Declaration required by the mission of Jesus....

B.D. No. 5789

October 14th 1953

You people must be given information in the right way, then you will not refuse the doctrines, that are presented to you about Jesus Christ as the Son of God and Savior of the world.... The problem of His incarnation and His death on the cross is so extremely difficult to understand, if it is put down only as a historical fact, because then the way of behaving of the man Jesus is incomprehensible for you, because you will not understand, what this incarnation and death on the cross is based, and then you are tended to deny a mission for all mankind. But if the reason is given to you truthfully, then you learn to understand the redemptive work of Christ.... And then you adapt yourselves differently to that than before. That people lack the knowledge about it, is not because, that the truth would have been withheld them so far.... it is only because, that the people have made themselves incapable for receiving such knowledge, that they consider purely more wordly the life and death of Jesus Christ, that they are more indifferent to learn about the truth. As well as God finds

only the slightest question about it in a human, He gives him enlightenment too, but only rarely man asks that question and calls for it, to obtain information about the human Jesus, Who shall be accepted as God.... And yet the belief is absolutely necessary, if the man wants to put himself also into the blessing of the redemptive work.... This is why God gives people an enlightenment, that they could accept well, if they strove for the truth earnestly.... God gives, what people do not demand more of themselves, He hands out that, by which people have deficiency. He gives them a knowledge, that could give light to people with good will, that means knowledge for them, if they just accept it.... He tries to make people understand Jesus' work of love, that there were not earthly or worldly motives, that let the man Jesus so live and suffer and die, but a spiritual cause based on His earthly life.... to avert an unimaginable distress of the souls of men, that extended over eternal times and only the love of a man could remedy it.... People need to know the **spiritual** cause, if the redemptive work of Jesus Christ should be judged rightly and the graces of which should be accepted. People must know, that they go to meet an unimaginably painful condition, if they do not acknowledge Jesus Christ as savior, and then they do not even belong to the redeemed, for whom the man Jesus Christ died on the cross.... they should know, that it is not the same, whether they acknowledge Him or not.... And to be able to recognize Him, they should be introduced in the truth.... They should be taught in a right way by God Himself, what the son of man moved, to take a superhuman suffering upon Himself, which ended with His death on the cross....

Amen

God is Love.... The mystery of love....

B.D. No. 2289

April 4th 1942

The greatest mystery is the love of God, and this mystery can only be revealed through love, that is, only a person who is actively kind-hearted himself is capable of understanding divine love. Each loving spiritual thought is an emanation of God, Who is Love in Himself. And the willingness to accept such a thought, that is, to direct it from the heart, where it is born, to the brain, hence to effectively take possession of it, is the willingness to receive this emanation of love from God. For the heart's willingness is the prerequisite for God's love to become effective.... God is Love.... This is a mystery and it will remain a mystery for people for as long as they belong to this earth and often still in the beyond. For they associate the concept of love with a Being. In their eyes it is a characterisation of a Being, and yet Love is the Being Itself.... Love is something spiritual which does not explain the character but is in itself a Being.... love it that which is good, divine, when the word is used in relation to people.... whereas God Himself is only imaginable as Love, yet it will only become understandable to those people who are so permeated by love themselves that they, during their activity of love, also feel the closeness of God. For what they feel is only love again, and yet they are close to God, because God and love are one and the same. Everything that shapes itself into love is in heartfelt contact with God, i.e., shaping oneself into love is adapting the hitherto imperfect to the perfect. Love is something perfect.... God is perfection, thus love and God must be one and the same. But lack of love is a degree of imperfection; it is also a state of distance from God, because God without love is inconceivable. For this reason loving activity will always trigger a feeling of happiness, and this is the proximity of God which can be markedly felt by the soul, consequently, **all** increased activity of love will also manifest itself in an increased feeling of happiness, inner peace and firm self-confidence, because all this is divine, i.e., the evidence of God's closeness which can only have a spiritual effect, thus in emotions of the soul and not in the body's well-being. God's proximity in turn generates love, for since God is Love in Himself, His presence must manifest itself in a feeling of love again. And this love flows back to God as its origin.... the person having shaped himself into love, that is, his soul, unites with God.... Love flows to love, and thus the unification takes place between the being with the Primordial Being, Which in Itself is only Love....

Amen

Translation handled by Heidi Hanna

Your human intellect is only able to understand profound truth to a certain degree, because pure spirituality is only spiritually explainable. This explanation will be accepted by the spirit within you and indeed also passed on via the soul to the intellect, but the intellect is still too earthly minded and therefore cannot delve so deeply into spiritual knowledge to understand everything. Nevertheless, My spirit expresses itself through the spiritual spark within you, and anyone who has love will also understand the meaning of what I say to him:

My creative will was immense, My strength inexhaustible, and I found My bliss in the implementation of My thoughts and plans. And this bliss wanted to express itself, My love wanted to give itself, I wanted another being beside Me to also enjoy what made Me indescribably happy. I experienced My solitude as a lack which I could change any time if I wanted to.... And I wanted to re-discover Myself in a being that should be closely united with Me, which I wanted to shape as a mirror of Myself, as My own image, to be able to bestow it with unlimited bliss and thereby increase **My** bliss too. I wanted to create such a being and this will sufficed, because My will was strength and always proceeded with love and wisdom. The entity I externalised from within Myself was indeed My image yet it could not see Me, had it been able to see Me it would have ceased to exist due to its beatitude, since no being could endure to behold Me. For every being, even the most perfect image of Myself, is always just a **product** of My strength of love, whereas I Am the strength of love Myself and enlighten everything with incomparable intensity but, as a result, I could not be endured by the being I had externalised. Yet by creating this being I had a vessel into which the strength of My love could flow continually, and thus it also received My creative will, My strength, My wisdom and My love beyond measure with this constant influx of strength from Me. As a result, it was now able to experience the same bliss, it was able to use its strength in accordance with its own will, it could be creatively active for its own pleasure and thus constantly increase My bliss, because it was **My** strength which enabled the being to do so and I took pleasure in its happiness....

And now countless other beings of the same nature emerged from this being.... They all were children of My love in radiating light, in utmost perfection, because from the image I created of Myself and My infinite love could only ever emerge utmost perfection, because we shared the same will. Both our love found itself again in the created beings, because nothing imperfect existed as long as My will and My love worked through this first created being. It was an enlightened world of spirits, there were a great number of originally created spirits.... The strength from Me flowed unrestricted to the being which I had chosen for Myself as the bearer of light and strength.... And the entity itself was more than blissfully happy.... Yet I wanted to **increase** this bliss even more; I did not want it to be tied to **My** will but it should be active of its **own** will which.... if the being was perfect and remained so.... was **My** will. For the being, having been **created** by Me, was incapable of having any other will. But I wanted it to be able to act **independently**.... because the only characteristic of a divine being is that love is so powerful within itself that it is the decisive factor for the same direction of will **as mine**. I wanted to receive **this** love from My first created being which, however, was intended to result in its ultimate perfection at the same time, so that it was no longer active as a **created** being in accordance with My will but should enjoy unlimited bliss by merging with My will for love of Me....

But in order to pass this test of love and will it had to have complete freedom of will. It did not see Me but it recognised Me because it was enlightened.... However, it saw the countless beings created by its will, and it felt itself as their creator in spite of knowing that it had received its strength from Me.... And the entity was envious of My strength.... Although it was visible to the beings it had created, it was nevertheless conscious of its origin from Me, but it claimed the right to rule these beings for itself by presenting itself to them as the source of strength, as the only power able to create.... It more than less denied to love Me in order to rule.... You humans cannot understand the process by which a self-aware being could transgress into completely wrong reasoning but this is explained by free will which, in order to become active, must also **be able** but does not **have to** make a negative choice.

The bearer of light and strength saw on the one side the evidence of strength conveyed through him, yet he did not see the source of strength itself. Thus he declared himself ruler over his created spirits and also tried to portray Me as non-existent to them. He tried to transfer his now opposing will on to them.... And now the moment of decision, of proving their perfection, also came for the beings who had been created by the bearer of light with the use of My strength.... My strength was inherent in all these beings, they were fully enlightened and aglow with love for Me, Whom they could not see but nevertheless recognise. But they also loved their creator, because the strength that had created them was **love** which had emanated from the first created being and enabled it to create. This love now had to make a choice, and it divided itself....

Terrible confusion occurred amongst the spirits who felt urged to make a decision. But.... since My strength of love was effectively light.... it was understandable that the urge towards the primary source of strength was stronger in many beings, that their love diminished for the one who separated from Me and pushed towards **Me** with increased force.... For the light within them was the realisation that I was Eternal Love. Every being had this knowledge indeed, but it also had free will which did not depend on knowledge, or it would not have been free. And the spiritual world divided itself.... The externalised being had its followers just as I had Mine, even though I was not visible. But the effect of My strength was so powerful that many beings turned away from the one who wanted to oppose Me.... Their will remained in the right direction, whereas the bearer of light and his followers directed their will wrongly, thus they volitionally separated from Me and this caused their fall into the abyss....

Thus the light bearer, the fully illuminated being externalised by Me, became My adversary, whereas everything that had emerged from him, that was created by both our love, partly turned towards Me and partly towards him, depending on the glow of love by which it was permeated. As soon as the bearer of light separated from Me the beings experienced an undefined desire for a definite pole. Free will began to unfold itself.... neither I nor My adversary influenced them forcefully, they were merely exposed to both our emanation of strength which wanted to gain every being for itself. The flow of My strength was pure love and affected the beings so intensely that they recognised Me without seeing Me, but they could also recognise the first created beings' change of will. However, because they could **see** this entity many followed it, i.e. they subordinated themselves to its will and thus distanced themselves from Me. Yet other originally created beings felt themselves as My children and voluntarily remained loyal to Me, only they were far less in number. These were the first created beings who arose from My light bearer's most blissful creative will and My immense influx of strength of love. And this strength of love was inherent in these beings too and persistently pushed them towards Me, for they recognised their creator's present will as wrong and therefore turned away from him. The other beings could have come to this realisation too yet they blindly followed the one they could see, and their will was respected and in no way influenced by Me, because this decision of will had to take place in order to shape the created beings to **independent** perfection. The being which left Me drew a large number of followers into the abyss, for to distance oneself from Me means to strive towards the **abyss**, to aim towards a completely opposite state, which thus signifies darkness and weakness, loss of knowledge and strength. Whereas My children blissfully remained in the most radiant light and immense strength, in beatitude.

After the fall of Lucifer, the light bearer, his strength was defeated.... He could no longer actively create and shape although I did not withdraw the strength from him because he was My living creation. His power and strength rested in his followers, whom he now dominated as prince of darkness. But they are also the products of **My** love which I will not leave to My adversary forever. As long as these beings still share his will they belong to him; but as soon as I succeed in turning their **will** towards Me he has lost them, and thus his strength diminishes at the same rate as I release his prisoners from his control which, however, always presupposes the being's free will.

And this is the purpose of My eternal plan of Salvation, which is eagerly and most lovingly supported by all inhabitants of the kingdom of light, by My angels and archangels, for they all are My helpers who endeavour to bring bliss again to their fallen brothers, who once voluntarily threw it away.... And this work of liberation will succeed, even if it takes an infinitely long time before the last

once-fallen spirit returns to Me, until even the first created being that came forth from My love draws closer to Me again in its longing for My love.... until this too repentantly returns to the Father's house, which it once left voluntarily....

Amen

Creation of the human being.... The fall of man....

B.D. No. 5800

October 31th 1953

The fallen spiritual substance needed an endless time for its higher development, and an endless time was also required for My individual creations, which more or less had to evolve in line with the indwelling constrained spiritual substances in order to hold ever more mature spiritual substances. Time and again new forms were created, and time and again these forms were assigned a task.... Hence, earthly creation did not arise in an instant but infinitely long periods of time passed until the spiritual substance of all degrees of maturity found the appropriate external form, since the constantly increasing maturity also necessitated constantly new creations which could accommodate it. But as long as the spirits were subject to the law of compulsion My creative activity meant: Creation of earth as a place to mature for the lowest fallen spirits, which had to acquire the level of maturity that would return free will to the constrained spirits again, which they had abused in the past.... But now an external form had to be created for this fully matured spiritual essence, so that it could test its free will again in this form....

This work of creation was the human being, who differed from all previously arisen creations such that he, apart from free will, was also endowed with intelligence and reason.... with a faculty of thought, with self-awareness and with the ability to interact with his fellow human beings through language, because coexistence provided the necessary conditions for the test of will. The human being's external form already existed in its last stages in the state of compulsion and was destined to receive countless fully matured substances of soul, but these living beings still acted in a compulsive state as required by natural law, and therefore they were not responsible for their actions.... They only had very limited ability of thought but as receptacles for the spiritual essence, which was fully matured after an endless time of development, they were also works of creation formed by My wisdom and love for this spiritual essence. But only the living beings who possessed free will, intelligence and self-awareness were human beings.... and only then started the plan of spiritualising the latter.... This required that the living creations.... the human beings.... were educated by Me.... that they should use their ability of thought, their intelligence and their free will in accordance with My instructions and by virtue of their free will could then live and work on earth.... that they could shape themselves into Gods but also act in opposition to My advice and My will and regress to the abyss from where they had ascended.... I created the human being....

Having attained a specific degree of maturity I gave the spiritual essence an external form in accordance with My love and wisdom, and the task the human being subsequently had so carry out.... The external form only became a living being after the spiritual essence had entered it.... the composition of innumerable minute particles which, as 'soul', gave life to the form. For the spiritual essence is a constantly effective strength and was in fact constrained and incapable of unrestrained activity during the preliminary stages, during the endless process of development. However, in its ultimate external form, in the human being, it can be active again. It can unfold its inherent strength and through unity with Me increase it without limitation.... The first human beings had My strength at their unrestricted disposal, they were extraordinarily well equipped in view of the fact that their test of life on earth should have resulted in their leaving their earthly form completely spiritualised in order to return as true children into their Father's house again.... But the test of will, which I demand of every created being, was required of them. The first human beings' passing of this test would have enabled all subsequent generations to reach the final goal with ease.

(01.11.1953) By creating the first human beings I had created beings for Myself who, in spite of their inadequacy.... i.e. their lack of perfection as a result of the apostasy from Me.... could nevertheless have attained realisation of Me Myself since they recognised themselves as living creations.... Thus, due to their ability of thought and their free will, they were able to recognise My will and act in accordance with it.... I had created beings for Myself with whom I could communicate despite their distance from Me, who could hear My Word and let it take effect on them, which was impossible in the earlier state of constrained will.... Thus the human being was the first earthly work of creation which carried a fallen original spirit in himself, and he was then meant to help this original spirit to return to its original state in order to work and create in eternal unity with Me as a free spirit again.... This was the task of the first created human being, and it will remain the task of all people until the end, until the final spiritualisation of all fallen spirits....

The test of will the first human being had to pass was not too difficult.... Yet for the sake of this test My adversary also had to be allowed to exert his influence on him.... And the human being succumbed to this influence.... He deserted Me for the second time, and this was the first fall into sin on this earth.... the original sin which is known to humanity, even if it does not know of the apostasy of the spirits from Me.... But only the latter explains everything.... For the first human being could not have fallen had he been the first created being externalised by Me, as he would have been in full possession of strength and light since only perfection can emerge from Me. In that case he could not have been influenced by an opposing force.

But the reason for his fall is to be found in the apostasy of the spirits and thus in the still immature human soul which could indeed have passed the test but was not obliged to pass it.... Nevertheless, the human being was in possession of intelligence and free will and therefore also had to accept responsibility for his soul.... And thus the human being has to do penance for his guilt.... My adversary kept his authority over the spirit embodied in the human being, and that means a laborious path of struggle and suffering during every human being's earthly life with the goal to free himself from his control.... The human being is able to achieve this goal because Jesus Christ came to help humanity which was weakened by Adam's fall into sin, and therefore salvation is assured to everyone who recognises Him as Son of God and Redeemer of the world and follows Him willingly.... The first human being would have been able to build the bridge on which all his descendants could have reached Me.... but since he fell, humanity still had to remain in Satan's bondage for a long time until the arrival of the Saviour, until Jesus Christ descended to earth in order to build a bridge into the spiritual kingdom by way of His suffering and death.... by way of His crucifixion....

(02.11.1953) The decision of will demanded of My first created being.... of Lucifer.... was by no means to be regarded as a commandment; rather, it was entirely left to the being's choice to direct its will either way, and the direction of its will was totally based on its yearning for power and dictatorship. It was certainly aware that it had originated from Me but believed that it could also rule on its own because it could not see Me.... It recognised Me as its source but it did not want to acknowledge Me.... And this will was not placed into the being by Me but the being itself had changed the free will I bestowed on it.... This was the difference between the first fall of Lucifer and the first human being's fall into sin.... because the wrong will was still in the human being and therefore I gave him a commandment which he should not transgress.... a commandment he could easily have kept had the opposing spirit not influenced him. The opposing spirit's influence on the human being was so strong because the human being was still part of him.... since he had not yet regained perfection, which would have made a fall impossible.

A perfectly created human being could not have fallen, that is, he would not have been able to violate this commandment, because the perfect spirit in the human being would have prevented him from every God-opposing action.... But the creation of the human being was only the consequence of Lucifer's fall and his followers, or it truly would not have been necessary for Me to give the spirits, who had been brought into life by Me, an external form as a cover. The human form, however, contained the fallen spirit, and therefore the human being Adam was already burdened by the past sin which he nevertheless could have pushed away had he kept My commandment.... It would have been

possible for him to redeem the inherited sin.... his fall delayed the fallen spirits' return to Me for an infinitely long period of time again. Yet it has become possible through the act of Salvation by the man Jesus Who did, without any commandment on My part, what the human being Adam should have done.... to completely accept My will and through a life of love unite with Me again on earth and achieve full possession of strength and light....

Amen

The bridge from the kingdom of light is Jesus Christ....

B.D. No. 5421

June 26th 1952

Let it be said to you in the name of the crucified Saviour that the kingdom of heaven opens to anyone who acknowledges Him as the Son of God and Redeemer of the world, but that it remains closed to anyone who does not want to acknowledge Him.... You humans should know that before His crucifixion the two worlds were strictly separated, which are known as the kingdoms of light and darkness, that they were two completely different realms which had no connection with each other because they were completely opposed to each other. One explanation for this can be found in the created spiritual substance's complete turning away from God, which then gave rise to a world in God-opposing order, whereas the spiritual substance which stood **by** God remained in the divine order and thus also in a realm of perfection, light and unrestrained strength.... There could be no connection between these two worlds because the contrast was too great, because the distance from God had to have a negative effect in every way, it would be a striving towards **opposite** poles, so to speak, but **one** pole would never be striven for.... There was no connection whatsoever between the kingdom of light and that of darkness, which becomes even more understandable by the explanation that the **ruling** powers of both realms were completely opposed to each other and pursued completely opposite goals.... : highest perfection in freedom and light and power, and gagging of the spiritual destined for highest work.... Thus there was an unbridgeable gulf between these two worlds which could never have been bridged by the darkness but could have been bridged by the spiritual world which remained in divine order, whose inhabitants were cognisant and therefore also knew of the only possibility to build a bridge.... A being from the spiritual world had to venture into the dark spheres and from there initiate a path which could then be travelled by every being who wanted to enter the kingdom of light. This being which had descended from above had to establish the divine order by first living in this divine order itself and then informing the inhabitants of the dark world, the people on earth, of it so that they, too, inspired by His example, would lead a different way of life than before, so that they, too, would strive in the same direction as the man Jesus, Whose goal was in the heights, that is, the return into the kingdom which He had left for the sake of the people living in darkness.... The will upwards always finds the right path, but this will was lacking in people, it was directed downwards, for the activity of negative forces is always successful in the kingdom of darkness and these forces only pursue the one goal of depriving the being of all realisation in order to prevent it from returning to God. The being's will **could** put a stop to the prince of darkness and his activity, but it does not do so.... Man himself is so weak and exposed to every unfavourable influence without resistance.... Which is what the world of light knew about, and a primordially created spirit offered to oppose the evil influence of God's adversary with His will and His love.... Now two children of God, two images called into being by Himself, fought **against** each other, because they were no longer of the same will and love, otherwise they would not have faced each other as **opponents**.... Yet this battle had to take place in such a way that the being of light first donned the shell which robbed it of its divine strength.... It had to fight as a **human being** against the one who had caused all fallen spirits to turn into humans.... If He was stronger than the latter, then his power was also broken, then there was also hope for people to defeat God's adversary and then a path was paved which would lead back to the Father's house. The soul of the man Jesus, Whose body was indeed earthly, brought something from above and radiated it on earth.... divine power of love.... **Love** is not taken away from any being, it can be ignited at any time, but it can also be suffocated by one's own will.... And this love is the bridge to

the kingdom of light, for love is directed upwards towards God, Who is eternal love Himself. Love always seeks the pole of love and is never active in opposition to God. Love moved a being of light to descend to earth and love remained in contact with eternal love.... And the bridge was established between the kingdom of light and the kingdom of darkness through Jesus Christ. But it cannot be seen by the beings on the dark earth who do not make use of His guidance, who do not join Him in the belief that they have found the right guide to the kingdom of light, who do not reciprocate His love, who do not recognise in Him the Master Who defeated His adversary and who gratefully submit to Him in return, who do not see in Him the One Who is Lord over life and death, over light and darkness.... who do not acknowledge Him as the Son of God and Redeemer of the world.... The gulf between the kingdom of light and the kingdom of darkness will irrevocably remain for anyone who does not take the path which Jesus Christ has opened up to him and which alone leads to the Father.... For he is still completely under the influence of God's adversary and will not be freed from him until he is willing to enter into the law of eternal order, until he gives up his resistance and allows himself to be redeemed by Jesus Christ, Who alone is the way to the Father.... Whose infinite love found a way that leads out of darkness to the light....

Amen

Was Jesus' soul already incarnated before God's human manifestation?....

B.D. No. 8750

February 11th 1964

Time after time I want to reveal My love for you by introducing you to knowledge which will make you very happy, because like a bright light it will unveil things to you which previously were obscured by darkness.... and because your degree of awareness will be raised again, which also signifies a maturing of the soul. For love always will and has to be the foundation for the conveyance of My Word, I could not address you if a certain degree of love were not present, and thus this love will let the light of realisation shine ever more brightly within you. You are still occupied by questions which only I Am able to answer, because only I know the regions you wish to understand better:

All elevated, previously **not-fallen** spirits also incarnate on earth in order to take the path through the abyss for the purpose of attaining the highest goal.... the childship to God. And for this purpose they have to live on earth in the flesh, they embody themselves as a human being and live their earthly life just as every once **fallen** original spirit. They, too, have to struggle and resist all temptations with which they are confronted by My adversary's side.... Thus, they must have passed in truth 'through the abyss' in order to then.... when they are recalled.... return as a child of God to Me, their eternal Father.... And beings of light have descended at all times in order to help people who, as once fallen beings, should achieve their return to Me.... The light beings' love is very strong and profound so that they are always helpful and only ever intend to return My lost children to Me. And I do not stop them if they want to descend to earth in order to bring help, which is always needed. But the beings had always come from Me, permeated by My light of love they were living creations of utmost perfection who, with the same will as Mine, work with Me in the spiritual kingdom as well as on earth when they descend for the purpose of a mission. No being of light will ever exclude itself from a mission of bringing light to the earthly inhabitants....

And thus the soul.... which as the human being Jesus accomplished the act of Salvation on earth.... was also such a spirit of light who had initially emerged from Me as a light ray of love to which I gave independent life.... This spirit had accepted a unique mission because he had realised from the start that the fallen beings needed Him, because he realised from the start that the first human being would fail and that he, therefore, as the 'human being Jesus' wanted to help humanity.... He was indeed, from the start, also actively involved in the creation of the material world, for My will and strength flowed into all beings who had remained loyal to Me and who therefore were active as independent beings in infinity. This soul, too, had descended to earth (this soul, too, had **already previously** served Me as a spirit of light), and it established a connection between the people and God, that is, it came to people

as a spirit of light and thus enabled Me Myself to audibly speak to people through this soul.... Hence this spirit of light served Me as a cover, nevertheless not physically, albeit certainly temporarily visible to people but not permanently, in as much as that He did not live on earth as a 'human being' but only worked amongst people apparently having the same physical substance, and yet he was and remained a spiritual being Which disappeared again from sight of those whom It helped through instructions and discourses.

Elevated beings of light indeed embodied themselves **physically** on earth too, and as representatives of Myself always also proclaimed My will to people, for it was necessary to provide them with the information about why and for what purpose they lived on earth in spiritual hardship. Nevertheless, a distinction has to be made between the earthly life of a being of light as a **human being** and the appearance of a spirit of light through whom I communicated Myself. In that case the spirit of light was not **My** visible external cover... as was the case with the human being Jesus.... but he only served Me to proclaim My Word to people in a natural manner, for I could also have addressed people from above but then they would have lost their freedom of will.... Thus I always availed Myself of an external form which could either be a physical or a spiritual human being. However, the former lived his life on earth as a **human being**, whereas the latter was only temporarily visible to people because they urgently required My Word.

Consequently, if it is said that Jesus' soul had repeatedly incarnated before My human manifestation you should only ever assume a **spiritual** appearance when I Myself.... love.... wanted to express Myself to you humans and thus I chose a spiritual cover for Myself in order to manifest Myself to people. Whereas an embodiment of Jesus' soul in the flesh **before** My human manifestation did not take place, although I was also able to express Myself in the Word through a human being if he thus had descended to earth from the kingdom of light. Jesus' soul was chosen to enable My human manifestation on earth, and this soul was truly the most elevated spirit of light Who, as first-born Son, had emerged from Me.... that is, from My strength and the will of the one whom My greater than great love had externalised as first-created being. I Myself, as the Eternal Spirit God, manifested Myself **only in Jesus**, in this highest soul of light.... But it had already served Me as a spirit of light previously in order to enable Me to speak to people, who nevertheless had a high degree of maturity which enabled Me to send them such beings of light through which I Myself could address them directly.

But the fact that untold beings of light had also been embodied as human beings prior to this which likewise upheld people's contact to Me, which brought My Word to them, which, in a manner of speaking, lived on earth as a mouthpiece for Me, should be accepted as truth but should not lead to misguided notions, because **Jesus' soul** was chosen for My human manifestation, since it had offered itself from the start for this act of compassion in the awareness of the first human beings' failure....

It is wrong to say that I as 'God' have already incarnated several times.... For My human manifestation in Jesus is and remains a unique act, which humanity is unable and even the world of light is only barely able to grasp, the likes of which has never before and will never be evidenced again afterwards. For Jesus was not **one of many** but He was the One Who was to become for you humans and for all beings in the kingdom of light the visible God, Whom I have chosen for Myself as cover which shall remain eternally visible....

And this being had an exceptional status, for His love.... as the first spirit emanated by My and Lucifer's love.... was so immeasurably profound that only He could be considered for My human manifestation and thus a previous process as a human being on this earth was out of the question which, however, does not exclude that He, too, took part in creating the material world, for He knew about My plan of return and He always unreservedly accepted My will and as a being with an abundance of light and strength was also able to accomplish it. This being was so devoted to Me that it enabled the complete fusion with Me, that He and I had to be one, because I in Him and He in Me absorbed each other completely, and this therefore will unveil the secret of My human manifestation

in Jesus the moment the being has attained the degree of light again that gives him brightest realisation....

Messiah, Saviour of humankind....

B.D. No. 8353

December 12th 1962

From bright heights I descended to earth to carry My light into the darkness.... The sun of the spirit had gone down, no ray of light illuminated the darkness of night, and humanity suffered dreadful hardship. And those who recognised their adversity screamed to Me for help, they called for a Saviour to rescue them, for these few were not entirely imprisoned by My adversary, they lived a life of love and had not completely lost their bond with Me as yet, and thus appealed to Me in their distress to send them a Saviour. And so I sent My Son to earth.... A spirit of light, Who emerged from My love and remained loyal to Me when the host of original spirits deserted Me.... offered Himself for an act which was unique yet nevertheless brought redemption to all humankind.... He descended to earth and dwelled amongst the people.

He started His life on earth like any other human being but had accepted that he must fulfil a great mission: to shape Himself, i.e. His earthly shell, such that it could serve Me as an abode, because I wanted to tend to My living creations Myself, I Myself wanted to redeem their immense guilt with which they had burdened themselves due to their voluntary apostasy from Me.... This being of light, a child of My love, offered Itself to accomplish this act of atonement as a human being on My behalf and, as a soul, took abode in the infant Jesus and began His earthly progress, which was so incredibly sorrowful because His earthly body was intended to become spiritualised as well in order to serve Me Myself, the Eternal Love, as a dwelling. Even at His birth the world around Him was already able to recognise that this infant was the promised Messiah, for His great abundance of light broke through from time to time and expressed itself in extraordinarily profound speeches by the infant. Yet His soul was exceedingly harassed by My adversary who incited all spirits still belonging to him into taking possession of His body so that, due to this influence, the body became subject to powerful temptations against which the man Jesus subsequently had to fight so as not to succumb to them. Love gave Him the strength to do so yet He had to exert great effort, and the whole of His earthly life was a true path of the cross, which He nevertheless voluntarily took upon Himself for love of His fallen brothers, whose extensive hardship was known to Him. But His life was also an uninterrupted service of love, and since I Am Love Itself I was always able to be in Him and provide Him with the strength to fulfil the mission: to accomplish the act of atonement for humanity's immense guilt of sin

He was My Son, He was a soul of light which found complete union with Me on earth, which accomplished the work of deification which is the goal of every one of My created beings: to change from a 'living creation' into 'My child' which voluntarily accepts My will completely and thereby is able to attain the highest degree of perfection. Jesus was a non-fallen original spirit, and yet this deification had to take place in free will which was achieved by taking the path through earthly life.... the path through the abyss.... And thus His soul had to be exposed to all harassments on the part of My adversary, because he wanted to possess this soul too, whose fall he had been unable to bring about. And since the earth was his kingdom.... hence the kingdom of the fallen spirits.... Jesus' soul was exposed to all satanic instincts and harassments, and the human being Jesus had to resist them, in the face of all temptations he had to stand by Me as His Father of eternity, He had to make Me His comrade-in-arms and did this by constantly requesting My love and through His activity of love also received it, because love does not deny Itself and the great love of the man Jesus drew Me tremendously. And by virtue of this love.... for love is strength in itself.... He was able to put up resistance and continue with the act of Salvation until the end. The Saviour had been sent to mankind in truth; the Messiah had come as had been promised long before.... The light had descended to earth in order to illuminate the hearts of those who acknowledged Him, who recognised that I was in Him

Myself and wanted to bring people salvation from sin and death.... And the light penetrated the darkness.... In Jesus emerged a fighter Who defeated My adversary.... For His weapon was love, and My adversary fights against love in vain, he will always succumb to love for I Am Love Itself, and I Am truly stronger than the one who once plunged you into the abyss....

Jesus' soul....

B.D. No. 6642

September 11th 1956

Everything conveyed to you by My spirit will concur in its meaning.... It is certainly left up to people's own will to assign a different meaning to the Words My spirit reveals to you, in which case **such** a person is **not** spiritually enlightened, nevertheless, it cannot be claimed that contradictory spiritual knowledge was conveyed to you by **Me**. For the 'Spirit of God' does not err.... And where an apparent contradiction appears to be present clarification needs to be requested; I Myself must be approached for an explanation:.... The soul of the human being Jesus came from above.... A spirit of light descended to Earth, a being which had come forth from Me and remained with Me entirely of its own free will when a large host of created spirits fell away from Me and plunged into the abyss.... But this spirit of light had to fulfil a mission **as a human being**, He had to descend into an unenlightened region, thus he had to leave his abundance of light behind to begin with, which merely would have had a disastrous effect since the people on earth were incapable of accepting such a light from above, thus they would have perished in its radiance. A **human being** had to accomplish the mission.... the act of Salvation for humanity.... And this person had to be in the same environment as his fellow human beings, for the point was to show them a path, to exemplify a way of life to them which they should follow.... Consequently, Jesus, the human being, had to be **just as** human as they were.... And so He was, despite the fact that the soul had descended from the kingdom of light.... The soul, which sheltered in the body of the infant Jesus, was just as influenced in its thinking, wanting and feeling by its earthly shell like any other human being.... Thus, due to its surrounding environment as well as its external shell, the same passions and cravings had to be awakened, for to live earthly life as a 'human being' also meant having to fight against the same instinct from within and outside.... After all, the point was to strive towards spiritualising the soul, to achieve the unity of the soul with its spirit, which is the purpose and goal of every person's earthly life.... It was necessary to provide people with the proof that it was **possible** to achieve this spiritualisation on earth....

And so Jesus, the human being, fought and struggled in the same way.... which therefore necessitated a similar natured soul.... which had nevertheless descended from the kingdom of light in order to be able to serve God Himself as an abode, Who would never ever have been able to manifest Himself in a **sinful** soul.... For Jesus' soul was **without sin**, but this does not mean that it was entirely devoid of instincts and passions, for no matter how strong these weaknesses and passions of His were, no matter how strong the temptations approaching Him were, He resisted and was able to resist them because His love was also strong and this gave Him the strength for resistance. The soul of Jesus, the human being, left the light behind and entered the darkness.... And countless earthbound souls adhered to this soul, thus they besieged it in the same way that every human soul is besieged by dark forces.... Since Jesus had to travel the path as a human being, the soul was unable to push these beings away, instead it had to try to overcome them by means of a demanding battle, it had to muster the will not to **give in** when it was tempted. It was able to muster this will by virtue of the love it had **not** left behind, which was and remained its share because it was divine strength, with the help of which Jesus, the man, was intended and able to accomplish His mission.... but which would also enable **every** person to be victorious if only he would kindle and nourish the love in himself.... Time and again it must be stressed that the act of Salvation had to be accomplished by a **human being**, that Jesus at first should only be regarded as a human being, Who succeeded in spiritualising Himself on earth.... and that this human being had therefore entirely subordinated himself to natural law, that His physical body was like that of every other human being and that His soul was not allowed to defend itself either when

impure spirits took possession of it.... However, at no time did He allow these spirits to gain the upper hand, because His will prevented this and because through love He also managed to find the necessary strength. Nevertheless, He had to struggle like every other person, for He should and wanted to be a shining example to them, He wanted to show them the path which they, too, could take in order to spiritualise themselves while still being on Earth. For only that which was also humanly possible could be expected of people.... If Jesus would have had strength at His disposal which was entirely impossible for people to acquire, He would never have been able to say: 'Follow Me....' Yet this never excludes the fact that His soul came from above, that it had been a soul of light, in which God Himself took abode and was able to do so because it was pure and without sin, since love gave it strength to resist all temptations....

What did Jesus' body consist of?.... I.

B.D. No. 8586

August 14th 1963

Nothing is impossible to Me, your God and Creator.... Everything I want, happens, and what I want to create instantly appears in front of Me as an accomplished thought.... I have no limitations, neither concerning ideas nor executed actions, be they of spiritual or material substance. For basically **everything** is spiritual substance, regardless of whether you see physical or spiritual creations. But how this substance is natured can only be judged by Me Myself.... Only I know whether it is spiritual substance which had once fallen away from Me and had hardened into solid matter or whether it is My directly emanated spiritual strength which took on a shape according to My will, for I can use any strength to change or form all kinds of works of creations. I can also give My directly emanated strength those characteristics which cling to the sinful spiritual being if it, in its final form as a human being, shelters a soul for the purpose of attaining perfection.... A body created by Me of non-sinful spiritual substances can, through **My will**, experience a state of weakness or incorporate characteristics which adhere to all other bodies if it serves a specific purpose.... **Everything** is within **My will** and within **My power**.... But through contact with the world, with matter... which is impure spiritual substance.... everything of a pure, divine nature will always be influenced by the latter and experience problems, and since Jesus' act of Salvation involved an extraordinarily important mission, impure adverse forces made a special effort to exert influence on the purely Divine, Jesus' external form. For this divine-spiritual emanation of strength, which His body has to be regarded as, did not take effect by destroying or preventing everything of an adverse nature.... instead, it was sufficient to render the same resistance, like any other external form should, by pacifying the encroaching spiritual substances and thus waging the same battle against all temptations, for as a human being Jesus wanted to **exemplify** the kind of life which **all** fellow human beings should live in order to release themselves from the forces of darkness.

However, the fact that Jesus' body consisted of earthly matter cannot be denied: nevertheless, this earthly matter was a product of My love, wisdom and might, its substance was not taken from a fallen spirit but My emanated strength which My will compressed into shape.... Even so, the demands it imposed on Jesus were by no means less arduous, for as soon as strength from Me comes to earth.... hence, as soon as perfect spirit enters My adversary's realm, it will be besieged by unspiritual substances and all substances which clung to Jesus' soul and more or less took possession of the body were meant to be redeemed. Thus He had to fight so as not to succumb to them but without using His strength beyond human means since He was meant to serve people as an example and, therefore, Jesus the man was not granted any privilege due to extraordinary strength.... As a human He had to be like all other people, and even the fact that His body was a product of My strength did not give Him any advantages in His striving for deification.... It was nothing more than a shackle which continuously tormented His soul, because it was used to freedom and the brightest of light and had to take abode in darkness.... And this darkness also inundated the body, causing it much pain which was felt by the soul and yet it could not be spared for the body. For as a result of His love Jesus recognised all correlations

and was resigned to His fate, which He exactly foresaw and through which alone He already endured indescribable pain. Nevertheless, complete deification **could** only be achieved by extraordinary suffering and an abundance of love.... And the fact alone that a pure body without sin and a soul from the kingdom of light had to reside in the realm of the prince of darkness contributed towards that, because they constantly had to defend themselves against him and his forces, which made every effort to tempt the body into becoming sinful in order to cause the downfall of Jesus, the human being, albeit he did not succeed. However, it was a hard fight, and yet, Jesus the man prevailed and thus provided all people with proof that through love they **also** acquire the strength in order to resist all temptations by the adversary. Besides, through His crucifixion He also acquired the grace of greater willpower for you humans, so that it is **possible** for all people to release themselves from the shackle of their prison warden, so that they will not be at the adversary's mercy but find help in Jesus Christ in Whom they can confide and Who nevertheless understands them as human beings and will truly snatch them from the adversary's control if they appeal to Him, for He knows how much he torments your body in order to prevent your soul from maturing.... He is aware that the battle in earthly life is hard because the body still belongs to the adversary, who does not want to release it, but Jesus made the sacrifice on the cross for you so that you can become free, He redeemed you through His blood so that you will be released from all sin....

Jesuschild God and man....

B.D. No. 4175

November 25th 1947

Call for clarification, and it will be yours.... On whom the spirit of God falls, the one can also truthfully give answers to questions, that are put to him in spiritual regard. It is the mystery of the incarnation of God such a difficult problem for people on earth, that they can be taught never completely, unless they take even the declaration in receiving the spirit of God, so that they are understood well by the receiver of spiritual messages, but can not be forwarded to the neighbours understandably.... The man Jesus was born in a wonderful way indeed, and His birth was accompanied by heavenly appearance of any kind. Nevertheless the body was and remained earthly material for the time being; the soul came from the kingdom of light and thus came without sin into the world, and consequently God could reveal Himself by this soul, He could act, because there was nothing, what would have opposed itself as an obstacle to His work. So God and man was in the child Jesus at the same time.... everything the human eye could see was a human being, but Who gave the child life, Who attracted people and caused them to worship by His nearness, was God. The eternal Godhead self revealed Himself and was recognized by those, who were goodwill, whose hearts were capable of love and love willingly and therefore they opened themselves for the spirit of God to act in them. By the time of the birth of Jesus only people came near Him, who were guided to Him by the spirit of God, who were also appreciated by God Himself, to view the child, whom He Himself approached through the child and where He awakened the consciousness, to be in the nearness of God. But another man than such people the child would appear purely humanly, not otherwise as other children, as well as it was with His earthly body. And so the people saw Him in His youth and in later years, for He did not appear obviously with His divinity, with His being filled with the spirit of God, although He Himself always united more and more with God by His exemplary life of love, which also spiritualized His body and made it a receiving vessel for the divine spirit. But it was the man Jesus, Who Himself had to make a worthy temple of God's spirit by activity of love, that this could conceal in Him in all fullness and could work through Him indefinitely. What He spoke, was doing miracles and even commanded the death, was God Himself, what people were seeing, was a human being.... The belief in the divine mission of the man Jesus let the people also recognize God in Him, both as a child and in His years of teaching, where these recognized Him likewise again, who were themselves the same spirit, who led a life according to the divine will and therefore also opened up to His divine being. For them, it was without doubt, that God Himself was in Him and worked through Him. But

sometimes the human outer form let even arise doubts in those, because they could not understand the mystery of the incarnation of God and the mystery of the complete unity of God and man, as it can also never be completely clarified to the people, who are not spiritually lively. These would probably be able to grasp it with their soul, but it can never be purely rationally shown, as it would be necessary for a full understanding. But never and never the child Jesus can be denied the deity, because This child was worthy of the highest grace, that God Himself hid in Him, that He revealed Himself to those, who loved Him and lived according to His will.

Amen

Jesus' life before His teaching ministry....

B.D. No. 8486

May 3rd 1963

I will always educate you in all truthfulness, as soon as you desire it.... And I will also always answer the questions that arise in you, because you only desire the answer for the sake of truth.... that is, you would like clarity where various opinions prevail.... If I give you the instruction to spread the truth, you shall also always receive an explanation, no matter what it is: The earthly path of Jesus, the man, can no longer be verified, only by spiritual means can you humans be informed as to how and where Jesus spent the years which preceded His actual work as a teacher.... Even so, it is certain that he lived a very simple life with His family and that He always remained reticent even within the circle of people who frequented His parent's house.

He kept away from all festivities, as well as larger gatherings; He always kept Himself to Himself and inwardly matured as a result of His exceptionally helpful attitude towards His needy fellow human beings.... For His heart was full of love and this love increased His wisdom, knowledge revealed itself to Him so that He clearly recognised everything.... even though in the beginning this inner light came to Him in a flash only to withdraw again for a while, and then He spoke and thought like everyone else again, yet in His knowledge He was far more advanced than His contemporaries. However, He refused to accept instructions from people....

You humans may well believe that love is the best teacher and that someone.... who correctly develops his love will gain inner knowledge which can never be offered to him so comprehensively by another person.... You should know that Jesus' soul had come from the kingdom of light, that it had indeed forfeited the light during its life on earth but not the love within itself because, as a purest being of light it was illuminated by My eternal Fatherly love.... As a human being the light of love could not shine in abundance, because His fellowmen would have been unable to endure it, yet in Jesus the man it glowed on and revealed to Him all knowledge, on account of which He soon recognised humanity's immense hardship and His mission and consciously prepared Himself for this....

But you also know that He already preached in the temple as a boy.... that He gave answers to the scribes which took them aback.... Thus it testifies to the fact that He already possessed knowledge as a boy which He was not taught by people but which was caused by the bright flame within Him.... His love grew ever stronger and thus His wisdom increased.... and the Pharisees and scribes already treated Him with hostility because He wouldn't allow Himself to be taught by them, instead He stayed away from every school....

No records survived for future generations about the time between His sermon in the Temple and the beginning of His actual ministry, and therefore many different assumptions and descriptions are being advocated, as worked out by human intellect.... The reason why no records exist is because Jesus' life proceeded quietly in His parental house, because He seemed to have lost all divine abilities during this time, He stepped out of public view and led a very secluded life and, as a carpenter's son, also worked in His profession as such.... Nothing extraordinary happened to Him, for during these years Jesus had to mature as a 'human being' because He wanted to exemplify to people the way of life which leads to full maturity, to perfection....

Throughout this time His life was quiet, He did not possess any remarkable abilities, in fact, He gave the impression of a simple-minded person, because He withdrew from all people and only ever gave short answers and even the usual worldly knowledge seemed unfamiliar to Him.... Most of all He avoided contact with those who belonged to the Temple and whose task it should have been to provide spiritual guidance to people.... And so, soon there was no-one in His environment.... not even His close relatives.... who were still convinced that the once so extraordinary child had a divine mission....

This time of Jesus' life on earth had been especially grievous, for what was no longer externally visible was nevertheless deeply hidden within, it is just that Jesus had to deal with it Himself, He had to come to terms with everything as a human being, He had to fight as a man against all inner cravings and passions which besieged His body just like all other people.... He had to suffer and fight and mature through being of service.... For by virtue of His love, which emanates wisdom, He soon realised all correlations and He knew that He Himself first needed to attain the degree of maturity which would enable Him to accomplish His mission....

And He covered this process of development in silence and solitude as a plain carpenter's son.... Who did not leave His hometown, Who often merely looked for solitude for the purpose of attaining inner maturity by withdrawing into remote regions, by climbing hills and frequently staying alone for days, only in contact with His God and Father and remaining in prayer for strength and fortitude for that which was ahead of Him, which He often saw before His eyes in great detail and which plunged Him into dreadful states of fear. During these times He turned to Me in search of help.... And I was with My Son, I gave Him strength and granted Him increasingly brighter realisation, so that He time and again offered Himself to complete the work which was intended to bring humanity salvation from sins and death....

However, the notion that the man Jesus acquired more profound knowledge through association with philosophers and teachers in foreign countries is completely misguided.... Who else could possibly have taught Jesus better than I Myself.... But I Myself dwelled in Jesus, the human being, as a result of His boundless love.... It is an absolutely absurd idea that Jesus would have needed instructions from another person.... in order to then be able to undertake His teaching ministry on earth in His country of origin.... If you humans have proof that I Myself convey the truth to earth providing specific preconditions exist.... how much sooner was Jesus therefore able to be taught by Me directly, after all, His love and total devotion to Me surpassed all of you.... Only someone who has no idea as yet about the consequences of a life of love, can make such allegations that Jesus had acquired the knowledge in other countries in order to appear as a teacher, that He had to visit other people in order to study their doctrines....

That which I evidently allow to happen to a simple earthly child: that I convey to it through the spirit the pure truth from above, you humans must truly grant the man Jesus as well, Who descended to earth in order to let Me Myself speak through Him to you, Who really did not need any teachers, instead, He accepted the most profound wisdom from Me directly and through these instructions became suitable to teach and to impart the pure truth to His fellow human beings.... And now you can also accept these very Words of Mine as purest truth, after all, it is My will that you should not live in error and that you shall receive an explanation where you yourselves are still lacking knowledge.

Most of all, it concerns the fact that you humans gain a clear impression as to Who Jesus essentially was and why He came into the world and grew up in the humblest and poorest circumstances.... For although He was as human as anyone else, He nevertheless proved to people that every person can develop the highest spiritual abilities in himself and that the knowledge He possessed and imparted to people came from within Himself.... but that He never had the need to be educated by others or to take notice of doctrines, since everything was, after all, known to Him, otherwise He would not have attained the highest perfection on earth which resulted in complete unity with Me, so that He became as One with Me.... in Whom I Myself became a human being in order to redeem you....

Amen

Whoever sees Me sees the Father, because the Father and I are one.... I brought the Word to people but they did not recognise it as God’s Word, as the expression of His infinite love for His living creations. They looked at it as human word, given to them by Me from Myself, because they were dark inside and did not know about God’s working within the human being.... Hence they could no longer hear God’s voice themselves, which could have provided evidence to them of God’s presence, of His essence and his close relationship with people. I, however, wanted to return this knowledge to them, I wanted to introduce them to the strength of love and faith, so that they might become noticeably aware of God’s presence if they heeded My teaching.... I came to them as a mediator sent by God to proclaim His Word to people of good will in accordance with His instruction. The eternal Father-Spirit took abode in Me to visibly work through Me.... Everything I said and did was His work, His will, His strength and His love.... I was merely the form through which God expressed Himself, or His presence would have been unbearable for the people who were living in profound spiritual darkness.... And the form which veiled the Father-Spirit also belonged to Him, for everything within Me aspired towards the Father-Spirit, albeit it was a mortal shell like any other human being.... But because of the spirit within Itself It became immortal....

I was Jesus, the man, but only in My external appearance, because everything in and about Me was spiritualised by love, it was united with the eternal love to which I was inseparably connected since eternity. God as a spirit is not visible to human beings, nevertheless He made Himself visible to them in Me as a person, He adopted My physical garment and showed Himself in it to people, identifying Himself as wisdom, love and omnipotence. And to those who believed in Me My work on earth gave evidence of the Deity through miracles, which were only possible to God and which My will could accomplish because God was in Me, and thus His will, wisdom and strength permeated Me.... Hence there was no further separation between God and My mortal body, It had become one with Him, He occupied it completely, He Himself walked on earth in My external form, which in turn was a work of His love in order to make Himself accessible to people.... And I brought His Word to them.... He Himself spoke through Me, He, the eternal Word Himself, had become flesh in order to make Himself heard by people. Because they no longer knew the mystery of eternal love, the eternal Father-Spirit, Whose Word establishes the bond with people....

They no longer knew about the strength of the Word which draws everything towards Itself when it can become effective in a person.... They did not know that every human being could hear the divine Word Itself in himself if he shaped himself to love in accordance with God’s will, in order to receive the divine love Itself.... For this reason God came to earth Himself, and He brought them the knowledge again which should release the people from their darkness.... And people did not recognise Him, they pursued Me, Who sheltered the Divine inside of Me, as a human being.... And I had to allow it to happen in order to safeguard their free will. I brought the Word to them but they did not accept it, and they did not recognise in Me the One Who permeated Me completely.... They saw Me but not God in Me, Who did not conceal Himself from their view but performed signs and miracles in order to make the blind see again.... But to those who believed He revealed Himself in His love, wisdom and omnipotence.... And they saw Him rise to heaven in full glory, they saw His shell spiritualising itself before their eyes and in radiating light ascend to the kingdom which had been its home since eternity....

Jesus' battle against temptations....

B.D. No. **7056**

March 5th 1958

My earthly life, too, was subjected to the same temptations and battles which you have to overcome.... I, too, had to struggle in order to bring all substances of the earthly body into the

right order. I, too, knew and had to fight against cravings, for I was afflicted by the same weaknesses which cause you problems and only My inherent willpower mastered them. Hence I used force on My body, I did not allow it to gain control over My soul but prevailed over it and was able to do so by virtue of the love which flared up in Me as I lived among the enslaved human race.... I saw the adversity around Me which aggrieved people both in an earthly way as well as spiritually. And the burning desire to help them arose in Me.... For that reason I paid no attention to the body's desire in Me, I did not oblige it, for I knew, had I paid attention and satisfied My physical cravings, I would only have weakened in My willingness to help.

However, it was a difficult battle, for temptations besieged Me from all sides and the human nature in Me sought fulfilment.... But My soul turned to God, the stronger the temptations became the more it looked for the connection with the Father, and therefore it also received increasingly more strength, because this bond never remained ineffective. My life on earth was truly not an easy one until the complete unification with the Father-Spirit had taken place.... For I was as human as you and first had to do that which is also **your** task: to develop love to utmost perfection in order to thereby be able to give access in Me to the fullness of God.... the Eternal Love.... thus to find the ultimate union with Him, which is your goal on earth too. And even though My soul had come from the kingdom of light, it was nevertheless exceedingly besieged by its body of flesh, whose matter was the same as your body and thus also consisted of spiritually-immature substances which were still under the adversary's control, which he constantly impelled into all kinds of cravings and passions. The fact that I did not succumb to them as a human being was only achieved by the love in Me which strengthened My will to resist. And staying in dark and sinful surroundings also gave the external evil spirits an opportunity to besiege the body and to entice it with make-belief images which were intended to confound the senses and weaken My resistance. But I was not allowed to push these evil spirits aside.... I had to try to pacify them, I also had to let love come to the fore because I realised that they, too, were pitiful beings under the adversary's control which should also be released from him one day. And therefore I did not use force against these evil spirits but had to exercise patience and gentleness, I had to resist them and calm them down through My willingness to love until they let go of Me by themselves....

I was a human being and had to fight and suffer like a human, because all this was part of the act of Salvation I wanted to accomplish for My fallen brothers.... For at the same time I also wanted to show people how they can master their weaknesses and cravings, I wanted to exemplify to them the life which should help them gain freedom and achieve unification with the eternal Father.... I wanted to prove to them that it is possible to resist all temptation with the strength of love, that love is the first and last condition in order to live earthly life successfully, to become perfect and to unite with God.... The love in Me made Me, as a human being, realise the cause of the wretched state, just as you humans can only gain the right understanding through love. And the love in Me also gave me the strong will to carry out the act of Salvation on account of which My soul had embodied itself on earth.... As a human being I knew that I would only be able to accomplish this act with the strength of God's love, and therefore I called for 'Love', I beseeched It to give Itself to Me, and thus also shaped Myself appropriately to receive God's strength of love in Me.... I tried to resist all cravings, I denied entry to all impure thoughts the adversary wanted to awaken in Me, time and again I confronted him with My love from which he had to flee, and thus soon only love filled My heart. I formed an increasingly more heartfelt bond with the Eternal Love Which gave Itself to Me and thus also made Me become increasingly stronger, so that I approached the final goal of My earthly existence with a firm will. Yet the adversary did not stop besieging My body time and again with ever fiercer temptations as My intention became more evident to him.... And I had to fight him until My end.... time and again My human nature emerged in Me so that, in My weakness, I prayed to the Father 'If Thou be willing, remove this cup from Me....' But the bond with the Father was stronger and I utterly succumbed to His will.... I foresaw humanity's boundless misery and the love which constantly grew more powerful was ready for humanity's rescue mission.... A human being suffered and died the death on the cross, yet this human being was merely a shell for Me Myself, I was able to take abode in Him, and it was **Love** which accomplished the act of Salvation, it was **Love** which redeemed humanity's guilt of sin and this Love was I Myself....

Jesus' spiritual mission....

B.D. No. 6985

December 5th 1957

When you have recognised Jesus' exalted spiritual mission then you will also understand why the divine Saviour must constantly be mentioned, because an ascent into the light is only possible when the human being has been released from his original sin. People are not aware of this original sin, consequently they do not know the meaning of the act of Salvation either.... They cannot find the connection between the crucifixion of Jesus the human being, in Whom they might perhaps believe, and the beatification of people.... And many people reject Him because they were merely told of this act of Salvation but it was not truthfully explained to them. And yet, such an explanation can only be given to those who sincerely want clarification, and there will only ever be few people who want this. Because even the most lucid explanations are incomprehensible to people who do not glance into the spiritual kingdom, who only acknowledge the physical world and anything that can be seen and proven to them. But the mission of Jesus the human being was not an entirely earthly issue, although it took place in full view of people....

It had a profound spiritual reason and as long as people are not aware of this they cannot face the divine Saviour Jesus Christ as guilty brothers who burden Him with their guilt, who ask Him for redemption. And yet this request has to precede their salvation, consequently they have to know about their guilt of sin, about the immense offence against God which had led them into sin and which could not be redeemed except through the great sacrifice of compensation by the human being Jesus. Hence, as long as people do not feel that they are sinful they will not take the path to Him, to the cross, with their guilt. And until then they will not acknowledge the divine Saviour Jesus Christ either. Only the knowledge of their original beginning, of their former nature, and of their resistance to God, can give them the understanding for the achievement of Salvation by Jesus, Who had lived in such a way as a human being that He could receive God Himself within Him. Thus the act of Salvation was accomplished by Eternal Love, Who wanted to liberate Its living creations from the constraints of Its opponent.

This description will make Jesus' mission more plausible to people than merely talking about the sins they have committed during their lifetime and which often appear too small to justify such an achievement of Salvation in order to redeem these sins. Of course every sin is an offence against love, thus an offence against God.... but the original sin of the former apostasy from God was so immense that the beings themselves could not have redeemed it in an eternity. It is not possible for you humans to understand this.... But a huge sin like that also necessitates a huge expiation, which was indeed achieved by a 'human being' but only because this human being incorporated God within Himself, thus the strength of God had enabled Him to do so, but this strength was only 'love'.... God's fundamental substance....

As originally created beings people had once rejected God's strength of love and thus were entirely without strength....

However, the man Jesus consciously accepted God's strength of love and used it to accomplish an act of mercy for His fallen brothers.... to make

Amends for their guilt. Nor do people know that their existence as a human being on this earth is the result of this original sin and that they will indeed return to their original state again one day, but not without acknowledging the One, Whose immense love had redeemed them. Because their apostasy from God was a deliberate 'turning away from Him' which necessitates a deliberate 'turning towards Him again' in order to establish their original relationship with God once more. It is a tremendous blessing that this knowledge is given to people, which everyone should make use of simply by considering it and by accepting as truth that which has been imparted to him. Then he need only turn to the 'Jesus the human being' and speak to Him in thought.... And He will reply to him as 'God', He

will help him to recognise his guilt correctly and take it from Him, if he admits to it and requests His help....

And every single human being can become aware of the fact that he must have done something wrong at some time, if only he considers that he is an imperfect, weak and ignorant being and seeks to discover its cause. For no such inner question remains unanswered, it merely has to be asked, but most people refrain from doing so, yet callously spurn any mention of the divine Saviour as well as His great spiritual mission when they are made aware of it. But time and again God will proclaim the divine Saviour Jesus Christ to humanity, and all His servants working for Him on earth will constantly preach His name and His Gospel with ever growing enthusiasm, so that all will be released from their guilt who listen and enter into sincere contact with Jesus Christ, in Whom God Himself had become human in order to redeem what is constrained by His adversary....

Jesus had prior knowledge of His act....

B.D. No. 6088

October 24th 1954

I wanted to suffer on your behalf and therefore consciously prepared Myself for dying on the cross.... I was aware of the exceedingly arduous path of suffering I had to take in order to redeem you from adversity and death.... I foresaw everything, nothing I had to endure was hidden from Me, and yet, I walked towards it.... I did not defend Myself, I did not escape the danger but consciously approached it. I not only foresaw the sequence of My act of Salvation, I foresaw the weakness and bondage which kept My living creations down in immense adversity and to whom I could only bring deliverance through My suffering and death on the cross....

Everything stood brightly and clearly before My spiritual eye, the brutal power of My adversary, the fallen beings' abysmal distance from God which constantly increased.... I saw pitch-black darkness on one side and brightest light and happiness on the other.... I had come from the light and also wanted to carry it into the darkness, yet this necessitated a bridge, I had to offer something in exchange in order to be entitled to lift the tormented souls out of the abyss into the light.... I had to use **My** life in order to buy life for the wretched creatures. The path of self-sacrifice was the only option.... the sacrifice of the highest good I possessed.... My life, for the sake of love for those who were dead as the consequence of sin. I had to pay for their life with **My life**....

Everything stood brightly and clearly before My eyes, for this reason I already suffered dreadfully before, because, being human, I was created with the same emotions as you.... with the **fear** of death, of the appalling suffering and of Myself, that I might get exhausted, that My strength might not be enough and that My fallen brothers would have to remain in the great adversity were I to fail....

However, the nearer the day of the happening came the more My strength grew.... My strength grew like My love for the wretched human race, whose hardship I recognised every day more.... And even though I was sporadically seized by weakness in view of what was ahead of Me, My will nevertheless did not weaken to finish the work which I had started.... For the human part of Me kept in contact with the Father at all times, Who permeated Me with strength so that My love became increasingly more powerful and I finally died fully consciously, because I also realised that **death** had to be overcome and that this was My task as well....

The path to the cross was bitter and excruciating, for I had to go through profound darkness in order to open the gate into the kingdom of light for all those who wanted to ascend from the abyss into the light.... However, as a human being I had to endure the most bitter suffering and torment in order to help **you**, who, without My act of Salvation, without My death on the cross, would have been irretrievably lost.... This is why My earthly existence as a human was so tremendously sorrowful, for from the moment the Father had revealed Himself in My physical shell I was also aware of everything that awaited Me, and yet I voluntarily walked the path to the cross, for not the Father's will but My

love for the fallen beings impelled Me to accomplish the act of Salvation, and this love gave Me the strength to persevere until the hour of death....

Amen

Good Friday....

B.D. No. 8791

March 27th 1964

None of you people can measure the suffering of the path to the cross and the crucifixion, because for human terms they were unbearable, and only the strength of My love for you made it possible for Me, to accomplish this most difficult sacrifice, that should bring again the reconciliation with the Father for the mankind.... And if you also try to imagine My agony and pain, there will always remain only a weak comparison, because they were superhuman, they were so big, that My sacrifice of the cross will truly been unique and will remain, because a „man“ would not have survived this time of torments, because any other man would not have been able to carry it out, because even a small part would have sufficed to take man's life. But I wanted to suffer and die, in order to accomplish the equitable atonement for the sins of mankind, I wanted to take all the guilt of the people on Me and offer the atoning sacrifice therefore, to give back the Father's lost children, who never could have come in His near without this act of salvation.... And I have gone the way.... voluntarily and with love to the Father and to My fallen brothers. I have known about the hard fate, that awaited Me, and therefore suffered twice, because I always saw the picture of the crucifixion, I always saw the way of suffering, that was leading to the cross.... But I fulfilled this mission by free will, and I bought all his souls from the opponent, who were willing, to let themselves redeem by Me. Because I knew the reason of the weakness of men and acquired them all strengthening of their will by My death on the cross, I acquired them countless graces, with their help they could reach the height again, from which they had fallen once in the deepest depths.... I knew, that they never could reach the height alone again, if they would not be helped. And My fallen brothers took pity on Me, because I knew the bliss of nearness to God, I knew, what they had given up and that they were banished forever from the face of the Father, if not the One deleted the great guilt, that they had burdened themselves by their past apostasy from the Father.... But it was a very difficult work, to take upon Himself all the physical and emotional pain in full consciousness of the output, and to go a walk in fear and poverty, to be able to carry out the act of mercy to the end.... Because I was a man with all physical feelings, and My thinking was always **more** human, when it came to the execution of the last mission, when I was captured and mercilessly condemned to the most cruel death, which the people could think up.... Because for the liquidation of the immense guilt, for liquidation of the primal guilt of the former apostasy from God, the ability to suffer of a human was necessary.... because God, Who was probably as love in Me, could not suffer and thus He Himself retired for the final phase of the work of redemption, what in Me an unspeakable fear triggered and I was driven to the words: My God, My God, why have Thou forsaken Me.... The consciousness of the Father **in Me** would have been a alleviation from the pain, but the measure of My pain could not be large enough again, in the face of the guilt of all mankind, of the guilt of all fallen original spirits, who I wanted to save from the deep.... As „just man“ I wanted to lead the work to an end, and that is why I gave Myself up to the will of the Father, who also has been **My** will from the beginning, only in the face of the death I began to sway for a short time, but then I Myself submitted completely to His will, as I cried out: „Father, not My will, but Thy will be done....“ And I have truly brought a hard sacrifice, which neither before nor after a man had accomplished and could accomplish, because it exceeded human strength.... But I received the strength from the love of the Father, because **love** was in Me until the hour of death.... otherwise I would not have said the words: „Father, forgive them, because they do not know, what they do....“ And so I remained connected to the Father, although I did not apply the strength of love, to take Me away from the sacrificial death.... Once you will also be able to experience this My death on the cross, when you live in the kingdom of light, and only then you will know about My enormous love, which was meant for My brothers, which took everything on itself, to give them back their life, who had

chosen death voluntarily. And everyone can also come back to life now, who recognizes Me by free will as his savior and wants, that I have died also for him, that he also belongs to the redeemed, for whom I have shed my blood and who find forgiveness for their guilt of sin by My blood, that kept them separate from the Father, who I therefore absolved by My death on the cross....

Amen

Jesus' free will as a human being....

B.D. No. 7992

September 15th 1961

Until the end My suffering and dying on the cross also remained a matter of free will, since I truly could have prevented it by making use of God's indwelling strength and resisting all enemies who wanted to implement their thoughts of hatred of Me.... I accomplished the act entirely of My own free will; I was willing to suffer and die for My fellow human beings because, as 'Jesus, the human being', I knew that the whole of the human race was in an appalling state of wretchedness due to the past original sin, and because My love wanted to help all My fallen brothers I had offered Myself to the Father as a sacrifice of atonement.... I was by no means forced to do so, the Father in Me did not dictate My will, I acted completely freely of My own accord.... And I found it incredibly difficult because I foresaw everything that would happen until the act of Salvation had been completely accomplished.... I, as a human being, struggled and prayed in profound distress to the Father that He should remove the cup from Me.... and I was strengthened and completely gave Myself to the Father. For the love in Me was overwhelmingly powerful, thus the Eternal Love Itself was indeed within Me and I allowed Myself to be determined by **It**, which would have been impossible had My human will resisted. Love impelled Me toward the wretched human race and I wanted to help people, and this love made Me accept an extent of suffering which you humans are incapable of assessing. Yet the guilt you had burdened yourselves with as a result of your apostasy from God was also inconceivable. And, in order to atone for this guilt, I had to suffer enormously as a human being and endure the agony of the crucifixion. Love, however, is strength and therefore I persevered until the end, or the suffering itself would truly have been enough to kill My body prematurely had the strength of love not enabled My body to accept the death on the cross and to persevere until the work was accomplished.... until the redemption from sin and death had been guaranteed for all people who accept My sacrifice on the cross and want to find redemption. So once again it depends on the person's free will as to how he relates to Me and My act of Salvation. For every being had turned away from Me of its own free will, and of its own free will it must turn back to Me again which happens when, as a human being, it acknowledges Jesus Christ and His act of Salvation, when it recognises Me Myself in Jesus and voluntarily hands itself and its guilt over to Me.... when it appeals for forgiveness and wants to return to Me again, Whom it once voluntarily left. Then the human being will consciously avail himself of the blessings of My act of Salvation, his weakened will shall receive strength and his return into his Father's house will be assured.

The inconceivable suffering I took upon Myself as a human being was still in no proportion to the immense guilt of the fallen spirits, but since Jesus, the human being, was full of love and volunteered the hardest sacrifice by relinquishing His life on the cross, I was satisfied with this sacrifice and redeemed all guilt for the sake of Jesus' great love, Who wanted to bring His fallen brothers back to Me again.... This was sufficient for Me, and thus My justice was also satisfied.... for I was unable to redeem any guilt which would have remained **without** atonement. Hence the act of Salvation had to be voluntarily accomplished. I did not allow any being to be forced into rendering this atonement.... And since the immense sin of the apostasy from Me had been a violation of My **love**, the act of atonement had to be an **act of love** again, for only love could redeem this immense guilt.... This love dwelled within Jesus, the human being. He was so receptive to it that He was completely imbued with love, which subsequently enabled Him to achieve His act of Salvation.... **Love** redeemed the sin.... **Love** completely permeated a human being.... **I Myself Am Love**, and thus I Myself was in Jesus, the human being, I Myself suffered and died for the human race. However, since I was unable to suffer as

God, the 'human being Jesus' took all suffering upon Himself. Yet He did everything of His own free will, for although love does not compel, it willingly makes the greatest sacrifices.... And love achieves everything; it is a powerful strength which can endure even the most appalling affliction. I Myself, the Eternal Love, imbued Jesus, the human being, and thus I Myself was effective in Him and brought people redemption from sin and death....

Love has accomplished the act of salvation....

B.D. No. 5215

September 21st 1951

I died for you on the cross. My love for you was boundless and enflamed in the man Jesus to a strength, which caused the deification of His soul, a condition, which lifted Him above the human earthly sphere and He became one with Me.... Only such a strong love was able to bring a sacrifice on the cross, because otherwise He could not have withstood as a human being, if not the strength of love would have strengthened Him. He died on the cross as a man, and yet I was Myself, Who sacrificed himself on the cross for you people, but the man Jesus remained in love, until He gave up His spirit.... The **love** made the sacrifice, and the love I was self.... This is also a mystery and will remain, as long as the earth exists and you people judge the act of salvation with earthly directed senses.... The man Jesus died on the cross.... I Myself came to earth, to redeem you.... An apparent contradiction, and yet it is the truth, that is unknowable as long as you humans can not understand, **that I Myself am love....** that love is the original substance of the eternal Godhead and that therefore **love** has done this work, which should redeem the humanity from the sin. But love was in the man Jesus, therefore a man died the death on the cross.... but that this man was divine, that proved the excess of His sufferings, which He did not previously succumb.... His love for mankind was so deep, that He **desired** to suffer, in order to help them.... He has taken a superhuman degree of suffering upon Himself, which alone was enough, to take the viability from a human body, but His strength of love kept this body alive so long, until His enemies had increased Him, until they had nailed Him to the cross, until the highest point of His suffering was reached. He wanted the people let perform the atrocities, to whom My opponent drove them, also to show him, that the power of God's son extended even after the death, that He was Lord over the death....

All mankind should take note of His death, so they wanted to be saved.... Until the end He was connected with Me, the Father, by His love, but His anxious soul did not recognize Me longer, the fearful soul sought Me out beside itself, and Jesus therefore cried out the words: "My God, My God, why have You forsaken Me?" The **powerful** deity only had withdrawn, but the love was and remained in Him.... Love probably was strength in itself, but Jesus did not use this strength any longer, to prevent His crucifixion, but only to be able to **experience** it, because He wanted to experience it, to serve Me as a human and to suffer and to atone for the neighbours. That is why He suffered and died consciously too, that is why He begged Me for mercy for His tormentors, and in full consciousness He spoke the words: "Father, into Thy hands I recommend My spirit...." The bond between Him and Me He held upright, for He Himself could not longer come loose by the One, with Whom He had become one through love.... And therefore I was He and He was I, there was no separation between both of us, because the love, the original substance of Myself, also fulfilled Him completely, so I had to be with and in Him, even though I did nothing as strength, until the person Jesus had accomplished His work. He and I, we are one, and whoever sees Him, sees the Father, because the Father is love, and love was in the Son.... But love could not die, and so it rose again the third day, and love also revived the body, who was completely spiritualized by the suffering of Jesus and does not need a further course of development on earth any longer. Thus love has overcome death.... the divine Savior overcame satan.... the light broke through darkness, and the way was free to eternal light....

Amen

Translation handled by Heidi Hanna

Also My sacrificial death on the cross was not allowed to lead inevitably to faith in My Divinity in the human being Jesus.... For even when **Love Itself** offered this sacrifice, although I Myself was in Him until His death, because He Himself had united completely with Me, nevertheless the “deity” drew back in Him.... that’s to say, He suffered and died as a man, He no longer made use of His **power**, that He possessed by agreement with Me.... He, as man, has taken all suffering and pains upon Himself and thereby He has redeemed the huge guilt of sins, which burdened the whole mankind.... And so the crucifixion had to be a process, which took place quite human, because no one could be forced to believe and each unusual appearance would have meant such a constrained faith.... So many people were caught by a restlessness the crucifixion caused, some people were touched, and they were depressed by the judgment, which was carried out in a man, they did not hold guilty.... But that it was a sacrifice, that accomplished the **Deity Itself** in the man Jesus, therefore any proof lacked, and it had to be this way, because the acceptance of the grace of the act of salvation had to be an act of free will.... because otherwise the forgiveness of sin could not take place as by the voluntary surrender to Jesus and acknowledging of Himself, as Son of God and Savior of the world, in Whom the eternal Godhead had incarnated. No one may be compelled to believe, it should be free for every man, to acknowledge Jesus Christ as Savior of the world and to accept His grace victim. Therefore, even the death of Jesus was a very human event, that in no way influenced coercively on the people, who were present at His hour of death or later learned of it, too. And so the act of salvation of Jesus remains a matter for all the people, that they can believe, but also can doubt, because the right knowledge requires a certain progress of the soul, a turning to Me, Who they are able to recognize also in Jesus Christ. A person, who is still in the power of My opponent, will never believe in the act of salvation of Jesus Christ, and even if it would also be described truthfully.... For he **will** not believe it, because he is still under the influence of the opponent, who will do everything to prevent a redemption by Jesus Christ. And yet people can also win a very confident belief in Him, when they make it possible, that My spirit teaches them.... if they allow also My mental influence through a life in love by My will.... But then there are no external evidences, which convince the man of the truth of God’s mercy work, but then his ideas of truth will be directed correspondingly, and the man understands the connexions and the foundation of the sacrifice on the cross, and he can also **believe without** evidences. Each proof is and will remain a compulsory faith for the people; but it is the proof of free will the only decisive factor in life on earth, and so the people must decide freely for the acceptance and recognition of Jesus and His sacrifice on the cross.... The man is not compelled to accept, and therefore all events must be described in their truth, as it has really happened: as the sentencing of a criminal, who has been ordered to the most shameful death, to the death on the cross. With His **power** Jesus truly might have averted this death by Himself.... because He got the power by the complete union with Me.... but He made no longer use of it, because He wanted, to suffer the death as completely powerless, to give people help in a hardship, from which they themselves would not have got free.... But He could help them to freedom, He could clear the way to the Father, He could open them the gate to the kingdom of light, but always only, while He took a gigantic guilt upon Himself and thus went the way to the cross.... while He took a degree of suffering upon Himself, which would have suffered a man scarcely, if not the love had given Him the strength for it.... **I Myself** was love.... But He did not use this power, to get rid off His sufferings, but only to that, to be able to endure the suffering and the bitter death on the cross.... Because He **wanted** to redeem the mankind from sin and death.... That even My followers doubted about Me, was understandable, suddenly they saw Me exposed of all power, when they had to watch, how I was handled, as I did not defend Myself and did not apply the power, that they so often had been able to find in Me.... But then the sacrifice on the cross would not have been accomplished, and My path as a human being on the earth would have been useless, because, despite My teachings and instructions, the people would stay always in the weakness towards My enemy, for the unredeemed guilt of sins **was** the weakness, the burden, that was on the humanity, of which they **could** not be released by their own efforts.... And, for strengthening their will, I died on the cross, for strengthening their will, I took even the enormous burden of sin upon Myself and redeemed it through

the most painful work of commiseration, that has ever taken place on this earth and will take place also never.... I died for all people of the past, the present and the future, but every man must recognize and accept this My act of salvation of his own free will, for then he also recognizes Myself, Whom he once has failed his recognition and for that he is plunged into the depth....

Amen

Jesus' transfiguration 'My Father and I are One....'

B.D. No. 1739

December 15th 1940

The right solution to the problem of Jesus' transfiguration after His crucifixion also explains Jesus' Words 'The Father and I are One....' at the same time. God sacrificed Himself through a human being Who overcame every human aspect for love of God and Who therefore shaped His soul such that God was able to take abode in Him in all fullness. His external form, His body, totally complied with the soul's will and was likewise only disposed towards the Divine; thus every substance was God-inclined spirit, so that it no longer needed the process of development on earth and was therefore able to enter the spiritual realm in all perfection after the body's death. All perfected spiritual beings unite with the Elementary Power and, through a most heartfelt fusion, become as one with It. The process of development of the spiritual beings which had once fallen away from God lasts for an infinitely long time and, through countless levels, will also lead to ascent in the beyond but the external form, the less developed spiritual substance, always remains on earth and releases the soul which, as a spiritual being, will subsequently seek to join beings of equal maturity in the beyond. The external form dissolves and the individual spiritual substances affiliate with similar ones in order to continue their process of development.... However, Jesus' body, on account of its purity and actions of love, had already attained spiritual perfection and the inconceivable suffering on the cross had been the final process of purification for the body's spiritual substance so that, in this utterly cleansed state, it was able to join the perfect soul and no longer needed to stay on earth, and therefore the spirit of God, the soul and the body united, thus became one.

Jesus, the man, was the mediator between God and people.... but now God and Jesus Christ are One.... they should not be thought of as two beings next to each other but it is only one Being Which absorbs everything that is perfect. Jesus' divinity cannot be imagined in any other way than the eternal Deity Itself, Which merely affiliated Itself with the external shape of Jesus, the man, i.e. His spiritual substances were allowed to merge with the elementary Power, because at Jesus' death they had already reached a degree of perfection which is the prerequisite for the closest unity with God.... By despising earthly pleasures and, as a result of strict self-discipline, Jesus' body had overcome all matter and therefore no longer required a further process of development. All spiritual substances in the physical form were able to join the soul and leave the earthly valley together with it in order to enter the heights of light. From this moment on this soul was surrounded by the most brightly shining light, consequently Jesus' body and soul had to leave the earth in a transfigured state, for a being that is completely merged with God also had to receive light and strength from Him and thus emanate it in the same way as the eternal Deity Himself, because it was One with God, therefore also light and strength in abundance. This process of light emanation usually remains concealed from people, yet God's infinite love for people allowed the transfiguration of Jesus to occur visibly in order to give them a sign of His power and glory, to strengthen the faith of those who were to proclaim His power and glory to the world and in order to provide people with the evidence that Jesus had conquered death.... that from now on death no longer exists for people who follow Him and make an effort to take the same path on earth. Jesus' transfiguration has been a much disputed subject for humanity and was usually rejected as a myth, because people lack all spiritual understanding for the ultimate goal of every being.... for the final union with God.... for becoming one with Him.... However, Jesus says 'The Father and I are One....' For the union had taken place in Him already, His soul was shaped such that it was able to accept God and thus had already become a recipient of light and strength from God, thus He was able to teach all wisdom and work through divine strength. He was as perfect as His

Father in Heaven and able to create and shape like Him.... His nature was love, His Words were love, and thus He worked by virtue of His great love for people. For everything in existence and everything that happens can only be accomplished by love.... His life on earth was a constant succession of works of miracles without pomp and splendour, but He concluded it in radiant light.... by transfiguring Himself before the eyes of His Own and ascended to Heaven, to eternal glory....

Jesus' resurrection and spiritualisation....

B.D. No. 7693

September 6th 1960

You can confidently accept it as truth that My body simultaneously spiritualised itself with My soul, that I was therefore able to arise from the dead because nothing of a physical nature remained in the grave which might have had to continue the process of development. During My life on earth I had also become master over My body, I had spiritualised all substances, that is, as Jesus, the **human being**, I had handed them over to My Father of eternity; nothing existed in My body which resisted the Father in Me, and I did not suffer the agonies on the cross for My sake.... for the sake of spiritualising My body.... but only in order to atone for humanity's sins with it. However, My body was still humanly inclined so that it felt and endured the immense pain.... Nevertheless, after I had accomplished the act of Salvation for the human race with My death on the cross, I also wanted to provide you with the evidence of My spiritualisation which resulted in My resurrection from the dead.... Thus body and soul were able to arise because they had achieved the act of spiritualisation and nothing was capable of keeping this spiritual being in the grave, for the spirit penetrates everything, even the most solid matter. This spiritualisation of the body was certainly possible for Me because I was completely imbued by love and because love dissolves every impure substance, for.... where love is present.... nothing of an impure nature can persist, because love guarantees a unification with the Eternal love, since it consumes everything, only leaving the pure spirit behind, which thus can unite itself with the Primary Spirit of eternity. I remained in this love, and if you humans likewise shape yourselves into love, you will also be able to spiritualise your body, you will place all material substances into the right order and all inherently bound spiritual substances therein will turn to Me as the Eternal Love and give up all opposition, which had once hardened its substances and had been the cause of its banishment into matter. But this spiritualisation of the body will only be achieved by a few people while they are still on earth, nevertheless, it is **possible**. Then the body will also be able to arise at the same time as the soul, it is just that it will not often be perceptible to you humans because it is not necessary for your salvation of soul to experience unusual things which are generally not comprehensible to people.

However, the fact that I Myself have risen from the dead, that My body stepped out of the grave as well, can be believed by you, for My life as a human being truly was such that it was possible for the body's spiritualisation to take place, that nothing needed to remain behind in order to go through a further phase of development. I had found unification with the Father of eternity.... I was completely pervaded by Him, I no longer lived outside of His nature, I was merged with Him for all eternity. But the 'nature of God' cannot be made understandable to you, for He is a Spirit Which permeates and pervades everything.... He cannot be personified, nor is He visible, He is strength and light on such a scale that it would consume everything had it not shaped itself to a high degree of love, which was in Me during the time of My life on earth as a human being. And therefore this light and strength was able to infuse Me completely without having to perish, but also My spiritualised body maintained its form despite the abundance of divine spirit, so that I remained visible to the beings which face Me with a high degree of maturity.... The Great Spirit of eternity, Which permeated the whole of the universe had manifested Itself in a human form.... I had become visible for My created beings in Jesus Christ, for I Myself Am also a **Being** which you will only understand when you yourselves, full of love, have entered into union with Me.... And then you will also grasp the problem of My resurrection, the spiritualisation of body and soul and My complete merger with the Father-Spirit of eternity.... Only

then will you understand the unity of Jesus and the Father.... Only then will you be totally united with Me and you will recognise Me Myself, your God and Father of eternity, in Jesus Christ.... For He and I are One, and he who sees Me also sees the Father....

Amen

Spiritualisation of Jesus' body....

B.D. No. 8574

July 29th 1963

The body of Jesus Christ, which rose from the dead entirely spiritualised and continued to exist as a visible cover for Myself in order to be and eternally remain a visible God for My created beings is, however, an exception.... Jesus' body was indeed physical matter as well, yet it was created by divine strength.... The substances His biological mother gave birth to were likewise of a spiritual nature which adjusted their demands, cravings as well as weaknesses to their environment, which were therefore so influenced by their physical surrounding that the body's desire was just as inclined as that of other people.... that the body reacted to all external temptations.... but as a result of Jesus' willpower resisted them time and again And this necessitated a constant battle, it necessitated a constant willingness to act with love, because Jesus also wanted to redeem all substances which, due to His human existence, made contact with His soul but which did not belong to another fallen original spirit. Instead, it had been an act of creation by Me for which I had chosen a person capable of giving birth to a human being in God-intended order, who thus carried the substances within which thus also formed the physical shell for Him.... which were also meant to be redeemed yet stay with the soul sheltering within.... Do understand: Jesus' body and the body of Mary were created in all purity and without sin.... but they took abode in a sinful world and therefore were not spared the temptations of this world.... They had to prove themselves in it, they had to fight an even harder battle against such temptations because My adversary was still able to express himself through matter, because he had the opportunity to influence a pure soul through everything surrounding it and his activity consisted of the manifold temptations which every person is subject to and which is every person's task to fight against....

This will still be incomprehensible to you humans: nevertheless, you may always believe that the complete spiritualisation of Jesus' body as well as Mary's succeeded, but that Jesus was the only being Who took His body along into the spiritual kingdom and retained it, because I wanted to become a visible God for all My created beings and that the complete unity of body and soul took place, which can never be undone again. The fact the many unredeemed spiritual substances clung to Jesus' soul and besieged it is also certain and that Jesus battle against these forces of darkness was very tough is also constantly emphasised, for on orders of My adversary these forces tried to make Him fall. And thus Jesus also had to fight against temptations which did not arise from His own body but were caused by the said dark force which availed itself of everything externally surrounding Jesus the man in order to tempt Him, and thus He had to suffer incredibly and fight against all kinds of these pressures despite His pure and sinless body. However, He redeemed many immature substances, which then were **also** permitted to fully mature as a human being on earth.... and these people were subsequently often recognisable by their obvious attitude towards Jesus and a way of life which followed Him.... It must never be assumed that **His** struggle was an easier one because of His pure body without sin, for enough immature substances adhered to His soul which He was not allowed to simply shake off but which He wanted to redeem as well in order to help them on their further path of development. But the fact that His own body in its entirely spiritual state also became and remained part of the soul must be equally credible to you human, for My dwelling in a human being presupposed all these unusual conditions, just as a purely spiritual conception and an unusual event at birth revealed divine intervention.... Nevertheless, Jesus was a human, and His battle as well as the spiritualisation of all bodily substances occurred in the same way as with all other humans: love and suffering accomplished it.... and love and suffering will be necessary time and again for the human being's complete spiritualisation on earth....

The Ascension of Jesus Christ....

B.D. No. 8189

May 31th 1962

My mission on earth was accomplished when I ascended to heaven....

I had delivered the world from sin and death, I had risen again and appeared to My disciples to strengthen them for their journey to proclaim the Gospel.... I Myself was full of light and strength and could now leave the earth in order to return to My kingdom from whence I had come.... to the kingdom of light and bliss.... Because My body had been transformed. It was My spiritual garment which was no longer subject to the laws of nature, but now the body could go to wherever it was moved by My will. Because it was spirit just like My eternal Father-Spirit, which was not tied to a form either but which permeated the entire universe and thus also Myself, Jesus the human being, Who had received the eternal Deity within Himself to give It a human form. This was necessary because It wanted to live amongst people, but the form was still subject to natural law and had to acquire a high degree of maturity first in order to receive the eternal Deity....

My mission was over now, and testimony of this act of Ascension to heaven should be given as well, because it was the culmination, it was evidence for humanity that I had achieved a work of transformation of Myself which could be visibly proven.... for I disregarded all natural laws when I ascended to heaven, and I surrounded Myself with all glory and yet was visible to My disciples.... I gave them the strength to behold Me, otherwise they would truly have passed away. But only those disciples who were closely connected to Me through their love and who thus had the degree of maturity which enabled such vision were allowed to see Me. And many a soul returns from earth into the kingdom of light in the same state, and they too are able to behold Me in all My splendour and magnificence, because their degree of maturity facilitates spiritual vision. Because they too have no more limitations.... they too will be clothed in all glory, they may behold God face to face and now live in their original state, in love, which is both light and strength, and this is their spiritual garment, which may be worn by every soul as soon as it departs from earthly life and enters the kingdom of the beyond fully matured.... And this is what you should believe, you should not doubt the love and might of your God and Father, Who will one day endow you with a state of blessedness which will remain inconceivable to you as long as you still live on earth.

However, I have set you an example of what a human being can achieve by living a life of selfless love and what his fate will be if he has always lived on earth in accordance with My will. If his way of life changes his being into love, which will then be the same as My fundamental nature, he too will shine in all brightness and magnificence and also be visible to all who have the same level of maturity and who will have then united with Me, Who is and remains a Being that eternally emanates light and strength.... The event of Ascension really and truly took place, the human being Jesus gave the last proof of His Divinity on earth when He left this earth in a brilliant abundance of light and returned to the kingdom from whence His soul had come.... Because He had come from the kingdom of light, He had been with God and He returned to God again, Whose child He was and continued to be, with Whom He completely merged. Thus, the Ascension was the final proof that I was not of this earth but that I had descended from the kingdom of light and glory, which became My goal once more and which eternally will be and remain your goal too, because you also shall return to the light. You shall, through unification with Me, be allowed to receive My light and My strength anew and thus rise again and ascend into heaven, into your true home....

Amen

That the human spiritual state is growing increasingly darker is revealed by fact that people are no longer able to understand God's 'becoming One' with Jesus properly.... and that they therefore also lack the right comprehension for God's 'human manifestation'.... Owing to the misguided teaching of the three-person Deity they began to think wrongly. Yet, time and again, it has to be said that the eternal Deity cannot be personified.... thus It cannot be conceived as anything other than power permeating the whole of eternity.... This power cannot be limited nor can it be thought of as a 'form'.... but it can permeate a form completely.... And this process of complete permeation by divine strength occurred in the man Jesus....

He was full of love and love is the fundamental substance of the eternal Deity.... ceaselessly emanated into infinity, which creates and maintains everything.... And this divine strength of love permeated the human form of Jesus and thus manifested itself in Him. God's fundamental nature took abode in the man Jesus and thus God became 'human'.... and since Jesus was completely filled with the fundamental substance of God, He became 'God'.... Because even His completely spiritualised human form was able to wholly unify with God after His crucifixion so that Jesus then became the comprehensible Deity.... that the human being cannot imagine God other than in Jesus.... but that it cannot ever be a question of 'two people'.... The human being Jesus had achieved the goal on earth, the complete deification, which all created beings should achieve.... Because God wanted to create images of Himself whose final perfection, however, had to be achieved by the free will of the being itself. Jesus the man achieved this deification not only on account of a life of love, but with the act of Salvation He also redeemed humanity's guilt of sin.... for He used God's strength of love or He would have been unable to bear the terrible suffering and crucifixion. This strength of love was God's fundamental nature, thus God Himself was within the man Jesus in all fullness and accomplished the act of Salvation....

However, it is a misleading concept when you humans speak of a three-person God because the eternal Deity cannot be personified since It is pure love, and this love manifested Itself in Jesus, and thus the eternal spirit God was working in Jesus, and to all beings He can only be comprehensible in Jesus.... Since God's former created beings had abandoned Him because they could not see Him, He became a visible God to them in Jesus.... But Jesus is not a second being that could be thought of as existing next to God.... He is God because God is strength of love, Which permeates a fully spiritualised form, thus it consists entirely of divine fundamental substance and is therefore only visible to those beings who have also become spiritualised in order to see spiritually.

It is certainly correct to describe God's nature as Father, Son and Holy Spirit if the Father is acknowledged as love, the Son as wisdom and the Holy Spirit as the will or power of God.... Because God's nature is love, wisdom and power.... But the goal God had set for Himself when He created the beings, the voluntary deification of these beings, also explains.... when it is achieved.... God's manifestation in Jesus.... the visible Deity in Jesus, while the three-person Deity does not allow for a correct, i.e. truthful explanation. People have created their own concepts which obstruct their spiritual maturing process, because only one God can be called upon; three different Gods may not be prayed to but God Himself wants to be acknowledged in Jesus, and hence He can only be worshipped in Jesus.... And He demands this acknowledgment of all human beings, because this acknowledgment had been denied to Him in the past, and because the act of Salvation has to be accepted at the same time.... Because no person can find forgiveness of his original sin without Jesus Christ, and therefore the human being has to declare his belief in Him.... he has to believe that God Himself has shown compassion for humanity and accomplished the act of Salvation in Jesus....

Amen

Most profound wisdom can be revealed to you once you are receptive to it, and then you will also be able to penetrate knowledge which can only be understood in its complete profundity by an awakened spirit. Yet, if you desire an explanation where you are still not clear in your thinking, I will always help you to understand if you desire the truth. Then I will speak to you such that you can understand Me.... I will address My children with the voice of the Father according to their degree of comprehension: My nature is indeed inscrutable, and even if you steadily keep perfecting yourselves it will nevertheless remain unfathomable to you for all eternity. Nevertheless, you should strive for highest perfection and thereby finally find union with Me.... You should completely enter My nature, you should.... as once emanated sparks of light, merge again with the eternal fire of My love and still remain self-aware beings.... You will never be able to grasp this as long as you live as a human being on earth because your thinking will remain limited during this time, but the said process of fusing with Me can only be explained by the fact that everything of a perfect nature knows no limitation, that the union with Me definitely signifies your complete permeation with My strength of love, but I Myself will eternally remain out of reach for you.... I Am, therefore, close to you and yet you will never be able to reach Me.... For you must not imagine Me as a limited Entity since I Am not bound to time and space. You will never lose your self-awareness again, regardless of how intimately you are united with Me, because you will be totally permeated by Me with My strength.... Yet in infinity you will act as self-aware beings, and precisely that is your bliss. Then you will have attained your deification, the goal I set for Myself when I created you. You will have become My images, you will consist of the same fundamental substance as I Myself and you will be able to create and work in brightest illumination of wisdom, in possession of unlimited strength and with complete freedom of will and let new life arise from within yourselves.... Having become as perfect as your Father in Heaven is, you are miniatures of Me.... Jesus' soul was also subject to the same law when it.... as a being emanated by Me.... had to undertake its test of will and passed it, thus it remained with Me when the host of originally created spirits fell away from Me....

This Being was so devoted to Me in love that It voluntarily offered Itself for the mission on earth to suffer for Its fallen brothers and to die as a human being in order to redeem the latter and bring My children back to Me.... Jesus accomplished this unique act, which no person has ever achieved before and will never be able to achieve afterwards either: to completely unite with Me on **earth** already, to manage the complete spiritualisation of soul and body so that the whole Being could be totally permeated, which was distinctly demonstrated by His ascension.... I was able to manifest Myself in Him, that is, I Myself, the Eternal Deity, the all pervading and penetrating strength, could never be personified.... However, I was able to completely permeate a form and nothing human remained in this form, even the external shell had become spirit of My spirit. The soul completely merged with Me and, in the true sense of the Word, 'Jesus' became 'God'.... His will, His thoughts, His actions were My will, My thoughts and My actions.... Two beings could no longer be spoken of.... It was an absolute union with Me, Jesus was, is and will remain for all My created beings the visible God.... The self-aware Jesus-soul returned to its original state of being, for it was the same emanated strength of love which merely united itself with the elementary power and thus completely merged with it, so that one can only speak of the Elementary Power.... of God Himself, the all-pervading Spirit, when Jesus is spoken of.... His Jesus-soul did not return as a perfect spirit from earth, instead it completely handed itself over to the Eternal Deity while it was still on earth, it abandoned itself for the sake of the greatest mystery: the human manifestation of God and His becoming visible for all beings which once had emerged from Him.... God and Jesus are one and the same, Jesus is not a second self-aware being but through His life on earth He attained the highest and final goal: complete fusion with Me, so that only My will and My thinking govern the Being Which controls and governs the spiritual kingdom as a visible God.... However, you humans will only be able to understand that when no limited concept exists for you anymore; and even then My nature will be, and remain, inscrutable, nevertheless you will be permitted to behold your God and Creator.... the most perfect Being in infinity.... face to face, and then you will know that apart from Him, Who became visible to you in Jesus, no other God

exists.... And you will come aglow with burning love and forever strive towards Him, and He will return your love and make you abundantly happy.... For My love knows no limitation, nor will your beatitude be limited, instead it will last forever....

Amen

'All power is given unto Me in heaven and on earth....'

B.D. No. 7031

February 2nd 1958

“ All power is given unto Me in heaven and on earth....”, I was certainly entitled to say these words when I lived on earth, because it was My Father, Who was within Me, Who had given this power to Me, with Whom I had become as one and Who thus had so completely permeated Me so that He Himself worked within and through Me. And this power stayed with Me even after My life on earth, because only My earthly cover was something 'human' before My ascension, but everything within It was God, Who had merely made Himself visible in Jesus Christ to all His beings.

Hence it was indeed Jesus the 'human being' who said the words 'All power is given unto Me....' but it was the Deity within this human Who Himself had the power at His disposal. Consequently I could describe Myself to be He Who had all power in heaven and on earth.... because there was no distinction between Me, the eternal creative Spirit, and the One, Who had received Me within Himself.... And I will not surrender this power to any being but Myself, because it is part of My fundamental nature which is love, wisdom and omnipotence in itself.... Anyone who understands this therefore also knows that only My will reigns, and thus there can only be representatives of My will or beings who oppose it.... the first govern with Me, so to speak, while the latter have to be governed. However, although My will and My power will not ever diminish, I do not always use both but occasionally also allow the will which still opposes Me to take effect, but only within a certain limit, in order to make it clear Whose power is unlimited. Because only My power safeguards the existence as well as the progress and the opportunity of achievement, while opposing actions.... were they not stopped in time.... would denote total destruction.

Thus the power is given to Me.... this should be an indication as to Whom you should turn to, Who alone can grant you everything, Whom you should confide in when you need a powerful protector and helper.... It is not the God in the distance Who will bestow this help upon you but only the divine Saviour Jesus Christ has total power, because the eternal Deity, the Spirit of eternity, was embodied in Him, and because you do not enter into contact with 'God' until you have entered into contact with 'Jesus Christ', because you do not acknowledge Me Myself until you call upon Me in Jesus Christ, because there is no God more powerful than Jesus Christ. And hence there is only One Who governs the entire universe, Who is in charge of all creations, Who instructs countless beings to take care of these creations, and Who arranges everything in accordance with His eternal plan of Salvation.

They take their instructions from Me Myself, they receive the necessary strength for their activity from Me Myself, and I Myself direct everything in keeping with My love and wisdom. And no being who is responsible for the upkeep and care of the infinitely many works of creation will ever act contrary to My will. My will passes through them because they are perfect beings who are consummated by My love, enlightened by My wisdom and permeated with My strength, and thus they are forever merely the executives of My will. But when My will temporarily withdraws, immature beings who are still opposed to Me press ahead and indeed work against Me, but always under My control so that they will be tamed by My will when I deem it necessary, because only One reigns in heaven and on earth.... Only One has all the power at His disposal.... All the beings of light and of darkness have to bow to Him.... Because My power is limitless and will remain so eternally....

Amen

Translation handled by Heidi Hanna

And again and again My word will sound for you, to point you with all urgency to Jesus Christ, the divine redeemer, in Whom I Myself incarnated, to open you people the gate to the kingdom of light, which was closed for you by your former apostasy of God. Therefore you walk on this earth to be saved from your original guilt, and because your free will must strive for this salvation, it is also necessary, that you will be given a truthful explanation of the reason and meaning of the redemptive work of Jesus.... You must get knowledge of that, to provide Him voluntarily or reject Him. And thus will be now also your further destiny, when you have to leave this earth again and enter the spiritual kingdom. Again and again this knowledge was presented to you, but you are mostly too indifferent, to come to the consequence from it.... And yet it is the most urgent task on earth, that you take the path to the cross, that you will find Jesus Christ and you ask Him for help for your earthly path, so that you reach the right aim. For very fast a man's time on earth is over, and what you missed in earth life, that you will not be able to make up, even if you get not lost forever.... But the man Jesus died for you on the cross, to make you reachable to the highest aim, to become a "child of God".... He has acquired the graces for you by His suffering and death, you only might use in order to achieve the aim in life on earth.... He has Himself sacrificed, to buy your life again, that however has the binding with Me to the precondition and this binding is only possible, when you are free of guilt again, which brought the former apostasy from Me to you.... Before you had be free from all guilt, a man had to offer up the atoning sacrifice for you, that My justice had been done often enough, because I am absolutely perfect and could not avoid justice, even if My love is endless for you.... And the man Jesus has offered this atoning sacrifice to His fallen brothers in love and through that He has made free the way to Me again.... If you now go as a human being on the earth, you should take your former guilt under the cross and give it to the One, Who died for that.... You should and have to find Jesus, to be redeemed once from your great original guilt, otherwise your earthly life is lived in vain, because the guilt prevents the entrance into the kingdom of light and you would have to languish in darkness forever, because the former sin prevents any light from Me, the sin separates you from Me, because I can never unite with a creature, that has become sinful. Consider, that you still enter the earth as human afflicted with this guilt of sins and that the time on earth is short, but that you can completely become free during that short time and you can step in the kingdom of light as blessed beings, if Jesus has opened the door to you, when you have found Him in earthly life, when you have trusted yourselves to Him and have taken the way to the cross.... where you can get rid of every guilt and now you are allowed to enter in His kingdom, which is not in darkness, but in the light.... Consider, that you have to give yourselves to Him in complete free will and that is, why a right knowledge is necessary, because as soon as you realize, that His love has suffered and died for you, to supply you with Me again, you will also do everything, to obtain the forgiveness of your guilt of sins.... For His love, that He has shown you through the death on the cross, you will give back, and because this love I'm self, you will also recognize Myself, your Father of eternity, in Jesus and you will get a binding, which you once got loose in free will.... Again and again therefore I must speak to you and give you a right picture.... Again and again a truthful knowledge must be given to you about Jesus Christ, the redeemer of the world, Who died for love on you and Who has included Myself in Himself as the eternal love.... Because **I Myself** wanted to redeem you from your guilt and for that I had to use a human form.... which I could occupy, because the man Jesus was full of love and gave Me also a home in Himself.... His human shell closed around My love, so it hid Myself in Himself, and God became "man", and the man Jesus became "God".... For I am a spirit, that is not limited, but I have created a limited shell, in that I could be the beings, who once had come from Me, a visible God, who never could have been endured a sight of My whole flame of love, without ceasing to exist.... I Myself embodied in Jesus, Who Himself completely spiritualized and therefore only became the visible form of the eternal spirit of God, that now all beings can look face to face in a certain degree of ripeness.... Only if you human beings are full of love, you will nearly understand this great mystery of My incarnation, but it must also be explained a loving man truthfully, and that is why I will give a light among the people again and again, again and again I will give information about spiritual secrets, those can never be

understood by the human mind.... Therefore I can only correspond to the spirit in man, and first he must be brought to life through love.... So I admonish you urgently, to fulfill My commandments of love, so that you may understand, what is arranged to you in spiritual truths.... For then you shall also go the right way, you will yourselves will go the way to the cross and be redeemed from sin and death....

Amen

Acknowledgment or rejection.... Jesus Christ....

B.D. No. 5844

January 3rd 1954

You humans can only acknowledge or reject Me. The latter merely proves your complete unbelief and will have very painful consequences for you, for the rejection of Me means that you are still completely under My adversary's control and openly oppose Me. However, acknowledging Me means being fully and completely on My side and also having entered My eternal order, acknowledging Me means believing in Jesus Christ as the Son of God and Redeemer of the world and living as a disciple of Jesus; acknowledging Me means striving towards Me, the eternal Love, which is only possible through living a life of love, since only this establishes the union with Me.... And thus it will also be understandable to you that I only recognise a Yes or a No and that I cannot be deceived by evasive Words which are used when I Am only professed with words voiced by the mouth without any involvement of the heart.... You do **not** acknowledge Me if your way of life does not reveal your serious striving towards Me, if your way of life lacks love, if you do not hold My image in your heart, if your faith has not yet come so alive that you eagerly work at improving your soul, if you do not turn to Jesus Christ imploring Him for help and grace, if you walk along without Jesus Christ.... In that case, all your words which intend to demonstrate belief are mere empty phrases, which do not deceive Me regarding your true state of soul and which are synonymous with rejecting Me.... The person who acknowledges Me also lives with Me, time and again he makes contact with Me in thought, he enters into heartfelt dialogue with Me, he lets Me speak to him as his Father for he feels himself as My child, and thus he belongs to My Own who I have won back forever. He belongs to those who are redeemed, for he was only able to attain the strengthen of will to reach Me through the grace of the act of Salvation.... Understand.... the path to Me **can** only lead through Jesus Christ.... No one will reach Me and no one will strive towards Me either if he has not requested the blessings Jesus acquired.... who therefore consciously places himself under the cross of Christ. For he can only seriously strive towards Me when he has come alive through the blessings of the divine Redeemer Jesus Christ, in Whom I became a visible God for you humans. Yet ask yourselves whether and to what extent you seriously strive towards Me, and don't believe that you can be counted as My Own if you are not yet permeated by My spirit of love, if you only outwardly want to show your faith in Me but your way of life lacks all contact with Me.... Words alone will not do, and the affiliation with a Christian denomination does not make you aspirants of My kingdom if you have not yet found the path to Jesus Christ, if you have not yet seriously called upon Him to take mercy upon you who, without Him and His Salvation, are still enslaved by the adversary You must recognise yourselves as being burdened by guilt and confess your guilt to Him and appeal to Him for salvation for the sake of the blood He shed on your behalf.... Then you will belong to those who voice a loud Yes when the Father's call of love rings out, you will belong to those who hurry towards Him, who have separated themselves for good from My adversary, who love Me with all their heart and enter into marriage with Me.... who will remain My Own for all eternity....

Amen
