People’s duty is to draw attention to error....

B.D. No. 8553

July 9th 1963

Everything motivated by love is pleasing to Me.... And thus, when you live with love everything you do or don’t do will be in accordance with My will.... However, you have to consider the motives of your actions, whatever they may be.... Do you want to help a person or the world at large.... do you want to help and protect your neighbour from all manner of harm?... Do you want to give light and understanding? In short, do you want to give or do you want to take, destroy, cause confusion and burden your fellow human beings.... or do you want to take action against error and bring truth to your fellow human beings instead?... You have to consider all this in the light of love, thus it has to permeate you if your every action is to correspond to My will....

But I also want to draw your attention to the fact that I want erroneous belief to be corrected, that I expect you to spread the truth and that this task has priority.... For I transmit pure truth to earth so that its light should shine into the darkness.... And spiritual knowledge which originates from Me will never contradict itself, or I would not be the source of the flow of spirit....

Erroneous spiritual knowledge cannot originate from Me and thus you, who receive the pure truth from Me, have the right and the duty to fight it, but always beware not to offend against the law of love, that you are messengers of truth when you approach those who live in error. As soon as you, with My Word from above, can refute the doctrine they believe to have received from Me, they can, with good will, recognise who speaks to them through you. For I will always use reason to expose the error so that it can be recognised as such, and I will be able to do so through a vessel which is suitable to receive My flow of spirit....

It is true, though, that everyone will claim to be a ‘vessel of God’ but the genuine investigator will recognise My voice and will not find it difficult to come to the right conclusion. Because error will be exposed in a manner that demonstrates knowledge. Nevertheless, people also have to employ their will in order to recognise My voice.... If this will is not present then even the most lucid reasons will not be understood, and the person will hold on to his misguided belief in spite of clarifications and appropriate references. But this is certain, every spiritual instruction by Me also reveals Me Myself as the Provider, in so far as its wording and content give evidence of a perfect Provider, Who clearly and understandably solves the kind of problems which cannot be solved intellectually.... Imperfection and ignorance are eliminated, for by the latter you humans recognise the influence of powers which are not yet perfect, not yet enlightened, to carry out My instruction of transmitting spiritual knowledge to earth....

If the human being himself in his arrogance fails to recognise such imperfection then the pure truth given to him by My messengers will not give him clarity either, because he lacks the inner humility

which would also guarantee his understanding of eternal truth. Hence time and again you will meet with resistance where the adversary has already established himself by giving false information and people are not willing to let go of him in the firm belief to have received the information from Me Myself. However, I allow every human being's freedom of will, I will merely contact him now and again and try to make him take notice.... but only his will makes the choice....

Amen

Seclusion from the world.... Monastery?....

B.D. No. 0391

April 29th 1938

Cast all your cares onto the Lord.... Behold, if you follow Me I will know how to take your suffering from you, and during days of inner contemplation you will receive the constant flow of strength that I always have at your disposal, and thus you will know that the Father is close to you if only you ask for Him.... because I want to give to you what you desire. Behold, My daughter.... The suffering of the world is the result of the sin of the world.... If you strive for God's reward you will be far less exposed to suffering on earth.... then you will only have to bear what you voluntarily accept for the sake of other people in order to alleviate their suffering, and so I will doubly bless this suffering. If you believe that you will enter into God's glory without having acquired your final maturity of soul.... thus, if you strive for the perfection of your soul but prefer to withdraw from all earthly suffering, you will hardly be able to enter the state which will elevate you to Godlike beings.

Anyone who participates in Christ's act of Salvation, who carries the cross imposed on him.... who sacrifices all his suffering to the divine Saviour without grumbling and complaining, will thereby constantly move in divine grace and his departure from this world will be a glorious one. For this reason I did not instruct you to withdraw from the world, which is indeed perilous everywhere, rather, you should willingly accept your cross, let its dangers make you stronger, rise above them and as conqueror of this world become an example to others. You should try to gain the Lord's loving kindness and His mercy which will equip you with the necessary strength and grace to cope with all worldly demands while nevertheless enabling you to free yourselves from your restraints. As I grant My grace to everyone, because every child may draw from My love's fountain of blessings without limitation, you are also given the power to resist the world....

Behold, My child, nature is governed by many different forces.... the Lord uses them all so as to give people the opportunity to mature. The purpose of these natural forces is to awaken and to shape the concept of good and evil within the human being.... The same applies to the dangers of the world which are also permitted for the sake of a final choice of direction.... either for good or for evil. This detachment of the soul from the constraints of darkness needs to be aspired to and done entirely voluntarily. For this purpose, however, evil must be able to exercise its influence too, for if a soul does not know evil, the state of perfection without a fight would be valued far less than if it were achieved by constant struggle.... Although there is sufficient opportunity in every situation in life to fight evil, the power of darkness will certainly predominate in the commotion of the world.... it will try to approach the human child from all angles, and the merit of such soul will be far greater.... The earthly children's love for Me, their Creator and Saviour, is indeed a fine testimony for all those who want to serve Me, but a life in seclusion without this love would be a mere escape from an environment especially created for the purpose of humanity's perfection, which then would not result in any blessing for the person.... because the criteria and stages of temptation would not be overcome but avoided.... And to maintain one's love for the divine Saviour amidst the commotion of the world is very enjoyable indeed.... To renounce earthly joys and cravings due to this love will result in a child who is pleasing to God on earth already, who will also be carefully looked after by the Father and lovingly and paternally guided past all obstacles in life. You humans on earth should also consider that you yourselves chose this state of embodiment on earth.... That you were willing to accept every burden on earth in order to achieve the degree of childship to God, which is meant to shape you into Godlike beings....

Although it is up to your free will to then withdraw from your designated fate, and your good intention to serve Me is not to be condemned either... but you are depriving yourselves of the opportunity to achieve a degree of perfection, since you consciously abandoned this opportunity after all. The human being matures and shapes himself the more willingly he accepts the suffering of the world... thereby becoming a bearer of the cross and voluntarily walking the narrow path, which has no boundary and can be easily exchanged again for the broad road... the earthly joys and pleasures... in contrast to the broad road which makes a crossing on to the narrow path impossible. And thus the former is indeed significantly more commendable for your soul, which is in need of deliverance and light.

Amen

Monastic life?.... (Concerning a previous conversation)

B.D. No. 1027

July 29th 1939

As soon as the change begins in the life of a woman's soul her ability for spiritual acceptance will increase; and during this time all worldly experiences can have a retrospective effect on the state of the soul. For a period of years certain laws of nature are influencing the human body such that it cannot counteract them without damaging itself... This compulsion is effectively necessary in order to preserve the human being's sexuality which, in turn, is absolutely essential for procreation. As long as this instinct is clearly expressing itself, as long as the person is always trying to accommodate it, the soul's desire for spiritual nourishment will not voice itself...

This becomes more understandable as the human being's desire for physical fulfilment of the natural instinct decreases. This very desire automatically ties the human being to earth as if he was chained... he is unable to ascend spiritually, and therefore the development of his soul becomes doubtful. Consequently, no pure, God-pleasing relationship can ever be established from earth to the spiritual world as long as the body's desire still aims to fulfil its natural instinct, because these two worlds do not harmonise with each other. Although God Himself has placed this natural instinct into the human being he also has the option to resist it voluntarily. However, when people indulge in it without hesitation the soul's ascent will be obstructed... whereas every resistance to this desire will also loosen the soul's chains... And therefore it is extraordinary beneficial when the human being fights his craving during that time. Giving way to this instinct is only intended by God for the purpose of creating a new human being, otherwise every person should make an effort to live a pure life since he will provide the soul with undreamt of spiritual advantages.

Once this physical impulse is overcome, i.e. once it has been successfully resisted and thus the fulfilment of bodily lust is no longer banishing the soul in a state of constraint, it is free for its flight of ascent, and it will then be able to make uninhibited contact with the spiritual world. The human being was provided with every opposition in order to overcome it in life, and it is far more commendable to have resisted and defied the world with all its oppositions than to have deliberately avoided it. The Father in heaven knows of everyone's desire and the degree of love for Him, consequently He will also provide His children with trials in order to test their will of resistance, and this should be sufficient for you.... (Break)

Monastic life?....

B.D. No. 1028

July 29th 1939

(concerning a previous conversation) A natural limit has been set when the strength of resistance is threatening to wane, and then the soul can expect help if it is too weak to stand firm by itself. A woman's purpose in life mainly involves caring and supportive work, and she receives her strength to do so in the same proportion as she is expressing her love, and thus a sphere of activity exists especially for the woman on earth which offers the soul ample opportunity to mature. There is no need to tightly limit her duties in order to live for the Lord's pleasure in seclusion on earth. Anyone who wants to work to a greater extent in the service of neighbourly love will also be offered adequate

opportunity for it in the outside world. It is therefore not especially beneficial for the soul if a field of duty is imposed on the person which is in fact conscientiously carried out but only as a kind of personal obligation.... under conditions which exclude a refusal or non-compliance of this fulfilment of duty, and therefore the work of loving service does not always correspond to the person's free will. The will of the person who puts himself into such an obligatory situation may doubtlessly be good and his intention may well be to dedicate his life entirely to the Lord and Saviour, but he does not consider that everyone can utilise and develop his earthly life in the midst of worldly commotion and that he will be offered more than enough opportunities for active neighbourly love....

Amen

Other religions' attitude towards Jesus Christ

Other religions' attitude towards Jesus Christ....

B.D. No. 8824

July 2nd 1964

Time and again you will ask yourselves why I don't convey the knowledge of Jesus and His act of Salvation to those who seriously strive for perfection but belong to other schools of thought? Why they don't accept the belief in His mission and yet their striving to achieve perfection in this life already cannot be denied.... They recognise a supremely wise, loving and powerful entity above themselves and seek to gain its favour through self denial, through asceticism and labours of love for their fellow human beings; they are also willing to accept a most arduous earthly life for the sake of their perfection, yet they generally isolate themselves from people. They, too, have knowledge of Jesus, if only at first of the man Jesus, Who had to sacrifice His life on the cross, therefore it is not a matter of lack of knowledge.... It should be their duty to investigate Him, especially if they want to present themselves as teachers of other people when they, due to their knowledge, occupy a position of superiority. For they also know the process the man Jesus Christ had to endure purely as a human being.

When a being of light without original sin incarnates on earth.... for the purpose of a mission.... it will also know of Him. People who are interested in self-redemption should give serious thought to this problem as well.... I will always support them in this since they have already relinquished all opposition to Me. Their original sin can only be redeemed by Jesus Christ, but anyone with a genuine desire for Me will not find it difficult to come to this realisation, since I Am, after all, solely concerned with conveying the purest truth to people....

Thus I speak of those with a reputation of wisdom and whom people should use as an example.... who can be clairvoyant at will and who have the gift to move about outside their body.... but who could also recognise the mission of the man Jesus Christ if they wanted to.... for I will always let them become aware of the truth. But in spite of their desire to achieve utmost perfection they do not want to know this particular truth. Consequently, Christianity will find little support even there and My human manifestation in Jesus will not be acknowledged either: However, beings of light are also embodied everywhere, especially during the last days before the end.... And they can be informed by My spirit about the significance of Jesus Christ's act of Salvation.... For they bring the Gospel to people and make them aware of the strength of love, the true succession of Jesus, Who had to go through love and suffering before He accomplished the act of Salvation.... And corresponding to their love people will be assessed.... And people who live in love will easily awake to the truth, and they will acknowledge Me in the kingdom of the beyond, when they have left the valley of earth and then appeal to Me for forgiveness of their original sin....

Amen

Reply to a question about 'Yogis'....

B.D. No. 8800

April 6th 1964

Your appeal to Me will never be in vain when you come to Me in spiritual distress.... and you are in spiritual distress when you are moved by questions which you cannot answer yourselves, and when answers are demanded of you who work as My messengers on earth. There is no question I could not answer since no other being exists but Me Who knows everything and can therefore also instruct you appropriately. However, it also necessitates a certain degree of maturity to understand what I want to explain to you, because you need a small amount of spiritual knowledge already.... you

need to know the reason and purpose of your existence as human beings on this earth. Thus you must have received the first piece of information already, then you will also understand what follows.

You know that beings of light, non-fallen beings, also live on earth at all times. They have the constant mission to inform their fellow human beings of a God and Creator and let them know of His will. Because the same happens everywhere on earth, people indeed have a spiritual concept but they rarely live in truth and will always obey human laws because they have a certain amount of fear of the Power which is figuratively presented to them. They are hardly ever taught the pure truth because error is predominant in all places on earth. And therefore spiritual mentors will arise among humanity everywhere.... people who were given the task by Me of conveying the belief in a God to their fellow human beings and of informing them of My will, so that every human being will be able to lead a way of life which will help his soul to achieve full maturity. And the more primitive people are, the stronger are the beings of light which embody themselves amongst them. But these beings live life on earth as human beings, they, too, have to struggle for comprehension first, they have to live a life of love, since love is the only strength they need to become true leaders of their fellow human beings. This concerns the question: do people receive supernatural strength, which they unfold to perform remarkable actions, from Me or from My adversary? Love assures their flow of strength from Me, for as soon as they live with love they are also closely united with Me and will then be able to accomplish whatever they want. But they can also acquire strength from below, they are equally supported by My adversary who will provide them with strength if they are not pure spirits of love.... thus originated from Me to accomplish their mission on earth.

If, however, they have love then they will also be enlightened, they will be aware of their fellow human beings' state of suffering, but they will also know of the relationship between the human being and the whole of creation with Me, the God and Creator of eternity. They can now make His strength their own and I will not withhold it from them, because I see a sincere effort for perfection in these people, and because they are no longer burdened by the original sin and therefore need no longer fear a restriction of power on My part either. Consequently, they themselves.... as already enlightened beings.... do not need salvation through Jesus. But all their fellow human beings are in need of it, and they have to inform them as well of the One, in Whom I manifested Myself as a human being in order to atone the original sin of all beings. They don't lack this knowledge but they themselves, being the representatives of other religions, spread a veil across one of the most important problems, they do not enlighten their fellow human beings because they do not want to acknowledge Jesus' special position. They regard Him as one of their own and not as the One, Who was the external cover for the eternal Deity Himself, and Who is and will eternally remain a visible Lord and God to all beings.

It is barely understandable that people, who are in heartfelt contact with their God and Creator, ignore this problem.... that they, on earth and later from the spiritual kingdom as well, teach innumerable people and always introduce themselves as beings of superior and exalted standing and yet do not emphasize the One, Who actually and absolutely is God: 'Jesus'. These spirits of light also walked the path through the abyss once, they recognised and acknowledged Me and passed their test of will, but they did not achieve the highest degree of childship to God. This requires complete acceptance of My will, but they stop short of completely submitting themselves to Jesus.... Who is and remains God eternally.... They undeniably achieved the highest degree of maturity on earth, they have utilised My strength and are able to work (although they now make use of My strength on earth) and accomplish miracles with it, but Jesus' sacrifice on the cross was not the decisive factor for them. Consequently, they only ever portrayed Jesus to their fellow human beings as a most perfect human being, as a master like many of themselves.... and not as Someone in Whom I wholly manifested and worked Myself, in Whom I Myself atoned the guilt of sin by way of the death on the cross. But when any of the exalted spiritual leaders on earth recognised and acknowledged the Redeemer Jesus Christ, he also sought to guide his fellow human beings into the belief.

And thus many people belonging to completely different religions will not find Jesus until they are in the beyond and will only then be delivered from the original sin, because this sin cannot be atoned by any other human being on their behalf. The original sin can only be redeemed by Jesus Christ.... by

God Himself... and therefore He also has to be acknowledged as divine Redeemer. And no-one will ever attain beatitude without first having been delivered from his original sin, which can only happen through the One, Jesus Christ, Who was the external shell of the Eternal Deity Himself. There are certainly many people who live a saintly life, who aspire to attain the highest perfection on earth. And yet there is a difference between them and Jesus... because He had known of His mission since the beginning of eternity, He also knew of the agonising death He would have to suffer... but, furthermore, He knew of the original sin which burdened humanity. His soul descended to earth and travelled the path as a human being in order to atone this original sin. And He invited all people to follow Him, He bridged the vast gulf which then could be entered by all people, since until that time there had been no way to get from the realm of darkness into the kingdom of light. The beings of light, which had been sent to earth as prophets prior to this, announced Him, the Messiah, Who was to bring salvation to people. And only true following resulted in people's perfection again.... the attainment of the original condition. God's will was proclaimed to people by prophets first and Jesus Himself, since it was no longer known to them due to the original sin by which they were burdened. Thus people, who were burdened by the original sin, have never been able to achieve a high degree of maturity on earth as their will was completely weakened. However, those who performed remarkable deeds on earth, who developed supreme spiritual abilities and were already perfected masters to their fellow human beings, would never have been able to reach this elevated position had they been subject to the restriction of the original sin.

But they had descended from above in order to help people. They were not fallen original spirits but had remained loyal to Me.... yet they can, at any time, also walk across the earth in order to voluntarily shape themselves into 'Gods'.... which I could not create for Myself and which had to be achieved by the human being's free will itself. And again, I have to emphasize that it only required a life of love, that those beings could develop all divine abilities in themselves as human beings and that every human being can achieve this if he genuinely strives for highest perfection, which is proven by My Words 'Be ye therefore perfect, even as your Father Who is in heaven is perfect.' Thus this high degree of maturity can also be achieved by people who were redeemed of their original sin by Jesus Christ.

But if a human being is an embodied being of light, which is not burdened by this original sin, it can more than ever achieve this deification on earth, and in view of his exalted maturity of soul he will also be able to recognise the work of Jesus and His special mission, but he will always only attempt to motivate people to also achieve the highest perfection. Yet even such an exalted spirit will not be able to free people from the burden of the original sin, since only Jesus' act of Salvation has accomplished this.

He can only atone the sins 'on behalf' of someone which were committed by the human being as such, if he has greater than great love and he wants to help his fellow human being. But atonement for the original sin was only achieved by one human being: Jesus, the only begotten Son of God, in Whom God manifested Himself as human being, because love atoned for this sin and I Am love Itself. Even the most exalted beings of light in the spiritual kingdom acknowledge Me in Jesus, since I also became a visible God in Jesus for these beings.

And this human manifestation of Mine in Jesus is the difference between Him and exalted, mature spirits, and this human manifestation has to be acknowledged by every being which desires to see Me one day, otherwise even the most exalted beings of light would never be able to see Me face to face, and therein rests utmost beatitude.

Thus it can be rightly stated that no human being can become blessed without Jesus Christ, and the final goal will always be the complete union with Me.... nevertheless, every being maintains its own consciousness. Jesus, however, has received Me fully.... He and I are the same.... But you will only completely understand this when you have entered the kingdom of light....

Amen

It is inconceivable to you that a being of light embodied on earth might not be able to fulfil the mission for which it lived on earth.... Every being has its own free will which I do not compel by any means. And thus, the being of light will also be able to study the doctrines of its religion even if they vastly contradict the truth, which it receives through its own illumination although it is by no means forced to accept these insights.... The being of light came to earth as a human being, and as a human being it has to struggle with existing misguided teachings too, which it could certainly recognise as such, but its free will has to be respected if it refuses to do so. For precisely because these humans are highly educated, because they even know the mysteries of creation but believe that they had acquired their knowledge themselves, they feel entitled to indisputable acknowledgment by those who want to be instructed by them....

However, since they represent a completely different school of thought which rejects the belief in Jesus Christ, it is not unusual for these beings of light to fail on this specific point.... they can indeed initiate their students into everything they accept themselves but they do not fulfil the task of proclaiming Jesus Christ's act of Salvation.... apart from a few who completely detached themselves from their school of thought and through inner experiences then received the grace to become completely convinced of Jesus' Divinity. The earthly progress of those beings of light did not result in ultimate perfection, nevertheless, a being of light cannot fall again but it can offer to repeat the earthly path time and again. In addition, incarnated beings of light on earth are without past memory.... thus they believe themselves to be on earth for the first time, or they accept a repeated embodiment as consequence of their religion, which may well be justified.... but they adamantly reject the thought of salvation, they believe in self-redemption through their own will and own strength. This attitude prevents them from speaking on behalf of Jesus Christ and My human manifestation in Him. However, their will is free and with it the spiritual knowledge they pass on and.... since it encourages the human being's own effort as well as his self-denial, his struggle against himself.... it can also be beneficial, but it ignores the most important problem.... the redemption through Jesus Christ.

Nevertheless, there is a danger that people with knowledge of Jesus Christ adopt their ideas.... that they sacrifice their own knowledge in favour of mentors from other countries.... that they forfeit what they owned, that they even allow themselves to be instructed by 'spirit guides' who passed over into the beyond in ignorance. For even in the beyond their will remains free as long as they inwardly reject the thought that Jesus occupied a special position, that He sheltered Me Myself within Himself.... But this happens very seldom, since the beings of light rather quickly gain the true knowledge....

However, anyone who makes himself known as an 'ascended master' is merely using this name to deceive you, because I will only instruct you through the spirit which conveys purest truth to you. Teachers who instruct you on My behalf are not authorised by Me to impart their names to you, the others, however, only pass on their knowledge to people in a state without willpower, in a state of mediumship, which does not offer any guarantee that you are controlled by good spirits.... Time and again your attention is drawn to the fact that only My spirit teaches the truth and that it will not let you go astray, and the evidence for this is Jesus' act of Salvation and My human manifestation in Him. Only that is your guarantee for truth....

Therefore I caution you against accepting information from those who undeniably have utmost intellectual knowledge and can enlighten you about mysteries of creation, if they do not have knowledge about Jesus and His act of Salvation. Then you, who had knowledge and surrendered it on their account, will regress. They are too absorbed in their religion but their will is free and I do not force them either, although they descended to earth for a purpose of a mission: to spread the truth.... However, they will discover this truth as soon as they pass away from this earth and then they will also be able to convey it from above....

Amen

You have taken on the significant task of spreading the pure truth conveyed to you from above, which is especially important because it is opposed by My adversary everywhere. And you will realise that he is predominant because people's nature turned them into his slaves, since they accept everything they are offered but are unable to distinguish where it comes from.... And yet it could be easily established, for if it is truth, Jesus Christ's act of Salvation would have to be mentioned without fail. This act of mercy has to be emphasized as the quintessence of pure truth. And then you will be able to easily see what corresponds to the truth.... For I explicitly pointed out that every spirit who professes that Jesus Christ became flesh in order to redeem the world will not instruct you incorrectly either. After all, it concerns the fact that Jesus Christ is the Redeemer from sin and death....

You humans are burdened by the offence of the original sin, and you can only be released from it by carrying it to the cross.... And you have to believe this.... Absolute proof cannot be given to you because you have to take the path to the cross voluntarily. Only this will result in a life of beatitude when you have to leave our earthly body and enter the kingdom of the beyond.... your true home, which will then also offer you the fate you aspired to on earth. You humans have to believe that you are the fallen original spirits, that the path across this earth is transient and only requires a test of will in order to regain your true nature, to create and work in My kingdom as blessed spirits once again, providing you don't fail and then have to repeat the development through all works of creation....

And this is the pure truth you should support since the extent of error is increasing, because people are experiencing the last days and My adversary is succeeding in deceiving them. He is so clever that he has found many gullible followers who, however, have fallen victim to mediums, to hypnosis, to self-deception through suggestion, all serving the same purpose again: to reject the divine 'Saviour' or to present Him as a 'mere human being', Who certainly pursued the highest goals but was not the 'embodied Deity Himself'. However, anyone with the sincere desire to know the truth and who, through a life of love, shapes himself such that My spirit can flow into him, will also be given the knowledge of Jesus Christ and His act of Salvation.... If he does not receive it during his earthly life, then his degree of love is decisive in order to convey this knowledge to him in a flash when he enters the kingdom of the beyond. Then he, too, will utilise the blessings of the act of Salvation, he will hurry into the divine Redeemer's arms and also find redemption from all guilt. Hence only a life of love is necessary to receive this knowledge which, however, will always be the same, because truth can only be what I Myself give to people who prepare themselves as a vessel for the spirit.

The fact, that beings of light are time and again willing to come to earth in order to convey the correct knowledge to people cannot be denied, yet they are faced with difficult conditions in relation to preconceived opinions.... as they belong to different schools of religion.... No matter how much people try to perfect themselves.... they can only achieve this by living a life of love. But then they are also open-minded for correct instructions relating to the divine Redeemer.

But where entire nations are inaccessible to the truth, where only individual people are willing to accept it, My love cannot exercise force, and I will be satisfied with an honourable way of life which will also bear fruit. But I will not divert from the truth in as much that I would apply different laws to other people, even if I admit that people with a high degree of maturity are able to take actions above and beyond their human abilities.... But then they also have the inner awareness of Jesus Christ as the 'divine Redeemer', Who has to be approached by everyone in order to be freed from their original sin. For only this knowledge will result in your blissful life in the spiritual kingdom, which you can expect after the death of your body. Because your existence on earth is transient, the spiritual kingdom is your true home where you will live again.... when you have found salvation through Jesus Christ.... in your true state, as it was in the beginning....

Amen

Why do you not keep to My simple explanation that I Am not visible to you humans in My fundamental nature, which would consume you if I were to illuminate you with the abundance of My strength of love? Why are you not satisfied with the explanation that I created a form for Myself in Jesus in order to be visible to you? You will, however, fight in vain against those who want to believe that Jesus and I are separate beings, who rely on information they don't understand due to their unenlightened spirit. No-one can see God.... without ceasing to exist.... In Jesus I Am visible to a person. Where people allegedly have seen Me and Jesus, the error is obvious too, since this can never ever be possible. Even the disciples could not comprehend this enigma apart from a few, and thus reports appeared which did not correspond to truth.... which should always be questioned whenever people speak of a Deity separately from Jesus.

Stephen certainly saw heaven opened and he also saw Jesus in radiating brightness, he saw Him as God, but the people with him associated his vision with purely human concepts. The sentence 'the Son of man sitting on the right hand of God' was added by people.... since it is not possible because Jesus and God are the same.... I Am an immensely bright fire Which cannot become visible to you, which you cannot see in your imperfection and which even in the state of perfection would affect you to such an extent that you would want to pass away. Thus, anyone who states that he saw 'Me and Jesus at My right hand' is still bound to the Scriptures, which he himself is unable to understand, which speaks to him in images, but the words of the Scriptures do not reflect what Stephen exclaimed during his spiritual vision.

And the same applies to the basic doctrines of the church which state 'that Jesus is sitting on the right hand of God'. These developed due to a misguided perception.... The reason for the apostasy from God was that the beings were unable to see Him, He did not reveal Himself as Entity.... and therefore He created a form for Himself into which He radiated Himself....

Thus I became as one with this form Jesus.... This also applies to the teachings of the Mormons who are equally unable to understand the human manifestation of God in Jesus and therefore endorse the doctrine of three Gods. And this is what I want to say to them: You believe that you cannot let go of this doctrine but you should know that it is no longer taught to you as it once emerged from Me.... Because you, too, received My Word in all truthfulness, but what have you done to it?

Anything that originates from Me is purest truth, but it is no longer known to you. You have turned it into a misguided teaching which deviates from the truth in many ways, and now you attempt to pass these misguided teachings on to those whom I instruct Myself....

Yet time and again I will choose a suitable vessel for Myself into which I can pour My spirit, and this can carry bright light into the darkness of spirit.... it can enlighten you about those problems which arise from controversial issues.... And you will benefit from this, because only truth takes you to the goal. I constantly seek to transmit it to earth so that no-one who desires the truth can say that He was not approached by Me. You only need to desire it sincerely, otherwise it cannot be given to you, since this is My condition which I cannot revoke. Then the truth will surely be given to you and you will also reach your goal with certainty.... you will become blessed for eternity....

Amen

Satan's deceptive lights

Satan's work of deception.... Mask.... Matter....

B.D. No. 2204

January 6th 1942

It is Satan's work of deception when something is portrayed to people as a rescue mission but which, in reality, is a work of utmost heartlessness.... when people believe a most bitter injustice to be right.... when noble motives are feigned which are based on low and selfish thoughts. Satan will use words of love to appeal to people, and he will be very successful since, due to their heartlessness, people have become unable to recognise the foul play of Satan, who wants to lure them into ruin. He will always use means which appear to be good and noble. He will never fight under his true banner but always conceal his true character behind the mask of good. And therefore it is particularly important to stay alert so that people, who always want to do what is right, will not become victims of this pretence. The human being should never judge by outward appearances. Word and action have to correspond, and where love is truly shown the work of God's adversary need not be feared. Satan, however, will never do a good deed since it is his goal to fight everything good and noble, consequently he tries to incite people into harming each other.

But God will never be a passive observer where His adversary is deluding people's thinking in order to keep the souls from the pure truth. And thus, where God's adversary is actively spreading error under the cover of love and humanitarianism, God is at the same time providing information about the true nature of the one who is now presiding over humanity. God will still leave him in full authority for a while, which he will use extensively, but the time for his destructive action on earth is limited because the true face of Satan shall be revealed and his actions exposed. Anyone whose will is turned towards God will recognise Satan's work of deception and turn away from him in disgust; however, many will allow themselves to be deceived by him and they will find it difficult to see through the intrigues of evil powers.

But as a warning you all should know that every promise of earthly advantages suggests the work of evil forces.... that good forces will never be involved in an endeavour which is to serve the improvement of earthly life, for this would result in the aspiration for matter which, however, should be overcome in earthly life.... But this is what God's adversary aims to achieve first and foremost.... to enslave people with matter, to motivate their desire for it in order to once again bring them under his control. And thus the activity of Satan is revealed by his attempt to increase what the human being should gladly surrender....

Amen

The adversary's mask....

B.D. No. 3191

July 16th 1944

People allow themselves to become beguiled by the adversary's mask and do not recognise his game of deceit. For this reason he is gaining ground everywhere since God does not set him a limit as long as the human being himself grants him power over his will. But he is using this power in every respect by means of increasingly bigger works of deception in order to mislead people. They could certainly see through it if they were striving for righteousness and justice.... But such endeavour is the last thing on their mind, everyone is merely interested in themselves and their advantage and no-one questions to what extent the next person has the same right. It is selfish love by which the human being delivers himself to the opponent and which also blinds and disables him to become conscious of his activity. But if the human being himself does not resist he will fall prey to this control and all

clarity of thought will be lost to him. Because the goal of God's opponent is to confuse people's thoughts so that they will increasingly fall away from God and become unable to withdraw from his lure by themselves, that he will rage and unreservedly pull them into ruin without meeting any resistance, because only the human will is decisive and this is too weak. (Because) The adversary represents the world and therefore is a friend of those who are attached to the world.

But he is approaching under the cover of piety, and thus people allow themselves to be beguiled by him. He feigns goodness to them but his actions are evil, since he propels people into heartlessness, into self interest, into pursuit of earthly wealth, into increased physical comfort, and all this is a decline of the soul's development, it is a disregard for the real purpose of earthly life, the maturing of the soul. And people do not recognise it because they are enslaved by the power which aims to separate them from God. Yet even this enemy of souls takes the name of God in his mouth, he wears this cloak in order to remain unknown, and his cunning is successful and puts untold people under his spell. But woe unto them when his cunning is revealed, when the mask drops and his true face appears.... Then they can only save themselves from his power with great difficulty, for they had left Him, Who is Lord of all creation, Who can redeem the human being whose will is willing to be redeemed. But the enemy's cunning consists of first removing a person's belief in the help of the divine Redeemer as well as in His Divinity Itself. And those who are spiritually blind will follow his banner and voluntarily separate themselves from their soul's Saviour. Humanity, however, does not recognise the dark power's activity, it sees light where there is utmost darkness, because making believe that there is light even though it is darkest night is also an act of Satan's deception. And they flee the true light and do not accept the cautions and warnings which are given to them by the appointed messengers.... They worship an idol whose power in fact merely consists of weakening the human will but who is powerless when this will turns towards God.

And you will recognise this idol by the fact that he will not do anything to increase your faith in a loving, wise and all-powerful God. That the name of God will indeed come forth from his mouth, but he will not give him authority by deliberately calling on Him, that he will ignore love and for this reason is far removed from God, the eternal love, that he will not acknowledge Jesus Christ, the divine Redeemer, and thus he is an obvious opponent of Him, who will put humanity, which is in need of redemption, into bondage once again if it follows him and puts itself under his banner....

Amen

Soft light.... Deceptive light.... (Sensationalism....)

B.D. No. 6639

September 8th 1956

Due to the fact that people are moving increasingly further away from the truth their spiritual adversity is steadily increasing. They are no longer capable of discernment, error and lies seem more believable to them than pure truth so that conveying truth to them is becoming ever more difficult, precisely because their thoughts are confused due to the influence of the one who opposes the truth, because he opposes God and thus will do anything to keep people's thoughts confused. You can truly call it spiritual chaos, and if truth is to prevail again it can only be brought about by people who receive the light of truth from God and thus, as bearers of light, try to pass it on. But even these bearers of light will find it difficult to be accepted, because the places where they want to work are particularly besieged by opposing elements, who more or less counteract them such that they apparently represent the same, in order to confuse even those who are willing to accept the truth. You humans have no idea about the battle of darkness against light during the last days before the end. Yet people would not need to fall victim to this battle, for anyone who desires truth from the bottom of his heart truly need not fear wrong thinking, and he will always notice when the adversary has infiltrated the spiritual knowledge that is offered to people. Thus he will also recognise where truth is to be found, and he will join the bearers of light and gladly accept the truth of God from them.

The truth is glowing but it is not a deceptive light.... and a deceptive light is anything that affects the eye as dazzling as lightening, rendering it unable to recognise the true light, which only emits a soft light that is soothing to the eye....

If you now consider Christ's plain and simple teaching and the powerful effect of the pure Word of God.... and compare them with the restlessness, tension and sensationalism people are subjected to through reports, which pretend to be of spiritual origin but make a person insensitive to Christ's simple teaching, so that he only ever wants to see the unusual, exciting.... then you also know what is meant by 'deceptive lights' and that they cannot benefit your soul. If you turn to God you will also be looked after by God.... but if you turn to the powers in the universe whose actions you are unable to judge, you can also expect flashing deceptive lights from the universe, and then you humans will become confused, which is to be expected, since God's adversary has found a suitable ground where he can establish himself.

As long as people are offered alternative nourishment to the 'divine Word', which appeals more to the senses than to the heart.... as long as activities of the spiritual world are associated with appearances of a mysterious nature.... thus, as long as 'sensations' are sought or feigned which, however, do not result in any ennobling influence on people's souls, it is not God Who is at work but His adversary in disguise, in order to gain people for himself, in order to destroy their appreciation for the light from above, for the pure Word of God. And he is succeeding at this to an alarming degree as long as a person's mind does not exclusively belong to God, as long as the world is not entirely overcome by those who believe that they have been called to improve the world and its people.... who are not satisfied with the soft shine of the divine light of love but prefer the dazzling glare of lightening and become blinded by it....

Amen

Errors in the space research

Astrology.... Destiny in the stars....

B.D. No. 4748

September 27th 1949

Only what is relevant for the redemption of the spiritual substance, hence only what provides more or less detailed knowledge about My plan of Salvation and thereby also testifies to Me and My fundamental nature, should be regarded as given by My spirit. Knowledge outside this framework, which neither awakens in people the belief in My love, wisdom and omnipotence, nor promotes the individual's maturity of soul.... furthermore, knowledge which contradicts Christ's teaching such that it negates the human being's free will, which thus would leave the person at the mercy of his destiny without his own will.... finally, knowledge which believes that it can reveal a future veiled to people by My wisdom.... is not the working of the spirit and therefore not in accordance with My will. Rather, it is My adversary's means to divert people from true knowledge and to mislead them. People will never be able to ascertain or calculate how an individual person's destiny unfolds itself, all such claims are wrong conclusions or conjectures. They could certainly be coincidentally accurate but then never on account of calculations or influences from specific stars; instead a person's destiny always corresponds to My plan of eternity which is based on the human being's free will.

In the great space of creation myriad stars are indeed visible to the people of this earth, but these stars do not exert an influence on people, (28.09.1949) which can be understood by anyone who considers that countless stars are moving within their designated orbit, that this regularity has been recognised by My wisdom since the beginning of eternity to be good and right, that all stars support living beings for the purpose of higher development and that their destiny is also determined, but it will never be affected by other stars. The inhabitants of earth can only physically sense atmospheric currents which appear in the proximity of certain stars but they have no bearing on the destiny of an individual person.

The conformity to law in the entire universe, the eternal order which can be seen in My creation, is certainly sufficient evidence of a guiding power.... But the same order also takes place in the process of development of the beings, for whom creation as a whole came into existence in the first place.... The fact that these creations have a certain influence on the development of spiritual beings is correct, but only in as much as that they provide the latter with the opportunity for perpetual transformation and therefore gradual ascent. However, in the stage of free will people are confronted by events the way I, in My wisdom, deemed them to be beneficial for the being. The fact that all life on Earth takes place with a certain regularity causes people to come to wrong conclusions.... they interpreted this regularity in line with their own ideas and concluded that they relate to the destiny of the human being. Yet these investigations do not correspond to the truth by any means and are not approved by Me either, for I will always accept the human being's free will, even though I have determined his fate since eternity....

Amen

Contact with inhabitants of other worlds.... 'In My Father's house....'

B.D. No. 7601

May 17th 1960

Countless heavenly bodies circle the universe, and they all have the task of helping immature souls reach maturity....

So now you can understand the Words: 'In My Father's house are many mansions....' And every star receives the souls whose state of maturity is suitable to its conditions; in other words, the potential for

maturity differs on every star and the souls are placed accordingly. But the living conditions, too, are always different, because the stars' nature and consistency vary. A detailed description cannot be given to people on earth because much would be incomprehensible to them and requires spiritual knowledge in order to be understood. But for all souls, whatever their degree of maturity, suitable stars exist for maturing, where souls of good will are able to ascend. For even there the spiritual beings' free will is taken into account, even there spiritual constraint is not applied, although the respective living conditions constrain the beings to the extent that they have to accept them or they could not survive in their world. And everywhere the beings will receive a light which reveals the purpose of their existence.... Whether they accept and utilise the light is up to them but it is decisive for their ascent. And all these works of God's creation are 'mansions in the Father's house....'

Hence all spiritual essence will one day achieve the degree of maturity which will enable it to exchange physical creations with purely spiritual ones.... which you humans are unable to perceive with your physical eyes. Because everything that is visible to you are creations which shelter beings which are still immature, since perfected beings are active in the kingdom of light and no longer require 'visible' creations for their abode. But the distance between all these works of creation is vast and they are not within reach of each other either.... The inhabitants of all these worlds are tied to their planet, to the star on which they live.... They are only able to change their abode after reaching a certain degree of maturity, and not arbitrarily but in line with God's fundamental law.... to which all His creations must submit, including the beings who are allocated to them. It is therefore foolish to assume that the inhabitants of these worlds could arbitrarily depart from them and approach other worlds without fearing their own destruction. Because the living conditions are different on all stars and these cannot be excluded arbitrarily. However, during the last days even such plans are being worked on.

(17.05.1960) God's opponent takes advantage of people's gullibility by feigning that they can have contact with inhabitants of other worlds and that these, for apparently good reasons, also want to make contact with the inhabitants of earth. He intends to undermine the belief in an end of the old earth and thereby prevent people from preparing themselves for this end.... But people should be informed that earth is a planet on its own which has no connection with other worlds, and that any connection with other worlds can only be spiritually established.... Hence the human being is, in fact, able to make contact with inhabitants of advanced worlds, with the kingdom of light, by way of good and appealing thoughts for help at times of spiritual hardship.... which will then be given to him spiritually.... but that it is not advisable for him to call on beings on other stars whose spiritual degree of maturity and their ability to offer spiritual help is unknown to him. Physical help is definitely out of the question, as God's adversary would like people to believe that these beings could exert their influence on the inhabitants of earth before a final destruction. Only God can provide the right kind of help when the time arrives which is feared by you humans, and if you believe it He will grant this help to everyone who asks for it.

And He truly has enough angels who exclusively comply with and implement His will, and they will also take care of people when the hour comes.... But God's adversary has found fertile ground in people's gullibility onto which he can sow many bad seeds. People would rather accept his misguided instructions than pure truth, which shows the value of his seeds. Because error is always accepted over truth, the human being will always seek to gain advantage from error and reject the truth, which does not promise him any profits. The end is near, and it will come without fail.... Every teaching is wrong which questions an end or provides people with a way out that does not correspond with God's will.... For God Himself will lead everyone out of danger who entrusts himself to Him, who takes refuge with Him, who belongs to His Own who need not fear an end....

Amen

You will receive light on all subjects through My divine revelations, no question will remain unanswered if you ask Me with complete confidence that I will give you an explanation. Therefore nothing needs to stay unexplained; you need only ask yourselves in order to receive a truthful answer.

Time and again doubts arise in you because you believe that you are allegedly able to prove the existence of so-called spaceships (whether or not evidence could be produced of the existence of so-called spaceships) which come to earth from other stars.... But if you seriously investigate these alleged appearances you will not be able to provide one hundred per cent proof. You will find that these statements are always based on mere presumption or self-suggestion, for which no proof can be found. The explanation rests in the fact that people fall victim to the adversary who, in the last days, is able to resort to lies and deception because people themselves want to experience sensationalism, and nothing is too fantastic for them.... and so their thoughts are completely confused. If people had spiritual knowledge they would know that there is no prospect of contact between the individual stars, that the inhabitants on other stars will never be able to leave their sphere and approach other worlds.... The claims made by these people are pure inventions and no person will ever be able to prove his claim to have been in contact with inhabitants from other stars. However, people can fall prey to the adversary's works of deception and, due to their imagination, can be receptive to delusions which originate from him, but these cannot have physical consistency since My adversary lacks the power to produce material objects.

Nevertheless, where actual physical objects have been sighted by people these objects have their origin on this earth They are test objects of researchers who, with intensified effort, intend to dominate earth's outer space.... Rumours that are spread about extraterrestrial beings, who supposedly come from other stars, are deliberate lies because no human being will be able to prove they have spoken to such alleged 'star-dwellers'. The circle of those who affirm such appearances will never include spiritually enlightened people because they are My adversary's absolute servants, whom he can use for his purposes.... always provided that it does not concern earthly test objects which could be seen by anyone.... which then, however, will be portrayed as extraterrestrial objects by unenlightened people, or by people enslaved by My opponent. Time and again I emphasise that there is no contact between individual stars and that there is good reason for it.... If you humans even assume that these alleged messengers from other stars want to come to earth to save you, then they would also have to actively help you humans on My behalf.... Consequently, if I had given them this task....they would always have to establish and maintain the connection with those who are My Own, with those whom I will lift up to heaven in the end.... In that case My Own would see these objects and their occupants too.... which will never happen.... because I will explain this misconception to them and inform them of the pure truth.

But those who make and believe such assertions cannot be spiritually enlightened, they always pursue purely earthly goals and believe My adversary's promises, who wants to prevent people from making heartfelt contact with Me, which is the only guarantee for their rescue at the forthcoming end of this earth. You should believe that it is truly possible for Me to protect every individual person and at the end of the earth lift him up to heaven because the destruction of earth, as it exists now, is inevitable.... And believe that I have countless angels in readiness for this, but that they will never appear to people beforehand as inhabitants of other stars.... And since I convey the pure truth to earth because you humans are in need of it, I would truly also inform you of this if it corresponded to the truth. But I will continue to warn you about My adversary's artful deception in the last days before the end, who uses earthly activities to deceive people, as well as suggestions to cause mental confusion.... because people will blindly believe what is presented to them as long as they are not permeated by the longing for truth, for then they would also always receive the truth....

Amen

False prophets

Determining the time of the end - False prophets....

B.D. No. 5162

July 1st 1951

The intention to determine the time of the approaching world judgment does not correspond to My will and My wisdom, which recognises full well that knowing the time and hour would not be beneficial to you humans, as it would influence your thoughts as well as your actions and therefore it will be kept a secret by Me, in spite of My constant announcements, warnings and reprimands. You humans have to conduct your life in free will, constant references to the approaching end are certainly good but not the exact knowledge of time and hour. Indeed the end, the world judgment, is very close at hand and I will repeatedly mention it to you, nevertheless you all will be taken by surprise because no one will expect it with certainty and believe in the approaching end. But anyone who believes that he can specify the time and hour is not My messenger, and his words should not be trusted even though he claims to speak on My behalf, even though he wants to guide his fellow human beings to the right faith in Me. All the same, this claim can not have been imparted to him by My spirit, it can not have originated from Me, it is his own product of thought which he firmly believes to be truth and therefore he tries to spread it....

‘No one knows the day and hour...’ Remember these Words, which I spoke to My disciples on earth.... As God and Creator of infinity I Am well aware of this day and hour since eternity, yet My wisdom prevents Me from proclaiming this knowledge to you humans. For it concerns the human being’s will which may not be infringed, but it would be infringed by any precise revelation of the last day.... The day itself has indeed been predetermined since eternity, but so are all events preceding it which aim to contribute towards the voluntary change of the human being’s will. And thus I will do everything which helps and enables the human being to expect My judgment on the last day in the right frame of mind.... But if a person himself makes no use of it, his fate is already decided for an infinitely long time.

To know the day and hour of the end would then result in a compulsory change of his nature which, however, would neither entitle him to enter the kingdom of light nor the paradise of the new earth, but it would not result in eternal perdition either.... because anguish and fear determine his will and not love, which should be the only reason for a change of will. Thus his love would not be sufficient, and therefore one cannot speak of a change of disposition; nevertheless, the human being has to be given credit for his will to do right, he effectively would be obedient, not due to love but due to fear... yet love is the crucial factor in the end.... For I want to separate the sheep from the goats, I want to initiate a purification process and thereby end one period of redemption before the beginning of a new one.... Hence a clear decision of will has to take place, for which people have ample time and opportunity, and in order to motivate them they are informed of the end.

But they have to make their choice entirely without compulsion. Therefore I will keep the day and hour a secret but it will come like a thief in the night.... it will arrive when no-one is expecting it, when people find their satisfaction in the enjoyment of life, when they chase one enjoyment after another, when they forget everything around themselves and are merry, when they experience utmost joy of life.... Then the day will dawn which brings everything to an end.... And then it will emerge who will stand by Me or by My adversary, who is lord of this world.... Everything will then be revealed, light and darkness, truth and lie, love and hatred.... no-one will be able to hide himself or conceal his true nature.... Then everyone will show his true face, because the hardship around him pulls the mask off his face, and then everyone will receive his fair reward.... light or darkness, heavenly bliss or eternal damnation....

True and false prophets....

B.D. No. 6782

March 12th 1957

No matter what is done to displace the truth, it will nevertheless prevail, even though misconceptions will claim countless victims. Yet anyone with serious intentions will find the truth, he will also clearly recognise misconception as such, and it will be of no further danger to him. The fact that people generally fall prey to error is understandable, since error always promises certain advantages to a person, be they of a spiritual or an earthly nature.... And people are always interested in gaining advantages, they do not love truth for the sake of truth, it always has to involve a benefit for them, only then are they willing to accept it. Pure truth, however, presents everything clearly and openly and can also result in a person's disadvantage if the world, his earthly well-being, still means too much to him. For this reason it often meets with little approval, this is why the human being rather accepts error than truth, since he always hopes to gain a certain advantage, because error is more inclined to comply with his wishes.

And thus people don't want to know or hear about a destruction of earth, of an end of all life and creations on earth.... And what they are now offered under the cover of truth, what is still giving them a small ray of hope that the end is avoidable, will be accepted by them and they rather support this than the pure truth which, after all, would make them feel committed to prepare themselves for a definite end.... There will always be prophets who proclaim the end on behalf of God. There will also be those who speak on behalf of his adversary who, being false prophets, will try to invalidate those proclamations, who make promises to people but do not draw their attention to the certain end and instead try to make out that it can be avoided. And again, these prophets will meet with greater approval because people don't want an end to come, thus they rather accept teachings which promise them an advantage....

Completely ignorant people will find it difficult to differentiate between lies and truth. But a person who has already been initiated into spiritual knowledge need only question, as a criterion of truth and fallacy, the purpose of a doctrine.... what it aims to achieve.... If it wants to impart more knowledge to a person, if it wants to achieve the improvement of his character, if it helps him to detach himself from matter, then it is of divine origin and has to be valued as truth. If, however, it intends to create a better earthly living standard, which often takes place under the guise of piety, the teaching can be unhesitatingly rejected as misguided and having originated from God's adversary.

But during the last days many false prophets will come forward on his behalf, because neither the adversary nor his followers want to admit to an end. And thus, even people who consider an end will be fooled by him again. He will plunge them into confusion, he will argue the proclamations of true prophets with proclamations of false prophets, since during the last days the darkness will steadily intensify and anyone in possession of light should protect it from getting extinguished, which can be done if his love for truth is strong, if he just holds on to God and His Word.

But anyone who is not content with the soft light of God's love will search for deceptive lights and won't take care of the small light which glows in the darkness of night.... And then it can be easily extinguished by God's adversary, and his deception was successful. He himself appeared as an angel of light and found his victims: The world and the desire for it have triumphed. People rather listen to what he has to say because it casts doubt on an end of the earth, on the end of the old and the beginning of a new era, thus it makes people believe that they are in control of it themselves. They recognise this advantage, and the mere fact that he makes people believe that they can delay or avert the implementation of God's plan of Salvation identifies Satan's activity.... However, this activity is also part of the visible indication of the end, and he will undertake many more attacks against the truth, and he will get especially busy where he finds no resistance due to an absolute desire for truth.... Because that is where the lie is not recognised, and where he has an easy game. But he will not be able

to deceive those who work for God and on His behalf, for they are enlightened by His spirit and will always be able to differentiate between truth and error....

Amen

False Christs and prophets....

B.D. No. 8487

May 4th 1963

Beware of false Christs and false prophets.... I warned you about those when I lived on earth because I knew of My adversary's activities, of his snares and unscrupulous machinations whereby he tries to pull you humans into ruin. He is using all means, and this especially during the last days in order to increase the darkness in which humanity languishes. There will be people everywhere who claim to be knowing and initiated into the secrets of creation, who demand people's recognition and faith in their spiritual experiences and who are but My adversary's tools, because they support and spread spiritual knowledge which completely contradicts the truth. False Christs and false prophets will appear in large numbers.... They will all wear the cloak of divine messengers, they will all claim to possess knowledge and to be in contact with the highest representatives.... They will pretend to be messengers of light and yet walk in profound darkness themselves, and therefore they will only ever spread darkness amongst their fellow human beings. They cannot emanate light because they don't possess light themselves, yet their mannerisms are so self-assured that people do not dare doubt the divine mission of those who, nevertheless, in reality work for My adversary. But only people who live in truth themselves will be able to recognise this and they, in turn, will be described by them to be false prophets.... And it will be difficult to convince oneself of the true prophets' divine mission, yet it is not impossible.... The fact that true prophets exist is proven by My warning against false prophets....

However, you need only ever seriously desire not to fall prey to the latter and truly, you will also know whom to turn to. For My messengers will bring you a message which will touch your soul in a comforting and helpful way, which will affect you like a nourishing meal and refreshing drink, which you will continue to desire and thereby become noticeably strengthened for your earthly life's path. Whereas the alleged knowledge conveyed to you by wrong teachings cannot convince you of the truth and does not result in any illumination or stimulation of your soul.... It is and remains barren knowledge which you will find barely credible and of little use to you. It is more likely to cause you dread and fear because you are unable to detect a loving God therein, Who behaves like a Father with His child. False prophets will never be able to offer people pure truth, and the adversary's only intentions are to undermine the truth, to entangle people in error. His most eager endeavour consists of withholding from people the truth about Jesus Christ and His act of Salvation, about God's human manifestation in Jesus, or to confuse their thoughts such that they won't take the path to the cross and thereby their earthly path remains unsuccessful for their souls.... And no means is too evil for him to use, because Jesus defeated him through His crucifixion, and he is trying to regain the fruits of His victory again.... Souls who turn to Jesus are lost to him; consequently he will try to give an entirely wrong description of Jesus so that they do not see any reason why they should take the path to the cross. The truthful portrayal of the act of Salvation also has a redeeming effect, and this means that My adversary will lose his followers, what he tries to prevent by cunning and trickery. And you humans can truly and easily recognise every false prophet yourselves by the fact that he withholds the knowledge of the Salvation through Jesus Christ from you, and thus you are entitled to dismiss him as a 'false prophet'.... And especially during the last days you can notice increasingly more often that most diverse descriptions of spiritual subjects are given by those who present themselves as prophets of truth. Yet in one instance they all agree, that the salvation through Jesus Christ.... the sacrifice on the cross by the man Jesus to redeem the immense guilt of sin.... is doubtful, because the belief in this signifies a loss of followers for My adversary and he does not want to lose them....

Jesus Christ has been argued about for centuries, because time and again false prophets arose who had already proven their affiliation to My adversary and were influenced by him to act against Jesus.... Although they were unable to completely dispute the earthly life of the man Jesus and thereby remove

the knowledge of him entirely, the real purpose of His earthly existence.... His redeeming mission.... was repeatedly portrayed as a misguided teaching which removed people's hope of ever being released from their guilt of sin unless they themselves made

Amends.... unless they thus believed these false prophets. Yet no human being will ever be able to release himself from his immense guilt of sin without the help of Jesus Christ; no human being will ever succeed in perfecting himself by his own strength without Jesus Christ, because the original sin absolutely prevents this.... Hence 'self-redemption' is impossible, irrespective of how sincerely it is aspired to, because the human being's will is too weak and would fail time and again.... Regardless of how you are instructed.... if Jesus Christ is not portrayed as the Son of God and Saviour of the world, in Whom I embodied Myself, you are not taught the complete truth, and you will not become eternally free, since only truth will set you free. And I Myself transmit this truth to you, I Myself, your God and Creator of eternity, the greatest and most perfect Spirit in infinity.... I transmit the revelations to you directly and guide you into truth, because I want to give you the light of awareness again, which you once gave away voluntarily and which will be returned to you providing you willingly accept it, providing you let yourselves be taught by Me and surrender to Me with love, thus also fulfilling My will.... providing you change yourselves to love and accept your original nature again in which you were happy beyond description. Only One can promise all this to you, and only One can help you to achieve it, and this One is Jesus, Who is completely merged with Me, thus He and I are one.... God from eternity to eternity....

Amen

Miracles of false prophets

Miracles.... False prophets....

B.D. No. 3580

October 18th 1945

Don't allow yourselves to be deceived, because the adversary constantly seeks to keep you in darkness and to obscure the light from above. He tries to trap you with lies and falsehoods and thereby render you unreceptive to the absolute truth. He is always plotting to obscure your vision, to confuse your senses and to shroud the essence of the eternal Deity, and uses means which are difficult to discern as Satan's work of deception if the sincere will for pure truth does not exist. He feigns piety towards people, his appearance is that of an angel of light because the people themselves desire radiance and splendour and can only imagine divine glory as external magnificence. He feigns the illusion of God's glory when he finds gullible people who derive pleasure from it. And through them he spreads lies and misleading notions and thus obscures the thoughts of human beings. They accept the falsehood and reject the pure truth which God Himself sends in plain form to earth.... And thus the lies and fallacies spread much faster than the truth, because this is what people themselves want and because those who spread falsehoods work in the guise of being a representative of Christ's teachings and hence find approval everywhere. Satan works with cunning and force.... He uses human beings who do not sincerely desire the truth, and they are his slaves because they do not sincerely desire God either, Who is the eternal truth Himself. And thus Satan, the lord of falsehood, has an easy time.

Human establishments can only be of lasting value when God's support is called upon. And God wants to be called upon in spirit and in truth, otherwise He will not listen. This excludes every outer formality; all kinds of ceremony, splendour and grandeur prevent the right kind of prayer, prayer in spirit and in truth.... He who takes notice of external events will find making an inner connection with God very difficult, because the adversary will always step between him and God, divert his attention and capture his senses with external impressions. And therefore do not look for God in grandeur and splendour, do not look for him in surroundings where earthly matter has its greatest effect.... This is the field of God's adversary and he works it with success. God reveals Himself in secret, He reveals Himself in people who are lowly and humble. He reveals Himself in those who shall speak on His behalf because His revelations apply to all of humanity and the individual person merely serves as His tool through which He speaks to the people Himself. His revelations primarily aim to spread the truth and to proclaim His will, adherence to which results in eternal bliss for the human being. Through seers and prophets He will also announce the end of the world and draw attention to the signs of the last days. It is His will that humanity be given the relevant information, that no one shall claim that they have not been reminded and warned when the end takes them by surprise. These seers and prophets will always be human beings with profound faith and love, otherwise God's adversary will choose people to work for him and find their approval. Consequently particular attention has to be paid to the conduct of those who call themselves God's servants, whether it complies with God's will, with His commandments. But then the revelations should also be believed.

God works in silence, albeit in a clear and remarkable way, yet not in miracles which would force people to believe, just as He excludes all outward show because He is not trying to win over the people of the world with splendour and grandeur, but He wants to turn their hearts away from that worldly light of deceit. Worldly people have to be able to explain unnatural events by natural means, otherwise they would be forced into believing, which God would never sanction. And thus only profoundly devout human beings will have extraordinary revelations when God's love wants to award those and He wants to reveal Himself to them. However, public miracles compel people to believe and they would not progress spiritually because fear of God can never take the place of love which the

human being has to feel for Him in order to join Him. But miracles only cause fear in the immature person and never love.... Nevertheless Satan does use such means; in this manner he wants to prevent human beings from loving God, and his work shall be unhindered where there is a lot of sinfulness and where human beings are seldom introspective but worldly-minded instead. But even there he appears under the cover of piety. He pulls the wool over people's eyes, stopping them from seeing clearly and thus exercises his influence. This is further aided by false representatives of Christ, who deem themselves destined to spread His teachings but who are not sufficiently living in truth themselves to separate lie and falsehood as such and to exclude them. Because he works with cunning and power.... God, however, is love, and only love flows from His revelations and cultivates love. And thus you should apply this standard.... Truth is where love is taught and practised because there is God Himself.... But where the light of the world shines too brightly God's adversary makes himself known.... And his activity is falsehood and opposes God even if he tries to appear in a disguise of light. Anyone whose will is turned towards God knows him in spite of his disguise, and he is destined to warn his fellow human beings of the false prophets who will always appear when people are in need but who will even worsen spiritual hardship instead of reducing it. And God calls out to people: Beware of false prophets because the last days will be used to work against God, against the eternal truth....

Amen

False Christs and false prophets....

B.D. No. 5861

January 24th 1954

And I keep telling you: The signs and miracles from My adversary's as well as from My servants' side on earth will increase, for many false Christs and prophets will arise on behalf of the prince of darkness in order to refute the teachings of My rightful servants.... in order to cast doubt on their miracles and prophecies and to plunge people into ever greater darkness.... Yet the false prophets' miracles will only aim to increase earthly power and wealth, they will not perform deeds of love. Works will develop which are claimed to have been accomplished with supernatural strength, although they can only be described as an accumulation of material goods, thus they also betray the one who is lord over matter.... True miracles, however, are works of compassion for suffering and frail humanity.... True miracles are obvious effects of strength from above.... And true miracles can only be performed by those who work as rightful messengers of My Word on earth, who profess Me and My name before the world and try to awaken and revive the belief in Me.... Those who proclaim to people in My name what is about to happen to them are indeed true prophets. And I have chosen them because they combine the proclamation of the Word with evidence of the strength of faith in order to make people aware which strength and which spirit works through My representatives.... For many false prophets will arise in the end and try to confuse people by performing miracles.... My adversary will use the same methods, and he will find it easy to mislead people because he does not announce a decline but only ever promises earthly good living standards and earthly progress.

And his miracles consist of emphasising this earthly progress, since his miracles are humanly fascinating material developments and because his prophesy is a future of affluence, honour and earthly success, a world of economic development and earthly perfection. Every such prophesy receives attention, thereby diverting humanity's attention ever further from what is genuine and true, which is proclaimed to them by My representatives on earth.... that people are approaching the end, that no amount of material possessions can save them from the downfall they will indisputably approach if they do not believe My Words but rather believe those who are influenced by the prince of darkness.... who indeed also perform miracles with his strength.... who are powerful on earth because they subjected themselves to him, but whose works can always be recognised.... For they do not express love, no help for needy fellow human beings can be recognised therein, even though they also use My Words, even though they hide behind My name in order to be accepted as true prophets.... Where love does not prevail My spirit cannot be found, and neither will there be miracles performed nor prophetic Words spoken, but My adversary's activity will be clearly noticeable who, in the last

days, will try anything to disperse My small flock and gain it for himself.... The time of the end has come, therefore take notice of everything I tell you so that you will learn to differentiate between genuine and false, between light and works of deception, between truth and untruth.... so that you will not fall into the hands of the one who wants to corrupt you....

Amen

Worshipping the mother of God

Worshipping the mother of God....

B.D. No. 4752

October 2nd 1949

All your spiritual questions will be answered, as this will help to provide clarity where truth should be distinguished from error. However, you always have to meet the condition of being interested in the pure truth, for when you are governed by the desire to have an already existent point of view confirmed you are unable to receive pure truth. You have to request it and be willing to accept the right answer.... The mother of My earthly body was destined since eternity to be the childbearer of humanity's Saviour. She possessed a soul of light which incarnated on earth for this sublime mission, thus she was pure and perfect compared to her earthly sisters. Nevertheless, she still had to experience an arduous life in order to attain supreme bliss in the spiritual kingdom, to become a true child of God, to achieve complete union with Me. By fulfilling her mission she had certainly earned the right to be regarded the holiest being in the spiritual kingdom, since due to her path of suffering on earth she had become an image of God. Her love for Me had placed her into a state of suffering which also spiritualised her body. And thus she was a shining example of a mother bearing profound sorrow over her child. However, the divine worship shown to her by people is not in accordance with My will. She certainly had been the mother of My earthly body but in the spiritual kingdom she is a being of light which, full of love and wisdom, wants to help you humans attain light and, as a result, beatitude.

Beatitude in the spiritual kingdom is only possible in unity with Me.... but a soul can only achieve this unity with Me through conscious aspiration and a heartfelt bond with Me. Thus I have to be the only worthwhile thought on the mind of someone who wants to achieve beatitude.... He has to try to find the bond with Me voluntarily, uninfluenced by spiritual powers, because.... were it allowed, every person would feel their influence, since their love for the people they want to help is immense. The soul deserted Me voluntarily, it has to return to Me voluntarily.... Any influence by the beings of light would be a restriction of free will. The act of free will is the will's voluntary inclination to turn to Me, which expresses itself in the conscious association with Me, and this endeavour will be supported by the beings of light in every way. But the worship of any being of light is a wrongly directed will. The beings of light live in love for Me, they constantly honour and praise Me and never want to accept an honour by people for themselves, because they recognise in Me the Being which is most worthy of worship and in their humble love for Me reject any honour for themselves, as they feel that I alone deserve it. Anyone who is aware of the light beings' true relationship with Me, whose love for Me has kindled into brightest fire, will also understand the erroneous thoughts of people who show such worship for the mother of God, as takes place. They will understand that it cannot be in accordance with My will, because people effectively create a second God for themselves, a being to whom they show adoration and honour, which it does not want to accept, since the human being should only ever strive to establish the relationship with Me in order to achieve his goal while he is still on earth....

Amen

Dogma: Mary's ascension....

B.D. No. 4980

October 5th 1950

Your spiritual development depends on your attitude to truth. Anyone who looks for it will find it and progress without fail, anyone who rejects it or is indifferent to it cannot gain spiritual advancement, since he does not live with love either, which is closely connected to truth. People's response to truth corresponds to their response to Me, Who Himself is eternal truth as well as love. And thus you will understand that I will always endeavour to convey the truth to people, since error

understandably has to retract away from Me. Every inaccuracy has to be rectified and misguided teachings exposed because they poison people's thoughts and consign the soul into the hands of the one who is the representative of lies. Hence it cannot be tolerated that people are offered error in form of religious dogma which they have to accept. Any doctrine demanding compulsory acceptance meets My disapproval, even if it corresponds to the truth, for faith in such a doctrine does not result in any benefit for the soul. It is far worse, however, if a misguided teaching is forced on people which is of no use for the development of the soul. No measure can ever meet My approval which restricts the human being's free will.... And every dogma is an infringement of free will.... In any case, it is inconsequential for the ensuing generations how the mother of Jesus left earth because, as long as people are not spiritually advanced enough to comprehend the process of a soul's spiritualisation, the portrayal of ascension will only result in darkness again. Complete lack of understanding will result in doubt and disbelief.

However, the ascension of Christ is a different matter. He was, after all, the divine Redeemer, Who had to be obeyed by every power and Who accomplished the act of Salvation for all human beings. Hence, all human beings should also receive knowledge of Him, and His earthly life from beginning to end should therefore be known and comprehensible to people. His ascension was the conclusion of divine activity on earth, his ascension was the culmination, it was the fulfilment of many prophecies and the completion of Jesus' life on this earth. But even the belief in this should not be demanded, but people should remain completely free to believe it, because only a life of love and profound desire for truth results in living faith.... Consequently, it is neither valuable nor advantageous to provide people with a new bone of contention, which human intellect cannot prove and which requires a higher degree of development in order to be understood and believed. This, however, is no longer found amongst people and therefore it merely increases the confusion when, in fact, people ought to be receiving knowledge....

Amen

Apparitions of Mary....

B.D. No. 5806

November 15th 1953

Whatever you ask of Me will be given to you if it benefits your soul. I will listen to every spiritual request, and I will enhance everyone's understanding. And therefore I will also correct misguided teachings which you humans have accepted. But only few will believe My Words, because people are already too entangled in error that it could be quickly eliminated, although common sense alone should realise the absurdity of what is presented to them as truth:

I truly endeavour that all earthly children should find the path to Me, and I would truly do everything to enlighten them, but I always have to consider the human being's free will and therefore cannot noticeably destroy a structure which was developed by people themselves.... I cannot forcibly correct people's train of thoughts, I can only ever provide clarification by which they could learn to think correctly themselves.... if they wanted to.... Especially the will has an extremely strong tendency towards error in many people, and they tenaciously hold on to it. The error consists of the fact that people take a path which does not lead straight to Me.... that they aspire with all their might towards a goal which is more desirable than Me, but which, in human terms, means: You shall have no other gods before Me.... And that is My adversary's doing who aims to confuse people who want to do what is right....

It concerns the human being's decision of will, the choice between Me and him, which is the only purpose of earthly life. In order to displace Me from the thoughts of people who do not obviously belong to him he attempts to give them an apparently equivalent goal worth striving for.... he opposes Me in the disguise of piety.... The achievement of this goal demands full strength of will and undivided aspiration.... hence he takes much time away from people that is apparently devoted to spiritual aspiration. He found good soil for his adverse activity wherever a second image was already established beside Me.... where the worship of God's mother Mary was already more important than

the striving for a heartfelt relationship with Me. That is where he has an easy game, and he appears as an angel of light only to leave people in even more profound darkness....

The beings of light are certainly able to manifest themselves to people with My permission when severe spiritual hardship necessitates this, but they will always draw their attention to Me, they will try to guide people into truthful thinking.... They will want to change people's wrong belief but never confirm an already existing error by trying to conform to this error.... And beings of light who want to bring help to people on My behalf, will never announce revelations to immature children, because the purpose of every revelation from the spiritual kingdom is to inform all people of My will.... My adversary, however, only wants to cause confusion; My adversary will prevent everything that could have redeeming consequences. My adversary wants to stop the heartfelt communication with Me.... the prayer in spirit and in truth, which need only involve a few words or heartfelt thoughts.... by making people perform mechanical prayers in order to become credible as an angel of light. And thereby he wants to deprive people of valuable time which they could put to better use for their own perfection if they turned to Me Myself in innocence and love and appealed for My merciful help.

My adversary works with much cunning and trickery.... He has no qualms about shrouding himself with a gown, the gown of the queen of heaven, the purest, most enlightened being who is devoted to Me with glowing love.... who knows no other goal but to guide the people of earth back to Me and who therefore would never appear in order to draw people's thoughts to herself.... since she knows the purpose and goal of people's life on earth.... Nevertheless, I do not prevent My adversary's actions, for all these apparitions are miracles of false Christs and prophets, miracles which surface from wrong thinking and wrong belief, which give him the right and the opportunity to manifest himself, and which only make him stronger, so that misguided teachings will be ever more firmly believed.... Yet I will always take loving care of those who are misled and of good will.... by entering their thoughts so that they recognise the true goal and, with help of the beings of light who work on My behalf, arrive at the light anyway. But the path of those who are thoughtless becomes very much longer, for unless they remove the unnecessary burden they cannot find the short path, which, however, has to be made even shorter in order to reach Me.... the path of pure truth, by which everyone is able to reach the goal in a short time....

Amen

Satan's work as an angel of light.... (Fatima)

B.D. No. 7460

November 21st 1959

During the last days Satan will fight by any means so that souls will commit themselves to him and go astray. And his trick is to involve them in error, to let them believe that they are on the right path, and yet to entangle their paths such that they do not notice that they will lead into the abyss, because they do not really desire to take the path of ascent. People are satisfied with being told that 'the path is ascending....' but they do not pay attention to it themselves or they would certainly notice that it is descending. And he uses many means for deception, all divert from the truth, all are but a tangle of fraud yet so well camouflaged that a person has to be attentive as not to be taken in by him. And he deems the mother of Jesus to be the best means, which he first puts into the forefront of people so that they, due to their veneration and glorification, forget their real purpose of earthly life: to attain the bond with Jesus Christ Himself, which is the only guarantee for the person's salvation of soul.... Thus people carry out an apparently righteous act of love for the mother of Jesus, but Satan's intended result is less love for the divine Redeemer Himself, Who more or less takes second place.

But a lifetime on earth is too short to take detours in order to reach the goal, and people who do not take refuge with Jesus every hour of the day take long diversions.... The contact with Him is so extremely important that it cannot be established often enough, and for this reason alone every glorification of the mother of God means a deviation from the actual objective of life to establish this very contact, on which a person's salvation of soul depends. And thus it is this bond which God's adversary tries to prevent by all means, and he succeeds best by turning people's thoughts towards

Mary. He is able to do so through unusual apparitions initiated by himself, but he makes himself visible in the guise of an angel of light to people who are particularly suited to perceive psychic phenomena. Through these apparitions he predicts forthcoming events to people, which he indeed knows will happen, and thus he creates an impression of credibility even though it is a strategy of disguise in order to cause even greater confusion. He will always wrap himself in the cloak of mystery, always making claims about concealed things, always prohibiting public disclosure, because then his fraudulence could be revealed.... He will only ever provide veiled information because he lacks precise knowledge, but in bright moments even he occasionally recognises the seriousness of the times when he himself will also be dealt with....

But he cannot stop himself from demanding honour and fame, and does this through the mouth of those camouflaged beings of light by demanding the building of churches and altars where homage should be paid to him, because he himself hides behind such apparitions. And the most obvious indication of an anti-spirit rests in the fact that people are demanded to pay homage before the world to those in whose garment darkness keeps itself imperceptible. A heavenly being of light will only ever draw people's attention to Jesus Christ and mention his act of Salvation, a true being of light will not demand any formalities, no buildings of churches and altars, but encourage people to shape themselves through love into a temple for God, nor will it make concealed suggestions but proclaim what all people should be told: that the end is near and that people should change themselves.... A true being of light will not persuade people to perform formal prayers for hours either, but motivate them to establish a living bond with Jesus Christ, where only and forever salvation is to be found. You humans need not take such events seriously, for they are events which were embellished by people, they happened in a primitive manner and were only later presented as unusual experiences.... A good basis for this was prepared, because the mother-of-God-worship was already too deeply ingrained in people and even minor events caused feverish activity in them and created the foundation to believe in ever more improbable things. But they were by no means divinely-spiritual apparitions which were to reinforce people's faith in worshipping the mother of God, for it is not her will to distinguish herself from her Son Jesus Christ, instead she will only ever call attention to Him and His act of Salvation, if ever she will make an appearance.... For the human being's goal is the unification with God in Jesus Christ, which should be aspired to every hour and every day, and this is the true and only path which should be walked on earth....

Amen

Canonisation and misguided teaching about intercession

Canonisation....

B.D. No. 0783

February 21st 1939

Being so securely protected you will truly not run the risk to offend against divine will, because countless spiritual beings are making an effort to safeguard the success of this work and your spiritual well-being and thus also guarantee their protection, so that you may receive what is spiritually offered to you, unimpeded and without hesitation. Many a question shall still be answered for humanity through you, many a problem shall be resolved and many a doubt removed, and thus your devotion and diligent work will constantly be required. The more willingly and joyfully you do this work, the easier it will be for the helpers in the beyond to make themselves understood, and thus a message is intended for you today which concerns a very controversial subject:

Canonisation is arousing the indignation of many a person, since it is, from their point of view, an interference with divine law and divine judgment. But those who felt entitled and destined to establish a community of Saints have in fact assumed to possess a competence of judgment which undoubtedly far surpasses human abilities. Because they will never be knowledgeable enough.... to conduct such canonisation in complete lawfulness. What do people know of another person's inner life?.... Only God can look into a person's heart, only He alone is able to measure the earthly child's degree of love.... Only He can dispense in accordance with merit and knows to judge the innermost nature, the maturity of soul....

Hence people established an unlawful spiritual community which as such became the centre of admiration and prayers, which truly cannot have been intended by the Heavenly Father, because it is more likely to result in the earthly child's separation from the Father than in a heartfelt relationship with Him. The human being no longer approaches the Heavenly Father Himself in prayer but attempts to reach his goal through intercession, and this will always hamper the right relationship with the Father. The spiritual beings who take care of you are certainly always chosen by God for this office, they also stand by you with all their spiritual strength, they guard and protect you and are constantly concerned for your spiritual advancement; however, it depends on God's will as to who is chosen for your protection, because you humans would not have the right knowledge to decide whom to turn to in order to mature spiritually and to obtain the greatest benefit for the salvation of your soul. When people on earth presume to anticipate the eternal Deity's judgment, when they feel entitled to canonise or to condemn, it is similar to an anticipation of divine Judgment.... it is a supposedly irrefutable testimony of an honourable way of life which is pleasing to God, the evidence of which, however, can never be produced by a person....

As long as he lives on earth the human being will err, and therefore his judgment will not be irrefutable either. Anyone who outwardly portrays himself to live in a God-pleasing way is very often still far removed from it within himself, and equally, a person passing by unnoticed in earthly life will very often be enlightened, with a pure inner life and a heart that became love on earth. And so people should not wrongly assume a right to which they are not entitled, because this canonisation is not beneficial for humanity, rather it is misleading those who are seeking the truth....

Amen

The adversary's works of deception.... Apparitions....

B.D. No. 7045a

February 17th 1958

If someone could take a look into the depth of hell, into the domain of the prince of hell, he would not be surprised by the actions these beings are capable of doing. For they are all subject to My adversary's aggression, and their own nature is so similar to his own that they always agree with him and thus are only too willingly his servants. The area of their dreadful activity is extensive.... It exists wherever there are people whom they try to influence into behaving and thinking as badly as themselves. But this area belongs to Me too, because everything emerged from My strength: humanity, as the once created original spirits, as well as the works of creation, which now serve as an abode for human beings and the spiritual substances which are not yet allowed to embody themselves as human beings. Thus My adversary and his vassals have no power over these works of creations, but they can influence the human being, and they do so most comprehensively. They try to influence his will into giving in to them.... Yet they cannot force the human will. Nevertheless, it is in great danger if it does not resist this corruptive influence.

It is in great danger and nevertheless not aware of it. For if he could grasp My adversary's and his followers' whole plan and their abysmal evilness he would be on his guard, he would stay awake and pray.... The adversary, however, knows how to deceive people by approaching them as a friend, although he is and remains their greatest enemy and only plans their ruin. Hence he seeks to offer a person whatever he desires for his human existence, first he entices him with earthly goods and pleasures, and few people are able to resist these temptations. And thus he succeeds in kindling material greed, and then they are usually already taken in by him, since they find it difficult to let go of it, they need help and do not approach the One, Who could help them.... But this is not enough for My adversary, because he wants to own people's souls completely again, he even wants to turn those who are almost set to return to Me into his servants again. Therefore he tempts them to commit evil deeds, which force them completely back into his power once more. And his accomplices support him, their poisonous breath weakens the resistance even where these beings' influences could not penetrate fully.

If these emissaries of hell and their prince would show their intention openly they could certainly be recognised and would also meet with resistance.... But they work in secret, they hide behind the mask of virtue.... indeed, they do not shy away from using a cloak which is supposed to pretend purity and integrity.... And thereby they also win people who are not willing to fall into the hands of their souls' enemy. But these lack watchfulness and fail to send the right prayer in spirit and in truth to Me.... They have already become too superficial themselves or they could not be taken in by these deceptions, or they could recognise the enemy in spite of his mask. Their will for good, their desire for Me, is not strong enough in those who allow themselves to be deceived. For I will truly protect anyone who does not want to be deceived, and I certainly will not let them be taken in by him if their will remains totally focussed on Me. My adversary works with cunning and trickery. This is well-known to all people, and therefore every person should be watchful and not let himself be surprised by artful trickery.... He should always come to Me and ask Me for clarification, he should at all times commend himself to Me and My protection. Then the adversary will not be able to deceive him and the person's will itself would have warded off the danger, which cannot be forced by My adversary but which will always be strengthened by Me if he stays firmly focussed on Me. And this option is available to everyone, because everyone is informed of My Word, which expresses My will.... and which is the most effective protection and strongest weapon against the one, who wants to corrupt him....

Amen

The adversary's works of deception.... Apparitions....

B.D. No. 7045b

February 20th 1958

A very special trick by My adversary is to entice people to displace Me from their thoughts such that he presents them with 'other gods', that he awakens the idea in them that these 'gods' should

serve people as a bridge to Me.... that they thus owe it to the favour of these gods if I graciously draw close to them, and that people then would have to do everything to ensure the favour of these gods first. Because all those you place next to Me, whom you ask for 'intercession' with Me, are 'idols'.

You should take the direct path to Me, for that is the purpose and goal of your life.... When you know what your past sin was you will also know that this sin can only be put right by the opposite.... Your past sin was your conscious separation from Me, thus you have to establish the conscious relationship with Me and thereby recognise your past sin and also acknowledge it to Me. No other beings.... no matter how enlightened they are, can take this past sin away from you, and I can never accept their appeal on your behalf, because the change of will has to be your very own effort, and you have to approach Me Myself voluntarily, since only then can your voluntarily destroyed bond be re-established. Hence My adversary uses a cunning weapon to prevent this return to Me.... the conscious relationship with Me.... for as long as possible or to prevent it completely by making you believe that you can reach your goal in a round-about way. He uses this weapon on those who still have enough good will not to reject every religious doctrine.... and who can easily be deceived. For he wants to mislead people's thoughts, he wants to gain time, he wants to obstruct the path to Me. And for this reason he invented the misguided teaching about 'intercession from beyond' and found untold followers.

People can certainly help poor souls in the beyond through intercession, because such intercession is evidence of love for those souls, which is already sufficient for Me to give strength to these souls, since I value the love of a person very highly. However, 'intercession' by the beings of light is an entirely different matter.... All these beings love abundantly, and they truly also have the power to help all people.... But due to their abundance of love they also have abundant wisdom.... They all know of the original sin, they know of My plan of Salvation since eternity, they know the purpose and goal of earthly life.... They know by what means the fallen being will be able to return to Me, by what means it can regain its original state.... And this knowledge will never ever persuade them to liberate people from their sinful state without authority. On the other hand, their love for all unredeemed spirits is too great to deny help to a being. But their love for Me is far greater.... And therefore they would never take precedence in people's thoughts, they will only aim to direct their thoughts to Me in the knowledge that the person has to establish the bond with Me first if he is to be helped to achieve beatitude. Thus it will never be the light beings' will that you should take the path to them and waste precious time, which is intended for your return to Me.... And these beings of light will even less support misguided teachings by appearing to people themselves. But this deception is used by My adversary, and in order to increase the darkness he flashes deceptive lights.... He counts on the darkened spiritual state of people who do not remember My Words 'You shall have no other gods before Me.... you shall not make for yourself a graven image to pray to....'

The purest and most hallowed being, who was the childbearer of My earthly body, will never encourage people to petition her, because her love for Me is infinite, and she seeks to direct all once apostatised beings back to Me, because she, too, loves these beings and would like to support their return to Me. And especially this supremely holy being has in Lucifer the harshest adversary, who does not shy away from using her image for his plans.... who will always let this image emerge as a satanic work of deception when there is a risk that his gamble might be recognised.... when misguided teachings are doubted and a small light wants to break through. Then My adversary steps into action again and uses means which instantly strengthen his power once more, because deepest darkness will be spread across those humans who become entrapped due to the fact that they exercise too little love in order to kindle a light in themselves, which would truly bring enlightenment and let them find the right path.... the direct path to Me....

(20.02.1958) If only people lived more within love, such spiritual confusion and mistakes could not arise because they would be recognised as such.... But especially people who allow themselves to be impressed by external occurrences are the least inwardly active. Their soul's life is more or less determined by worldly events even if they wear the cloak of religious activities.... people's senses are occupied and the soul will be dulled. And therefore My adversary has an easy game, people are taken

in by his activity and yet they could see through him and notice it if their hearts were filled by love, because love is light too and illuminates the human being's spirit. This is the reason why the masses support My adversary's deception and present it as truth which 'originated' from Me. Just a small amount of knowledge would make people realise the futility of apparitions which can never be compatible with My divine plan of love and Salvation. My earthly mother will never want to be the centre of events which stop the masses from taking the direct path to Me.... she will never try to draw people's attention and thoughts to herself.... because it would be the same as slighting Me, to Whom she gives all her love and devotion.

As a result of My adversary's influence people have adopted a completely wrong attitude.... They themselves created gods next to Me, and they dance around these gods but do not remember the one God, from Whom they once apostatised and to Whom they have to return of their own free will. They direct their will wrongly because My adversary knows how to place deceptive lights before their eyes, because he himself hides behind the disguise and thus demands divine admiration of people.... He puts these apparitions into motion, he also tries to take advantage of genuine visions by truly devout people for his purposes by inciting the masses to believe that an exceedingly sacred and pure being had revealed itself, although it would never manifest itself in this manner.... But people want to believe it and cannot be prevented to do so. But a light shall also always be given to you who desire the pure truth. You should not let it baffle you because My adversary will yet cause other things to happen, and he will always aim to get the masses on his side. This should already be an indication to you who hides behind unusual activities and appearances, for I will always work away from the public eye, and even My messengers of light will never make themselves the centre of attraction. Yet only little attention is given to My activity, My adversary's activity, however, will always move the whole world, which already gives evidence of him and thereby he can also be recognised....

Amen

Dangers of psychic communication

Clarification about intercession....

B.D. No. 8470

April 17th 1963

The real purpose of your earthly existence has been presented to you so often already.... that it is just a matter of your relationship with Me, which you once voluntarily severed because you did not want to acknowledge Me.... For you could not see Me, and therefore you accepted the one whom you could see as your lord and creator: My first created spirit of light, Lucifer.... During your present existence you need only pursue one goal: to restore the relationship with Me and thereby acknowledge Me as your God and Creator again, from Whose love you once came forth.... No other being can establish this relationship for you, it can only be done by you and requires your will, which is and will remain free, even if you delay your decision for the time being. You cannot avoid taking it if one day you are to reach the goal of becoming blessed, as you were in the beginning.... And this final union can only be brought about by love, thus you have to be willing to live with love, nevertheless, you will never be forced to do so.... But due to the original sin your will is very weak and therefore needs strengthening.... And this strengthening of will is the great blessing which the human being Jesus has acquired for you through His act of Salvation.... Consequently, if you are able to give yourselves to Him and ask Him to strengthen your will, you shall certainly arrive at your objective.... However, your will can never be decisively influenced by the kingdom of light, only your fellow human beings are able to render kind-hearted intercession for you, if you yourselves are too weak to walk the path to the cross.... Then the love of a fellow human being can pray for you, and I will truly listen to such a prayer by giving strength to the person for whom it was requested by love. For love is strength, and if you consciously give it to a spiritually troubled human being it will affect him as strength, unless he then takes the path to the cross himself or acts with love himself and becomes enlightened.... Loving intercession for other people is at all times an aid to save erring souls, which should not be underestimated....

But it is a completely misguided idea to ask beings of light for intercession.... Consider that these beings are utterly permeated by love which is, in fact, intended for all wretched beings.... Consider that no being would be exempt from their willingness to help and that no unredeemed being could exist if the beings of light were not constrained by divine laws which they cannot infringe against. These beings, however, know about a person's last goal on earth.... they know, that the acknowledgment of their God and Creator can only take place in free will, and that this acknowledgment is the passed test of will, which is the purpose of a person's life on earth.... They know that the bond with Me has to be re-established, which every being has to strive for and accomplish for himself in all freedom and without any coercion.... Yet the light beings' love is so profound that it would truly suffice to instantly transform every being, precisely because it is strength that never fails to have its desired effect.... Thus this love has to be limited by Me, i.e., even the beings of light have to be subject to laws which they, however, respect because they are completely merged with My will, and therefore also know what helps the human being to achieve the last goal, the union with Me.... However, the beings of light can use mental influence and motivate other people to intercede, and this certainly will not fail to have an effect. I want people to take the direct path to Me and not try to reach the goal in a round-about way which is unreachable that way.... and you would understand that if you knew about the highly developed degree of love of all beings of light.... If you approach these beings for intercession.... what are they to request of Me on your behalf?.... That I should act in opposition to My law of order and release people from the conditions which facilitate a return to Me, a change of their nature? Anyone who genuinely appeals to the beings of light for help will also be led into the right way of thinking by them, and then he will do whatever corresponds to

My will, since the beings of light are inspired by the same will as Mine and therefore merely try to influence you accordingly. But then you will also reach your goal on earth with certainty, for they only ever endeavour to guide you to Me, to remind you of Jesus' act of Salvation.... They will show you the path you are supposed to walk, but they cannot walk it for you....

And now consider that a prayer to Me already signifies the bond with Me, which is the purpose and goal of earthly life.... that you,.... if you pray to the beings of light for intercession.... thus bypass a direct relationship with Me.... And what outcome do you expect from the 'intercession' these beings should request of Me? Time and again I tell you that you can certainly ask the beings of light for help if you have already proven your will to Me.... and they will help you, because they are only the administrators of My will and therein experience their beatification.... But they will never be able to establish your bond with Me on your behalf through intercession, because they are always connected with Me and will want you to also establish this bond with Me voluntarily, since this is your true purpose of earthly life.... As long as you still appeal to the beings of light for 'intercession' your thoughts are not yet guided by these beings of light, but My adversary attempts to influence you such that you will only lengthen the path to Me, because he wants to prevent your final return to Me.... Intercession can only be made by people for each other or for still immature souls in the kingdom of the beyond. Then the requesting person's degree of love affects the person prayed for as strength, and because then I will, for the sake of unselfish love, give strength to those who need it and who are lovingly remembered by others.... But the concept of 'intercession' does not apply to the kingdom of light. The thoughts of people who rely on intercession are misguided and only prolong their return to Me, which is My adversary's sole intention through this misguided teaching....

Amen

Dangers of psychic communication....

B.D. No. 6468

February 5th 1956

Much is presented to you humans as truth which was received in a mediumistic state from the spiritual kingdom.... And you frequently support this information with confidence because you are convinced that you cannot be wrongly educated from this world.... And especially these teachings can cause you considerable disadvantage, because you are then no longer able to receive the pure truth. Psychic communication always necessitates utmost caution.... this has to be said to you time and again. Because the recipient's environment is rarely so purged, so permeated by light, that negative influences cannot intrude.... Only then can pure truth also be conveyed by mediumistic means. But the thoughts of people who surround the recipient also affect psychically made statements. The recipient himself has surrendered his will and is now controlled by an unknown will. Only extreme integrity of his outer circle keeps everything unspiritual at bay.... However, as soon as a hitherto accepted wrong thought emerges in someone in this circle, he attracts beings who instantly want to intensify his error, since they are now able to enter this environment.... which is not possible when all participants are wholly inspired by the desire for purest truth and completely submit themselves to God and all that is light. But this commonly shared will soon abandons psychic reception, because people will then consciously approach God for clarification, for truth.... and it is no longer necessary to surrender the will, to enter into a state of trance, because God will certainly grant such sincere request for conveying the truth and will choose a servant from this circle to whom He can transmit His Word in a conscious state....

On the other hand, not every mediumistic message can be discarded, since beings of light occasionally also use this opportunity to contact people, in the hope that one day they will be able to establish the heartfelt contact which facilitates the conveyance of absolute truth. But these psychic messages always have to correspond to God's Word, which is received in a conscious state. However, differences of opinion will frequently arise because mediumistic messages are equally highly valued. The messages of the beings of light will always concur with each other, they will always proclaim the truth from God.... And each deviation has to be seriously examined as to whether and to what extent

the environment or the medium himself had an already preconceived opinion which contradicted the consciously conveyed Word. There is only one truth, and this comes forth from God Himself, even though it is transmitted by beings of light.... And where there is truth there is no contradiction.... But there are many different opinions, and there are different sources used by people....

Yet only one source is the fountain of life, which God has made accessible.... He Himself pours His spirit into the human hearts who prepare themselves as a vessel for the flow of spirit.... This preparation is conscious work, it is the work of improving the soul.... it is a transformation to love.... which is the prerequisite for the working of the divine spirit....

But a person can receive psychic messages even when he has not achieved this transformation, simply by handing over his own will and allowing himself to be seized by an unknown will.... And the quality of this unknown will is determined by the degree of maturity of his own soul and the souls of people in his surroundings.... Every spiritually revived person will oppose mediumistic reception because he recognises the inherent danger and because a spiritually awakened person is always permeated by a profound desire for truth. However, a medium with a high degree of maturity will soon be able to receive the messages consciously, and these will never contradict the pure Word of God, which flows forth from the fountain of life made accessible by God Himself. Beware if you discover contradictions, and examine the source of the teachings which contradict themselves. And if you want to know the truth you will also receive clarification.... when you ask God Himself for help, when you submit to Him every doubt, every question, and always just want to be taught correctly and able to support Him and the only truth.... the truth from God....

Amen

Warning about communicating with the beyond....

B.D. No. 7673

August 14th 1960

It is My will that you should turn to Me in heartfelt prayer before you make contact with spiritual beings, because it depends on this heartfelt prayer whether the contact with the spirit world will be beneficial for you. Heartfelt prayer protects you from beings who cannot benefit you since they are not yet enlightened themselves.... But you yourselves do not know whether the souls of the deceased called by you have already entered the kingdom of light, for even if they confirm it you cannot know whether their statements are credible. Hence you should approach such contacts with the spiritual world very cautiously, because you yourselves already have to be in a spiritual setting which deters all evil, so that nothing can touch you and you are only taken care of and taught by beings of light. Dealing with the souls of the deceased is always very dangerous because you humans do not know which sphere they occupy. Although such conduct is not a sin if you are motivated by your love for these souls, but you yourselves won't gain anything and are more likely to lose if you thereby come into contact with dark spheres and receive misguided teachings or messages which are not beneficial for your soul. Consequently, I strongly warn you against such dealings with the spiritual world for your own sakes....

Irrespective of what you are told by this world.... it will never match the profundity and wisdom of My Word, which is transmitted to you humans by My love from above and conveyed to you by messengers of light, if you are not able to receive it from Me directly.... I Myself want to be your friend and teacher, your brother, Whom you can approach with any kind of question, be it earthly or spiritually.... And I will always answer you if you desire it. I will tell you that you have to take the path to Jesus Christ if you want to achieve beatitude. And thus you yourselves should inform the souls of the dead too and direct them in thought to Him, Who is everyone's Redeemer from sin and death.... For even these souls will have to find him first before they can be admitted into the kingdom of light. You cannot provide a greater service of love to these souls than to proclaim the Gospel to them in thought, the divine teaching of love, which I preached Myself in the man Jesus in order to show them the path of return to Me, into the Father's house. You have to want to help the souls of the deceased, you have to give to them.... and not accept instructions from them, irrespective of what kind they are.

The knowledge about the future is withheld from you by Me, thus you should not raise questions of this kind to them....

However, you should always desire spiritual knowledge, but this cannot be given to you by these souls. Nevertheless you can always ask Jesus Christ, the divine Teacher. He will lovingly enlighten you and always call you to Himself to appeal to Him for forgiveness of sin, to follow Him, in order to be guided by Him into the kingdom of light and bliss.... But without Him you cannot become blessed.... You should remember this, and if it is your will to live in accordance with My will then you will also live up to everything Jesus had taught on earth, what He expressed in His commandments of love for God and your neighbour: Then you will live in love yourselves and recognise where light can be found.... then you will be able to discern the value of spiritual communications and endeavour only to contact the spiritual world of light which can then transmit clarifying instructions to you. For you yourselves always determine the degree of light which you find yourselves in.... But be warned that dealing with spiritual beings is dangerous if you do not know the degree of maturity of the souls you are questioning.... Always remember that you should give to these souls, for they will all need your intercession in order to ascend, thus you should give it lovingly for their, as well as for your own, salvation of soul.... And then you will receive as you have given....

Amen

Lack of knowledge in regards to the working and gifts of the spirit

‘Work of the spirit’ and the work of the spirit world....

B.D. No. 7829

February 18th 1961

You are guided into truth.... Do you understand how significant it is to have the guarantee of living in absolute truth because I Am instructing you Myself? And do not be misled if you are faced by contentions that you cannot be certain that it is I Who speaks to you, or you would even have to dismiss the Book of Books, which clearly refers to My 'working of the spirit'.... But people are already so distant from Me that they no longer know of My spirit's work in a human being.... Although occasionally they indeed look for contact with the spiritual kingdom they are completely without knowledge and therefore in danger of accepting messages which do not correspond to the truth, since they know too little about the 'working of the spirits' who have not yet entered the kingdom of light. They make contact with spiritual regions, with the world of spirits which, in fact, also look for contact with people but only to make themselves heard in order to transfer their misguided, confused thoughts to people, as they did on earth. For as long as they are not in the world of light they do not think correctly, their spirit is still dark and they are only able to pass on wrong concepts to people. And people value such messages from the world of spirits too highly.... But they do not look for the right relationship with Me, which would assure that they receive the truth. 'My spirit will guide you into truth....' I want to instruct you Myself, and although I speak to you through messengers of light it is still the same, for the truth originates from Me and is passed on to you through My messengers of light. They will never be able to say anything other than is My will nor would they want to, since they receive the spiritual knowledge they pass on to you from Me....

I Myself instruct you through the spirit.... You humans should comprehend that God Himself speaks to you, do not just dismiss this as impossible.... For you are in direct contact with Me, because you are My living creations, My children, who belong to Me eternally. The Father will always speak to His children providing they want it and fulfil My related conditions for the child to hear the Father's voice. You have to believe that I speak to you, prepare yourselves as a vessel for the flow of My spirit and listen inwardly.... To be able to believe you have to live in love, whereby you prepare yourselves as a dwelling for Me so that I then can be present in you. And if you listen attentively you will hear Me.... And what I say to you is truth, for the Eternal Truth Itself speaks to you, It educates you, and you will learn everything that is necessary for the salvation of your soul. But do you need the voices from the spirit world for this? Be seriously warned not to accept messages as truthful which were not given to you through the 'working of My spirit'.... And avoid those who claim to have contact with the world of spirits.... They are a danger for you because they confuse your thoughts and keep you away from the pure truth. People with already matured souls can certainly have occasional insights into these worlds and exercise their influence on the souls in darkness, but the people on earth will never benefit from seeking contact with the world of darkness. That is why they should avoid such dealings with the spirit world, because they are also My adversary's means in the last days to confuse people's thoughts so that they are unable to appreciate the truth or even reject it, or they take less notice of it than those messages and overlook an invaluable gift of grace.... The truth comes forth from Me Myself, and you humans will receive it if you so desire. However, if you are satisfied with messages which do not originate from Me, if you pay attention to them, then you do not desire truth and will never come to possess it either.... But where 'My spirit is working' there is truth.... For I can only work where the conditions are met, but then I will keep every error at bay, for this is truly within My power.... I want truth to be sent to earth, and I have the power to exercise My will, because you humans live with misconceptions and are therefore in utmost danger.... You humans can only become blessed through

truth and therefore have to sincerely ask Me for it... But then you can also be certain that you will receive it, that I will teach you Myself, as I have promised....

Amen

Knowledge of the spirit's work in a person.... Exceptional opportunity for God to reveal Himself....

B.D. No. 2878

September 11th 1943

God can only reveal Himself in the Word to a few people, because most people have lost the knowledge of the spirit's work in the human being and thus are not preparing themselves to hear the divine Word within themselves. This is a process which first requires belief in the working of the spirit, but this belief is lacking in people and they can only arrive at this knowledge through love. Because this will guide their thoughts in the right direction, and the person can also mentally be introduced to this knowledge. But he will never recognise this knowledge as the working of the spirit and not be fully convinced of it himself. However, God's spirit wants to express itself clearly and precisely.... God wants to reveal Himself to people, hence He will speak to them.... He will convey His Word to them.... as soon as they believe in Him, in His love, His wisdom and His omnipotence. Because then they will also want to enter into contact with God, they will start a dialogue with Him and in response hear His voice within themselves. The strength of the spirit will communicate itself to them, and a lucid understanding of the most diverse subjects will be the result. The information of the working of the spirit in a person should be passed on to people but it will rarely be believed, and yet, without belief it cannot be experienced. Only a person's profound love will result in this belief, since then the spirit of God will work in him and give him the idea to listen inwardly. This is the beginning of a person's actual instruction and thus an introduction to the most profound knowledge. God can only express Himself when a deeply devoted heart turns to Him, but then he will impart His wisdom without limitation....

Consequently, the working of the spirit is of utmost importance because it is the only means to find the truth and to penetrate into divine wisdom's deepest profundity. Hence it is the only means of receiving information which could never be acquired rationally, which will provide the person with remarkable insight and knowledge relating to God and the human being, to creation and the spiritual kingdom.... Profound understanding is only possible where the spirit of God is able to work, and yet, the working of the spirit solely depends on a person's will, because this has to become active first, it has to accomplish the human being's inner change, which is a prerequisite for the working of the spirit in a person. The human being's will has to decide to improve his soul, it has to impel actions of love, it has to establish the innermost contact with God, and inwardly it has to listen attentively in order to hear His Word, which is then given to him by the voice of the spirit. But most people fail to listen inwardly, even if they comply with all other conditions, because they lack the information that God Himself is working in the devout human being. This knowledge was lost, and it is difficult to persuade them to put the rule to the test.... to comply with all conditions and then to listen carefully....

For this reason the divine Word is hardly ever transmitted to earth in the most natural way, by God speaking to people, by submitting all wisdom to them Himself and by instructing them like a teacher instructs his students. But as soon as a human being is doing everything to perceive the working of the spirit, as soon as he makes himself available for reception by consciously listening within himself, profound knowledge will be made accessible to him. Because this knowledge is intended for the benefit of his fellow human beings, he is meant to pass it on, he is supposed to support it, he is meant to become the mediator between God and the people, who cannot be addressed by Him Himself because they are unable to hear Him.... He should become the distributor of truth on earth, he should let his light shine everywhere and make God's love known to people, which is ascending to earth in the Word and offering the truth, because the lies, which are endangering souls, shall be removed. He is to bear witness to His wisdom by describing to people God's reign and action in creation and the spiritual kingdom, and he should proclaim His omnipotence, which achieves whatever is determined by God's will.... He should present God to people as the most perfect Being in order to arouse their

love for Him and to spurn their will to subordinate themselves to this Being, to love and be of service to It for all eternity....

Amen

Various gifts of the spirit....

B.D. No. 6013a

July 31th 1954

The spirit of God manifests itself in various ways, since its working depends on a person's ability, on his spiritual maturity.... and it also depends on his disposition which spiritual gift will be given to him. To receive a spiritual gift always presumes the shaping into love, thus a voluntary total transformation of the being. God's spirit can only flow into a suitable vessel.... a vessel, which thus was prepared for the reception of the divine ray of love through unselfish deeds of love.... Anyone who has not yet achieved this transformation into love cannot expect a gift of the spirit. Consequently, the gifts of the spirit are always merely the result of a loving way of life and never arbitrarily granted gifts.... They have to be 'endeavoured', which anyone could do but which is rarely done. The way God's spirit takes effect depends on the task given to a person who was shadowed by God's spirit during his earthly life, which God's wisdom certainly recognised to be beneficial for humanity but nevertheless requires the human being's free will. God truly knows who wants to serve him and how that person shapes himself, He will therefore place him where he is able to work most effectively....

People in the last days have to be shaken up since their thinking becomes completely superficial, thus they need to be extraordinarily impressed in order to disturb their contentment. But even unusual phenomena have a completely natural explanation, yet what appears to be natural to one person is inconceivable to another because he is spiritually blind. Hence these 'spiritually blind' people are confronted by someone with 'vision' who can detach himself from his earthly tie and, as you might say, be lifted into the spiritual realm, and who returns from this spiritual realm to earth with a gift which cannot be gained in an earthly way.... He will work with powers which enable him to achieve the seemingly impossible.... by way of the Word he will be able to heal the sick or see the future clairvoyantly, he will possess profound wisdom and thus will also be able to inform his fellow human beings.... or he will know what is otherwise concealed from people.... He will be able to speak foreign languages.... the working of the divine spirit will clearly manifest itself.... but only in order to gain people's souls for the spiritual kingdom, because the spirit of God only affects people spiritually and does not promote earthly interests. Hence the holder of a spiritual gift will always be a labourer in the vineyard of the Lord....

As a result of this gift he will be God's representative on earth who wants to establish and increase His kingdom and has made it his task in life. God's spirit will only manifest itself noticeably to other people through His willing servants, although every person can be permeated by His spirit and thus also be able to understand clearly and precisely and be qualified to pass his knowledge on to other people. Nevertheless, people only receive in accordance with their will, and a prerequisite for receiving an obvious gift of spirit is their willingness to work for God and His kingdom. For God wants to reveal Himself through people to all of humanity. God wants to be recognised in His working, hence a person has to act as an intermediary as long as God cannot approach people Himself, as long as unbelief and spiritual blindness make this utterly impossible. It follows that God reveals Himself through His spirit, which manifests itself through a human being, in order to guide people into faith, to enlighten them, to make them see the light shining from above onto people.... in order to let them know the purpose of their earthly life and to illuminate the path to the goal.... All spiritual gifts only serve to influence people's souls in the divine sense. Then powers will be released in a person which clearly testify of a divine influx.... the influx of strength that originates in God.... the strength of divine spirit....

Amen

And then the human being will accomplish things which seem unnatural to other people, which far exceed a human being's natural ability.... He will know about things which are usually hidden to people, he will be able to clarify matters convincingly and comprehensibly to his fellow human beings, which a person cannot ascertain with his intellect alone.... he will be able to enter regions which are inaccessible to others.... He will have the strength to cure the sick, to perform miracles or even be able to see the future clairvoyantly, abilities will become evident which he never developed in himself.... he will speak and also understand foreign languages when it is necessary and beneficial for other peoples' spiritual development.... He will be influenced by divine strength in every way.... but generally only have one of these gifts, since the requirements vary for each spiritual gift and all requirements are rarely found in one person. But each spiritual gift has to fulfil its purpose, i.e. it has to be possible to derive a benefit from each one.... The gift of healing the sick, apart from physical recovery, will undoubtedly also contribute towards the souls' recovery, since people learn to believe in the power of the spirit, which is activated by the healer's as well as the sick person's firm faith. Predictions of future events, too, can motivate people to change their way of life, to do penance and return to God, because these predictions only ever relate to the earthly consequences of people's spiritual low level.... Proclaiming the truth through the divine spirit also contributes towards the awakening of faith and a change of lifestyle, and again, should be regarded as a purely spiritual factor of utmost importance. Only what contributes towards achieving spiritual benefit can be described as the working of the spirit, because whatever originates from God can't be anything but illuminating.... It has to bring light and reveal the ambiguous, it cannot emanate even more darkness than is already amongst humanity....

However, God's spirit can also affect a person in order to remove his state of darkness, to kindle a light in the person's heart.... to reveal the soul's layers, so that the soul rejoices and cheers and praises its God and Father, Who bestowed it with enlightenment. This influence applies more to the soul than the person's intellect, hence the spiritual gift need not be perceptible to people, but it occasionally affects the outer person so intensely that he tries to express himself with incomprehensible words.... People call this process 'speaking in tongues', but it always just affects the human being himself.... it is a gift of the spirit which almost every spiritually awakened person can call his own but only in rare cases is it so intense that other people notice a change. For every spiritually awakened person feels the contact his soul experienced such that his soul raises itself to God praising and thanking Him, that it gives itself to Him and finds inner peace and beatitude.... Then his inner ego communicates with God in thought, then he constantly talks with God without words....

Everyone should endeavour to gain this spiritual gift for themselves in order to speak to his fellow human beings on behalf of God and His kingdom, in order to accomplish the redemption work himself as His co-worker, which is blessed. But beware of the wrong spirit, because this, too, makes itself perceptible wherever it can slip in, where pride, self-satisfaction and need for recognition still prevail, thereby offering this spirit the opportunity to express itself in a manner that seems equally unusual. But instead of light it only leaves confusion and agitation.... caused by conditions which are off-putting to serious fellow human beings and only result in joy and approval in those who belong to this spirit themselves. Therefore: Do not believe every spirit.... and scrutinise it by taking notice of the gleam of light, of its intensity of light.... Because God is light.... what comes forth from God is light.... and therefore divine gifts of spirit categorically have to leave an effect of radiant light, otherwise they are Satan's works of deception, which he particularly uses during the last days with the intention to dazzle people's eyes as well as their souls in order to plunge them into even greater darkness and render them unable to recognise the true light....

Amen

About speaking in tongues....

B.D. No. 8835

August 2nd 1964

You should educate your fellow human beings in all truthfulness, and therefore you first have to receive the truth from Me. I have told you many times already that the truth will bring you enlightenment, that you will not stay in the dark, that you will be able to understand everything. And thus you are given an explanation about the various 'gifts of the spirit', which you can even notice yourselves in those who possess them. You will have to admit that unusual abilities exist when a person has the gift of healing the sick.... you will not be able to deny the gift of prophesy either.... just as remarkable knowledge will be obvious to you too.... They are all things which are unusual in people, powers are manifesting themselves in a person which are undeniably divine activities for the benefit of the souls. But you ask Me in particular about the 'gift of speaking in tongues'.... You have already received the simple explanation from Me that this gift is a special sign of a most heartfelt bond with Me, explained such that I speak through a person who talks to people of different nations and they hear him in their native tongue, so that everyone believes that he speaks to them in their own language. This gift is a most obvious sign of My working.... just like the 'outpouring of My spirit' upon My disciples.... when all people present heard them speak in their mother tongue.... Thus they were speaking in 'foreign tongues'.... and not that a person speaks an incomprehensible language and then believes to be permeated by 'My spirit'.... This is a complete misinterpretation of the Scriptures which certainly speak of the blessed feeling of an inner bond with Me which motivates a person to praise My Being, but it takes place in quiet prayer uttered by the tongue.... and not by the mouth.

I ask you in all seriousness: what point would there be in a prayer articulated with the mouth in an incomprehensible language, if it needs interpreting?.... Am I Myself not able to speak to you in a clearly intelligible way? I want to give you light.... why should I use an interpreter who first has to be enlightened by My Spirit in order to be able to give you light. I Am an unambiguous and true God, and I really have no reason to offer you a muddle of words which needs to be translated by another person. Especially this portrayal of speaking in tongues encouraged people to seek this gift desperately, and thus sects arose whose members assemble as the Pentecostal community in order to acquire this gift due to wrong understanding.... Whenever I speak to people I will always give them light, but I do not speak to those who express themselves confusingly and need an interpreter, who is equally incapable of spreading light. I ask you, why should I speak to you in a language you don't understand? You misunderstand the words in the Scriptures, as far as they can be regarded as My Word.... for even the 'letter' added to My Gospel contains errors. Words have been added which were (are) not 'My Word' and even those are misinterpreted by you, and thus you cannot escape from error. But precisely these words form the basic teachings of those supposedly permeated by the 'spirit of Pentecost'.... And they confuse people because they do not rely on the pure truth which I Myself convey to earth, in fact, they are hostile to it.... They do not accept this pure teaching and this, in itself, should already be evidence for you that they have founded themselves on wrong principles. Anyone who is so convinced of their permeation by My spirit that he speaks in 'foreign tongues' also has to be able to translate it himself in spirit and in truth, since it is not My will to confuse people's spirit but to enlighten it. And this translation has to agree with the spiritual knowledge which I convey to earth from above, or you can reject it as error. I will give light to all of you, and you should not resist this light, for the gift of grace offered to you from above is immeasurable, and yet the error is equally enormous so that I have to be active Myself in order to help you become enlightened again.... And blessed is he who accepts the light that shines for him....

Amen

Satan's work.... Heartfelt prayer for protection....

B.D. No. 5175

July 21st 1951

Even you, who are awakened by My spirit, are not always able to recognise how Satan affects you because, particularly with you, he often uses means that intend to deceive you and tempt you such that you do not realise it as his work. He wants to cause your downfall, he wants to alienate you from Me, he wants to confuse your thoughts so that you start to doubt Me and My love, he wants to portray My Word as ungodly, he wants you to tear yourselves apart with self-reproaches in order to influence you even more successfully.... He wants you to abandon Me and follow him. And since he knows that you are voluntarily devoted to Me he tries to deceive you by portraying My will as being wrong, he tries to incite you into implementing actions in the belief that you are serving Me, although they are not My will.... Therefore beware and call on Me in prayer, turn to Me with all your heart....

You should know that I listen to every plea you send to Me, but do not overestimate your own strength, that is, do nothing without praying to Me for My blessing. Then you will recognise perfectly well when the adversary is making a demand on you which opposes My will.... He counts on your imperfection, on your blindness, into which he has plunged you himself. Prove to him that you have recognised him and that he has lost all power over you due to your conscious desire for Me.... and anxiously guard against unkindness.... For this is a trap he frequently sets for you and which you can easily fall into if you do not carefully watch your encounters. Then you are put to the test of practising love and stopped from doing so by the adversary who wants to win you over. The least amount of heartlessness is his advantage which he will use to tempt you.

If you become heartless you distance yourselves from Me, although you will never be able to separate yourselves from Me since you are permanently linked to Me, and I will not let anyone, who once has decided to belong to Me, fall into his hands. But he works with much cunning and force.... He spreads doubts into your hearts, and thereby you shall recognise his working and also experience My help from Me, by merely expressing a sincere plea in your heart which I will surely answer. He will indeed have much power before the end, yet My power is greater and he dares to question it. Therefore you need not fear him but be careful and scrutinise everything that approaches you. His power is truly slight as soon as you call on Me for protection and help, for I will step by your side and he will take flight, because he flees from every light which defeats him, as he does not want to lose. Hence, turn to Me at any time with heartfelt prayer for protection and he will not be able to harm you in the slightest, then you will be his master and you will achieve the goal you aspire to on earth....

Amen
