The human being's task on earth.... Childship to God....

B.D. No. 5490

September 18th 1952

You humans are given a task on earth but you do not consider this and do not feel accountable as to whether you make correct use of your life on earth, that is, whether you live according to God's will. But you only have a short time and once you have finished your life on earth, you will have no opportunity anymore to accomplish your set task. With immense effort you can certainly still ascend in the kingdom of the beyond, yet you will never be able to attain what you could easily have attained on earth.... the childship to God, which makes you the most blissfully happy being in the spiritual kingdom. You can receive an excessive abundance of light on earth and, after physical death, enter the spiritual kingdom as beings of light; for God offers you such an extent of grace that you can lose all weakness and work full of strength, providing it is your will. Attaining the degree of light is not impossible for anyone, and the fact that it need not be difficult is Jesus Christ's gift of grace, Who acquired it for the human race on the cross. Thus anyone can request strength from Him, and every person calling upon Jesus Christ will irrevocably reach the goal. But which one of you humans lends his ear to the messengers of God when you are informed of this; which one of you humans strives consciously towards attaining childship to God on this earth? It only requires you to shape yourselves into love, for which the strength will be conveyed to you humans if you seriously want it and appeal to Jesus Christ for His support. Very little is expected of you humans but an incredible amount is offered to you and, yet, only a few strive for this degree which results in a life of supreme beatitude. You should become **children** of God, desire the Father with all your love, you should adapt yourselves to His fundamental nature, that is, become love as well. However, your nature is still governed by too much selfish love, and this only considers earthly life but not life after death. You don't ask yourselves

why you live on earth, you don't try to ascertain the reason, instead, you look at life as an end in itself when, in fact, it is merely the means to an end. For this reason you let your time on earth pass by unused, you use your vitality wrongly, i.e. you only use it to attain earthly possessions which are transient. But you do not think of your life after death, of the soul's intransience and one day will have to pay a bitter price when you realise that you have irretrievably lost something that you could easily have won.... However, God respects your will, He neither determines nor forces you, but He always warns and admonishes you. Through His servants on earth He constantly informs you of the purpose for your existence, He sends messengers to cross your path who shall proclaim His will, He confronts you Himself in the form of suffering and adversities and shows you the fleeting nature of earthly things.... He leaves no stone unturned in order to lead you into realisation, yet He allows you to keep your freedom of choice.... And precisely because of this you will have to justify yourselves to Him, for you **would be able** to reach your goal were you to use your will correctly....

Amen

Childship to God is the object of life on earth.... The Word of God....

B.D. No. 8367
December 31th 1962

The process across earth as a human being is a greater than great gift of grace from Me; after all, it offers you the opportunity to shape yourselves into a child of God, for you once came forth from Me as creatures of My will, My love and My strength.... You certainly possessed supreme perfection, because nothing imperfect could emerge from Me, even so, you were a mere product of My will which could not be any different from how I created it; yet I wanted children which were to create and work with Me in supreme beatitude.... You had to strive for and acquire this childship yourselves by totally accepting My will, even though you also had the freedom to think and want in complete contradiction to My will.... Thus you had to be put to the test; you had to prove your love for Me by not accepting any other will than Mine.... This test of will was demanded of you and you did not pass it.... You wanted you own way, despite the fact that you were brightly illuminated by the light of realisation.... However, you were not forced to think and want like Me and thus you misused this freedom of will.... You had once been self-aware beings, but after this wrong decision of will you lost your self-awareness because it had been My eternal plan that you nevertheless should one day create and work in the same will as Mine in supreme happiness.... You should be able to shape yourselves into children of Mine and this necessitated an infinitely long path of development from the deepest abyss, which you voluntarily strove for, to the highest peak.... Disintegrated into minute particles you travelled this path through all the creations on earth without self-awareness.... until you reached the degree of development in which you regained your self-awareness when you lived on earth as a human being in order to voluntarily make the right decision of will, but which will then also lead to your childship to God, which guarantees you supreme blissfulness. Making this right decision in earthly life as a human being will truly not be made too difficult for you because, since I Myself yearn for the return of My living creations as My children, I will help you in every possible way to reach the goal.... I just must always respect your free will, which has to accomplish this change into a child of God.

However, I shall do everything in My power to direct your will correctly.... I speak to you Myself, and this address has a truly powerful effect, it merely requires your free will again to listen to it.... My Word is the greatest gift of grace you may receive from Me, for you once rejected this Word when you separated yourselves from Me voluntarily, and it should only be given to you again in your state of perfection.... But I grant it to you as a gift, I provide you with an unmerited gift of grace and only expect your willingness to accept it. But then you can also be certain that you will attain the goal.... the childship to God.... For once you are willing and allow Me to speak to you, My Word has the effect that you are ready to fulfil My will and you try, even if you still have to struggle and fight because you are weak creatures as long as you still live on earth in an imperfect state.... Yet you can recognise My greater than great love which leaves no stone unturned in order to regain you as true children so that I can provide you with unlimited bliss.... And if My love for you is so strong, then it

will also help every individual living creation, it will not leave them to their own devices..... Only, it must not oppose Me again as in the past, and that happens when it refuses to listen to My Word, when it rebuffs My messengers or completely and indifferently ignores the greatest gift of grace which can be offered to him on earth.... In that case the being will lack the strength for its final ascent, and his life on earth as a human being will be pointless and can lead into the abyss again if the human being does not change before his death.... However, anything that can be done from My side for the salvation of such souls will indeed be done, for truly, I do not want its downfall, I want everyone to become blissfully happy....

Amen

Becoming God's 'children'.... Childship to God....

B.D. No. 7907

June 2nd 1961

At no time ever will I withdraw My love from you, even if you voluntarily stay away from Me.... One day you will return to Me again because My love will not abandon you. And I will always also give you the evidence of My love, I will take care of and provide for you when you live on earth as human beings, because I want to gain your love which will unite you with Me again as in the beginning. Thus you should never doubt **My love**.... But **your** love determines the **degree** of your proximity to Me, it solely depends on **your** love whether and when the unification with Me will take place. And you demonstrate your love to Me by the degree of your neighbourly love, which you should constantly increase if you want to become perfect. And that, in turn, necessitates that you completely relinquish your selfish love, that you strive to become engrossed in love for your neighbour, that you unselfishly help your neighbour.... Then you will come ever closer to Me, for with every deed of love you draw Me to yourselves, you ascend with every deed of love and establish the bond with the Eternal Love.... Then I can be in you Myself, My love will be able to permeate you as in the beginning, you will have become and will remain My children for all eternity....

And your purpose of earthly life is that you, who once came forth from Me as 'living creations', shape yourselves into 'children'. Since you took the path through the abyss and became completely devoid of love as a result of your past apostasy from Me, it is a difficult task to shape yourselves of your own free will into love again.

It requires a strong will which has to be put into action. The strength to do so repeatedly has to be acquired through love or requested from Me through heartfelt prayer.... Hence it is not enough just to make declarations of love to Me, but it also requires **deeds** of love in order to receive this strength, but then it also results in a steady move towards Me.

As soon as a person voluntarily opens his heart in order to allow himself to be illuminated by the strength of My love his heart will be ever more willing to love, and one day he will achieve his objective: he will attain the childship to God as soon as his life is an uninterrupted activity of love in utter unselfishness....

But only few will achieve this degree of love on earth, because a person's own Self still comes first, because it requires great effort for the human being to give up all wishes and longings for the sake of the next person; since the soul has to purify itself completely during its earthly life, and this requires a high degree of love and frequently a considerable measure of suffering too, so that the soul is entirely purged when it departs from this earth. Then they will have matured into true children of God and have already found unification with Me on earth, they will have shaped themselves of their own free will into 'children', which I could not **create** for Myself.... But anyone who seriously strives for this, who time and again in profound humility pleads for My blessing, who already feels like My child, will not slow down in his endeavour and reach his goal....

But he has to be filled by **love for Me**, not by the desire for utmost beatitude.... and his love for Me will then also constantly heighten the degree of neighbourly love.... However, he only **demonstrates** his love for Me through his neighbourly love.... I want to teach you all to become My children, and all

of you should also feel as if you were My children, otherwise you won't establish the right kind of relationship with your Father of eternity, from Whose love you emerged. You just should not forget that you are on earth in order to **become** My children, and that you therefore constantly have to make an effort.... But once you **are** My children then I can and will take you from earth, because then you will have achieved the goal for which I created everything.... utmost perfection in free will....

I repeatedly have to bring this difference home to you in order to motivate you into utmost striving, for as long as you walk across this earth My adversary also has an influence on you, and as long as My adversary can still influence you he will also know how to stop you from becoming completely engrossed in neighbourly love, because as long as unspiritual substances are still in you, your body still has earthly longings, your selfish love has not yet been entirely conquered, and the human being still has to fight against these. But completely rising above them also ensures him a high degree of love, and then the unity with Me can take place, then the Father will draw His child to Him and will never ever leave it again....

Amen

Knowledge about goal and purpose.... Childship to God....

B.D. No. 5222

September 29th 1951

You are destined to become children of God and can indeed reach that goal. However, are you humans at all aware of your goal, your purpose on this earth? And is it not your own fault that you don't know anything about it? Are you not living a way of life which cannot result in any kind of realisation for you? Are you not spiritually blind? And thus you seriously ought to ask yourselves why you are ignorant and I will give you the answer: You lack the love which guides you into realisation.... For love is the key to wisdom, love is the light which illuminates your spirit.... Love guides you into truth and, as soon as you live in love, the goal and your purpose will come clear to you. The knowledge of it can certainly also be conveyed to you if you live an earthly life without love.... It will also be conveyed to you in order to awaken your sense of responsibility, yet you will never believe what you are told even if it is the truth, because without love you lack the power of realisation.... This is why My Word, if it is preached to you, will remain unsuccessful and not be taken seriously by you until you become lovingly active of your own accord.... Consequently, love must be preached first and anyone taking this sermon to heart will grow in realisation and also be able to believe what he is taught. You are all destined to attain childship to God, to attain an exceedingly blissful state in an abundance of light and strength.... You are destined for this, but you can never be forcibly placed in this state by Me, because it requires your free will to become a true child of God, My image, which can create and shape like Me in blissful happiness. For this reason it is so extraordinarily difficult to persuade you humans without forcing your will to aspire towards this highest goal. This can only be achieved if you live in love, because then you will also know about your origin, your imperfect state and your ultimate goal, for then you will recognise what you had been, what you are now and what you shall become again.... You can create an inconceivably blissful state for yourselves if you live a life of love on earth. And therefore I send My disciples into the world again in order to preach love to people, for they have only a short time left in order to reach their goal on earth. My love constantly endeavours to lead people into realisation, but they must voluntarily, of their own accord, transform themselves into love. And blessed is he who ignites his indwelling spark of love, blessed is he who thereby comes closer to Me and can avail himself of My strength of love.... For he will reach his goal, he will make contact with Me and not rest until his spirit has united itself with the Father-Spirit of eternity, until his love has merged with the eternal love, until he has become and then remains My child for all eternity....

Amen

I cannot shape you according to My will, instead, you must accomplish the work of transforming your nature yourself, for the purpose and goal of My whole plan of creation rests upon the fact that My created works will shape themselves into My children, into divine beings of their own free will.... Each one of My living creations has so much strength that attaining the goal is certainly possible, yet the strength can also remain unused and not even My omnipotence can change that if I don't want to infringe against My law of eternal order Myself and enslave their will. You can, if you so want, shape yourselves into gods, into beings like Me, who, having completely merged with Me, are full of strength and yet think, want and act as blissful **individual beings**. You are **able** to do so, however, whether you **want** to do so must be your own choice.... Your intentions, thoughts and actions are entirely free in the state of imperfection but they can develop in **any** direction. Although the fact that you are entirely free can also result in your renewed fall into the abyss, it can nevertheless also procure you unlimited beatitudes which a bound will could never attain. You can fall abysmally low and lift yourselves to inconceivable heights, but at all times you are offered the support to hold on to or to make your ascent easier... I Myself Am always willing to be this support for you, I Am always willing to stop you when you are in danger of falling, and I Am always willing to pull you up when you appeal for My help. You are never defencelessly left at the mercy of danger, you are never so weak that you cannot appeal for help.... but this, in turn, requires your will again, and you must believe in Me if you want to request My help. However, this belief in Me is already the first change of your will.... Hence it also signifies assured help.... It is this faith I want to awaken in the beings which, embodied as human beings, don't use their will correctly, which constantly strive downwards and are in grave danger of falling into the abyss. A tiny spark of faith in a Power can stop their fall, and I try to make Myself known to people so that they will gain this faith. There is so much evidence of intervention by My power and love in every individual person's life, that every individual could easily win this faith by merely paying attention to these small proofs. Yet the human being's thinking is taking wrong paths and this, again, because he lives without love.... for he can only believe if his thinking is right, and he can only think right if his heart is willing to love.... Every person is indeed able to love, except that he himself is the goal of his love and this love of self has to be changed into love for one's neighbour first before the word 'love' is appropriate, which results in faith. The human being constantly lives in an environment where he can practise neighbourly love, yet he will never be forced to do so; even so, everything depends on whether he kindles love within himself and fans it into a bright flame.... Everything depends on it, realisation, faith, correct use of his will and eternal bliss.... However, he cannot be forced to love, he can only ever be admonished and encouraged; love must ignite itself in him and thereby effectively also accomplish his transformation of nature, as this is the purpose and goal of his earthly existence as well as the completion of My eternal plan of Salvation, which intends to deify what came forth from My hand as work of creation but shall attain the highest bliss which I **cannot give** but must be acquired by the being itself.

Amen

Childship to God.... Conditions....

Nothing else can gain you childship to God than living a life according to My will, a life of love, an assimilation and integration with the eternal order, which is based on love. Becoming My child with all the rights of the Father poses prerequisites on the living creation which, as a human being, shall acquire this privilege, and these prerequisites may be easily fulfilled but, on the other hand, may also be incredibly difficult.... I expect people to fulfil My commandments, the transformation of their nature into love, so that everyone coming into contact with the human being can recognise him as My child. This commandment of love **must** be fulfilled; otherwise assimilation with Me, Who is the eternal Love Itself, is impossible. Yet this always applies to the innermost stirring of the heart, for the layers surrounding the still struggling soul will dissolve or harden accordingly....

and this heartfelt stirring must emerge in the human being entirely without force, then it is valuable, both for oneself as well as for the needy brothers, which must feel true love in order to value its strength. Love is the only means of redemption, love is the only path leading to Me and love must be practised by every person who wants to become happy.... I cannot digress from this condition of Mine because contact with Me can only be established through love and because this connection belongs to the state of childship to God. One is the result of the other, therefore also the fact that love provides light and strength to the one who practices it unselfishly. But light and strength are likewise part of My fundamental nature, just as both were possessed by you, My living creations, when you were still in a state of perfection. You were full of light and strength as long as you were permeated by love, but you lost them when love subsided. All these things are separate concepts for you humans.... light, strength and bliss.... yet they inevitably belong together, and a life of love, a compliance with My commandments, will return everything that you once lost back to you. And you can receive huge riches again if you adapt yourselves to Me as the eternal Love, hence, if you become again what you were in the beginning.... My children, who can delight in bliss because an abundance of light and strength dwells in them. The childship to God is the highest degree of bliss My living creations can acquire. I certainly make demands on you but they are not impossible to fulfil because I Am constantly by your side with My love and grace, because I do not expect anything from you which is **beyond** your strength; instead, I always adjust My demands to your spiritual state. Yet, as soon as you live a life of love, everything will come easily to you because love itself is strength and thus you can constantly increase your strength. Besides, through love you draw Me Myself to you, you draw the Father and the Father draws you.... And you will reach your goal for certain, you will become My children and take complete possession of My heart.... And I will not resist you, since I long for My children, they are the product of My love and I want to prepare immeasurable beatitude for them for all eternity....

Amen

Blissful spiritual beings require process of development on earth for childship to God....

B.D. No. 3908
October 19th 1946

Even My perfectly created spiritual beings which loyally remained with Me must go through a process of development on earth as freely existing beings if they want to attain the highest degree of perfection, the childship, which elevates them to a complete likeness of God and which I therefore cannot give to them, instead they must acquire it for themselves. These spiritual beings are certainly already extremely happy in the state I created them in and in which they remained of their own free will even though they had the option to also distance themselves from Me and to descend like the other beings I had called into existence. They are most brightly enlightened, they have complete realisation and continuously only comply with My will, which also corresponds to their will. Nevertheless, they are perfect beings created by Me which must first shape themselves into My children, into beings which must first be subjected to every influence, both good and evil, and completely and freely choose the good influence in order to strive towards Me as self-determining spiritual beings and unite with Me. Only after this test of will, which must be taken on this earth, will the being I created have attained the highest degree of perfection.... As My child it will have united itself with the Father forever and attained a supreme abundance of light, strength and power, its love and wisdom will be profound.... it will have become like Me, My image, which is made infinitely happy by My Fatherly love and also fills My heart with delight because the love for these children of Mine is incomparable.... When a spiritual being, having remained faithful to Me, embodies itself on this earth, its earthly task simultaneously involves a mission that intends to save erring souls from profound spiritual adversity. The earthly paths of these souls are particularly hard to pass through; however, the soul begins its earthly trial in full awareness and accepts any fate once it is willing to thereby attain the degree of childship to God.

Nevertheless, taking the test on earth is not determined by God, instead, even this desire must arise of its own free will and impel the light being revelling in absolute beatitude to exchange this bliss with

a short but, on account of its mission unaware soul, incredibly arduous earthly existence.... Although it is granted every conceivable help on earth by the beings of light, they must also observe its freedom of will or it will be impossible for the soul to advance. Such an earthly test requires immense willpower, for worldly temptations will influence this soul especially strongly and it will have to fight many a battle in order to prevail over matter, yet a complete descent into the control by matter need not be feared, because its longing for the kingdom it had left is stronger than the longing for matter, even though on earth it is not aware of its true home. For this reason beings of light can support it constantly and grant it every help to attain its goal on earth. During the last days before the end many beings of light are embodied on earth, after all, this time is particularly advantageous for their higher development, for taking their test of earthly life, because people require spiritual leaders and they are mainly entrusted with this ministry as their mission. These spiritual beings must absolve a strict school of life, as due to their psychological abilities they carry far more responsibility for their souls, they must equally struggle and fight against all kinds of cravings and their life is full of renunciations and sacrifices. Nevertheless, they do not experience them as painfully once their aspiration for ascent comes to the fore, which can already commence at a very early age but can also only start at an advanced age; for freedom of will determines their path of life until their physical death, which for many active beings of light during the last days on earth coincides with the final end....

Amen

Do 'non-fallen' spirits attain childship to God?....

B.D. No. 8793a

March 29th 1964

You will receive an answer to every question in order to disprove every misguided point of view, so that you will not remain ignorant when you desire the correct information: The deification of My created beings is the goal I set Myself with My Creation and which I will certainly achieve one day. Everything that came forth from Me was supremely perfect, the beings I externalised as independent beings were like Me, they were images of Myself.... Nevertheless, they were only ever **My creations**.... which were **unable** to be any different than I had created them. They were My living creations.... But I wanted to have children next to Me. For this reason I released them from My will when they were to prove their will as to whether they would retain their perfection despite the option of turning it in the opposite direction. This passed test of will also subsequently presumed that the being was subject to all temptations which it had to resist, for all strength requires the resistance upon which it can prove itself. Understand this correctly: each being was confronted by temptation because it possessed free will which was able to choose either direction. Thus the first being.... Lucifer, the bearer of light.... which My greater than great love had externalised, was the **first** which was supposed to provide Me with the proof that it **wanted to keep** the supreme perfection it was granted. It was so exceptionally permeated by My strength of love that it revelled in absolute bliss and thus used the constantly inflowing strength for the creation of equal beings because, in its perfection, it was able to be just as creatively active as I Am.... And this process of creating beings lasted for eternities.... they were therefore always 'living creations' which could not possibly be anything but supremely perfect.... Then I expected My first-created being, Lucifer, merely to acknowledge Me Myself as the source of strength.... thus I expected of him to present Me to his created beings as the **One** from Whom he himself had also emerged.... But since he had free will, it was also **possible** for him to ignore My will, which he did by presenting himself to the beings as the highest being, because they were unable to behold Me but he was visible to them in all his glory.... Thus he did **not** pass the test of will and confronted the created beings as a tempter.... He tried to influence their will to likewise be in opposition to Me: **And he was very successful**.... For many of these beings, despite their abundance of light, despite utmost realisation, acknowledged him as the Lord of eternity and renounced Me.... precisely because I was **not** visible to them. And these apostatised beings, having fallen into the deepest abyss of their own choice, must first reach higher spheres again, they must try to deify themselves of their own free will, which is indeed possible with My help. Once they have reached this

goal they will have become God's **children**, perfect beings, who aspired to and achieved this perfection themselves.

But a large proportion of originally created spirits also remained loyal to Me, they resisted all temptations by Lucifer; thus, they passed their test of will when they had to decide **whom** they should choose as their Lord. So what is **their** situation in regards to the childship to God? You must know that these beings enjoy utmost bliss, for they did not forfeit their perfection and are constantly permeated by My strength of love, which makes them incredibly happy.... But on account of their perfection they are also knowledgeable; they know My plan of Salvation, the wretchedness of the fallen original spirits is evident to them and their love is so great that they also take part in the work of redemption in order to advance the return of the once fallen spirits. This redemptive work, however, requires eternities.... which you humans are incapable of estimating.... And time and again the original spirits in the stage of a human being are in need of active help, for although they shelter the divine spark of love within themselves which enables their return, they are so weak that they require assistance. This is granted to them by those beings of light which embody themselves on earth for this very purpose and therefore also take the path through the abyss where they are subjected to all temptations and consciously pass their test of will, which lets them become a child so that it can create and work completely **freely next** to Me and not only work according to **My** will.... even though these non-fallen spirits are also granted unlimited bliss. It is the **immense number** of fallen beings which requires eternities until the goal is reached.... Consequently, there are also endless opportunities for the beings of light, having remained faithful to Me, to achieve the childship to God through overcoming the abyss they voluntarily enter for the salvation of the originals spirits, and this signifies constantly higher levels of beatitude for the original spirit which once remained faithful to Me.... For no limitation exists for Me, and thus I can and will make My children happy to an inconceivable degree A countless number of original spirits have already offered to take the path across earth, who mainly had the **salvation** of their fallen brothers at heart; hence they did not embody themselves on earth for selfish reasons.... they did **not** walk through the abyss for the sake of the 'childship to God' but nevertheless attained this childship to God and returned to Me as My children. The only advantage the beings which remained faithful to Me have over their fallen brothers is the fact they will never need to take the path through the creations of earth and that they will never fail in earthly life either, that they must certainly resist all temptations but that they will always have much strength at their disposal, because love is within them and they will not relinquish it during their life on earth.

However, the people in whom such original spirits are embodied are unaware of it and often have to travel very difficult earthly paths. They fight and serve and reach their goal with certainty the complete unification with Me on earth which, although it was not interrupted, must nevertheless be sincerely aspired to by every person, because it is and will remain the **goal**, because the right decision of will of **every** being is to profess Me freely. All of My 'created' beings will be My 'children' one day, for a concept of time does not exist for Me, even if eternities will still pass by.... I will definitely achieve what I have set Myself as a goal. Nevertheless, you humans should not believe that these beings which remained with Me can be called less happy, for their will is already so inclined that their love for Me is exceedingly powerful and constantly growing, and I reward this loyalty to Me accordingly, but neither will I deny them the bliss which is guaranteed to them through the childship to God.... The whole sequence of events from the very beginning and for all eternity happens in lawful order.... I cannot proceed contrary to My eternal order.... Once I have designed a plan it will be carried out because My will is irrevocable....

Amen

Do 'non-fallen' spirits attain childship to God?....

B.D. No. 8793b

March 30th 1964

(Supplement regarding B.D. 8793a)

The beings which were once emanated by Me carried My will as long as they were connected to Me with a heartfelt bond of love, as long as I was able to permeate them with My love and thus no other will but My own was able to be in them, that is, their will and thoughts concurred with My will and thoughts. And yet the beings had free will, precisely because they were created by Me and were profoundly perfect beings that had the same will as Me in them without having been under duress. Hence they had free will from the start but it was not different from Mine.... And this similarity of will lasted for eternities, since it was not possible to disturb this similarity of their will with Mine as long as these beings were permeated by My flow of love.... Only when Lucifer, the first-created original spirit, used his faculty of thought wrongly, when he no longer accepted My Word flowing to him with a craving for love and thereby slightly weakened the flow of My strength of love, did the free will in him begin to express itself without being prevented by Me, and only when he began to reject My strength of love increasingly stronger was it possible to speak of an expression of his free will which, until then, had completely concurred with My will despite it being free. At that time My first-created image had to make a free decision, because I only expected the test of will of him when his will started to deviate from Mine because he rejected the flow of My love's strength.... And the same happened with all beings which our mutual strength of love created.... which then again were prompted by Lucifer to express their will, which was free and likewise concurred with Mine for as long as they received My flow of love unimpeded. They, too, began to misuse their thinking ability and associate more with Lucifer's will, and I did not prevent their free will for I wanted them to openly test their will as to with **whom** they wanted to stay. Thus free will only became active when the beings closed themselves to My love, because before this their will, despite being free, completely concurred with the One from Whom they emerged.

The being therefore only proved its freedom of will when it rebelled against Me, since prior to that its great love prevented it from wilfully opposing Me, for love will always share the **same will as Mine**.... It has to be said that every living creation is undeniably in possession of free will as a divine attribute because it was in My image.... but it had not used this free will for eternities because it was completely as one with Me and continuously stayed within the circuit of My flow of love, which meant that it did not leave the eternal order.... Only Lucifer's change of thinking led to a change of his will, and I gave free reign to both his wrong thoughts as well as his wrong will, which.... after an infinitely long time.... affected his created beings increasingly more and thus the will divided and 'free will' openly manifested itself.... Therefore, when it is said that the beings were **unable** to want differently than was My will, then it required the state in the beginning when they only accepted **My** will because of their exceedingly great love for Me and as a consequence of My overwhelmingly powerful emanation of love.... A different will than My own was not possible in this state, nevertheless, in the beginning the beings were not subject to a state of coercion, instead I only externalised each being as proof of supreme perfection. However, the fact that Lucifer and a large proportion of his followers had fallen and experienced immense wretchedness, made becoming a **child** of God possible.... It is just that the being had to go through the deepest abyss and wage such an immense battle on its path of return to Me that it thereby acquired the right of a child.... whereas the non-fallen beings enjoy uninterrupted heavenly bliss and yet are not excluded from equally striving for and attaining the childship to God; all the same, I truly know what I bestow upon My living creations and which paths they must take in order to reach the highest goal.... Nevertheless, it is always the unification with Me which leads to their greatest bliss, and I Am so close to My children that they are able to feel Me and yet so far away that they will **constantly** strive towards Me and time and again may receive My illumination of love as evidence of My presence....

Amen

True church service requires a Father-child relationship....

B.D. No. 8673

November 14th 1963

Many people believe that they think and act religiously, but they lack the right attitude towards Me.... They certainly think of Me as their God and Creator, but not as their Father, and thus

they do not establish the relationship of a child to its father. As a result they will not confide in Me in prayer either, they only see the distant almighty God in Me to Whom they are subjected as human beings, and Whom they rather fear than love.... because they are still unable to recognise My true nature.

And again it has to be explained that the degree of a person's love determines his correct attitude towards Me.... that love will recognise the Father, Who is love Himself, and that the human being will then strive for Me with love and call to Me as My child. Only then can one speak of a person's 'religious' way of life, because this way of life will lead back to Me for sure. But as long I Am still a person's distant God and Creator Who, due to His might, will have to be feared, there is little prospect that the person will approach Me with love. He will merely fulfil, as a matter of formality, things which are demanded of him by his church. He is only motivated by his upbringing to conduct himself accordingly but this will not guarantee a change of his inner being, which is the purpose and goal of earthly life.

Consequently, if you humans experience heavy strokes of fate they are only intended to make you come alive, to forego mere formality and start thinking more about God, Who created you.... to start pondering why you are living on earth, and then voluntarily surrender yourselves to the power to Which you owe your life: because your indifferent attitude about Me will not result in your spiritual advancement.... However, if you seriously want to know what your God and Creator requires of you during your earthly life you are certain to find out. First of all you should ponder the nature of your God and Creator, and the urge to act with love will be aroused in you.... because this is My voice with which I Am speaking to your conscience and initially making Myself known to you.

By following the voice of your conscience you will come closer to Me, and then you will also establish the kind of connection with Me which corresponds to the relationship between a child and its father.... My gentle voice will always direct you towards actions of love which will bring you the light of knowledge and with it an understanding of My nature, Which is Love Itself.... Then you will leave 'empty formalities' behind and become alive in your essence and actions. You will no longer perform formal acts but begin to lead a second life next to your earthly life.... You will have set out on the spiritual path, since due to your new life of love you will be inwardly driven towards Me.

And thus you know that everything which tends towards love, is taught by love and is the activity of love, is good and acceptable to Me. For love is the indicator of truth and also the indicator of a person's spiritual maturity who, as My representative, wants to lead his fellow human beings to Me. As long as he has no love himself, his 'preaching' will be without strength too; it will be a formal, lifeless service without benefit to anyone because I Myself Am distant from him, since only idle words are spoken which can never reach My ear. Only the close relationship with Me established through love will make your thinking, willing and actions come alive. Only then will you come to life yourselves, because as long as you are without love you are still dead.

And thus, taking part in a 'church service' is always just an external formality, and there can be no question of My presence as long as you humans only believe in a God and Creator but do not find the right attitude towards Me.... First you have to come to the Father as children and trustingly talk to Me, only then can you be sure that I Am close to you. And then your faith will also have come alive, because a 'child' will always endeavour to fulfil its Father's will. It will no longer just comply with external formalities but desire My presence with all its heart, which it will certainly also receive.

I only want you to come alive, to abandon useless habits and customs which you were taught to observe, but which are and remain completely worthless for your soul. You will only be able to love Me when you recognise Me as a Father, and only then will you fulfil the purpose of your life on earth.... Only then can you mature, which is always achieved by love alone....

Amen

Earth, as a place for further spiritual education, has been chosen to shape people into the purest beings of light, into children of God, who can attain the highest degree of happiness and the beholding of God. The achievement of this degree is only possible on this earth. Although other works of creation are equally destined for the maturing of spiritual beings which are not perfect as yet, and their degree of maturity can still constantly be increased, the degree of childship to God can nevertheless only be attained by the soul on earth, on account of which people are also confronted by the full gravity of earthly life, and this is even harder the closer the soul is to its goal. The soul must be able to leave the earth in a totally purified state, spiritually reborn and in most heartfelt union with God. It must experience every trial, it must work and create with profound love for God and its fellow human beings, it must have surmounted all worldliness in order to enter the spiritual kingdom free and unburdened. Only a few people depart from this earth as perfected beings of light, and only a few people can behold God straight after their life on earth, for only a few become victorious over matter, because earthly life always and forever makes its demands on people and this is one of the most powerful temptations which approaches a person. Time and again people must try to liberate themselves; time and again spiritual life must come to the fore, and every thought must be directed upwards. In order to attain the childship to God, God's grace must be able to be especially effective on people, a person must make constant use of the grace flowing to him without measure; he must accept everything that contributes towards purifying the soul, he must experience all suffering as grace and be grateful to God that His love has destined him for higher spheres and wants to draw him to Himself. Not many people can achieve such a high degree of maturity that God can send them even the harshest suffering without becoming disheartened.... These few, however, are blessed, even if their earthly life seems most difficult to bear for them.... Their marriage with God is the most beautiful reward awaiting such souls at their death, and for the sake of this the soul will patiently wait until its earthly end comes. All burdens and troubles, all suffering and sorrow seem small once it is released from its earthly cover, once it is able to behold God and has become the most blissfully happy being in the spiritual kingdom.... once it comes into its inheritance of the Father as God's child and works with Him in His will.

Amen

Childship to God.... Tremendous suffering on Earth....

In order to gain childship on earth the human being must shape himself into love and thereby enable himself to already establish union with God on earth, so that he will enter the spheres of light in a completely mature state when he passes away from earth. Hence his soul must have become so purified through kind-hearted activity that God Himself can take abode in it and his spirit unites with the Father-spirit. In that case the human being will have fulfilled his task on earth completely and achieved his goal and, as a being of light, will have found entry into the spiritual realm, where it will subsequently create and work. However, this degree of maturity necessitates a complete renunciation of material possessions.... This fusion with the eternal Deity is impossible as long as a person still clings to matter, since his heart is not entirely cleansed from cravings and therefore not yet prepared for the acceptance of the divine spirit. Then the human being will have to accept much suffering in order to accomplish the soul's final refinement, and therefore much suffering will be imposed upon extremely benevolent and devout people so that the soul's refinement can take place. Where people are burdened by particularly harsh suffering and nevertheless profound faith is displayed, the soul might have chosen a particularly difficult life for itself in order to attain the final goal on earth, the childship to God. This goal must be aspired to and reached on earth and will always necessitate the most arduous living conditions, because the soul must enter the kingdom of the beyond completely pure and unadulterated and this calls for a particularly effective process of purification. Suffering is always the means of help in order to attain the spiritual goal.... It shall lead towards God if the soul is still

disinclined towards God, or it shall purify and crystallise the soul, so that it can come close to God as the purest being in order to be able to enter into the most blissful union with Him. Suffering and love must always work together towards deifying a person on earth; consequently, a loving human being should not fear suffering but humbly take it upon himself bearing in mind the high goal he can reach on earth, for he has chosen his earthly path himself in realisation that it will help him attain highest maturity if his will does not offer resistance.

Nevertheless, the delights of the childship to God make up for all suffering in earthly life a thousand fold. And the time on earth is short, it is like a moment in the span of eternity... And as soon as a person is profoundly faithful he also can always receive the strength from God to endure everything that is imposed upon him, for then he will send his heartfelt prayer to God and God Himself will give him strength and make him a conqueror of life on earth... God Himself will fetch His child if it has passed its test of earthly life and departs from earth as a pure being... But his life on earth will always be characterised by love and suffering, because without it the soul will not be totally purified for admitting God into the human being's heart. This heartfelt bond with God must already take place on earth, otherwise the soul will not stand firm against the temptations of the world nor would it achieve total purification through suffering because it would lack the strength to bear the latter without complaining, and all grumbling or resisting still indicates a lack of complete submission to God's will. However, the soul must become as one with God... It must have the most intimate bond with Him, it must want the suffering itself and also gratefully accept it as a gift from God in realisation that it pulls down the last barriers between God and itself and that only an overcoming of them will result in the highest bliss... to become a child of God with all rights and duties... This is every person's goal on earth but only a few attain it. Only a few are in such intimate contact with God through love that even in suffering they recognise His greater than great Fatherly love which would provide them with the most blissful fate in eternity... Their fate on earth is not an enviable one, yet in the kingdom of the beyond they occupy the highest level... They are in God's immediate vicinity and therefore indescribably happy, for they can act independently according to their will, which is also always God's will... They can create and shape and, time and again, contribute towards the redemption of that which, still being distant from God, requires the most varied creations in order to advance their development. And this is the most blissful fate which fully compensates and makes up for the suffering of earthly life and should therefore be all people's goal on earth...

Amen

Severe suffering can result in childship to God...

B.D. No. 8980

May 23rd 1965

You have been told several times already that you can only attain childship to God if you surrender to Me with love and also humbly bear the sorrow which you have to experience in order to purge the soul from all impurities, so that, on entering the kingdom of the beyond, you can be completely permeated by My light of love, for every ailment, every suffering the human soul still has to endure on earth dissolves the layers, and then the full light ray of My love can touch the soul, because it has relinquished all resistance...

Therefore, don't be discouraged by a difficult earthly life but believe that it will be a blessing for you which fully offsets all suffering, and be patient, for the reward will be greater than great and the time of the human being's suffering on earth is but short compared to the glorious fate awaiting the soul throughout all eternity. This is why you should gladly accept a life of suffering; you should know that such an earthly life is imposed on you by My immense love so that you soon will be able to reach the goal set by Me since eternity. For what follows your earthly life cannot be explained to you, it is the most magnificent fate which is only destined for My 'children', who will be invested into all the rights of the Father, able to work like Him... without difference, because they have attained the highest goal.

Yet even for these very children I Am unfathomable, that is, they incessantly strive towards Me... they long for Me and their longing will always be fulfilled... And the essence of their bliss rests in the

fact that they will never cease yearning for Me, that they thus can never be entirely satisfied because I Am and remain eternally unfathomable. For this reason you have to take the most difficult conditions in earthly life upon yourselves, you will be tested time and again, and you have to remain steadfast even in utmost suffering and always know that only your great love for Me and your neighbour can alleviate your suffering, but that you are incapable of such love which could entirely eliminate suffering.... and thus you should be grateful that you are allowed to bear sorrow as it only serves to perfect you. I did not say to you without reason 'Take up your cross and follow Me....' For I knew that only a path of utmost suffering will result in your childship to God, because as human beings you are incapable of the love that also leads to childship of God, and also because earthly life is too short unless you accept suffering at the same time.

Therefore, do not ask why I let a human being suffer.... Rather, think of the benefit of suffering, bear in mind that it dissolves all layers which prevent the soul from receiving the full illumination of love.... and that it is always just a temporary state which is then replaced by eternal happiness, for which you would have accepted even more suffering if only your physical strength would allow for it. Thus you who have to suffer so much should remember that it is the longing for 'children' which motivates Me to put you into this state.... and that you yourselves will be grateful to Me one day for all the adversity you had to endure in earthly life.

Yet this always presumes firm faith in Me, faith in life after death and faith in My infinite love, then you regard every happening as a return of the once fallen spirit to Me.... with the goal of childship to God, which I cannot achieve in any other way but by means of the path across earth. And if you have this faith then you will also patiently endure every suffering, you will only ever see one purpose in it and accept everything that you, as a human being, cannot change anyway, but you will humbly bear it as imposed on you by My wisdom and love in order to guide you to the highest goal.

But only few will reach this goal, yet they can nevertheless be happy if they don't (even **those** people can be happy who don't) enter the kingdom of the beyond entirely without light, for they will still be able to enhance their degree of light there. They will also be able to rise ever higher and experience infinite beatitude but they will no longer be able to achieve the 'childship to God' which necessitates a life on earth.... Nevertheless, they will be able to repeat this life in order to fulfil a mission, and even then they will not be spared all kinds of suffering in order to achieve utmost maturity.... in order to enter the spiritual realm as the Father's true child, in order to then be able to eternally create and work at His side, in accordance with His will and yet in all freedom, as it was His intention from the start....

Amen

Unification.... Blissfulness of the images of God....

B.D. No. 7627

June 20th 1960

The final aim of your earthly life is the union with Me.... You should have found unification with Me by the time the hour of your death approaches, you should pass over into the other realm without fear and dread, you should only change your abode and move into your parental home which you had left eternities ago.... You should have found your way home to Me and be happy again, as you were in the beginning. This is the purpose and goal of your earthly life, and to arrive at this goal should be your constant ambition, since it is achievable for you. I Am not demanding the impossible from you. You are My children, you came from Me and it has to be your natural ambition to return to the Father, because your Father's love draws you and because, after all, you were originally created in My image.... The unity with Me, therefore, has to be more in accordance with your whole being than the distance.... For this reason you have never been happy being so far away, and you cannot be happy again until we have been united, because being united with Me also means being enlightened by My love again, which is equal to unimaginable bliss. You are My creations and belong irrevocably to Me....

You deserted Me due to your misguided will and misguided thinking.... But as soon as your will and thought are in the right order once more you will also look for unification with Me, you will do

everything to decrease the previous distance and indeed succeed during your earthly life because I long for this unification Myself and therefore will help you too.... because My love pulls you and you cannot resist this love when you have accepted the right order again....

And you can expect a truly marvellous fate indeed when you have united with Me.... The realm of light is once again open to you, you can work in strength, light and freedom in accordance with your will which, however, is also My will.... You will be able to enjoy the kind of pleasures you have never dreamt of.... you will see and hear what your eyes and ears have never seen and heard on earth for I have prepared immeasurable happiness for those who are Mine, who love Me and therefore have united with Me forever. Because love embraces Father and child with a heartfelt bond.... love, which should be kindled within you during your earthly life and which then radiates through the human heart, establishes a connection with Me as Eternal love.... the human being can then accept his original essence again and becomes what I Myself have eternally been: love....

And thus the human being who has transformed himself into love once again has to be inseparably joined to Me, he has to be enlightened by My love as he was in the beginning, he has to be so close to Me that we are completely merged by love, and therefore his return to Me must have occurred, which was always the purpose and goal of his earthly life.... And this relationship can no longer lead to a return to the abyss.... The being has passed its test of volition, it has transformed itself from 'God's living creation' into 'God's child', it has achieved perfection on earth, it has regained all qualities and abilities which it once had renounced due to its desertion from Me.... And I have achieved My goal.... My eternal plan of salvation has been successfully completed by that being, i.e. what I could not 'create' has nevertheless been achieved by this plan of salvation: God-like beings.... Children, whose own free will and not My omnipotence, has turned them into perfected beings.... Only now have I proper 'children' who are My images in every way.... who can create and work by My side and within My will and yet use their own will which, however, completely corresponds to Mine because this is intrinsic to perfection.

You humans can achieve this goal because I Myself long for the unification with you and truly will do everything to guide you to the goal if your will submits to mine.... if you willingly accept My guidance, if you fully and consciously strive for unification with Me and live in love on earth.... Then every gesture of love shall bring you closer to Me, then you will allow My presence within you, and then union has to follow because 'whoever lives in love lives in Me and I in him....' Consequently, love is the bond that locks us together and then is eternally inseparable....

Amen

The right Father-child relationship.... Free will....

B.D. No. 5155

June 21st 1951

I behave towards you in the same way as you behave towards Me.... I will allow you complete freedom if you want to withdraw from My influence, if you don't want to make use of My grace; and if you don't want to acknowledge Me and believe that you can live without My help I will not force you in this respect either.... Then you will have to test your own strength and recognise how weak you are, unless you prefer to avail yourselves of the strength from below which, however, will pull you down for an infinitely long time. I will come to meet anyone who looks for Me, I will hear whoever calls My name, but I will not hold on to someone who turns away from Me, and the wretched state of My enemy is his own fault and he will remain in that state until he changes his mind of his own accord. You humans create your own fate with your attitude towards Me. I will shower you with love and grace if you establish the right relationship with Me, whereas you will go without completely if your relationship with Me is not right. For I do not determine your thoughts, intentions and actions, but I will help you if you want to let yourselves be helped. However, the **right** relationship also guarantees right thinking, and therefore it is most important that you enter into the right relationship of a child with Me, since then you will infallibly take the path which leads to the goal, to your perfection, which is the purpose of your life on earth. The right relationship of a child includes everything, the

sense of your own imperfection, faith and trust in Me and My help, the longing for unity with the Father and thus also the correctly inclined will.... Then you will have an excessive measure of grace at your disposal, then you will no longer be weak and helpless beings, instead, My strength of love will flow to you incessantly and you will more or less mature psychologically of your own will.... You join Me because your desire for Me will also be granted as proof of My Fatherly love. But anyone who isolates himself from Me, who does not acknowledge Me as Father and Creator of eternity, is still spiritually arrogant, he feels strong even without My strength and is nevertheless an unhappy being which allows itself to be deceived by appearances.... which regards the vitality of life as sufficient and which will recognise its utter weakness at the end of its life when it has lost its energy of life and is granted no help whatsoever from the One it had denied. I will give without measure if My gift is desired, but I will not force My gift of grace upon any being. I behave towards you in the same way as you behave towards Me, not because of a lack of love but so as not to endanger your free will, because My love is always greater than great and would never leave you in adversity if it is not detrimental for your soul. Consequently, I must let every person keep his freedom of will and wait until he himself inclines his will towards Me. But then I will seize him and never let him fall again.... Then his resistance will be broken and I can grant him an abundance of help. Then he will establish the right relationship with Me and move towards perfection....

Amen

The Father's concern for His children.... Childship to God....

B.D. No. 4995

November 6th 1950

All human beings are My children and I take hold of all of them with the same love, because My love for My living creations can never stop and knows no exception. And yet, innumerable people are still so far away from Me that they no longer feel the strength of My love, nevertheless of their own free will because they turn away from Me and the rays of My love can only touch a receptive heart. Hence they are like children who have left the Father's house, who moved to faraway places because they thought they could do without the Father's love. I want to win these children back again because My love yearns for them and because I also know that, outside the Father's house, they live in adversity and misery, since I know My children and their disastrous state which is their fate as long as they are separated from Me. I try to regain them and will invite their love until they are My Own again, until they are blissfully happy in the Father's arms.... Nevertheless, an infinitely long time may pass by before I reach My goal; however, I Am forbearing and patient, and My love knows no bounds. What I don't achieve soon I will achieve later, but sooner or later even the last child will have found its way back, if only after an endlessly long time. I will achieve My goal for certain; however, as long as they are distant from Me My living creations must still suffer indescribably and therefore I try to shorten their state of suffering by using every means to break down their obstinacy and by revealing Myself to them as the most loving Father.... but always bearing free will in mind, which they must keep as My true children in order to become perfect. They shall attain the childship to God and become akin to Me in everything, as true children they shall come into the Father's inheritance and create and shape with Me in eternal happiness. Only on earth can the souls achieve the goal of maturing into My true children. They are set the highest and most glorious goal.... Yet, how little it is striven for by people to whom I, as Father, want to prepare the most glorious fate. In the past they became enslaved by My adversary and allowed themselves to be influenced by him, and this situation of bondage must first be severed by them before they can be accepted into the Father's house, they must renounce this world which is his realm; that is, they should not desire the attractions and pleasures of this material world but must direct their will towards Me and, like lost children, yearn for paternal protection and paternal love. Then I will come to meet them in order to show them the way which leads them safely back to Me, back into the Father's house. One day every soul will return to Me, yet My love tries to shorten the time of distance from Me, because it is a time without bliss, a time of spiritual darkness and of weakness. And since I love all My living creations I also approach all people so that they will learn to recognise their Father and submit to His will. But someone who

nevertheless opposes Me will not be forced by Me. However, he prepares a burdensome fate for himself, he deprives himself of heavenly blissfulness, he forsakes precious treasures for the sake of transient earthly possessions.... and he will still remain separated from Me for an endless time and will thus be controlled by My adversary.... yet always because of his own fault....

Amen

Father-child relationship with God....

B.D. No. 6800

April 7th 1957

You enter into the right relationship with Me when you see your **Father** in Me and not merely your God and Creator of eternity.... For I want you to become children who entrust themselves to their Father with love; I don't just want to be feared and revered but be wholeheartedly loved, so as to be able to delight you with My infinite love. I want to achieve a true Father-child relationship, because this is supported by love for Me. When I created you, I was only able to externalise you as created beings, even though I furnished you with all gifts to the highest extent.... I was indeed able to permeate you with My burning, all-consuming love but I was unable to **force** you into accepting this love and responding in kind, because **such** reciprocated love could not be as pleasing to Me as the love **freely** granted to Me by My **child**.... Only love bestowed upon Me in free will induces happiness, and I constantly invite My living creations on earth to grant Me this kind of love, because this love will also result in their inconceivable bliss. The beings, having voluntarily remained with Me when the great fall of the originally created beings happened, can certainly also be called inconceivably happy, for they are constantly permeated by My love and thus they are also glowing with love.... Nevertheless, the degree of love and bliss between them and My true children differs, but the former can still attain this degree if they likewise voluntarily travel the path which allows them to attain the childship to God as well.... the path across earth for the purpose of a mission.... In that case in the beginning they consider themselves, like any other person, as God's 'living creation' and must establish the relationship of a 'child with its Father' of their own free will. However, every person is capable of doing so, every person need only hand himself over to the Power he can acknowledge as God and Creator, if he is of good will.... As a result of the human being's devotion to this Power the 'Father' will take hold of His child and draw it to Himself. Then the child will lose all shyness, all fear of him, then it will trustingly come to Me and start to love Me with the love of a child which feels a close bond with its Father but which also submits itself to Him with profound humility, which does not want to sadden Him but also desire His love, otherwise it is not happy.... Then all its thoughts and intentions will be inclined towards Me and the hitherto existing separation will be revoked, then My 'living creation' will have become My 'child' and the goal I set Myself when I created it will have been achieved. And the goal you were given for your life on earth is to establish this true Father-child relationship with Me.... As long as I Am merely your God and Creator, Whom you certainly revere and fear, you will still be very distant from Me, for then you will still lack the right kind of love which urges you towards Me and also recognises the Father in Me.... My illumination of love cannot as yet affect you to the extent that it kindles your love and thus love will strive towards love. The love of a child for the 'Father' is a different love than you feel for your God and Creator. True love always seeks unification, and the union with Me will always ever be one of the child with its Father, because I Am, after all, your Father from Whose love you emerged.... And once you have established the correct relationship you will also know how close I Am to you and how much I participate in My child's every experience, even the smallest.... And you will even come to Me with the smallest request yourselves, because you will lose all shyness towards the One Whom you love and honour as your Father.... because you hand yourselves over to him with childlike trust and this love will not deny itself, it will constantly give pleasure to the child which has found its way home to the Father and is devoted to him with burning love....

Amen

Except ye become as little children, ye shall not enter into the kingdom of heaven....' It is an odd statement that I expected you to become children, after all, I gave you a whole lifetime, from infancy to old age, so that you shall mature on earth. However, you should not use a child's deficiency and lack of understanding as an example but the childlike trust towards the Father, which makes My Fatherly heart receptive, which I will not reject, which opens the kingdom of heaven for you.... It is the truly childlike faith which a child places into its Father, the trusting pleas which ensure that I will grant them; it is the humility of a child which can therefore receive an abundance of blessings. And can any love ever be more pure and unselfish than that of the child for its Father? A child does not first intellectually assess the feelings it has for the Father; it is driven by its heart to the Father and only the heart takes the direct path to Me and completely hands itself over to Me. And where the heart of a person is moved by such love, My Word is confirmed, for he will truly enter My kingdom, because I will never ever let go of him again, I will draw the child to My heart and bestow eternal life upon it in blissful happiness.... Furthermore, My Words are intended to tell you that you humans will hardly reach your goal on earth by using intellectual thinking.... that therefore increasing adulthood, the fulfilment of life or even intellectual conclusions cannot replace the childlike love for Me.... that the right kind of relationship with Me must be that of a child with its Father, for this relationship includes everything needed for the attainment of psychological maturity: Love, humility and complete submission to My will.... But how many people establish this heartfelt relationship with Me.... how many are capable of calling upon Me in their heart as a Father Who takes care of His child with burning love and helps it in every adversity and danger.... And how few take hold of Me with their childlike love and thereby inextricably chain Me to themselves. These people, however, have acquired the kingdom of heaven, for it automatically comes to those in whom I can dwell, drawn by the love of My child. And thus you will understand that I do not regard those who are great, instead, I bend down to those who are small; that I do not value what the human being achieves or has achieved with his human abilities and their training, instead, I only look into his heart as such, and that every ray of love I discover therein is pleasing to Me, for this ray of love has nothing to do with human abilities, it was solely kindled through the heartfelt bond with Me, which characterises the right Father-child relationship. And therefore only a 'true child' will take possession of My kingdom, as I have promised through My Word....

Amen

God's gift of love and grace.... Attaining the original state....

If you are constantly assured of My love and grace you should also request it, for the effect on you only becomes noticeable when your will grants access to My love and grace. My love for you is truly greater than great; however, I must make it a condition that you desire My love, that you appeal to Me for providing you with loving gifts of grace, because you once rejected My love and thus must now also agree to enter the circuit of My flow of love again.... Then you will be assured of an unlimited supply of strength of love. The fact that My love for you will never end nevertheless does not exclude your willingness to receive it, and as long as this willingness is lacking in you, it will be impossible for My love to take effect, because it is eternal law that love does not tolerate resistance, but neither does it enforce the surrender of resistance. Consequently, you have an immense treasure of grace at your disposal, for everything My love offers you are blessings, because they are undeservedly granted to you if only you are willing to accept them. Therefore you can be called immensely rich on earth, since you can determine your own amount of wealth.... No limitations are imposed on you by Me, you need only ever ask and My love will grant what you desire.... However, when I speak of 'blessings' guaranteed by My love I do not mean earthly possessions but only the means you, that is, your souls, need for attaining eternal life.... It includes everything that helps you regain the blissful state you possessed in the very beginning when you were able to work and create with Me and in My

will. Only this state guarantees the unlimited beatitude for which I once created you, and sooner or later you must reach this state.... But eternities may still pass by; nevertheless, you can also achieve it in a very short time.... The time of your earthly existence as a human being is sufficient enough for you to gain this perfect state, providing you make good use of this time.... And for this you need an abundance of blessings.... means of help offered by My infinite love which you must not reject if you don't want to prolong the time of your distance from Me, the time of your wretched state, of your own doing. And if I give you the assurance that you still possess My boundless love, that I do not hold your past apostasy against you, that I would like to help you attain this life of bliss again, then you should make every effort to enable yourself to enter into the previous relationship with Me once more.... You should only want Me to give you My love again as before and, with this sincere resolve, you will open yourselves to receiving My grace, you will feel My love and then also make correct use of all means of grace, and thus it will not take long until your state of weakness changes.... For your soul will mature, it will increase in realisation and strength because, through the influx of My strength of love, which no longer meets with resistance, it is stimulated into kind-hearted activity and this will result in more light and strength again. For once the human being has the will to subordinate himself to My will I shall increasingly illuminate him with My love, I will never ever let go of him because he acknowledges Me Myself again and desires to be closely united with Me once more....

Amen

Ultimate goal is union with God....

B.D. No. 8093

February 2nd 1962

The perfection of all things is their unity with Me.... for everything in existence, everything that is visible to you humans, from hard matter up to the human being, is My once-emanated strength which were shaped into beings according to My will but which distanced themselves from the primary source of strength, thereby becoming incapable of any kind of activity which necessitated strength, and which therefore were reshaped by Me into creations of the most varied kinds.... And all these creations also sheltered spiritual substance which had fallen away from Me and gradually helped it towards perfection.... Even matter itself takes this process of higher development.... thus everything strives towards perfection. All beings' perfection guarantees their unification with Me, their eternal God and Creator.... The strength, having flowed forth from Me, returns to the primary source of strength again, every being unites with Me and finds supreme bliss in this unification.... Anyone who knows about this process which extends over eternities, anyone who is initiated in My eternal plan of Salvation, is indeed already close to perfection, because this information already proves that he is illuminated by My light of love which was once voluntarily rejected by the being. In the state of imperfection, in the state of distance from Me, the self-aware being.... the human being.... is still unable to perceive this light of realisation, for only My illumination will give him this light, and this illumination can only be conveyed to a person who voluntarily opens his heart, thus, who desires light from Me. And opening the heart presupposes the will to approach Me again, thus the human being is already on the path of return to Me, from Whom he once separated of his own free will. Then there will be a conscious striving for perfection, for the person will make an effort to live according to My will, he will subordinate himself to My will and that means that his nature will adapt itself increasingly more to My fundamental nature, that it will change into love again, because it will constantly open itself to My ray of love and will **want** to receive it.... All resistance in the being will have been broken and nothing will stand in the way of unity with Me.... it will be moving towards perfection. And in this state it must also gain realisation.... the human being will be initiated into My eternal plan of Salvation, he will once again penetrate the most profound knowledge which the being possessed in the beginning, and it will be able to delight other people with this knowledge if they are willing to accept it.

And thus you humans can understand that a light which grants you knowledge about your beginning and your whole process of higher development after the apostasy from Me can only be kindled in you by Me Myself, for only I know all secrets and only I can reveal most profound wisdom to you.... I

Myself Am the light Which illuminates you when you are being initiated into the truth, and I truly know to what degree My ray of love, that intends to lead you to perfection, can strike you. Yet you can rejoice and cheer that the knowledge at your disposal was directly conveyed to you by My love.... you can be glad that you received spiritual wealth imparted to you by Me Myself through My dormant indwelling spirit.... My infinite love even pursued you when you were still vastly distant from Me.... without self-awareness, disintegrated and struggling through endless pain to come higher.... However, once you reached the stage of self-awareness again, you were seized by My love and it took possession of you.... You were given a tiny spark of love to accompany you, which was able to enter into contact with Me providing it was your will.... which, as part of Me, was able to take effect in you as soon as you allowed for it.... This spark love is not effective against your will, but the fact that it is in you in the state of a human being also provides you with the guarantee that you can completely unite yourselves with Me again.... And this part of Me in you bestows bright light upon you, It instructs you in all truthfulness as soon as you merely allow It to take effect. Then you may delve ever deeper into the truth, brightest realisation will be granted to you once more and you can emanate the light again which enlightens you from within. For you consciously established the relationship with Me, otherwise I would be unable to take effect in you, because I do not enforce My influence upon a person but expect his complete devotion until I reveal Myself to him.... However, in that case the spiritual communion will have taken place.... I distribute food and drink as nourishment for your soul.... I give you the bread of heaven, the water of life.... I will speak to you and My Word will come alive in you.... the soul will perfect itself and be as one with Me for time and eternity....

Amen
