B.D. No. 1002

July 11th 1939

The distress on earth has never been so great, that the eternal deity felt compelled to violent intervention to such an extent, that unnamable misery is granted in earthly relationship of humanity. The more faithless people walk their paths, the harder they will be shocked by those measures, because only this faithlessness alone is cause of all suffering, but this is the last chance still to influence the people educational in a way. If even then man passes suffering and misery all with closed eyes, without thinking of the Lord, there is any help for the soul impossible. Deepest loneliness and abandonment human can only recognize, that any other purpose is the reason of his earthly existence, and the reasoning is only steered then correct, when the man is striving to fulfill his purpose

on earth. What formerly moves his mind, is earthly and therefore completely useless.... Only in the state of knowing the direct influence of spiritual strength is so far perceptible, that now all gains form and life, which so far touched man only in an unreal mental way. But at times of deepest unbelief people's sense is much more willing to find favor to superficial, unimportant things, and always strive, to exploit earthly as possible for the short time on earth, but to reject all spiritual thoughts, and thus spiritual forces have little influence on those people.... Where now all effort of these remains unsuccessful, where the human is completely outside spiritual work, it is necessary now, to make use of means, which probably bring unspeakable misery, however are not completely unsuccessful, and so the events on earth are increasing day by day, visible by notify the transitoriness of earthly goods and bodily life.... Incessantly people is pointed the way, they have to go, but this way does not appear them passable precisely because they do not **want** to believe. They will oppose each natural disaster and also all other events again and again their arguments and objections full of wisdom, but never want to recognize the admonitions and warnings of the eternal Godhead in it. And the strangest events are quite natural in their view, phenomena explained with forces of nature, which is attributed no extraordinary importance. A repetition of such events from time to time will only achieve, that mankind gets used to it and always opposes apathetic to them, and the inevitable consequence from it is, that the eternal Deity will give now correspondingly more powerful signs and its ministry to people, so that even the weak in faith, not completely stubborn people realize this as mission from above and save their souls, before it is too late. Such signs must indeed always happen to the people within one's natural means, in order not to influence the will of the same compulsorily, but the magnitudes of these signs will yet many people cause to think. And will even become suspicious, who engaged in purely scientific pursuits till then, when they will realize, that their studies and results do not withstand and all earthly calculations get irrelevant in face of such events, which intervene disturbing and catastrophic in the earthly life. Because the work of the Lord will appear everywhere.... people will notice the extraordinary of His ministry, but not recognized as such. People will look too much for an explanation corresponding to their thought and will, but also recognize the inadequacy of their knowledge.... Truly their doubts will be a blessing to them, because it is the begin to believe, because who is not afraid to admit, that his knowledge to explain is not sufficient, he looks involuntarily to get a spiritual way after a statement, and then is no longer left in unknowing or doubts, because he seeks the truth and therefore he is very close advised to the right path. So then he pays attention only to the emotion of his heart, he will come to the right knowledge soon, and this will redound to the benefit of his soul. There is still bestowed a short grace period upon the people, and yet the day will dawn very soon, when death will bring in a big harvest, and blessed is the man, who regards all signs and will not be indolent to work in his soul. For God will go to see each, and also the big coming event is only a demonstration of the infinite divine love, which is directed at all creatures on earth, and therefore leaves nothing undone, to save these creatures from desperate straits of the soul....

Amen

Laws of nature and the cosmos to God's will

The activity of natural forces according to God's will.... Disaster....

B.D. No. 0661

November 10th 1938

The laws God gave to the world from the beginning as being necessary for the beings' spiritual development are always applicable for the human being's journey through life. Forces often actively oppose them, but these are subject to a superior invisible Authority, they will always experience the effects of their adverse actions as being detrimental to them and will either turn around and work according to God's will or, if they maintain their malicious nature, experience God's power increasingly more severely. Hence, the activity of natural forces, too, is always and forever subject to God's will, for were this left at the mercy of the opposing power everything would soon be a total work of destruction, since the opposing forces only ever cause destruction, whereas God's wisdom and will applies to the preservation of all created things. Where natural forces manifest themselves destructively nevertheless, it is always the work of God's will, but this destruction is by no means the permitted action of evil forces. In that case there are carefully considered reasons for God's intervention which, however, only ever help the advancement of spiritual beings or the development of human beings. Even destruction has its good side in many ways. It releases natural spirits from their indescribably long state of constraint.... other natural spirits may become extensively active and thereby comply with their purpose.... and it arouses sleeping spiritual beings from their tranquillity, which can do nothing but harm to them. The fact that the effects of such destruction are often regretful for humanity is also permitted by God, it refers the complete unbeliever to His existence and is a touchstone for believers, whose strength and faith shall be fortified by it. For only such extraordinary phenomena, which natural catastrophes will always be, can place a person into a state of reflection.... When all human power is not enough to stop it, and rich and poor, high and low are equally subject to such God-intended disasters, then the question may still occur to this or that person as to why humanity has to suffer such a judgment and to what extent a divine power is noticeable. Such questions could lead to a complete turnaround of his present way of thinking and guide the human being to the path of realisation. Every natural disaster is preceded by smaller events which make such thinking easier for the human being, and each previous inner state is, in a manner of speaking, a preparation for the ensuing experience. Would the human being only once realise that all worldly power cannot achieve the slightest change in such elementary effects of nature.... that **all** those within the vicinity of a natural disaster are at the mercy of it.... he would have to turn his thoughts upwards and try to attain a spiritual explanation....

However, the human race has already become far too arrogant.... at best it will describe such evident activity by the eternal Deity with the words: Activity of natural forces.... and will thereby try to dismiss everything which disagrees with its spiritual attitude. It deems itself knowledgeable and considers everything it does not understand merely an inherent manifestation of nature.... but very rarely a visible intervention by a divine Being. Their most acceptable explanation of all natural phenomena is the continued development affected by the sun's rays which, again, are still an unexplored source of strength in the universe and which manage to achieve all life on earth, but, in accordance with that, people are nothing else but living beings having been brought to life through these natural forces, who have their beginning and end on this earth. The fact that one Being is in control of the whole universe, Which, in accordance with Its wise plan, through Its will and omnipotence, has placed each one of the living creations, from the tiniest creature to the crown of creation, the human being.... on this earth for a specific purpose.... cannot be grasped by such uninformed people. They do not acknowledge such a Being and, therefore, will never regard the activity of natural elements as the manifestation of God's will. Those who are further away, who are

not affected by it, don't pay any particular attention to such disasters; they only ever quote similar instances and thus quickly dismiss such events. And God must use increasingly more obvious means.... He must ever more quickly let one disaster follow another and have a serious effect on people if these phenomena are to make an impression. It is regrettable as to how seldom the suffering of fellow human beings triggers true sympathy.... and how habitually a hint from above is taken in. And so the signs will have to take on ever greater proportions are they to arouse people from their tranquillity. Only when their own lives are in danger will they attach importance to something, and thus much suffering and fear will still have to be people's fate.... and things will have to manifest themselves which draw people's attention to a will which cannot be resisted.... Yet even exceptionally unusual natural phenomena will be explained and accepted with the greatest of ease, because worldly scholars are instantly willing to give a completely natural explanation for everything people cannot understand, yet such an explanation will never refer to God's reign and activity and His will. They deem themselves superior to this and therefore have a completely misguided point of view which cannot be of any benefit to the people they are instructing. Many a person will still change his attitude and, therefore, will still have to make many sacrifices until he gains completely realisation, and in order to precipitate this, the Lord will now intervene more than ever by rattling and shaking the world so that all those living on it shall take note and pay attention to the divine voice, which informs them of God's will, of His omnipotence and wisdom, and anyone who looks upon every natural phenomenon and the turbulent reign of the elements in this sense, will recognise these as the voice of God and make an effort to always do what is right before God....

Light beam of the sun....

B.D. No. 7956

August 3rd 1961

The grace of the word reception ensures you also My protection, and you don't need to be afraid, to labour under a mistake, because I know your desire for truth and don't give you wrong teachings, though you are surrounded constantly by forces of darkness, that would like to dim or extinguish the light from above.... But they are powerless against the light, that is beaming them and they flee, because they recognize its source. But again and again they will try to embarrass your thoughts, which I however straighten right again and again, because it is your task, to serve Me in My vineyard and thus to spread the truth, which I Myself transmit you from above, because you people need it to your maturing. I alone can only teach you right and likewise the beings of light too, through them flows the same light of love, that emanates from Me, and therefore they always can only emit the same light, that they take in reception by Myself, to let it radiate in the darkness. And so you are allowed indubitably to take on everything approaching you from above. You only have to know, that it is hard, to reveal secrets of creation to you, as long as you're still quite ignorant in it.... For you don't know the laws of nature, even to know their effects, and even you know less about the divine spiritual laws.... You don't know about the sources of light in the universe, which have a purely spiritual origin and yet their effect can be seen by the earthly eye.... And therefore you can not be given a clear explanation, whether and when the rays of the sun experience a reduction in their radiation force, whether and when the radiation force is entirely abolished. Human calculations are not applicable, although alleged evidences believe to justify them.... The radiation area of the sun is also limited, because it is a spiritual light stream, that is interrupted, when the lawful order is not complied, where the fundamental principle of eternal order turns off an efficacy, what you people can not recognize and understand in your limited state. Spiritual processes in the cosmos will always correspond with earthly or apparent processes, because everything is in closest relationships with one another.... And so there would be no obstacles or limitations for the irradiation of sunlight, if not by a certain resistance of the still immature spiritual.... from that the world bodies exist in the universe more or less.... the light force or radiation force would be reduced or prevented.... But the nature of the world bodies is just caused in the composition of immature spiritual substances, and the degree of their completion determines also the degree of illumination.... and so even more perfect creations are self-radiant

heavenly bodies, because they can get light from the original source, without finding resistance, and therefore also those light sources can emit light again.... So also any dark star can be illuminated, and it is also illuminated in the proportion, as "life" must be ensured on those stars. But a permanent illumination would rather endanger "life", therefore these floodlightings must also be kept within limits, which explains the alternation of day and night in the spiritual sense. However all processes in the universe can be explained earthly, but a certain requirement for understanding must be there.... People must know, that all the stars in the region of the sun also receive the light of this, but always in the explained manner before, that they only get light, that is **necessary** for "life" and existence, according to the mental state of its inhabitants.... and that this illumination of light can be seen sometimes by inhabitants of other heavenly bodies.... But in no way a world body, a star, **prevents** or limits the illumination of one another, as you humans imagine, for every star is the sun accessible in the same proportion, but its illumination is determined by the star itself, which so characterizes the spiritual state of its substance.... Because the sunlight is spiritual radiation, the sun is a self-luminous heavenly body, that is constantly fed by the source of the original strength and the light and forwards the strength and lightning stream constantly.... It is well visible in the firmament, but already a creation of spiritual nature.... where perfect spiritual engages in the preservation of the works of creation, which are in the range of this sun.... Now spiritual radiation penetrates everything, also each matter, but it stops in its efficiency, where a resistance offers in form of unspiritual substance, as any matter is meant. But this substance would never hinder or stop floodlighting, to meet other stars again, that is a false idea, that a star could prove to be a shadow for another.... But laws exist according to divine order, and these laws will also endure eternally, as long as there a material creation exists.... And where it is only possible, I will inform you people also of that, when the maturity of your souls allows this and when I consider it salutary for you and your soul....

Amen

Cosmos.... Moon....

B.D. No. 7957

August 4th 1961

Even the slightest lack of clarity has a negative effect, for it causes doubt in a person and darkens the light which should illuminate his heart. Nevertheless, an influx of light will always occur when the heart opens itself to accept its rays. Where lack of clarity exists, an explanation needs to be given, for I do not want a person who wants to think correctly to get confused. But neither do I want error to be spread where only serving the truth is wanted.... Yet need any of you worry about this when I instruct your Myself and you only pass on what I Myself Am telling you?.... The fact that you yourselves cannot intellectually grasp everything need not alarm you, for as long as you are not perfect as yet, your thinking will still be limited and unable to reconcile your previous convictions with the explanations I give to you, if they concern areas which science believes to have disclosed. However, even science cannot deny the fact that many still unexplored things exist in the cosmos.... And what it believes to have explored lacks proof, for the evidence it produced is wrong.... This also includes the calculations they made about the distance and the relationship of the Moon's position to Earth.... and it is difficult to give a right explanation to those of you humans who have acquired the knowledge you believe you can prove.... By merely considering the constant rotation of Earth around its own axis, you will have to realise that the Moon is indeed a satellite of Earth but nevertheless an entirely independent star from Earth, which circles within the region of the same Sun as the Earth, thus it also receives continually light from it.... The Earth is neither able to stop this flow of light nor to restrict it.... Yet the inhabitants of earth can more or less see the Moon, according to the position of Earth, which it occupies during its rotation around itself.... The illumination of light takes place in lawful order, and the stars also take their orbit in lawful order.... Therefore the same events occur in intervals, the same natural cycle of day and night.... But you humans should not forget that everything is in motion, that nothing stands still in the whole universe and that these movements also happen according to law and yet the stars which appear to be constant in the sky can be observed by you humans.... which might, purely physically, make a constant rotation of Earth debatable. And yet the

Earth rotates around itself, but it will remain an eternal mystery which you human will never be able to solve.... You can certainly always assume and believe to produce proof, but this proof will never be right.... on account of which you will never succeed in taking possession of other stars whose laws are entirely different to those on Earth and which therefore also exclude the possibility that you humans can 'live' there, after all, the living conditions differ on each heavenly body and are only suitable for the beings living there and correspond to their spiritual state.... Every law is known to Me alone as well as to all spirits of light who receive this knowledge from Me.... But you humans will only know everything when you have entered the kingdom of light and your thinking is no longer limited....

Amen

Only God is Lord of creation.... Star....

B.D. No. 7423

October 5th 1959

Since eternity celestial bodies have circled the universe on paths specified by the divine Creator and which will also be upheld in the plan of creation according to His will. And it is an impossible beginning wanting to alter the specified course of a celestial body, to divert a star from its course trying to guide it onto a different one than was destined by the divine Creator. And it is equally impossible to stop the course of a star, to limit the duration of its course, thus to prevent it in some form or other from travelling its path.... This has to be said to all those who believe that they, with their own inventions, will be able to establish a different order in God's work of creation.... who believe that they will be able to fit human products into the divine work of creation, who assume that such experiments can be sent into the universe without harmful consequences....

I Am still the Lord of the cosmos.... and I will also reply appropriately to every intention of infiltrating My work. Another attempt will be made, and more will follow as long as people are not stopped.... And I will allow it to happen, but I will answer when the time is right. For not much damage can be done anymore by people's advance into space.... because time has run out which humanity may still reckon with. And all the experiences they still want to gain will no longer be of any use for I will put a stop to it Myself....

But I will respond in the same way, for this reply will also come from space which they try to enter, and all their inventions will be unable to repel or redirect the star which will put them into extreme danger themselves. And thus it is up to Me as to how long I will tolerate humanity's activity, but I will only tolerate it up to a point, I cannot profess to approve of experiments which have no spiritual purpose and only boost people's belief even more to be or to become master of the universe.

But the end is nigh, and during these last days people will still try many things which only demonstrate their godlessness, their spiritual arrogance and their spiritual poverty. Various experiments will still be conducted which will contribute considerably towards the disintegration of the earth, the final work of destruction and thus the end of one period of salvation which has to make way for a new one, if My living creations are not to be completely lost.

But you humans, who voluntarily belong to Me, don't allow yourselves to be impressed by it all no matter what happens.... Always remember that the Creator of heaven and earth will not let Himself be displaced and that He will clearly show His might without people being able to prevent Him from doing so.... I watch and wait.... until the day has come which has been predetermined since eternity.... For the time is limited in which My adversary uses people such.... because they belong to him.... that they will do everything he wants.... but which they will nevertheless not succeed in achieving....

Amen

Changes in cosmos

Cosmic changes....

B.D. No. 4521

December 23rd 1948

Where cosmic changes become known, which indicate a forthcoming natural disaster, you can also be sure to detect My working in people through prior signs, all kinds of admonitions and warnings, through clairvoyant visions by especially devout people, and through increased influences by the beings of light on those whose will is devoted to Me and whose appropriate way of life enables their contact. Where natural events occur more frequently people are also more open to My warnings, and there is usually also the motive for frequent changes in the creations of nature as a result of such natural events, because the constrained spiritual substances strive towards higher development and will reach maturity faster where people are more compliant. Yet in accordance with My eternal plan of Salvation My direct influence through the natural elements will now also affect creations of nature where this is otherwise rare.... The spiritual forces, which have already been constrained for an infinitely long time, are pushing for liberation and will meet My approval.... There, too, it will be announced what is to take place in nature. People will be made aware of it although they are not interested in My admonitions and warnings, in My advice. Cosmic changes will also become apparent and could make everyone think; seers and prophets will arise whose gift of prophecy makes them feel duty bound to mention what they see or hear through spiritual contact. But in view of free will and belief everything will take its natural course, and even cosmic changes will be scientifically explained and therefore won't worry people.

However, although every happening, every process in nature, can certainly be explained in natural terms it will always have a spiritual reason and explanation, and it is more important to take notice of this than of the purely natural one, because you cannot stop or lessen the natural consequences with your knowledge, but you can utilise spiritual consequence for your benefit and thus calmly face the natural consequences.... You will be in control of them when you believe, when you have derived the spiritual benefit from your knowledge.... Then you will also be in control of nature.... Do you know what that means? To be able to stop even the elements of nature willfully, which is also My will if you are sincerely united with Me? And the liberated spiritual substances will also acknowledge you as master.... you will also be the ruler over matter and it will willingly subordinate itself to you. You cannot appreciate its profound meaning as yet but when you have reached this degree it will also become clear to you what you can achieve with My strength, which will then be at your unrestricted disposal. Yet only few people will reach this degree of maturity due to their profoundly steadfast faith in Me and My love, and their unlimited surrender to Me.... But My power and glory will reveal itself to them and they will proclaim Me throughout the world.... Moved by My spirit they will always and forever speak on My behalf because they will soon no longer be part of this world and close to their perfection....

Amen

'The powers of the heavens shall be shaken....' Reversal of natural laws.... Rapture....

B.D. No. 5029

December 28th 1950

The gift of grace from above is strength from heaven; it comes from the spiritual kingdom of light, from heaven, in contrast to the expressions of strength from below, which originate from hell. Beings from the kingdom of light thus become unusually active as soon as the pure Word of God can be conveyed to people by way of God-serving and helpful people's will on earth who are receptive to the transmission from the spiritual kingdom and who accept the spiritual gifts.... The powers of heaven

are moving.... they will be exceptionally active during the last days before the end. This explanation must first be given concerning Jesus' Words about the signs of the end and His second coming. He made a powerful statement, for He announced changes which, according to His Words, signify a reversal of natural laws.... His Words always had a spiritual meaning, yet in the last days a second meaning will come to light apart from the spiritual meaning, for inconceivable natural phenomena will also take place, which the human being will be unable to explain by virtue of his intellect. They will run counter to divine natural law but are in principle only humanly unknown natural laws again, and these events are described by the Words 'The stars shall fall from heaven.... The sun shall be darkened, and the moon shall not give her light.... ' Scientists and the like will be unable to provide an explanation for this, they will be unable to throw light on the matter because their knowledge fails them where divine strength is at work. No-one will be able to fathom these natural laws because they only come into force at the end of a period of Salvation and the disintegration of physical external forms has become necessary. They are unnatural phenomena and yet intended in God's eternal plan, consequently part of His eternal natural law, which is completely incomprehensible to people who are as yet spiritually unenlightened.

Nothing is impossible to God.... hence He will always be able to be active and achieve everything, even outside of natural law; or else His omnipotence would be limited. Nevertheless, His activity always moves within divine order, for it is impossible for the human being as such to judge this; it would, however, be presumptuous to doubt it, because this would also doubt God's wisdom. And since God is Eternal Love Himself He will always implement His will such as it is necessary and good for His living creations, which He wants to gain for Himself. Things will happen before the end which you humans cannot possibly imagine as yet. And this can only be vaguely indicated to people with Words which announce unusual, indeed, almost incredible events. Even so, the Word of God is purest truth and will come to pass when the time is right. Then the strangest changes will occur in the cosmos, yet this present human race will only be able to observe them in the beginning; the end will not be experienced by them apart from a few who will be taken away and be able to watch the process of destruction of this earth and their inhabitants.... The old form and composition of earth will have ceased to exist, but the new earth will only shelter spiritually awakened people who will know the reasons for all events at the end of the earth, however, they will also know about God's power and glory, His greater than great love but also about His righteousness....

Amen

Cosmic phenomena....

B.D. No. 6313

July 16th 1955

Very soon you will know for certain that something is taking shape in the cosmos, for unusual events will worry you humans because you will be unable to find an explanation for them. Many speculations will surface, many opinions will meet with conflicting notions, yet only those people's points of view come close to the truth who suspect a connection between that which was proclaimed in Word and Scripture, which people were told by seers and prophets at all time.... Anyone with spiritual vision can find an explanation for all events, for everything has a **spiritual** meaning and is intended to fulfil a **spiritual purpose**: to draw people's attention to their actual purpose of life so that they prepare themselves for the imminent Judgment.... And science, too, will support this, for it will discover the unusual changes in nature first, the cosmic happenings, which will confound them, and the significant appearances which they will not be able to explain due to lack of knowledge. They will observe and marvel but they will not accept the only true answer that the earth will be shaken to its foundations, which could indeed be caused by these phenomena. They won't want to believe it and will therefore always argue against it if the Scriptures, the ancient prophecies, are pointed out to them, if they hear the opinion of the believers or if the messengers of My Word proclaim to them the approaching end.... And therefore it will be difficult to make the intervention on My part plausible to worldly people, because an attempt will be made to explain everything in a purely scientific way. And

only a few will become aware of these unusual phenomena and therefore ever more assuredly draw people's attention to the end.

And I will so evidently support their words of admonition and warning that even the scientists will apprehensively admit their lack of knowledge.... And they will discover a star which will come constantly closer to the vicinity of earth and which will apparently take an irregular course.... By observing its path their attention is drawn to ever new peculiarities.... And they will recognise it as a danger to earth.... and at the same time they won't want to believe in its destruction because it will never before have been experienced.... But I will allow it to happen, because My eternal plan of Salvation necessitates something extraordinary which still intends to benefit humanity.... and because it shall be an warning sign of the work of destruction which will follow soon afterwards and which will bring this period of Salvation to conclusion.... The more the end approaches, the greater will be the irregularities which people will experience, because they are meant to take notice and begin to wonder about the correspondence with that which is quoted by the believers as the Word of God, as predictions by seers and prophets, and endorsed as truth.... And now My spirit also proclaims through My servants on earth the near end again and My loudly resounding voice of thunder before this event.... and these very phenomena will bear witness of the truth of My Word.... Pay attention you humans, and just look at everything as indications of the end, which I give to all of you so that you do not fall prey to ruin, for everything that happens is so important that it would be able to convince you if you were of good will.... The time is fulfilled and the end is near....

Amen

Changes in the constellations....

B.D. No. 6405

November 18th 1955

You will experience a series of events at short intervals which will greatly disturb you since you will be unable to explain them, and hence you will fear powers against which you cannot defend yourselves. Nor will you be able to find a correct explanation because it is My will that each one of you shall take all eventualities into account and adopt an appropriate attitude.... because I want each one of you to still derive a benefit for yourselves, that is, for your soul.... Where faith is entirely absent people will be particularly apprehensive, whereas the believers will more or less abide by Me and know that they are protected in My care.

Nevertheless, the cosmically generated phenomena will lead to much public debate so that every person will spend some thought on them himself and also discuss it with other people. At times worldly interests will be less important, yet once these appearances have passed worldly people will enjoy the pleasures of the world even more eagerly and only a few will retain impressions which will result in reflection and even to a change of attitude.... until the same cosmic events repeat themselves and trigger new anxiety.... For the scientific community fears a serious threat to planet earth.... since the mysterious changes in the galaxy have never been observed before and may pose a considerable risk to earth. And people's opinion regarding the assessment of effects will vary considerably.... People will carelessly brush it aside and, without a second thought, enjoy their lives; others will take entirely futile precautions, while others still will withdraw within themselves and mentally come to terms with their God and Creator.... And I allow everyone his free will, I only ever try to encourage people to think correctly, to pay attention to the human being's true purpose.... so that they will find peace in Me and then can be led by Me for the salvation of their souls....

But what will happen?.... The zodiac will change.... Stars will be moved into other orbits with new positions in relation to earth.... and thereby stars never observed before will become visible, one of which will emerge as a direct threat to earth as a crossing with the earth's orbit will be feared.... No-one will want to believe that this will happen, and no-one will believe that natural laws can change, but you humans are facing the end.... **You yourselves** are preparing something that will have even worse effects, for what **you** undertake will endanger the **whole earth**....

What happens due to My will is, however, just a sign of the end, it is a serious warning for you and I only grant you such obvious signs of a higher Power's existence so that you can turn to it and thereby also avert a real danger if you, that is your soul, make correct use of it. But what follows **afterwards** will affect the whole earth and everything living on it....

And this is why I will manifest Myself in advance in an unusual way yet without forcing you to acknowledge Me as the Initiator of what will have a huge outcome, yet will not affect the **whole** earth. For I know all natural laws and their effects, I also know how to avert any happening or lessen its effect.... But what I allow to happen will always serve your deliverance, it is intended to drive you to Me, it is intended to let you humans recognise a 'God' in Whom you should take refuge because He is your Father.... It is the last sign before the end.... It is the final attempt by My love and mercy to save what can still be saved....

Amen

Announcement of a star....

B.D. No. 7405

September 5th 1959

What you are given through the spirit can be unreservedly accepted by you.... And thus you shall know that earth's approaching end is already becoming apparent in the universe, that cosmic changes are taking place, because it is God's will that at the conclusion of an earth period all kinds of signs shall become obvious which cannot be explained by the human being as natural phenomena, which shall prove a Creator's power to him and which thus most clearly point to such a Creator. And these cosmic changes mostly concern the deviations of stars from their normal course, which assume different orbits, and such processes are and will remain inexplicable to people and yet cannot be denied. The closer the end is approaching the more frequently will people detect such phenomena, at first barely perceptible but with rising prominence, so that people can truly say 'the powers of the heavens are being shaken....' It won't be related to human will, it shall be entirely an expression of God's will, and therefore all people could believe in God if only they would attentively observe such unusual phenomena. But anyone unwilling to believe cannot be more plainly convinced either that a God and Creator exists Whom all elements in nature have to obey.... However, anyone who pays attention to Him will also know what hour has struck....

And thus a star will leave its usual orbit and move towards earth. This star takes its course independent from people's will and poses a grave threat to them, yet its path will not be restrained, because earth must endure a tremor for the sake of humanity's detriment as well as its benefit For many people will thereby lose their lives, as it was proclaimed long in advance.... And the earth will suffer an impact.... The danger to the entire planet will be inconceivable, yet this natural catastrophe will not result in total destruction but nevertheless be on such an unimaginable scale that it will already be the end for untold people. Yet those who survive will approach the final end soon afterwards.... an act of destruction brought about by human will, which certainly will be permitted by God but is not His will.... whereas the former cosmic catastrophe still had a redemptive purpose by even now giving unbelievers a final indication of a Power Which controls everything and that nothing happens by chance.

They shall still be given a means of rescue, a final means of attaining faith as not to go astray. Through this event God Himself speaks to people who disregard his gentle voice, but His loud voice often resounds painfully and thus will claim many victims, that is, many will find their death, but they nevertheless will still have the opportunity in the kingdom of the beyond to catch up with what they had neglected to do on earth. Yet many will also have the grace of surviving the final short period until the end, and then their will to believe is once again decisive, for the unbelievers will not derive any benefit from their experience.... And in the end they will only reap the fate of a new banishment, from which God in His love would like to protect people. And this is why he admonishes and warns people in advance and draws their attention to all phenomena in the last days.... and blessed is he who

believes and lives his life accordingly on earth.... He will be led through all difficulties, and whatever happens to him will be beneficial for his soul and his maturing on this earth....

Amen

'The powers of heaven shall be shaken....'

B.D. No. 8379

January 13th 1963

I also foretold you that by the signs of the time you will recognise that the end is near.... And these signs will be so obvious that you will no longer need to doubt and know the hour you live in.... For the powers of heaven shall be shaken, you will be able to detect cosmic changes, natural phenomena which should make you think; they will be observable and even the lawful order of nature seems to have been revoked.... and yet this, too, is governed by divine law, for everything that will happen and take place is based on My will. Yet only the truth of what was proclaimed by seers and prophets and what I foretold you Myself about the end shall be revealed to you humans. For everything will become disorderly during the last days so as to make you humans take notice.... Since you no longer accept any faith in a God and Creator, since you think that My works of creation are subject to your influence, since you consider yourselves powerful and extraordinarily knowledgeable, you will also have to be given evidence to the contrary, you will have to recognise your powerlessness in view of phenomena which cannot be stopped or changed by you at will.... Furthermore, you must recognise that such predictions, which you cannot deny, have already existed for a long time and that the time has finally come when it will be fulfilled what is written and what is repeatedly proclaimed to people through My Word.... Yet people will even regard the cosmic changes to be the consequences of their own activities and consider themselves as masters with the ability to cause such cosmic changes, and thus they will deny God with absolute conviction. For My adversary's activity in the last days intends to dethrone Me and therefore he will be bound again....

But there will also always be people who are aware of the time and speak on behalf of Me and My kingdom to the world, to those who are entirely without faith.... For they know that the last hour will soon strike, they also consider the cosmic changes as evidence because I predicted them Myself when I lived on earth. 'The powers of heaven shall be shaken....' this Word, too, has a spiritual meaning which you humans are as yet unable to grasp.... Everything that comes forth from Me, that is based on My will, is alive, and since My strength, which always generates life, will express itself every rigid form will be brought to life.... In the last days before the end My strength will flow out abundantly, everything will become less dense everywhere, that is, the sun of My spirit will penetrate the darkness of night which enshrouds the whole of the earth.... The sun of My spirit will flare brightly and its radiance will give life to everything, it will awaken what is sleeping and give life to the hitherto dead as it is struck by this beam.... Thus the powers of heaven will express themselves which you humans are incapable of stopping.... But in the end My Power will also express itself in a purely natural sense which no-one will be able to explain, for I predicted unusual signs before the end, and these will happen in such a way that humankind will be able to observe the events in nature with horror since they cannot prevent them with their own countermeasures.... Instead they will even contribute by releasing forces whose effects have not been ascertained as yet and which therefore result in all-destroying consequences and accelerate the final end which, admittedly, is intended in My eternal plan of Salvation because I have always known people's will and therefore based My plan of Salvation on it.... but which nevertheless will be carried out by people themselves who believe themselves able to surpass Me and who are visibly under the adversary's influence whose devastating effect will then become apparent....

It will happen as it is proclaimed, and anyone who pays attention can already recognise the signs of the time.... anyone who pays attention also realises that My Word is truth, which is conveyed from above to people as a greater than great gift of grace for anyone who wants to accept this gift.... For at no time ever have I left humanity without forewarning when it was faced by events which I had to send over people as soon as they were at risk of utterly losing themselves to My adversary.... My

judgments have always been preceded by warnings and admonitions, for I always wanted to offer people the opportunity to come to their senses and make use of the short time they had left so that their souls' could emerge unscathed from all such judgments. Yet these admonitions and warnings were never allowed to compel belief, and this is why My present proclamations will also find little credence no matter how clearly the signs can be observed.... People try to explain everything in a way that is more to their liking, and this is why the end will take them by surprise, for the time is fulfilled, the end is near....

Amen

Cosmic changes....

B.D. No. 8780

March 15th 1964

I want to guide you ever deeper into truth so that you will bear up against all challenges by My adversary who leaves no stone unturned in order to prevent your work for Me and My kingdom. And the more knowledge you possess, the more you penetrate the truth which can only be imparted to you by Me, the more firmly will you stand your ground, for you will realise that all objections and contradictory statements are pointless and unfounded, they will only ever be empty words without deeper meaning and significance. But it is My will that the light in you shall become brighter, that in your ever more enlightened state you will learn to recognise all correlations and will therefore not be unsettled by objections anymore. And I also want you to correct errors when you are confronted by them.... I want you to be sincere fighters for Me, I want you to fight with the sword of your tongue where you are opposed by error, for you have been chosen by Me as bearers of light to convey the truth to wherever there is the will to know the truth.... And in particular the end of this earth will often be a controversial subject because hardly anyone wants to believe in it.... and precisely because the process of final destruction will be such a momentous event it does not seem credible to people.... for they have no comparison to such an event, no matter how far back they can think. And yet, it will happen and take everyone by surprise apart from the small group of those whose life of love granted them inner enlightenment and who therefore also consciously expect the end of this earth. But wherever even the slightest worldliness prevails, where people have still not entirely detached themselves from the longing for worldly possessions, there will only be weak belief or none at all at the end of this earth, and they will reject all proclamations of this kind as false prophesies and time and again try to contradict them. And extensive explanations will not suffice either, because they simply lack the will to believe in such prophesies, their love for the world is stronger than their love for their neighbour or they would be spiritually awake and incapable of doubting in the slightest what I Myself proclaim through the working of the spirit to people time and again, so that they will prepare themselves for a near end.

However, you, My bearers of light, shall ever more strongly believe in everything I say to you, you shall experience My love and My constant presence, you shall lovingly and gratefully accept the immense gift of grace I give to you because you are faithful to Me and fight for Me and My name because you love Me and your neighbour. And for that reason I want to give you a proclamation which again will only be accepted by the profoundly devout person but which soon will also be able to convince the doubters, for not much time will pass until the first signs of a great cosmic change become apparent.... which cannot be explained by any scientist or even the sharpest of intellects and which will give rise to serious concerns.... And you will have no possibility of protecting yourselves from the looming disaster; you will only be able to wait and thus become greatly agitated, for the said cosmic phenomena will be the onset of the immense natural disaster, for the universe will revolt against all unspiritual beings within the vicinity of earth and which at present exert an extraordinary influence on the spiritual beings striving towards ascent.... A tremendous battle has erupted between the spirits of light and of darkness, for these spirits know that a turning point is approaching and both sides will use the last days to an extraordinary extent.... And these spiritual battles for people's souls on earth affect the various stars in the universe which in some respects are in spiritual contact with Earth.... And with My approval the inhabitants of these stars also participate in the final battle on this

earth, and they express themselves by way of massive eruptions which can be observed from earth and cause acute anxiety in people who are able to monitor the course of the stars and their changes of movements, which in all probability will not bypass Earth without a trace.... Humanity can only be woken up by science now, for they do not listen to spiritual notions but cannot deny scientific observations and by thinking about it they can still find the right path with good will. For the greatest prophets may arise on earth and yet people will not believe them.... And neither can I speak to people in a compelling way in order to make them aware of being in danger due to the approaching end.... But I can let unusual things happen in My creation by apparently revoking the order and yet this, too, is part of My law insofar as that it is included in My plan of eternity for the sake of a specific purpose. And again there will be people who won't even allow themselves to be impressed by this, who will continue to live their sinful life and head towards the abyss without letting anything get into their way.... But there will also be a few who will start to wonder and then listen to the explanations given to them by My messengers of light.... And the faith of those who want to remain loyal to Me will be strengthened again, for they recognise the truth of My Word and therefore firmly hold on to My promise that I will remember all of them and fetch those home on the day of Judgment who believe in My Words and remain faithful to Me until the end....

Amen

Cosmic changes....

B.D. No. 8781

March 16th 1964

This is an **unusual** event which I announce to you.... you will think that you are mistaken yet time and again experience the same.... earthly tremors which are not caused by eruptions but always occur when the earth stands in a certain constellation to the stars.... so that the tremors can be anticipated on a regular basis and will not fail to happen. They will be barely perceptible and hence disturb few people, yet investigations by scientists will give rise to apprehensions of the worst kind. Furthermore, as the phenomena intensify they will also unsettle indifferent people once they realise the threat to earth from other heavenly bodies because, having left their path, the latter are moving towards earth and, time and again, form a constellation which triggers these very effects.

In view of the approaching end people shall still be aroused from their calm, they shall remember their Creator and think about their own transience and the fact that they have no guarantee of passing into complete oblivion after their physical death; they have to be reminded of the end of their lives and also of the fate which will await them if they believe in the continuation of their soul's life. The last days will exhibit so much that is contrary to nature, given that people's activities and thoughts are already unnatural and result in consequences of the worst kind.... People undertake explorations of the universe presumptuously and beyond their authority.... They disregard natural laws and, yet, their actions and intentions will not be prevented; the repercussions, however, will rebound on them. Nevertheless, the end is moving ever closer, and if people are yet to be helped by taking stock of themselves and becoming aware of their great responsibility then an unusual activity on God's part will also have to be shown to them, even though it is still up to their own free will to take notice of it and adjust accordingly.

And such unusual activity will be experienced by humanity in the forthcoming time. It will not be caused by people but take place in the cosmos, in a region which is entirely subject to the Creator Himself, which is now seemingly sliding into lawlessness, and yet even this event is integral to the plan of returning the spirits, since it is capable of leading to a change in many people because it is too extraordinary.... but without compelling them to believe, for the unbelieving person will not even take the trouble to find an explanation since he lives utterly irresponsibly.

And people's spiritual state in the last days has already sunk so low that even extraordinary natural events would not make them believe, consequently even these methods can still be used for the benefit of undecided people who need strong motives to seriously reflect on it and aim their will into the right direction. For whatever can still be done in order to keep the souls from the fate of a new banishment

will be done by God, Who loves humanity and does not want them to go astray.... But every time He manifests Himself in the manner it was announced there will be fatalities, otherwise people would not allow themselves to be impressed and mutually accuse each other of self-deception.... For the effects will vary from place to place, and it will take scientists a certain length of time before they succeed in finding the right explanation, but then the signs will repeat themselves with ever increasing frequency and provide people with the evidence that something is happening in the cosmos which they cannot counteract themselves.

And thus they will also be subject to the periodically recurring consequences until, finally, the huge natural event will take place which will demonstrate God's might and greatness to people who believe in Him and who will also be protected in every adversity. Yet, although people are repeatedly informed of an approaching end, although the preceding natural disasters are repeatedly pointed out to them.... they won't believe nor change their way of life in the slightest, they will do nothing to prepare themselves, they live in the world and love it, and look at the world as their God And therefore they will remain attached to matter when the end has come.... Yet everything has been determined in the divine plan of Salvation and nothing will come to pass that has not already been taken into account since eternity....

And thus even this unnatural event will take place according to divine will, and the day for this has also been predetermined and will be upheld.... Nevertheless, you shall be informed in advance so that your faith may be strengthened, because everything will come to pass as was said **before** and because you will recognise the truth of what is conveyed to you from above ever more.... For you ought to establish a connection between God and the world, with your fellow human beings who live without faith or thought.... Admittedly, you will only be able to speak about it after the initial occurrences have taken place since prior to that no-one will want to listen to you you will only find open ears and hearts after a tremor has happened which will make people wonder and only then should you speak, and then it will depend on people's willingness as to what benefits they will draw from these events....

Amen

Language of God by cosmic events....

B.D. No. 8406

February 8th 1963

You should always remember, that you can't reach anything by your own strength, when it is about to avert disaster from you, that threatens you by unleashed forces of nature....And even if you also have a great deal of vitality, so that you believe to master your earthly life.... you are completely powerless to events or forces, which are produced by the forces of nature....you are at their mercy and you can only dam up their violence by having strong faith in Me and heartfelt prayer. And yet it seems impossible to you, that you **selves** will be affected by natural disasters, although you constantly get knowledge from those, that occur on the earth. But they don't touch you much, as long as you are not affected from it. You will not accept something as truth, because it is not pleasant to you, but you will experience it, and then those will be blessed, who believe in a God and creator, whom is given all power in heaven and on earth, for he will call Him for help, which can not be given him by a human hand. And if you are still so richly blessed on earth, whether you are equal physically to all requirements, you will recognize your weakness and lack of strength in the face of impending disaster, that will come upon you. Because this is the last way, the last warning call before the end, which will bring you to your senses.... which applies especially to those, who go their way in thoughtlessness and lukewarmness and did not find a right attitude towards Me, their God and creator. I want to respond **those** people with a loud voice by the elements of nature, who do not respect My silent speech. I must try to make them thinking the other way by cosmic events, because teachings by My word are rarely adopted by them, and they don't give credence to these. And so the earth will be afflicted by a natural disaster of such immense extent, that you people can't believe, because nothing of that kind in the past is conscious to you.... But also that I have announced to you a long time before, but you always put everything in the far future, but once will become the present.... Countless people

will lose their life, but these will have yet the possibility in the spiritual realm to develop upward. But the survivors is also available only a short time, which, however, would fully suffice, to ripen yet, if it is utilized right. Always again I must you people announce this natural event, that you can be prepared, that you believe it.... and that the unbelievers get to know a proof of the truth of My word, as they have through you acquired knowledge of what is imminent to the people on earth.... Never I have brought a court upon the earth without having people advised of such before.... And it will be a court for many people, who depart this life completely without faith and now must be responsible and must take the lot on themselves, which they themselves have created on earth. All of you would be shocked, if you would know, how short you are in front of that.... But you will never be given an exact time, because that would not be beneficial to you.... But when I can speak directly to you and send on My word, then you truly can give faith to My words and accept everything as truth, even if it appears purely rationally not acceptable or not credible to you. Nevertheless deal with such thoughts, and this will only be a blessing. That's why I let you people take insights into My eternal plan of salvation, so that you may understand it, that and why a total transformation of this earth is imminent to you, because it's not just about you people, but also to the spiritual still bound in the creation, which shall get free and will continue its development.... And then you will understand also, that I let you people sound a last warning call by an immense natural disaster, so you do not get lost and must take again the lot of the new banishment upon you.... Because I'm still trying every means before the end, that could mean the aid for the people, who have not yet completely become addicted to My adversary.... But My eternal plan of salvation is set, and it comes true, when time has come....

Amen

Exceptional light phenomena

Natural phenomena.... Temperature.... Star.... Predictions....

B.D. No. 1153

October 30th 1939

Time flies and people don't change their mind; untold souls will perish, unless the Lord still offers them His love in the last hour, when He will bring the horrific destruction of all worldly things home to them.... And therefore pay heed to days which will significantly differ from the usual time of the year. The lower the sun stands the brighter will be its shine and extraordinary heat will astonish people.... This will give rise to all kinds of assumptions.... People will look forward to the approaching time partly with cheerful confidence and partly with anxious reservations, and the human being will be inclined to acknowledge supernatural activity.

Yet only few consider their relationship to God.... They don't realise that God Himself wants to direct their thoughts to Him, they don't even try to look for a connection between Him and the extraordinary natural phenomena.... Indeed, they very quickly get used to it and don't derive the slightest benefit for their soul. For if only they would pay attention they would understand the call from above. But if they do not consider their relationship with the Creator, they remain earthly minded and don't accept any spiritual gift. And all these extraordinary natural phenomena are expressions of spiritual activity by powers which are subject to God and willing to serve Him. More spiritual currents will emerge and make themselves known to people in various ways, and yet people will not spend much thought on them, for the power of darkness has tremendous influence and fights against all spiritual recognition.... it tries to weaken the Divine, consequently humanity will only ever pay attention to earthly events and remain indifferent to God's activity in nature, even though people clearly will be beneficially affected by them. Just a small number see God's hand reaching out to people and try to enlighten their fellow human beings, but they only acknowledge physically perceptible benefits and not an instruction from above that intends to cause a change of human thought. And in this time of well-being, caused by the sun's extraordinary effect at an unusual time, an event will take place which should even make spiritually blind people think....

A star will separate itself from the firmament and change its path.... This star's radiance will far exceed all others, it will shine brightly at night and approach earth so that this appearance, too, is unusual for people and yet at the same time demonstrates that the Creator of heaven and earth is in full control and thus also dictates the movement of stars according to His will. Once this star becomes visible, humanity will be getting ever closer to the spiritual turning point.... It is offered so much spiritual assistance that it really only needs willpower to accept this help, yet it grows ever more obstinate, its thinking becomes ever more deluded.... And the time is not far away of which the Lord said on earth that the world will be turned upside down if the human being closes his heart to all spiritual issues.

The light will also shine where it is avoided, for the light's radiance will be so bright that it penetrates everything, and even the spiritually deluded person won't be able to avoid seeing, but he wants to reject it anyway, and thus in the end he will be consumed by the light.... For everything bright, light and clear banishes darkness.... And the light will defeat the darkness in so far as darkness has to retreat once the light of truth breaks through. And lies and illusions will crumble but truth will last for all eternity....

Amen

Pay heed to the occurrences of the last days. And thus you will soon become aware of changes in nature; you will be able to observe a peculiar power-play, a phenomenon which will make you think, if you regard it with the right attitude towards Me, the Creator, Who also causes these appearances to take place in order to turn all people's attention to Himself. And you will notice that only few people have the right attitude towards Me, that most try to explain everything in a worldly sense and are not especially impressed by extraordinary manifestations. This luminous sign will show itself during the day, it will be visible in the sky without prior warning and will not permit any other interpretation than a reference to Christ's act of Salvation, because it is in the shape of a cross with the unmistakable face of the Redeemer. And this luminous phenomenon will give rise to much debate, and now My servants should prepare themselves since this manifestation will be the beginning, it is more or less intended for all people, because it can be seen by all. But how differently it will be regarded and how little it will be understood....

I will cause a visible sign to appear in the sky and yet find very little attention; I will place the work of Salvation before their eyes that they may believe in Jesus Christ and become blessed, but their faith in Him will be as good as gone and will no longer be found or strengthened either, in spite of this luminous appearance. Because humanity has become too worldly minded and does not want to believe, because they would like to evade all responsibility which they could not do if they had faith in Christ. And thus, this luminous appearance will again be a sign from heaven, a sign of the last days, for only a few people. Although many will indeed be seized by inner unrest it will soon give way to tense attention which, however, is only due to the appearance as such. They will not believe that it is related to the forthcoming end and will merely mock the believers, who will proclaim these predictions to their fellow human beings so that they can prepare themselves for the end. They will find little belief and yet may not slow down in their work for My kingdom, because such opportunities are a special grace for people on earth to reflect and consider the thought of possible intercession by supernatural forces through extraordinary natural phenomena, that the appearance will have been planned by Me to remind people of the end. Science will provide an explanation which will also be accepted, but anyone with spiritual aspiration will recognise Me therein and will cheer and rejoice in view of the imminent end. Because the world will have nothing more to offer him yet his heart will be full of hope for life after death, and he will long for the last hour which will release him from earthly hardship, as I promised, that I will come in the clouds to take My Own home into My kingdom. He will know that the hour has arrived when earthly tribulations increase and no more worldly help can be expected. Then I will shorten the days so that My Own will remain faithful and endure to the end....

Amen

Mysterious light phenomena....

B.D. No. 6134

December 13th 1954

In the dark, which is spread over the earth, people need a lot of light.... and whether they are also mostly not willing to accept light, whether they also mostly prefer to walk in darkness.... Nevertheless My light from above is supplied to them, because the merciful love of the world of light forces itself to bring you people help. And countless beings of light are near you people on earth, always ready to set light in you.... to push you softly, to do works of love, so that a light may shine in you and light up your spirit. I Myself have instructed My angels, to activate their urge of love to you, and My will is also their will.... Just in the last time before the end, when the darkness will be always deeper, the earth is surrounded by light beings, who let stream their forces to earth and find open hearts everywhere, whom they can bring light.... Before the end their will of love will always be more powerful and cause them to unusual activity from time to time.... that light phenomena demonstrate their work obviously.... phenomena, which are not a satanic illusion, but point clearly to another power.... phenomena, that will make happy, who are Mine, but will give My enemies fear and horror,

who want to believe nothing and yet experience something, that can be explained only by faith. My light messengers are instructed to use their strength in My will, and where it is necessary to achieve a work of rescue, there they come together and act with united strength.... so, that their activity is seen everywhere.... that their wealth of light radiates to earth in a visible way to all men. Before the end people will think about light phenomena of mysterious nature, and it will not be easy, to explain naturally these phenomena, but which the science will try.... Light phenomena of mysterious nature will also give reason for suppositions, that are completely wrong, but he, who seeks light, will also find it, because the inhabitants of My Kingdom recognize the thoughts of each human, and they look after him, who searches in a good will and asks for light. For heaven and earth.... the kingdom of light and the realm of darkness.... are subjected to Me, and all perfection, radiated through light, helps to drive out darkness on earth.... And that will also happen, because this is My will, that people on earth will be given every help, which can rescue them, to what all beings of light are ready....

Amen

Evidence of a massive natural disaster

World events.... Natural events....

B.D. No. 1436

May 25th 1940

Let God reign alone only, He will direct your fate according to His will.... And so the world event takes its course. It brings salvation to many souls in earthly and spiritual sense, although satan's activity is unmistakable. But God is everywhere, where a thought is sent up to Him. And the distress and the misery is so great, that the souls turn to God full of desire and ask for deliverance from distress. There are often agonizing hours, preceding the death, but some souls struggle through and finds the right path, and then the life on earth is still blessed by the right recognition. Now the man is so to speak only a means to an end.... He is sacrificed without scruple, he fulfills his purpose and lays down his life, because he himself is powerless against earthly power. And his victim is graciously accepted by the heavenly Father, and his prematurely ended life will be taken into account for him in the afterlife and also his soul will be granted help, if the spiritual maturity is not reached yet. But who have blamed misery and distress from self-interest and greed, to whom great afflictions will still be granted. Because the suffering of fellow men cries out to heaven for retaliation.... This says the Lord, and His word is unalterable.... And so He decides, that all quarrel and contention remain undecided and the unspeakable sacrifices should be brought in vain. He puts a stop to the doings of him, who has great power; He puts an end to the international struggle. This is provided in the shortest period. The activity of satan is so obviously to recognize, that now the Lord Himself will intervene, to limit him in his power. And truly it suffices only His will to that, and the object will be staggering, that seemed strong and unshakeable. The spiritual distress among mankind is unspeakably great, it should be controlled thereby first, because the mankind does not recognize the activity of the adversary in the world events, so it must learn to recognize God's activity in the natural events.... And the mankind recognizes much less yet, that the time has come, which the Lord has mentioned on earth. It recognizes neither the mental decline nor the urgent necessity of a divine intervention.... It lives and is afraid of the end of time and thus walks in darkest night.... in deepest spiritual darkness.... And that is why God will bring light.... He Himself will speak to the people, but not in love soft words, but He will speak to them with a powerful voice, that they may recognize Him and pay attention to His voice. So He will express Himself, that the one will recognize Him, who is faithful, but also this voice will not be proof of divine omnipotence and wisdom for the others. They will close their ears and want to hear nothing from a violent downfall of thousands and thousands of people. And yet they will have to hear it. The whole world will hear this voice and is conscious of its effect full of horror, because God wants to shake up the sleepers, to terrify the weak and to let recognize the strong their powerlessness.... He will pronounce a judgement and let atone them for violence and injustice....

Amen

Indications of natural event.... Jesus' reference on earth....

B.D. No. 2437

August 5th 1942

It is not coincidence that increased indications in nature suggest an eruption of the elements, for God sends these signs in advance in order to prepare people for an exceptional natural event which will suddenly and unexpectedly take people by surprise and result in inconceivable misery. People are meant to associate these indications with His Word, for Jesus Christ already mentioned this time when He lived on earth, because He wanted to point out to people the eventual consequences of their way of life. This time is now approaching; people should heed the signs which announce the event.... They should not ignore anything that deviates from the framework of natural law. God announces Himself,

that is, His intervention in the existing world order, it is not His will that people should experience anything unprepared which should and can advance them spiritually if the correlation of all happenings is explained to them. For this reason God constantly refers to the forthcoming time and informs people that the time has come which necessitates divine intervention. Then it is left up to every individual person himself what he makes of this warning.... If he believes, he will adjust his life accordingly, he will make contact with God and humbly entrust his destiny to Him.... They will not be in as much danger as those people who lack all faith in an intervention. The latter will not prepare themselves either, instead, all references and admonitions will bypass their ears unheeded. And the natural event will be dreadful for them.

For profound faith gives a person the confidence that they are protected by God in every danger; yet an unbeliever will have nothing to hold on to if he does not recognise a Lord above Himself at the last minute and commends himself to His mercy. God sends His messengers long before the event already in order to stimulate humanity's thinking, and these indications can be recognised by everyone who wants to recognise them. They will give rise to thought because they don't just occur once but repeat themselves often and at regular intervals, so that they will have to be noticed by everyone. But every person usually devises his own explanation and this depending on his attitude towards God. As soon as he associates these phenomena with God's will, he pays attention to them and thereby benefits, since he prepares himself for the time ahead, which is of great advantage for his soul. What God has proclaimed in Word and Scripture will irrevocably come to pass, only the point in time is unknown to people.... For this reason they should pay attention to the signs which God had mentioned. And thus they will know that the earth will be facing severe tremors which will cause incredible suffering to the human race.... Then it is up to every person to shape himself such that he can brace himself for the coming time.... He should persevere and appeal for strong faith so as not to weaken in view of the work of destruction which is in store for humanity. And God will take care of every person who pays attention to His Word and consciously expects the divine intervention....

Cosmos.... Changes.... Catastrophe....

B.D. No. 3630

December 19th 1945

Whatever takes place in the cosmos is unknown to you, and neither will you ever ascertain the laws of nature in such depth that you will be able to determine when and how changes take place which, according God's eternal plan of Salvation, must take place in order to prepare the work of Earth's redevelopment. The events happening in nature will always take you by surprise, consequently, you will also unexpectedly be confronted by a powerful natural event, which is understandable to someone with spiritual vision but which remains incomprehensible to the majority of people because they fail to recognise the correlation between all happenings, including cosmic ones, with the spiritual development of people and all tangible beings, and because they have no knowledge of the approaching end and the transformation of a work of creation which is only meant to serve spiritual development and has become pointless now due to people's God-opposing will. The preparations in nature proceed imperceptibly and people therefore pay little attention to them. And yet they would be able to observe many deviations which should make them suspicious if they were vigilant and allowed Creation to communicate with them more. Changes are occurring in the interior of the earth which will lead to eruptions. At first they will only partially break through in order to then, at a specific time, lead to a complete destruction of the earth's surface, so that God's eternal plan of Salvation can take the course His will had determined. Countless spiritual beings in the Earth's interior will liberate themselves and God will give His approval, He will allow them to become active at a specific time, because their activity does not oppose His law of eternity.... And the Earth will tremble when these beings become active.... It will open up in places and thus clear the way for the beings to enter different shapes than before.... And where this activity takes place it will cause great changes on the Earth's surface to the horror of the inhabitants who will be subject to a dreadful natural disaster.... However, this will only be a preliminary event for the subsequent total destruction of Earth; it will be

a final wake up call for all those who survive it and an indication of the near end, which will have previously found no credence with people. Nevertheless, God's language will be understandable to everyone who wants to understand it.

Everything that happens in the universe, including every cosmic change, is due to spiritual development, and even if people don't understand it on account of their lack of knowledge they must nevertheless be affected by the activity of beings which are still constrained in the interior of the Earth and which strive towards liberation for the sake of their higher development. Countless human lives will fall victim to this eruption and enter the spiritual kingdom in a more or less mature state. Yet countless beings will also be released and be able to strive towards ascent in different forms. And so the immense event in nature is simultaneously a process of release after an infinitely long time of constraint within hard matter and a transition for the indwelling spiritual substance into less painful forms, but it also ends the process of development of spiritual beings in the last stage on earth which could have used their free will for their deliverance. No-one can predict this cosmic event in advance unless, in profound faith in God, he is informed of it by the spirit of God, for the divine laws of nature are not perceptible for people, so that the day and hour will always remain hidden until the first tangible manifestations announce themselves, but which will be ignored at first. Yet as soon as the day approaches, great restlessness will come upon all living beings, human beings and animals alike will inwardly feel it, and only spiritually awakened people will be able to explain it and yet not be listened to by the worldly-minded, who will never want to accept a destruction of Earth and thus be taken by complete surprise by the eruption of the natural elements.... And God will repeatedly announce this event, He will not leave people in ignorance as to what they can expect in time to come. Again and again He instructs His messengers to mention the forthcoming event. For the day will not be long in coming.... Any careful observer will also recognise the changes, and he will look upon it from a spiritual point of view, for the goal of everything that comes according to God's eternal plan of Salvation relates to the spirits' development, which is in danger and which God's love wants to help....

Earth rotations.... Earthly tremors....

B.D. No. 4348

June 23rd 1948

For a considerable period of time already the earth has been rotating around its own axis with extraordinary speed. Admittedly, the constant rotations are by no means noticeable to the human being, but only because he is on earth and they can only be observed from outside the earth. Nevertheless, changes in the cosmos are perceptible which are caused by this phenomenon. It is like a regular trembling which can be felt more or less faintly when the body is in a resting position and susceptible to the slightest movement. This phenomenon will lead to the total dissolution of Earth after an incredibly long period of time but will be hastened through human intervention on account of which the conclusion of this epoch can be traced back to human influence, even though it has been included from the start in the divine plan. The earth would actually have an inconceivably long lifespan, i.e. its existence would be guaranteed for an infinitely long time, yet God's will allows itself to be determined by human will, God allows people to accomplish what will cause them even the greatest harm. In His plan of eternity all changes in the cosmos are established according to His wisdom and love. But the scientifically educated human race does not want to know anything about a change with inconceivable consequences, and yet it constantly takes place.

This change.... an excessively fast rotation of Earth.... will also trigger the natural disaster which has been proclaimed by seers and prophets since the beginning of the period of Salvation and which is now revealed again through the spirit of God. This process is humanly not easily explainable, however, simply said, the rotations will increase and stop for seconds, which will manifest itself as earthly tremors of such tremendous effect that people will believe that the end of the earth has come. No equivalent to it can be found on earth, for it is an expression of power which comes from the universe and is unknown to earthly science. The consistency of the stars activates such forces, and the

interior of the earth will be affected by them and to a certain extent therefore be moved beyond the law, which always manifests itself in a destructive manner, yet is sporadically allowed by God for the purpose of dissolving even the hardest matter in order to release the constrained spiritual substances within. And this act is approaching soon but will only be the spectacle of a few seconds, yet with preceding signs which by themselves can already be called catastrophic because they generate indescribable panic amongst people and therefore will have to be considered as being within the timeframe of the catastrophe. Nevertheless, everything is eternally predetermined and God's plan will come to pass, as it is written....

Amen

Supplement and explanation regarding no. 4348....

B.D. No. 4355

June 27th 1948

Explain the process to yourselves like this: The faster the earth moves, the shorter the period of time it takes for one rotation, and the stronger becomes the atmospheric pressure that is caused by its movement. Normally this atmospheric pressure should be felt on the earth's surface, but this is not the case. Hence this is already a scientifically unexplainable deviation from the natural laws, therefore it follows that the natural laws applicable to earth lose their validity outside of it.

Nevertheless, this fast rotation affects the earth's surface insofar as a crust is being formed which is a suitable growth medium for vegetation, therefore a continuous habitation of the earth's surface is only possible due to its perpetual rotation, due to the generation of a force which affects the ground, that is, which does not spread outward and dissipates but works from the outside towards the interior of the earth. This force is life-giving but cannot be explained by human intellect, precisely because it arises and is effective beyond the law. Were the earth to stop its velocity all life on it would solidify, on the other hand, however, an increased velocity would encourage abnormal growth but also penetrate and affect the interior of the earth and bring about eruptions which would endanger the earth's core and jeopardise its continuation. Such increased velocity is currently happening and its effects will also soon become apparent. If the final result is to be avoided the excessive energy has to find a sphere of activity.... it has to have an explosive effect in places, which consequently takes the form of a natural disaster. This will slightly reduce the speed of the rotations, the newly generated energy will find new soil which it can animate with plants and animals and the continued existence of earth will be guaranteed for a brief period of time again, until human determination once again triggers forces which have not been completely ascertained as yet and which have an all-destructive effect, because they can effectively be described as adverse forces, i.e., they work from within towards the outside and the opposing actions of both forces signifies total destruction, which can certainly be explained to but not understood by people.... Spiritually advanced scientists will easily be able to understand this process, for they no longer look at the activity of natural forces beyond the law with so much disbelief, because they know that the sphere beyond earth is an area which cannot be fathomed with earthly reasoning power, because they are subject to other natural laws than those applicable to earth.

Every celestial body is a world unto itself, and in every celestial body the will of God's love has expressed itself differently, because His countless thoughts are implemented by His might and strength and every thought testifies to most profound wisdom. According to human opinion such manifold diversity of God's creations cannot exist, since the power of imagination is limited, but God's thinking is not limited and no obstacles exist for His creativity. The fact that the human being, the inhabitant of one of God's countless creations, would be able to completely ascertain God's reign and activity is entirely out of the question, for he instantly rejects what appears to be impossible but what is always possible for God. Thus, the timing of the movements of earth, its path and its composition can certainly be calculated and explored, yet only ever as far as the earth's applicable natural laws which are known to people form the basis of it. Anything over and above this is beyond his knowledge and intellect. But an 'over and above' does exist, or earthly science would be able to accurately determine when and in which form as well as for what reason the final destruction of earth will

happen. It is incapable of establishing this, however, it is not proof that the destruction of earth will not take place. Here faith is placed in opposition to science.... anyone who values science more negates what faith affirms.... God proclaims the end of this earthly period; He proclaims a total change of the earth's surface along with the disappearance of all life on, in and above the earth.... This process is completely unknown to science.... hence it is an indication that a supernatural activity caused by God will happen; although not beyond natural law from His point of view yet for people who do not know all natural laws, all forces to the point that they can indicate and calculate such an event, but that investigations also have to be conducted on the basis of faith if they are to produce truthful results. Only then will the researcher also receive access to the area which otherwise remains closed to people, then he will be assisted and enlightened by spiritual co-workers, then he will also be able to have an insight into God's plan of Salvation, and much will be comprehensible and acceptable to him which his intellect would otherwise have discarded....

Natural disaster before the end....

B.D. No. 7151

June 22nd 1958

The earth will be shaken in its very foundations, because people shall be very clearly reminded of the end just once more, so that the thought of death will arise in them when they see themselves at the mercy of forces over which they have no control. Many people will in fact wonder how these earthly tremors came about but the rapidly succeeding events will not give them time for an answer.... For then detonations of huge proportions in different areas of the world will follow which make people incapable of thought, these will then be accompanied by a raging of the natural elements with inconceivable consequences, the extent of which can only be assessed by the survivors after the event. They will be inclined to believe that people's scientific experiments had been the cause of this incredibly enormous work of destruction. However, they will be **mistaken**.... It is **My voice** which will and must resound forcefully, because people no longer listen to My gentle voice, and for their own sake a last rescue mission before the shortly ensuing end is still needed. Countless people will thus lose their lives, good and evil people will fall prey to the work of destruction but it can still be beneficial for the survivors if they learn their lessons from it, if they learn to recognise Me and henceforth walk their path together with Me.... I have long announced this event in advance yet meet with little belief, because people are unable to imagine a natural disaster on such a huge scale and because nothing of the kind has ever been experienced since the start of this earthly period.... Yet it has always been mentioned, and if people only had a shred of belief in My Word they would also expect one day what was announced to them a long time before. In the last days, however, all faith has vanished and even My Own find it difficult to take these proclamations seriously although they are willing and always united with Me by love.

However, suddenly and unexpectedly the first signs will become apparent, cosmic changes will manifest themselves and everything seems to leave its lawful order; strange observations will be made regarding the movements of the stars and for short periods of time alarming eclipses occur, but time and again an apparent period of calm will follow until the elements of nature are so suddenly and dreadfully unleashed that no-one will have time for considerations, and then the only help available will be to mentally call upon Me for protection in greatest peril and danger.... All people who had previously accepted the information.... even if it didn't seem credible to them.... will be greatly blessed because they will know about this only way and need only call upon Me in spirit and in truth. But many of them will be incapable of thought and I can only advise them to turn to Me beforehand already by appealing to Me for protection.... and I will accept this request, because it also demonstrates their faith in Me which I then clearly want to strengthen.... How the event will come to pass need not be explained to you humans since it would not benefit you; but you can believe the fact that it will happen and that it will exceed the hardship and misery which has occurred until now. And you can also inform your fellow human beings of it with inner conviction, for it can only be a blessing to know that everything is predetermined by your God and Creator, however, not in order to cause you

harm but only to help your souls which are in extreme danger of going astray. For soon afterwards the end of this earth will occur, however, this will not be precipitated by Me but caused by human will which I nevertheless won't prevent from accomplishing all-destructive experiments, because the time has come for the unspiritual human race when a separation of the spirits will have to take place.... because all that which had left the divine order shall be led into order again, so that the faltered higher development can continue to progress on a new earth, which My love, wisdom and might will let arise again corresponding to My eternal plan of Salvation....

Amen

Unleashed elements of nature....

B.D. No. 8311

October 27th 1962

I will always and forever care for you, who are still very distant from Me and refuse to take the path back to Me, and full of compassion I look upon humanity which makes no attempt to turn to Me and to renounce My adversary for good. The end of this earth comes constantly closer, which decides all its inhabitants' future fates.... I let My admonishing voice sound ever more urgently, and an extent of suffering and adversity goes across earth which could truly suffice to change people's minds, yet most of them remain indifferent as long as they are not affected themselves, and their selfish love grows ever stronger so that they reward themselves with worldly pleasures and barely consider their unfortunate neighbours.... And although more and more accidents and disasters will happen, they even increase the adversities and suffering with their own machinations and thereby drive people into serious difficulties, sin gets out of hand and irresponsible are the actions of the individual person towards his fellow man.... They are so distant from Me that My voice can barely reach them, and thus it will prompt Me to resound loudly from above.... so that they will also experience extreme adversity through the elements of nature, so that they will no longer be able to hold their fellow human beings accountable **for that** which afflicts them but that they will have to acknowledge that a Power is manifesting Itself Which they themselves cannot oppose. I have to use this last means of force, although even this will not compel them to believe, because people will give themselves all kinds of explanations apart from the one that their God and Creator wants to express Himself in order to be heard by them.... The presence of faith in a God is extremely weak, and even this weak faith will be relinquished by many people in view of the work of destruction caused by the unleashed elements of nature.... And yet I will use this last means because individual people will still find Me when they, in extreme danger, take the path to Me and send a prayer in spirit and in truth to Me.... They will receive help in miraculous ways and then will never want to leave Me again, because they have received My obvious help, but this can only be given to those who call upon Me in spirit and in truth....

Countless people will lose their lives and will have to replace the earth with the kingdom of the beyond, but they will still have the opportunity to ascend, for the gates to the spiritual kingdom are not closed as yet and for many people it is still a blessing to be recalled from earth. And I truly know the state of their souls, to which extent they are still capable of being taught in the kingdom of the beyond.... However, the survivors on earth will be faced by a time of need which will only be endurable by making use of My strength and help.... For there will be incalculable chaos which you humans will be unable to master on your own, and then it will be shown that My Own will be led through all tribulation because My help for them will be evident.... And they will be able to offer comfort and strength to their fellow human beings too by also referring them to Me, Who alone can improve their situation but Who also wants to be called upon from the bottom of their hearts. This last intervention of Mine before the end will be a greater than great blessing as well, although most people will doubt My love, indeed, even openly deny a God Who lets such a disaster befall humanity. Yet there is not much time left until the end.... Hence everything must be done in advance to spare people the fate of a renewed banishment in the creations of the new earth, because this fate is so appalling that you humans can't possibly imagine it.... And if I want to protect you from this I will therefore continue to use those means prior to it which still promise a little success, even if you doubt them to be the work of a living God Who is love within Himself.... My only concern is that people will

remember Me in their distress, that they will take the path to Me, that they will acknowledge Me in their heart and then not go astray if they are being recalled, for then their ascent in the kingdom of the beyond will also be assured to them. And if they survive the huge natural event they will not relinquish Me anymore, and everyone will still be granted a time of grace until the end during which they can make a decision if they are still undecided. The time is approaching the end, and humanity still has to face many difficulties.... Yet those who believe in Me can calmly await even this time, for they will always receive My help, and this adversity, too, will pass by once it has served its purpose.... For soon I Myself will come and fetch My Own from this earth when the last day has arrived, as it is intended in My plan of eternity....

Amen

Hint on the upcoming event.... God's protection....

B.D. No. 1743

December 18th 1940

In view of the difficult time, that is in store for the people, The Lord sends following pronouncement: Go into yourself and do not reject the admonitions of The Lord. The weakest will, to follow these, will already be blessed by Him, for it brings strength to you, to endure, what comes over you. Consider, that you have no other help in the great distress than God The Lord. Seek Him still before and ask Him for mercy, so that then He can stand by you, but do not let be spoken the warnings in the wind. Because the help can only given to you, if you ask for. Who imagines himself so strong, that he does not believe to need God's help, whose spirit will be confused recognizing his appalling situation. But this man, who feels weak and implores to God, will surmount the severity, because he will be given the strength by God. Therefore hear the divine voice itself: Who pays attention to My words, who will need nothing to frighten, because I Myself am with him. And who possesses My word, can see everything to fall into ruin around himself, he himself will be amidst the decay, watched over by My love. Because the elements will stop before Him, the storm will change and reduce its strength, the earth will make itself feel only softly swaying, and the life of those will not be at risk, who connect themselves with Him, that's to say, who do not completely decline My word. And that is the sign of the truth of My word, that the one is out of danger, who lets speak My word to him, who only brings a little faith to My activity. Because so, as I come down now in word to you, who want to hear Me, so then I Myself will be near you and will protect you with My strong arm against the all-destroyed power of the elements, that ever do only My will and therefore will be banished there, where the children of earth live, who devoted to Me. Who only approves of Me in the heart, whose spirit I will direct to recognition, and his dedication to Me will also be his salvation. He will call on Me in the distress and so I can be with him. And therefore do not fear, but believe only.... Do not let your neighbour without warning, because that is true charity, that you draw his attention on what is coming and put it to his heart, that he should also turn to Me in the distress, to get My help. Because I only want your faith in Me, I want you to lift up your hands to Me, that you call for Me in distress, and that you ask Me already for mercy before, so that I recognize your will. And I will instruct all My angels, to keep away the heaviest suffering, because it is enough for My will, and you are surrounded by a rampart of beings, who serve to Me, and if it will also romp around you and over you, no hair of yourselves will be bent, because My love keeps watching over you and My protective hand passes you through all dangers....

Amen
