God's revelation....

B.D. No. 4866

March 26th 1950

Open your hearts to the voice of the One Who wants to speak to you and know that He merely avails Himself of a human being because He cannot reveal Himself to you directly. Yet also accept that His Word is addressed to you; after all, it intends to benefit all of you: I Am with you in spirit always, even unto the end of the world.... And thus you will always be able to hear the voice of My spirit if you believe these Words of Mine and through your faith are also convinced that I communicate with you. Hence you need to listen within in order to be able to hear My voice, and this requires seclusion, retreating within yourselves, a private dialogue with Me in solitude. But which one of you is making provisions in order to hear Me? Whose faith is so strong that he is conscious of My presence and, if he speaks to Me in the silence of his heart, also expects an answer? Behold, those of you who call yourselves devout don't do the latter, and thus you doubt the fact that I reveal Myself, consequently you cannot hear Me either, because all doubt renders the hearing of My voice impossible. Only a few people listen within with childlike faith, thus I can reveal Myself to them and inform them of that which you should all know about Me and My will....

However, most people walk past these few, they don't recognise the Father's voice to his children, they take little interest in the proclamations coming to them from above; but they allow themselves even less to be stimulated into eagerly following an example of the consequences of faith and love in order to experience the great mystery of divine love, for every revelation is a disclosure of My Nature, of My reign and activity and My greater than great love. And therefore I cannot come closer to people, they cannot sense My proximity for they don't recognise Me. The Words 'I Am with you always, even unto the end of the world' mean nothing to them, they don't understand their meaning, they don't know the significance of My presence and the delectable gift which is the result of My presence. They don't understand My Words and won't even learn to understand them through evident proof. I reveal Myself to those people to whom I Am present if they want to hear Me. The eternal Deity draws Itself towards Its living creations and lets Its strength flow into them in the form of Words.... I Am the Word Myself, therefore My presence must also be obvious through the Word, through its transmission. And thus you humans have the evidence that I exist, for I descend to you humans in My Word. Understand this and don't pass by if I cross your path in the form of My Word. Accept it as absolute truth which is still unspoiled because it originates from Me directly, because My Word is the clear living water which flows from the Source so that you can refresh yourselves in order to successfully travel the pilgrim's path on this earth, in order to reach the goal which shall be the culmination of your earthly life.... in order to draw near to Me and become what you were in the beginning, children of My love who can create and shape and be inconceivably happy....

Amen

Withdrawal into solitude

Inner reflection.... Hours of rest - Introspection....

B.D. No. 1590

August 31th 1940

It requires some time of reflection as to be able to listen to the inner voice, for it does not express itself in the midst of earthly commotion, that is, it is not perceptible to the person. Only someone who withdraws into his inner life will be able to perceive it, precisely because it only sounds deep within the heart. Thus, in order to establish a connection with the spirit, it is absolutely necessary for a person to shape his inner life by trying to harmonise it with the will of the One Who gave him life. An inner life after divine will can give rise to inconceivable success, for this guarantees access to spiritual knowledge. It opens the gate to life beyond earth for the human being. The human being is unable to penetrate these areas from the outside, but if he takes the path by means of his innermost life, by means of his thoughts and feelings which are deeply rooted within his heart, he will take the right path and will reach the right goal.

The human being needs many heart-to-heart talks with himself and needs to subject himself and his actions to self-criticism and must always want what is best, then he will shape himself according to God's will. However, the more he is prevented by the outside world from times of inner reflection the harder it will be for him to establish contact with the spiritual world, for every pensive hour will already be, so to speak, the unification with spiritual beings which try to influence his thoughts and which, precisely during such inner introspections, can speak to the listener of the inner voice unimpeded. These beings can only make themselves noticed through the most subtle spiritual vibrations, hence they have to be received during profound silence otherwise they cannot be sensed and ineffectively glide past the human being's soul. The more easily you are able to detach yourselves from the earth and desire spiritual contact, the more clearly and perceptibly the voice will sound in you, and therefore you should do everything in your power to avoid earthly experiences which might detract you from the inner work of improving your soul, from introspective hours of rest, during which you seek spiritual contact. You will undeniably have far more success than you can ever achieve by earthly means....

Amen

Turning inwards.... Detachment from the world and its matter.... Achievement of truth....

B.D. No. 3968

February 5th 1947

The greater a person's desire for truth the more deeply he will penetrate it. To God, as the Giver of truth, nothing is hidden, and therefore He also knows and answers every question moving a person's heart; and thus you humans can easily increase your knowledge if only you let God, the Eternal Truth, speak to you, that is, if you attentively listen to your inner voice, which will always instruct you correctly. You have to look for the answer within yourselves, you should not expect it to come from outside, then you will be instructed directly, and you can be certain that it will be utter truth. Hence you should take notice of what He says to you:

Do you want to serve Me or the world.... do you want to gain My favour or do you want to attain other people's admiration? Your will alone determines your actions and innermost thoughts, and therefore a spiritual rebirth will only ever be possible when you are moved by the utmost desire to be in contact with Me, when you look for Me and completely withdraw from the world in order to unite with Me.

But how can you detach yourselves from the world since, after all, you have to live in it and see yourselves faced by earthly obligations which you should not neglect? How can you establish the heartfelt relationship with Me while you constantly live amongst your fellow human beings and are thus time and again required by them?

Only through turning inwards, through a withdrawal into seclusion which, however, can take place everywhere and at any time depending on your will, and which will proceed more sincerely and unhindered the less external impressions a person receives. A most intimate contact with Me requires detachment from all matter, for I Myself, as pure eternal Spirit, exist outside of matter, even though matter itself is My emanated solidified strength, yet it is always situated at a certain distance from Me.

Anyone who wants to look for and find Me first has to turn his will away from matter, but since he nevertheless still lives within matter, since he has a physical body, he has to withdraw into his innermost being.... Then he will find Me, and the complete detachment from matter will take place when the physical eye is shielded from every external impression, when it is closed and no longer receives physical images, for they are reflected in a person's soul and disturb its silent contemplation and union with its spirit. Spirit and matter are opposite concepts and will always remain in opposition to each other, and since I Myself as a pure Spirit want to be active within you, you first will have to achieve this inner separation from matter and then you will come closer to Me, but you will never be able to establish a close contact with Me as long as your eyes and senses are held captive by external impressions....

I want that you only desire My presence, that you have no space for anything else in your hearts, and that you muster the will to relinquish all earthly things for My sake and the sake of My presence, that you mentally detach yourselves from everything opposing Me.... And all matter is spirit in opposition to Me.... I also want human customs to be avoided where possible, for they distract from an inner composure if they are not thoughtlessly observed, or they will be automatically performed and are then equally worthless. Anyone who sincerely looks for Me first has to sever his contact with the world, and everything that is not spiritual belongs to the world, that is related to earthly matter, that is taken in by the human being's physical senses, thus everything that keeps the soul captive, that prevents it from uniting with the spirit within itself. Only when this detachment is accomplished it is able to talk to Me as it is My will, so that I Myself can work in the human being's heart with My love and grace.

And I truly favour the silent, profound worship; it can never be replaced by external customs and actions which automatically affect the human being's thoughts, which have to distract him from what is essential, from the purely spiritual contact with Me. I look into every person's heart and truly don't require any external evidence of your love for Me, and depending how you approach Me you will be considered by My love and grace, and you yourselves determine the extent. Although you will not act wrongly by performing external ceremonies, by observing human customs, but you harm yourselves by reducing the flow of My love and grace yourselves as long as any other thought but Myself still finds room in your heart. You should approach Me in spirit and in truth, then My eyes will look upon you favourably.... and then you will feel the blessing of such intimate contact in yourselves, then you will feel My presence and be happy.... And yet you will remain profoundly humble in your happiness, because you will be aware of the extraordinary grace that is bestowed upon you by the fact that I take abode in your hearts, and humility will increase the amount of grace....

Amen

Process of imparting the divine Word.... Spirit - Soul - Body....

B.D. No. 4143

October 14th 1947

Once the soul has united with its spirit the body will have lost its entitlement to the soul, i.e., the soul will reject physical desires because they contradict the spirit's wishes. For this reason a union between soul and spirit can only take place at those times when the body is not occupied with earthly activities during which all thoughts and feelings, hence the soul, are focussed on this activity.

Although a human being's activity may well correspond to divine will, the spirit's effectiveness nevertheless depends on the soul's complete surrender to the spirit, consequently it requires a person's withdrawal into seclusion for the spirit to make itself heard by the soul, especially if the conveyed spiritual knowledge is also intended for fellow human beings, hence if it needs to be written down. This is why proclamations from the spiritual kingdom, thus the Father-Spirit's emanations to the spiritual spark, can only be received in seclusion, when the soul can unreservedly hand itself over to the spirit. Then a complete connection between soul and spirit will be possible, so that God Himself will be able to express Himself through the spirit, so that the soul will spiritualise itself and during moments of contact with the eternal Father-Spirit receive, understand and subsequently inform those people of His Word who desire to know the outcome of the retreat. Only then will the soul establish contact with the body and inform the latter of what it has received from the spiritual kingdom....

Amen

Inner life.... Withdrawing into seclusion....

B.D. No. 4343

June 20th 1948

Go into seclusion and allow Me to speak to you, and you will hear an abundance of wonderful things, a world of ideas will be revealed to you which otherwise would remain unknown to you, for I Myself will guide you into regions which are new to you and yet seem appealing to you once you have entered them. Spiritual instruction is extremely valuable because you will keep it forever; it is truly far more beneficial for you than any increase of earthly knowledge, for all this will fall away or be forgotten the moment you physically die, spiritual knowledge, however, shines like a bright light and casts a gentle gleam which attracts entirely uninformed souls because it affects them beneficially. Thus you may accept spiritual knowledge from My hand if you withdraw into seclusion, if you enter into silent communication with Me in your closet. You should seek seclusion, that is, leave the world behind you, live an inner life in frequent union with Me.... And I will always be a willing Teacher for you Who will convey the knowledge you need, which you are missing and which makes you happy. As long as you are attracted to the world, you will find it difficult to make spiritual contact with Me, for I stand outside the world, yet I Am at all times within reach for you if you turn away from the world. I Am always available, but whether you have time for Me remains up to you, nevertheless, every minute you think of Me is a blessing for you.

Therefore gather spiritual wealth, it is extremely precious, and make good use of your time, be aware of the fact that it will never be wasted if you enter into contact with Me, if you withdraw from the world, and remember that you merely acquire illusive possessions with every service the world demands of you. Only love for other people has the same value, because it equally results in a connection with Me and enables My working in you.... So you should often talk to Me if you want to gather eternal treasures for yourselves. I will always assign the right task for you, I will guide you to where you can be lovingly active, I will send people to you whom you can inspire into discussions which direct their thoughts to Me again, as your Teacher I will provide you with the knowledge which you should pass on to them, and I will always be with you, because every connection from earth to Me is beneficial and will help you to ascend. For this is My promise to you 'I remain with you until the end....' Understand these Words and realise that you yourselves have to enable Me to be present with you through your will, that you must withdraw into solitude and lift your thoughts up to Me.... Then I will be and remain with you for all eternity....

Amen

Listening within

Listening within.... Gifts from above.... Everything that is good is divine....

B.D. No. 2787
June 25th 1943

Every spiritual gift requires undivided attention for the divine expression of will; for this means that the human being must listen within in order to hear this declaration of will. God's will can only be revealed to someone who withdraws into his inner life, since God's voice is only perceptible in the human being's heart; hence, a person has to listen within if he wants to hear God's voice. And thus a person must first detach himself from the world, i.e., he must completely free his thoughts from earthly interests, he must establish a bond with the spiritual kingdom through consciously focussing within and enter into a silent communication with the spiritual beings in a perfect state or with the eternal Deity Himself. He has to present his spiritual adversity to God and appeal for being guided towards realisation, he has to try to live according to divine will and have the serious will to become worthy of God's voice, then God will also let His voice be heard in the heart of someone who wants to hear it. For God requires people who clearly and understandably convey to fellow human beings what the voice of the heart has imparted to them, consequently He will also always be willing to instruct people according to the truth. Therefore, He also expects the attention of those who are prepared to pass on the knowledge they receive. For this knowledge is so extensive that people can be offered something new every day and every hour. But it must also be accurately communicated, and thus the teacher himself must be knowledgeable and always and forever accept this knowledge, and this requires constant mental concentration, that is, the recipient must willingly detach the soul from the body and utterly hand himself over to the working of spiritual forces.... he must listen to what his spiritual friends impart to him and know that every message from the spiritual kingdom is offered to him according to God's will.... that he therefore receives the truth which he should pass on in exactly the same way. Thus, his own mental concepts must not precede the knowledge he receives but he must strictly keep to that which is offered to him from above. As soon as the person fails to listen to this voice in his heart he cannot be instructed either, for God will not manifest Himself more markedly as not to endanger people's religious liberty. However, to the listener His voice sounds so clear and pure that he cannot misunderstand it, and thus he grows in wisdom because he is instructed by God Himself, Who also avails Himself of His heavenly messengers in order to impart the truth through His devoted earthly child to people on earth....

But God is at all times the Giver of gifts from above, for it is God's voice which can be audibly perceived by a person if he attentively listens within. Everything that is good is a divine gift.... everything that urges a person to do good, that teaches him to love and points him into the direction of God.... And these instructions are always given to a person when his striving applies to God and the eternal truth and when his heart has made itself receptive through the will to hear the voice of God and through a God-pleasing way of life.... otherwise the desire for God will not be rooted within the person. But then his thoughts will be influenced by God Himself and the spiritual beings devoted to God, and these thoughts will predominantly arise in his heart and need only be grasped by the person's will by means of listening inwards to the divine gifts he is offered. If the person lives a life of love these thoughts will make such an indelible impression on him that he will accept these thoughts without doubting that it is the divine voice, since through love he is already so united with God that he knows His will and always strives to fulfil it....

Amen

To consciously listen within oneself furthers spiritual development to a great extent, for this enables the direct acceptance of strength from the spiritual kingdom. It demonstrates the will to make contact with the spiritual sphere, that is, with God, and where this will exists there is also the guarantee that God will draw close to a person, that He will reveal Himself, mentally or through the voice of the spirit which, however, can only be heard by a person who has prepared himself for receiving spiritual gifts. But he will be greatly blessed.... A source will be opened up to him from which he can constantly draw a delectably refreshing drink, God Himself will offer him a gift which is bound to advance his higher development because it originates from God and acts as a means to totally unite the person with God. An incredible wealth of grace will be made accessible to him, everlasting treasures which come from the spiritual kingdom and which the person will be able to take across into the spiritual kingdom in order to work with them there for his own happiness and for the salvation of innumerable souls in need. The spiritual wealth accepted by a person through the inner voice is often so extensive that he is unable to fully understand and use it, nevertheless, he will be inconceivably happy in the spiritual kingdom, for the extent of his wealth also determines his activity and the degree of his bliss. He accepted the divine gift of his own free will, he has voluntarily worked at shaping himself into a receiving terminal for the strength of the spirit, and this will is blessed by God.... He lets His spirit take effect in the person, He imbues him with strength and grace, He grants him unlimited knowledge and guides him into eternal truth.... But He can never ever offer this delectable gift to a human being who does nothing in order to make himself receptive, who neglects to work at improving himself or who refrains from consciously listening within.... For imparting spiritual wealth to him would signify compulsory faith and the soul's maturing against his will, but this would contradict the divine law of order.

To someone who remains in private communication with God, who asks Him and waits for the answer and thus also consciously listens within, He will speak mentally, He will steer the person's train of thought in the right direction, He will instruct him according to his faith and his spiritual maturity. For every connection with God through prayer or thoughts inclined towards Him opens the heart to the influx of strength from the spiritual kingdom, and the person can always be endowed with strength and grace, he becomes a receiving vessel for the divine spirit as soon as he believes in the working of the spirit, in God's working within the human being. This faith is the prerequisite in order to become receptive; otherwise, the human being will not consciously listen to that which the voice of the spirit proclaims. And this faith is only rarely to be found, consequently, the working of the spirit manifests itself only rarely too. This is also the reason for humanity's spiritual hardship, because it ignores the source of life from which it would always be able to refresh and fortify itself. The human being cannot mature without a spiritual flow of strength, he cannot advance but instead remains at the same stage of development. However, spiritual strength can only be conveyed to earth from the spiritual kingdom and therefore requires a connection between the spiritual kingdom and earth, which needs to be voluntarily established. Where this will is absent humanity is weak, the souls suffer spiritual hardship and cannot receive help.... For this reason God avails Himself of a human being who fully consciously makes himself available as a mediator between the spiritual kingdom and Earth.... who, with profound faith in God's working through the spirit, attunes himself as a receiving terminal, who prepares himself as a receiving vessel for the divine spirit due to his will to help his fellow human beings and to be of service to God. And thus divine gifts of grace flow to him without measure.... the spring of divine wisdom pours into this vessel for the benefit of all who drink from it, who do not bypass the source of eternal life but refresh and strengthen themselves on their journey through life. Their path of ascent will be an easy one, they will travel it by holding on to God's hand and thus safely reach the goal, for His gift is delectable and guarantees spiritual success for everyone who accepts it from His hand....

Amen

You all are able to listen to My voice within yourselves and it will speak to you.... Yet how rarely do you humans establish such an intimate bond with Me and keep constantly thinking of Me. How rarely do you give Me the opportunity to speak to you by consciously entrusting yourselves to Me in order to talk to Me personally, by withdrawing from the world and involving yourselves in thoughts solely of Me. You do this so seldom because you don't seriously believe that you will be able to hear Me, that I will speak to you like a father speaks to his children. You have not yet established the relationship of a child to its father, I Am only ever the distant God to you, Whom you dare not address and Who therefore cannot talk to you like a father to his child.... But you can try it at anytime.... You only need to withdraw from the world, you only need to quietly enter into contemplation and take the path to Me in your thoughts.... You need only wish to hear My voice and your desire will be fulfilled when you listen attentively and observe the thoughts which arise in you more distinctly, because the more intimately you are giving yourselves to Me, the more you will desire to hear Me. For I will answer you.... because I do nothing more gladly than talking to My children who are now bound to Me by a strong bond of love, the Father's love to His child. And if you would make this attempt more often, you would be delighted by the inner peace permeating you, for you would feel My nearness and in this nearness you would also know yourselves to always be protected. Every one of you could attain this blessing of My communication, even if he is not conscious of the fact that it is this intimate contact with Me which provides him with inner tranquillity. But soon he will not want to miss these hours which he gives to Me, which he spends in quiet contemplation, and his soul will mature, for he will never be without a flow of strength when he has looked for and found Me.

Every thought of Me is a blessing.... All people should avail themselves of this and time after time turn to Me in thought, for then he will have already addressed Me and I can answer him if he listens to this answer, that is, if he waits quietly and then takes notice of his arising thoughts. Then he draws Me to himself, and thus I can always be with those whose thoughts are with Me.... They induce My presence themselves, and My presence always has to be of benefit for your souls. Hence you should often give yourselves the blessing of My presence, for it requires your will to withdraw from the world and lift yourselves into spiritual spheres, where you will always be when your thoughts are with Me. And then your soul will truly not suffer anymore, for it will be strengthened by Me Myself, Who has access to it now, Who can now speak to and give it what it needs to fully mature during its time on earth. For I want that it should achieve perfection while it is still on earth, and as soon as I can influence the soul directly its perfection will also be guaranteed. And therefore I want to be able to address it directly, yet your will has to decide that you will intimately devote yourselves to Me and desire to hear Me.... Then I will surely be with you and I will talk to you like a father to his child whose love I want to win forever....

Amen

The inner voice - The inner Word

The inner voice....

B.D. No. 3199

July 25th 1944

Listen to the voice of your heart, it will show you the right way. A person's will is often undecided which proves that he is influenced by different spiritual forces which want to win him over for them. At this time the person must make a decision; he must not remain indecisive but ought to turn his will in one direction, and then he should pay attention to the inner voice which wants to advise him to use his will correctly. The more diligently he aspires to take the right path, the more clearly he will perceive this voice. Then it will warn him during temptations, it will strengthen his resistance, it will admonish him and always faithfully tell him if the person is in danger of wanting to take his own paths which don't entirely correspond to God's will. But it is almost imperceptibly faint in those who live their life unscrupulously, who care little about right and wrong. And frequently it will be silenced completely because the person fails to listen and the gentle voice will be drowned out by the voice of the world. In that case, the human being will be in great danger, he must make his own decisions and is more likely to allow himself to be determined by ungodly forces and he will act accordingly. A person with the will to live a good life, thus to live according to God's will, is never left without spiritual guidance, he will be guided, his thoughts will be directed, i.e., although his freedom of will is not being curtailed, the thoughts will come so close to him that he has to accept them if he does not consciously reject them. And if he is weak-willed the spiritual forces will try twice as hard to convey their thoughts to him and he will merely need to listen within, i.e., the human being need only enter into a silent dialogue with himself, and he will be mentally clearly instructed as to what he should or shouldn't do.

However, people often don't remain in this short contemplation, their thoughts fly all over the place, one moment here, one moment there, and this results in indecision, in hesitation, both in regards to good as well as to evil.... For this reason you are admonished time and again to pay attention to the voice of the heart, so that you will act clearly and determinedly and not digress from the right path. An indecisive resolve offers God's adversary an excellent target, for this is the start of his control over the former, and every temptation confronts the will with a decision to be for or against it. If, however, the person pays attention to his inner voice he will not have to fight for long, he will resist the temptation since he will be supported by the forces of light as soon as he pays attention to them and complies with their admonitions. Then he will also grow in strength, for his will entitles the beings of light to give him strength, whereas a lack of will prevents them from doing so. For no human being receives strength against his will, although the beings of light are concerned for the human being's soul with utmost love. Yet their activity is subject to divine law as well, which respects free will first and foremost. The inner voice, however, is only audible to someone who voluntarily listens within, and therefore it can never be considered coercion, it can be heard or ignored, it can be complied with but also disregarded, all depending on the person's will. It merely gently admonishes and warns the person, it assists the weak and guides the undecided; it will never push itself to the fore but will only be heard by someone who listens. But he will be guided correctly and able to live his life without worry, for if he complies with the voice of his heart he will also know that he conducts himself correctly and lives in accordance with God's will....

Amen

You should not resist the spirit if it wants to express itself... and it wants to speak if you are inwardly urged to entertain spiritual thoughts, if your thoughts keep occupying themselves with that which does not concern your body but the soul.... if you have to think of death, of a continuation of life after death, of God, of your responsibility towards Him, of your own shortcomings, of mistakes and weaknesses, which you yourselves experience as such and which cause you to feel inwardly dissatisfied and anxious. All these are expressions of the spirit in you which would like its voice to be heard, which demands your attention regarding all these things, as they alone are of importance for eternity.... All these thoughts don't deal with the earthly world but point to the spiritual kingdom, and these thoughts ought to be heeded, for they don't arise in the human being for no reason. They are gentle admonitions and warnings, it is the inner voice which is just not recognised by a person as a voice and which tells him the same, that the person should take stock of himself and not live indifferently, that he should not merely live an earthly life because he thereby causes indescribable damage to his soul. The admonisher within the person will not keep silent but very often will be ignored, for the voice from outside is louder and drowns out the inner voice if a person is too worldly minded. Then he will become insensitive to the subtle voice which sounds in him, he will only have eyes and ears for the world and be in great danger of entirely losing the ability to hear this voice.... thereby losing all faith and no longer being capable of contemplating spiritual thoughts.

Every person, even a worldly person in the midst of life, has moments of calm when he can take stock of himself if he wants.... Every person will occasionally be drawn into conversations pertaining to spiritual problems; in every person the spirit, which is part of God, tries to express itself.... For God touches all people, and He does so time and time again, because He wants to divert them from purely earthly matters towards spiritual ones. Yet anyone who resists the spirit, who pushes all thoughts away, who remains unreceptive to all inward instructions, prevents the working of the inner spirit at his own peril. For he loses all contact with the Divine, he himself destroys the bridge.... he remains on earth and will never be able to enter spiritual spheres even when his earthly life has ended.... For his soul is so materialistically inclined that it will be unable to leave the earthly sphere.... it is hardened just like matter, which occupied its sole thoughts and intentions in earthly life.... And for this soul the path will be an infinitely long one before it reaches the sphere of the spirit.... for it is considerably more arduous to travel than on earth....

Amen

Characteristic of the inner Word....

B.D. No. 5402

May 29th 1952

A huge battle has erupted between the forces of the kingdom of light and those of darkness, for it is the end time of this earth, the earth is faced by an upheaval for the sake of the spiritual beings which are now the focal point of this battle. The prince of darkness is aware of the fact that his power is at stake, that he has very little time left and therefore he does whatever it takes in order to fortify his power. This battle between light and darkness is waged by the darkness with cunning and trickery, and many people who allow themselves to be beguiled by illusion and disguise will succumb to it. There is no risk where My messengers of light can intervene, yet Satan, too, sometimes avails himself of a garment of light and then it becomes difficult for uninformed people to recognise him as they only pretended to have established the connection, but they are inwardly still so separated from Me that I cannot manifestly help them.... who therefore willingly succumb to My adversary's enticements and temptations because he somehow appeals to them in a worldly sense and thus their reaction is also worldly. In times of spiritual darkness a ray of light is certainly exceedingly soothing, for the light comes from above, from My kingdom, and the shine it emanates will always cause a happy feeling in the darkness.... Yet My adversary often works similarly.... he wants to do the same yet his strength is not sufficient.... he knows that people are searching for light and thus equally approaches them as

light. However, this light fails to disperse brightness.... it is merely a deceptive light, it is effectively a phantom which disappears if it is carefully inspected.

Nevertheless, it is a fact that Satan often appears in a garment of light in order to confuse people but he is only able to do so if people's will gives him a foundation he can subsequently hold on to.... This will never be the case where heartfelt love for Me guarantees My presence but it can easily happen where a degree of unkindness prevents My presence and allows My adversary to enter.... this is why a completely devoted servant to Me need not fear Satan's activity, in contrast, someone who is still, if only slightly, captivated by the world needs to be extremely careful. For Satan slips in where I Am not present but he can never make himself at home where My presence is assured. My adversary tries to darken people's spirit through untruthfulness.... through errors and lies, whereas I, wherever I Am working, by means of purest truth provide enlightenment, bright and clear understanding about all spiritual problems and about My reign and activity, about My eternal plan of Salvation.... Yet **one** thing is not possible for My adversary: to make himself known through the inner Word.... And now pay attention: **What are the characteristics of the inner Word**, of the expression of My love for you, of the transference of strength which affects you in the state of receiving My Word....? My Word affects your heart and speaks to your heart, thus My Word can only be felt, and this feeling will be formulated by the person's intellect if he is willing to believe divine emanations, if the person therefore consciously listens within to hear what I reveal to him.... But it is also possible for a person's tongue to speak, impelled by a force while the person's intellect is excluded and this force avails itself of a person's mouth in order to make itself heard. This manifestation of strength can indeed be caused by a being of light, but forces of darkness can likewise avail themselves of the opportunity if a person opens himself in order to make contact with invisible forces. Then it depends on the will which forces take hold of him; the person's tongue is set in motion and, impelled by this force, he speaks.... yet I Am not the One Who speaks, although good forces can also convey to a person spiritual knowledge which corresponds to My will.

However, **My** Word is My direct emanation, which can indeed be passed on to the person's heart through a being of light yet always such that the spiritual ear perceives My Word, that therefore the person is addressed by **Me** and he hears **Me**.... and not that his physical ear hears what his mouth utters. Can you understand that? When I speak the spiritual ear hears Me, the addressed person perceives My Word in his heart. If, however, an **entity** speaks through a person the person hears himself speak, and this in such a way as if the mouth speaks mechanically, which is indeed the case, because a being avails itself of him in order to express itself. This being **can** speak on My instruction and people can likewise derive much benefit from such statements, but it is also possible for evil spirits to interfere, which happens if a person's thoughts are earthly inclined or if he, due to weakness of will, entirely hands himself over to spiritual influences, if his state becomes like a psychic one, that is, if he can no longer control what is voiced by his mouth.... In that case he is just a mechanical mouthpiece for spiritual forces, and then care will always have to be taken to accept the spiritual results as truth.... then it requires serious scrutiny if error is not to be spoken of as truth. Anyone who hears **My** Word is addressed through the spirit within him, which is a part of Me Myself.... And if the spirit in the person expresses itself, it can only be heard by the person's spiritual ear and not by his physical ear. The spiritual ear, however, is a matter of emotion; the person **feels** My Words in his heart even if he cannot audibly pass them on to his fellow human being. If, however, it is My will that he shall impart My Word, then the person will be able to convey his feeling to the intellect which grasps the sensed Word and formulates it to be understandable.... For My speech is an illumination of strength, it touches the human being's soul, and this strength is formed by My will into the Word for you.... All people can certainly feel themselves addressed by Me if they love Me and want to get in contact with Me, who thus expect an expression of love, for I draw close to all My children who call upon Me and I listen to them; I also answer them, I comfort them, give them advice, admonitions, warnings, I assure them of My help, and if they attentively listen within they will also perceive the gentle voice.... yet always in a way that they believe themselves to be saying these Words which they would dearly like to hear.

However, if a person is chosen to spread the truth throughout the world, to proclaim the Gospel to fellow human beings, he needs to receive it from Me first, and this happens through the **inner Word**.... through a process which first necessitates that the human being's spiritual ear is so trained that he hears that which I emotionally impart to him as 'spiritual Word'.... that he does not expect to be spoken to such that he hears it with his physical ear but that he, in profound faith of My love, waits for My speech, that is, that he opens himself to the flow of My love's strength and perceives the contact like spoken Words which the heart then conveys to the intellect, thus providing the intellect with the necessary understandable explanations in order to be able to process the spiritual language. Such Word-reception is a commitment for a mission, for the recipient accepts spiritual knowledge from My hand, I make Myself known to him, and this takes place in such a simple way that another person rarely notices anything peculiar and that the only evidence of My illumination of love consists of written down proclamations of wisdom, which testify to Me as a Being. And therefore it should not be difficult to recognise **My Word**, because by transmitting My Word to earth I intend to portray Myself to people such that they learn to love Me, but this is only possible if I reveal Myself to them as a most loving Father, if I explain to them that My reign and activity is solely determined by love and that they are therefore being informed of My eternal plan of Salvation.... Consequently, that which is imparted to a person as **My Word** has to be informative; it must not cause confusion, it must not sound incomprehensible, not effusive, it must sound clear and pure, intelligible and therefore pleasing for all people. It must also affect those people to whom it is imparted like a ray of love, it must touch people's hearts and meet with a response in those who open themselves.... a person must feel himself addressed by Me and thereby feel deeply impressed.... I Myself must be recognised as the Giver of the Word because I reveal Myself through My Word....

Amen

The inner Word.... Light.... Truth....

B.D. No. **5461a**

August 14th 1952

The divine spirit instructs you correctly and if you allow it to speak you cannot live in error, for then God Himself will reveal the pure truth to you through His spirit, He will give to you what you ask for or what you need.... For He gives with love and wisdom as it benefits each person's soul. Consequently, wherever God's love and wisdom is working you humans only receive that which helps to advance your soul's maturity. And at the same time the attribute of divine activity is shown, if it helps the soul to progress, if it therefore has an educational value so that it helps a person to attain perfection. You can use this as a guideline if you are in doubt as to whether you should accept something as **divine** activity.... Everything that helps a person to become psychologically mature is good and should therefore be acknowledged as being imparted to a person through God's spirit. Nevertheless, it still has to be scrutinised in which way God's spirit has affected the person who wants this spiritual information to be acknowledged as **divine revelation**. God's spirit puts thoughts into order, in a manner of speaking, it enlightens a person's thinking, and thus he can't help himself but to think and speak as is right. His intellect starts to function in the right way, and one can therefore speak of virtuous thinking which is in accordance to God's will, which can result in many blessings for fellow human beings, because the former will never speak anything but good and on behalf of God and is therefore also especially blessed. And God will always guide his thoughts correctly if he wants to speak on His behalf and His kingdom.... Hence, the divine spirit certainly works in every person yet not so conspicuously that God expresses Himself through a person's mouth.... that therefore the divine voice Itself speaks in a person, who indeed speaks on behalf of God and His kingdom, yet not as an obvious instrument which is consciously of service to Him....

The audible Word....

B.D. No. **3381**

December 27th 1944

The inner Word certainly sounds clearly and audibly, yet only to someone who listens within and who, due to his way of life, has so shaped his heart that God Himself is able to express Himself

through this heart. The human being's soul has to be so intimately connected with the spiritual spark within that it can hear its voice at all times and that the spiritual spark, which is an emanation of God, is able to express itself such that the person can hear its voice like spoken words, so that the Words sound in him and thus cannot be misunderstood. Just like people who speak to each other from person to person, God speaks to people through the heart. This process cannot be explained in any other way, yet it is only understandable to someone once he has heard the divine voice. He feels God's Words in his heart and is ecstatically happy to receive this grace, for then he will have no more doubt, no unbelief, no question which will not be refuted or answered to him once doubt or questions arise in him. The audible Word is the evidence for the person that everything he previously believed is true. And the audible Word reveals to the person the heavenly Father's presence.... His proximity, which causes indescribable bliss.

However, it sounds so very gently and subtly in the heart that it can only be heard by paying utmost attention. The most heartfelt contact must be mentally established with God and then the listening will have to start, the awaiting of His grace, which then will noticeably flow into him. But only a person whose heart has changed into love will be able to hear the divine voice, for it is divine love which expresses itself to a person and this can only manifest itself where true love exists. Yet once a person has audibly perceived the divine Word he will never lose this gift of grace again, then he will be able to hear His voice at all times and in all places.... he will only need to remain in heartfelt contact with Him and he will clearly and distinctly hear the answer. He will not be overcome by doubt as to the truth of it because he feels God's nearness and it will also be understandable to him that God manifests Himself audibly. However, as long as the earthly child has not attained a specific degree of maturity as a result of a selfless life of love it will not be able to experience the happiness of this blissful union with God either. Nevertheless, it should always and forever listen within and from the bottom of its heart appeal for this grace, so that it will receive the strength to live according to God's will, and His eternal love will draw close to it.... so that it will clearly and distinctly hear His voice, so that He will speak to it through the heart and the earthly child will feel His love and be abundantly happy while it is still on earth

Amen

The audible Word

Instruction by God Himself.... Audible Word.... Jesus' disciples....

B.D. No. 3955

January 11th 1947

Your knowledge can be increased in all directions if you entrust yourselves unto Me as a student and want to be instructed by Me. In that case you can ask any question and you will receive an answer. However, you will have to listen within or you will be unable to hear the answer. How this listening has to take place is not known to you because you don't practise it and therefore you don't hear My voice, although it speaks to you. First you have to withdraw into seclusion, that is, you must detach yourselves from the world such that your thoughts can unimpededly consider the problem you want to solve. In addition, you must make contact with Me through heartfelt prayer so that I Am present with you, so that you can therefore communicate with Me and speak to Me like a child to its father, like a brother to a brother or a friend to a friend without any inhibition. And then you will need to think about the problem that bothers you.... And a light will shine within you, you will have thoughts which seem acceptable to you, which you are inwardly convinced are right and which are indeed right because you have entered into union with Me and thereby entitled Me to direct your thoughts onto the right path.

However, you can also hear My voice directly within you, but this process needs to be practised, for it requires patience and complete seclusion from the environment, i.e., your thoughts must be able to completely detach themselves from everything around you. Then you will be able to hear gently spoken Words, mentally or even audibly, depending on your degree of maturity and receptivity. The audible Word puts an end to every doubt, and once you have reached this state of audibly hearing My voice in you, you will be the happiest people on earth, for then no more question will exist for you which would remain unanswered for you, then you will be able to speak to Me and receive the answer no matter where you are, then My voice will be louder than the voice of the world and will always and forever drown it out. And this audible Word was heard by My disciples on earth, and thus I was able to instruct them personally and answer their every question after My ascension to heaven. I was with them in spirit and will also be with you humans in spirit until the end. And therefore you should endeavour to reach a state of maturity of soul on earth, so that you will be able to perceive My voice audibly in you, and you should practise receiving My Word, you should mentally remain in constant contact with Me and leave the answer to all questions to Me, you should listen within and you will receive an answer, the eternal Teacher Himself will instruct you as He has promised, that He will guide you into all truth....

Amen

The audible Word and conditions....

B.D. No. 4448

October 2nd 1948

You need to pay attention to the slightest emotion if you want to hear My voice within yourselves. For this reason the transmission of My Word can only take place if you are in complete seclusion from the world. Although you are still living in the midst of the world everything around you can nevertheless subside into nothingness, it can stay completely unnoticed by you, if you direct your thoughts inwards and look for Me. Then you will observe different spheres to the earthly one, then you are already in the spiritual realm, your soul has lifted itself across while the body remains on earth but without having lost the connection with the soul. Anyone who succeeds in dismissing all worldly thoughts and concentrates will soon hear gentle Words in his heart, and the more the soul has detached itself from the body the clearer they will sound, that is, the more the soul strives towards the spiritual

kingdom where My Word originates from, where I Am Myself amongst the beings which educate you on My instructions, if the teaching does not directly come forth from Me. The world certainly does not want to admit that God speaks directly to people, it finds it implausible because the world, that is, worldly people, will never be able to hear this gentle voice since they only take notice of their body's demands and what it achieves. The soul is an implausible concept for them, they do not acknowledge the soul and therefore do not accept what the soul receives from the spiritual kingdom and wants to impart to people on earth.

They don't believe it because they also lack the will to live up to the conditions which enable them to hear My voice. They don't mentally detach themselves from the world but constantly strive towards it so that they have no time for turning inwards, thus they never lead an inner life without which, however, My Word cannot possibly be heard. I do not approach people from outside but meet them in their hearts.... Although I also work so evidently that it is externally visible to whom I Am present, who receives strength from Me.... but only ever where a life of love is being lived, where I can enter a heart because I Am called upon in the heart. I only manifest Myself where an earthly child firmly believes in Me and loves Me with all its heart, and both are feelings of the soul which are unrelated to the body as such. Thus anyone who wants to hear Me must come to Me and I Am not in the world but in the spiritual kingdom, even though My will is also in charge of the world but only to win worldly people over to Me, to entice them away from the bustle of the world into seclusion in order to make those possessions desirable for them which alone are of value for eternity.... Withdraw into solitude and listen within and you will clearly and distinctly hear Me if you pay attention to every thought, for as long as you don't perceive the audible Word in you which needs a particular maturity of soul and most intimate contact with Me.... However, I reveal Myself to everyone who fulfils My will and desires to hear Me....

Amen

Only beings of light are permitted to teach....

B.D. No. 7953

July 31th 1961

The spiritual world constantly endeavours to bring help to those people who desire help from the beings of light.... For all beings of light act in accordance with My will, and if I want to help people then it will often take place through My angels, through all spirits of light, whose happiness consists of implementing My will. But all these beings do not act in opposition to My will, because due to their spiritual maturity they completely entered into My will already, because they want nothing other than to comply with My will, in other words: My will is their will too, since they possess an abundance of love and wisdom and recognise that My will only intends that which is right for My living creations and therefore they unconditionally submit themselves to My will. And thus it is understandable that they will indeed impart the full truth if they are permitted by Me to bring spiritual enlightenment to people.... if they have the task to instruct people mentally, to proclaim the Gospel to them in the form of My Word, which I also convey to you through these beings of light.... but the Word which originates from **Me** will always be the **same**, because they receive My illumination of love and then pass it on again. For their bliss consists of their uninterrupted connection with Me, of the flow of My Word which is heard by them directly and which they pass on again according to My will. Thus beings of light can never disseminate untrue spiritual knowledge, and only beings of light are permitted to teach you humans if you have asked Me Myself for the truth, if you demonstrate your desire for truth to Me through your appeal for it. In that case you can only be taught the truth, for I will protect you from the intrusion of immature spirits who want to impart wrong teachings to you because they act on behalf of My adversary.... but which will never gain entry to people who **desire truth**.... And therefore you can safely accept the Words offered to you by beings of **light** as **My Word**, for they are merely the mediators of the pure truth from Me, which they **themselves** receive in form of a direct address....

For My Word sounds in the kingdom of the blessed spirits in order to make them incredibly happy.... But then they will also work with it because the love of these beings constantly endeavours to bring light into the darkness, and My Word is the light which penetrates the darkness.... And if you humans want to receive the pure truth from Me you need only make heartfelt contact with Me and appeal for it.... You can rest assured that I will grant **this** wish to you, and then you can also accept that everything given to you is given by **Me Myself**, even if it is conveyed to you through beings of light, for My strength of love, My Word, shines into them and through them down to you humans again, since these beings care for you with greater than great love and will also prevent misguided thinking from influencing your thoughts. They push all immature spirits away from you on My instructions, so that the pure 'Word of God' is not distorted, so that you humans may receive it in all purity and as accurate as it originated from Me. Nevertheless, the fact that My adversary is also at work and makes an effort to sow evil seeds everywhere cannot be denied.... Yet this will always be determined by people themselves, i.e. by their will, who allow themselves to be accessed by these forces, who thus do not entirely hand themselves over to Me and only strive for the pure truth.... who use their own will and allow themselves to be taken possession of by still unenlightened beings.... This is why a person should practise rigorous self-criticism as to what extent he has entered into the right relationship with Me.... And he should only ever hand himself over to the good forces, to the beings of light and the implementers of My will, he should appeal to Me for protection from being besieged by everything unspiritual.... he should only ever **want** to be addressed by Me Myself, Who is the primary source of truth and Who therefore will only ever bestow truth upon those who desire it.... However, I know and see through his heart and all his thoughts.... And thus I also know the substance of his innermost nature.... and accordingly he will receive, accordingly he will be surrounded by forces of light or of darkness. Yet the eternal light of love will always shine into a receptive heart which utterly opens itself to Me so that I can fill it with light and strength....

Amen

God's voice by beings of light

Indirect and direct Word of God....

B.D. No. 8160

April 26th 1962

Every enlightened spiritual being carries **My** will within itself, it has completely subordinated itself to **My** will otherwise it would not be a being of **light**.... And thus this being will only ever carry out **My** will, which it realises to be right and good.... hence it is, at the same time, active of its **own** will which, however, is **My** will too. This is something you need to know in order to recognise the value of what such a being of light mentally imparts to you when it works on **My** instructions in order to educate you.... You must always know that **My** light ray of love, **My** inexhaustible flow of strength, flows through all light receptive spiritual beings and will always be passed on again to where it is still dark, where light and strength are needed. If I therefore convey this light ray of love to earth in order to impart the pure truth to people it happens indirectly and directly.... I **Myself** emanate the light which can affect a person directly, but I can also transmit it through the beings of light, whose greatest happiness consists of the fact that they may pass the flow of **My** strength of love on, as it is their activity in the spiritual kingdom to serve **Me** as a reservoir of light and strength, so that a constant process of re-routing of strength occurs which makes countless beings happy and enables them to attain ever greater maturity. However, **it is and remains** always the **same flow of strength and light**, which originates from **Me**.... Hence you should not assume that you receive something of **reduced** value, it is and remains '**My Word**' which I **Myself** convey to Earth because I recognise that people urgently need to receive light, that people come into possession of truth. Once a person has created the opportunity that contact between **Me** and the person can be established, the transference of light and strength will be guaranteed.... The **Primary Source** of light and strength is and remains **Me Myself**.... in which way this transfer takes place is irrelevant.... Even if beings of light are the mediators.... they can only ever give what they have received from **Me Myself**, and they will never act in opposition to **My** will, otherwise one could not speak of 'beings of light'.... Unenlightened beings, however, are denied access to a person who has offered himself to be of service to **Me**, who wants to work for **Me** and **My** kingdom and desires the pure truth from **Me**.... For such beings are not permitted to teach as long as they are not enlightened themselves, that is, as long as they cannot be illuminated by **Me Myself**.... as long as they have not prepared themselves as bases for strength, as long as they still have a low degree of maturity and possess little knowledge themselves....

Nevertheless, these beings are able to intervene during such contact from earth to the kingdom of the beyond where a low state of maturity can still be found in people and where a person relinquishes his will, thereby allowing these beings to slip in, which are then able to express themselves and cause considerable havoc.... But this danger is out of the question where the transfer of the pure truth is concerned, where **My** spirit can be active.... where a person's heartfelt contact is established with **Me** and the influx of **My** flow of spirit can take place. That which comes forth from **Me Myself** is truth, even if it takes its path through enlightened spiritual beings.... because they, too, only pass on what they receive from **Me Myself**. Hence the point of view, that these beings of light could teach something different than I **Myself**, is mistaken, for only one truth exists, and if a being is enlightened then it will also be permeated by this one truth and pass it on of its own accord, for the light of love which illuminates these beings is **My** eternally inexhaustible flow of love and strength flowing forth from the primary source.... You humans first need to accept the truth of the fact that the beings of light don't instruct people arbitrarily through which a less valuable transfer can take place when someone establishes heartfelt contact with **Me** with the desire to be educated by **Me**.... This point of view is frequently upheld by people and another error I need to rectify time and again, so that **My** transmissions from the spiritual kingdom will not be wrongly judged, for **My kingdom** is a kingdom

of truth, and the truth will be conveyed to that person who seriously desires it. The **desire** for truth excludes all misguided spiritual knowledge, because I Myself Am acknowledged and desired, and I Am the Truth of eternity. Yet you must also know about the strength and light re-routing process which, in turn, is the epitome of bliss for the beings who entered My kingdom of light.... you must know that their state of maturity results in their constant illumination by My light of love and that this light of love will be passed on again by them, in accordance with My will.... Thus, I Am the be-all and end-all.... Where light and strength exist that is where I Myself Am active, and everything conveyed to you humans through the working of the spirit within you can be regarded as divine emanation....

Amen

Contact with the world of light or the world of immature spirits....

B.D. No. 8292

October 5th 1962

Again and again I have to point out that the spiritual world is in constant contact with people on this earth, that it is every light being's task to guide the people on earth towards the light and that they faithfully implement this task because they work according to My will and that they are only **able** to fulfil **My** will if they are enlightened themselves, hence, if they are permeated by My light. All redeemed spiritual beings participate in the redemption of the unredeemed, be they people on earth or the still unredeemed souls in the beyond.... For since they themselves are blissfully happy their love also wants to help the wretched to attain beatitude. And this motivates them to make contact with people on earth by influencing them mentally and by trying to guide them on the right path which leads back to the Father's house, to Me, from Whom they once voluntarily distanced themselves. However, the beings of light will not implement anything of their own accord which would **not** be according to My will, and thus their activity relating to people presupposes people's bond with Me, because only this testifies to the will that the human being will be positively minded and thus can receive help.... Once this heartfelt bond has been established with Me, no person need be afraid of falling prey to deceitful spirits, for his bond with Me protects him from this.... Then the beings of light will guide and advise him and also allow earthly events to approach him such that they will benefit his soul, for then they will always be active on My behalf according to My will. And people should indeed be satisfied with the fact that they are being guided and cared for by the spiritual world of light.... If, however, they try to establish a direct connection with these messengers of light in order to receive spiritual clarification, in order to increase their spiritual knowledge, they will always be advised by them to enter into closest contact with Me and to consciously appeal for and accept My Words.... Only if they united with Me and appealed for the transmission of truth will they be allowed to receive and also accept information from these said messengers of light, who are then working on My instructions again.

But then they will be addressed through My spirit.... hence they will not be able to hear the teachings or messages from the kingdom of light with their physical ears, but the eternal Father-Spirit will communicate with the spiritual spark in the human being, irrespective of whether it happens directly or through the messengers of light, which are merely My spiritual organs through which I work so as to be able to make them happy.Then the spiritual ear will be able to hear and.... if it is My will.... these messages can be recorded.... The fact that this simple process of the 'working of My spirit in the human being' is no longer understood properly.... the fact that it is imitated and that people to this end avail themselves of the spirit world which is still in an unredeemed state in the kingdom of the beyond , is My adversary's activity who wants to prevent everything which might lead to the realisation of a God and Creator but which is essential in order to return to Me, in order to love Me and to submit to My will.... Contacts with this immature world of spirits can never lead to the light, nothing good can come from it, for they will only add to the error in the world, and therefore you humans must time and again be cautioned to hand yourselves over to these forces who misuse you and your will. Don't take detours but turn directly to Me, the Eternal Truth Itself, then you will not run the risk of being misled. For you are unable to judge which spiritual beings approach you, but you can only be protected from their influence if you completely hand yourselves over to Me to lead and guide you, and then you will

truly be well protected.... But don't deliberately hand yourselves over to spiritual forces which always surround you and which try to influence you in every way but which are of service to My adversary. It requires profound sincerity, a humble heart and a genuine desire for truth in order to be chosen for transmissions from the spiritual kingdom which originate from Me.... But then you can be certain that purest truth will be imparted to you, and then you can also pass it on again according to My will....

Amen

Incarnation of many light beings in the last days....

B.D. No. 8245

August 19th 1962

The fact that it has become necessary for so many beings of light to incarnate on earth in the last days is because people only develop very little love, with the result that the spiritual darkness has increased.... Thus light shall be brought to humanity. They do not kindle the flame within themselves which would provide them with the necessary illumination, consequently the light has to be brought to them from outside, that is, they have to be taught by fellow human beings who know the truth, that is, who possess a light. The embodied beings of light become knowledgeable as human beings by living a life of love, for at the start of their incarnation this knowledge is strange to them as well, since they, like everyone else, first have to educate themselves in order to become bearers of light which, however, comes easy to them because they are willing to love and love is the light which enlightens them from within. Hence I convey My Word to earth through them, I bestow light upon people so that they will be introduced to the knowledge of their original state, their apostasy and their task during their human existence.... Therefore they are not without knowledge even if they live without love, but they receive clarification and only need to be of good will in order to also accept the explanations and live their life accordingly. And especially the bearers of light.... these embodied beings of light.... are rarely listened to, for they preach and demand a life of love, which is a requirement their fellow human beings don't want to live up to. Thus there will still be a great struggle by the world of light for the souls of people who close their eyes and ears and listen instead to the voice of the world.

As a result, two directions can very clearly be recognised: people who reject all light will walk along in profound spiritual darkness, whereas other people will emanate light to their fellow human beings and live a way of life according to My commandments, and there the light will increase, people will have knowledge at their disposal which will give them great joy because they then recognise the purpose of their earthly life.... People need support for they no longer do anything to find their way out of spiritual darkness, their will is weak because it is constrained by God's adversary, and as long as the human being lives entirely without love he is still part of the one who had pulled him into darkness. This is why the human being has to be told time and again to practise love, and he will always be supported by the world of light so that he will become enlightened himself and realise why he is living on earth. For this reason God speaks to people through mediators, through beings of light, who have embodied themselves on earth and voluntarily muster the will to enter into close contact with their God and Creator of eternity.... who want to bring salvation to their fellow human beings and return His children to their heavenly Father if they don't resist their efforts, if they accept the light, if they allow themselves to be permeated by the Eternal Light, which always happens when people are willing to listen to God's Word and live accordingly.... Then the darkness will be penetrated and people will become knowledgeable and come to realise that they have a Father Who wants to help them return to Him and therefore sends His messengers to them to spread the light which they receive from God Himself.... And there will still be a struggle for all souls which live in darkness of spirit, for people shall still be saved before the end and will escape the dreadful fate of being banished again into the creations of the new earth....

Amen

God's voice by personified beings of light

The embodied light beings' willingness to help....

B.D. No. 8664

November 5th 1963

Believe Me that people would be in dire straights during the last days before the end if I did not continually send messengers of light to earth to bring them light and strength directly from Me and thus contribute towards saving at least those people who have not yet entirely handed themselves over to My adversary. These messengers of light consequently fight against the prince of darkness by exposing the misconceptions which people adhere to, by bringing them the light of truth and thereby also illuminating the path of return to Me into their Father's house. There has to be an activity of strong counteracting forces, for the adversary's power is great given that people concede to this power themselves with their wrong attitude towards Me, their God and Creator of eternity. They are living in his realm and constantly move in spiritual darkness. My kingdom, however, is the kingdom of light and bliss, and from this kingdom helpful beings of light, motivated by their love towards the wretched, avail themselves to Me to descend to earth in order to help them still find the way back before the end. And since they are only impelled by love for this work of redemption, I accept it and place them where there is a possibility of success, where they are then lovingly active, both earthly as well as spiritually.

For now they are living as human beings amongst human beings and thus.... although their souls are already fully mature.... also have to fit in with people. Consequently they do not stand out in any special way but live like everyone else, often in underprivileged circumstances. Yet they will never need to suffer adversity, because they work as My servants on earth and, like a good Master, I will also always take care of all their earthly needs on their behalf. Nevertheless they are not conspicuously noticeable in their environment, yet every believer can recognise them by their unusual mission. For they serve Me as bearers of light, as bearers of truth, which they can receive directly from Me and pass on to their fellow human beings. Only the pure truth can still bring salvation to those people who still live in complete error, in spiritual darkness, and who are therefore at greatest risk of getting lost. For you humans are unable to assess in what danger humanity finds itself during these last days before the end. And this motivates Me to send messengers of light to earth which, as human beings, will then do their utmost to work on My behalf on earth to prevent people from becoming subject to compulsory faith. These bearers of light might well sense where they are coming from as soon as they, as people, receive revelations from Me in order to be able to fulfil their mission.... For they will soon recognise their fellow human beings' spiritually low level and their hopelessness of ever attaining the light of truth unless they receive special help.... And since they themselves will be guided into the knowledge of all correlations by Me through the conveyance of the Word, they will also know that they have come from a different sphere for the sake of a mission.

And yet, I shall keep their origin concealed until they have reached a specific degree of maturity as human beings which, however, they will only attain just before the end of their physical life, for it is irrelevant for the human being's mission which spirit has embodied itself in him, since all beings of light offering themselves to live on earth for the salvation of people are spirits of love which are close to My heart, and My love to all My living creations is so profound that I on My part do not apply any classification, as is always the case with limited thinking.... You humans, however, harbour this wish to know about your previous existence, and then I Am occasionally motivated by your love to give you small hints, providing you interpret these indications correctly.... For in My kingdom are countless beings with the same degree of love whose characteristics.... even though every individual being is self-aware.... correspond to a great original spirit again, precisely because of their greater than great

love.... And I also embrace these again with My love and Am present to them on earth in order to support them in their spiritual mission, which is urgently needed because humanity has reached such a spiritually low level that only the pure truth can help it ascend again which you, My messenger, shall receive directly from Me and pass on, so that the error can be recognised.... so that there shall be light on earth, so that I Myself shall be recognised by people in My whole Being.... For it is precisely this realisation which My opponent tries to suppress in order to prevent people from looking for and finding the path to Me.... For anyone who recognises Me in My infinite love, unsurpassable wisdom and overwhelming might will also strive towards Me, and he will be saved from a repeated fall into the abyss....

Amen

The servants' mission who receive the Word directly....

B.D. No. 3241

September 2nd 1944

My Word can only be directly conveyed to a few people, because only a few believe that I speak to people Myself and because this faith is absolutely necessary for Me to be able to express Myself in a person.... People lack faith in My work, in My omnipotence and love, and thus I cannot make Myself known to them in the Word either, for in order to be able to hear My Word the human being's spirit has to be alive, but this is part of Me, and thus it cannot manifest itself in the Word where I Am not acknowledged, where faith in Me is insufficient. Yet those who hear My Word and to whom I can speak directly are needed by Me on earth, for they have to accomplish a great mission.... They shall let faith in Me arise anew amongst people, they shall strengthen those who are still weak in faith, they shall proclaim Me, speak of My love, omnipotence and wisdom, they shall bring Me close to people and refer them to the Word which they are able to hear themselves. And thus they shall speak on My behalf where My voice is no longer heard.... I Myself want to speak through them because divine activity is not acknowledged, but it is imperative that people should be informed of My will, that they are admonished to live according to My order, that they are informed of the dangers which result in a way of life in opposition to My order, and that love is constantly preached to them so that they will reduce the distance from Me and thus become capable of believing and of hearing My Word themselves. The number of labourers in My vineyard is not large, for people seek earthly reward for their service; but those in My service have to work for spiritual reward and this remuneration does not appeal to the former. Yet the few who are of service to Me receive far more than they relinquish, for they are the servants of a Lord Who has all the treasures of heaven and earth at His disposal, Who has the power to give everything and Who, in His love, provides His Own with an abundance of everlasting gifts which outshine everything that the earth is able to show. Those who want to serve Me can be certain of My love, and I prove this love of Mine by speaking to them like a father who speaks to his child, yet in a way which benefits its soul. For not all people are capable of enduring My loving Word if I include My full abundance of love, not all are mature enough as to hear Me audibly; yet merely their will to help Me enables them to grasp My Word, regardless in which form I transmit it to them.

My Word is the token of My love, but My Word is also the evidence of My omnipotence for a person who is still weak in faith. For I, being invisible to you humans, manifest Myself through My Word which is eternal truth and will also be recognised as such as soon as you believe in Me. But through My Word I also want to provide evidence for the unbelievers by predicting things they will experience and which will thus enable them to recognise My truth. At the same time, I will give them the evidence of My omnipotence too, because the forthcoming occurrence will not be accomplished by people but will be entirely My work and therefore will help many people to believe in Me. This is why I instruct My servants to mention My predictions far and wide, for My love applies to those who are incapable or weak in faith, and in order to help them I will visibly manifest Myself after announcing it in advance. I grant the grace of hearing My Word to those who want to receive it, who desire Me and My Word with all their heart and who humbly submit themselves to My will. This grace, however, enables the person to mature if he allows it to take effect in him.... And My Word is

the most effective means of grace, since the soul of anyone who has My Word and lives accordingly is already bound to become fully mature on earth. You should therefore be grateful that you may hear Me through a person who allows Me to speak to him, i.e. who believes in Me, in My work, My love and omnipotence and who therefore listens within to what I say to him. You should not hear **him** but instead hear Me in every Word that reaches you, you should let the grace take effect in you, you should become strong in faith and try to motivate your fellow human beings to gain faith as well by informing them of the heavenly Father's concern for His children who have distanced themselves and are no longer able to hear His voice. But you should receive My servants as My messengers who want to convey the grace of their Lord to you, who want to bring you peace if you are of good will.... Pay attention to their words and you will hear My voice, comply with it and submit yourselves to My will.... My servants, however, are blessed and prepared by Me for their work in My vineyard....

Amen

God's voice through vineyard labourers

God's call within your heart....

B.D. No. 4170

November 19th 1947

You have to heed the need of the moment, i.e. you have to hold yourselves in readiness, so when you hear My call within your heart you will be able to serve Me without hesitation, for the hour of taking up your post is near. And the sign and evidence of My Word's truthfulness rests upon the fact that worldly obligations no longer seem important to you once you have heard My voice, which clearly instructs you what to do. You will have no further desire for this world but only find joy in your spiritual work, and you will receive help in accomplishing it because it is My will. This time will be preceded by a spiritual drought, a time when you will hunger for My Word, for lively activity in the spiritual field, and when you will lack every opportunity for spiritual debate. Although you will receive My Word, and My love will always take care of you, you will find yourselves isolated amidst a world with a zest for life which is unable to give you anything. You will get little sympathy from other people and therefore feel down-hearted but move ever closer to Me, and thus your hunger for My nourishment for your soul will increase, until you suddenly hear Me inside yourselves.... And then the hour will have come for your mission to begin.... And I will make sure that you will be able to start your work, that you will lose all shyness, that all reservation and fear will leave you.

You will only speak, think and act in accordance with My will, you will represent Me Myself on earth, that is, you will speak what you receive through My spirit, you will be living witnesses of My Word. You will go amongst people as My disciples again and proclaim to them My Word, with the addition that the end is near and that I will come Myself to fetch My Own when the time has arrived which I have determined since eternity. And, in order for you to speak freely and unimpeded, I will place people by your side who will provide you with worldly support, who will accompany you as faithful followers, who will protect and shield you from the world, although you will always enjoy My protection and I will not leave you until the end. But I will also take care of you in an earthly way and you should fulfil your task without concern, because your mission will completely drain your strength, and therefore you shall be free from all earthly worries. But I ask of you to pass on the gifts you receive from Me and thus make them accessible to other people; to carry My Word into the world verbally as well as in print, to spread the truth and thus inform your fellow human beings of My working, so that their thoughts are directed to the spiritual kingdom. And I will bless your service to Me, I will give you strength until the end and one day will reward your work in eternity....

Amen

Call to work.... The mission of God's servants....

B.D. No. 4174

November 24th 1947

How you will hear My call to work for Me and My kingdom depends on each of My servants' state of maturity on earth, because I need many labourers in My vineyard and everyone who is ready will be given the task he can meet in accordance with his ability, which again depends on his soul's maturity. One person will feel an inner urge to speak about spiritual things, to attract people to Me and lead his fellow human beings into faith, he will be called by Me through an inner desire. I will effectively place this task into his feeling and he will accept this feeling and comply with the inner desire.

Another person will hear the inner voice; he will follow an inwardly prompted train of thought. He will be unable to detach himself from ideas which will motivate him so much that he will have to

discuss them, and I will bring him into contact with people to whom he can talk about his thoughts and enter into spiritual conversations which inspire the fellow human being to dwell on it, and thus he will likewise be invited to My kingdom.

But I will also make Myself audibly heard to My servants, whose particularly advanced state of maturity allows for it. I will tell them clearly and understandably how they should work for Me, where they should go and what they should teach. And they will have a very special mission.... they will, encouraged by My spirit within themselves, preach My Word where My adversary is openly active.... where misguided teachings are spread by people who also call themselves My servants but who have not yet received the pure truth from Me because they refuse to accept it.

This mission requires a special ability.... it requires the gift of oratory, which My servant need not have but which will be given to him during his time of working for Me because he will have attained a certain degree of maturity allowing the working of My spirit through him. But at the same time the person has to intellectually grasp what he, prompted by My spirit, is saying. He has to be able to cope with hostile attacks and disprove any contention of My Word. Although he indeed merely has the task to spread My Word, the pure truth from Me, he will also have to speak freely since debates will arise which make intellectual activity indispensable. Furthermore, the comprehensively informed challengers have to acknowledge My servant's spiritual superiority if they are to pay attention to what they will be told, as they will argue about important and profound problems which can only be handled by an awakened and spiritually enlightened human being with Me Myself as a teacher, and therefore also presents himself confidently and is not afraid to contradict those who pride themselves in being intelligent and knowledgeable.

These servants will receive a special call; they will audibly hear My voice within themselves so that they will be completely certain of My will and then totally subordinate themselves to it. If they win one of these teachers over for Me and My doctrine, for the absolute truth, which they can only receive from Me Myself through you, it will be a great spiritual success because he, in turn, will then likewise campaign for the truth again and teach a larger circle, and thereby make My Word available to many people in its purest form and for the benefit of everyone.

Anyone ordained for this mission can call himself a servant of God with full conviction because he will speak on My behalf, he will only do My will, he will be guided by Me and take every step in My company, he will only be My mouthpiece so that I can manifest Myself to people without infringing their freedom of faith or will. For this reason I need such servants devoted to Me during the last days before the end because work has to be done everywhere and constantly in order to make My pure Word accessible to people, which is blessed with My strength but which also comes directly from Me and is sent to earth in order to liberate people from misconceptions....

Amen

**The working of the spirit in the wakeful state.... Evidence:
reasons....**

B.D. No. 4620
April 22nd 1949

It is intended for you to receive My Word in the wakeful state, for this gives you the evidence of My working in you through the spirit. You should compose yourselves in prayer and enter into heartfelt contact with Me by excluding the world from your thoughts, you should completely hand yourselves over to Me and listen within to My voice. Then it will speak to you gently and subtly, depending on your maturity of soul it will be either audibly or mentally, yet always coming forth from Me and not from you. In this prepared state you are incapable of achieving the kind of mental work which corresponds to the content of My proclamations. You are in the state of a listener and not of a speaker. And if you want to clarify the difference: the listener can remain passive whereas the speaker needs to be active. Depending on his state of maturity his spiritual ear is developed such that he can understand My incoming Word although it sounds extremely gently in his heart. The depth of feeling is therefore the decisive factor for an effortless reception of My Word, and accordingly will be the proclamations' depth of content, which are intended for him and through him for his fellow human beings; this is why

you must differentiate between spiritual knowledge which shall be conveyed to fellow human beings and the Words I grant to My children as a loving Father if they suffer fear and adversity and are in need of comforting Words, which certainly provide the evidence of My compassion to all people yet are particularly given to those who call upon Me in their distress for help. I will always answer those who want to hear Me and speak to them through the spirit.... as I have promised you. You are meant to hear Me, yet in a fully conscious state, for I don't conceal Myself behind a form which is so weak that it gives up its own will and in an unconscious state allows an unfamiliar will to take possession of it.

I constantly caution you strongly against the results of spiritual beings which manifest themselves in this way, which instantly seize a weak will with their thoughts and then try to transfer these to people. But I also caution you against preventing the obvious working of the spirit or to deny My working in a person who clearly and in an aware state receives revelations from above. And I want to give you a reliable characteristic of My working which you can always use to make the test.... My Words, which I spoke to people on Earth, will be explained such that they can be logically substantiated to every scholar, every person having become academically knowledgeable, and these reasons will never contradict themselves, because it is My Word, which always remains the same and its meaning testifies to profound wisdom. Anyone who has truly penetrated this Word of Mine will hear Me Myself speaking, thus recognise My presence, if he reads My Word or it is audibly conveyed to him. And this feeling of hearing Me Myself speaking is the most certain guarantee for My working and is intended to dispel the person's every doubt. For I approach people in the Word, I Myself Am the Word, and those who believe in Me and want to be My Own will hear **Me**. My Word will affect them like a loving Father's voice which is obeyed by a child and therefore is also loved by the Father and will be endowed with His gift of grace as often as it wants to receive it. Therefore let yourselves be guided and taught by your feeling, for I Myself place this into your heart and error will never influence you such that you are willing to diligently defend it. For I protect everyone from obscure or deceptive feelings if he has the sincere will to work as My disciple during the last days, because I need these true labourers in My vineyard and therefore also grant them the ability to distinguish between right and wrong....

Amen

What can be regarded as divine revelation?....

B.D. No. 8862

September 30th 1964

The great quantity of that which is accepted by people as 'divine revelation' is also a sign of satanic activity, for he seeks to undermine My pure Word in the same way by availing himself of My Words in order to confuse people. However, the comment 'I shall pour out My spirit over all flesh' must not be understood such that everyone believes themselves to hear My speech, but the thoughts of those who desire to be instructed in the truth are guided by Me accordingly. And where two or three are together, I Am in the midst of them, so that they, too, will know themselves to be guided by My spirit if I Myself Am the subject of their conversation.... Everyone will certainly be able to hear Me within himself if he appeals to Me for guidance on the right path.... And thus the working of My spirit will be observable in every person who preaches love for Me and in turn motivates other people to love. I will also speak through him but always in his usual manner of speaking, so that a hearing of the 'inner Word' cannot be spoken of.... For this is only recognisable by the fact that I emanate a light of such radiance at the same time that it illuminates the darkness and provides people with the right clarification about all questions posed by the spiritual seekers.... for they shall receive light in order to pass it on. For this reason I have, very wisely, announced such bearers of light for every era whom I enlighten time and again about the actual purpose of life and the human being's task.... about the reason of embodiment and the final goal.... in short, about everything that humanity lost as a result of their lack of faith and their ever increasing distance from Me.... Hence, the fact that bearers of light exist in the truest sense of the word cannot be denied, however, they are not often to be found and therefore I announced them as returning 'in every era'.... From this alone it is evident that such Word-recipients are unique.... and that they can be granted utter credibility. But once a person is so

intimately in contact with Me and listens within during this contact then he will indeed be able to hear Me, for I promised you that I will be with everyone who unites with Me in prayer.

Nevertheless, you humans must not forget that the adversary is able to express himself in the same way if your thoughts digress and you enter into his sphere, and that he will then speak to you under the guise of piety as soon as you allow him to influence you. For this reason you must be extremely careful, you must withdraw into your closet if you want to hear Me, you must not believe that I speak through you to people directly but that you, if you communicate with people, speak in your usual manner.... Then I will certainly be able to guide your thoughts correctly so that they voice what is right but you will always express yourselves in your normal manner of speaking. You must make the distinction that you can indeed speak as I want, that your thoughts will be guided by My, but that you will never hear Me Myself such that you can say: I Myself Am **speaking through you**.... and the same applies to 'where two or three are gathered together in My name' or 'I shall put the Words in your mouth' so that you will then speak according to My will. However, the Words people write down, the Words they hear in the silence of their heart, can certainly be endorsed by them as My direct speech, but where I Myself Am supposed to speak through a person to a congregations, so that they therefore believe they are hearing Me Myself, that they no longer speak in their normal manner of speaking, I will not express Myself even if they want to verify it with the name of Jesus.... For this gift of the audible Word is so rare and requires such a high degree of maturity that it is almost impossible to find a suitable vessel for it.... And those who audibly hear My Word within themselves will only hear it occasionally, in great adversity or danger or when a person is embraced by My great love.... But then it will only be moments when a person can state that he has clearly heard Me.... Yet the saying 'I will pour out My spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions....' is generally interpreted according to wishful thinking, so that everyone believes himself to hear the Father's Words which, however, can only be received in seclusion and which then can indeed motivate a person to truthfully point out the forthcoming Judgment to people.... For it is the time of the end which makes it necessary for Me to let such prophets and seers appear and to speak according to My will, as I have promised....

Amen

The inner Word during the time of affliction....

B.D. No. 3408

January 17th 1945

During the time of affliction, you will clearly and distinctly hear the voice of the spirit as long as you uphold your contact with God and desire to hear Him. He will not withdraw His gift of grace, He will convey it ever more abundantly for He knows what you require, He knows that you need comfort and support and that only He can offer these to you. The more closely you join Him the more He will endow you with His Word, with His love, which He manifests in the Word. And you will not be so harshly affected by the affliction, for God Himself will lift you up and above the misery. He can give you a joyful heart despite the external adversity, he will make you modest and patient, so that you will not miss anything and only desire that He will reveal Himself to you, that He will speak to you and that you receive His grace.... And He will grant you this desire, He will sharpen your spiritual ear and you will hear His voice wherever you are and at all times. And the spiritual nourishment will make you more profoundly happy than any earthly fulfilment. Your body will be content with little, you will no longer pay attention to it, yet your soul will be abundantly cared for and will never need to starve.

And if you are faced by earthly adversity it will no longer discourage you, because you will be able to take it to the One Who promised His help to you because He loves you like a Father loves His children. The time of affliction need therefore not frighten you if you consider yourselves His children and communicate with Him from the bottom of your heart. He will answer you and you will hear His voice in your heart, and what He tells you will lift you up and make you happy, it will make you strong and confident, it will silence all your worries and troubles, for you will be able to gain profound

and unshakable faith, because you will be taught by God's spirit and His voice will affect you like a fatherly word of encouragement which you will never ever doubt. And your heart will rejoice because you recognise the loving Father, Who deems you worthy of His voice. Your spiritual progress will let you forget everything, you will endure whatever suffering and deprivations the body has to put up with, for your body will become less sensitive the more spiritualised the soul becomes.... The soul, however, will rejoice once it has reached the goal of sensing God and hearing His voice as often as it desires....

Amen

The inner word during the last days

Inner voice difficult to hear.... Turmoil - silence....

B.D. No. 4378

July 17th 1948

You will always hear My voice if you hand yourselves over to Me and, with a desire to hear My Word, attentively listen within. I have always given you this assurance and will never withhold with My gift of grace if you sincerely desire it. Yet as long as My voice is not audibly heard by you but only affects you mentally and thus requires full attention and seclusion from the world it will depend on yourselves as to whether you will hear it. This is why I draw your attention to the forthcoming time which will make such great demands on you that only the strongest resolve will be able to manage to withdraw itself and listen to My voice in seclusion. The adversity of the forthcoming time will often deprive you of your inner tranquillity, even though I will help every labourer to fulfil his task if he is willing to serve. I Am always close to you and if you, despite utmost distress, stay aware of My presence, you will always hear My voice too, for then your faith will be stronger than your earthly hardship, which you will banish anytime. Yet I want to draw your attention to the fact that you can expect considerable turmoil which will restrain your every thought with the effect that it will be difficult for you to make contact with Me.... But then read My Word, draw strength from My Word, and you will noticeably feel that I Am close to you....

Keep trying to retreat within yourselves and, in seclusion, listen to the voice of your heart, and you will succeed if your will and your desire for Me is powerful. But first draw strength from My Word, use the time, don't become half-hearted and indifferent but believe that great danger lies in wait for you, that you will be shaken out of your worldly tranquillity and that a large world event is in the making. Always rely on My help and you will never call to Me in vain, for I will answer you who, as My children, call upon the Father in your time of need....

Amen

Wave of awakenings during the last days....

B.D. No. 5457

August 8th 1952

A large wave of spiritual awakenings is moving across the earth, for the end is near and during the last days many souls shall still be won for the spiritual kingdom. The love of God is infinite and helps wherever people are without strength because they live without love. God's outpouring of grace flows constantly to people, and where a heart merely opens to receive this flow of grace God's strength becomes evident and the human being testifies to Jesus Christ, the Son of God and Redeemer of the world.... For that reason God's Word is proclaimed everywhere, but it can only take effect on people if it is preached by someone filled by the spirit of God, who will give life to the Words and therefore also affect the listeners. And during the last days such preachers filled by the spirit of God will arise ever more, and thus they will have been awakened.... The Lord of Heaven and Earth reveals Himself in every way, he speaks through the mouths of many people, yet only if a spiritual awakening has preceded. But then the spirit within the person will impel him to be eagerly active on behalf of God and His kingdom.... But God's adversary also works to the same extent, and his endeavour is the same: to let people speak on his behalf so that darkness will be spread and that God shall lose his power. The human race lives in confused thinking, it no longer has the gift of discernment, it accepts and rejects entirely arbitrarily, for it is incapable of recognising truth as truth and error as error. And this inability is used by God's opponent by trying to intersperse the truth with errors.... Where divine revelations are conveyed to earth, where the spirit of God can work in a person, that is where the pure truth exists, and this will also be protected by the One Who wants to reveal Himself through it. The

adversary can only exert his influence where the desire for truth is not predominant, where therefore God, the eternal Truth Himself, does not assume first place or where still earthbound thoughts emerge, so that the spirit of God has no unrestricted reign in the person.... Then it recedes and the hostile power gains influence over a person's thoughts although he believes himself to be instructed by the spirit of God. In that case, however, one cannot speak of a spiritual awakening either, the will might have been present yet he failed to do what is necessary in order to give life to the spirit within himself.... Many people want to hear God speaking and God is also lovingly inclined towards those who desire to hear His Word. Yet whether they will **be able** to hear His voice depends on the shape of the soul, which is the spiritual ear for God's voice. But the will to hear God's Word can also inspire the intellect to form divine Words, which is not to be condemned since the human will does not think anything anti-divine.... Nevertheless, it is not **God's Word** which is delivered by the human intellect.... On the other hand, however, a person can deeply desire God's Word and, filled by this desire, hear Him without being aware that it is God Himself Who speaks through Him.... In that case, he is unconsciously of service to the Lord as someone who is spiritually awakened.... and he speaks the truth, because his desire for it is, at the same time, also a desire for God, which He always grants....

The awakenings during the last days before the end will particularly emerge where the proclamation of the Gospel is felt as an inner need. That is where the spirit in the person is already working, and then it will clearly express itself insofar as that an unusual talent will come to light, yet only during his service for God and His kingdom. Then a person without any special oratory gift will be able to make good speeches, a person without any special previous knowledge will be able to offer informative clarifications; he will have fluent answers to questions about spiritual things.... The spirit of God will visibly take effect, the person will belong to those who are awakened, who vividly stand up for the Word of God because they will be inwardly impelled by the spirit which continually strives towards the Father-Spirit, which always reveals the divine will to the person and urges him to implement it. This kind of awakening will particularly emerge in congregations where the desire to hear God's Word predominates, and where God therefore speaks to the congregation through a person.... And the congregation will listen to this person, because the working of God in him will be obvious. But he will speak in his own words, nothing abnormal will come to light, even though he will show talents which he otherwise does not possess. Yet he will not speak in a psychic state, he will not speak automatically, hence he will not be forced to speak such that his mouth forms words uninfluenced by his intellect.... Such proclaiming can also take place but it is not to be regarded as an awakening of the spirit, it is more likely the taking possession of the human will by a being which wants to express itself. In the right kind of awakening the spirit illuminates the human being's intellect at the same time, it corrects his thinking, thereby enabling the person to speak spiritedly to his listeners, not like an automaton, which brings forth one word after another and betrays a strange power speaking through him.... If this power is evil it can cause tremendous damage; if it is good, the spiritual results can also be good yet they must never be judged to be the same as the working of God's spirit in a person, which is such a bright illumination of divine strength of love that it is recognisable through increased knowledge and great diligence for God and His kingdom. Hence this applies to the proclamation of the divine Gospel in the congregation, which needs to be paid special attention to during the time of the end. But the spirit of God can also express itself in solitude, it can educate an individual person and impart knowledge to him for a purpose.... Then the spirit of God within a person has equally been awakened through the person himself. And this kind of awakening is also associated with a mission.... the knowledge which is subsequently received by the person shall be passed on, for the Gospel shall be spread in all purity with divine support.... God Himself takes care of people who received the Gospel in a spoilt form and who therefore no longer have the right kind of faith; he will, however, give it back to them by imparting the pure truth to them. To these spiritually enlightened people is God speaking directly, they hear His speech within themselves like clear mental Words, they receive impressive instructions with the purpose of passing them on to people.... Thus God speaks through these people, yet again not in a way that the human being serves God in the form of a speaker but that he, after having received the divine Word, has to activate his own will to pass the divine Word on. This

working of the spirit is insofar significant as that it establishes a foundation again, so that people can be introduced to the fundamental truth, so that God Himself can instruct the human race and thereby every doubt can be refuted, every error exposed and every wrong interpretation corrected.... so that the pure Gospel can therefore be proclaimed by God Himself, received through a person in whom His spirit can be active, and recorded by his will to be of service to God and to people. Spiritually awakened people will always serve God with enthusiasm and conviction, and that in different ways.... Thus the spirit of God is always active in them, which guides their thinking and intentions correctly, which provides them with unusual strength to seriously work for the kingdom of God.... And such awakenings will happen frequently during the last days, yet where this is possible the spirit of God manifests itself unusually, because His love and wisdom recognise what is beneficial for the salvation of the human race. He knows His servants and assigns to them the work they are capable of doing. He works in public like in solitude; according to His wise Judgment He appoints positions to those who are capable of administering them well And thus the tasks he gives to His servants are different; yet they all work for His kingdom and are of service to Him, and the work of every individual person will be blessed....

Amen

Dangers of psychic reception....

B.D. No. 7720

October 5th 1960

And time and again I admonish you to love, because only love will awaken the spirit within you to life so that it can manifest itself. You ought to know that the spirit's manifestation is of incalculable value for you, because then you will receive My Word in all its purity since I Myself will be able to speak to you through the spirit. You should know that love activates spiritual powers in you which you have always possessed but which lay buried within you since your past apostasy from Me. Thus the higher you ascend through love the more these spiritual forces will develop again and your nature will change once more into the original being that you were at the beginning when you were still in My image.... supremely perfect entities which were able to be creative and active like Me for their blissful happiness.... You relinquished love of your own free will.... and must voluntarily strive for love again, you must open yourselves to My illumination of love so that My spirit will flow into you again, and thus all past abilities will awaken to life and you will enter into active communication with Me once more. However, I also want you to know that My adversary will try to influence you in the same way; he, too, would like to express himself through you and could succeed if you submit yourselves to him. Then he will be able to take possession of you and transfer his will onto you, then you will also be able to speak but what you say will be a jumble of thoughts which will lack all clarity, and you will not benefit from it. And therefore I seriously caution you against submitting yourselves in weakness of will to spiritual powers which misuse you; I warn you against **psychic** communications which you humans often cannot distinguish but which always denote a danger, which cannot be called the working of the spirit but are simply messages from different spheres of the spiritual world and only rarely guarantee the pure truth. Even people who are still far removed from love are able to receive psychic communications, for as soon as they submit themselves in weakness of will to a spiritual power they will be possessed by it, and they won't offer any resistance if these powers come from the lower spheres of the spiritual world. But anyone who ignites the flame of love within himself will inevitably establish contact between his spiritual spark and Me, the eternal Father-Spirit. And this person can only pass on truth, he actually receives My Word, he is addressed by Me directly and can only be taught the truth....

And I would like to warn all of you through this Word that you should not believe every spirit, that you should turn to Me Myself and only appeal to Me for truth. You should not ask questions, you should not desire to know that which My wisdom keeps hidden from you, you should not ask these spirits about earthly matters.... You should only ever trustingly come to Me with all your concerns and I will truly answer you through your heart.... if only you pay attention to your thoughts, your inner impulses and intentions.... Then I will speak through your heart to you and you will truly not need

advice from spirits of whom you don't know to which sphere they belong, for they disguise themselves well, and you will often consider them good spirits, whereas in fact they only cause confusion and try to stop people from their direct communication with their Father of eternity. I so gladly want to speak to My children.... but I can only do so if you shape yourselves into love, because only love can speak to love. Hence you should all come directly to Me and, by just sincerely uniting with Me and listening attentively, you will also hear Me Myself within you.... you will be able to enter into a dialogue with Me and even problems you entrust to Me will clearly resolve themselves. And if you live a life of love My voice within you will become increasingly clearer, for then the spiritual spark within you will be addressed by its eternal Father-Spirit and audibly reveal itself to you. But don't think that you will receive My communication in a roundabout way if love is not within you as yet. The **working of the spirit** and **psychic receptions** must be distinguished from each other.... Admittedly, each time a spiritual force is at work but just as there is light and darkness, the forces of light will also always have to fight against the forces of darkness.... Light is where love can be found, and therefore love alone determines the degree of truth which forms the basis of these spiritual messages.... And love approaches Me directly, since I Am Eternal Love.... Love resists communications which do not originate from Eternal Love Itself. And Eternal Love wants to be in direct contact with you.... I want to be addressed by you yourselves so that I can also speak to you Myself. And that is the 'working of My spirit' within you, which I constantly announced to you with the Words 'I will send you the comforter, the spirit of truth....' Love is everything, and only through love can you unite yourselves with Me. And I want to receive this love from you and truly, you will be guided into all truth....'

Amen

Dangers of psychic reception

Difference between the 'working of the spirit' and 'psychic' receptions....

B.D. No. 8416

February 19th 1963

You should always bear in mind that the truth is intended to be distributed everywhere, therefore I must convey it to earth in all places, and this is always possible as soon as a person fulfils the requirements which the 'working of My spirit' in a person are based on. First, the willingness to be of service to Me has to motivate a person to enter into heartfelt contact with Me, and he will indeed be accepted as a labourer in My vineyard, since he is living a life of love otherwise he would not offer himself to Me as a co-worker. Hence, love is likewise the precondition that I can choose him as a suitable vessel into which My spirit can pour. Another requirement is the strong and living faith that I speak to My child as a Father, when it desires Me to speak.... And a further indispensable prerequisite is that he is permeated with the desire to be taught the absolute truth and that he therefore turns to the Eternal Truth Itself in order to receive it.... Now you will say that you humans are meeting every one of these requirements and that I should therefore be able to give My Word directly to many people.... Consequently, you will also gullibly accept messages from the spiritual world although they cannot be rated as the 'working of the divine spirit'. For many people have an overwhelming urge to make contact with the supernatural world, and since all of you humans are surrounded by inhabitants of the world beyond, you will surely find it understandable that they will also make use of every opportunity to make contact with you in order to express themselves to you.

It is indeed difficult for you to recognise the difference between such communications from the spirit world and the genuine 'working of My spirit'.... Yet the one thing I want you to consider is that I merely want to assist **your soul** to become perfect on earth.... and that therefore the contents of My imparted spiritual knowledge through the working of the spirit will be the Gospel of love.... furthermore, that you, in order to find redemption on earth from your original sin, need to receive the knowledge about Jesus Christ and His act of Salvation.... about the cause and spiritual reason for His mission.... and about My human manifestation in Him.... And you need to be enlightened by Me about your origin and your goal and about My eternal plan of Salvation, through which I will one day reach the goal I set for Myself when I created you.... This extensive knowledge can only be conveyed to you through the 'working of My spirit' in you, and therefore only those people can claim to be true Word-recipients whom I have initiated Myself either directly or through My messengers of light, through perfect beings in the spiritual kingdom which absorb the light ray of My love and forward it on My instruction. And thus everyone believing himself to receive My Word should first seriously question whether he received this knowledge from Me, whether he can state with conviction that he was 'initiated' by Me into the truth, into a knowledge which was previously still unknown to him.... The information about My plan of Salvation can only be conveyed to people by Me directly, for anyone who only accepts it intellectually from other people will not understand it, even if it corresponds to the truth, because it requires spiritual enlightenment in order to comprehend it.... And I certainly convey this knowledge to earth in a clear and fully understandable way in all countries on earth, and it will totally concur, because only pure truth can come forth from Me and this will never contradict itself.... And the recipients of such extensive knowledge should do everything in their power and try to distribute it.

And this can always be used as a guideline for proclamations from the supernatural world, for as soon as they fail to impart to people the profound knowledge of My eternal plan of Salvation they do not originate from Me but are expressions of those spirits which are not yet entitled to teach because they are not yet permeated by the light which they should forward on My instructions. It is particularly

important to know in which way such messages are conveyed to a person, whether he, in a fully conscious state, mentally or audibly hears clear Words or whether a spiritual being speaks through the mouth of a person in a psychic state, who surrendered his will and is therefore unable to test which spirit takes possession of him. This examination must always be carried out first, for although truthful messages **can** be received in a psychic state too, such momentous and extensive knowledge which provides complete clarification about My eternal plan of Salvation will never be conveyed to people in this way.... Then partial truths may well be imparted but to the same extent misguided teachings can also slip in, such as the wrong description of the Deity in Jesus, Whose correct portrayal is, however, of **utmost importance**. And as soon as people are taught wrongly, especially in this respect, they still live in error and every error has a disastrous effect on the human being's soul. I don't keep clarifying this time and again for no reason, because Jesus Christ's act of Salvation and My human manifestation must be fully understood by you humans.... For the purpose of your existence on earth is that you will be free from all guilt when you pass into the kingdom of the beyond. And only if you possess a **truthful** explanation about this act of Salvation by Jesus Christ will you consciously take the path to the cross, you, who once denied Me your acknowledgement, will consciously acknowledge Me again of your own free will....

But precisely as long as this problem of My human manifestation is not yet solved by you, you will still live in spiritual darkness.... And if you are now being taught by those in the spiritual realm which are instructed by **Me** to teach you and to convey My Word to you, then these beings of light will first of all provide this significant knowledge, and thereby you will also recognise the working of My spirit in you.... Then you will not need to be afraid of being used by other spiritual forces, which certainly will also disguise themselves and claim to be your guides and yet do not have the knowledge themselves as to be able to enlighten you. However, you humans don't know how My adversary influences people as well as the still immature beings in the beyond, and you don't know that he will try everything in his power in order to undermine the pure truth and to make people believe that they know the truth. Their skilful disguise will cause much harm, because people allow themselves to be used and are far too gullible themselves.... For they lack the right judgment, and they confuse the transmission from the supernatural spheres with the 'working of My spirit', which irrefutably grants truth to those who are instructed by Me to spread the **truth** throughout the world. And you should accept this truth and comply with My will, you should not just be listeners but doers, and then you will no longer need to doubt and question but know that you possess the truth....

Amen

Spiritual reception or mental work?.... Serious scrutiny....

B.D. No. 5135

May 22nd 1951

An endless abundance of spiritual knowledge can be conveyed to Earth without it being recognised by people for what it is.... For spirits are working in all spheres which want to communicate with people, and depending on people's degree of maturity are either received or rejected. No spiritual being is prevented from expressing itself if people are willing to listen. Yet people will likewise be granted protection if they don't want to be approached by evil forces. For force cannot be applied by the spiritual world, neither from below nor from above, and therefore it is always a matter of an individual person's own free will what **kind** of spiritual information he receives. However, you should know that spiritually awakened people, thus those who are in conscious contact with Me and appeal to Me for the pure truth, can never ever be deceived or wrongly instructed again.... For these people are surrounded by a protective wall of spiritual beings of light which only ever endeavour to deny entry to all impure spirits, because a spiritually awakened person belongs to the redemptive community once he has offered his services to Me and his redemptive work shall not be endangered by the darkness. But then it is a question as to what kind of mission the person intending to serve Me has and how far he has already penetrated the truth. A less informed person will be unable to grasp exalted wisdom, consequently he will not be able to judge its value either, to judge a truth which is as yet incomprehensible to him. In that case, however, his mission is not the same as

that of a person who was instructed in the most profound knowledge should fulfil.... Furthermore, strict attention has to be paid as to whether 'spiritual **receptions**' or mental brain work are under discussion....

You do well to remember that **spiritual recipients**, if they work on My instructions, will be spiritually protected from interference by impure spirits.... but that a person's own thinking cannot be prohibited when he uses his intellect in order to formulate his **will** and therefore 'spiritual reception' does not take place. This person can also have good intentions but he does not allow himself to be led, instead he takes the lead himself.... You humans should strictly criticise yourselves, you should remain profoundly humble and let **Me** work in you, so that you don't offer the adversary any reason to affect you negatively. You are being educated by My spirit of love if your thoughts aim towards higher spheres. But then everything that still relates to earthly matters will have to be left behind, that is, you must completely exclude yourselves if you pose questions you want answered. Only then will **those** spiritual forces which impart absolute truth to you be able to step into action. Then pure spiritual thoughts will flow to you and you will be certain that you are being truthfully instructed. But if you take earthly impressions along the soul will still be influenced by the intellect, in which case the intellect can gain the upper hand, and according to its wishes you can be affected by thought currents which are not emanations from the kingdom of light and yet are considered such, this is why contradictory contents should always be critically scrutinised, as not to confuse you. You should learn to move within purely spiritual thought currents, you should only desire purest truth and only want to be spiritually instructed.... you should in profound humility desire to hear My Word.... then all earthly thoughts will step into the background, the beings of light will be able to take effect on you and educate you on My instructions. Then you will receive purest spiritual information whose content is consistent, and every one of you will think the same, because only one truth is sent from above to those who love Me and want to be redemptively active, who want to allow My working in them....

Amen

Scrutinising the word-reception

Testing the spirits.... The adversary's activity during the last days....

B.D. No. 8220
July 22nd 1962

This much you should know, My adversary interferes wherever he can because it is the time of the end.... His activity can be detected wherever ambiguity reigns, wherever there is confusion and where disagreements arise amongst people, which are always triggered by the one who is your enemy and My opponent. And where you notice discord between people you will also know that he is active there in order to endanger your spiritual progress, for there is no light to illuminate the darkness either He will even try to plunge My Own into confusion, although they all want what is right and believe themselves to work according to My will. For once they are brightly enlightened by Me he will surely try to obscure the light or even extinguish it completely. And then you will need great strength and have to request it from Me in order to enable you to resist him if he puts you under pressure or tries to push you back into darkness.... But everyone has power over him if it is his heartfelt desire to belong to Me and through actions of love allows Me to be present so that I Myself can protect him from My adversary. You can recognise how he tries to assert himself by the fact that he chooses human vessels for himself to influence them accordingly and to misuse My name in order to credibly portray his disgraceful intentions as 'My working'.... And this will particularly distinctly manifest itself during the time of the end. Although I announced that I will pour out My spirit over all flesh.... he will specifically make use of this promise by arrogantly daring to spread falsehood amongst people under the cover of 'divine' activity. And people thoughtlessly accept everything, yet their heartfelt bond with Me will always enable them to recognise whether it is Mine or My adversary's work. For they will feel an inner objection to all that which is not 'the working of My spirit'. But you humans should also be careful and not thoughtlessly accept everything as truth, for he disguises himself well, because he will use all means in order to regain the souls he has lost, which had already granted Me their will and which I will therefore not let fall.... I must clarify this to you, after all, you humans accept much as coming from Me which, in fact, comes from My adversary, but I will always grant you enlightenment too and guide your thoughts correctly if you seriously want this....

However, you must also always make an effort to recognise that which is right, since through your desire for the pure truth you also entitle Me to impart it to you. 'I shall pour out My spirit upon all flesh, and servants and handmaidens shall prophesy....' This is the promise I gave you and therefore it must come true.... And it will indeed come true.... Nevertheless, you humans have to make the test yourselves.... After all, you will have to admit that much has already been presented to you as 'coming from Me' which you recognised as being wrong and misleading. You will have to admit that the lying spirit has often been caught out and that these vessels nevertheless look upon themselves as My servants and handmaidens.... Consider how many contradictions have been identified and how the pure truth was thereby endangered by them time and again And if you want to accept everything that is offered to you especially during these last days as 'the outpouring of spirit upon servants and handmaidens'.... your thinking would become very confused and one could hardly speak of a 'light from above'.... You should examine everything seriously and appeal to My spirit for it. And if you genuinely want to know the truth then you will truly recognise where My adversary is at work. For the fact that My adversary avails himself of My name is **no** guarantee that you receive the truth; he has great power at the end and uses cunning and trickery to fight against the pure truth; he wants to extinguish the light from above or obscure it and will always find a weakness in a person where he can slip in if the person has not yet entirely discarded the hereditary evil, if he still harbours a small spark of arrogance in his soul.... if the person would still like to be important and present himself as a vessel for My spirit which, however, he can only become when profound humility fills his heart.... For I only

bestow My grace upon the humble. And I work in seclusion, but people who are in contact with one of My chosen vessels recognise Me in every Word spoken by this person to his fellow human beings.... I Myself will place the Words into the mouth of those who speak on behalf of Me and My name and who serve Me in the last days, whom I consider to be suitable to be of service to Me as servants and handmaidens according to My will....

Amen

Guarantee for receiving the truth....

B.D. No. 8546

July 2nd 1963

You ask, how it is possible for My adversary to frequently intervene with people's thought even if they are willing to be of service to Me.... Bear in mind, that you humans are imperfect, that all of you still shelter much unredeemed spiritual substances which react to My adversary's influences if you don't unite yourselves so intimately with Me that a protective shield is erected which My adversary cannot and will be unable to climb, because he knows that I Myself stand before this wall. Consider furthermore, that you are often mistaken when you believe that you hear My voice.... that you often formulate and quote your own thoughts or are driven by the forces of the beyond to express such thoughts if you are of weak will and allow yourselves to be taken possession of by those who claim to be 'spiritual guides'.... You establish the connection with the world of the beyond yourselves because you want information from it.... And although you hope that I should be the Provider you are frequently lacking the preconditions which enable My direct communication with you. Who gives you the right and the guarantee to claim that I Myself, your God and Father, audibly express Myself? Don't you think that the concept 'audible communication by the Father' is greatly abused?.... I certainly speak to all people who desire My communication, yet this communication will be felt by the person within himself, it is the voice of conscience which constantly advises him, which admonishes and warns him to comply with My known will and to refrain from all anti-divine actions.... I certainly speak to a person directly too, if he has to accomplish a great task.... then he will be able to hear Me directly.... Yet then I will also expect this person to fulfil all conditions which guarantee him to hear My Word audibly, for the fulfilment of these conditions also erect the said wall which My adversary will not climb.... In that case he **cannot** intervene, and then the purest truth from Me is guaranteed, which should subsequently be spread, for that is the great task which is linked to the receipt of the truth....

I continually want to convey purest truth to earth, yet people themselves prevent the transmission of the pure truth as long as they are not completely permeated by their desire for it and as long as they don't release themselves from the spiritual knowledge they already possess.... but which prevents the influx of pure truth from Me. I can never express Myself through My spirit where a heart is not entirely empty, so that I Myself can thus fill it.... However, that is precisely where My adversary's influence will be and express himself in the disguise of an angel of light. And sometimes it will be very difficult for you to test the spiritual knowledge which is given to you.... You wonder why My adversary intervenes where **I Am** speaking.... And I say to you: **I don't** speak where My adversary has the opportunity to slip in and express himself.... They are **misguided** assumptions to presume that it is **My** working which he can interfere with.... Where I Am working the said wall is erected, for wherever I Am working the prerequisites are in place which justify the erection of a protective wall, and that is where My adversary will fight in vain, that is where countless spiritual guardians prevent his entry and drive him back with their bright light. And thus he will only ever choose those spheres for his activity which won't deny him entry, where he is entitled to intrude due to the similar disposition of those whose circle he tries to penetrate. Negative thoughts alone suffice to motivate him into misguided thinking which he tries to transfer on those who are willing to accept spiritual infiltrations.... And that will always be the case when all the people coming together.... in order to receive spiritual statements.... are not in the same spiritual state and thus a defence against immature forces is not guaranteed. If I say time and again that I speak to all people who desire My Word you should not conclude from this that you will audibly hear My divine voice.... but that I speak to every person's

heart and that he need only listen within himself in order to be able to understand Me.... To hear My Word audibly requires such an exceptionally high degree of maturity that this only happens very rarely and then it will be in connection with an important spiritual mission too.... If you therefore hear a person speak and believe that you hear Me Myself, i.e., that you hear My voice directly, then you will generally be mistaken, although it is possible.... But then it will not and cannot happen within a large circle, because not all will have the same degree of maturity which is required for My voice to be audibly heard.... And you can believe that every single person also needs to be handled **differently** if he is to derive a blessing for his soul.... Unless two or three come together and I can be in the midst of them, then I will also express Myself through them, but they will speak in their own way but in absolute truth, as I have promised you....

Amen

God as Mentor.... He allows Himself to be found....

B.D. No. 3987

February 28th 1947

I draw close to anyone who looks for Me and participate in his thinking, that is, the strength of My spirit makes contact with the spiritual spark in the human being and thus the association with Me is established for the duration of his mental activity regarding Me. And then people's thinking will be correct because My spirit will put it into order and guide it. And thus all kinds of questions can be raised mentally, whether the person desires an answer for himself or for conversations with other people.... he will receive the right answer because I Myself stay as a Mentor with those who are looking for Me. But I truly know best to what extent people strive towards Me and therefore I consider every person differently, depending on his desire and the compliance with the conditions which enable the working of My spirit.... And it will often seem as if I treat people unfairly if the effort of one person is not outwardly noticeable to his fellow human beings.... Yet someone who withdraws into solitude need not display his striving, however, it will be easier for him to make contact with Me and he can therefore be a diligent student of Mine, whereas his fellow human being is incapable of looking inwards due to lack of practice and is therefore not able to hear My gentle voice. In that case his connection with the world is still too strong and this obstacle has to be removed first if someone wants to find Me and hear My voice. The spirit within the person is not interested in the world, it only seeks contact with the Father-Spirit. For this reason I draw close to anyone whose heart desires Me, and I allow Myself to be found by anyone who looks for Me.... for love is in everyone who seeks Me, and therefore he longs for Me, the primary source of love.... He will indeed reach his goal of being eternally united with Me, for anyone who lives in love is in Me and I Am in him. And he will feel My presence because I allow Myself to be found by someone who looks for Me. Thus he will also be aware of My presence and therefore already be happy on earth....

From this time on the world has nothing to offer him anymore because he desires different goods, gifts offered to him by My love in the form of Words which he either perceives mentally or audibly and which are the most precious gift he can receive on earth because they originate from the spiritual kingdom, because it is My voice he hears, the voice of the Father Who speaks to His child. Anyone who lives a life of love on earth is indeed a most blessed creature since he will never ever need to miss Me again for I will permeate him with My strength of love and he will receive knowledge in abundance. Then the spirit in him will be able to express itself and indeed be listened to and understood, his soul will merge with the spirit and subordinate the body so that its substances can also spiritualise themselves as long as it is the soul's shell on earth. But I draw everything to Me which adapts itself to Me by shaping itself into love. There will be no more separation, no gulf between the person and Me once he lives a life of love. Then I will be close to him and accessible to him at all times, then he will always and forever be able to hear My Word, he can communicate with Me by withdrawing into his closet.... by looking inwards and listening to My voice.... He will no longer need to look for Me for he has found Me and will not distance himself from Me again because My proximity makes him happy, because My Word is the greatest bliss for him and because an abundance of strength and light pour into him and testify to My presence. Seek, and ye shall find.... knock, and it

shall be opened unto you.... Communicate with Me mentally and you will hear My answer, you will mature and safely reach the goal of blissful union with Me....

Amen

Heartfelt dialogue with the father

Prayer in spirit and in truth....

B.D. No. 4746

September 22nd 1949

A heartfelt thought of Me, a short prayer sent up to Me in spirit and in truth, is pleasing to Me and will be granted, just as I will always draw close to those who communicate with Me in thought, for I feel in contact with them because they try to find Me in absolute truth and therefore I can also let Myself be found by them. Formal prayers, however, are not pleasing to Me because they kill the spirit, they become monotonous conversations I can never listen to, since only the lips speak to Me and not the heart, hence these words will not reach Me because they don't arise from the heart but are merely uttered by the intellect. Anyone who wants to be heard by Me need not voice any words, I know how he feels in his heart, what he thinks and feels, yet only his conscious direction of thoughts to Me makes Me inclined towards a person, who thus recognises his Father in Me and believes that I will help him. He will be helped.... whereas a prayer can last forever without being successful.

In that case it will be a lip-prayer which I condemn because it can never be heartfelt, because it is not a prayer in spirit and in truth but only a formality which lacks all inner feeling. Communal lip-prayers are an abomination to Me, they literally make it impossible to establish such heartfelt contact with Me since each person will, understandably, have different thoughts, just as each one has different problems which, however, are not touched upon, thus the prayer is everything else but a confidential dialogue with Me which I, however, require in order to be able to grant the petitions. For only the intimate dialogue with Me expresses a person's faith, the confidence of assured help, which is the prerequisite in order to be able to grant people the help. And therefore you should withdraw into your closet if you want to pray, you should withdraw within yourselves and allow for My presence with heartfelt thoughts which show your love for Me.... Then you will pray as is pleasing to Me and then your prayer will surely be granted....

Amen

'Enter into thy closet....'

B.D. No. 6050

September 13th 1954

Withdraw into your closet if you want to pray, for only in solitude can you find the connection with Me, only in solitude can you unite with Me so intimately that I can hear your voice, that your prayer is sent to Me in spirit and in truth. And even if you are in dire trouble while you are amongst people or are put under pressure from outside you must detach yourselves for a few moments from your surroundings and send a short but heartfelt call to Me, and I will hear you and help you.... I just want to hear your heart speak and not merely your mouth.... And therefore you must enter the closet of your heart, you must withdraw from the world and from everything that might disrupt your silent prayer. You must avoid everything that attracts your eyes, that makes such an impression on you that it will take your mind off Me.... you must completely disregard all outside impressions. You must withdraw into solitude and turn your thoughts to Me.... only then will you be able to pray in spirit and in truth, only then will you come to Me like children come to the Father and confide all your problems to Me.

And then your Father will always be willing to help you. Then you yourselves will apply strength to your prayer, you yourselves will determine the fulfilment of your requests, for if you speak to Me like a child speaks to its Father I cannot deny you any wish and My help is assured to you. But if the words are only shaped by your mouth, and if this happens for hours on end, they will not reach My

ear, they will fade away unheeded, for this kind of prayer has no strength, such a prayer is abhorrent to Me.... And therefore it is up to yourselves whether your prayers will be granted, for I promised you that I will give you what you ask of Me.... And My Word will indeed come to pass. Nevertheless, I only pay attention to the words of your heart but you often believe that you have done enough by prattling with your mouth and are disappointed if your prayers are not then granted.... Withdraw into the closet of your heart and then speak to Me freely, with complete confidence, and your wishes will indeed be granted....

Amen

Dialogue with the Father... His Word from above....

B.D. No. 7441

October 30th 1959

You must withdraw into solitude if you want to speak to Me.... I merely require you to withdraw from the world and into your closet and then turn your thoughts to Me alone.... so that you mentally detach yourselves from the world and all its requirements, so that you give no room in your heart to anything but Me and so that you approach Me in a childlike manner in order to hear Me and My Words. I want a prayer in spirit and in truth.... which necessitates that you completely detach yourselves from all worldly thoughts, it necessitates listening within, a silent dialogue with your Father and an attentive ear within for what answer your Father might give you. Your words will not remain without reply, if only you listen for it.... if you truly desire a dialogue, so that you address Me and subsequently wait for what I have to say to you in response.... This private dialogue with My child is exceedingly pleasing to Me, after all, the child is opening its heart to Me so that I can provide it with an answer which is intended only for the benefit of its soul. Yet I can never do this in the midst of the world, when the human being is distracted in every way from heartfelt thoughts of his eternal Father.... He can certainly send a quick prayer up to Me even in the midst of the world, and he will be well advised if he tries as often as possible to send a short thought to Me and thereby remains in constant contact with Me.... But a right prayer in spirit and in truth, when he may distinctly receive My Fatherly love, can only take place in the closet of his heart, in silent retreat and the heartfelt devotion of the child to its Father.... Then peace will enter the person's heart and he can hold a heart-to-heart talk with the Father.... and he will never regret spending any spare time in such silent dialogue, because I very gladly speak with My child and it will draw much benefit for its soul from every conversation.

Detaching himself from the world will often be difficult for a person, My adversary will hinder him from doing so in every possible way, time and again he will try to disturb or prevent it.... But the human being's will should be stronger and resist My adversary.... Then the person will receive strength and be able to accomplish his intention: to unite with Me in heartfelt prayer and to hear the Father's Words. Only an intimate bond like this will enable you humans to hear My Word from above through a fellow human being.... only a union in spirit and in truth makes it possible for My spirit to pour itself into an opened vessel.... And therefore, great blessings rest in this beginning, this intention of becoming receptive to Me and of allowing My flow of grace to pour into oneself. For countless souls participate in the transmission of My Word which also desire to hear the Father's voice and with heartfelt longing are waiting to be addressed by the Father.... You should all withdraw into solitude and listen.... And you may truly hear your Father's voice, it will sound to you like pleasing music, for that which comes from Me can only grant you happiness and blessing, that which comes from Me has to touch your souls like exquisite nourishment for which you long and which you will receive without limitation as soon as you desire it. Send a prayer up in spirit and in truth.... Lift your thoughts to Me and listen. And I will speak to you like a father speaks to his child, and your soul will cheer and rejoice at every Word that comes forth from the mouth of God....

Amen

You should subordinate yourselves to the Lord in every respect, that is, you should always be willing to do that which is pleasing to God. You should only ever accept His will and whatever the inner voice then advises you to do will be right, for God Himself manifests His will to you through the inner voice. Thus, you carry out your will, so to speak, and yet it goes hand in hand with God's will. In that case, you no longer need to worry, for then you will live on earth under the protection of your spiritual friends who will mentally inform you of divine will. And spiritual striving will always be first required of you, although your earthly work ought not to be neglected, yet if you offer your services to God it is His will that you are at all times at His disposal, that you serve Him when He calls you to do so.... And you hear His call when you listen within. To be of service to God means to be ready for Him at all times and to follow His call. However, the call from above sounds gently and subtly in your heart, and in order to hear it you must practise humility, love, gentleness and peacefulness. Thereby you shape the heart's ear which will perceive the most subtle call and you will always know when the Lord is in need of you.... Then He will no longer call you in vain, for then you will hear His voice and hurry to be of service to Him....

Amen

God wants to reveal Himself....

Oh, listen within and you will discover wondrous things.... God's infinite love will reveal itself to you as well as His supreme wisdom; for everything surrounding you is His work, and He Himself will enlighten you about His reign and activity in order to make you happy and to make you receptive to the bliss again that was granted to you in the very beginning. You can go through earthly life entirely ignorant but also be brightly illuminated by the light of realisation if you accept what is offered to you.... if you listen to God's voice Who Himself says to you 'listen within, for I want to reveal Myself to you....' His love for you will not diminish and did not even diminish when you turned away from Him and fell into the abyss.... For His whole nature is love and you, in your fundamental substance, are likewise love. In essence, you cannot separate yourselves from your God and Creator Who is love Itself.... you will forever be connected with Him. However, you **volitionally** distanced yourselves from Him and are therefore spiritually unenlightened and without realisation. But the light is nevertheless **in you**.... a tiny spark of divine light rests dormant within you and is at all times ready to illuminate your inner being and to spread an immeasurably brilliant light....

God Himself is in you, for the spiritual spark in you is part of the Eternal Father-Spirit. Allow Him to speak to you, grant Him your attention, listen within, and thereby create happiness for yourselves on earth already, that you feel close to the One Who created you and that you dispelled the dark night which surrounded you before the light was able to shine in you. Frequently look for hours of inner reflection and totally hand yourselves over to the One from Whom you originated.... He will take hold of you and never exclude you again, He will speak to you and you will hear His voice, you will be united with Him and not abandon this bond again, and He Himself will guide you into the kingdom of light when your course of life is over. The fact that God wants to reveal Himself to you as a **Father is certainly true**.... Yet the fact that you **desire** to hear Him and **listen** within is the prerequisite that He will be able to reveal Himself. And the more heartfelt you hand yourselves over to Him, the clearer and more distinctly you will hear His Word.... However, you must believe that the Father wants to speak to His child. You must believe in His inconceivable love, and your love must impel you to Him.... Then you will hear what makes your soul joyful. You will become enlightened and in bright radiance take the path of ascent, you will walk heavenwards because you follow the light of eternity to the right goal....

Amen
