Comforting Words

B.D. No. 1923

May 18th 1941

Listen to the Word of comfort: remain courageous and strong in pain, do not waver in your faith, take refuge in prayer and do not deem yourselves abandoned, even if your world threatens to fall apart Faith moves mountains, and what seems impossible to you is made possible through firm faith, and if you call upon Me for help with full confidence, your prayer will not remain unanswered. Each person's path of life is predestined, thus he must travel it because the maturing of his soul depends on it. He would certainly travel this path willingly and gladly were he to know its necessity and the agonies in the beyond if he were spared this path on earth. Therefore never consider your earthly afflictions, for they will pass. Consider the infinitely long time in eternity, which would be far more painful without the suffering the human being has to endure on earth. And thus do not let yourselves become depressed by suffering and sorrow, instead, become stronger in faith for Me Who loves you and therefore often must painfully intervene in your life in order to save you for eternity.

Never forget that I Am your Father, your friend, your brother and protector And come to Me with all your problems, hand yourselves willingly and without resistance over to My guidance and you will truly be guided well. Just do not let doubts torment you, counter them with profound faith and hope because My Word is truth, and if I promise you My help, you need not be afraid.

Amen

With God nothing is impossible....

B.D. No. 7118

May 12th 1958

Truly, everything is possible for Me but My activity is very often restricted by you humans which I do not break through for your own sake. It would not be a blessing for an unbelieving person if My might and strength were proven to him through works which only I Myself can accomplish and which would therefore also prove Me Myself. He would eternally no longer attain freedom, for such unusual activity would only be a constraint for a faithless person which would prevent him from ever attaining perfection. Even the believing human being very often does not yet have the strength of faith that a miraculous working would therefore be possible for Me, even the believing human being is still very limited in his thinking, he is not yet able to grasp the unlimited spiritual working, he still sees with an earthly-limited view.... And until then I may not force his faith either, even though he would only have to take a few more steps in order to transcend these barriers. I would like to help you humans gain this strength of faith which allows for an unrestricted working on you, for I would like to prove My love and My might to all of you in order to increase your love, and I would also like to release you from hardship which you cannot remedy yourselves. And therefore I can only tell you again and again that nothing is impossible for Me.... You should constantly remind yourselves that My might is unlimited and can accomplish everything. But it is not so much My power you doubt as My love.... And therefore you should know that you are children of My love after all, that My love for you is infinite, that it will never cease, that it wants to bestow upon you in all abundance, that you only ever need to request it.... and that your love only opens the door of your heart to Me so that My love can now also radiate into you.... You must never doubt My love which, after all, follows you wherever you go, which only wants you to turn to Me and then is also willing to do everything for you that you request.... Love always gives itself away, love will never fail itself.... And your very existence proves that I love you, for you would not be able to exist if My love had not seized you with all its fervour. And since you therefore live on this earth as a human being, the evidence of My love has also been provided for you, and now, in the awareness of My never-ending love, you should turn to Me with complete trust if a hardship oppresses you which you cannot avert on your own.... Then your heart will also feel Me present and you will now also confidently expect My help, you will no longer doubt or question whether you are worthy of My love, you will know that true fatherly love cannot pass away, that it is concerned for the child and gladly gives it what it desires. You should write these words of Mine deeply into your heart, you should not forget them but always pick yourselves up again when you become fickle.... For it is solely up to your faith whether I can work unusually on you or not.... There is **nothing** impossible for Me to do, for He Who created the whole world will also be able to remedy the needs of one of His creatures.... Who knows everything, Who also knows all your needs, but He wants your faithful, loving devotion in order to also be able to consider you according to your faith....

Amen

The marvel of divine creation....

B.D. No. 9012

July 10th 1965

Everything that makes itself known to you through creation proves My power, My wisdom and My love.... But only when you think about it will you become aware of what miracles take place

around you every day, otherwise you pass by completely indifferent. But countless proofs inform every thoughtful person that a supremely perfect being exists, Which guides and governs everything in love and wisdom, Which takes care of the preservation of that which has emerged from His hand.... And therefore man **can** recognize Me, and he also has to acknowledge Me as existing, for he cannot deny that creation must have emerged from a power Which rules in supreme wisdom and deepest love, Which gave everything It created a purpose.... But he must also recognize that this creation has come into being for the sake of man alone, and therefore also conclude that man is **more** than just a being, which only exists for a time, to then again pass away into nothingness. My whole creation would have to give him this knowledge, and he will also get it, as soon as he just once occupies himself thoroughly with it. Then I truly direct his thoughts so that they come close to truth. For this is the real purpose of creation, that man.... who is endowed with intellect and free will.... in thought that everything he sees gives him food for thought.... for it is not for nothing that I gave him the ability to think.... because precisely the direction of thought can also determine the right direction of his will, which alone is decisive for his earthly life as well as for his further fate. Because that man is basically immortal, that he will then also recognize, because he learns to see himself as the centre of the whole creation, which serves him for perfection. For he is the only thinking being which has free will, whereas all creations.... even the animal world.... can neither think nor want, only has a weak adaptation to it as a natural instinct, which the creature is not aware of. And this thinking being is now also to use the intellect to think about it and everything will reveal itself to it as the greatest proof of divine love and wisdom. Because I created the whole world with all visible and invisible creations only for you men that you again can reach perfection. But that you first have to know about it, that alone your will can bring about, because without the will you do not think about it, and the whole work of creation leaves you untouched. And still you are surrounded by so many miracle works, by works, which you are not able to create yourselves, which you would have to recognize as the work of a thinking power, Which Itself has a will, which testifies to love and wisdom. And you go your way of life in indifference there, where you would always only have to praise and extol the creator of that, Who has put you into this world, alone only for the reason that you can complete yourselves again. For you will have to realize that you do not pass through this world in vain, that you.... like all the creations around you have to fulfil a purpose.... also live in this creation for a purpose and that you will only learn about this purpose of earthly life if your will is **willing** to experience it. Then also enlightenment will reach you, and then your will alone will still be determining whether you reach the aim, which is meaning and purpose of your earth life. But no light can be given to the blindly walking in, because also this My wisdom has well considered, that no man is allowed to be forced to his change of will, that he must decide completely free, but for that reason the miracle work of My creation is again and again put before his eyes, and as soon as he thinks about it, his will can become active of its own accord, and then he will also reach his aim....

Faith in God in free will....

B.D. No. 7665

August 4th 1960

My strength of love flows into every human heart when it opens itself to receive it. And My strength of love causes the spark of love to ignite itself and the flame to leap towards Me, the Father-Spirit of eternity. And thus the path to Me is unimpeded, it was started purely by the will to be illuminated by Me and My love, in other words, anyone with a positive attitude towards Me, anyone who believes in Me and wants to stay in contact with Me, will also receive My divine strength of love. And then he will advance in his development, for this is the effect of My strength. Hence the human being first has to believe in a God and Creator and recognise himself as My living creation, for only then will his desire awaken to enter into contact with Me, and then he will open himself to Me, thus willingly allowing himself to be illuminated by My strength of love, for only this willingness is required for it to happen. But it is difficult for a person to be affected by this ray of love if he does **not**

believe in Me, if he merely regards himself to be a product of nature and therefore never establishes a bond either, because he refuses to acknowledge a **Being** Which has created him.

An extraordinary occurrence could certainly allow him to gain faith in Me, yet he may never be compellingly influenced or his faith would be worthless. And all proof of My existence is compelling. Even My Word would be compelling evidence were I to speak to people directly from above, so that everyone would **have to** hear My voice and believe in Me.... Such faith, however, is of no value.... Yet My Word is conveyed to humanity all the same, I merely avail Myself of a human form and speak through it directly.... but I leave each person the freedom to believe or disbelief whether these Words are spoken by a supremely perfect Being.... Free will is always decisive, and faith can never be forcibly attained. And even if I Myself revealed the most profound wisdom to people it would nevertheless not suffice to persuade a person into believing in Me if he doesn't want to....

Alternatively, however, it is enough to give evidence of Myself to a person.... The human being can gain such convinced faith through My Word that no power of hell can take it away from him. For My Word is an illumination of love which can touch the human heart, which can trigger the love that grants him radiant enlightenment.... And then love will be pushing towards love.... Then a light will be kindled within the heart, the radiance of which dissolves all that is dark, which completely drives away the darkness.... which bestows a living faith upon a person, which is unshakable and withstands every onslaught that time and again is launched by hostile forces.... And thus it will always be up to the human being himself as to whether he allows himself to be touched by My ray of love, for he has to open himself voluntarily.... he has to want to enter into contact with Me as his God and Creator; he has to believe that he has emerged from the hand of a perfect Being and that he cannot sever the connection with this Being.... Then he will acknowledge Me, and only then will he look for Me and I will let Myself be found....

God reveals His nature through His speeches....

B.D. No. 8498

May 16th 1963

Even though you will not be able to fathom Me and My nature for all eternity, you shall still be given a clear picture of your God and Creator, and you shall not be left thinking wrongly. You are to know that I am the highest and most perfect Being, Which cannot be eternally attained in Its perfection, but Which you are nevertheless to strive for, because you once emerged from Him in all perfection as His images and are also to become so again. And your bliss consists of the fact that you ceaselessly strive towards Me, and this bliss has no end because the striving towards Me will also never stop, for in the state of perfection everything is unlimited, both for Me as well as for you.... You will also not be able to grasp the term 'perfection', exactly because your thinking is still limited as long as you stay on earth. And the more imperfect you now still are according to your nature, the less you are able to grasp Me Myself and My nature, and then it is also easy that My adversary gives you a distorted image of me, that I am portrayed as a most imperfect being, which has ungodly qualities about it, like judicial mercilessness and unkindness.... which eternally condemns.... and ignoble feelings, like vengefulness and eternal punishments for offences, which I never condemn.... (vindictiveness that retaliates for offenses I never condemn), but in love am always ready to help you.... My adversary seeks to portray Me to you as an imperfect being so that you will deny Me love.... And this distorted image of Me I want to uncover to you again and again as work of lies of My opponent and enlighten you so far that you can recognize in Me a God of love, wisdom and power, that you are able to recognize a perfect being, to whom you can give your love, for which I long, because you are children of My love, who will no longer lose My love eternally, even if they turn away from Me in free will. For a being which is perfect cannot hate and condemn, It will only ever endeavour to help Its creature out of the state of imperfection so that it can unite with It again for eternity.... And therefore I reveal to you a clear picture of Me, of My all-fulfilling strength of love,

which became active in wisdom and also created you.... I reveal to you the goal I set Myself when creating all beings and also the plan of salvation which leads to the deification of beings.... I substantiate everything for you so that you can truly recognize My love, wisdom and might, for as soon as all this is presented to you in truth the light of realisation shines for you again, albeit still to a small degree, and you begin to recognize yourselves as My creations called into being by Me.... The truth will also kindle the small spark of love in you, and then you will penetrate ever deeper, you will know that you are on the path of return to Me, from Whom you once voluntarily distanced yourselves and thereby completely reversed your perfect nature and became imperfect.... But what is to unite with Me again must be perfect, and it must voluntarily enter into My will, against which it once violated.... But as soon as it has recognized My nature, which is love, wisdom and power in itself.... it will also voluntarily submit to My will again.... And therefore I reveal My nature to it, which again can only happen through My address, through My word, which I convey to people and which will also give bright light to the one who accepts My address. For I alone can convey pure truth to earth, I alone am the light Which wants to shine into your hearts.... I alone am the love, which does not want to let you get lost.... I am wisdom Who knows all ways and means to guide you to the light, and I also have the power to snatch you from My adversary's hands if you yourselves offer Me no resistance.... However, everything is determined by your free will.... And this will only then be turned towards Me when you recognize Me as a supremely perfect being Whom you can love.... And this requires that you live in truth, that you become free from erroneous thoughts, from spiritual knowledge which My adversary had brought to you in order to prevent you from taking the path to Me.... And that is why I speak to you Myself from above, I guide My word down to earth, so that you can become free from erroneous spiritual material, which prevents you to recognize Me right, who loves you as most perfect and wants to draw you to Me eternally....

Amen

The transformation of the original spirit into creations....

B.D. No. 8216

July 16th 1962

My Word shall bring you clarity, it shall answer questions and solve problems which you are unable to solve intellectually yourselves. You shall become knowledgeable if you desire to know, you shall be educated in all truth, for I want to give you light and illuminate your spirit, so that you do not continue to live in darkness and damage your soul, for I want to save it for all eternity. My immense love only ever wants your soul's salvation because I long for your return, for unity with you, which requires the perfection of your soul. You once came forth from Me in all perfection, for I created you as My images, as utmost perfect beings, as miniatures of Myself and yet of the same quality, because your fundamental element was love since you came forth from the original source of Love, Which created vessels for Itself in order to emanate Itself into the vessels.... in order to let this strength of love continually flow into these created beings....

These beings, My images, were pure love. They were My radiated strength of love which could indeed perceive and behold each other but they were unable to behold Me Myself from Whom they originated, because I was the original fullness of strength of love Myself which they could not see or they would have ceased to exist. For I had externalised them as tiniest sparks, as independent beings.... as I have already explained to you several times.... although, as a purely spiritual process it will never be quite understood by you humans on earth. But since these beings were independent entities endowed with free will and a lot of strength and light at their disposal due to the fact that they were constantly permeated by the flow of My love's strength, I could not prevent them from misusing their free will such that they turned away from Me, that they... when faced by their test of will to acknowledge Me as their God and Creator.... denied Me this acknowledgment....

They turned to My first created being.... Lucifer.... who was visible to them and whose beauty stood out in brilliant radiance, and rejected the emanation of My love's strength, which meant that they

distanced themselves ever more from Me as the primary source of light and strength.... This process, too, has been explained to you humans time and again as far as I could make it understandable to you.... But now you should know that although My externalised living creations could indeed change themselves into the opposite.... they could not perish but continued to exist and will continue to exist for all eternity.... The beings' fundamental substance was love, thus strength which, according to eternal law, has to be active.... it cannot remain inactive forever. Due to the ever increasing distance from Me as a result of rejecting My emanation of love, My created original beings' spiritual substance became solid, and thus these beings became incapable of working and becoming active.... And so I dissolved the original spirits, I transformed the beings which were My once externalised emanated strength, and creation came into being, in which the strength could work again, thus become active in accordance with My will.

Consequently, you can rightly say that the whole of creation consists of original spirits transformed by My will, the same strength which I emanated in form of self-aware beings were now changed into other forms, into works of creation of every kind.... I then assigned a task to every work of creation, and thus the original spiritual substance, dissolved in particles, now passes through all creations and serves Me in the law of compulsion. The strength becomes active in relation to My will, because strength must become effective in line with fundamental law.... Always consider that the first created spiritual entities were My emanated strength, irrespective of whether they were dissolved or joined together again after an endless time.... the first created spirit will not cease to exist, but it will return to Me again one day without fail, but then it will be the same being again that had originated from Me.... On its path of return to Me it passed through all creations and finally enters the form of the human being.... as his soul.... the last brief stretch of the path when it has to achieve unity with Me again, when it has to consciously accept the emanation of My love again, because voluntary return to Me requires the original spirit to relinquish his resistance to the emanation of My love's strength.... Then it will once again be the Godlike living creation, My image.... the fallen original spirit.... the perfectly created being, but now it will have achieved its perfection again entirely of its own free will, and therefore it will be able to unite with Me again and remain united with Me forever....

Amen

God's plan of Salvation.... Original sin.... Adam's fall.... Work of redemption....

B.D. No. 6973
November 20th 1957

The work of redemption began with the emergence of the creations in the universe.... it began with binding the hardened spiritual substance in the form, thus with the shaping of material forms which at first were spiritual in substance themselves and then also sheltered spiritual substances within themselves which had already gone through a certain process of development. The spirits which once had deserted God had distanced themselves from Him to a point that God's strength was no longer able to touch them, therefore they became immobile and rigid, they became hardened in themselves. And during this time they belonged to God's adversary and would never have changed their situation. But it was God's plan to provide these hardened spirits with an opportunity to attain a state of splendour which surpassed their past beatitude by far.... God wanted to shape His 'living creations' into 'children'.... which, however, had to be achieved by the creature itself. Hence the created being, which had rebelled against God in free will and consequently fell abysmally low, had the opportunity to completely voluntarily ascend to maturity again in order to then be able to achieve the work of deification.... but it had to be **lifted** out of the abyss since it was no longer capable of ascending by itself due to its total lack of strength. And God provided this help for the fallen spirits by letting the creation arise, by shaping the hardened spiritual substance through His will into many different kinds of creations. And with these creations **began** the redemption or the return of the spirits to God.

Now the fallen spirits were guaranteed ascension up to a certain level, because **divine** will is the decisive factor in this plan of creation and the adversary has no influence whatsoever on the bound spiritual substances within the works of creation.

Even the continued ascent as a human being would have been guaranteed had the first human beings faithfully lived according to God's easy commandment and resisted the temptations by God's opponent.... for which the first human beings, Adam and Eve, certainly had the strength.... But since they were allowed to use their free will and let themselves be beguiled by the adversary, they failed and thereby made the work of redemption far more difficult for the whole of humanity than it should have been had they used their will **correctly**. Hence the people who followed were considerably weakened by this sin of the first human beings, they no longer had the strength which the former had at their disposal and to a certain extent carried the burden of this sin, so God's adversary had achieved a great deal:

He **endangered** the prospect of people.... the once fallen original spirits.... ever attaining the final goal of deification. And therefore God provided help for them again.... He sent His Son to earth, i.e., a supreme being of light started his process on earth in order to fulfil the conditions as a human being which the first people neglected to fulfil and which devastated them.... He thereby wanted to help them escape their state of weakness, He wanted to enable them again to reach the deification. It was the man Jesus in Whom the Divine Love Itself took abode.... the Father Who wanted to help His children liberate themselves from the adversary and to come back to Him.... He sent His Son to earth, a being Who likewise emerged from His creative strength and Who had to enter a human shell in order to first become a vessel for the eternal Spirit of God Who in this human form wanted to bring salvation to His living creations. But again the human being's free will remains decisive.... For now he first has to acknowledge the divine Redeemer Jesus Christ and accept His redeeming help if he wants to reach the goal of unification with God, of childship to God, which is a state of supreme perfection and beatitude. All fallen spirits are **able** to reach the highest pinnacle, because the act of Salvation by the man Jesus has demonstrated that a human being's will is **able** to offer resistance to his opponent and arch enemy, that **love** is the **strength** of resistance which everyone can kindle in himself.... and because every human being need only appeal to the divine Redeemer for help in order to then also emerge as a conqueror of death and attain the life which can only be found in unity with God.... and which also proves the release from God's adversary, who only ever endeavours to keep all created beings in the abyss, in the state of death. Hence 'redemption' means 'release' from the one who brought death into the world, redemption means accepting Jesus Christ's help, for without him the human being is weak as a result of the original sin and the sin of his ancestral parents, which were only atoned for by Jesus Christ's death on the cross....

Amen

The soul consciously starts earthly life Past memory....

B.D. No. 7265

January 25th 1959

Prior to your embodiment as a human being your destiny of life was presented to you and you entered this final embodiment in full realisation of what will happen to you in earthly life, because the final goal you would be able to reach was simultaneously obvious to you and because it was your own free will to release yourselves from the final form through this earthly progress. Afterwards, however, this past memory was taken away from you and thus your life proceeds without you being conscious of the success you could achieve. However, there is no other option, otherwise free will would not come into its own, which has to accomplish your final perfection in the first place. But it is certainly possible for you to overcome all difficult strokes of fate granted to you, for no person will have to bear more than he is able to cope with, albeit with the strength of God, which is always at his disposal.... However, if a person only relies on his own strength, life's offerings can undoubtedly devastate him. Yet he always has the opportunity to request strength from God.... he has the

opportunity to pray.... But this presupposes his belief in a God and Father of eternity, otherwise the person would never call upon a God for strength and help. Yet every person who still lacks faith can find it if he reflects on his life, his destiny and everything that surrounds him. A thinking person will truly not find it difficult to attain faith in a **powerful** and **wise** Creator, he just does not often want to admit that his relationship with this Creator is so close that He is even willing to help him in every adversity, no matter how small or great, if He is asked to do so. Such people lack belief in the correlation between the Creator and His living creation, thus a God of **love** is barely credible to them, consequently, they keep themselves distant from the One Who, however, wants to be called upon by His creatures so that they prove their bond with Him. For this reason people will time and again be afflicted by strokes of fate which are not only intended to make the affected people themselves but also their fellow human beings think about their attitude towards a God and Creator, Who also wants to be the Father of His children to Whom He gave life.

With God's strength every individual human being is capable of overcoming even the most severe strokes of fate. And he also agreed to this before his embodiment as a human being, for he was not placed into this or that embodiment against his will, he voluntarily started his earthly path with the view of complete liberation from every form and also with the firm confidence that he will master life in the right way. But as a human being he often fails and the challenges often seem insurmountable to him as long as he does not avail himself of help by His God and Creator, Whom he must acknowledge without fail if his earthly progress is not to be in vain, without any success for his soul. This is why the first and most important requirement is the belief in a God Who is love, wisdom and omnipotence in Himself.... And in order to gain this faith the human being must first kindle love within himself.... **Love**, however, is **strength** in itself too, and thus every person who lives a life of love will irrevocably be able to cope with even the most difficult destiny of life because he already receives the strength from God, hence he will also have a **living** faith, so that he will call upon God as his 'Father' in every earthly or spiritual adversity and truly be guided through it, because God **Himself** is **love** and He has the **power** to put everything right again that has become disorderly.... because He helps the person with His strength to master even the most difficult situation in life. And He will always be prepared to be of assistance to him in every adversity....

Amen

Belief in God in Jesus....

B.D. No. 8541

June 26th 1963

It is only necessary for you to believe in Me and take the path to Me when you suffer hardship.... for you, like children, to take refuge with the Father, Who will protect you in every spiritual and earthly adversity because you entrust yourselves to Him.... Time and again I emphasise that you only ought to contact Me in thought, through kind-hearted activity or in prayer and, truly, you will not be able to go astray anymore, because your bond with Me also guarantees you My help to be delivered from My adversary and to return to the One from Whom you once originated. Admittedly, evidence for the existence of a God and Creator cannot be given to you, you have to **believe** in Him.... Yet if you are willing to do so then you will see the evidence that bears witness to Me in everything that surrounds you.... And by just thinking about it you will already be able to come to believe in Me.... I just do not want you to spend your life thoughtlessly, to only take notice of the world and believe that your earthly life is an end in itself....

You should always ask yourselves **why** and for **what reason** you live on earth.... in order to then also get hold of the thoughts about a God and Creator, which will time and again encircle you like waves, for the purpose and goal of your earthly life is to recognise a God and Creator, to acknowledge Him and to desire making contact with Him. Then this God and Creator will also take hold of you and never ever let you fall again.... And He will also convey the knowledge of Jesus Christ, your Redeemer, to you.... For you will have to find Him so that you lose your weaknesses, so that your

ascent to the pinnacle is assured.... For even if you recognise Me, you will have little willpower to seriously strive for Me, since you are too weak due to the sin of your past apostasy from Me.... And for the sake of strengthening your will the man Jesus died on the cross in order to acquire the blessings of a stronger will for you.... I Myself came to help you in your great spiritual adversity which was the result of your original sin, and I Myself accomplished the act of Salvation for the redemption of your guilt in Jesus the human being . So the path of return will now be possible for you if you appeal to Jesus Christ for strength, if you place your guilt of sin at his feet and express the sincere will to return to the Father, Who took abode in Jesus, Who united Himself with Him for all eternity.... Even if you thus believe in God as the Creator and Redeemer, this God can never ever be regarded as being separate from Jesus Christ, for God and Jesus are one, God merely made use of a external human shell which people called 'Jesus', but Who sheltered the fullness of **Me** in Himself.

I created everything, even the human shell of Jesus came forth from Me, Which I chose for Myself in order to be able to stay amongst people. You humans, too, came forth from My will yet you once separated yourselves from Me voluntarily, for only love establishes a bond with Me but you forfeited it of your own free will, whereas the human being Jesus was permeated by love, thus My fundamental substance was in Him, for this **is Love**.... Hence, in keeping with His nature He must be God Himself, and only his external shell was human until He spiritualised it as well, so that it was able to unite with His divine Soul and nothing human remained once Jesus had accomplished the act of Salvation.... Anyone who therefore has recognised Me in Jesus has also escaped the darkness, for then the Light Itself will draw him into higher spheres, for I Myself Am the Light, and the light shone to earth through the human being Jesus because it permeated the human being completely. And I would like to send this ray of light to all of you, yet your heart has to open itself to Me, you must direct your thoughts towards the One Who created you.... You have to muster this will freely but then you will also be seized by My merciful love and everything will be done to impart the correct knowledge about Jesus Christ to you.... and if you acknowledge Him as God's Son and Redeemer of the world Who became as one with Me you will never ever be able to go astray again....

Amen

Jesus lived life for the people....

B.D. No. 8331

November 18th 1962

The life of the man Jesus on earth was a continuous service of love, for He wanted to give people an example of a right way of life in order to induce them to follow Him and thus also to receive the blessing of the effects of a life of love.... He Himself was filled with love, for He brought love with Him from the kingdom of light from which His soul had descended to earth.... He was not burdened with the original sin which consisted of the beings completely renouncing their love, that they rejected their father's illumination of love from eternity.... He was most intimately united with the father, and thus He also constantly received His illumination of love and therefore brought love with Him to earth.... And by virtue of His love He also knew what lack of love meant for people.... He knew that they were darkened in spirit without love and that they were therefore completely enslaved by the one who, devoid of all love, ruled them and caused them to act in a way that was contrary to God.... And He took pity on this great misery of people.... He drew all people into His sphere of love and served them by taking care of all earthly needs of those around Him, by healing their sick and freeing them from their weaknesses and infirmities.... And He also took care of the spiritual hardship by teaching and trying to introduce people to the truth in order to dispel the darkness from them.... to enlighten them that they could only return to God through love again.... For He knew that He would accomplish the act of salvation for humanity in order to make the fallen brothers' return to God possible again, which could never have taken place without His death on the cross as the redemption of the original sin. Yet the act of salvation could only be successful for people if they now also lived a life of love, because only through this could they regain their original nature.... because only love made it possible to approach God as the eternal love.... This is why He taught constantly and the content of His gospel

consisted of the divine teaching of love.... the commandments of love for God and love for one's neighbour.... which His disciples were then also to spread throughout the world.... Therefore you people should walk the path of following Jesus.... You should live a life of love but also patiently accept a measure of suffering. For Jesus' earthly path was unspeakably sorrowful and He already knew beforehand what great suffering awaited Him and yet walked this path of His own free will.... For He had come to earth to make an immense atonement to the father for His fallen brothers. This guilt of sin could only be redeemed by an unusual path of suffering, and this was truly walked by the man Jesus.... Yet the love within Him also gave Him the strength to do so.... He was filled with divine love, His body contained eternal love itself.... And thus He also constantly drew the strength from it which enabled Him to accomplish the act of salvation. **God Himself** was in Him, His soul was a soul of light, and only the body belonged to earth which still contained immature substances but which the man Jesus spiritualised through His life of love and finally through His suffering and death on the cross.... Thus He exemplified to people the life which all people can lead with His help, i.e. as soon as they are redeemed through Jesus Christ and have found forgiveness of their sin.... For **without** this redemption they are too weak to live as followers of Jesus, they will neither practise love nor be willing to bear suffering because the original guilt still weighs them down and thus they are under the influence of the adversary who caused their fall into the abyss.... But anyone who is willing to take the path of following Jesus also acknowledges Him as the divine redeemer, and he has carried his guilt under the cross, he asks Him to strengthen his will, for he will make use of the blessings which the man Jesus acquired for him through His death on the cross. And his soul will also mature through love and suffering.... It will.... as being rid of its original sin.... will now also be able to cast off all dross, which love and suffering bring about.... For Jesus did not speak the words in vain: Take up your cross and follow Me.... He went before you as the bearer of the cross, and you are to follow Him. He took the strength for His walk on the cross from the love that dwelt in Him.... You humans can make use of Jesus' love and His strength at any time, for He is the eternal love itself, which took abode in His fleshly shell, which completely spiritualised this shell and radiated through it in order to make itself visible to the beings which once emerged from the eternal love and wanted to behold God.... But the human being always has to put himself into that state through love which was his own in the beginning.... He must accomplish the change back to love as long as he remains on earth, and he can do so if only he takes refuge in Jesus Christ.... if he follows Him and takes the path of love and suffering....

Practicing love the only task on earth....

B.D. No. 5068

February 21st 1951

There is only one path to Me which you must take, otherwise My kingdom will remain closed to you, otherwise the path will lead into the abyss. It is the path of love, which absolutely must be taken because it is the only path that leads to Me. To walk the path of love means to accomplish a change of nature in oneself, because at the beginning of the embodiment as a human being self-love predominates, which he must discard if the right love is to come to fruition in him, which characterizes him as a divine creature. It is unselfish neighbourly love which accomplishes this change of nature in you and which therefore must always and constantly be practiced if you want to come close to Me and be accepted into My kingdom, where highest bliss is your lot. Thus the task given to you for the time of your earthly change is to practice love, to always be unselfishly active in love, to give, to help and thus to constantly awaken reciprocal love.... I have not given you another task, for if you fulfil it you will do everything that is necessary to pass the last test of will on earth, for anyone who practices love strives towards Me Myself, Who is eternal love. Only through love will you re-establish the connection with Me which was your original fate, only through love will you become again what you were from the start, divine beings in full possession of strength and light. Love for your neighbour certainly requires a certain amount of self-conquest, because the human being has to

sacrifice what he owns, because he has to detach himself from what he himself holds dear in order to give it to his neighbour who is in need. Yet he gains a thousand times more than he gives, for with every work of love he comes closer to Me Myself, with every work of love he reduces the distance from Me, and with every work of love he receives light and strength himself, the emanation of My eternal love. He gives earthly things and receives spiritual things in return until his gained wealth enables him to distribute spiritual things himself and he now already works for Me as My servant, which always first requires profound love for Me and his neighbour. Without love you cannot become blessed, but you all carry the spark of love in your heart and it can very quickly flare up into a bright flame, then it takes hold of everything and constantly gives the flame new nourishment so that it shines brightly and the path to Me is now visible to everyone.

Practice love, divest yourselves of what your fellow human being lacks and consider him to the best of your ability, then the awareness of My presence will also awaken in you, and then you will have exchanged something delicious for what you gave away.... Your love has attracted Me Myself, and the love within you now allows for a union which was not possible before.... love establishes the union with eternal love, which always results in supreme bliss....

Amen

Compassionate charity....

B.D. No. 7411

September 18th 1959

You should glow with merciful love towards your fellow human being's need when you are approached for help and are able to provide it. You should feel their hardship like your own in order to help to the best of your ability, and you will awaken reciprocated love in your neighbour, and the flame of love will spread and draw ever wider circles, the loving person will also increase his willingness to help and the reciprocated love in his fellow human being will also constantly find new nourishment.... The flame of love will increase and thrust itself towards Me, Who am eternal love Itself.... Love for Me can only be demonstrated through unselfish neighbourly love, for to love Me as the most perfect being in infinity is not difficult.... but to love one's fellow human being with all his weaknesses and shortcomings is only proof that the human being has a compassionate, loving heart and that he would like to express the love slumbering within him to this weak, helpless neighbour who comes to him in his adversity. This love is therefore mercy and truly born in the human heart.... and it proves love for Me, for loving a flawed being only confirms love for the perfect being, Who is the creator of everything that surrounds the human being, thus also of the neighbour, who therefore has to claim true brotherly love according to God's will.... Neighbourly love can also never be feigned, for the human being either shows love to his neighbour or leaves him in his adversity. But he will never alleviate his adversity if he is not forced to do so by other material advantages which then, however, no longer fall within the area of neighbourly love as it is demanded of you humans by Me.... Providing help for the sake of earthly advantage is equal to an omission in My eyes, for only unselfishness is true neighbourly love, as I demand it through My commandment. What is done out of calculation does not fall under the fulfilment of this commandment but is a dead work which does not receive My attention. But you humans cannot deceive Me, for I see into your hearts.... And therefore I demand merciful love.... a feeling of merciful love which applies to your neighbour in need.... This alone I will regard and value as a proof of your love for Me, your God and father, Who pursues you with His never-ending love and wants to draw you to Himself in merciful love.... And a measure has been given to you as to what love you should give to your neighbour.... You shall love him as yourselves.... The same you claim for yourselves you should also give to him, i.e. you should help him to the best of your ability and always remember that it would also be good for you if you received the same help from your fellow human being.... You should never think that you have no obligation towards your neighbour, for I have imposed this obligation on you through My commandment, through the addition "as for yourselves...." I grant you humans a measure of self-love, and accordingly you should love your neighbour "as yourselves...." And this addition obliges you to always remember your neighbour,

just as you also predominantly remember yourselves and this is not denied to you. But as soon as you also take care of your neighbour, your self-love is also justified, and it will also soon no longer exceed the right measure.... For you will increase in merciful neighbourly love and thus also demonstrate ever deeper love for Me.... you will fulfil My commandments and truly become blessed as a result....

Amen

Acquiring virtues....

B.D. No. 8608

September 6th 1963

You ought to practise patience and make an effort of cultivating a life of peacefulness and gentleness in mercy and righteousness and humility, in which case you will also always live a life of love, for love alone will shape you such that you will acquire all these virtues, that you will endeavour to treat your neighbour with love and therefore live according to My will. And precisely that which I expect of you will be lacking in you as long as you are still controlled by My adversary. And you can also recognise to whom you belong if you seriously scrutinise yourselves as to what you still need to become perfect. For you possessed these virtues in your perfect state when you still belonged to Me and were blissfully happy.... By turning away from Me you changed yourselves into the opposite, all the bad characteristics awakened in you when you accepted My adversary's nature who lacked all love.... You shall reach perfection again in earthly life and therefore must also cast off all negative attributes and adopt your fundamental nature again; you must live a life of love which will awaken all virtues in you so that you will become divine living creations again. Yet this will always require an inner battle until you discard your initial nature, for time and again you will be provoked by My adversary into impatience, contentiousness and a quick-tempered nature, time and again he will want to harden your hearts, to obscure your sense of justice and prompt you to become arrogant, for he does not want you to become perfect but keep hold of you as beings like himself whom he can dominate. Yet you will have to wage this battle, for every ascent requires force towards the one who keeps you constrained. And you can become victorious if you hand yourselves over to Me in Jesus, if you appeal to Me to help you become again what you were in the beginning.

You must always consciously work on yourselves, you must recognise when you have failed and relapsed into your old mistakes, and you must repeatedly request strength from Me for the transformation of your nature. Then I will recognise that your will is sincere and I will truly help you in reaching your goal. Most of all you must discard all arrogance, overcome all faults, because then you will also recognise them as faults once the arrogance has given way.... And as soon as you live with love this love will also encourage you to change your nature, then you won't be able to help yourselves but think righteously, to let mercy prevail, to also quietly and patiently endure your fellow human beings' failings and you will try to gently influence your neighbour if you want to help him accomplish his change of nature like yourselves.... As soon as all divine qualities break through in you again due to love you will also safely reach your goal of unification with Me, which can only take place with a similar being as Myself, because this is based on My law of eternal order.... Time and again you should exercise self-criticism as to how much control the adversary still has over you and influences you. And you should always resist him when he wants to tempt you into reverting into faults which you endeavour to discard. One thought of Me and he must let go of you and can no longer oppress you.... It is just that you have to muster the serious will of accomplishing this transformation of your soul, for you will be approached by temptations every day, often motivated by your neighbour who is impelled by the adversary to agitate you so that you fall back into your old mistakes. And time and again you will have to prove yourselves, yet as soon as you prevail, as soon as you consciously work at improving yourselves, a glorious reward will also beckon you, for earthly life does not last long but the spiritual kingdom will grant you a blissful life and you will be able to work in light and strength and freedom with Me again, for your nature will have become like My own again which will also signify an eternal unity, for you then will have become as perfect even as your Father in heaven is perfect....

Overcoming the world....

B.D. No. 8490

May 7th 1963

Anyone who loves the world still belongs to My adversary, for the earthly world is his kingdom where he rules and reigns. All desiring thoughts which apply to the world's goods are whispered into your ear by him, and therefore you will hardly accept the guidance of light beings' thoughts which try to direct you towards spiritual things and would like to induce you to turn away from this world's goods, to recognize them as transient and to strive for imperishable goods. But you have to go through this world in order to overcome matter, for you shall become free from it, you shall leave earth as spiritualised, for this is your goal. My help for you now consists of the fact that I repeatedly make you aware of the transience of earthly goods, that I often also take from you that to which your heart is particularly attached, not in order to inflict suffering on you as a result, but through such suffering you shall come to the right realisation: that everything passes away, that everything has no value for eternity.... Only when you learn to recognize the true value or unvalue of material goods will you detach your heart from them and strive for more valuable possessions which remain with you and which you can take over into the kingdom of the beyond. Yet you lack one thing and therefore only think purely earthly.... That is the belief in a continuation of life after the death of your body. Only your earthly body can die, precisely because it is matter, but what animates the body.... the soul.... cannot die, it can only leave your material shell, and then it can be poor or rich when it enters the kingdom of the beyond. And you yourselves prepare this lot for your soul during earthly life. Its purely earthly attitude puts the soul into an extremely miserable state which it will one day feel bitterly and ruefully remember the unused earthly time as soon as it has a small glimmer of realisation. But in earthly life you can also gather riches for the soul if you learn to overcome earthly matter and think of the soul spiritually, if you direct your thoughts into the spiritual kingdom, which is your true home. And believe it, you will easily and joyfully leave this earth when the hour of your departure has come; matter will not hold you back and you will gladly detach yourselves from everything that belongs to earth. And because a far more beautiful life then awaits you I am only ever concerned to make you overcomers of the earthly world and its goods, to help you recognize their worthlessness and to free you from things to which you chain your heart and which nevertheless can easily signify a danger for you, that you forget your spiritual striving over them, that you still pay the tribute to My adversary which he demands from you. Earthly life is short but the whole of eternity lies ahead of you, and you can easily forfeit a glorious life in eternity for the sake of this short earthly lifetime because you misjudge earthly goods, because you attach a value to them which they do not possess. And thus you have an explanation why fate sometimes hits you hard by taking what you love, be it people or earthly possessions, because I only want to direct your thoughts to spiritual things which will compensate you a thousand fold for earthly losses and for earthly suffering of all kinds. Everything is a blessing if it is able to detach your senses from worldly possessions, and I will truly reward you abundantly with spiritual possessions for every voluntary renunciation, and one day you will be very grateful to Me that I helped you to become free from material desires and cravings and that you were able to enter the spiritual kingdom unencumbered by such.... Everything that belongs to the world is still an obstacle on the path to Me, therefore you should overcome such obstacles and cast off all desire in order to be able to enter your true home freely and light-heartedly in order to be allowed to be eternally blissful there, as is your destiny....

Amen

Translation handled by Doris Boekers

You demonstrate that you follow Me when you patiently accept the suffering which My love places upon you so that your souls will mature. Always remember that I requested you to follow Me with the Words '.... let him take up his cross and follow Me....' I certainly want to help you carry your cross but you should not try to throw it away completely, you should always consider that you can remove many impurities from your soul if you patiently carry your cross. I will always give you the strength for it if you ask Me, for I Am always close to you if you live in My discipleship on earth. And you don't have much time left.... Therefore you will have to endure increased suffering because I want to help you attain a degree of light while you are still on earth which will enable you to enter into beatitude when your end has come. But always remain in contact with Me through loving activity, prayer and constant thinking of Me, for then I will always be able to be close to you and you can safely follow your path even if you have to carry a small cross. However, a steady life in carefree tranquillity would not be beneficial for you unless you were so extraordinarily lovingly active that your soul's process of maturing would be successfully accomplished.... But you are all still too half-hearted in your kind-hearted actions and therefore gain too little for your soul, and thus the suffering must contribute towards your purification process. And always remember the terrible suffering I have taken upon Myself on your behalf.... You yourselves would have had to endure this suffering on account of your guilt of sin and you would have been incapable of doing so. This is why I accepted the guilt on your behalf and suffered indescribably because I love you and wanted to endure the suffering on your behalf. Then your cross will seem small to you, you will gladly carry it because you want to follow Me, and you will safely enter through the gate into the kingdom of light because I pave the way and open the gate for you so that you will be blissfully happy. Accept your cross, that is, patiently and for love of Me carry all suffering which burdens you, but which is needed for your maturity of soul, for one day the soul may take pleasure in the light, one day the cross it had to carry will seem an easy one. Let Me walk by your side, then I will help you carry and you will not feel the burden so much. And I Am with every person who calls upon Me in thought, I only wait for this call because I cannot take effect in you against your will despite My love for you. But I will never leave you alone and even the cross placed upon you is proof of My presence, because I thereby gently admonish you to follow Me, Who took all of humanity's suffering upon My shoulders and walked the path to the cross with it. Therefore be patient, no matter what weighs you down, My love will strengthen you, My love will relieve you from the cross when the time is right....

Amen

Purpose of need: bonding with God....

B.D. No. 6355

September 14th 1955

Whatever adversity you humans find yourselves in.... I am always ready to help if you appeal to Me for it.... I don't close My ear to a call which is sent up to Me from a believing heart, and I also take care of all those who commend themselves to Me. But every adversity also has a purpose.... to drive people towards Me who still keep away from Me, who have not yet found a close bond with Me, who have forgotten Me in the world's turmoil, even though they don't completely reject Me. I will also cast My nets after them and then hardship will have to bring it about that they push towards Me.... And I will not let them perish, I will help them. People can pass on all their worries to Me, they can come to Me with all their worries and needs, trustingly present everything to Me and ask Me to arrange everything for them.... and wonderfully they will be helped.... But how few believe this and entrust themselves to Me with complete faith.... And My arm cannot intervene to save where the adversity has not yet fulfilled its purpose, and I have to watch how heavily people carry their cross and can only ever offer Myself to them as a cross-bearer.... but not take the burden from them against their will.... otherwise it will have been completely pointless and people will remain in the same **spiritual** hardship even if they have been relieved of their earthly adversity. Believe My words that I

am only waiting for your call, that everything is possible for Me and that I love you.... And if you believe this, take refuge in Me in every adversity of body or soul, Who alone can and will remedy it because I love you.... Bury every doubt, for it only prevents My love from becoming effective in you. Believe.... and you will attain everything from Me.... but then also maintain the connection with Me, for this alone is the purpose of every adversity, so that you will find Me and want to stay with Me, so that you will take the path to the father and never depart from Him.... For earthly adversity comes upon you for the sake of your spiritual hardship, and spiritual adversity consists of distance from Me, of dead faith, otherwise you would go to the one Who alone **can** and **wants** to help you. Let faith come alive in you and don't doubt My love and My might for a moment.... and you will be guided through every adversity, I Myself will deliver you from it....

Amen

Strokes of fate.... Remedies....

B.D. No. 6290

June 21st 1955

The wounds I have to inflict on you if I don't want you to fall into everlasting death are truly not an expression of wrath, of lack of love, nor are they indications of just punishments for your transgressions.... They are merely remedies to remove ailments which you have caused yourselves and which are needed in order to restore the health of your soul.... It was your own fault that you left the eternal order or your fate would be one of pure happiness and beatitude. Believe Me, I would much rather grant you blissful happiness but you yourselves make it impossible for Me as soon as you leave My order.... however, I will use everything to lead you back into divine order again so that I can make you abundantly happy once more. The more hardship and sorrow, misery and illness are evident on earth the greater are the offences against My order, and by looking at this adversity you humans can see how low you have fallen, for I would truly rather make humanity happy than let unfounded tribulations befall them in order to restore My eternal order again.... And although the individual person believes himself to be a lesser sinner than the misfortune he has encountered.... you humans don't know the correlations or the extent of a misfortune's effect.... nor do you know who will be helped to mature in turn as a result of the individual person's fate.... You also don't know what you have voluntarily offered to endure **before** your incarnation as a human being.... I, however, know everything, and I truly will not impose upon you a greater burden than you are able to bear....

Furthermore, I offer Myself as a cross bearer if your cross seems too heavy for you.... Unfortunately you don't very often take advantage of My help, and thus you complain about your burden and frequently protest its weight.... You were motivated by **love** to offer yourselves to bear a burden of the cross.... But in earthly life you don't know **why** you, who believe to belong to Me due to your will, have to suffer.... Yet I want you to travel your path silently and without complaining even without knowing the cause, I want you to humbly accept your cross, I want that you always submit to My will in the recognition that the One to Whom you submit yourselves is a God of love and that **everything** you receive from Him will be a blessing for you....

Therefore, don't object to your destiny whatever comes your way.... don't complain and grumble if you want to belong to Me but always rest assured that it is only for your benefit.... that it always signifies help and a restoration of My eternal order.... rest assured that one day you will realise it and be grateful to Me that I allowed you to take this arduous earthly path with its misfortunes but also with My love, which is the reason for everything that affects you, because it only ever wants you to become blessed....

Amen

Translation handled by Heidi Hanna

You must never doubt My love, no matter what may happen in the world or in your environment.... I know why I allow it, even if it is not My will but the will of people themselves is active and causes suffering to their fellow human beings. I know what helps the individual person to mature again, and therefore I Myself must often intervene and try to influence you through harsh blows of fate so that you come to your senses when you are in danger of losing yourselves to My adversary. But don't believe that I will unkindly and unjustifiably let suffering come upon you, for only My love determines Me to intervene in the most diverse ways. The danger that you could be lost again for an infinitely long time is too great, and I don't want to indifferently leave you to your fate, and therefore I still use all means to avert this danger from you. This is why the events which make you doubt My love will increase in the last days, disasters and misfortunes of various kinds, severe strokes of fate and hardship and misery will occur ever more frequently, and people will ask themselves how a God of love can allow such things to happen.... Yet believe Me, I have to use these means because I cannot curtail your free will and because these events **can** push your will in the right direction.... Believe Me that I also pay attention to every call you send up to Me in this adversity and grant you help in order to prove Myself to you, and then you will also learn to recognize My infinite love for you which does not want to destroy but only to save. If all of you humans knew about the correlations which justify your earthly existence as a human being then you would certainly also live in such a way that you would not need to suffer any severe strokes of fate; yet even if you are enlightened by My messengers you will not believe them, and you will continue to live irresponsibly into the day and be in greatest danger of getting lost again for an infinitely long time. What it means to have to cover the earthly path through all works of creation once again is beyond your comprehension, but you would be horrified and live a different way of life for fear of it, yet I cannot give you the recollection of the path of development which you have already covered for your own sake.... Yet time and again I let you be warned and admonished by My messengers, and if only you would believe them you would banish this danger yourselves and adopt a different way of life. And therefore time and again you will be startled out of the sleep of death you are still in, for you shall awaken and My wake-up calls will sound ever louder.... Yet My love for you will not diminish even if you are no longer able to recognize it yourselves. But one day you will know that everything that happens should only serve your best, but that I cannot force your free will and that you therefore can also let all painful events pass you by without having gained any success for your soul. Time and again I call out to you humans: Believe in My infinite love which applies to you for all eternity and believe that I only want your bliss, that I want to awaken you to a life which lasts forever and signifies light and strength and freedom. And if you are able to believe in My love then you will also humbly accept everything from My hand, and I Myself will also be able to help you out of all adversity again as soon as it has only contributed to your change, so that you entrust yourselves to Me and appeal to Me for help.... For as soon as you acknowledge Me as your God and creator, the great danger of being banished again into matter will be over, and then you will not be lost but can continue to mature on earth or in the kingdom of the beyond....

Amen

Childship to God.... Tremendous suffering on Earth....

B.D. No. 3352

December 1st 1944

In order to gain childship on earth the human being must shape himself into love and thereby enable himself to already establish union with God on earth, so that he will enter the spheres of light in a completely mature state when he passes away from earth. Hence his soul must have become so purified through kind-hearted activity that God Himself can take abode in it and his spirit unites with the Father-spirit. In that case the human being will have fulfilled his task on earth completely and achieved his goal and, as a being of light, will have found entry into the spiritual realm, where it will

subsequently create and work. However, this degree of maturity necessitates a complete renunciation of material possessions.... This fusion with the eternal Deity is impossible as long as a person still clings to matter, since his heart is not entirely cleansed from cravings and therefore not yet prepared for the acceptance of the divine spirit. Then the human being will have to accept much suffering in order to accomplish the soul's final refinement, and therefore much suffering will be imposed upon extremely benevolent and devout people so that the soul's refinement can take place. Where people are burdened by particularly harsh suffering and nevertheless profound faith is displayed, the soul might have chosen a particularly difficult life for itself in order to attain the final goal on earth, the childship to God. This goal must be aspired to and reached on earth and will always necessitate the most arduous living conditions, because the soul must enter the kingdom of the beyond completely pure and unadulterated and this calls for a particularly effective process of purification. Suffering is always the means of help in order to attain the spiritual goal.... It shall lead towards God if the soul is still disinclined towards God, or it shall purify and crystallise the soul, so that it can come close to God as the purest being in order to be able to enter into the most blissful union with Him. Suffering and love must always work together towards deifying a person on earth; consequently, a loving human being should not fear suffering but humbly take it upon himself bearing in mind the high goal he can reach on earth, for he has chosen his earthly path himself in realisation that it will help him attain highest maturity if his will does not offer resistance.

Nevertheless, the delights of the childship to God make up for all suffering in earthly life a thousand fold. And the time on earth is short, it is like a moment in the span of eternity.... And as soon as a person is profoundly faithful he also can always receive the strength from God to endure everything that is imposed upon him, for then he will send his heartfelt prayer to God and God Himself will give him strength and make him a conqueror of life on earth.... God Himself will fetch His child if it has passed its test of earthly life and departs from earth as a pure being.... But his life on earth will always be characterised by love and suffering, because without it the soul will not be totally purified for admitting God into the human being's heart. This heartfelt bond with God must already take place on earth, otherwise the soul will not stand firm against the temptations of the world nor would it achieve total purification through suffering because it would lack the strength to bear the latter without complaining, and all grumbling or resisting still indicates a lack of complete submission to God's will. However, the soul must become as one with God.... It must have the most intimate bond with Him, it must want the suffering itself and also gratefully accept it as a gift from God in realisation that it pulls down the last barriers between God and itself and that only an overcoming of them will result in the highest bliss.... to become a child of God with all rights and duties.... This is every person's goal on earth but only a few attain it. Only a few are in such intimate contact with God through love that even in suffering they recognise His greater than great Fatherly love which would provide them with the most blissful fate in eternity.... Their fate on earth is not an enviable one, yet in the kingdom of the beyond they occupy the highest level.... They are in God's immediate vicinity and therefore indescribably happy, for they can act independently according to their will, which is also always God's will.... They can create and shape and, time and again, contribute towards the redemption of that which, still being distant from God, requires the most varied creations in order to advance their development. And this is the most blissful fate which fully compensates and makes up for the suffering of earthly life and should therefore be all people's goal on earth....

Amen

The soul matures through suffering.... God's care.... World and God....

B.D. No. 4672

June 18th 1949

Whatever serves to benefit your soul has been foreseen since eternity. Therefore you can regard every difficult and upsetting, joyful and edifying experience, which only aims to achieve your psychological maturity, as having been imposed on you by Me. And if you consider the course of your life from this point of view then nothing should bother, burden or frighten you.... for all is for the

best.... Every experience enables you to mature, you can derive benefit for your souls as long as you always recognise Me as the One Who allows it to happen, and remain in contact with Me by constantly glancing towards your Father above, Who wants to shape you into His children on this earth.

Fear and worry are unnecessary if you hand them over to Me and ask for My help. You are never alone if you allow My presence next to you, if you do not want be alone and never exclude Me from your life, if you leave your thoughts, needs and actions entirely to Me, if you let Me take care of them, so that I will guide you and you are merely the executor of My will. You could travel your earthly path carefree and without worry if only you would always walk with Me.... Yet the world frequently stands between you and Me and separates us, the world is close to your eyes, and you neglect Me even though you want to belong to Me. The world is still too important to you, you do not realise its triviality because you are still involved with the world. However, as soon as you are able to value Me above the world, as soon as you are able to put Me first, the world will no longer burden you, it will not disturb you, you will be able to cope easily and be master of everything that approaches you on a worldly level.

Make the attempt, let Me take care of you and entrust yourselves to My protection and care with complete faith. First fulfil your duty towards Me by living in accordance with My Word and working for Me and My kingdom. Then you should also inform other people of My will by always reminding them of their true destiny, by motivating them to improve their souls and by passing on My Word, which you have received from Me and which will enlighten them where they are still in the dark. Draw your fellow human beings' attention to the fact that I Am in charge of all people's destiny, that nothing happens to people without meaning and purpose, that higher development is the purpose of every experience, and that everything is bearable if I Am approached for help, acknowledged as Controller and Creator of eternity and prayed to for My Fatherly care. Caution them not to forget Me for the sake of the world, then every individual person's earthly path of life will be easy and safe and his soul will derive benefit from every experience. For I only want your soul to mature when you have to go through suffering, but you can make it bearable for yourselves if you take heed of My Word and always allow Me to walk with you. For I Am your Father and only want the best for My children....

Bearing suffering for fellow human beings....

B.D. No. 8508

May 25th 1963

I will also give you an explanation as to whether you can bear suffering for your fellow man or whether every person must bear the burden himself which was assigned to him for the salvation of his soul.... You humans must consider that your soul is supposed to mature fully during your earthly life, that all still immature substances should spiritualise themselves, which happens through love or suffering, for this dissolves the layers which still prevent the light of My love from radiating into the soul. And at the same time such substances of the body which are still immature are also a problem for the human being by causing him all kinds of diseases and thus, with patience, love and in submission to My will, they should be calmed and therefore spiritualised which is, after all, your real earthly task, to help your soul towards the greatest possible level of perfection. And this spiritualisation of soul and body must be accomplished by every person himself, this work can never be done by someone else on his behalf, and one day he will be grateful to Me that, by way of suffering and adversity, I helped him gain perfection. Consequently you can understand that you should not really try to avert anything which can benefit your fellow human being's soul.... If, however, love is impelling you to offer yourselves to Me asking to bear your fellow human being's suffering then I will not stop you in your love.... It will be temporarily taken from the person and placed upon you, and thus you raise your soul's maturity because you are willing to accept more suffering and are motivated by love to do so.

One has suffered for all of you in order to release you from the immense suffering you would have had to take upon yourselves as penance for your guilt of sin, which was the reason why earthly life is a valley of tears and suffering for you humans.... But now all you humans can turn to this One Who will also take your suffering upon His shoulders and help you carry it.... Whose substituted atonement was accepted by Me and to Whom you should go if your suffering weighs you down, and he will help you carry it or take it from you depending on what is best for you.

However, the love of a fellow human being who is willing to suffer on your behalf is very highly valued, and this love will also guarantee you a flow of strength, for love is strength which will noticeably affect the sufferer.... And if someone offers loving intercession for you who have to suffer, the strength of this love can so permeate you that you will no longer feel the degree of suffering.... that your pain and agonies temporarily disappear, and your souls benefit from the strength of this love.... and thus mature and become less sensitive to pain.... The degree of love always determines the benefit the sufferer derives from such a prayer of love for him. And since the maturing of the soul is the purpose of earthly life and there are many possibilities to achieve this, it should be recognised first and foremost and not be prevented. True love, however, knows why a person has to suffer and will help him endure and make it easy for him to accept God's will.... And then I will take the cross from him and his soul will have moved a step forwards again....

Love and suffering help the soul to reach the goal.... If a person still has a low degree of love then greater suffering often occurs in order to hasten his soul's purification.... But this purification of soul can never be achieved by another person's conscious suffering on behalf of the former. Every soul is responsible for itself, and every soul has to reach its own maturity, which happens through love and suffering.... And the degree of suffering depends on the degree of love. I will certainly answer the prayer of someone who offers himself to bear suffering on behalf of a fellow human being because he loves him.... I will let him partake in the pain which he then has to endure. Yet he endures it for the purification of his own soul.... he indeed relieves the other person of the suffering for the sake of love, yet it serves him for his own perfection, whilst his fellow human being must likewise take care of himself and his psychological state of maturity, even if he is temporarily released from his suffering. No labour of love remains without result, yet where and how it takes effect remains My decision, Who knows every person's state of maturity and whom I will always consider accordingly.... And I give to every person what he is able to bear, and it is enough that he calls upon Jesus, the bearer of the cross, if he deems his burden too heavy for him.... And as long as the human being lives on earth he has the option to reach the goal of perfecting himself through love and suffering.... through following Jesus....

Diseases and cure....

B.D. No. 8653

October 23rd 1963

If you know the blessing of disease, if you know that disease contributes towards the soul's purification.... that disease aids your patience and humility to accept My will and you consequently no longer oppose My will.... if you accept that everything happening to you is recognised by Me as beneficial for you, then you will know that I also recognise the moment in time of your recovery....

However, the fact that I will not cure you instantly is due to your freedom of will, for then you would be forced to believe in Me and My might, but you shall attain this faith without coercion.... Furthermore, you know that the purpose of earthly life consists of providing loving service.... Thus one will always have to work for the other if he wants to fulfil his helpful earthly task. And thus I will also bless the people who are always willing to help even where it concerns physical ailments and pains, and who are able to do so insofar as that they recognise the cause of an illness and the correct remedies to heal it. For depending on their helpfulness and their love for their weak and suffering fellow human beings they will indeed be successful. But in the final analysis every cure is based on My will which therefore imposes a limit on a human being's work when I recognise that the effect of a

long illness is of value for the soul. My will determines a human being's destiny, thus it also includes diseases which the human will is unable to cure despite all applied treatments.

I will never condemn people's attempt to discover methods which are intended to help those who suffer.... For as long as loving helpfulness is the reason for all kinds of research My blessing will rest on it too.... If, however, the motive for producing such remedies is based on the acquisition of earthly possessions, they will generally be ineffective or damaging for the human body despite apparent improvement.... The most harmless remedies can equally suffice to result in a cure, because it is My will and I deem the moment of a cure to have arrived.

An illness shall primarily further the bond with Me, the human being shall take refuge in Me and appeal to Me Myself to be healed, then I will send people to cross your path who only want what is in your best interests, whose thoughts will be guided by Me if they are in contact with Me in thought or through a life of love in accordance with My will. But such healers are only rarely to be found, and therefore people more than ever use remedies which likewise originate from unblessed work.... And then neither the body nor the soul will be able to derive a cure from them because I Myself don't allow that the soul shall be helped **against** the human being's will.... so that he learns to turn away from the world because the body is no longer able to meet the demands of the world.

Thus you humans can always call upon the help of a physician, but the cure is determined by Me, however, I will often bless the efforts of the latter so that you will recover; yet you shall also derive from every illness a blessing for your soul, that you submit yourselves to Me and My will, that you patiently and gratefully bear the suffering, because it is greatly beneficial for your soul when you prove yourselves during an illness.

But with a rock-hard faith you will also be able to free yourselves from every ailment.... just as I Myself during My life on earth was able to heal people 'whose faith had made them whole....' For nothing is impossible to Me and if your love is so profound that it brings forth a living, strong faith then you will not doubt My love and might for a second.

Then you can be instantly healed, because then this recovery will not be **compulsory** faith for you since you will **possess** an unshakable faith.... But which one of you can muster this strong faith? Who can use My might without doubt, who will give himself to Me so completely with the plea to heal him and is also convinced that his plea will be granted? Then any miracle can truly happen, be it on yourselves or on a fellow human being on whose behalf you voice this request in strong faith.... But anyone who is very sincerely united with Me has already completely accepted My will and lets Me rule and does not use his will in advance.... He will bear even the most difficult suffering with humility in My will and thus renders a far greater service to his soul than through the healing of the body.... But I will always work in you such that your fate will be endurable.... and when a human being has to suffer immense pain it **also** just expresses My love for his **soul**, which one day will be grateful to Me in the spiritual kingdom that it was able to dispose of many impurities on earth, that it was also permitted to remove guilt on earth enabling it to enter the spiritual kingdom far less burdened, which it could never have achieved with a healthy body....

Surrender to Jesus.... Saviour and Physician.... Redeemer....

B.D. No. 6508

March 22nd 1956

Your burden of sin due to your past apostasy from Me has turned you into imperfect and therefore unhappy beings which can only be completely happy again when they are released from their great guilt of sin, when they have atoned it themselves as far as it was possible during the time prior to their embodiment, and when they subsequently allow themselves to be redeemed by Jesus Christ, that I therefore can erase all guilt because they have handed themselves over to the divine Redeem Jesus Christ, in Whom I embodied Myself on earth.... For then they will return to Me again, from Whom

they once had distanced themselves.... Then they will voluntarily acknowledge Me as their God and Father of eternity.... And then they will also be infinitely happy as they were in the beginning.... Hence I require you to surrender to Jesus Christ, for your dedication to Him also demonstrates your will to return to Me. But do you humans serious about taking refuge under the cross and receiving forgiveness for your sins? Are you approaching Him, Who is your Saviour, your Redeemer and your Brother, with absolute faith? Do you in all honesty want to make use of His grace which He had acquired for you on the cross? Do you speak words in spirit and in truth? Or are they just empty phrases when you profess Him?

He is truly your Saviour and Physician, He is the Redeemer from sin and death, He is the vessel which carried Me, and thus His might and strength was limitless.... And this man Jesus is and will remain the Eternal Deity, for I chose Him to enable Me becoming a visible God for you since I Am but Spirit from everlasting to everlasting. And if you call upon Him you call upon Me.... And I listen and will grant your request, since I gave you the promise through Jesus Christ 'Whatever you will ask in My name, that will I do....' Trust these Words with complete faith and don't hesitate to commend yourselves to your Saviour and Redeemer, so that I can give you the evidence that I will keep My Word.... You must always remember that I give you the occasion for every prayer in spirit and in truth Myself, that I want you to come to Me in every adversity of body and soul.... And thus take this step to Me, consider My Words, let them penetrate them deeply into your heart and believe without doubt, for My promises are truth, but you determine their fulfilment yourselves.

I carried all your sins on your behalf, I took upon Myself all suffering and adversity which you would have had to carry as penance for your original sin.... And every person's life can be free of worry and suffering if he hands his sin over to Me Myself, that I might also have carried his guilt on his behalf. Yet he must pray with absolute faith, he must know that I don't want people to suffer.... but that I cannot avert his suffering contrary to My eternal order if his faith is still so feeble that his call won't reach My ear, if he still doubts My love or My might.... I can help all people and want to help all people. And if your faith is a living one then make use of My assurance and hand yourselves over to Me.... Your first requirement is a living faith in My act of Salvation, you have to be convinced that I have carried all your sins, that I have taken all your suffering upon Myself and died on the cross so that you can be free of them. Only then will all your doubt disappear, only then will you entrust yourselves to Me with complete faith, and only then can I take your suffering from you and redeem you from sin and death. For only then will you have accomplished your return to Me, only then will you acknowledge Me in spirit and in truth....

Amen

Decision by predestined guidance or experience....

B.D. No. 7972

August 20th 1961

Know that every earthly or spiritual experience affecting your life is intended or permitted by Me. For every person's course of life is always determined by Me in accordance with his spiritual development. And thus everything can be in your best interest, you don't have to suffer if you accept everything from My hand and even humbly accept your burdens, for your correct attitude towards Me will also allow you to assess every event correctly and your soul will mature. The only purpose of earthly life is for your soul to mature.... And all earthly events, be they suffering or joy, will approach you in line with this purpose.... Any event is able to lead you closer to Me if it is your free will to find union with Me.

But My adversary also tries to win you for himself, and thus you will be faced by temptations on his part which I allow because he still has a claim on you, and he will equally influence you but never be able to force you, instead it remains up to your free will to what extent you allow yourselves to be influenced by him. Hence you make your own decision by consciously turning either to Me or to him. And you can make this decision in every situation; every experience, every stroke of fate, every

pleasure and every affliction can impel you to make this decision. And if you know that nothing happens without My will or permission, then soon nothing will be able to worry you either.... for as soon as you turn your sights and thoughts towards Me, call Me to your side or commend yourselves to Me in prayer, you will mature spiritually and have achieved an advantage for your soul again.

All these are also tests of faith which you have to pass.... for My adversary will do anything to separate you from Me, to lessen or destroy your faith in a God and Father Who is always willing to lovingly help His children. He will always want to darken your spirit, he will try to spread darkness across you so that you no longer recognise Me as your loving Father of eternity.... And this is why he particularly tries to take precedence during misfortunes with the intention of causing reluctance and ill feeling in you.... And then you have to adamantly resist and know that **everything** I allow to come over you is beneficial for you, and that you only have to turn to Me in firm faith in order to banish even the most arduous adversity by handing everything over to Me, Who will truly help you to get out of every adversity. For My constant concern is only ever your return to Me....

I want to tie you to Myself and not lose you, and therefore I will also always prove My love, and this love shall never be doubted by you. You have already travelled a long path which brought you ever closer to Me.... The last short stretch of the way requires great willpower by you, because you **consciously** have to turn to Me, to the pinnacle, whereas before you were drawn by My love.... But this love gives you even more, it does everything in order to guarantee your return to Me....

Just grant Me your free will, strive towards Me in free will, don't let yourselves be enticed by the world which is My adversary's tool to win you over.... Believe in Me and My love, and in your heart long for the Father, and call upon Me in every adversity of body and soul.... And truly, every experience will only ever serve your ascent, for everything is based on My love and wisdom whatever you might encounter.... And rely on My love and My might, for I Am always willing to help if only you would call upon Me in your heart....

Amen

Blessing of mental communication with God....

B.D. No. 6859

June 28th 1957

Anyone who listens to Me when I speak to him takes the reliable path of ascent.... And I speak to all those who receive My Word, who in turn accept it from those who question Me in thought and who thus also may regard the thoughts they receive as **My Words**. You cannot think wrongly once you have acknowledged Me as the source of truth by directing your thoughts to Me, once you want to know the truth. Nor can you take misguided paths anymore once you appeal to **Me** for guidance.... But you must willingly offer Me the opportunity to speak to you, and that always happens when you mentally occupy yourselves with Me, your God and Creator, for every thought of Me calls Me to you, and I follow this call.

You should often occupy yourselves with Me in thought, because this means that your heart is receptive for My communication and because you can only ever gain by this, for then you will also constantly receive the strength to do what I ask you to do, what My communication conveys to you as My will. You have to establish the connection with Me yourselves, because you had once isolated yourselves from Me.... You need not do anything else but think of Me without a will of resistance.... I Am always willing to meet you as soon as I recognise in your thoughts the resolve to make contact with Me.... And then you are truly protected from taking misguided paths, since now that I can speak to you I have also gained influence over you. Thus it is truly not difficult for you to acquire an immeasurable amount of everlasting riches in earthly life, as this is the result of your mental bond with Me.

It is completely impossible to leave Me empty-handedly, it is completely impossible that I will **not** make use of such a bond and remain silent in you, for I Am only waiting for such quiet moments when

you make contact with Me, when you enter into conversation with Me or approach your God and Creator with questions, and I will certainly answer you again in the form of thoughts, if I cannot speak to you directly through the inner Word. This is why every person has the opportunity and the right to communicate with Me, and every person will receive as much as he desires. Even if nothing is visibly given to the body, the soul can still receive unlimited riches for itself. I **want** to speak to you, and I will speak to every one of you who thus is willing to listen to Me, who wants to hear My voice.... You all should avail yourself of this assurance, you should excel yourselves and devote every free minute to Me, and you would truly use your time on earth well. Then the connection would be established ever more frequently, because you would desire Me from the bottom of your heart, Whom you now recognise as your Father and constantly wish to be spoken to by Him. And you will also gladly comply with everything, you will fulfil My will because you have already adopted My will as your own, because the constant bond with Me also results in a constant submission to My will and because you have become enlightened as to Who I Am and what kind of relationship exists between us.... Think of Me daily and hourly, never exclude Me from any undertaking, constantly let Me be present with you by mentally calling Me to you.... And you will truly not take the path through earthly life in vain, you will grow and mature and reach the goal.... You will join Me once more in order to never ever separate from Me again....

Amen

Father's words.... voice of God.... listening inwards....

B.D. No. 2250

March 5th 1942

If you want to hear My word, one thought is truly enough, which you send to Me in longing desire. I am always ready to be with you in word. I am willing to speak to you without reservation, for where a loving heart longs for Me, My voice will always resound and offer the most delicious gift.... the purest truth.... I know only one goal, to draw you up to Me, and in order to achieve this goal I let everything around you arise. If a heart now comes to meet Me, if it desires to be close to Me in deepest love, I have reached this goal, for this longing of his is already fulfilment.... I will no longer let anything fall that has once striven towards Me. And so you should know that you can all hear Me if only you seriously want to. You should know that I am ready to speak to you everywhere and at any hour if your love seeks Me, and you will truly be constantly nourished with My word and need never fear that I will withdraw this gift of grace from you. For My love will always remain the same, My love will never wear itself out, and My love is constantly concerned about you and wants to give you what you need in order to unite yourselves with Me forever. My love also wants to make you capable of love, and for this you need My word which informs you of what you are and what your task on earth is.... You need My word which teaches you love so that you come close to Me, so that you become what I am.... so that you may become love. And thus I teach all My children and bring Myself close to them in the word, and all may hear Me.... But then they must also listen to the voice in their heart, they must quietly withdraw into their little chamber, i.e. free themselves from the world and its temptations and then enter into dialogue with Me, and if they now listen attentively within they will also hear My word, the clearer and more distinctly the more intimately they connect with Me and the more they can shut themselves off from the world. They must be devoted to Me and pledge unwavering faithfulness to Me, then their spiritual ear will be sharpened and they will recognize My voice very well, for I speak words of love to those who long for these words....

Amen

Translation handled by Doris Boekers

The power of prayer is not used enough because you humans do not have the right faith and therefore you cannot test it enough. You could request everything and also achieve everything if you believed, if you presented your requests to Me without doubting and confidently awaited their fulfilment. Prayer is the bridge to Me which I Myself have built for you and which you may enter at any time in order to reach Me. A right prayer, a prayer in spirit and in truth, will always be heard and not remain unsuccessful, and the strength of your faith also guarantees you certain fulfilment, consequently the fulfilment of your requests does not depend on My will but only on your strength of faith, and consequently you yourselves determine to what extent your prayer will be heard. Again and again I tell you that you should turn to Me in all matters, and thus you could truly have a far easier earthly existence if you would make better use of the strength of prayer. But if you say the prayers as you are often taught, you will constantly be able to ask and wait in vain for the fulfilment of your requests. Then your prayer will not reach My ear, for it is not a true prayer, it lacks the strength of faith. Then I cannot work with My might, for I Myself have taught you the right faith, I have made it a condition if your prayers are to be answered. I cannot release you from this condition, I must demand faith in Me and My working, otherwise I Myself would be unfaithful to My law of eternity, otherwise I could not mention the power of faith either. You could achieve everything and only need to put it to the test, yet you must first acquire profound faith, you must be so convinced from within that you will never make a wrong request, that I can and will help you. And I will grant you every earthly request if you pray in the right way.... in the belief that I will grant you what is not detrimental to the soul and that you are fully convinced that I will only give you what is helpful to you because I love you.... Thus you must also be able to do without if My love denies you something.... this attitude must also be represented in a right prayer, then your prayer will be right and you can always count on your requests being granted, because I Myself have given you the promise: Ask, and it shall be given you, knock, and it shall be opened to you.

Amen

The fulfilment of prayer in firm belief.... 'Father, Your will be done....'

B.D. No. 3927

December 2nd 1946

You can obtain everything from Me, if you only believe in Me firmly and steadfastly.... For if you bear My greater than great love for you in mind you will also know that I will not leave any prayer unanswered. However, firm faith in Me also includes absolute trust in Me, it includes the certainty that I, in My wisdom, also recognise everything that is a blessing for you, and that I will not allow you to be harmed by granting you something that will not be beneficial for you. And this is why a profoundly devout human being will hand himself over to Me unconditionally, he will leave it up to Me what I choose to give to him, he will not demand but humbly present his requests to Me, always making My will most important and commending himself to My love and grace. And I will give to him abundantly; I will never let him go short physically and spiritually, for I will never close My ears to My child's prayer. If, however, I deny you the fulfilment of a request then don't doubt My love anyway, for it is precisely My love which wants to protect you from harm. And you, yourselves, are not always able to recognise the effect of a fulfilled request. Therefore, present your wishes to Me trustingly and leave everything else to Me, and My love will consider you such that your path to Me will run smoothly, so that you will safely reach your goal, so that you will return as My children into the Father's house in order to live a blissful life in eternity. Yet always and forever make use of the strength of prayer, call upon Me in every situation in life, come to Me if you are in difficulty and also think of Me in hours of peace and quiet.

Don't forget Me so that I will not forget you either, and establish contact with Me quite often through heartfelt prayer, and thereby constantly call Me close to you, then strength without measure will flow

to you, if you look for Me of your own free will, if your thoughts apply to Me and your heart is urging towards Me. You have to find the way to Me yourselves and therefore enter the bridge which I have established for you from earth to Me.... You have to pray, for in prayer your soul is rising into the spheres of light, in prayer you enter the bridge to Me, in prayer the child steps in front of the Father, it establishes the relationship of a child to its Father, as it is My will. And if I Am called upon as Father when a childlike heart is beating for Me I will answer every beseeching request, for I will not disappoint My children who come to Me in complete trust. And My love will express itself to them, My love will hand out gifts in abundance, My love will take care of the child spiritually and earthly, and it will never ever again have to suffer adversity if its appeal to Me is truly childlike, that is, if it sends its prayer to Me in spirit and in truth.

You all should make use of the grace of prayer, for you are able to achieve everything in firm, living faith in Me and My love.... Yet don't demand and complain or grumble if I seemingly won't grant your prayer, for then My Fatherly love knows that the fulfilment of your prayer will only cause you harm, and in order to protect you from this it will deny itself.... Yet anyone who always submits his will to Mine will never be disappointed, for his is the true prayer which is pleasing to Me if he adds to all his requests 'Father, Your will be done....'

Amen
