## **Misguided teachings are barriers for the seeker of God....**

B.D. No. 2372

June 17th 1942

**T**he spiritually seeking human being experiences a certain lack of freedom as long as he cannot intellectually free himself from human teachings which don't correspond to the truth. Such doctrines prevent him from cognition and thus he thereby erects his own limitation of knowledge because pure truth cannot be given to him until he has liberated himself or... if it is given to him he does not recognise it as such. Although God moves indeed towards the seeking human being, He wants to be unreservedly accepted.

Misguided opinions, however, are barriers erected by the human being which, in a manner of speaking, still signify a partition between God and the person. Every false doctrine that the human being won't give up is such a barrier which still separates the person from God. God will now stimulate the human being to pull the barrier down, i.e. other people will shake his convictions by unfavourably criticising his misguided teachings and the person will thus become inclined to quash these. If he does, he will soon gain insight because now he is taught by God Himself Who will send him the right thoughts, which the human being readily accepts. But as long as he holds on to his misguided opinions he cannot become enlightened. He finds no connection, and therefore his knowledge is patchwork and not sufficient to teach other people either, for someone can only give that what he owns himself and not what he is lacking. However, the more willing a human being is to walk the right path, i.e. to live in accordance with divine will, the more certainly God will guide him towards cognition, it just takes a long time to remove those obstructions which make it impossible to achieve cognition.

One must try with great patience to disprove another person's false opinions. The love of a fellow human being can achieve this as long as he knows the truth and thus can also impart the truth. The human being is always victorious when truth is on his side because the truth is of God and God cannot be defeated. Anyone seeking God will find Him without fail because He makes Himself known to anyone who sincerely endeavours to find Him....

Amen

## **Exposure of misguided teachings is God's will....**

B.D. No. 8814

June 19th 1964

**I**t is My will that you should spread the truth, including the exposure of misguided teachings that have crept into My Word. This can only be done by confrontation with the pure truth. You must always ask yourselves who guarantees that My teachings, which are submitted to you, are the truth. You cannot simply accept human words as truth since you know that they can also be influenced by My adversary who is always interested in plunging humanity into confusion. If you really want to know the truth you will definitely receive the right answer providing you don't want to live in error and request the answer from Me which I certainly won't deny you. And first I will tell you that you have free will which may never be compelled....I will point out to you that it may not be forced by either side, neither by good nor by evil influences, and that you are responsible as to how you have made use of this will. Hence every teaching which you are required to accept.... as dogma.... is against

My will. You have the freedom to determine for yourselves what you want to believe and no human being can limit your religious freedom. You also have the right to evaluate different directions of faith and take what you agree with from all schools of thought....

Therefore I will always speak to those people who want the pure truth because all others are not interested, they are indifferent whether truth is presented to them or not. They are satisfied with teachings which have been added to My Gospel by people but which could be recognised as completely absurd if people cared to investigate them. My adversary has tied a solid knot by forcing people into 'obedience' which has eliminated every personal religious opinion because no one dares to have their own point of view or believes it to be a great sin.... And here God's will should come first.... Therefore I draw your attention to free will which you would have to dispute if you submit yourselves to human law....

The 'working of the spirit' in the human being, the only means of receiving pure truth, is also unknown to you. You do not believe that 'I Myself will guide you into truth', and you reject all knowledge gained this way. But this alone is the truth and exposes many misguided teachings. However, as long as you bow to Satan's commandment that you may not freely accept a teaching which you have recognised as right, as long as you cannot liberate yourselves from something that I Myself will never demand of you.... you will be slaves, completely without freedom. I Myself will force no human being to accept the truth who does not recognise it as such since I have given the human being free will.

You so often raise the objection that human beings have to be educated in one direction of thought.... In that case you should just keep to the two commandments which I Myself have taught people on earth.... Just teach them the commandments of love and you will indeed be doing whatever human beings need to attain maturity of soul.... Because now it will show who has the sincere will to live in love. And then he will experience the working of My Spirit within himself too, he will be introduced to truth, to the knowledge of the meaning and purpose of creation, to the knowledge of the meaning and purpose of life on earth, and above all to the motivation and significance of the act of Salvation by Jesus Christ without Whom no human being can achieve blissfulness.

You, however, are not living Christians.... Christians, who are successors of Jesus and completely convinced of the strength of the Salvation work.... Christians, who belong to My Church, whose founder I Am Myself....otherwise you would also hear the voice of My spirit who would inform you of the many misguided teachings which find acceptance in the world and which I will always and ever fight against.... Because only truth will lead you to Me, and only through truth can you become blessed. And hence I will convey the truth to My helpers on earth again and again and at the same time give them the task to spread the truth in the world because the human being must live in truth if he wants to become happy....

Amen

# Doubting God's existence

## Doubting God's existence in the end time....

B.D. No. 4069

June 25th 1947

**I**t requires an exceptionally keen intellect to scientifically prove that God's existence can be doubted or denied. And the attempt will be made to solve this biggest problem by scientific means.... the question: Does God exist?.... That humanity is deliberating this most important question is also a sign of the end time, but far more in a negative sense, since people are willing to partake in this controversial issue and its line of argument because their faith, if it exists at all, is very weak and the slightest reason suffices to shake it....

Does God exist?....

No question is more important, and providing it is asked seriously by seeking people I Am prepared to enlighten them so that the seeker will be truly satisfied with the knowledge he receives and which he now also confidently upholds. However, if the question is not raised by seekers but by people who think they know better, who only accept the answer which suits them, and who do not want to prove that I Am but that I Am not, they will never arrive at a truthful result, in spite of sound evidence. They already belong to the opposing power which wants to take over the reign itself and push Me aside.... And this is the beginning of the end, because according to the law of eternity I will strip My adversary of his power as soon as he oversteps his legitimate limit, which will be the case when he attempts to displace Me entirely from people's thoughts....

The battle for Me will be harsh, impressive words intend to convince My Own that they are chasing after a figment of imagination, all religious dogmas and doctrines will be pulled to pieces and not entirely steadfast people will gradually suffer defeat, because the adversary knows how to use his words effectively. And since the majority of people lack knowledge, since they are spiritually blind themselves, they cannot detect the adversary's inaccuracy, but they cannot look for and find the truth within themselves either. And they will falter and fall if they do not join Me in the last hour, if they do not (in the last hour) ask Me for clarification which I very gladly grant to anyone who asks, providing he is of good will and wants what is right and truthful. But anyone who trusts in himself, who wants to solve this most important problem intellectually as well, will get lost in the darkness because he is chasing a deceptive light, he believes the convincing words of worldly scholars and admires their keen intellect and conclusions, and he will abandon Me.... and condemn himself....

And because I know of this conflict since eternity, because I want to help the weak as well as those who are looking for Me, I Am bringing them the truth in advance. And anyone who applies this truth, who becomes worthy to receive it and voluntarily aspires for it will outshine the keen intellect of worldly scholars, he will become knowledgeable, he will receive the ability to reason, his spirit will become enlightened, and nothing will be able to take away his faith, his conviction, because he is taught by Me Myself and has the evidence that I Am and that I want to win all My living creations for eternity.... And he will remain loyal to Me until the end....

Amen

## Existence of God.... Worldly scholars.... Heart and intellect....

B.D. No. 4541

January 15th 1949

**T**he worldly scholar often finds it difficult to believe in a Deity because his intellect is forced to conclude otherwise due to knowledge which, however, does not entirely correspond to the truth.

Simply a mistaken view concerning the evolution of the earth leads to wrong ideas, and then it is difficult to acknowledge an eternal Creator, a Being which could certainly be recognised by its expression of strength, but whose recognition is usually not wanted. Science attempts to prove everything. However, where this is not possible it does not admit its inability but simply refuses to acknowledge what is outside the scope of its research. And thus it is based on a wrong concept, and the path to the eternal Deity is ultimately very difficult to find, even if the will to do so exists.

All kinds of research activity should start by revealing God's existence, which admittedly cannot be proven but which can be believed with complete inner conviction. Such research will then progress quickly and successfully. But to achieve this certain belief the human being, in spite of his keen intellect, has to disregard the latter for the time being and dedicate himself to the feeling of his heart, he has to leave all science to one side and, like a child, allow himself to be taught from within, i.e. he has to accept what his feeling imagines or wants as the truth. Effectively, he has to dream with open eyes. Then he will always find a Deity, Who directs and guides everything, and he will know that he is supported by It.

A human being's innermost desire is and remains a strong power above himself; however, worldly intellect attempts to stifle this because it is also spoken to by the one who wants to supplant the Deity but who is unable to enter the human heart and instead attempts to influence the human intellect all the more. God expresses Himself through the heart, his adversary expresses himself through the intellect, unless the heart is stronger and persuades the intellect to be on its side. In that case it is also possible to recognise God intellectually, heart and intellect will aspire to the eternal Deity and then science will also build on a different foundation, it will draw different conclusions which will definitely not be false ones. Because once an investigation with belief in a Deity begins it will sooner or later achieve success and also come close to the truth, irrespective to which field it is applied. Then science and belief will no longer contradict but merely complement each other, and only then will knowledge be free from error, when it is in harmony with the belief in God as an omnipotent, wise and loving Being Which governs everything that was, is and remains in eternity....

Amen

# Wrong image of God

## Negative results of misguided teachings....

B.D. No. 6710

December 9th 1956

**O**nly in truth is light. And thus people who have been misguided by incorrect teachings cannot find any coherence.

It is dark within them, and in this darkness it is impossible for them to see My image properly, they are given a distorted image of Me and therefore cannot love Me properly either. In fact, they only fear Me as a God of vengeance and punishing judge, whereas the pure truth from Me unveils an image which attracts them, which awakens love within them because it portrays Me as I Am:.... a God of love, a Father to His children, a Lord, to Whom all His servants are devotedly loyal. If people loved their God and Father they would not sin, they would forever aim to carry out My will and thus live a life within divine order.... And if people were only ever given the truth they would also love Me.... But what is the situation in the world?....

Humanity's spiritual low, its heartlessness, proves that human beings do not live in the light of the truth, thus wrong doctrines about Me and misguided thoughts have been imparted to them, otherwise they would not be able to live in this darkness. But people are not even able to accept the light of truth any longer, their blindness is so severe that no ray of light can penetrate it, and that therefore the truth can no longer be recognised either.... My adversary has succeeded in making the night so dark in a manner that a person can rarely find the morning light.... And yet this seemingly impenetrable night will also be lit by flashing lights, and time and again human beings are shown the way which leads through the darkness into the light of day. And even the totally blind are given guides who offer their help. And all it takes is a little good will.

But where the will is missing not much can be achieved, however, all human beings will be confronted with the image of their God and Father of eternity sooner or later.... i.e. every human being will be offered the truth one day and I will be portrayed to him as I Am in reality.... as a perfect Being, as love, wisdom and power.... And every human being can accept this image of Me within himself and repeatedly reflect on it, and it will consistently appear to him clearer and brighter and not vanish from his thoughts again.... But he can also look away in indignation, then the deepest darkness will remain in his heart and the truth offered to him will not touch it.

The importance of My distorted image in relation to human development is clearly evident in the low spiritual level of people.... because human beings would never have fallen so low if they had always been offered the truth.... with the right doctrines they would never have been able to move so far away from Me, which has already happened due to misguided teachings.... Because belief in Me has gone astray in those who were willing to believe but who felt repelled by misguided teachings and who did not request the correction, the truth, from Me Myself, since they found it difficult to believe in the kind of Being they were taught about.

Misguided teachings are My adversary's weapons, and they are always directed against Me, thus they are also very useful in destroying faith in Me, which is My adversary's intention. And thus the reason for the prevalent atheism has to be looked for in the distribution of erroneous spiritual knowledge, in the distortion of My image which has been given to people. And only pure truth can portray Me to people in such a way that they will be able to love Me and once again establish the right kind of relationship with Me.... Only the brightest light can disperse the darkness, but only if people themselves open their eyes in order to see....

Amen

**W**hat kind of distorted image of My Being do you get when I Am portrayed to you as a God of wrath and vengeance, as a strict judge without mercy, Who only punishes and condemns and never shows mercy.... You can only be fearful of such a God, you will be obedient to him because of fear, you will also observe his commandments only for fear of punishment but you can never love him in the way I want to be loved by you.... Consequently, as long as you are presented with such an image of Myself you are not walking in truth, you are still in spiritual darkness and will hardly achieve your goal to find unification with Me.... Because only love can achieve this, and you can hardly feel love for a Being that is presented to you in such a way. I, however, want to win your love, only your complete trust will do, I want to be recognized by you as a faithful Father Who wants to be closely linked to His children because of love. And that is why you must also have the right image of Me, you have to be given the truth about My Being Which is love, wisdom and power in Itself.... Which is supremely perfect and Which you can love in return when you feel embraced by My love, which eternally is intended for you....

You can only fear a God who punishes you when you have offended, you cannot love him.... I, however, don't punish you but only ever help you to escape your sinful state and bestow you with strength and mercy to achieve it. And I will never cast into the abyss what has become sinful, I will never condemn it but always attempt to lift it from the depth because I take pity on it since it has taken the path into the depth itself.... And all methods which I use to lift again what has fallen, what has become sinful, are evidence of My love and not acts of punishment which are incompatible with My infinite love.... You need never believe teachings which portray Me as an avenging and punishing God.... And therefore you may certainly reject the teaching of eternal condemnation because I never condemn a living creation.... but it has desired the depth of its own free will and eternally I only want to release it from the depth again. However, that My justice may not be abolished should explain to you that I cannot give happiness to a being which has voluntarily distanced itself from Me and desired the depth....

But when you think of Me you should always regard Me as a benevolent, exceedingly affectionate Father Who is always willing to give you His love but Who, due to His perfection, cannot act regardless of eternal order.... Nevertheless, the path to Me is always available to the being.... Even those who have fallen to the lowest point need only longingly stretch their hands out to Me and I will take hold of them and lift them up because My love and My mercy are so great that I overlook every guilt if the being surrenders to Me voluntarily.... Then I can delete the guilt, because for that reason I had shed My blood in the man Jesus, thus the guilt has been paid for as justice demands. And if My Being is described to you in all truthfulness you will not find it difficult to take the path to Me voluntarily....

But you will give little love to a God Whom you must fear and thus the pure truth has to be given to you.... spiritual knowledge which gives you clear information about Me, your God and Creator, Who wants to be your Father.... Because misguided teachings cannot lead you into happiness. Consequently they have to be denounced since they originate from My adversary who wants to keep you in darkness of spirit.... who will do anything to prevent you from finding your way to Me.... who places fear of Me into the human hearts to stop love from appearing which unites the child with the Father.... I, however, want your love and will therefore repeatedly bring you the truth about Myself and My Being, and you will be happy when you live in the truth....

Amen

**I**t is My will that you humans should live in truth because erroneous thoughts will obstruct your ascent, and because one misguided thought can result in many wrong thoughts. And hence you shall receive explanations too, providing you want these for the sake of the pure truth:

Although you are asked to believe in My justice, you should nevertheless not get a false impression of Me due to teachings which portray Me as a heartless God Who punishes unfairly.... And this false impression will come about as long as you do not understand the meaning of the words 'I will punish the sins of the fathers up to the fourth generation....' It is not the case that I Am merciless and that children and grandchildren have to do penance for the sins of their fathers.... because every soul is responsible for itself and has to make

Amends for their own guilt while still on earth, as long as it does not accept salvation through Jesus Christ. Nor will children and grandchildren be held responsible for the sins of their fathers.... But it can be a natural consequence of certain sins which affects children and grandchildren.... so that weaknesses and disabilities of a physical and psychological nature occur which are caused by the fathers' sinful life. And this consequence is also visible to other people, hence the weaknesses and disabilities are now regarded as punishments on My part.

As long as the people who have become sinful are still alive, the awareness that they are to blame for their children's misery can be punishment for them too, they can, due to this awareness, now also make

Amends for their sins, i.e. render a just compensation for their guilt, but they can only find forgiveness when they take their guilt to the cross and ask Jesus Christ for forgiveness, for salvation.... But the equally 'punished' children are souls in their own right who have consciously accepted the difficult fate of their earthly life in order to achieve maturity sooner, because they are informed of this beforehand and can also refuse to accept this fate. It is always merely a matter of the souls' maturation. The physical existence as a human being is more or less irrelevant.... a difficult earthly life is far more likely to lead to perfection than a peaceful and enjoyable earthly existence....

You people, however, still being ignorant, regard your lives as human beings too highly.... And you will always accuse Me of injustice when you are hard hit by fate, although it is based on My love for you.... The process of return offers many options but you rarely recognise them as such.... You only ever regard the conditions of adversity as heartlessness and injustice on My part, yet you do not recognise in them the opportunities to achieve complete maturity. Everything you do will be subject to law, naturally as well as spiritually. And thus every transgression will result in consequences which are sometimes obvious but occasionally not apparent, because an offence against My eternal order will always have a negative effect, because My justice alone will provide the human being with opportunities for compensation, so that he can make

Amends for his guilt while still on earth and need not enter the kingdom on the other side excessively burdened.... And even if he passes over unredeemed, if he has not yet found salvation through Jesus Christ, he can still be affected by the fate of those he cared about during his earthly life and feel remorse. And herewith he will have already taken a step forward because, although he will also be helpless in the kingdom on the other side due to his sinfulness, he will nevertheless try to help his loved one.... He has the will to do so and this is credited to him as love, and now he will be equally helped by the spiritual world.... Alternatively however, souls also consciously accept a difficult life in order to help those who facilitate their embodiment on earth and because they often notice the same inclinations and hence feel attached to them.

When they say that the sins of the father will be punished up to the fourth generation, this only means that serious offences against the eternal order result in naturally lawful consequences, which I, however, consent to because they in turn can enable other souls' ascent. It is up to a person's

completely free will as to how he conducts himself in earthly life, just as it is the completely free will of the soul which embodies itself again.

When 'punishment' on My part is mentioned it is a misconception in as much that everything is only for the benefit of the soul, whatever is inflicted on it and whatever happens to it in its earthly life.... Because many a soul can only mature by way of suffering because it does not acquire a high degree of love of its own accord.... which subsequently would result in the decrease of suffering and make its fate on earth more endurable. However, as long as you always just want to see injustice on My part in regards to the destiny of long-suffering people you are merely displaying your lack of knowledge of My eternal plan of salvation; furthermore, you are unaware of My greater than great love for you, which only ever wants to save and will never condemn.... Compared to eternity time on earth is only brief, but during this extremely short period of time you humans have the opportunity to gather many treasures for eternity, you can make

Amends for much injustice and enter the kingdom of light, providing you find Jesus Christ and ask Him for forgiveness of your guilt....

Amen

# Questioning God's perfection

## Correction of a big error....

B.D. No. 8858

September 23rd 1964

(After reading: Lucifer's Fall) (Lorber - Lutz)

In the beginning only perfection emanated from Me.... Hence you can object when I Am described to you as a Creator who has created 'unclean' spirits.... I Myself Am the Creator of all beings because there is no strength apart from Me which could create beings. And thus the first spirit of light whom I externalized was enlightened by My strength, and only perfection could emanate from our mutual will of love and strength.... And this is precisely what you have to understand, that I cannot act in opposition to My order of eternity, that I could not have externalized imperfect beings from within Myself either, who did not decide to abandon Me voluntarily until after an infinitely long time, who were not influenced by Me in any way to infringe against the divine order but who acted with completely free will. Only in view of that can you understand My eternal plan, that My objective is their deification, and in view of that you can also understand why Lucifer.... the light bearer.... became My direct opposite....

When you are given an entirely impossible description concerning the creation of beings you will doubt My perfection, and you will also doubt My love for every creation which, 'according to My will' was (supposed to be) 'faulty' from the start. In that case you cannot comprehend the process which was intrinsic to the rejection of My strength of love, and I have to make the truth available to you, because one error is followed by another.... That such an error could have crept into divine revelation is always the result of intellectual thought, which is used by My adversary to cause confusion, which in turn is the reason why I have to reveal Myself again and again, and (in order to) lead you into the truth in all purity....

Eternities had elapsed before the apostasy from Me occurred.... thus My love was able to continuously enlighten the beings and they were in a constant state of abundant blissfulness. And even the being which I had created as My first vessel for the emanation of My love had been receiving the flow of My love's strength for eternities before it detached itself from Me out of free will, which it possessed as a divine living creation. However, if I had created an 'unclean' being, I Myself could have been accused of having given life to such a being, but this cannot eternally be the case because I Am perfection Itself. I have no imperfections, I Am pure love, and This does not create anything unclean, but It will do everything to lead whatever has become unclean back to purification....

Yet how wrongly the act of creation is depicted to you.... And what consequences will result from this.... And time and again I bring you the absolute truth, because without it you cannot know Me properly, because your idea of Me questions My perfection, and because of this you cannot love this Being, Whose perfection you doubt, either. Because you, too, have emanated from Me in complete perfection, even though you have taken the path through the abyss to once again become what you were in the beginning. You will understand that I cannot explain all spiritual reasons in view of your lack of awareness which you are now experiencing due to the sin of rebellion against Me, nevertheless everything you are told relating to it has to correlate, and you can safely dismiss any blatant contradiction and explain it to yourselves by the fact that human intelligence, which can be influenced by the adversary, played a part in it.

Only My plan of deifying My created beings has caused Me not to oppose the apostasy of the beings, but this occurred in free will from the position of utmost perfection into the deepest abyss.... and only the certainty that I will regain all these beings prevented Me from stopping them, but this

does not refute the fact that they had been created in absolute perfection just like their lord who, as the light bearer, was the first to fall away. However, I had not created him in a manner that he had to do so but free will was the cause of the fall, just as free will has to seek to ascend again in order to become what it was in the beginning....

Amen

## **Correction of a big error....**

B.D. No. 8859

September 24th 1964

(Continuation of no 8858)

When your belief in My perfection is taken from you, when you doubt it, then you are subject to a misguided doctrine which can entirely destroy your faith, because you then have no guarantee that I Am telling you the absolute truth, which can only be given to you by a supremely perfect Being.... And in that case your former will would not have been quite so grave, because if you had been 'created imperfectly' you could also find a reason therein for having fallen.... and such misguided teaching has to be most decisively rebutted.... You must know that you were fully enlightened at the time of your fall.... that you were not surrounded by the least amount of twilight or darkness at the moment of your apostasy from Me and that you, like Myself, had been supremely perfect.... i.e. beings of light.... whose fall would simply have been incomprehensible if you had not been in possession of free will as the sign of your divinity.

The fact that the first created original spirit was endowed with the same abundance of light and need not have fallen, that he voluntarily changed himself into the opposite, was not My will, it was not My doing, it was entirely the result of his free will which, nevertheless, could not dispute My perfection. Neither had it been determined since eternity that the first created spirit had to fall, although I had known since eternity how he was going to direct his will. But if his fall had been planned, as you erroneously assume, he would not have had free will, and I would not be a perfect Being if I had transmitted My will onto him....

Surely this has to make sense to those of you who question My perfection, who allow yourselves to be influenced by descriptions offered to you by a human lack of common sense in order to undermine Me and the pure truth. I cannot counter the errors often enough which slip into My Word time and again, although I protect My messengers who receive it directly from Me. But as soon as the desire for pure truth was not predominant My adversary was also able to interfere and cause confusion by first questioning My perfection, and thus misguided teachings arose which I constantly have to correct if I want people to receive the truth. This is extremely important before the end because My Being should be accurately described to enable the emergence of love which I expect of My living creations, and this love can only be given to a supremely perfect Being, Which in Itself does not have the least imperfection.... Only I alone know that and why My first created spirit has fallen, but it has been explained to you as far as you are able to understand it.... But if you associate this with My will, Which wants everyone to achieve utmost bliss, then it is a most blatantly misguided doctrine, which could only have been fashioned by an unenlightened spirit.... a purely intellectual thought process.... Because My will is good, it will never initiate something contrary to this, it can only ever express itself in accordance with My love, thus it could not have determined the fall of the first being itself, while at the same time allowing every being its free will, irrespective of how it is used....

For I have known thereof since eternity and thus have also been able to establish My plan of salvation accordingly.... because I foresaw with what hatred he is opposing Me, he has now become My direct opposite who, however, nevertheless contributes towards helping Me redeem vast numbers of My beings, albeit involuntarily. Because one thing I could not do: I could not create children for Myself, because the free will of the being itself has to become active.... And that has been My intention from the start, but it did not necessitate My first being's fall into the abyss because, truly, I still have many options to achieve the goal I have set Myself.... And thus I Myself would not have wanted something which was (would be) a sin against Myself for which I then would (have) let the

beings walk an eternally long path in agony in order to become what they were in the beginning. Such a description of My fundamental essence, Which could only create and plan with supreme perfection, is wrong and will have to be denounced time and again as wrong, because from within My power I have created everything in existence with deepest love, with superlative wisdom. And all of this proves My perfection to you, because I do not bring something into being without meaning and reason and thus also want to be recognised and loved as supremely perfect....

### God corrects a big error....

B.D. No. 8923

February 1st 1965

I want to give you a very important explanation which should enlighten those of you who are still convinced that evil is inherent in Me too, and that I have hence supposedly created beings with all their bad instincts and attributes.... You, who have to fight against all these instincts in order to regain your original condition, did not emerge from Me like that, because if that were the case I would have created a spirit world which could not be deemed to be in My image. Everything emerged from Me in absolute perfection and has remained perfect for an infinity. Therefore, if they were in My image, in accordance with your opinion I Myself would have to have all kinds of evil attributes within Myself, hence I would have to be a God of duality, Who created good as well as evil simultaneously.... In this case, however, the beings could not be considered to be guilty, because they would have detached themselves from Me as a result of their inclination.... But then the act of Salvation by Jesus Christ would not have been necessary either, because a 'sin' is an offence against Me which, however, the being was unable to commit since it was not created in any other way.... hence, I Myself would have been the cause of this alleged sin....

If you believe that all opposites are inherent in the most perfect Being then you are contradicting yourselves, because perfection has to be good, it cannot be associated with all evil attributes because then it would not be perfect any longer.... But every fallen spirit is burdened with the original sin which it cannot eternally redeem of its own accord.... Hence you can see from this the enormity and gravity of this sin against Me, so Am I supposed to have been the cause of it Myself? Of a sin which demanded an act of mercy such as the human being Jesus has accomplished?.... Who realised that this very sin had to be redeemed one day for the sake of justice....

One of the purest angel beings volunteered for this act of atonement in the knowledge that the sin of apostasy from God was the ultimate offence against His love.... And was I supposed to have supported this sin Myself by creating beings with 'all opposites'? In order to then, because of My induced sin, make them walk an excruciatingly painful path through matter, which would thus once again imply an utterly evil Being but not the boundless love of a supremely perfect God and Creator Who wants to be Father to you all.

Everything that has resulted from the original sin is on account of My adversary's doing, who has been the cause himself, who has implanted you with all evil instincts and who was able to do so the moment you rejected My emission of love and thus had no further strength to resist him. As long as you support this misguided teaching you still have a very obscured concept of Me.... as long as you look for the origin of evil in Me you do not yet understand Christ's act of Salvation properly.... Because you can only speak of the original sin when you are fully responsible for it.... and this would not be the case if I had created you with the tendency of sin already within yourselves. However, since you are burdened with the original sin, from which you can only be redeemed by Jesus Christ, but cannot accuse Me of any injustice, it is clearly self-evident that the sin against Me was committed by you yourselves, that My adversary has induced you to commit this sin, which you committed voluntarily and therefore you are also fully responsible for it.... that you therefore brought about all past torments and suffering yourselves and Jesus Christ will help you to become free of this guilt....

To you, who want to serve Me by spreading the truth, the act of creation has been extensively explained, as far as you are able to grasp it.... And from all this follows that the spirit world was

originally created in complete perfection, and that I was extremely happy with the host of the first created spirits for an eternity.... But I have also known about My first externalized spirit's antagonism for an eternity, I've known about his opposition and the confusion he would cause amongst My earliest spirits.... I knew of their apostasy from Me, but I had externalized him as My image with the same creative power and creative strength.... and I did not stop him when he misused this power and transferred all of his bad attributes on to those who followed him voluntarily, because I had allowed the will of all beings to be free.... And this explained the fall into the abyss, only it occurred voluntarily and was particularly grave because the beings were still within the light of awareness and yet they have accepted all evil attributes which My adversary has imbued in them, but for which I Myself cannot be held responsible....

Amen

## **False doctrine about the Trinity**

### **Misguided teaching about the Trinity....**

B.D. No. 5389

May 11th 1952

People have a completely wrong concept of the divine Trinity due to the misguided description of a Divinity which consists of three persons. Every thinking human being will deem such an explanation unacceptable, thus it will either be accepted without thought or it will be rejected, whereas a correct explanation can be accepted by every human being since it reveals the essence of the eternal Deity and considerably adds towards enlivening faith in God. The concept of God has already become so vague to people that they find it difficult to have faith, and if they are now expected to understand the Deity as three persons as well the concept becomes even more confused and faith will waver. Indeed, rightly so, because in order to believe in a three-person God, the intellect has to be completely detached. But God has given the human being intellect for the purpose of assessing what he should believe. But with divine assistance, i.e. through the spirit of God, the intellect can certainly acknowledge a Divinity if it is truthfully instructed. In that case even the keenest intellect will not refuse to agree.

But this truth reveals God's Being in the manner that unites love, wisdom and strength within Itself, that one is unthinkable without the other.... that love is the fundamental concept from whence wisdom emerges and both express themselves through the strength of will. Love is the creative principle which gives rise to everything; it is the birth giving strength. However, it does not create aimlessly or arbitrarily but it proceeds with wisdom. Whatever God's wisdom knows to be good and right is accomplished by His will if love urges Him to do so.... It is the concept of a supremely perfect Being.... Because love, wisdom and omnipotence are evidence of a perfect Entity, Which cannot be exceeded further. Love, wisdom and omnipotence are proof of Divinity, they provide the human being with a concept of the eternal Deity's substance, but they are not three different divine persons united within one Being....

The misguided doctrine of God's Trinity has considerably contributed towards people losing faith, because a description like that had to result in instinctive rejection and thus the grace of prayer was not used, which could have provided the sincerely seeking human being with clarification. The object of their prayer was questionable, people thought it strange to call upon three persons which they should believe to be as one God. Immense confusion has been caused, it was an evident influence of Satan, who forever attempts to undermine the truth, to obscure the essence of God and to estrange God Himself from them.

The fact that this misguided teaching was accepted in the first place testifies of the darkened spiritual state of those who, due to their complete lack of enlightenment, did not possess any means of discrimination and hence had been excellent tools in Satan's hands to distribute this teaching and with this to endanger the faith in a manner as rarely a misguided teaching had achieved. In order to believe in God as a supremely perfect Being, this Being also has to introduce Itself to people such that they can recognise His perfection, also the intellect of a human being who is looking for the truth has to understand such concepts, otherwise he could not be held to account....

God is not content with blind faith, He demands every teaching to be deliberated and responded to, because faith can only become alive when it has become an inner conviction. When this option is excluded from the start, when people are presented with a misguided teaching for unconditional acceptance, only blind faith can be demanded and achieved by this which is of no value before God. On the contrary, it is far more damaging to the soul, especially when God's image becomes distorted and thereby the love for Him cannot arise, which is absolutely essential in order to become blessed....

Amen

## The problem of the Trinity....

B.D. No. 7117

May 11th 1958

The problem of the Trinity is one of many problems which have been made difficult to resolve due to a completely misguided explanation. The explanation which is simple and comprehensible for all people is not accepted because human reasoning has become confused by concepts which are incomprehensible to the human intellect but which, for this very reason, are retained as unchallengeable and people are even forbidden to reflect on them. However, every human being who comprehends the 'human manifestation of God' in Jesus, who does not seek to personify the Being of God, will find this problem easy to understand and to explain.... who recognises the all pervading spirit as 'God' and who understands that the inconceivable Deity manifested Itself in Jesus in order to become a 'visible' God to Its created beings.... Hence the concepts: Father.... Son.... and Spirit will no longer lead these people into misguided thinking, because they only acknowledge one Being which unites love, wisdom and strength within Itself.... Love gave rise to everything and thus is the Creator, the 'Father'.... And out of Him the 'Son' also emerged, in Whom the Father manifested Himself. But the Son is also 'Wisdom', because only love is the fire which emits the 'light'.... Thus love and wisdom cannot be separated, just as Father and Son are one.

And again love is also the strength which, however, only ever expresses itself in utmost wisdom. The 'spirit' of God is His continuous emission of love, which helps the as yet imperfect to achieve final perfection. Hence only one Being can ever be considered God Father, Son and Spirit, a Being Whose essence consists of love, wisdom and strength.... The fact that this Being manifested Itself in the man Jesus does not sanction the change of the Deity into a twofold Being Which can be called upon separately.... and then adding another one as the 'spirit' to this twofold Being, Which again is called upon by those who cannot work this problem out by themselves but simply accept the sermons of unenlightened thinkers. This is proven by the fact that many people are unable to call upon the Father in Jesus Christ and they are usually unable to understand that God Himself is only accessible to them in Jesus Christ; that the threefold, different prayer only ever reaches one ear, that the eternal Deity cannot be divided, that It Itself in Jesus Christ came close to the human beings, who were unable to conceive the eternal, all-comprehensive and pervading spirit.... The concepts: Father, Son and Spirit still prompt you humans, whose spirit is yet unenlightened, to aim your thoughts and prayers into different directions....

You call upon God the Father, you call upon Jesus, and you also call upon the spirit, so that it might come to you.... But you will only pray correctly when these three have become one concept for you, when you only call upon one Being Which unites within Itself love.... the Father, wisdom.... the Son, and strength.... the spirit, and only then will you have solved the problem of God's Trinity correctly, too. Although the teaching of the 'three-person Deity' has been extended by adding that these Three are one.... the teaching is nevertheless a serious misguidance of people, which results in further misguided opinions.... Especially the call to God in Jesus Christ incorporates unlimited strength which, however, is lost to you, who are still subject to misguided notions and unable to free yourselves from them. You and your awareness would certainly benefit from sincere reflection upon the subject but you refrain from it because you have become slaves, even though God had given you complete freedom.... But you should use your spiritual freedom, and then God Himself will truly help you to clarify your thoughts, for He Himself is the light and He wants to give light to all those who desire it....

Amen

**T**hat the human spiritual state is growing increasingly darker is revealed by fact that people are no longer able to understand God's 'becoming One' with Jesus properly.... and that they therefore also lack the right comprehension for God's 'human manifestation'.... Owing to the misguided teaching of the three-person Deity they began to think wrongly. Yet, time and again, it has to be said that the eternal Deity cannot be personified.... thus It cannot be conceived as anything other than power permeating the whole of eternity.... This power cannot be limited nor can it be thought of as a 'form'.... but it can permeate a form completely.... And this process of complete permeation by divine strength occurred in the man Jesus....

He was full of love and love is the fundamental substance of the eternal Deity.... ceaselessly emanated into infinity, which creates and maintains everything.... And this divine strength of love permeated the human form of Jesus and thus manifested itself in Him. God's fundamental nature took abode in the man Jesus and thus God became 'human'.... and since Jesus was completely filled with the fundamental substance of God, He became 'God'.... Because even His completely spiritualised human form was able to wholly unify with God after His crucifixion so that Jesus then became the comprehensible Deity.... that the human being cannot imagine God other than in Jesus.... but that it cannot ever be a question of 'two people'.... The human being Jesus had achieved the goal on earth, the complete deification, which all created beings should achieve.... Because God wanted to create images of Himself whose final perfection, however, had to be achieved by the free will of the being itself. Jesus the man achieved this deification not only on account of a life of love, but with the act of Salvation He also redeemed humanity's guilt of sin.... for He used God's strength of love or He would have been unable to bear the terrible suffering and crucifixion. This strength of love was God's fundamental nature, thus God Himself was within the man Jesus in all fullness and accomplished the act of Salvation....

However, it is a misleading concept when you humans speak of a three-person God because the eternal Deity cannot be personified since It is pure love, and this love manifested Itself in Jesus, and thus the eternal spirit God was working in Jesus, and to all beings He can only be comprehensible in Jesus.... Since God's former created beings had abandoned Him because they could not see Him, He became a visible God to them in Jesus.... But Jesus is not a second being that could be thought of as existing next to God.... He is God because God is strength of love, Which permeates a fully spiritualised form, thus it consists entirely of divine fundamental substance and is therefore only visible to those beings who have also become spiritualised in order to see spiritually.

It is certainly correct to describe God's nature as Father, Son and Holy Spirit if the Father is acknowledged as love, the Son as wisdom and the Holy Spirit as the will or power of God.... Because God's nature is love, wisdom and power.... But the goal God had set for Himself when He created the beings, the voluntary deification of these beings, also explains.... when it is achieved.... God's manifestation in Jesus.... the visible Deity in Jesus, while the three-person Deity does not allow for a correct, i.e. truthful explanation. People have created their own concepts which obstruct their spiritual maturing process, because only one God can be called upon; three different Gods may not be prayed to but God Himself wants to be acknowledged in Jesus, and hence He can only be worshipped in Jesus.... And He demands this acknowledgment of all human beings, because this acknowledgment had been denied to Him in the past, and because the act of Salvation has to be accepted at the same time.... Because no person can find forgiveness of his original sin without Jesus Christ, and therefore the human being has to declare his belief in Him.... he has to believe that God Himself has shown compassion for humanity and accomplished the act of Salvation in Jesus....

Amen

# Doubting Jesus Christ's existence

## Belief in the existence of Jesus....

B.D. No. 6485

February 26th 1956

Jesus' life on earth is often questioned if not entirely doubted, and to accept or reject Him is an expression of free will too. Even believers have no proof and yet they do not doubt it, because the truth is confirmed to them from within.... which could occur to every human being if they didn't deliberately continue to oppose God. Belief in Jesus Christ as Saviour of the world is being demanded.... Consequently no irrefutable proof can be given for this.

However, since there is no other way to happiness but through Jesus Christ, the very problem of Christ is precisely the test of human will.... God's adversary uses an exceptionally effective weapon by casting doubt into human hearts concerning the existence of Jesus. And anyone whose will is still in opposition to God will accept such doubt, but people whose resistance towards God has already weakened or has been completely defeated will equally determinedly dispel it. But every human being could dispel such doubts because even the most rationally gifted person cannot dismiss all references, all teachings and the Christian teaching itself, as having been taken 'out of thin air'.... And there is far more evidence in favour than against....

The believer needs no further evidence because the 'outpouring of the spirit', as promised to the people by Jesus, is such convincing proof that any doubt becomes invalid. But this proof cannot be given to an unbelieving person because the enlightenment by the spirit first requires faith in Jesus Christ which, through love, has become a living faith.... People who do not believe in Jesus' way of life on earth are of completely darkened spirit, they find no correlations, they look at everything with mere worldly eyes, they have no spiritual life, and their way of life will lack unselfish love.... which would result in assured spiritual enlightenment. They are people who rely on their lively intellect which, however, has been seized by God's adversary, and he certainly knows how to reinforce such people's rejection of Jesus Christ and the act of Salvation. But such 'deniers of Christ' will never believe in life after death, and their life, their intellectual activity, will only ever relate to their earthly life, and they will go to great lengths to prove to other people that belief in Jesus Christ is an illusion.... For they will not be satisfied with their own point of view but also try to convey it to other people. This, too, is the influence of God's adversary, because it is 'salvation through Jesus Christ' which snatches his followers from him. And he will do anything to undermine faith in Jesus Christ.

These deniers of Christ are under his control.... and on earth they only work for Satan.... which, however, they would not understand unless they gained spiritual knowledge.... but it is the consequence of faith in Jesus Christ and His Salvation in the first place which ensures the working of His spirit in the person.... The fight between light and darkness is raging to an extent which you humans would not believe.... And since salvation is only possibly through Jesus Christ, God's adversary will try to refute this very salvation, he will portray the problem of Christ as unprovable and thus attempt to avert people from their faith in Him.... And time and again he will find people who can follow his mental notions, whose lively intellect has made them arrogant and who, therefore, want to intellectually analyse something which can only be understood by way of faith and love. For where God's spirit cannot work the human intellect draws the wrong conclusions.... and the latter finds itself in impenetrable darkness.... because it avoids the only path which would lead it to the light.... the path through Jesus Christ, the path of faith and love.... of truth and of life....

Amen

Every human being has the opportunity to discover the secret of God's human manifestation, and every human being will then also have proof of Jesus' existence, Who will be revealed to him as God's Son and Redeemer of the world, which will render all other evidence superfluous. And anyone who has finally understood the human manifestation of God also knows that, and why, faith is required, why proof is not favourable but rather unfavourable for the soul's process of development, which is the reason for a person's life on earth.

The fact that God embodied Himself in Jesus Christ, in Jesus the man, is and remains beyond belief for people who have no spiritual connection at all, to whom spiritual aspiration is unfamiliar.... And thus 'spiritual aspiration' should be understood to mean the 'soul's process of development', which was not given earthly life as an end in itself but merely as a means to an end. Consequently, anyone not spiritually motivated is not 'awakened' either, i.e. his reasoning is more influenced by error than truth, he will rather accept misconceptions and regard them as truth, and the pure truth will seem unacceptable to him.... precisely because his spirit is still dark, which does not refer to his intellect but to the spiritual spark within a person, the divine part. This person will not accept purely spiritual causes and thus God's human manifestation as the 'result' of such a spiritual 'cause' will be beyond his understanding. But it happened, God Himself embodied Himself in a human being, and this human being was Jesus, the son of Mary, Who was begotten by the spirit of God. Nothing was allowed to happen which could force people to believe, even Jesus' birth was subject to human law, but not the conception.... People should not be so arrogant as to doubt this when they consider that all living beings as well as the whole work of creation emerged out of God's strength, thus it is indeed possible for this strength to create a human being out of His will.

But this birth without conception also had spiritual reasons which an awakened spirit can quite easily understand. However, the human being has to know that there were spiritual reasons for the entire work of creation which were based on the free will of the first created spiritual beings, and that this free will also plays a part in the existence of the human being.... the first created original spirit.... which is significant and at the same time also an explanation why no or only little evidence can be found for the existence of Jesus the man, since a human being may not be compelled by any means to take a positive or negative attitude towards Jesus Christ, the divine Saviour. His attitude towards Him must be the result of complete freedom of will because this alone determines the human being's spiritual rebirth into the first created being, which is the purpose for the human being's life on earth.

Whatever can be proven enforces a decision.... No person may be forced to make a decision if the previous perfection of the first created being should be achieved once again, which is the purpose and goal of the entire work of creation. Hence, first of all a person has to know about the origin and goal of everything in existence, about the meaning and purpose of creation and all created beings within it. Yet he will never be able to gain this knowledge from books, it has to be conveyed to him through the spirit of God, Who is eternal truth Himself. This, however, requires conditions which all people certainly could but only few want to meet.... Nevertheless, the spirit of God can only express itself where these conditions are met: a living faith in God which can only come alive through love, and a conscious request for God's truth in the very belief to receive the truth from Him.... And it will be given to the person because the spirit of God now contacts the spiritual spark, which is a part of Him, in the human being and the person will be taught through the spirit....

Anyone who cannot or does not want to believe this will never attain wisdom, the light of knowledge.... But the most marvellous revelations will be unveiled to anyone who believes, he will see brightly and clearly that which is incomprehensible to other people, he will be able to understand the correlations, and the problem of God's human manifestation in Jesus will be resolved in such an amazing way so that he will not require any further proof and yet he will be able to perceive everything more clearly than even the keenest intellect could. But then the period of time between Jesus' life on earth and the present is irrelevant to an awakened spirit because Jesus' life was not an

event intended for a certain group of people but it was intended for all people in the past, present and future.... All people will know of Jesus' life but they need no evidence of His existence if their spirit is awakened, yet without the awakening of spirit even the most distinct evidence would be useless for the attainment of the maturity of the soul, because faith on the basis of proof is no faith which respects free will, and only free will is taken into account. The intellect is of no or very little significance to the awakening of the spirit within the human being.... The latter is the result of a life of love, a life of unselfish love for other people, hence researching the most profound secrets is not the privilege of keen intellectual activity but solely the prerogative of those who keep God's commandments, which Jesus the man taught on earth 'Love God above all else and your neighbour as yourself....' The result of fulfilling these commandments is the most certain and obvious evidence of Jesus' existence because then God's spirit will lead the person to finding the truth and also explain to him all correlations which the human intellect alone would never be able to achieve....

Amen

# Wrong image of Jesus Christ

## The mystery of God's human manifestation....

B.D. No. 8282

September 25th 1962

Time and again you receive information about Jesus Christ, the Son of God and Saviour of the world.... about God's human manifestation in Jesus.... Precisely this manifestation of the greatest and most perfect spirit God.... of the Father, out of Whom everything emerged.... in the human being Jesus cannot be explained to you often enough, in order that you will not become subject to erroneous belief and understand where the spirit of God is expressing Itself and where the adversary intervenes to infiltrate the pure truth with error. Jesus' soul of light.... one of the original spirits brought forth by Eternal Love.... had embodied Itself on earth for the purpose of an exalted mission: to offer the Father His temporal cover as an abode and to redeem the immense original sin of the former apostasy from God, which countless beings had burdened themselves with. Jesus' soul had voluntarily offered to bring about the act of atonement on earth, and because It was moved by greater than great love for its fallen brothers and because God will never refute love, He allowed it to happen.... Because only love was able to make such a sacrifice.... The man Jesus then developed this love on earth to its fullest.... which means that Eternal Love Itself took complete possession of Jesus' physical shell.... that therefore God Himself took abode in the man Jesus and was able to do so, because the human being Jesus was pure and without sin and due to love was in constant contact with His eternal Father....

You humans will never be able to properly understand this mystery as long as you live on earth.... But God's human manifestation in Jesus can only be explained such that God is love in His fundamental substance and that He completely permeated the man Jesus, thus everything in Him became love. And therefore love has accomplished the act of Salvation, because only love gave the external human form the necessary strength for its suffering, to endure until the end, until the most painful death on the cross.... And when the act of Salvation was accomplished the being, which had once been 'created' by God, also achieved Its highest perfection, it had deified Itself, It had completely become one with the Father, from Whom It had originated.... Jesus had become 'God'.... just as God had been 'human' in Jesus before, until the greatest act of mercy on earth had been accomplished....

But now Jesus is and remains God, Who has become and Who will eternally remain a visible God for all created beings.... Anyone who does not acknowledge or declare this complete deification of Jesus' becoming one with God, does not yet know the truth which originated from God, the eternal truth. Because time and again the Eternal Truth teaches people through His spirit of this greatest mystery, since it is necessary for people to recognise and acknowledge God Himself in Jesus, because the salvation of a human being will not take place until he.... as a formerly fallen original spirit who did not want to acknowledge God.... has acknowledged Him of his own accord and wants to return to Him.... And therefore any kind of teaching which portrays Jesus as a separate entity will be untrue, in spite of having the highest aspirations.... Because He is no longer outside of God, He is God Himself....

The eternal Deity may not be personified, It is the greatest spirit of eternity Who permeates everything, but Who has chosen a form for Himself in order to be visible to His created beings.... And this form is Jesus, consequently Jesus is God, but not a second being which leads the people to God.... God's adversary constantly tries to stop people receiving a bright light, and thus he especially tries to invalidate the act of Salvation and God's human manifestation, he attempts to confuse the concepts because he wants to prevent God's recognition and acknowledgment, which takes his followers from

him.... And he will constantly strive to appear in the guise of an angel of light spreading deceitful teachings amongst people which, however, shall be corrected again and again by the Eternal Truth.

Jesus Christ's act of Salvation and God's human manifestation in Jesus cannot be explained to people often enough; but the person himself also has to be willing to receive the pure truth, then he need not fear of falling prey to error. He will recognise it as such, he will internally refuse to accept erroneous teachings and not believe those whom the adversary has gained as an instrument for himself but who can be recognised by everyone who wants to live in truth and therefore asks God Himself, as the eternal truth. There will be a lot of deception during the last period before the end, but God will know how to direct the outcome of it because He knows the hearts of those who are willing, who do not want to fall prey to the adversary's doings.... and He will indeed guide them into truth....

Amen

## **Jesus' body was also solidified substance in accordance with God's will....**

B.D. No. 8756

February 18th 1964

**A** ccept My instructions and ask Me whatever you would like to know, because I want to explain the truth to you so that you can pass it on to those who ask you. Although you can only receive appropriate clarification in accordance with your comprehension I will also give your intellect the ability to recognise spiritual knowledge, and thus you will be able to stand up to the rational person where necessary. Reconciling the physical consistency of the man Jesus with the supreme spirit of light, Who descended to earth in order to serve Me as a cover for My human manifestation, is difficult for you to understand.... Fallen as well as non-fallen original spirits live on earth in a physical external frame which consists of impure substances of another original spirit, thus they are still at the beginning of their development....

Hence the soul is meant to perfect itself during its life on earth, it should remove everything unspiritual within itself, it should resist all temptation, discard all impure waste, fight against impure instincts and desires, change all vices into virtues.... thus it should change its whole being into love.... And it is constantly harassed by the immature substance which wants to pull the soul down again and which is constantly driven to do so by My adversary. Consequently, human life on earth is the last process of purification within the physical external form, and it can result in complete success, in the soul's total spiritualization.... At the same time the soul can redeem and spiritualise the body, too, if it tries to influence this immature substance with much love.... if it stifles all worldly lust and increasingly tries to persuade the body to completely detach itself from the world.... if, therefore, soul and body jointly follow the spirit within and enter into an innermost connection with Me....

Every human being will have to fight these conflicts with himself, because every physical external frame is an immature spiritual substance which still belongs to the adversary, it merely cannot be controlled by him directly during the period of constraint, whereas the soul is exposed to the temptations of the adversary during its earthly life and needs to resist them firmly.... and the body, due to its immaturity, will always aggravate the soul's aspirations, because the undeveloped spiritual substance is still more aligned with darker realms. However, it can receive light if it carries out deeds of love, and then the body will always participate in everything the soul wants to do.

Although Jesus' soul certainly had a physical body there was, nevertheless, a difference, because His body, His physical cover, did not belong to a once-fallen original spirit, in spite of being physical, i.e. in accordance with My will solidified spiritual substance, which could not actually be influenced by My adversary because it did not belong to him since he had no authority over any spirit which had not fallen. But Jesus had to fulfil a mission.... to achieve His own spiritualization on earth through love and the agonizing death at the cross.... through the act of Salvation. When His soul had descended to earth and entered into a physical cover it was besieged and held by numerous immature substances which had been attracted by the light, but which experienced the light as torment and tried to extinguish it. The soul of light had entered the kingdom of darkness and had to pass through this area and disperse and redeem everything entering its sphere with its light.... It had to suffer with love and

try to help all unspiritual substances which had joined it, because His immense love caused Jesus to descend to earth and the soul did not surrender this love but used it as strength for the weak wretched substance which clung to it and which it could not remove forcefully, since His love did not allow it.

And thus the body was harassed by the said immature spiritual substance which wanted to transfer all instincts that are inherent in every human to the body. And externally, from other people, the soul was equally troubled by many different temptations which stimulated the natural instincts in Jesus' body, because His body was created no different than that of other people albeit it did not contain any satanically attached substances, since due to My will it was begotten without sin and thus a pure vessel for My human manifestation within it. But for the purpose of its act of Salvation the body responded to all assaults by My adversary, to all temptation from outside, to all human seduction just like any other body and Jesus had to overcome all these instincts within Himself, because He had to exemplify to people the right kind of life. And thus He had to overcome every human instinct, all desire for the world, all lust, He had to offer resistance, fend off all temptation without violating love.... thus He had to spiritualise His body just as every other human being, and He succeeded in doing so, having been given the strength by love which also finally accomplished the act of Salvation.... And yet again the man Jesus had to know and overcome all human weaknesses, because He was intended to become a shining example to all of humanity, because all human beings shall and can achieve this goal....

This work of spiritualization was by no means easy for Him, since the temptations had been particularly powerful to Him, because the adversary himself had fought against Him as not to lose his followers.... On the other hand, however, the human external frame which was to shelter Me had to be pure and without sin, I could not have manifested Myself in a body whose substances belonged to an original spirit who had once deserted Me.... You have to clearly understand that. Because precisely this external shape should be and remain visible for eternity.

The unification of Myself, a most supreme Being of light.... My 'only begotten Son'.... and part of a fallen spirit would never ever have been possible. (The unification of Me, My 'only begotten Son'.... the most supreme Being of light.... ) But since the salvation through Jesus every fallen being can accomplish this unification with Me.... However, before Jesus' crucifixion the salvation had not yet taken place, thus the physical external shape could not have been saved either if it had been necessary, and hence I Myself could not have worked on earth through the man Jesus which, however, was the case, because My spirit was in Him and expressed itself with deeds of miracles and through My Word.... So don't be mislead if you are given knowledge which does not correspond to this.... but believe that you receive the pure truth from Me Myself because I know how misguided the thoughts of many people still are, and I will correct every error as soon as you ask Me for it....

Amen

### **Counteracting misguided views about Jesus' incarnation....**

B.D. No. 8751

February 12th 1964

**I** only ever want to put an end to doubts which slip into your hearts but which are good, because only then can you receive clarification, because a person who thinks he knows the truth and never asks for it cannot be taught either. As a result of My will something will always happen again which will make you doubt, and thus you will inwardly feel urged to question it. And many misguided views are prevalent which are partly due to wrong instructions and partly due to lack of understanding, and these are the ones I want to correct.... One of them is the popular opinion that Jesus' soul had been incarnated several times before My human manifestation in Him.... because human beings do not know the working of the world of light on earth and in the spiritual kingdom. Until they understand the correlations they will remain indifferent to such misguided teachings and reject them in the belief that they have the right knowledge. Consequently, these correlations have to be explained to people time and again, which is exactly what I always do.... Because I, the Eternal Truth, will always convey the truth to people and disprove every misguided teaching and substantiate it.

The beings of light, which had remained faithful to Me when Lucifer and his followers deserted Me, are permanently working with Me and within My will.... Their activity in the spiritual kingdom cannot be explained to you, but they participate in the formation of new creations of the most diverse kinds, because they incessantly endeavour to provide the fallen substances with every opportunity to ascend, since their profound love constantly urges them to take redeeming actions. They will also descend to earth themselves if people's spiritual hardship calls for it.... All of this has been explained to you several times already.... But you live in an age which has been preceded by many phases of development. And the world of light has always been instrumental in furthering the progress of human beings....

And there were also times when I Myself, the Eternal Love, took care of people who had ignited love in their hearts themselves, whose nature was thus on the way to returning to Me, however, due to their encumbering original sin there was still a long distance which could only be bridged by Jesus' act of Salvation.... Nevertheless, My love was concerned that they should not succumb to My adversary's temptations, which he had constantly used to tie them to himself. And thus I revealed Myself to them through My Word.... I came to the people on earth in My Word, and the Word was spoken by a spirit of light who descended to earth for the very purpose that the people could hear the Word of the Father....because I Myself was not visible to human beings, but even this spirit of light only remained visible to people for as long as I wanted to speak through it.... Thus the being of light was not embodied in a human being, in fact it was an original spirit who had not fallen, but this original spirit did not come to earth for the purpose of becoming a child of God.... which is associated with a mission.... but for people it was purely a visible external shape for 'My Word', which was supposed to be heard as if it was spoken between one person and another, but without having a compelling effect on them.

Since I Am 'the Word' Myself, I Myself came to earth to those whose hearts were filled with love. And now I adopted the shape of a spirit of light for Myself, however, he was not physically incarnated as a human being on earth but again was only active as a pure spirit who had the power to visibly show himself to people or to dissolve the shape of his own will again.... And in this manner I stayed with human beings several times....

And Jesus' soul, the most loving spirit who came forth from Me, was of service to Me too so that My Word could be spoken through him, that He thus remained a man amongst men, on the face of it.... But the act of My human manifestation in Jesus was a most unusually significant process which has to be explained as well. I chose the most elevated and perfect spirit of light for Myself, Whose greater than great love justified this foremost position and therefore it was the first time that He took on a human embodiment when He was to serve Me, the highest and most perfect spirit of eternity, as a cover, because My human manifestation in Him has been and remains a unique event. A previous incarnation as a human being could not have been possible because such an existence as a human being would have required Him to stay in the region of My adversary, who was still extremely powerful since the original sin had not yet been redeemed.... and the forces of darkness would then have clung to His soul, which He could certainly have shaken off but He could not have redeemed them, because the act of Salvation was necessary for this.... But where I wanted to manifest Myself no dark being was permitted to have tempted before, and no act of unkindness should previously have taken place, not even in defence against evil beings which, however, could not have been prevented because an embodied being of light cannot hand itself over to the darkness.

All these happenings are comprehensible when Jesus Christ' act of Salvation is taken into account, which first had to redeem the fallen beings' original sin.... But an incarnation as human being will always imply either the salvation of a fallen original spirit or to enable a non-fallen original spirit to take the path through the abyss in order to become a child of God....

However, Jesus' soul was given the most arduous mission for its earthly progress, it voluntarily took extreme suffering upon itself, but the love which filled His soul in abundance gave Him the strength to do so.... Even before its descent to earth it had already consisted of the utmost profusion of light and

thus was in truth 'My Son, in Whom I Am well pleased....' I could only embody Myself in a soul like that, this 'human manifestation of God' was only possible in Him.... only He could completely integrate with Me, thus becoming one with Me....

Amen

### Concerning the question: Incarnation of Jesus....

B.D. No. 8264

September 5th 1962

**M**y earthly mission was concluded by My death on the cross, by My ascension to heaven.... The complete deification of My soul, which had once come forth from the Father's love as a created being, had occurred. This should be achieved by every original spirit some day in order to be able to work and create with the Father, completely perfected in His image.... Additionally, however, My original soul had the particular task to enable the Father.... the Eternal love Itself.... to manifest Himself on earth as a human being, i.e. the 'Eternal love' manifested Itself in My external cover of the man Jesus, and thus the Father became a visible God to all His formerly created beings who have achieved that particular degree of perfection which results in spiritual vision.

The human manifestation of God in Jesus is such a momentous problem that you will not be able to comprehend it while you are still on earth.... It was and is an act which is closely connected with the beings' apostasy from their God and Creator.... But one thing is certain: My Jesus-soul is so closely united with the Father that He and I are one and that I cannot be considered to be separate from the Father any longer, and that I always Am and will be the visible God in all eternity.... I can indeed descend to earth again in My Divinity, thus I can appear as Jesus to any person who is most intimately connected with Me so that he can recognise Me as his Saviour and Redeemer, but only for a brief time in a visible state when certain events justify such appearances.... Because I have promised you My presence and can also prove this presence visibly.... And similarly will I appear at the end in the clouds, i.e. undeniably in My strength and glory but veiled, because even My Own cannot bear to see Me in the brightest light....

But for My Jesus-soul to incarnate again or to have incarnated on this earth as a human being after My crucifixion is impossible, because it is completely merged with the Father's Eternal spirit and because an incarnation of the Jesus-soul would be synonymous with an incarnation of God in a human being.... Every person should indeed form a union with God by means of love, and this is every human being's last goal, but this is not an incarnation of My Jesus-soul, as you would understand it, in the sense that Jesus will live on earth again as human being. My Jesus-soul is and remains eternally unified with God and reigns and works in the spiritual kingdom, in the kingdom of light, visible to all beings of light from face to face. A conception in the flesh would therefore be a repeated human manifestation of God, for which there is no justification....

Eminent and exalted beings of light will time and again descend to earth for the purpose of a mission, who want to achieve the last degree of their perfection by taking the test of volition on this earth.... And these persons can also be usually recognised by their remarkable deeds and a remarkably difficult earthly life. Hence you need to exercise great caution when you hear about an incarnation of Jesus, because although eminent and exalted beings of light incarnate on this earth they themselves will be without all knowledge of their origin, apart from the one who will announce My coming.... He will know who he is when the time has come to start his mission on earth. But you will often be deceived by My adversary's actions if you assume this or that embodiment in a person.... even when he lives his life in total accordance with My will. Because the knowledge of his incarnated spirit does not help your perfection and can only ever lead to wrong conclusions. It cannot ever result in your spiritual advantage because you would still be subject to a certain amount of compulsory faith, whereas you should make your choice during your earthly life in complete freedom....

Amen

## Depreciation of Jesus Christ's work of redemption

**Did Jesus Christ redeem all people, or are all people redeemed?....**

B.D. No. 3277  
October 2nd 1944

People read the Word but they do not understand its meaning, and thus misguided teachings due to false interpretations are given by those who want to serve Me, if they do not sincerely unite with Me and first ask for an explanation and, when they receive it, accept it without resistance. People single-mindedly adhere to My Word that I have delivered mankind from sin by My crucifixion.... But they do not comprehend the essence of the Word, they do not comprehend the significance of the act of Salvation. Consequently they do not understand what the human being has to do himself in order to join the flock of those who have been delivered from their guilt of sin by My blood.

I have died for all human beings.... providing they want to accept My act of Salvation.... I have not imposed any restrictions, but people set limitations when they do not acknowledge My act of Salvation. And these people exclude themselves from the circle of those for whom I have died on the cross. Consequently, only the sins of those can be forgiven who allow themselves to be saved through their faith in Me and My death on the cross, whereas the sins of those who reject Me and My act of Salvation are not forgiven, because they do not allow themselves to be purified by My blood, and because they do not want to belong to those for whom I have died. Once again human free will is decisive, and I abide by this free will. If people's guilt of sin were forgiven without faith in Me and My act of love, then the human being would be placed into a state of freedom against his own will.... But this is in opposition to My order because it counteracts My justice as well as My love, since the person will not use this state to bond with Me nor will he ever regret his sin....

My Word is truth, and no untruth can ever be found in the fact that I have died for all human beings, that I have redeemed all people from their sins.... But their free will has to decide whether they want to be redeemed, whether they want to accept My work of love, because I do not determine the will.... Therefore all of humanity could be free of sin if it believed in My act of Salvation, just as it is and will remain in deepest darkness and subject to their sins if it rejects Me as Redeemer of humanity. And for this reason most of humanity now lives in sin, it is without forgiveness because it no longer acknowledges Me, and thus My act of Salvation has become ineffective for humanity.

Hence the 'forgiveness of sin' should not be misunderstood, it is not applicable to those who are completely apart from Me; not that I Am pushing them away, instead they are distancing themselves from Me, they are fleeing from Me, Who is approaching them and constantly asks for their souls. I provide them with a gift of grace which liberates them from their sin and their guilt, but if they reject this it has no effect on them because they belong to those who are fighting on behalf of My adversary and who are therefore still controlled by him until they allow themselves to be saved by Me.... And thus it is wrong to describe My act of Salvation in a way which suggests that all people are beneficiaries of that which their free will could certainly acquire; but which free will can also throw away by rejecting it and by being totally without faith. Only the person who accepts My gift of grace will also become free of his sins, because I have carried his guilt for him, I have suffered for him and accepted the crucifixion.

Although I have died for everyone, not everyone accepts Me.... I took everyone's guilt upon My shoulders, but not everyone feels guilty and therefore does not place their burden upon Me. And thus they will also be unable to purge their guilt, since it is too immense to do so themselves, because now they are also adding the guilt of rejecting My love.... But how can they hope for the forgiveness of their sins? How can people believe that they can become free of all guilt without their own contribution, without their own will?....

My love's sacrifice for you, the purification of all sin through My blood is an incomprehensibly significant blessing for you humans. But you must also want to receive My love, you should not reject it, otherwise it cannot take effect on you, otherwise I cannot redeem the guilt of sin, otherwise your sins will stay with you until you change your mind and acknowledge Me as your divine Saviour, Who died on the cross to redeem you....

Amen

## Salvation through Jesus Christ....

B.D. No. 5724

July 16th 1953

Every human being can redeem himself if he so wants, yet he cannot do so without Jesus Christ.... Hence Jesus Christ is the Redeemer, but if the human being does not want it himself, the act of Salvation at the cross was in vain for him. Only the human will brings it into effect, it is imperative that the human will first strives towards salvation through Jesus Christ, only then can he be assured that he will be redeemed. No human being has been excluded, no person needs to continue without freedom, because the man Jesus Christ died on the cross so that the whole of humanity.... all human beings of past, present and future.... can be redeemed from their guilt and no-one has been barred.... but salvation does not occur against the human will, and the will is only strengthened through Jesus Christ. Consequently He inevitably has to be acknowledged as God's Son and Saviour of the world, otherwise His help will not be requested, otherwise the blessings of His act of Salvation will not be called upon. Because in the unredeemed state he is held in bondage by a dark force, his will for good is restrained and he is a slave to him who is his lord.... so that he complies with his will and as a result offends against divine order with heartless thoughts and actions....

It is the will of the still constrained human being, which is wrongly directed. Due to his misguided love he only desires what pulls him down but not what elevates him. His restraints constantly pull downward, and if he wants to ascend then he has to be liberated from his chains, he has to be free from the force which controls him.... He has to be redeemed and can redeem himself with the strength of love. But this is extremely weak in a human being and can only be strengthened when the person calls on Him Who has overcome this power by His death on the cross, when he calls on the Lord to whom this power is inferior.... Jesus Christ, the Divine Saviour and Conqueror of death, the constrained state and helplessness. By His death on the cross He has acquired unlimited blessings which He shares with everyone who desires them. And by using these blessings the will becomes strengthened which enables the person to carry out deeds of love, to acquire God's strength, which will inevitably help him to ascend and liberate him from the chains which had held him captive.... He has redeemed himself through Jesus Christ, or he was willing to let himself be redeemed by Jesus Christ.... to benefit from His sacrifice on the cross. He has delivered himself through the blood of Jesus from all guilt which had subjected him to the force of the power, which is God's adversary and which therefore also had to be overcome by God Himself....

If Jesus Christ is not acknowledged as Son of God and Saviour of the world, God's adversary maintains his grip on the person, be it on earth or in the beyond. And this means that the soul remains in a sphere which will be without light for eternity, that the soul can never become enlightened, that it is without freedom and strength and can no longer change its situation by itself, that it is condemned.... until it is approached by a saviour.... And this Saviour once again is Jesus Christ, because only He has the strength to liberate the soul from the power of His adversary.... Yet again the soul has to want this itself, it has to call on Him when, due to an exceptionally weak gleam of light, it remembers the man Jesus in a flash, who was known on earth as the Saviour and Redeemer of humanity.... With its cry it acknowledges Him, it is a call in greatest need, which the Divine Saviour hears and Whose work of Salvation benefits this soul from now on too in as much as He liberates it from its torment.

You humans on earth should not bypass Jesus Christ because you will only delay your salvation, which you sooner or later have to accept, because you cannot be redeemed without Jesus Christ, but

you yourselves have to want to be redeemed by Him.... This will can arise in you on earth if you are taught about Him correctly, about the significance of His crucifixion and your attitude towards the act of Salvation, because He will forever remind people of Himself, and the references to Him during the last days can be heard with such urgency, that every human being should seriously consider whether he can accept responsibility for his attitude towards Jesus Christ.... He should ask for information in regards to the problem of God's human manifestation and salvation, then he will also receive an acceptable explanation, but he should not be so arrogant as to make a rash judgment and abandon everything in relation to Jesus Christ. Sooner or later he will have to take the path to Him....

But his remorse will be extremely painful if he does not realise his error until he is in the beyond, if he himself extends the state of his torment by his rejection of Him, Who alone can release him from his hardship. As soon as the human being on earth, or even in the beyond, takes the path to Jesus Christ, he will move towards his salvation.... But without Jesus Christ he will remain in darkness forever, he cannot rise from the tomb of death until he acknowledges the One, Who has overcome death.... He can only become blessed when he intentionally allows himself to become redeemed by Jesus' blood....

Amen

### **The true description of the act of Salvation....**

B.D. No. 8731

January 20th 1964

**I** only ever want you to know that you can only return to Me on the path of truth, and therefore you also have to accept it from Me, because I Am Eternal Truth.... But then you will steadily follow the path which will be shown to you because you will clearly understand why you are living on earth and where your true home is. When you are taught the truth you will also learn about your origin and all previous events in the spiritual kingdom which will then make your earthly life explicable, you will recognise its meaning and goal and then try to achieve it. But if you are given erroneous information everything will be incomprehensible to you and give rise to all kinds of questions which will then be answered wrongly again.... And then your earthly life will be mostly lived in vain since My adversary will keep you in the dark and will always prevent you from searching for truth or from sincerely requesting it.

The essence of what you should know is and remains Jesus Christ's act of Salvation. If you are truthfully informed, your perfection, your return to Me, is guaranteed because then you will make use of the blessings which the human being Jesus acquired through His crucifixion. All weakness of will shall vanish, you will seriously strive for perfection and be relieved of the original sin's burden which had pushed you to the ground so much that you could not get up by yourselves. And I will always endeavour to convey to you the truth about the act of Salvation because you need to know of it if it is to be of benefit to you, if Christ is to have shed His blood for you too, which compensated for your great sin of guilt.... Because you consciously have to claim the blessings, you consciously have to accept Him as the divine Redeemer, surrender your guilt to Him and ask Him for forgiveness, because He and I are One. Once you rebelled against Me.... once you refused to acknowledge Me and now you have to acknowledge Me in Jesus as your God and Father and long for unification with Me again.

There is no other way to return to Me than the path to the cross, and only this pure truth will lead you there, only truth can give you the knowledge of how significant Jesus Christ's act of Salvation is for you and why you have to pay heed to it. And if, due to My adversary's influence, this truth is mixed with inaccurate spiritual knowledge, Jesus Christ's act of Salvation will also be described wrongly, it will be devalued precisely because it is understood wrongly, which is My adversary's objective. He will always strive to keep people in spiritual darkness, and thus he makes sure that the truth is infiltrated by error in order to prevent people from becoming enlightened, from recognising and walking the right path in this light.

It is his intention to render the act of Salvation entirely ineffective, to take all relevant knowledge from people, to portray Jesus as a rebellious human being in a secular sense who therefore had to

suffer death on the cross.... It is his intention to argue every spiritual motive and thus destroy people's faith in a mission by Jesus so that they will not take the path to Him under His cross and instead deny Him as a Saviour of humanity sent by God. And thus humanity suffers an unimaginable disadvantage, for only He can help their great spiritual need....

By excluding Jesus Christ and His act of Salvation people will live their earthly life in vain, they will stay in spiritual darkness and therefore also part of him who is My adversary and My enemy. But where he works I Am always active too, and where he corrupts truth I will constantly send it down to earth. And pure truth will always find its way to where it is desired. The adversary will not be able to prevent this since the desire for truth applies to Me and thus the human being has already passed his final test of will, he has chosen Me and will therefore also receive from Me.... And what I give will always be of utmost value and therefore also help the human being reach his goal.

But you humans should not forget that only the truth can have beneficial consequences because wrong spiritual knowledge can never result in salvation for the human being's soul. Hence you only ever have to desire the truth, you should not be satisfied with spiritual knowledge the end result of which is unknown to you, and therefore you always have to ask Me to enable you to recognise that which is lawful and true and to protect you from misguided spiritual knowledge. And truly.... I will always fulfil this request, after all, I want you to return to Me and therefore I will also show you the right path to walk.... And then you will also reach your goal safely....

Amen

# Teaching of predestination

## Teaching of predestination....

B.D. No. 2034

August 18th 1941

**T**he teaching of predestination has to be clarified most decisively if people are not to be pushed into wrong thinking and completely misled. It is a genuine danger to people who accept what is offered to them as a religious dogma without seriously reflecting on it. This teaching destroys every impulse in the human being; by suppressing the aspiration to ascend, the human being becomes inactive and completely surrenders himself to the actions of forces which now have power over him. The person does nothing to resolve this obvious inertia because he believes that God's grace will reveal itself to him when He so pleases. This assumption is proof of his missing faith in God's infinite love and mercy, it is an assessment of the Eternal Deity in accordance with human understanding, because it infers that God's love depends on the worth or worthlessness of the person.

God's mercy includes all human beings; and divine love is only ineffective where human will offers resistance, but it is always concerned with turning this will towards itself. God is certainly pleased when people ask for Him, whose will thus enables the bestowing of grace. But His care and love is always concerned with those who do not yet want to be seized by His love. However, it would be completely wrong to assume that God's gift of grace is given arbitrarily, that receiving it can neither be prevented nor encouraged by the human being; it would be completely wrong to use human limitations in respect to the giving of God's love, i.e. by assuming that it depends on God's pleasure in the person. In that case the human being would be a lamentable creature, because he is in an imperfect state of maturity which would have to exclude God's benevolence; he is still sinful, i.e. his will is still striving towards God. God's benevolence is not aroused until the will turns towards God and this motivates God in giving His grace in abundance to the human being. But God will never impart His grace to the human being whose inner will is still in opposition to God. A person can indeed openly oppose God but his soul can nevertheless desire God, in which case the forces of the underworld are strongly influencing him to revolt against God, and then divine grace will help him to achieve victory over these forces. This is undeniably caused by divine grace, it has helped the person whose heart had desired God. A human being who would receive divine grace without his will or in opposition to his will would be a predestined being, he would have to mature by means of grace. But such maturity excludes free will and would therefore never result in perfection....

Amen

## Predestination?.... Different amount of blessings?

B.D. No. 6757

February 7th 1957

**N**o one should say or believe that they did not receive the same blessings as some of their fellow human beings and that therefore their ascent on earth was not made as easy for them as that of other people.... This is a misguided point of view which is completely unwarranted. You have to know that you are within the midst of an emission of grace and that you can all immerse yourselves within it to experience the effect of grace at its full strength.... but that it is your free will to either accept this effect or to withdraw from the flow of divine love and hence remain untouched.... And first of all you also have to be informed about the fact that the divine Redeemer Jesus Christ died on the cross for all human beings, that by dying He acquired a treasure of grace for all people, thus all people can share the blessings of the act of Salvation if they believe in Him.... And one of the blessings of the act of Salvation is the strengthening of the will.... Thus anyone who believes in the divine Redeemer Jesus

Christ and asks Him for salvation will receive this.... And now the strengthened will is also using the blessings which are flowing towards it....

But even he who does not believe yet will receive unlimited blessings because God's love is infinite, and he too is meant to find the path to Jesus Christ. But the will, which is still inherently weak, will rarely allow itself to be touched by the emission of grace; the people will shut themselves off from the gifts of grace, and thus the latter will not be able to have any effect because any kind of resistance will negate it. But neither can the person claim that it is impossible for him to make full use of a gift of grace. Because he can direct his will as he likes.... i.e. towards God or.... if he cannot recognise Him as yet.... towards good. Then he will already be seized by God's love and guided a step forward. And he will also soon learn to recognise that he, in a manner of speaking and if he offers no inner resistance, will be carried.... guided, directed, towards these blessings. Time and again emissions of grace will flow to him, and if he accepts their effect he will very soon realise that he too is remarkably blessed, but that his own will has allowed this to happen....

Thus unlimited blessings are at the disposal of all you humans, because God's emission of grace will never cease.... But it is also up to you as to how and whether you accept and use the effect of the blessings. God's love is for all His living creations, and particularly those who are still in opposition to Him require many blessings, but the blessings will never have a compelling effect. Freedom of will, therefore, also explains the difference between people on earth, but not the variably strong influx of blessings. And the point of view that God has already determined which people will be blessed or condemned is even more misguided....

This doctrine questions God's love, it invalidates Jesus Christ's act of Salvation, which was accomplished for all human beings, and it would also completely undermine people's aspiration for perfection.... But with just a little good will and faith this misguided teaching can be recognised as such because 'God's essence', the utmost 'perfection' will appear to be questionable. It would also call the human being's free will into question and therefore the whole purpose of earthly life.... which is entirely due to the free decision of the will. To make this decision of will and the being's return to blissfulness possible, God's emission of grace will constantly flow to people.... Therefore every human being can achieve bliss by merely accepting and utilizing the blessings. Although the blessings are indeed an undeserved gift for people, because they once had deliberately separated themselves from God's love and with this sin had discarded everything they owned as God's living creation, but God's love is greater and therefore it offers the fallen living creations time and again the means which enable them to return to Him.... It distributes its blessings without restrictions.... But these blessings will never effect or restrict the freedom of will.... Nevertheless, the maturing of human beings' on earth is always subject to the acceptance of these blessings but not dependent on the amount which flows to each and every human being....

Amen

**(Philippians).... Predestination....**

B.D. No. 7006

December 30th 1957

**Y**ou are all chosen to become sanctified, however, you decide the time yourselves when the kingdom of light can receive you. Thus the being can indeed endeavour to return to the abyss time after time, and it can prolong its path of return to Me endlessly, it can certainly remain eternally in a pitiful state, at a distance from Me which it cannot bridge with its own strength, and hence one could call it a kind of damnation, but this has not been inflicted on the being by My will, rather it was its own will to throw itself into this state.... Nevertheless, even the darkest being will come to the light one day, and even My adversary will eventually find himself in the light of My sun of love again, and My ray of love will fill him with immeasurable joy.... But it will take an eternity yet before he abandons his resistance to Me. And hence there will also be beings who will repeatedly hand themselves over to his force, whose resistance to Me does not falter and who are therefore eternally wretched, albeit they will always have the opportunity to take hold of My hand which will draw them

home into the Father's house. And I know the fate of every soul, yet it constantly receives My grace, and during the stage of human being I shall always withdraw My will, so that its will can make an entirely free decision.

For this reason it is wrong to say that a soul's fate is destined by Me for blissfulness or damnation.... It is wrong, because I Myself want to draw all human beings to Me and for this very reason have died on the cross for all people. The fact that I know the fate of every single soul does not mean that I determine its will.... If it was up to My will alone, all souls would truly have returned into their Father's house already, since the power and strength for this is certainly at My disposal. Thus I could never have destined a human soul for damnation.... It would never 'please' Me to plunge a soul into perdition again, because I Am Love Itself....

Only an unenlightened spirit can understand the words of the Gospel so wrongly, and only an unenlightened spirit can interpret them such that I Myself choose or abandon souls to become blessed or condemned. You humans are entirely free to decide as you wish, and thus you also create your own fate after the death of your body. You can be blissfully happy without limitation, but you can also create the fate of damnation for yourselves, because I do not force you in any way, just as you cannot be forced by My adversary.... no matter how powerful he is.... But during your lifetime on earth you have indeed unlimited blessings at your disposal which I have acquired for you by My death on the cross. Therefore you need not be helpless.... Nevertheless, only your freedom of will determines your thoughts, will and actions, and you certainly would not have free will if your fate after your death had already been predetermined by Me.

You are all called.... but the fact that only few are chosen is entirely due to the free will of the human being, and not because of randomly given blessings. This misguided opinion must continuously be refuted, since it causes a paralysing effect on many people, who then do not have the blissful certainty that they can reach their goal on earth, and who consequently only strive half-heartedly. You must always remember that I Am a God of love, wisdom and power.... and a doctrine which calls any of these into question is misguided.... But how can you reconcile My love with the teaching that I bless or condemn according to 'My pleasure'? Therefore you should seriously endeavour not to postpone the hour of your salvation, because you yourselves determine the time of your return to Me, when I can re-admit you into your Father's house....

Amen

## **Error about coincidence**

### **Divine providence.... Misguided will....**

B.D. No. 2117

October 16th 1941

**T**he events in the life of a human being do not happen by coincidence, instead everything is divine providence and has been predetermined since eternity. Every person's life has been outlined in detail, and if it appears as if human will is playing a part, then only because God has known the human will since eternity and therefore He also knows how the person is using his freedom of will. And in accordance with this will God had shaped human life even before it began. Thus the individual cannot change his life in a completely different way than that which God has determined, just as, on the other hand, no coincidences play any part in the planning of earthly life. Therefore, irrespective of whether changes in life are favourable or unfavourable, everything should be accepted with gratitude and submission, because they only intend to achieve the soul's higher development, they are only more opportunities for its maturing.

It is completely misguided to assume that a person's will or action might have been able to prevent this or that. Irrespective of how the human being's will decides, the results always correspond to God's eternal plan, although this does not absolve the human being from his responsibility if he uses his will wrongly. God has already taken this person's misguided will into account, i.e. the consequences of this turn into opportunities for ascent again. This sequence, however, does not relate to the person's misguided will, i.e. a person's misguided will can certainly accomplish a deed, the effect of this deed, however, is not decided by him but by God.... And thus God co-ordinates every event, He lets the occurrences follow each other in such a way that they benefit the person's soul, and a human being cannot do anything to prevent the plan that God devised once and for all. There is no such thing as chance, no matter how miraculous events appear to be, the course of every single person's life is always God's will.... Because God will always allow for the person's free will, and as He has known this since eternity He has shaped his life in accordance with this free will....

Amen

### **Path of life predetermined by God.... Free will.... Deed and effect....**

B.D. No. 2441

August 8th 1942

**T**he smallest events in earthly life have their purpose, even when it is not evident to the human being. There are no coincidences but only divine providence, because every person's path of life has been predetermined in detail, although always in accordance with the will of the human being, which God has foreseen since eternity. This is of such immense importance that people should know of it, yet this very teaching often results in misguided thoughts.... in as much as the human being now believes himself to be exempt of all responsibility for all events, since everything has to happen in accordance with God's eternal will anyway. The blessing of embodiment also includes free will for the human being, and now he can behave and think according to this very will. Thus he lives his life as he wants; however, he also needs to have the opportunity to test his will, i.e. to choose between good and evil. Consequently, only the will to spiritually transform his soul is completely free, while the will of the human being in relation to earthly matters is effectively still constrained.... although by virtue of his will he can in fact determine earthly events but he can only carry them out, the result, however, will never depend on him alone.

The result of human volition is governed by God, and namely in accordance with the wisest plan in a manner that it can benefit the development of the soul should the human will once again be thus

inclined. Consequently, God's will can prevent every human being's plan, or he first has to have God's approval before it can be carried out. But this approval will even be given by God if an action does not correspond to divine will, so that the freedom of will is not reduced. However, whether or not it is as successful as the person had hoped for does not depend on the person. Everything comes to pass in accordance with God's will, and whatever journey of life lies ahead of a person is God's will. Who offers the human being the opportunity to achieve maturity in a manner that his soul can benefit from it. On the other hand, however, the human being has to answer for his will if he wants to do something bad, even if divine intervention prevents an outcome. Corresponding to the person's will, which God has known since eternity, he is confronted by all events as God has ordained. He has used the will of people, which is known to Him, as a guiding principle for their earthly life and now effectively gives this will free rein, while protecting those people who are devoted to Him from all adverse results of other people's bad will....

Amen

### **Everything that happens serves to perfect the soul....**

B.D. No. 7162

July 8th 1958

**T**here is purpose and reason in everything that happens, because everything depends on God's will and is therefore also wisely considered by Him and arranged by His love in a manner that benefits the soul of the human being. The decisive factor is always the effect on the soul, which can certainly be negative if the person's will so decides, but it is always possible to be positive too. The body often has to accept various kinds of suffering and ailments; but as long as the soul's spiritual development is progressive these afflictions are insignificant, because they only last a limited time, whereas the soul's state of immaturity can last for an eternity and will cause it appalling torment in the spiritual kingdom. The human being should always be conscious of the fact that God's love, wisdom and power determines his destiny, that nothing happens to anyone arbitrarily, that nothing is coincidental, that a kind, devoted Father at all times wants to help His lost child to find its way back to Him.... And therefore the human being should at all times call upon God as his 'Father' and thereby show Him that he wants to return to Him. He should always humbly accept God's will, even when he has to carry a cross which appears to be almost unbearable, because Someone will come to his aid and carry his cross with him, if only He is asked to do so.

But whatever the human body endures in this life will be gratefully understood by the soul one day, when it can leave the body in order to enter the kingdom in the beyond in a pure and clear state. Although divine love wants to spare every living creature suffering it cannot be avoided because the human being on earth does not consider his soul enough to do whatever it takes to remove its impurities. And thus help is needed which is frequently painful but which nevertheless promises success. But the certainty that everything is God's will, Who is love Himself, should enable you humans to bear everything with greater ease and it should be a comfort to you too that you are never left to your own devices, that there is always Someone Who cares about your spiritual maturity and wellbeing. And He will never allow that anything should happen to you without reason and purpose, because His love, wisdom and power is limitless, and His love and wisdom will forever be the decisive factor when His will and His power express themselves.

For this reason every minute can be of benefit to you, you can derive spiritual achievement from every experience, from every event, from every physical adversity which you encounter. Because as soon as you learn to view it as a means of help for the maturing of your souls you will also do whatever it takes to help the soul to mature. Your cross will soon be taken from you, since it is only a burden to you until it has served its purpose. If, however, you want to live your earthly life entirely without suffering, you will also have to be pure love.... and only few people will reach a level where their souls will purify themselves through love. More often than not they will require suffering as a means of help, because the time of their earthly life is only short and yet should yield the greatest

possible perfection for the soul. Hence you should bless the suffering too, surrender to it and thank your Heavenly Father for His love for you, which only ever wants the best for you....

Amen

**There is no coincidence.... Nothing happens arbitrarily....**

B.D. No. 8477

April 24th 1963

**B**elieve Me, there is no coincidence, instead everything is divine providence and every human being's course of life proceeds in accordance with divine will.... For whatever does not correspond to My will nevertheless has My permission so that you may derive spiritual benefit from it if you make the right use of everything.... However, you are not at the mercy of a blind power, every experience during the course of your life has its reason and serves a purpose.... But how you use it is up to yourselves, because what matters in earthly life is the test of your will. And in order to evaluate every happening properly you should always request My support, and truly, you will think and act in the right way, because I will not guide you the wrong way if you entrust yourselves to Me voluntarily.... And thus everything confronting you is determined by Me or permitted for the purpose of your perfection....

When you are in constant contact with Me through works of love, sincere prayer or in thoughts which relate to Me, you can also be certain that you will not think and act in opposition to My will, because then I will bless your every action and your souls will mature.... Hence you should view whatever confronts you every day as My direct action on you, because I direct all threads, I start relationships, I bring those together who shall serve Me and seize every opportunity to guide you humans into truth, who sincerely desire it.... This is most important in the last days, because passing the test of volition, which will determine your future fate, entirely depends on the truth. Sparks of light will flash on earth and tear the dark night apart, yet only few people will ever strive for them, the majority will be content with the night and flee the light.... But there will also be deceptive lights causing confusion as their light is short lived and plunges people into even deeper darkness than before.... But where there is desire for light the darkness will lift and people will find their way into the light of day....

You, who ask for it, shall all become enlightened, and need only ever take notice of where the light is coming from.... If its radiance is bright it will make you feel good, you will be able to penetrate the darkness and be happy with the light which shines for you.... Deceptive lights, however, will confuse you, you will not be able to find complete understanding and therefore feel uneasy, if you are interested in the pure truth.... if you genuinely just want the pure truth.... But I know My Own, and thus I can speak to them, and they will recognise the Father's voice, and as soon as I can speak to them Myself they will be saved for time and eternity.... And thus it is only important that you humans do not walk any path alone without first praying for My guidance. Because this prayer guarantees My protection and My help when you are still too weak and inexperienced to differentiate between true and deceptive light by yourselves. But I will place the right thoughts in your heart and then you will always live in truth, because you are seeking it....

I can prepare vessels for Myself anywhere, which fulfil all conditions and thus allow the 'working of My spirit' within them.... And anyone with an awakened spirit also knows whether and when I speak Myself, because My sheep know My voice.... And when I Am able to send revelations to earth I will also take care of their distribution.... But My adversary will do the same by also trying to communicate with people who are gullible and facilitate his actions, and he will also try to spread error and find people to help him.... Nevertheless, the truth will shine like a brightly radiating light, whereas the adversary will only be able to ignite deceptive lights which will merely increase but not disperse the darkness.... But people's free will has to be upheld, and this free will must sincerely want the truth and request it from Me Myself....

Amen

## Elimination of a near end

### Concerning end time revelations....

B.D. No. 6482

February 23rd 1956

I will never give people the precise time of the end as it would not benefit a human being's spiritual progress.... Because they should ascend entirely of their own free will, they should further the maturity of their souls of their own accord and not because of fear, which would be the case if the exact hour of the end would be announced. In this respect I will never give you humans complete clarity, but that does not exclude that the end will eventually come to pass. And that it will happen one day has been revealed to you from the start of this redemption period even if only a fraction of this revelation is known to you. Because the periods of redemption, which were established in My eternal plan of Salvation, always consist of a limited time span, the duration of which has been calculated by My knowledge of humanity's process of development. Every human being, who can believe in Me as God and Creator, can believe this with good will.

However, most people will doubt that they themselves could live at the time when every prediction will become a present-day event.... Because to imagine the end of the earth is for people something extremely shocking, it is something which can only be believed by a few people, if they do not already possess such profound spiritual knowledge that they can also recognise a cause and purpose in the disintegration of earthly creations and the emergence of a new earth.... But there will only ever be a few of these....

Therefore you humans cannot completely disavow the end of this earth.... you can only never want to belong to those who will experience this end, to whom a potential future will become the present-day.... And for the sake of their soul's maturity they may well keep those doubts, but they should also reflect on such thoughts, and it will not be to their disadvantage. However, every enforced faith would be detrimental and will therefore never be exerted by Me, hence I will only ever announce the signs but never the 'day of the end'....

And yet I will say it time and again: You are on the verge of it.... You cannot judge humanity's state of mind.... you cannot see the profound darkness which is spread across the earth.... you do not know of the battle between light and darkness which rages so extremely violently.... you do not know that the work of darkness expresses itself in the dissemination of falsehood, of misguided teachings and blatant lie, because you cannot see the extremely low level of inaccuracies which occupies people's thoughts either.... Only the pure truth is light.... But where do you humans look for and find the truth? You may well believe that you have the truth, but then you would recognise people's state of mind with dismay and would also understand that this situation has to come to an end.... And wherever you humans presume to be light the lord of darkness has merely erected a deceptive light for you, which weakens your judgment even more until you are no longer able to distinguish anything. For he certainly knows how to stop people from the work on their souls, he knows how to turn their eyes towards tempting goals, but which you humans will never achieve, because My plan has been determined since eternity....

(23.02.1956) That I allow you an insight into this plan of Salvation should not force you to believe, I only want to give you humans the opportunity to be able to believe, because the motives which prompt Me to end a redemption period are explained to you, because the expediency of such an end is also explained to you, because with this knowledge you yourselves can follow every event and then also realise that an intervention on My part has become necessary.

People who are merely told of an end without further explanations cannot be blamed if they don't believe it, although even they should reflect on the possibility of the prediction coming true.... But those who are willing yet think that they cannot believe will also be introduced to My plan of Salvation; they will be given the knowledge of My reign and actions, and they will not be able to ignore the reasons, since My love and wisdom is clearly evident, which only ever plans and accomplishes what is best for the souls. If you humans only look at an end of this earth as an act of punishment you will resent such teachings.... However, if you look at it as a rescue operation, which not only applies to the worsening spirit in the human being but also to the still constrained spirit in the creations which one day shall also ascend from the abyss, then you can also recognise a God of love and of wisdom, and then the end of the earth will appear to be feasible to you.

Only I can judge humanity's present level of development on earth, although you yourselves could also see the spiritual low level. However, I know since eternity when My order has to be established.... when I have to curb My adversary's activities, and what is required for the earth to serve as a place for the maturing of the imperfect spirit again.... I alone know when the low level has been reached and when the point in time has come that My adversary's activities have to be stopped.... And because I know this, I instruct My servants to mention the forthcoming end, even though not many will believe them. But I will never specify the day and hour.... which, however, should not encourage you to assign My proclamation to the distant future....

You do not know how soon it will happen, yet you all should make great haste, you all should eagerly work on your souls, because every day is a grace for you, because you can achieve a lot with good will. Just do not expect to have plenty of time.... The end comes sooner than you think, and everyone who believes My Words will also prepare himself, he will deem his spiritual welfare more important than his physical wellbeing and truly gain much for eternity....

Amen

## **False prophets....**

B.D. No. 7705

September 20th 1960

**L**et Me tell you that you will be increasingly more exposed to assaults by My adversary as the end is approaching, because he uses his power in truly satanic ways, and particularly against My Own who want to serve Me and whom he believes he can still win over for himself. But you merely need to be watchful, because you will always recognize his conduct, you will always know who is hiding behind the schemes which disrupt or entirely prevent your spiritual work. Because it will be confirmed that many false prophets appear under My banner, that they will try to belittle My Words and My information concerning the approaching end. It will be confirmed that people are easy prey, that they would rather believe these false prophets than you, because these will always give them the hope that they are approaching a bright future, that they do not have to fear the future, that their worldly efforts will be successful and that an end to this world is thus unthinkable....

And in that case you will know that you are dealing with false prophets, and then you will have to remain strong in faith and believe what I had proclaimed and continue to proclaim to you, that the time has been fulfilled and that you humans are in great danger if you do not prepare yourselves for the end such that you need not fear it. Anyone who lives righteously and just, who has found Jesus Christ and completely gives himself to Him, anyone who recognizes Me Myself in Him and thus calls on Me in Jesus when he is in distress will survive the dangers of the last days and emerge unscathed. He will live to see the new earth and its paradisiacal life, and his faith will indeed become a blessing to him, because he will not fear the end anymore, he will hold on to Me and thus endure until the end and be blessed, as I have promised....

But My adversary will rage and try to influence My Own until the end.... You should know this and not allow yourselves to be misled. However, he has his followers, and they will do his bidding and spread misguided teachings amongst people who completely oppose My Word, which is brought to you directly from above, My Gospel, which you may nevertheless believe totally. You should merely

examine what is offered to you from elsewhere whether it corresponds to My Word.... since whatever is contrary to it also shows that it has originated from My adversary, and you can unhesitatingly reject those as false prophets who offer you spiritual knowledge which exclude an approaching end, which promise you humans a long existence on this earth yet.... You are on the threshold of the end and should prepare yourselves, and you would do well by doing so since then you would not need to be afraid of it. Because then the time will come which had also been proclaimed to you.... then a happy and blissful life on the new earth will come, but only for My Own who believe in Me and who defend their faith until the end.... Because everyone who perseveres until the end will be blessed.... they will live a wonderful life in the paradise of the new earth....

Amen

### **New redemption period....**

B.D. No. 8345

December 2nd 1962

**N**o major spiritual advancement can be expected on this earth any longer, only a few more people will find and walk the right path which leads to Me.... back to the Father's house. There will certainly be people everywhere making every effort to work for Me and My kingdom, supporting the doctrines of the various ecclesiastical organisations with sincere dedication for Me.... They will have the good will to guide the human being into truth and are successful too when My spirit can work through them as soon as they preach for Me and My kingdom.

But only few people take the development of their soul seriously, whose faith in Me also includes the belief that they have a responsibility towards Me and who therefore consciously live their earthly life. However, most people are and remain indifferent, even if they are confronted by the most powerful speaker.... They simply dismiss everything spiritual with a superior smile, because people consider it a fantasy and unreal and are therefore not captivated by it either. But for the sake of the few the work shall still be done eagerly, because to have saved only one soul from its downfall, to have prevented it from a repeated progress through the earth's creations, is such a tremendous accomplishment that no effort should be spared, since every soul will eternally thank its saviour to have guided it onto the right path.

Many people apparently revert back to faith.... But greater still is the number of those who fall away and carelessly sacrifice their faith in Me and who do not acknowledge Jesus Christ's act of Salvation as an act of atonement for the whole of humanity either.... And precisely because the belief in Jesus Christ is increasingly declining, spiritual hardship is getting progressively worse. This will finally lead to the disintegration of the earth so as to prevent an even deeper descent into darkness, which shall be accomplished by releasing the spirits which belong to My adversary and confining them again in the material creation.

Time and again I tell you that this earth cannot expect a spiritual change for the better, that a new period of redemption will start and that this, at the same time, will be a spiritual as well as an earthly turning point, because nothing which lives and exists on, in and above the earth will remain, but everything will be transformed, a new earth will emerge, and this new earth will start again in lawful order, so that the development of all spiritual substances thereon will be safeguarded and the process of return within this lawful order will continue.

My eternal plan does not depend on whether you humans believe this or not, but those of you who do not believe My statements will be surprised how soon the day will dawn when the first revelations fulfil themselves: when you may yet witness a last sign from Me which shall confirm all revelations of this nature.... Especially those people who deem themselves intellectually superior to their fellow human beings deny such last day revelations and thus also doubt the truth of My Word, which is transmitted to earth directly from above.... Yet who else could make such a specific prediction but He Who has every power at His disposal and Who is Lord of all the forces of heaven and earth?....

You can indeed accept His Word to be true and certain, for I do not merely speak but also substantiate every event to be inflicted on you by My love, wisdom and power, because this is necessary for your souls which should still call for Me in the last hour before the end. My predictions are not intended to achieve anything but to stimulate your sense of responsibility, by believing that you are soon approaching the end and by asking yourselves whether and how you can stand before the eyes of your God and Creator.... You should not believe those who deny an end, who want to awaken in you humans the expectation of changes for the better.... for a spiritual renaissance on this very earth that only requires a different human generation which observes My will.... On this earth no such human generation will be found anymore, because the decline of spirituality is continuing, and this alone will result in the end of this earth's era.

For the earth is meant to be a school for the spirit, but people's thoughts are dominated by matter and therefore they themselves will become matter again too, which they desire above all else. By doing so they completely forget God Who gave them their earthly life for the sake of a specific purpose.... And people do not fulfil this purpose, even the earth itself does not fulfil this purpose any more, because divine order has been completely reversed, the earth has become My adversary's kingdom who wants to prevent the higher development of all spiritual substances....

And you, who still believe in humanity's spiritual turning point on this earth, are spiritually deluded, you have no inner enlightenment, you are merely directed by your human intellect to make accusations and to deny divine revelations and to portray them as an expression of the opposing spirit. Otherwise you would know yourselves which level humanity has arrived at, and you would do better to be quiet, if you yourselves cannot believe in an end.... than to expose your lack of awareness by allegations which oppose My predictions.... Because you too will have to be answerable for this, since you are, after all, preventing people from evaluating their failed life and thus from a return to Me, which will have to take place before the end if the soul is to be saved from the appalling fate of repeated captivity in the creations of the earth....

Amen

## God corrects misguided teachings....

B.D. No. 8572

July 28th 1963

I only ever merely want to clarify your misconceptions and offer you the purest truth instead, and for that reason I speak to you time and again.... And all I ask of you is the serious desire for truth, and the will to think correctly and to be able to distinguish between truth and falsehood.... Then the communication from above can come about, and then you humans will live in the light too. However, there is not much will for truth, thus My adversary has great power, he can offer inaccuracies which will not be recognized as such. Subsequently the human will itself decide to what extent it experiences the right thoughts, the truth. He should always approach Me Myself in order to receive the purest truth, for even if he is not yet able to hear My Words directly I will nevertheless convey them to him through My messengers when I recognize his sincere will and desire for the pure truth. Because the adversary will constantly want to insert inaccuracies and also deceive those people who think they have true spiritual knowledge, which he will corrupt again and again unless acute care is taken to prevent it. Therefore you cannot be observant (careful) enough, you cannot ask Me often enough for the truth. Because I Am always willing to transmit the purest spiritual knowledge to you.... to let living water flow to you, which is still unpolluted from all additions, and which consequently also helps to heal your soul.

Hence you should draw from the source.... and even then you should make sure that the pure, healthy living water does not get polluted and come to you in a different condition than it is supplied at the source.... My adversary uses many methods to pollute My pure Word and people do not notice it.... They unhesitatingly comply with him when he attempts to induce them to make changes or alleged improvements, thus offering him the opportunity to scatter it with false seeds which will grow and then considerably reduce its value, providing the error is not recognized and corrected in time. It is therefore very important for My Word to be proclaimed from above time and again, because imperfect human beings will not leave anything unchanged. Hence they will always add human knowledge to a supremely perfect spiritual treasure as well, they will also intellectually move in the wrong direction and give explanations which no longer correspond to the truth. And these in turn can only ever be confronted by the pure truth, which flows from Me directly to earth again when I consider it necessary to correct errors and to highlight the adversary's actions....

And depending on the individual's desire for truth he will also respond to it, he will accept pure truth if he genuinely wants it, or he will indifferently hold on to erroneous thoughts, but to his own disadvantage.... Because as soon as shadows creep in I will always bring light and will therefore not cease to speak directly from above. Because people will not cease to let themselves be influenced by My adversary either and make changes to the spiritual truth which initially came from Me Myself.... Time and again they will use their own thoughts, their intellectual reasoning, and this can be controlled by My adversary, so that error creeps into a spiritual truth which had originated from Me.... And for the sake of humanity's freedom of will I do not prevent it but I will always make sure that those who want truth shall also receive it again in its purest form. Hence you should never discard spiritual facts which had originated from Me, but rather you should make sure they remain unaltered and compare them with My messages, which will come to you directly again....

Because I know why I speak to you time after time, I know when it is necessary for Me to intervene in order to clarify misconceptions which.... if only slightly.... will continue to result in new errors.... and thus, since it originates from him, the adversary has to be fought. The human being himself will always reject error once his spirit is awake, but those who have not yet delved into spiritual

knowledge to discern every error will accept it, and this is comparable to a well where the water, instead of quenching your thirst, causes you damage instead. Error originates from the adversary and can never result in a healing effect for the soul.... However, if you can receive the living water directly from the source you are protected from bad influence, then My Word will come to you in all its strength and guarantee you purest truth, and then you can indeed believe everything because you truly cannot receive anything untrue from Me.... But you should always be watchful and realise that My adversary will use every opportunity to slip in wherever he can in order to confuse people.... And even if he only succeeds in pushing people onto a different train of thought, causing them to make false assumptions which do not correspond to the truth and which thus result in darkness.... as a development of thought which cannot be penetrated by light. Then ask Me Myself for enlightenment, for clarification, and truly, I will do so because I want you to live in truth, for only truth is light, and only through truth can you become blessed....

Amen
