I have promised you this with the words: "Come to Me, all you who labour and are heavy laden, and I will give you rest" and "Ask and it shall be given you..." My promises are truth, and you will always be allowed to experience the proof of this if only you turn to Me in right prayer. But as soon as you doubt, your prayer will lose its effect of strength. And only rarely is your faith of such strength that all doubt is excluded.... Only rarely do you have the certainty that you will be helped when you pray, which only proves an undoubted faith. But you should know that My word is truth and that when I Myself speak to you.... you have to ward off all doubt, for you should believe that no thing is impossible with God.... always remember that everything you see only came into being through the strength of My will, remember that I let new creations arise at any time, which cannot be denied by people. And therefore also remember that it is truly possible for Me to restore the old order which is disturbed due to illnesses or other earthly circumstances which cause you humans problems. I can put everything back into order, and I will do so as soon as you approach Me with faithful trust, as soon as you come to the father like children and present your requests to Me. The grace of prayer is available to all of you, you can all make use of it, for I have said: "Come to Me, **all** of you...." but do not just speak words without spirit and life, call Me very close to you and then pour out your heart to Me and truly, you will be helped, I will not let your faith go to waste....

Amen

Dialogue with the Father... His Word from above....

B.D. No. 7441

October 30th 1959

You must withdraw into solitude if you want to speak to Me.... I merely require you to withdraw from the world and into your closet and then turn your thoughts to Me alone.... so that you mentally detach yourselves from the world and all its requirements, so that you give no room in your heart to anything but Me and so that you approach Me in a childlike manner in order to hear Me and My Words. I want a prayer in spirit and in truth.... which necessitates that you completely detach yourselves from all worldly thoughts, it necessitates listening within, a silent dialogue with your Father and an attentive ear within for what answer your Father might give you. Your words will not remain without reply, if only you listen for it.... if you truly desire a dialogue, so that you address Me and subsequently wait for what I have to say to you in response.... This private dialogue with My child is exceedingly pleasing to Me, after all, the child is opening its heart to Me so that I can provide it with an answer which is intended only for the benefit of its soul. Yet I can never do this in the midst of the world, when the human being is distracted in every way from heartfelt thoughts of his eternal Father.... He can certainly send a quick prayer up to Me even in the midst of the world, and he will be well advised if he tries as often as possible to send a short thought to Me and thereby remains in constant contact with Me.... But a right prayer in spirit and in truth, when he may distinctly receive My Fatherly love, can only take place in the closet of his heart, in silent retreat and the heartfelt devotion of the child to its Father.... Then peace will enter the person's heart and he can hold a heart-

to-heart talk with the Father.... and he will never regret spending any spare time in such silent dialogue, because I very gladly speak with My child and it will draw much benefit for its soul from every conversation.

Detaching himself from the world will often be difficult for a person, My adversary will hinder him from doing so in every possible way, time and again he will try to disturb or prevent it.... But the human being's will should be stronger and resist My adversary.... Then the person will receive strength and be able to accomplish his intention: to unite with Me in heartfelt prayer and to hear the Father's Words. Only an intimate bond like this will enable you humans to hear My Word from above through a fellow human being.... only a union in spirit and in truth makes it possible for My spirit to pour itself into an opened vessel.... And therefore, great blessings rest in this beginning, this intention of becoming receptive to Me and of allowing My flow of grace to pour into oneself. For countless souls participate in the transmission of My Word which also desire to hear the Father's voice and with heartfelt longing are waiting to be addressed by the Father.... You should all withdraw into solitude and listen.... And you may truly hear your Father's voice, it will sound to you like pleasing music, for that which comes from Me can only grant you happiness and blessing, that which comes from Me has to touch your souls like exquisite nourishment for which you long and which you will receive without limitation as soon as you desire it. Send a prayer up in spirit and in truth.... Lift your thoughts to Me and listen. And I will speak to you like a father speaks to his child, and your soul will cheer and rejoice at every Word that comes forth from the mouth of God....

Amen

Fully Trusting Prayer....

B.D. No. 8455

April 1st 1963

And if you get into earthly distress only a heartfelt call to Me will suffice and I will protect you and keep all adversity away from you, yet this call has to come from the heart and not just be a lip prayer, for a call from the heart is also the evidence of trust, it is proof of a living faith which I will fulfil at all times. How easily your earthly life could be covered by you if you were constantly in intimate contact with Me, always aware that you can entrust yourselves to your father and always be heard by Him.... My love for you is truly endless, and it also grants you everything that is helpful for your soul.... But you will also no longer request anything from Me which could harm you, for the intimate bond with Me also presupposes a certain spiritual maturity, your desire to be allowed to hand yourselves over to Me is also the guarantee that I can now act like a father towards his child, for you are no longer disobedient to Me, you have already passed the test of will which is the purpose of your earthly life.... It is the most beautiful awareness for you that you may feel like children who never ask the father in vain, and henceforth you will no longer walk any path alone, for I will be your constant companion because I want to protect you against every enemy, be he a danger to you on earth or in the spiritual kingdom.... Just give yourselves to Me in complete trust and your earthly path will be so easy for you that you will also reach the goal effortlessly. You are only weak for as long as you keep your distance from Me, and you have to fight for as long as you keep your distance from Me; but if you are united with Me through your heartfelt devotion to Me, through your will, your love and constant thoughts, then you will also feel strong and no longer fear any oppression. If you consider yourselves My children, you will also be cared for and looked after by Me as father. But you must not exclude Me from your thoughts, for then you will certainly be harassed by My adversary in many ways and I will not be able to help you, because you will have to consciously turn to Me in order to be allowed to experience My love and help as well.... However, an intimate bond with Me requires living faith, whereas a formal faith will only ever result in formal prayers which do not reach My ear, because I want to be called upon in spirit and in truth.... A living faith, in turn, demands a life of love, for a person can never believe alive who is without love, because without love he is also distant from Me, Who is the Eternal Love.... But I want to be close to you, so close that you will feel My presence, and then you will also speak to Me trustingly like children, and I can return your address, I can prove My

presence to you by granting your requests and by always binding you more firmly to Me.... For My bond of love will be eternally indissoluble, which now unites us for time and eternity. And you cannot measure the blessing you will receive from My presence but you will be able to hear Me, your Father will speak to you and you will recognize My voice and be happy because bright light will flood you at the same time.... For My ray of love, which now strikes you, must spread bright light and make you blissfully happy.... Just always seek closest contact with Me through heartfelt prayer, through the child's intimate dialogue with its father.... And your walk across earth will be easy and carefree, for the bond which you once voluntarily severed has now been restored in free will and can no longer be severed for ever.... But I look kindly upon My children, I no longer let them walk along without a guide, I avert all danger to body and soul, and I always draw My children closer to Me so that they can no longer abandon Me because they feel safe in My care. Entrust yourselves to Me, your Father, at all times and believe that My love will provide you with everything in order to please you, because then your soul will long for Me and I can now also provide for it spiritually and earthly and because My love constantly wants to give itself away and give happiness to all beings on earth and in the spiritual kingdom....

Peace of the soul....

B.D. No. 4864

March 26th 1950

Give us the peace of the soul.... Let this be your constant prayer, for this peace contains everything in itself, faith, love, strength and light. Only the right faith can give you peace, and only in love can you find it, because both are not separately what they should be. But if you have peace within you, you are also in knowledge, that is, in light, and out of this certainty you are also full of strength. Those who lack inner peace are unconsciously not satisfied with what they possess, yet they feel the longing for a state of light which they still miss. Such a soul, when it is still weak in love, seeks compensation for the light it lacks and is easily blinded by deceptive light. It seeks peace and still obtains it unjustifiably because it has not yet fulfilled the basic condition.... the transformation of itself into love. It can certainly also find a peace in which it feels happy, yet it is more of an anaesthetic, produced by the human being's intellect, but not the divine peace which lets the soul feel itself as the father's child. The feeling of being secure in the father's arms triggers a peace which is the most beautiful thing that can be striven for on earth. As soon as a person's right relationship with God, with his creator and father of eternity, has been established, his life on earth will also be a peaceful one despite events which approach the person from outside in a threatening manner. For the right relationship also guarantees a right faith in the father's help, and this firm confidence is already a sign of peace which makes the soul happy. These people are aware of God's presence and therefore remain unaffected by everything that approaches them, even if it forces them to assert themselves earthly or to fight against their enemies. Man will not lose the peace of the soul. Divine forces are at his side to hold and support him if it seems earthly that he would have to succumb. The world can no longer take away the peace of the soul, for it is the result of the intimate union with God through prayer and activity of love, which has also brought him the recognition of truth, and therefore a person who is knowledgeable no longer fears danger because he recognizes it and can meet it with the right weapons. For he always knows that he is not fighting alone but with God, Who is constantly present to him....

True peace only in God....

B.D. No. 6849

June 10th 1957

You will only find true inner peace when you have joined Me, when your thoughts and intentions are directed towards My kingdom, when you grant Me access into your hearts. I alone can give

you peace, for the world does not possess it and therefore cannot give it to you either. But it is something delicious to find true peace, for it is already a part of beatitude, it makes you immensely happy and is a sign that I Myself am in you.... You must find peace in God.... As long as you stay on earth your lot will be constant battle, because you will have to deal with the one who is your enemy and adversary. And he will not let you have peace unless you are completely at his beck and call, then you will seemingly have peace but it is more like self-deception, it is not a lasting peace, you are only blindly held by the one to whom you have granted the right to rule, and you do not see the dangers which surround you and therefore do not fight against them either. But whoever is **not** his, whoever is not yet completely enslaved to him, his life is a battle.... partly against him and partly against himself.... But he can emerge victorious from this battle, and then there is a peace in him which is incomparably blissful.... For then he will have found Me and I Myself will grant him the peace of his soul. But then nothing will frighten him anymore, neither earthly unrest and hardship nor spiritual danger, for he knows that One is watching in his place, he knows that I will no longer leave his side and that he is safe and secure in My protection. There is peace within him, a peace which can no longer be taken away from him.... But the people of the world are not interested in this peace, because they have to give up what the world offers and because they love the world more than the 'inner peace in God'.... Only when they have succeeded in overcoming matter, only when their eyes and thoughts turn to another realm, only when they have found the path to Me will they also desire peace from Me, but then they will no longer be able to understand that they took pleasure in the world, the battle **against** the world and its dangers will delight them, and then they will also emerge victorious and now also find the peace which the world could not offer them. Therefore it is truly not a bad exchange to have surrendered the pleasures of the world for the inner peace of heart. But only the overcomer can understand this, for as long as the world still entices and desires, true inner peace still counts for nothing to people. "But I will give you the peace which the world cannot give you....", and what I have promised you truly has value.... It is a gift you should strive for with all diligence. For I want your **soul** to be made happy, but not the body, which takes pleasure in things which are not helpful to the soul.... You should find peace of mind because then I Myself can dwell within you and My nearness will only ever benefit you, because then you will know that you are safe and need no longer fear the enemy of your souls....

Amen

Willingness to sacrifice.... royal reward - taking up residence with the lord....

B.D. No. 2466

September 6th 1942

Bring Me every sacrifice and I will reward you for your willingness to sacrifice.... You should not set your heart on what you possess on earth, but you should endeavour to free yourselves from any desire for it. You should free yourselves from everything that holds your senses captive, and the desire of your heart should be for Me alone, then a transformation will take place in you which you will find blissful, for I Myself will then take possession of your heart.... Your longing for Me will steadily increase and yet this longing will be blissful for you at the same time, for I will reciprocate by fulfilling it.... For as soon as you press towards Me, I take hold of you and draw you towards Me.... I love you, and you also experience My love as quiet, blissful contentment, as a feeling of secure security, as a feeling of awareness of strength and inner freedom. Love for Me makes you soft and devoted and yet also strong and free.... because I Myself unite with you, who have overcome every desire on earth and only desire Me alone. The longing of your heart shall belong to Me, I alone want to reign in it, and therefore you must surrender without hesitation what still entices you, i.e. what is still part of the world. You will truly exchange far more glorious things if you make sacrifices for My sake, for My love will compensate you for everything, My love will royally reward you for your sacrifice, for with My love I give Myself to you, and this for eternal times.... For once My love has taken possession of you, you remain inseparably united with Me, you have reached your goal on earth and I can bestow upon you the most precious gift.... you are allowed to hear My voice, you are

allowed to talk to Me all the time and always expect My answer.... you are in intimate union with Me, and this is unspeakably happy and blissful, and you will never again desire earthly possessions, you will never again long for the time of earthly fulfilment, you will only strive for spiritual possessions, you will only desire Me and My word, and My love is your highest fulfilment.... Therefore try to detach yourselves from the goods of this world, give up everything that still belongs to the world, call upon Me for help if you are too weak, and give Me your heart as My own so that I can take abode in it and remain with you for all eternity....

Amen

Unifying spirit - soul and body.... struggle against matter....

B.D. No. 4915

June 16th 1950

In the recognition of truth from God lies the greatest satisfaction and the most secure feeling of security at the father's heart. For anyone who has come to know God through the transmission of truth is already united with Him in spirit, and he feels part of Him and therefore free and untroubled according to the soul, even though the body is still earthly bound. Thus the human being can indeed still suffer according to the body but only if he does not listen to the soul's ideas, if the earth still burdens him from time to time and he tries to cope with it instead of consulting the soul, i.e. if he seriously turns away from worldly thoughts and seeks help in adversity from the soul, which then presents him with the groundlessness of earthly worry and only refers him to divine love, which always helps where help is faithfully expected. For the soul stands in recognition and can only not assert itself with its knowledge where the human being's thoughts are still directed outwards instead of inwards. The feeling of security occurs immediately when the human being seeks solitude and establishes contact with God, a contact which the soul certainly maintains at all times but of which the human being is not aware as long as his thoughts wander. But if he joins the soul then it can immediately impart to him the peace and tranquillity which it possesses itself through the realization of eternal truth. For the soul is one with the spirit in itself, which is part of the father-spirit from eternity. Where spirit and soul are already one, the human being is only in distress according to the body until he also joins the spirit and the soul. But since the human being is in the midst of life, he is constantly exposed to external pressures which, however, are only intended to spiritualize the body as far as possible, to consciously enter into the right relationship with matter, so that he does not become its slave but its master. The human being must not allow himself to be disturbed by things which are purely worldly, and therefore he must constantly struggle with it, which will always and constantly oppress him and which he should conquer by turning away from it, by turning his gaze upwards and making God the content of his thoughts. Then everything oppressive will leave him, then he will feel the power and strength of God and feel safe in His care, then all shadows of worldly worries will leave him.... then he will abandon himself to His love and grace and find peace in God.... Yet the truth must already have had an effect on him, he must have recognized God and love Him, because otherwise the soul would not be able to unite with the spirit and then the body would draw the soul into the earthly battle. This is why the human being's first aim is to live in truth, because only a correctly recognized being is aspired to and the conscious striving towards God results in the unification of spirit and soul....

Faith in God's presence.... light from eternity....

B.D. No. 7099

April 21st 1958

From every spiritual instruction you can gather that I want to give you light, that I want to guide your thinking correctly and make you willing to fulfil your earthly task.... For since you are without knowledge at the beginning of your embodiment as a human being, knowledge must therefore

also be made accessible to you, otherwise it would be unreasonable of Me to demand something from you which you could not possibly fulfil. Every person is given little knowledge but it is up to him to increase this knowledge, for **higher** knowledge can only be imparted to him under certain conditions. And this is already a sign that the human being is making an effort to fulfil his earthly task. But the brighter it becomes in him, the further he progresses in knowledge, the more he detaches himself from darkness, from the realm of My adversary, who flees a light because it proves Me Myself and My presence. You must therefore first be convinced that I am already present to you when light comes to you in the form of My word.... The conviction of My presence will then also determine your whole being, you will attain inner peace, you will not feel powerless, you will feel a sense of secure safety and thus no longer fear anything, irrespective of whether it approaches you from outside or from within, whether My adversary tries to oppress you through intermediaries or whether you yourselves are still occasionally afflicted by passions or weaknesses which trigger mental battles in you.... Unconditional faith in My presence restores your inner peace and also gives you the strength to resist temptations from outside.... And you should always have this unconditional faith who are taught by My spirit.... The light you receive should also let you recognize the 'light from eternity', Which so obviously reveals Itself to you. You could truly consider yourselves overjoyed by this evidence of My presence, you would not need to live through anxious hours, you would not need to doubt My everlasting loving care for you and for the help you ask for yourselves. For My presence should be such certain proof to you that you belong to My own who are in My constant care. But you still think too little of My 'presence' and yet you experience My working on and in you again every day, which is only possible if I can be present to you.... But you could still make far more use of My presence, for I only want you to make conscious contact with Me, that you thus fully consciously recognize Me Myself as working within you and that, out of this realization, you now also consort with Me confidentially, that you no longer live a separate life but constantly know Me next to you.... And this certainty will have a wonderful effect on you, you will radiate peace, serenity, a constant willingness to help will fill you, and you will no longer let yourselves be distracted by anything that happens around you and in the world. You absolutely have to let this blissful certainty arise in you, for only then will you also possess a living faith; all isolation from Me will be lifted, you will be My own again as you were in the beginning. Then you will also have become free from the power which has held you captive until now. And it should be easy for you in particular to be and remain aware of My presence, who are taught by Me and thus may experience a **visible evidence** of My love, which is possible through My presence. I can only address you when I Myself am in you.... You would never hear My voice without My presence, and thus My spirit would never be able to work in you either, which is nevertheless My share and will remain forever. "I will remain with you until the end of the world...." Could I promise you My presence more clearly than through these words of Mine? And when it becomes light in you, when you attain realization, then this is always the **evidence** of a bond between you and Me, which you certainly have to establish yourselves but which is then also so certain that you can establish the most intimate relationship with Me, your God and father from eternity.... Believe firmly and unshakably in My presence and you will experience for yourselves how much easier your earthly path now is.... For you need only entrust everything that moves you to Me and I will take care of it for you, because you believe in My help as well as you are able to believe in My presence. You would never be able to grasp this if I had not already given you a degree of realization, if some light had not already illuminated your soul, which just took its origin in Me Myself. And therefore it is impossible for a person in spiritual darkness to grasp the immense love of a God and father Who approaches people Himself in order to speak to them.... But where a small light is already kindled it can be intensified until finally all darkness disappears from the human being's heart because I Myself have taken abode in it.... because I Myself am therefore present to the person who has received a light from Me.... For I Myself am the light from eternity.... So where there is **light**, there must also irrevocably be **I Myself**.... and where I am there is no more cause for worry and suffering, for faith in My presence is also the surest guarantee that I Myself regulate everything in a way that is good and beneficial for the soul....

Amen

Purifying the heart....

B.D. No. 7367

May 19th 1959

I want to be the only ruler in My house, and therefore you should have discarded everything if you want to receive Me in your heart, for there may not be any space for the other one anymore, because I cannot dwell where he still resides. It is certainly a difficult task for you to completely purify your heart, to cast off all cravings, to fight against all faults and weaknesses and to prepare your heart for Me as an abode where everything is bright and clear and where I can subsequently stay in order to make you already happy on earth as well as one day in eternity. For My presence will result in this beatitude, My presence will not remain ineffective, My presence signifies for you the soul's increasing maturity, wisdom and strength to accomplish that which was previously impossible for you. When I Am within of you, you will no longer feel lonely and forsaken; you will know yourselves safe and secure at your Father's heart, that you will no longer be threatened by dangers, that My adversary will no longer be able to oppress you and that you are ever closer to your perfection, because your unity with Me is assured to you, which means everything to you. But first you will have to purify your hearts, you must do everything in your power to throw out the one who wants to possess you forever but who is your ruin. But I, too, want to take abode in you and possess you forever; however, I cannot share you with him, your heart must be entirely My possession, and this can only happen if your love belongs entirely to Me, and that means that you no longer desire or would like to possess anything else but Me alone....

Hence, all earthly craving must have been eradicated; you should not desire anything else but only to be your Father's child and to be able to communicate like children with your Father. And heartfelt contact also requires a heartfelt union, the child must be close to the Father, the Father must be with His child.... thus take abode in your hearts. You are unaware of the supreme bliss felt by the child when it feels utterly secure in the Father's arms, when it is no longer afraid, when it no longer needs to fear adversity, hardship or persecutions, when it has found peace within itself, which only heartfelt Fatherly love can bestow on the child. And all of you can attain this peace if only you are serious about purifying your heart so that you will be able to receive Me in it.... All anxiety will disappear, all restlessness will leave you, weaknesses and afflictions will be unknown to you, you will take your paths in strength and clarity because you will no longer walk alone but will live your earthly life in constant company with Me and thus your enemy.... My adversary.... will no longer be able to pressurise you either, since he will no longer find any crevice in which he could hide, for My presence in your heart has made it so bright that he is no longer able to hide anywhere, for he takes flight from the light and even more from My presence. Therefore, if you want to attain inner peace then you should merely allow Me to move into your heart and purify it from everything which might still prevent Me from entering.... And I want to help you with this work as soon as I perceive that you yearn for My presence.... Then I will grant you the strength to do everything in your power in order to make your heart worthy as an abode for Me, and I will gladly move in and remain with you forever, for I then will never leave My child again once it has completely handed itself over to Me....

Amen

The soul's change of abode.... Death of the body....

B.D. No. 6817

April 28th 1957

The soul's change of abode.... Death of the body.... The soul is your actual Self which is immortal, which merely changes its abode after the death of the body, which has concluded its earthly progress in order to continue maturing in other spheres if it does not stay in opposition to Me and thus descend into the abyss. Hence the thought that you don't have to fear death should make you very happy, that you will live although you have to leave this earth.... and that this life is far more pleasant

and joyful than earthly life as a human being could ever be. You should look forward with cheerful anticipation to the day when your external cover will be taken from your real Self, when all heaviness will fall away from you and you will be able to easily and light-heartedly lift yourselves up into your true home, which truly offers you inconceivable splendours. You should rejoice at the fact that there is no death for you because your soul will merely experience a change of abode which can make it infinitely happy....

Why do you therefore fear death or anticipate the end of your earthly life with unease? Why has death become a horror for you humans, why does it trigger in you a feeling of fear when, in reality, it is just a transition into another sphere after all? Because you unconsciously sense that you did not live your earthly life correctly, and because your soul is not acquiring the light which would take all its fear away.... For a person who complies with My commandments of love, who thus lives on earth in accordance with My will, has no fear of death but yearns to shed his earthly cover because he longs for his true home, because love has kindled a bright light in him and, looking ahead, he also knows himself to be near to Me, where no suffering and pain, no affliction can touch him, where he feels sheltered by My love.... All people could have this blissful certainty, that they will exchange a sorrowful and difficult existence for this feeling of security when they depart from this earth, if only they would live their earthly life with this aim in mind.... if they would always follow their inner voice which clearly informs them of My will.... if they would already on earth enter into the right relationship with Me, their God and Father of eternity. The thought that their existence ends with the body's death is already the best evidence that the person's way of life does not correspond to My will, for this idea comes from the opposing spirit's influence wanting to prevent people from gaining correct realisation and therefore also constantly increasing their desire to enjoy **earthly** existence to the full.... for these people do not believe in the immortality of their soul, they impose on it the same restrictions as is the fate of the external frame....

And thus they try to savour earthly life in every way, only ever considering their body but not their soul which, after physical death, has to accept a rather uncertain fate, which will be unable to experience the splendours of its true home, since due to its imperfect disposition it cannot find admission to the spheres where inconceivable beatitudes await it. Although it is still possible for the soul to detach itself from the abyss and enter into higher spheres, it nevertheless requires far more effort and exertion than on earth and will be impossible without help, yet even then the soul will have to muster its own will, which is far easier on earth. The Self cannot cease to exist but it creates its own fate of blissfulness or agony.... and only when people no longer consider their body as being 'alive' but learn to recognise the soul within the body as their actual Self, only when they learn to believe in the immortality of their soul, will they live more responsibly on earth and then no longer fear death either, which only concerns the earthly body but not its indwelling soul. Then they will live in accordance with His will and long for the hour when the soul will be allowed to leave its external cover in order to then enter the kingdom which is its true home....

Abodes in the Father's house.... Eternal home....

B.D. No. 3808

June 22nd 1946

And I will bring you into My Father's house.... So I have given you this promise you may be happy in the knowledge that one day you will enjoy the delights of eternal life as children of God, for My Word is truth and My promise will be fulfilled if you do My will.... All hardship will come to an end for you, every earthly worry will fall away, and in freedom of spirit, unbound by earthly matter, you will be allowed to dwell in those realms which belong to the kingdom of the blissful spirits and which are exceedingly glorious. On earth you cannot grasp the bliss which is granted to the souls in that kingdom, and yet you should believe My Word and live such that you will be able to move into the Father's heavenly abodes after your passing away on this earth.... the abodes

which the Father's love has prepared for His own and which will truly be the abode of those who have become My own through their will and a way of life in love.... Why then do you still worry about your physical well-being if you know that your earthly life is only a short transition to true life in eternity? Only use your earthly life to shape your souls correctly and your fate in the beyond will be incomparably blissful, for you will be given everything your heart desires.... But make sure that the heart's desire is not for the body, because it will pass away, but what remains eternally is only spiritual good, thus desire this with all your heart. Then your soul will dwell in exceedingly beautiful regions, it will move in creations which you would not be able to imagine on earth, and it will be in its home, in the Father's house, where the Father's closeness will make it eternally happy and His love will provide it with everything which will increase its bliss. For My love for you, My children on earth, is immense and I will prepare a blissful life for all of you if you return to Me of your own free will. For there are many abodes in My house and they are all waiting for you so that you can enter them and behold My glories which I have prepared for you. Live on earth with love and My love shall be bestowed upon you in the spiritual kingdom.... Give to your neighbor with love whatever he needs physically or spiritually, and My love shall give to you in the same measure, for as you measure out, so shall it be measured to you in My kingdom. And if you believe in My promise, then the short earthly life that you are still granted, will be bearable for you, despite all hardship, despite whatever is taken from you on earth.... I will consider you a thousand fold in My kingdom if you voluntarily give yourselves to Me and thus detach yourselves from matter in order to receive spiritual possessions.... For the time of your earthly misery is short, but your life in eternity lasts forever, and there will be no end to the bliss in My Father's house....

Amen

The Father's house and beatitude

B.D. No. 5617

March 9th 1953

You shall enter into My paternal house, you shall dwell in eternity where I once placed you to be most blissfully active. But then you will be able to behold your God and Father of eternity in Jesus Christ, I Myself will be amongst you and your bliss will be and remain without bounds, for in eternity the glory of My kingdom has no end. That which you can achieve on earth is so inconceivable and overwhelming that you would no longer strive for anything else on earth were you able to imagine this glory But you must strive for My kingdom without this knowledge, you must return to your Father's house of your own free will, because beatitude will only be your fate on condition that the being has voluntarily attained perfection. One day this beatitude is destined for you, nevertheless, it is left up to yourselves as to how long you still want to delay your home-coming into your Father's house, the time is determined by yourselves, and when your body dies it can already be over and have gained you perfection on this earth. I await all of you and have prepared the mansion for you Allow these Words of Mine to take effect in you, let yourselves be motivated to seriously strive towards coming to Me in My kingdom, imagine the most glorious fate and you will not come anywhere near the true idea of that which I have prepared for My Own, for those who love Me with all their heart and soul And you can attain all this by merely keeping My commandment of loving Me and your fellow human being Through unselfish love you shall shape yourselves such that you can be accepted into the spiritual kingdom with all its light without fading away. Then you will be able to enter into your Father's house, then I Myself will come to meet you and guide all of you towards the glories and in My presence, permeated by My love, you will be and remain indescribably happy for all eternity.

Amen

You have a powerful Helper by your side, and yet you still want to lose heart? You may approach Me in prayer at all times by merely using this grace and you will call Me to your side and you will assuredly receive support. Regardless of the danger you find yourselves in.... My power is greater and can banish every calamity in an instant. Bear this in mind if you are at risk of feeling anxious and fainthearted. Your Father in Heaven will not abandon you, in a crisis He is closer to you than ever as long as you consider yourselves His children and trustingly call upon Him for help. Time and again I assure you of My protection, time and again I lift you up through My Word, and time and again I impart upon you the strength to resist evil. And My love will embrace you more closely than ever if you suffer adversity of body and soul and take refuge in Me in full confidence that I will help you. You may always consider yourselves safe and secure when the world around you runs riot, when earthly measure frighten you and make you tremble.... Then you need simply stretch out your hand to Me so that I will guide you, and I will take you along a path that leads away from disaster.... For I will walk beside you, and the power of evil will truly not come close to Me. He avoids Me and chooses people who walk in darkness like himself and ignores those who walk by My side in the light and who are therefore out of reach for him. Believe and trust in Me and don't allow earthly adversities to get you down. Only pay attention to your souls and let Me worry about your earthly life.... and give Me the right to take care of you by totally handing your will over to Me. And your life on earth will be bearable for you.... For I Am always with you as long as you send your thoughts up to Me and desire to be in contact with Me. I will call My little sheep when I have found them, when they have returned to their shepherd, I will not let them go astray again, I will stay with all those who want to stay with Me and will never ever leave them again. So if I give you this assurance, why are you still worried? My Word is truth and will remain truth for all eternity. I always draw close to My children with all My love as soon as the slightest call reaches Me, and therefore you should always come to Me if you labour and are heavily laden.... My love is always willing to give, My love is always willing to help, I can help you and I want to help you, I only require your faith, your trust, so that My strength of love can take effect....

Amen
