Catastrophe.... Fulfilment of the Scriptures.... God's love for humanity....

B.D. No. 2033
August 17th 1941

Only a few people turn their attention to the signs of the time, yet these few know that the time has come which Jesus revealed, for it is coming to pass as it is written, and they realise that every period of time has been preordained for eternity.... There is no doubt that that a terrible catastrophe is about to befall earth.... God's love is infinite and so is His mercy, and whatever will come upon earth is only based on His love. For without this happening humanity would be doomed. God knows of the many misguided people, of their wrong will, of their heartlessness; He knows that humankind is in a state far removed from God, and He takes pity on their spiritual hardship. He has no other objective but to change this pitiable state of humanity, to remedy it, to save people from utmost distress. And He foresaw humanity's adversity and, during the time He lived on earth, announced what His love and mercy would bestow upon people in order to save them. Yet humanity cannot and does not want to believe, for it no longer recognises God, it laughs and scoffs instead of taking stock of itself and continues on the path which is leading to disaster. And the hour will come when the extent of adversity will be immense, when the elements of nature will rage such that people will be incapable of thinking and taking actions, yet there is no other possibility for people to recognise their weakness; there is no way which could persuade humankind to turn to God without such suffering, and if it is not to go entirely astray it must accept this event which has been predetermined for eternity and will come to pass as the Lord proclaimed....

Amen

Prediction of a devastating event....

B.D. No. 0694
December 1st 1938

It is very beneficial for all of you to read the words of the Bible, and you will realise that the Lord in His time has announced His coming. The forthcoming divine Judgment is not the Lord's will but solely the will of humanity, which endeavours towards an almost complete separation from faith which will result in descending further into spiritual darkness. Purely to put an end to these goings-on and to save what has not yet been entirely taken in by the night, the Lord will fulfil His Word.... For His spirit foresaw the present as well as the approaching time, and in His kindness and gentleness the Lord has left no stone unturned in order to be able to prevent the divine Judgment. Everyone presently living on earth will be informed of it beforehand and able to avert the judgment from himself, insofar as that he will be protected from every danger by the Father's invisible hand, if only he trustingly turns to Him and thus acknowledges His power and love.... The many events preceding this in order to wake people up will also show you that the time is close at hand.

This time will not pass any person by without a trace, and there will be many signs which are intended to arouse people from their spiritual lethargy and draw their attention to the visible intervention of an eternal Deity. And the adversary will have his hand in everything and influence people everywhere to listen only to the thoughts and words of the world and to reject everything spiritual, for in their dominance and arrogance people are so convinced of their own strength and power that, by necessity, the evidence of their own weakness and inadequacy has to be demonstrated to them through misfortunes which human hands are unable to prevent. At first they will certainly accept such strokes of fate without experiencing any particular effect to their thinking.... Yet the events will happen increasingly more often and even make arrogant people inwardly tremble as they realise their vulnerability. And one such event is being prepared by the Lord....

He will intervene in people's arbitrary activity of injustice and perceptibly express His will to them.... This time will numb all emotional souls, for the scale of the event will be too powerful as to be considered coincidental. And in case of the event repeating itself many people will wake up from their sleep and prefer the dawning day to the darkness of spirit.... and to preach the Word of God will be the rewarding task of God's servants on earth, for nothing in the world happens without

consideration.... Nothing is hidden from the Creator's knowledge, and thus the Lord's visible intervention will not be without purpose and meaning for many people, but His intervention will be recognised as the helpful hand of the Heavenly Father which everyone should be willing to grasp. For the time is near of which it is written in Word and Scripture....

Amen

Lack of understanding for the prophecies.... Necessity....

B.D. No. 2555

November 18th 1942

Only a few people realise the seriousness of the time, and therefore the coming events can only be made plausible to a few. As long as they merely strive for the well-being of their body they will only pay attention to happenings which are related to it and cannot and will not understand a change of world events caused by spiritual urgency. For spiritual experiences are unfamiliar to them and all such references are deemed insignificant and unimportant, if not entirely wrong, by them. To announce the coming happenings to them at present will have little success and yet, they, too, shall be warned so that no-one will live to see the day in complete ignorance. For what they do not want to believe as yet can suddenly appear credible to them and motivate them to direct their mind towards God and call upon Him in distress. Spiritual thoughts are often inconvenient to a person since they only undermine his earthly life; as a result, he discards them when they surface and thus he cannot come to realisation either. As soon as a fellow human being wants to inform him and convey spiritual gifts to him he declines or ignores the gift. And thus he will not use the time which still separates him from the great natural event, so it will take him by surprise and completely bewilder him. And yet he cannot be helped in any other way but by mentioning the momentous change even though he is not fully capable or willing to take it in. For even the certainty that the prophesy will fulfil itself can already lead the person to sudden realisation.

God's love comes to meet every person, and He sends his admonitions and warnings to everyone, for He knows people's weaknesses and wants to help them when they are in trouble. But most of the time people won't let themselves be helped because they don't think they need it. And yet they suffer immense hardship for they have no inner contact with God, they have distanced themselves from Him and therefore won't listen to His voice which is speaking to them through a human mouth. They do not recognise it as God's voice and thus it will not affect them because they close themselves to its effect. Every day they live on earth in ignorance of spiritual life is a lost day and there are not many more, for the great earthly adversity has not yet come to an end and humanity is facing a bigger one still, which is inevitable for the sake of people's spiritual development. It will cost many people's lives and bring their opportunity for development on earth to an end. God wants to help them while there is still time and He sends His servants and representatives to them so that they will speak in His name and remind them to consider their souls and strive for higher spiritual development. And if they listen to them they can more easily endure what will come to pass, because they will realise that nothing that happens on earth is without meaning and purpose and that spiritual development is the ultimate purpose of earthly life....

Amen

Another prediction through God's Word....

B.D. No. 7830

February 19th 1961

You don't realise as yet what it means to be addressed by Me directly because you human do not **believe** that your God and Father speaks to you from above.... Your spirit is still unenlightened and therefore you do not deem it possible. Consequently, your concept of God is still very misguided, for you position yourselves completely outside the Power Which created you and are therefore also unable to feel Its love, because you are **without** love yourselves and thus the working of the Eternal Love is incomprehensible to you. But in just a little while you shall have the evidence that your God and Creator truly speaks and has spoken to you, for you shall experience it yourselves that My

constant announcements will fulfil themselves, that you will witness a natural disaster of immense proportions as has never happened on earth before. Time and again I proclaim this event to you without being believed.... but it is My will that you shall be able to believe when these proclamations of Mine prove themselves to be true, for I also want you to believe in the end which will follow shortly afterwards and prepare yourselves for it. All My predictions are only ever intended to encourage you to seriously tackle your task of improving your soul, so that you will make good use of the short time in order to be able to survive the end unscathed, so that you will not go astray again for an infinitely long time.... i.e., so that you will not have to endure the new banishment which will irrevocably threaten you at the end if you have not found your way to Me. I only want to save you humans and not let you fall prey to destruction but I cannot influence you **against** your will. I therefore speak to you through My messengers and draw your attention to the near end, I admonish you to consider your earthly purpose....

Time and again I proclaim My divine teaching of love to you, and you would all be able to have faith if only you had the sincere will to achieve the purpose of your earthly life. Yet you go along without any serious thought because you do not believe in the soul's continuation of life. But I cannot do any **more** than impart the truth to you Myself about your existence and your purpose.... I cannot do any **more** than speak to you directly through My messengers and so clearly explain everything to you that you would really be able to believe.... Yet you don't want to, and you cannot be compelled to give credence to My Words from above. Nevertheless, you ought to pay attention to all world events, to the state of affairs between people and the obvious low spiritual level. You also ought to be critical of yourselves and in regards to your way of life, and you should reflect on the meaning and purpose of earthly life.... Then you would recognise people's state of mind by yourselves and consider it plausible that this situation cannot remain as it is, that a change will have to happen and then attention will be paid to My Word from above. However, it requires good will for you to arrive at faith, for I will help everyone who wants to ascend from the abyss, who directs his thoughts to Me by trying to recognise what is right and despising what is wrong.... Truly, no better information can be given to you humans than through My Word.... You can really find no better explanation than that which I give it to you Myself by addressing you directly, and you can believe that I Am motivated by the great spiritual adversity to help you humans on earth in any way, that I convey the truth to you, which you don't know because My adversary does and has done everything in order to increase the darkness above you, so that you cannot understand anything properly anymore, so that you don't even recognise the voice of your God and Father Who wants to help and enlighten you before the arrival of the end. Listen to Me when you hear My voice through My messengers, don't reject what they bring to you, because those of you who do not believe are in utmost danger.... and you can still be saved and find faith because the pure truth is presented to you.... And I want to give you the evidence of the truth, because very soon what has been proclaimed for a long time already will be fulfilled.... that the earth will be struck by a powerful natural event such as has never happened before.... And shortly afterwards will follow the end, as it is proclaimed in Word and Scripture....

Amen

Reasons for the intervention of God

Omnipotence of divine love.... World events....

B.D. No. 1456

June 6th 1940

Record the following: You humans have the wrong idea about the omnipotence of divine love. You use different guidelines to evaluate events which signify both suffering as well as joy for people. You only see the effects in an earthly respect but cannot even remotely imagine the spiritual effect of the necessity on one hand as well as the consequences on the other hand. You always base your judgment on human feelings, and this even makes the love of God seem cruel to you. Yet you are not aware of the agonising state which will await the souls one day were I to protect them from all suffering on earth and seemingly only bestow My love upon them. This love of Mine is so great that I want to spare My living creations the suffering in the beyond and thus let them suffer before in a state in which they do not feel this suffering so much.

And yet, you do not recognise My love and crave to quarrel with Me. You live in a world where sensual pleasure provides you with a certain amount of satisfaction, yet in the world of the beyond you will, if you are enlightened, strive for the union with Me. Nevertheless, you first must detach yourselves from all matter in order to be able to unite with Me. But you are still very far from it, for you are still too captivated by matter and this to an extent that you still regard it as enticing. And thus I forcibly destroy what stands in your way to far greater happiness. I want to shorten your path on earth which you still have to travel in the body, I want you to learn to despise matter which is only an obstacle for you.... and you don't recognise My love.... you are still too strong-willed and don't succumb to divine will, which truly only considers you such as is helpful for your soul.... Always and in every instance try to imagine that My greater than great love is the motive for what I send or allow to happen to you, and you will learn to think differently. It truly gives Me no pleasure to watch My living creations suffer and thus I try to avert greater suffering from them.... You only ought to learn to look at world events around you from this perspective, which should be seen more as evidence of My love for you than an act of cruelty. Resist the thoughts which make you doubt My love, because it is only My love which makes Me act in a way that you appear to be the sufferers.

By yourselves you are too weak and don't desire enough strength which would help you overcome matter, and thus I take care of your difficulty and remove the obstacle from the path of your higher development. I take all earthly possessions away from you precisely because this physical hardship makes you take refuge in Me and thus look for heartfelt contact with Me, and then My infinite love will take hold of you.... and My infinite love will help you prevail. However, until you have entrusted yourselves to Me the loss of your earthly possessions will be painful to you, and thus you are still in an enslaved state, you are still too attached to matter, and you still don't recognise Me and My love sufficiently. And you are even inclined to wanting to deny Me altogether, because you look at all happenings from an earthly point of view and fail to consider to what extent the spiritual necessity exists so as not to let you perish. The danger of your spiritual downfall requires My intervention in a way that you doubt My love.... But I only have your spiritual well-being at heart, and every happening is intended to bring you this spiritual happiness. Therefore you should confidently submit yourselves to My guidance and humbly and obediently accept your fate from My hand and it will be a blessing for you, and one day you will thank Me that I have thereby averted from you far greater suffering in the beyond....

Amen

The spirit of heartlessness rules the earth and its inhabitants, and the opponent has become victorious over countless beings whose lives are devoid of all love. And countless people are thus driven into the chaos he has caused and which became feasible precisely because of this heartlessness, which aroused inconceivable hatred and discord amongst people. People have lost all common sense for they are guided by the spirit of darkness, and this also keeps people's thinking enslaved or distorts it such that they no longer know what they are doing. Humanity has indeed rarely subordinated itself to the opponent's will so thoroughly as is the case now, and therefore the countermeasure will have to be exceptionally harsh too, if a higher spiritual state is to develop and people's present-day spiritual delusion remedied again. And so this spiritual hardship requires divine intervention, and divine love and wisdom are aimed at using an event for the sake of removing this hardship which, admittedly, makes humanity doubt divine love and wisdom but which is nevertheless the only option left to save people from certain ruin.

People remain irredeemable; they cannot be persuaded in any other way to accept the faith and they comply even less with the commandment of love for God and their neighbour.... And then again, the human being has to acquire the right way of thinking if he is to be spared the adversity of the approaching time and his earthly life left to him. For the divine intervention will befall people with elemental force, no one will be prepared for it who has not united himself with God beforehand. And there will be a panic which only God Himself can avert again if He is sincerely called upon to do so. Yet people will lack the faith in God. For even those who live with faith and love will be stricken by anxious doubts since they, too, will very clearly hear God's voice. Their spirit will certainly take refuge in God, yet their soul will fearfully and with dismay await the events which are yet to come. They will barely be able to comfort their fellow human beings and will have to struggle for faith themselves, yet God will support them so that they shall not waver in their faith. But those who don't recognise God will look for rescue on earth and find no help.

They have to change their thinking or become victims of the elements which are instructed by God, the Lord Himself, to serve Him. There will be indescribable confusion, since only the most extreme adversity can still bring about a change in hardened sinners.... only the fear of losing their earthly life will make people soft and submissive and willing to pray. However, without prayer no gift of help can come from above, for only prayer provides the certain guarantee that God Himself will take care of His earthly children and release them from all anguish. And the hour will seem awfully long to people who see everything they found desirable up to now fall prey to destruction. And yet, people cannot be spared this hour since all of God's love and kindness has been rejected and there is no other possible way out of the spiritual adversity. Again and again God's forbearance has postponed this event, but finally His prophesy shall be fulfilled.... For the time has come when extreme weakness of will and unbelief can only provoke this catastrophe. The time is near which the Lord has announced through His Word when He lived on earth and referred people to this time of apostasy from God. For His Word is eternal truth and will come to pass, down to the very last letter....

Amen

Demonic activity.... Necessity of divine intervention....

B.D. No. 1960

June 19th 1941

Just a little while longer and you will remember the Words I spoke on earth that the world will become chaotic in every respect. Soon you will realise where heartlessness between people will lead to. If you still harbour a spark of love within yourselves you will recognise the opponent's power, who incites everyone to conflict with each other. His activity is demonic, and as a result people also behave demonically in their unkindness. And thus I will intervene and by means of apparent disorder nevertheless restore order again, so that humanity's real purpose is made clear to them. When people

in their delusion destroy everything, such an act of destruction from above is absolutely necessary so that the injustice will be clearly revealed and humanity will recognise it as such.

And there will be acute distress, and in this distress people's pleading prayers will rise up to the Father in heaven, which is the purpose of My intervention, so that people will look for Me, so that they will remember Me again and take refuge in Me.

For there is no other way left to achieve this, only the harshest adversity will make them take the path to Me, and only the harshest adversity will yet be capable of changing humanity. But My spirit will be with all those who are loyal to Me. They will recognise Me in everything that is happening and faithfully await My help.... And they will speak on My behalf and try to explain to their fellow human beings the error of their lives and refer them to Me. And then, depending on their attitude towards Me, I will also take care of their hearts, and wherever a devout thought rises up to Me I will send comfort and help. I will bestow My love upon all those who recognise their wrong and thus call to Me appealingly. For I love My living creations and only want to save them from greatest danger.... from a danger which will far exceed the earthly suffering they will encounter. And I will permeate all those with My spirit who are willing to be of service to Me, so that they will be able to comply with their task and not waver in their faith when the time of affliction arrives....

Amen

Selfishness.... God's intervention is the last resort....

B.D. No. 2223

January 29th 1942

In their inconceivable selfishness humanity will destroy itself if God does not use an effective countermeasure in order to reduce this selfishness. The human being only thinks about himself and the fate of his fellow human beings generally leaves him unaffected. His thinking and behaviour is accordingly only ever calculating to obtain the greatest possible advantage for himself, which spiritually has a tremendously detrimental effect. Hence every day spent striving for earthly advantages is lived in vain. And at the present time only a small number of people in the world keep their spiritual progress in mind. But they do not indifferently ignore their fellow human beings' adversity. Instead, they try to alleviate it where possible and make sacrifices themselves, for they consider other people's hardship more than their own hardship. And it is for their sake that God still hesitates to apply the last resort, because His love would like to spare people unspeakable suffering where it is possible to persuade them into actions of love without suffering.

God's intervention, however, will result in great suffering, for precisely this suffering is intended to change people's hearts, in view of their neighbour's misery and adversity they are supposed to forget their own hardship, thus fighting their selfish love and only ever striving to alleviate their fellow human beings' misery. Only then will their earthly life be spiritually successful for them. Yet regrettably, especially now people have extremely distinct earthly desires, they crave for the commodities of this earth. Every thought only relates to the question of how they can attain them. As a result they take no notice of world events and even less of the signs which announce the working of God. They don't pay any attention to the happenings which accompany the spiritual decline. They don't see the infringements which are already deemed acceptable, nor do they pay attention to the wrong concepts of 'right' and 'justice', and therefore they don't object to the spirit of the times either, the opposition to everything relating to religion.... rather, they consider everything to be right, which can clearly be traced to the opponent's influence.

And this is why God asserts His influence, that is, He so evidently counteracts this spiritual shallowness that it can be seen by those who want to see. For He assumes all power.... He renders people powerless; He lets them feel that they, by themselves, are incapable of preventing God's intervention, that they will have to endure it without being able to change it in the slightest. And then they will only be able to change their character if they are willing to do so. They will be provided with endless opportunities to kindle the spark of love within themselves, to feed it into a flame and then become appropriately active with love.... If they don't make use of this last possibility they cannot be

helped on earth anymore; for those whose selfishness is too extensive will not be able to recognise their real function even then, they will fear for their life and their possessions and, if possible, try to replace what they have lost. In that case God's intervention will have been in vain for them, then they will have to bear the consequences of their unspiritual state, since this is what they want, for they cannot be forcibly released from their selfishness....

Amen

Doubting God's Revelations.... Elements of nature....

B.D. No. 4020

April 9th 1947

You so urgently need to receive My Word and yet hardly ever believe it.... You constantly allow yourselves to be beset by doubts as to whether My servants convey the truth to you. You reject that which seems unacceptable to you and which is nevertheless inevitable according to eternal decree. I introduce you, whose spirit is awakened, into My plan of Salvation so that you shall recognise the time of the end and can also draw your fellow human beings' attention to the end. I indicate the signs to you and ever since the start of this period of Salvation have also predicted the consequences of the low spiritual level in order to give you the opportunity to prepare yourselves so that the end will be a blissful one for you.

Yet My announcements are not taken seriously, thus I keep revealing Myself time and again, and not just through the Word which comes forth from Me and testifies of Me, but I also want to be recognisable to those who won't give credence to My Word, who do not let themselves be instructed through My servants on earth and who therefore also view my predictions with utter disbelief. I want to approach them in a different way, I want to reveal Myself to them as Lord of Creation Whom no human will can bear up against.... I want to confront them with the Power which human will cannot break or defeat.... I want to talk to them in a language which is loud and clear, I want to speak with a voice of thunder and the elements of nature will obey Me and testify to Me. And this will be the last Word of admonition I speak in order to then let events take their course until the end. And this last expression of My might and strength will be a blessing for all of humanity, yet it will only be effective for a small number of people, since anyone who does not acknowledge Me will see nothing unusual in the huge natural disaster but merely look at it as an act of nature even if he agrees that he has no control over this act. And yet, I will not deviate from My plan of eternity and will continue to announce time and again that I will reveal Myself through a natural disaster of an extent which the world has never before experienced. Why will I do this?

Time is pressing towards the end, people live life half-heartedly and are lethargic.... they don't realise the gravity of the time and shall therefore be woken up, I Myself want to approach them, for in their acute physical distress when they are facing death the thought of the Creator will nevertheless arise and a few will still find and take the path to Me.... And for the sake of these few what is proclaimed in Word and Scripture will be fulfilled. Countless people will indeed lose their lives and enter the kingdom of the beyond in an imperfect state, yet I will be a merciful Judge to them and value the last sacrifice they offer Me with their early death by providing them with the greatest opportunities to achieve maturity in the spiritual kingdom and granting them support in every way. Nevertheless, I will speak through nature without fail, and all of you will bear witness to it and be able to convince yourselves of the truth of My Word which comes pure and plain from above, because it is My will that you shall not experience something so powerful that it would have to shock everyone's way of thinking if they just have a little faith in a Creator and Preserver of heaven and earth. But anyone who is united with Me should not doubt My Word, for I express Myself through My servants on earth and want My Word to be passed on and accepted as pure truth and all doubt to be banished from the hearts of My Own, because I Myself speak to you and will never allow My Word to be passed on interspersed with error to people of good will.... who want to be of service to Me and are therefore hired by Me as labourers in My vineyard during the last days before the end....

Amen

Every world catastrophe is preceded by signs so that humanity can recognise its approach, for God at all times has proclaimed them through His Word, and by paying attention to these signs you will know that now the time has come; and thus you also know that you have to prepare yourselves so that you will not be heading towards total destruction. Whatever God does, and thus also allows to come upon earth, is determined by humanity's will, that is, human will does not directly draw the catastrophe near but its wrongness is the reason for it. Human will is misused on such a scale that a world catastrophe has to be the inevitable consequence of it, for this misguided will can only be directed onto the right track by something completely unexpected, effectively by something unnatural. Hence, the more the human will moves into the wrong direction the more urgent becomes the divine intervention, for precious earthly time is passing by without providing the being with the necessary higher development. Misused will, however, can never support higher development but only prevent it.

The events of the time, the ever increasing unbelief, the anti-Christian efforts and the messengers of His Word which are spiritually awakened by God ought to remind you that the time has come which the Lord mentioned on earth. And thus you shall be diligent and consider your soul's salvation. And regardless of how implausible it seems to you that a disaster is intended to occur on earth, just bear in mind that nothing is impossible for God, that everything can happen if it is God's will. And the fact that it is God's will is based on people's own behaviour, on their wrong attitude towards Him. If earthly life is given to people for a specific purpose but they fail to live in accordance with this purpose then they will let a divine gift of grace go by unused, and God will warn them just once more with stern Words which no one can ignore. Human will alone is the reason for a work of destruction of inconceivable proportions and when the Lord proclaimed this He foresaw people's wrong will. Yet it is His will to win back misguided humanity and therefore He applies the last resort, which certainly seems to be an act of infinite cruelty, nevertheless, it is only motivated by divine love and mercy, for countless people will attain realisation, and they will be saved for all eternity....

Amen

End of the conflict of nations through Divine Intervention

God's intervention.... The end of the struggle....

B.D. No. 3143

June 1st 1944

The more the world becomes entangled in error the more it distances itself from God and the more heartless are the actions and thoughts of people who are worldly minded. And the increased unkindness also propels people into actions which surpass all previous happenings, and so people induce God's intervention themselves. People no longer realise that what they are doing is wrong. Global affairs will be steered into a direction for which no earthly solution can be found anymore, people's thinking is wrong and far removed from the truth, goodness will be persecuted and evil respected, and thus divine order will be revoked which is bound to result in a complete decline. And so the day which puts an end to the chaos comes ever closer, for the situation is so disastrous for humanity that God has set an end to it. And this end is approaching, the end of people raging against each other, the end of the war between nations which could never find God's approval because it is a battle for power which is not based on noble motives. People's hatred and heartlessness have given rise to it, yet they learn nothing in this battle, they have become more heartless than ever and their hate has deepened and manages to achieve such disgraceful deeds that they cannot be surpassed. And God will put a stop to this activity in a way that He shall thereby be recognised.... He will send a dreadful tribulation upon humankind which cannot be averted by their own will. He will terrify them and let them feel their own impotence because the elements of nature will be unleashed, leaving people defenceless and at their mercy.

And this day will not be long in coming. It will arrive so suddenly and unexpectedly that it will cause sheer horror, it will only take hours and yet be of such drastic significance that everything will have changed afterwards and people will only gradually become aware of the disaster when they have realised the full extent of the divine intervention. For God wants to reveal Himself with His intervention, He wants to show them that He Himself will bring about the end because people cannot find an end, because they would rather tear each other apart than give in and bring the indescribable adversity to a close. And this is why the end will be different from how people imagine it, God will demonstrate His power and remove the weapons from the hands of the earthly rulers, He will decide, and the outcome of the war between the nations will disappoint those people who wanted to achieve with violence what they were not entitled to and who therefore shall recognise their helplessness. For it is God Who ultimately determines world events, even if human will thinks that it directs them. And God's wisdom also recognises the most effective means for people and uses it in order to control the chaos which is the result of heartlessness and therefore has to lead to the downfall if God Himself will not put an end to it.

And the period of war will be followed by a new time of conflict which, however, will not erupt for the sake of worldly power but for spiritual supremacy, because the end is near and this spiritual battle will still have to be fought, the battle which concerns the faith in Jesus Christ, the divine Redeemer and His teaching....

Amen

God's powerful voice.... The end of the battle....

B.D. No. 3318

November 5th 1944

God's voice will resound impressively and decide the fate of the nations, for God Himself will pass judgment through the forces of nature. And no-one will be able to oppose His verdict, for it will

be fair and strike the people who are responsible for having caused great misery and don't want to admit their transgression. It will be an exceptionally sad event in which countless people will lose their lives, yet the event is unavoidable because people can no longer be shaken by anything that is accomplished by human will, consequently they will have to be disturbed by an event which cannot be averted or stopped by human will and which will generate enormous terror because everyone will be faced by death and has to brace himself for his demise. And this event draws ever closer, day after day passes by but humanity will not change, and God's forbearance still hesitates in order to continue granting people the opportunity of turning back before His voice resounds. Yet then worldly events will slowly come to an end because the natural disaster is in the making, because the earth's interior will be plunged into a state of turmoil and will only be waiting for God to liberate the forces of nature and allow them free reign. For people cannot stop, thus God intervenes and puts an end to it.

Appalling activities will come to a halt but the consequences will be much worse, for people will experience dreadful adversity and be at a total loss in the face of the unleashed forces of nature. They can neither escape nor impede or lessen their raging, they are at their mercy and only have one Saviour to Whom they can entrust themselves in their urgent need, to Whom they can call for help and Who has the power to help them. Yet only a few acknowledge Him, only a few feel that they are guilty and humbly await His judgment in recognition of their sinfulness. And these few will also be taken care of by God in the hours of destruction, which are sent by divine will because there is no other way of removing the spiritual adversity and the earthly hardship is constantly increased by human will. And because people will not put an end to it God will determine the end of a battle which affects the whole world. And a cry of horror will resound across earth which will paralyse people, for the magnitude of the catastrophe will make everyone pay heed and tremble in fear of a repetition. It is God's intention that the whole of humanity shall take part in it, that it shall listen to His judgment, that it shall recognise those who are guilty and God's righteousness. For every fighting party still believes itself to be in the right, only power is being valued and not the law, and God's blessing cannot rest on actions which are detestable because they oppose the divine commandment of love.... And God will punish people in the same way as they act themselves.... except that His work of destruction will be far more powerful so that they will thereby recognise Him. For even the still constrained spirits express outrage at being torn out of divine order and experience this state as painful, for although they were released through human will they are unable to enjoy their freedom since it is not the freedom of perfection, instead the spiritual substances will be deprived of the opportunity to be active and are incensed about it.

And they will work wherever the opportunity presents itself. But above all they will join other still constrained spirits and try to persuade them to also burst their shell and will help them with it. Thereby they want to force people into becoming constructively active again and provide them with the opportunity to enter new creations in order to continue their process of development. And God will not stop the spirits which will be released through human will; He will also give His consent when matter moves within the earth's interior, when the spiritual substances strive towards the light and try to burst their forms. God will briefly withdraw His will and give the spirits' will free reign which, however, due to their complete immaturity will mean a work of destruction on an enormous scale. And thus human resolve will be confronted by another will which is stronger than the former, which seemingly lacks all divine love and wisdom and finds God's full approval.... Yet humanity will not bow down to God, it will not stop its battle of annihilation, it is possessed by demons and allows itself to be driven by them, it is more and more enslaved by the evil power and proves this by its works and actions. And in order to put a stop to this decline, God's will and omnipotence steps into obvious action. He will shake the earth and with it the human race so that it may come to its senses and change. For it is the last time which can still be used for the souls. And this is why God's voice will resound powerfully, and He calls to people: Stop your raging which drags your souls into ruin; change your ways before it is too late and remember the One Who rules over heaven and earth, Who is your Creator and Provider and Whose love you trample under your feet.... Consider your end, for it is soon about to happen....

Amen

End of the battle.... Spatial separation....

B.D. No. 3371

December 17th 1944

You will be informed of everything that is beneficial for you if you let yourselves be taught by Me and thus pay heed to My voice which gently yet perceptibly speaks to you within yourselves.... Your opinion about the forthcoming sequence of world events is extraordinarily misguided if you believe that one of the opposing powers will emerge victoriously from the struggle, for My will has decided otherwise, given that not the physical well-being but the salvation of souls shall be promoted and this necessitates a complete change of their lives which can only take place once all earthly plans have become null and void and humanity is faced by an extraordinary event which will shock their way of thinking. A normal conclusion to the struggle between nations would not entail a change in their usual life, besides, none of the quarrelling powers are innocent and thus none of the powers are legitimately entitled to victory. Hence I will thwart people's plans, irrespective of which outcome they assume.... I will invalidate everyone's expectations and provide a solution which no-one expects and which is not welcome by anyone either, for I will end the battle such that it cannot be continued even if people were willing to do so. For I will spatially separate the fighting parties from each other, I will let natural obstacles arise which cannot so easily be overcome. And thus I will deprive people of every possibility to continue fighting each other.

And so the battle of the nations against each other will be brought to a halt, it will not be a decision, it will not be the defeat of one power but humanity will realise that its power has reached its limit and that the divine Power has to be acknowledged, which is only too distinctly recognisable in this outcome. I will bring about the end and yet severely punish the guilty parties in doing so, for they will realise that they were misled in their certainty of victory, they find themselves weakened and unsuccessful and are confronted by great misery and immense poverty. And this end was announced by Me a long time ago, so that the truth of My Word would thereby be demonstrated to you who still doubt it. I will put a stop to it when people's cruelty has reached its peak, so that the world will realise that there is a God in heaven Who punishes the sin which so evidently comes to light.... so that it will realise that it is not people but I Myself who determines the outcome.... and this in a different way than people expect. And the hour is not far away.... Hence I reveal Myself to those who believe in My intervention and know My intention, whom I instruct to draw people's attention to it and whom I send as prophets amongst humanity. For it shall be warned in advance because I will never let such an event come upon people without informing them of it, so that they will sincerely consider their souls' and prepare themselves. For no-one knows who will be affected.... My intervention will claim countless victims wherever it happens....

Amen

God intervenes by a natural disaster

Divine intervention.... Prediction....

B.D. No. 1418

May 14th 1940

It is a futile battle which the people of the world are waging against each other, for it will not result in a satisfactory outcome. The Lord of heaven and of earth has decided that this shall be concluded in a different way to that which the world is hoping for. But this end will be indescribable. The battle noise will be drowned out by God's voice resounding from above.... It will cause tremendous confusion amongst people since no human command will be able to stop it, and people will be powerless and will have to submit to everything that is sent to them by the Lord. And then it will be left up to each individual person to recognise the hand of God and submit to it or revolt against his personal fate. For it is intended that people's thoughts shall be forcibly directed towards God, and blessed is he who finds this path and recognises God as the Originator of all happenings and commends himself to Him and His mercy.

Yet there will only be a few, for people are spiritually deluded, their modern explanations have made them lose faith in a Being Which determines everything on earth, and their lofty attitude makes it difficult for them to find the way back to God, and this spiritual arrogance will be their downfall. Only someone who feels small and powerless and calls upon God for help will keep his life, even if he will physically lose it.... Yet anyone who believes they do not need God's help will forfeit his mortal and spiritual life.... And even if God allows him to keep his earthly life, it will only be an act of greatest mercy so that he shall still gain realisation on earth after all.... For the Lord knows the hearts of people, He looks into the furthest corners, He recognises every stirring and will not let anything perish that can still be saved. And anyone who calls upon the Lord for help within the midst of terror will feel a wonderful calm enter his heart, he will suddenly realise the worthlessness of earthly life if it is not accompanied by profound faith, and this realisation will let him willingly surrender what previously appeared desirable to him.

He will readily submit himself to the Lord and accept what he receives from His hand.... life or death.... However, he will only surrender his body in order to awaken to life in the beyond. And thus his departure from the world will not be his ruin but his resurrection into a better life. Divine will puts everyone in their place, He takes a person from the world when the time for his end has come, and He returns to the world those whose earthly life is not over yet.... For nothing happens arbitrarily but everything is determined by God's wisdom and love. Yet if a person cannot recognise God's hand even then, his soul will suffer serious hardship, for it will have no other means of salvation.... It has infinitely extended its distance from God during its earthly existence and strives towards the state of banishment again; hence its life on earth is utterly pointless, since it does not recognise God. And for the sake of such souls God will let His powerful voice be heard.... But if this call also dies away unheard, the fate of these souls will only be eternal damnation....

Amen

Intervention by God....

B.D. No. 3151

June 7th 1944

The incomprehensible is about to happen.... God Himself will speak to people in a way which will generate fear and horror. This time will soon be here, for humanity can no longer expect consideration seeing that it is completely devoid of love. It will start the ball rolling itself, it will give rise to the intervention itself, for it constantly violates God's commandments, the commandment of

love for God and one's neighbour. And it scrupulously carries out satanic actions which are bound to lead to ruin if God does not intervene and thereby still save souls who find their way to Him in adversity. And this is the sign of the time which God proclaimed long in advance, that the end of the preceding bitterly fierce battle will be determined by God because He wants to reveal Himself and His power. He Himself will terminate the conflict, yet differently than people expect.... Through His intervention, which consequently is of decisive importance for the whole world, He will steer worldly events in a different direction. People will have to realise that they are powerless and that a higher Power conducts global affairs. And they will have to bow to this Power.... The adversity, which human will had already made almost unbearable for many people, will be severe; yet then they will have to struggle with tribulations sent to them by God Himself and cannot revolt against them because they cannot hold anyone responsible for it.

Yet people's conduct prior to this cannot be called human anymore, and thus God will reveal His might to them.... Where people previously wanted to demonstrate their power and brutally proceeded against their fellow human beings, that is where God will show Himself in His actions, and compared to Him all are weak and defenceless and their shameful rage will fall back onto those who mercilessly only want to cause destruction simply because they feel powerful. No-one can possibly imagine the ensuing chaos once people's unbridled feelings of hatred and vengeance break through, and this destructive will signifies the disintegration of that which God the Lord created before it has reached its goal. People of the present time are typified by their constant will of destruction which is a sign that they are enslaved by the power which tries to obliterate everything in order to prevent the souls from drawing closer to God. People are not aware that the violent destruction of created things, be they human, animal or solid matter, has terrible consequences, how the immature spiritual substances within rage and wreak havoc and what turmoil this signifies in the spiritual kingdom. They pester and detrimentally affect people's souls and even the believers feel their influence and become disheartened and discouraged. A mighty will must therefore put an end to it for the sake of the spiritual beings which endeavour to approach God and are supposed to be diverted by God's adversary through his compliant servants on earth.

And this is why God's voice will resound immediately after the implementation of a plan which will exceed every atrocity ever devised by people. There is only a little time left, first a horrifying event has to take place for the whole world to pay attention to in order to hear God's voice even more clearly. Many victims will yet have to fall prey, i.e., they will have to sacrifice their lives for a dishonest cause so that those people in need of coming to their senses will pay heed, for they all contribute towards the chaos and thus are also partly to blame if they don't realise the injustice and stop supporting it. The divine voice always and forever admonishes and warns, it points out wrongdoing to everyone yet it also demands to be heeded or else it will resound with a voice of thunder to everyone's horror and pass judgment according to law and justice.

For the blame rests with everyone and only those can be acquitted who detest humanity's behaviour and want to belong to God, for they recognise the injustice and fear and know that the wrath of God will strike the evil-doers.... And the hour will come suddenly and unexpectedly, for it is the last great blessing before the end, so that anyone will still be converted who doesn't live carelessly and recognises God in the natural disaster, which is inevitable in accordance with God's will....

Amen

Approach of a star....

B.D. No. 6324

August 3rd 1955

Open your hearts wide, be ready to receive My light of love from above and listen to Me: A sure sign of the approaching end is the visible appearance of a star which will move into the direction of your earth and yet takes a peculiar course.... it will often withdraw from your sight and then suddenly appear again, because it will be accompanied by impenetrable nebulae which every now and then will disperse only to condense anew....

You humans will experience something previously unknown to you as the effect of this star upon your earth is such that you will become alarmed because you fear that the earth could fall victim to this unknown star which will cause perceptible disturbances on earth which are, however, inexplicable to you. Some people on earth won't allow themselves to be shocked by anything that happens to them.... but who will now lose their composure because they can see themselves as well as the whole earth at the mercy of natural forces which they fear because they are unable to defy them.

And for the sake of these people 'are the powers of heaven moving....' I particularly want to address these people in order to achieve that they will entrust themselves to a God and Creator as soon as they realise that they are completely helpless.... What human will initiates.... no matter how dreadful its effect.... does not upset such people, yet they will become small and weak when they see themselves at the mercy of natural forces. And then it is possible that they will take refuge to Him, Who is Lord of all creation.... then it is possible that in their greatest need they will find Me.... This natural spectacle will cause enormous turmoil amongst people and the fear will not be unjustified either because, regardless of the strange phenomena accompanying the star, it will steadily move closer to earth and a collision will appear inevitable according to the calculations of those who discovered and followed its course. But I predicted long ago that 'I will send you an enemy from the sky....', that a natural disaster of immense proportions lies ahead of you which will precede the final end.... i.e. the complete transformation of the earth's surface.... and which will result in countless victims.... Time after time I draw your attention to it, and My Word is truth and will come to pass.... Yet you are informed of it beforehand so that you humans may become aware of My will and My power.... because you should know that nothing can take place without My will and that nothing happens without meaning and purpose.... that My thoughts are with those who are entirely without faith but whom I nevertheless don't want to lose to My adversary....

And for that reason you humans should know what lies ahead of you so that you may find faith easier when in your great need you think of Him, Who is Lord of heaven and earth.... of all stars and worlds and to Whose will everything is subordinate.... You receive knowledge of this in advance because it can help you find faith if you are of good will.... A disaster will come over you but for every one of you it can also be a blessing if he gains life for his soul in that way, even if he should meet with earthly death.... if he calls upon **Me** in his need....

Amen

Revelation 16, 18.... Star....

B.D. No. 7421

October 3rd 1959

A violent quake will shake the earth.... spiritually as well as physically the earth will be faced by a tremor the likes of which will never before have been experienced by people since the start of this epoch.... But this is predicted because it is the beginning of the end that will follow not long afterwards. There is not much time left and your attention will ever more urgently be drawn to it, because you should still make use of every day by helping your soul to mature, for time flies and you are approaching the very end with giant strides. And then a long night for all those who did not take advantage of the day in order to work for the salvation of the soul will follow. For only a few will survive this last end and be allowed to occupy the new earth, only a few will stand firm in the last battle on this earth. The signs of the end will be presented to you humans time and again, and the last powerful sign will be the great quake. You have already been told how it will come about: a star will leave its orbit and with gigantic speed head for the earth.... And the fact that you are still uninformed of it is due to the great distance this star will still have to cover before it comes into the field of view of those who will detect it. But then the anxiety will be great, for everyone will realise the danger in which the planet 'earth' is in but no-one will be able to do anything in order to ward off the danger.... And now that you know of it you should make especially good use of this last brief period of time, for none of you know whether you will survive the event, none of you know which part of the earth will be particularly affected and no-one should count on being spared, for it is God's

last great wake-up call before the end which He will resound in order to find belief in this very end and still convert a few who are not yet entirely enslaved by the adversary.

Do not consider these predictions lightly, do not let yourselves be misled by the apparent work of progress which you can observe in the world, but understand that the shadows of destruction are already emerging, that not much time will elapse until you receive knowledge of the approaching disaster in the form of a star which will be hurled from its orbit, because it is God's will that the earth shall be stricken by a tremor which shall and will be able to save people who are of good will. There will really not be a lack of signs of the near end, but this last sign will have enormous consequences and many people will lose their lives in the process.... And no-one will be able to turn a deaf ear, for it will be too powerful as not to affect all people. Only the results will differ, for people will either partly revive their weak faith and hand themselves over to God again, but partly even lose their weak faith as well and completely turn to the adversary, which will be expressed by an increased pursuit of material possessions, mostly by dishonest means. And there will be great hardship amongst people.... And that is when the right strength of faith will prove itself, which will signify help for every person who faithfully entrusts himself to God. For He will help all those who want to be His Own, who even in their greatest affliction remember the One Who alone will be able to help them. And this will be the start of the time when real vineyard work must still be carried out in order to help all those who are still weak in spirit and who shall experience a strengthening of their faith. For it will be followed by the time of the last battle of faith which will still require a final decision by the believers, yet anyone who perseveres until the end will become blessed....

Amen

Catastrophe.... Prediction....

B.D. No. 1398

April 28th 1940

Undivided attention is necessary in order to be able to receive the following proclamation: Divine Wisdom has intended an event the effects of which will be dreadful. A disaster shall develop in the very near future which can neither be prevented nor diminished by way of earthly efforts. Countless spiritual beings will move into action and, on behalf of divine instruction, turn the interior of the earth into upheaval, the earth will split open and masses of water will burst through; an act of destruction of catastrophic proportions will take place which will bring indescribable misery upon the people who will be affected by it. And this will happen very soon.... For you humans will only deem yourselves powerful and safe from all danger for a little time longer; you only observe world events around yourselves and feel secure and out of danger.... yet you forget that there is a Power in charge of everything in, on and above the earth.

And since you forget the One Who reigns in accordance with His will, He shall speak to you through the forces of nature and you will have to listen to Him, for you will be unable to escape His voice. You pay no attention to instructions from above, suffering on earth doesn't change your thinking, yet you will be unable to drown out the divine voice since it is stronger than all the noise in the world. And therefore it is proclaimed to you in advance, so that you will recognise the Lord when His voice resounds.... Admittedly, the world does not want to hear anything about it, it will try to control the great adversity with purely earthly means and constantly negate divine activity. And many will agree with this opinion and thus only see the misery but do not recognise the divine will which, for the sake of humanity's improvement, will expose whole stretches of land to destruction. And this time it will announce itself by the fact that a country will be affected by an unmerited pestilence which will subsequently get this country into very serious difficulties, and since no earthly help will seem possible anymore God Himself will step into action and instruct the elements of nature to intervene in earthly measures.

And whoever deemed himself great before will become small, for he will need all his resources in order to rebuild what was destroyed. People will be needed for the reconstruction of his own country which, having previously flourished, will be desolate and bare and require many workers. And this is

the time when people will reflect on different questions than before. For anyone who survives this time will truly enjoy God's favour.... He has testified to being united with the Lord.... in greatest distress he had sent his thoughts to the Father in heaven, and the Father answered the prayer of a human being who had recognised and found Him in most severe adversity. After all, He only sends severe suffering upon humanity so that it shall find its faith in God again.... And thus He will also have to forcibly raise the utterly destroyed faith again by demonstrating His omnipotence to people and showing the world that He is Lord over heaven and earth....

Amen

The raging elements of nature....

B.D. No. 1473

June 15th 1940

The magnitude of the Almighty will become apparent at a time when the elements of nature rage and cause indescribable damage. Then the hour will have come when people's spiritual decline becomes visible for nothing will remind them of God, nothing will move them to pray, for they will have lost their belief in a God and thus will not call upon Him in their need. Hence humanity cannot stay on earth any longer, for it fails to consider its actual purpose of earthly life and only contributes towards destroying the faith of the few people who are not yet entirely estranged from God, causing them to abandon God as well. God's love, however, will prevent the latter from being harmed and will therefore forcibly terminate the lives of those who threaten to endanger the souls.

And there will be great distress when the raging of the elements begins. It will be like a storm which threatens to destroy everything; people will be unable to defend themselves against it for they are like fragile stalks which get bent by the gales.... They will want to flee yet be unable to escape the elements, without God's help their resistance will be too feeble, yet a heartfelt call to God will restrain the power of the elements, and anyone who entrusts himself to God in his peril will be saved. But God will be very close to you during this disaster, He will affect everyone's thoughts and for the last time offer you His hand so that you may take hold of it and let yourselves be saved.... Yet He cannot force your will, you must voluntarily acknowledge Him and desire His help. There is no other way to lead humanity out of spiritual darkness into the light other than through an event caused by natural forces which create such turmoil in people that no one can escape it. Confronted by these natural elements they will have to recognise their helplessness; they will have to lose all other help so that they realise the end of their physical life, only then will there be a slight prospect that they will remember the Lord Who is entitled to all power and Who controls heaven and earth.

God's living creations separated themselves from Him and have remained separate from God for an infinitely long time, yet a moment of extreme crisis and danger can bridge this separation. The soul can return to God, and as a result will even thank God for the indescribable suffering which brought it to its senses. Yet this moment when the soul directs its will towards God cannot be forcibly induced by God in spite of greatest love. God's love has tried everything to bring salvation to the souls and point them to the path of ascent. Yet people's will was strong and God cannot break this will but only affect the human being such that he changes his will himself and turns it towards God. This natural event is thus the final attempt to influence the human will in the most favourable way. But this natural event will also be so powerful that His Own will need great strength in order to remain firm in faith; and everyone who pleadingly sends his thoughts up to God will also be given this strength, for the Father knows the adversity of His children and will lovingly support them if they are in danger of wavering. For His kingdom on earth shall remain, and extensive work will have to be carried out in order to proclaim the divine kingdom to those who had found God and desire His Word. And this is the time the Lord is thinking of by making His Word accessible to people already.... the seed shall fall unto good ground and yield rich fruit on the field which the Lord first wants to purge from all weeds....

Amen

The teachers in the beyond always try to help you in the same way and seek to make you more receptive, yet your heart is not always willing to receive, creating obstacles which make the reception more difficult. Undivided attention has to be paid to the gifts of heaven and all earthly thoughts avoided, then the thoughts of the friends in the beyond will find easier access. Divine love sends messengers to you who shall reinforce your willingness to receive. They bring you a revelation that describes in an understandable way the sequence of the catastrophes which shall decide the life and death of each individual person.

Only few people take notice of the signs of the coming time. They are indeed surprised about obvious changes or irregularities in nature but nevertheless dismiss it carelessly. They don't recognise therein an expression of God's will but merely put it down as a coincidence. And thus, to begin with they do not pay any attention to these manifestations when the natural event approaches. People will first be made aware of the advancing tempest by whirlwinds. This will happen so suddenly that men and animals will find themselves in great difficulty for they will barely be able to manage against the violent storm, and this will be the start....

Every now and then violent earth tremors will be felt and the sky will grow dark, a thunderous roar will be heard which will be so dreadful that it sends people and animals alike into panic so that they try to save themselves by escaping. Yet the darkness will stop them and as their distress becomes intense, the roaring grows ever louder, and the earthly tremors ever more violent, the earth will open up and huge masses of water will break through from within the earth. And as far as the eye can see.... water and darkness and an indescribable chaos amongst people who realise their horrendous situation with utmost distress. The days before will be so glorious that people are to some extent light-hearted and the change will come so suddenly that no one can take earthly precautions, which will be entirely pointless anyway for no earthly power can defend against these elements. Only the devout person will feel the divine omnipotence now.... and entrusts himself to his Creator.... And although his heart will tremble and know fear when he sees the raging of the elements he will nevertheless wait patiently until help arrives, for he will continue to send his thoughts up to Him above.

Anyone who has grasped the meaning and purpose of life knows that now the time of decision has come for every individual person. And he will try to administer spiritual help wherever possible, he will comfort those who are miserable and refer them to God, he will help by kindling a small light in utter darkness.... For God will give them the opportunity to work for Him.... Those who have recognised Him and offer themselves to be of service to Him will be assigned a rich field of activity, and the seed will fall on good ground, for God spares those who look up to Him or find Him in greatest adversity....

Amen

Prediction of the natural disaster.... Dead stretches of land....

The last end will be preceded by an enormous event which is bound to make all people think who survive it. It will be an indication of the end, a small scale destruction compared to the final work of destruction of this earth, yet of such an extent as never experienced by humanity since the earth came into existence. It is a natural happening which will throw all affected people or those who hear about it into turmoil, for the consequences of the incident are too vast as to go unnoticed. So-called dead stretches of land will form which exhibit no life whatsoever because the vapours of the earth smother all life in these areas. An obvious influence by natural forces will be recognisable so that this phenomenon cannot be traced back to human activity because I want to reveal Myself through this happening in order to make the near end credible to people, which seers and prophets are constantly proclaiming on My instructions. People are faced by renewed suffering and yet cannot be spared this suffering as long as they still pay tribute to the world and only take notice of Me in passing. They

must look for Me so that I can let Myself be found, which can only be accomplished by an event which can no longer be explained with people's activity. They must sense that a higher power is behind it and entrust themselves to this power in their earthly adversity. But in order to do so they must also be at the mercy of this power in order to take refuge in it of their own accord. They must physically be without help in order to noticeably feel the help from above....

And for this reason a violent storm will arise which will uproot and lift everything off the ground; the earth will split open and from above and below people will find themselves at the mercy of the elements which they will be unable to fight as they will not have enough strength; an unbearable heat will, in fact, have already rendered people incapable and lethargic beforehand and so they will watch the first signs in nature without interest until they recognise their grim situation and then they will almost brutally fight for their life which they fear to lose. And I will help all those in their adversity who are of good will; I will provide them with realisation so that they can recognise **My** reign and activity in all happenings and as a result of this insight also instruct their fellow human beings and encourage them to turn to Me, and they will preach to them about My love, wisdom and omnipotence so that they will call upon Me when they are in danger. I want to be their Leader, and those who believe in Me and want to serve Me shall be saved during all hardship of the last days before the end. For shortly after this event follows the destruction of the old earth, as it is written. Yet people shall not experience this destruction unprepared, hence I will cast a shadow beforehand.... a final indication which should be given credence, so that people will not walk into eternal ruin, so that they will be able to save themselves if only they use their will correctly....

Amen

Natural disaster.... Good and bad people will fall prey....

B.D. No. 3348

November 27th 1944

In their hour of greatest need many people will call upon God, yet not every call will come from the heart because the danger they are in will disable their ability to think, and thus they will merely address God with their lips and their prayer will fade away unheard. Only those who will be able to send their thoughts to Him, if only for a few moments, will be supported by God, either by rescuing them from bodily adversity or by still offering blessings to their soul before the end. Death should not always be considered the greatest evil, for if a person facing death has found his way to God as a result, it will have been an effective means for his salvation, which is more valuable than the preservation of physical life in spiritual darkness. And this is why countless people will soon lose their lives, partly as a warning to their fellow human beings and partly for the sake of their own spiritual hardship. But righteous people, too, whose life has come to an end according to God's will, will also be recalled from this earth. For where God Himself is recognisable, where the forces of nature, which are subject to God, are in turmoil, that is where His will determines who shall fall prey to this event.... Mature and immature people will have to leave this earth, yet if a soul has recognised God before its death its spiritual progress in the beyond will be guaranteed and the finished earthly life will only be a blessing. And the earthly adversity will be severe and still offer everyone the option of finding God.... for the natural event will announce itself in advance.... Unusual signs will indicate an unusual event so that every human being can still change his mind ahead of time, and through fellow human beings he will also be informed of the highest Authority, the Controller of heaven and earth, so that he will still have time and opportunity to join Him through heartfelt prayer....

Yet then humanity's distance from God will be revealed for only a few will accept Him, only a few will turn to Him for protection and help in their fear and affliction. Most of them reject Him consciously and unconsciously; they watch the spectacle of nature only in hope of a speedy end and therefore the hour of adversity will hit them even more severely because they feel totally abandoned since they have no faith at all. However, even many of those who are distant from God will remain alive, to whom God will still offer the opportunity of gaining realisation afterwards.... Good and bad people will lose their lives, and good and bad people will stay alive, for this natural disaster is not a

separation of the spirits as yet but only a last admonition prior to the final Judgment, from which all people shall derive psychological benefits. Even so, it is up to them how they will evaluate the last admonition.... they can gain realisation before or after the disastrous night but they can also keep their former frame of mind, and thus the big event will not have made any impression on their souls. And so, after that God-opposing people will actively aim to destroy all faith in God, and they will refer to this natural disaster as the strongest evidence of His non-existence, they will emerge as the greatest deniers of God from an event which was intended to lead them back to faith, and thus the battle will visibly erupt between those who became strong and faithful as a result of this event and those who survived it despite their unbelief; and thus everything will approach its end after the short time of grace granted to humanity before the last Judgment....

Amen

The last huge catastrophe....

B.D. No. 8122

March 11th 1962

God's voice will penetrate and wake people up from their careless slumber since they are, after all, in grave danger. To those who will let themselves be awakened and recognise His voice, a light will shine which will lead them out of the dark night.... But the fate of anyone who takes no notice of His voice will be determined for an infinitely long time. Yet He Who created all of you will not leave you without warning when difficulties which are intended in God's eternal plan of Salvation befall the earth Time and again He warns and admonishes people by speaking to them in various ways, and those who pay attention to His gentle voice when they hear it won't be frightened by the coming events, when He speaks with a voice of thunder to all who have so far closed their ears to His Words of love and mercy.... And He will speak to them through the forces of nature and no-one will be able to ignore this voice, for people will be in danger and as soon as they are afraid of losing their life they may also turn their thoughts to Him Who is mighty, Whom they acknowledge as God and Creator. And if they call upon Him they will also be saved for time and eternity.... But anyone who is still obstinate then will not be spared the dreadful fate of a renewed banishment. And not much more time will pass until all you humans are shocked by the news of a huge catastrophe, you will be paralysed by the disaster which will affect countless people.... But it has been predicted to you since the start of this earthly period because it is included in God's eternal plan of Salvation.... Yet people will never consider a natural disaster of that magnitude possible, and those who survive it will receive very clear evidence that a Higher Authority is at work, that everything of an earthly nature is transient and that every human being is at the mercy of this very Authority, if he does not establish contact with It and hand himself over to his God and Creator, appealing to Him for mercy. For He only wants to reveal Himself to people by speaking to them so distinctly that they will have to hear His voice. And by constantly drawing attention to it He only wants them to achieve a bond with Him in advance in order to then stand firm and also experience His protection when the day of dread arrives....

However, His proclamations by seers and prophets are not believed; and although people are time and again stricken by divine interventions on a small scale.... it only ever affects the victims, while the others remain indifferent as soon as the first dismay has passed. And only little spiritual gain can be achieved. Yet all those who allow God Himself to speak to them, who believe His Words and therefore belong to His Own shall constantly be informed of the fact that this huge natural event won't take long in coming.... They shall draw strength from His Word for they will need it in order to remain steadfast and to provide comfort and clarification to their fellow human beings who suffer intense physical and spiritual adversity.... And every prayer that reaches Him will be heard by Him and He will grant strength and help to all who call upon their God and Creator in utmost distress.... And even if they have to relinquish their earthly life.... they will have found a bond with God and no longer need to fear the fate of those who are entirely devoid of faith and still belong to the one who wants to lure them into ruin. Everyone will still be given the opportunity to recognise their God and Creator and every individual person decides his own fate.... And even the most dreadful happening can be a person's path to **Him**, from Whose might he once emerged.... And then it will have been a blessing for him, even if

countless people have to die.... They will be able to enter the kingdom of the beyond with a glimmer of light in their heart if they at last still recognise and acknowledge their God and Creator, if they call upon Him in greatest distress, Who will then indeed reveal Himself to them. You humans should believe that you are approaching this disaster which will come upon you unexpectedly and be such a distinct voice from above that everyone of good will should be able to recognise it.... And everyone will hear it, for it will be powerful and a last reminder, for the end will come soon afterwards, as it is proclaimed....

Amen

The consequences of the natural disaster

Catastrophe....

B.D. No. 2246

February 28th 1942

The approaching bad weather catastrophe is of crucial importance for all people insofar as that it will also change world events, and that people will then be facing other responsibilities and happenings whose effects are no less difficult and distressing. The survivors will have to go through worrying times at first, for they won't know if and when this natural disaster will repeat itself. Also, many people won't know the whereabouts of their loved ones, many will stay behind all alone and forsaken, and sorrow and grief will be everywhere, there will hardly be a house without unhappy people, and in the country where God's voice has spoken there will be no town without ruins. And then love will have to prove itself, and one will have to help bear the suffering of the other if people want to live a life which is at least endurable and not despair altogether. The suffering on earth has taken on different shapes but people cannot be entirely alleviated of it as long as they haven't converted to God and tried to fulfil their spiritual task. And this is why even those who so far have remained untouched by world events will have to be affected. And thus the world conflagration will be followed by an incredibly difficult time which is felt wherever heartlessness is prevalent.

People cannot imagine that a natural disaster of this magnitude is about to happen on earth, and at first its extent will not be recognised either, for it will take a long time before the news of it will have travelled around the world, and this uncertainty worsens the suffering and worry, since all outside contact will have been cut off and will be difficult to re-establish. And the ruling authority will put pressure on people and bring them in to carry out work which will almost go beyond their strength, and they will be unable to defend themselves and live a wretched life without any prospect of improvement. And yet, such suffering is necessary if people are to be led to their real purpose, that is, to establish contact with God and to appeal to Him for advice and help. And then the Word of God shall be made accessible to them, then they shall be informed of God's activity, of His will and His divine teaching of love, then they shall be referred to life after death, to the transience of all worldly things, to the meaning and purpose of earthly life and their task, which consists of shaping their souls and of living a way of life on earth which corresponds to God's will....

The hour will soon arrive when God will speak to humanity such that it will turn the whole world into turmoil. For one night will bring unspeakable misery to those people whose countries will be affected by this disaster, and the dawning day will be dreadful, for it will present the survivors with a sight of devastation which exceeds all fears and all imagination. Yet God's will is irrevocable, for He knows that human thinking needs to be shaken up, he know the souls' adversity, and in order to help them in their adversity everything will come to pass as it has been predestined since eternity....

Amen

Most basic way of life in the coming time.... The individual person's fate....

B.D. No. 2454

August 22nd 1942

The coming time will bring a tremendous change of the existing living conditions and people will be forced to lead a completely different life in the midst of disorder and dreadful chaos, for the forthcoming natural disaster will cause immense destruction and it will take a long time until the former order can be restored again. Every person will have to content himself with a most basic way of life, he will be unable to lay any kind of claim to a comfortable life and be exposed to deprivations and tribulations which seem almost unbearable to him. And yet he will often ask himself the question

of why he is subjected to this aggravated life and be unable to give any other answer than that the state of his soul needs this test. And if he comes to this conclusion by himself he will also try to adapt to the aggravated living conditions and as compensation envisage an easier life in the beyond, in which case it will also become more bearable on earth, for he should come to the realisation that everything that befalls people corresponds to God's eternal counsel. And then he will also have a compassionate heart for his fellow human being, he will help wherever it is feasible and those who believe in God and are striving towards Him will mutually ease the adversity. For love dwells within them and this helps to endure and overcome everything because it provides the human being with strength from God, Who is love Itself. The human being's attitude towards their neighbours' hardship will determine how long he has to live in poverty and difficult living conditions on earth himself.... He can improve these by being willing to help his neighbour, for then God will also provide him with the opportunity to put his will into action by giving to him what he needs himself so that he can also share it with those who, like him, live in most wretched conditions and thus lead a tough existence.

The individual person's intelligence will not be decisive since it will not be able to accomplish much because all previous living conditions will have changed and only utmost patience and a willingness to make sacrifices will make life bearable amongst each other. For it depends on this which kind of fate God will bestow upon the individual to endure. God Himself is love, and this love does not want people's suffering but their happiness; except that this happiness cannot be granted to them as long as they themselves do not recognise that God is love. However, in order to learn to recognise Him a heart has to become loving, and love generally awakens through great adversity and distress. And thus God has to send those upon humanity in order to fan the spark of love in every person's heart, and depending how he will then prove himself he will also be considered on the part of the eternal Deity. And so he can very quickly prepare a tolerable life for himself again if he also does everything on his part to ease his fellow human beings' adversity. And he will truly be offered enough opportunity to let his heart speak.... He will be able to be lovingly active in many different ways.... Spiritually as well as earthly demands will be made on him which he only needs to fulfil in order to also reduce his own hardship and make his life more bearable....

Amen

Changed living conditions.... Worldly-minded people....

B.D. No. 3975

February 13th 1947

Entirely worldly orientated thinking will hardly adapt to the changing situations of life and will only continue to attend to its physical improvement, and this will stop the human being from working at improving his soul. Anyone who allows matter to become his master will never be able to overcome it, and anyone who does not use the loss of material possessions as an aid in overcoming them will strive with increased eagerness to increase them again, and if he is to be helped again it can only happen through renewed loss, so that he will learn to recognise the fleeting nature of matter and derive psychological benefit from it. However, all faith will also fall prey to increased earthly striving, and for this reason alone different camps will develop which are externally recognisable. Faithful people accept their difficult earthly situation as a Godsend and are therefore not interested in increasing their earthly goods, whereas a person striving for possessions has lost faith in a Power that wants to reveal Itself through events which cause him material loss. His desire for the world dominates and thus he does not recognise God nor arrange his life in accordance with His will.

And thus a very busy time of activity will commence when people will want to improve their situation which has become extraordinarily difficult due to God's will. And then a person's way of thinking will become evident.... the loving person will help his fellow human being by making his life bearable, yet the heartless person will only want to rearrange his own life, he will do anything to provide himself with a good living standard again and not shy away from accomplishing it at his neighbour's expense. And it will soon become clearly apparent with whose support he works, who provides him with the energy for earthly activity and has taken possession of his soul in return. The

believer, however, will also find help in every adversity, it just will not be externally visible, but God's strength will inundate him, he will also master every situation in life and always remain in contact with God, his faith will deepen, his love for matter diminish, and this means far greater progress than the increased earthly wealth of the former. For anyone who sells his soul for the sake of earthly life only takes the short time on earth into consideration, which can be over for him at any time. And he fails to think of eternity which will be incredibly painful for him because he will be bound by matter in the same way as on earth. And therefore the human being should try to detach himself from all desire for it, he should accept the difficult time in submission to God's will and join God even more closely the more helpless he is in an earthly respect.... For God will help him and reveal Himself to him through often miraculous help.... And the time of affliction will only be short for him, but infinitely long will be his life in the spiritual kingdom where he, liberated from all matter, will be indescribably happy because he had already become a conqueror of matter on earth....

Amen

Extent of the work of destruction....

B.D. No. 4441

September 24th 1948

The extent of the act of destruction as a result of God's will is as yet inconceivable to you humans, for it will surpass anything that has ever happened before. Countries and oceans will change, rivers will burst their banks and thus scenes will be created which make people believe that they have been transported into other regions, which in itself will cause indescribable chaos because people will no longer be able to find each other. They will restlessly wander about until strong-minded people try to establish order and take care of the weak. The adversity will be so great that it can only be endured by love, and where one will actively help the other relief and help will soon be felt, which will clearly be granted to them from above. Thus, anyone who turns to God and calls upon Him in his heart will receive help, for God will then so clearly demonstrate His love and omnipotence that those of little faith will find it easy to gain a firm belief, and this time is a time of grace for the unbeliever, when he can still easily change himself in view of the occurrences which are based on the strength of faith. These occurrences will provide food for thought to everyone, yet only someone willing to believe will derive benefit from it, whereas the others will only ever speak of coincidences and face the immense adversity embittered, rejecting a Creator or condemning His actions. The magnitude of the disaster cannot bring them to their senses, they will try to find a natural explanation for everything and entirely reject spiritual correlations. They also remain hard and insensitive towards their fellow human beings' experiences and won't shy away from improving their own situation at the expense of people who are too weak to defend themselves.

There will be hardship wherever God has spoken and He will speak wherever the spiritual adversity is greatest, so that the survivors will receive a warning signal which will enable them to utilise the time until the end, and to also bring the people of the unaffected countries to their senses in view of the disaster which is too immense to be ignored. For the whole of humanity will be gripped by fear that the natural disaster might repeat itself and result in complete destruction of the earth. This will in fact happen but not immediately after the natural disaster. All the same, this fear is beneficial for many people since the thought of a sudden end and a life after death will come alive in many of them and can result in a change of lifestyle. The world will helpfully want to intervene yet won't be able to help as much as is needed. Nevertheless, every human being who is willing to love and help will be blessed by God, for the immense adversity will come upon people so that they will soften their hearts and do justice to their actual task of being lovingly active on earth in order to attain psychological maturity. As long as people only provide for themselves they are selfish and won't progress spiritually. But their fellow human beings' hardship can awaken their kind-hearted activity, and then they will comply with God's will and thus their earthly task.... And then even the most severe hardship will be a blessing and will fulfil its purpose....

Amen

You will all return to a very primitive state of living, for only this will make it possible to motivate you into helpful neighbourly love, which alone can redeem you. Then all people will have the opportunity to be lovingly active although it depends on free will to what extent the opportunity will be utilised. And thus humanity will very quickly want to improve their living conditions again and this, depending on every individual person's will, by just or unjust means, for only few will want to be of service while the majority will want to be served and at the expense of their fellow human beings attain prosperity again, if only for a short period of time, for the end will follow soon.... However, whatever precedes the end has been determined for eternity.... A partial destruction on an inconceivable scale will affect large stretches of land and claim countless human lives. These people, therefore, will have met their end, yet their death will still result in their souls' entry into the kingdom of the beyond. The last hour for this world has not yet arrived when the gates into the spiritual kingdom will also be closed. The survivors, however, will still be granted a last reprieve, an extremely difficult earthly life which can nevertheless be called a time of grace as it still enables many people of good will to gain higher maturity. The huge event should make all people thoughtful and let them seek unity with God, but only a few will derive benefit for their soul by commending themselves to their Creator and Father of eternity and appeal to Him for mercy and help.

And they will indeed be helped. For there will be great and widespread hardship so that outside help cannot be expected. People can only help each other, and in their neighbourly love they will be strongly supported from above, they will be able to accomplish works which are in fact beyond their strength. Yet the will to help will gain them an extraordinary flow of strength, the will to help will also have beneficial consequences on them, so that the helpful person will receive spiritually and physically what he would like to pass on and thus his own adversity will be remedied too. The strength of faith and of love will clearly become evident and every human being can ease his fate by considering his neighbour and not just his own hardship. This great adversity comes upon you in order to revive love, for only love can redeem you and it grows constantly colder the closer it gets to the end. And anyone who is still able and willing to love will not be depressed by the hardship but will overcome it himself by virtue of his love for his neighbour. Even so, there will be much suffering everywhere. People will be torn apart, they will no longer hear from each other and everyone will then have the opportunity of using all his strength to alleviate the difficult situation in his surrounding area. And the human being can achieve much if only he calls upon God for support and desires help for other people. But anyone who takes advantage of his fellow human being and tries to benefit from his adversity will in the end belong to those who will be devoured by the earth on the last day.... he will belong to those who will be condemned, because they had become true devils and will have to share the fate of the one who will be chained up and banished into the new earth for an infinitely long period of time again....

Amen

Serious warning about God's intervention and consequences....

B.D. No. 7052

March 1st 1958

Only a short time separates you from the day when My voice will so forcefully resound that it cannot be ignored by anyone.... You will not live in normal circumstances for much longer. But then there will be chaos and you humans will be faced by the immense task of making yours and your fellow human beings' lives more tolerable, to gain control of the chaos by helping in extraordinary ways and create bearable conditions again with the minimum means at your disposal. For those of you who live in the regions which will be hit by a natural disaster of inconceivable proportions will lose everything. You humans will not and cannot believe this as yet because a natural event like this has never been experienced before.... But the subsequent end of this earth still requires such an

intervention on My part because I want to address humanity just once more in order to bring it to its senses, in order to still save those who are of good will. And nobody will be able to ignore this language, but whether they will open their hearts and ears will still be up to them. For even then most people will turn away from Me, they will remain in the isolation they had previously entered due to their unbelief, and they will look for and find all kinds of explanations for this event apart from the correct one being that I want to speak to them, that a God wants to reveal Himself and address them in order to bring them to their senses, in order to motivate them into contacting Him in greatest adversity and danger.

Countless people will lose their lives and the survivors will be faced by vast devastation, there will be such overwhelming adversity that only firm faith in Me and My help will be able to banish it which, however, only few people will possess. Earthly things which seem unattainable will nevertheless be possible with My help, and I will often work wonders where true believers trust in Me and My help. But the earth has to suffer an upheaval and human hearts, too, must be extraordinarily touched in order to help their neighbour in these hard times, and wherever this unselfish love, this will to help other people, expresses itself an obvious improvement of the situation will also take place. My forceful intervention only serves the purpose that people should put their 'ego' aside for a change and practise unselfish neighbourly love.... Then I will also be able to resolve their hardship, then I will be able to provide them with the bare essentials, and I will truly take care of those who reveal this unselfishness. Never before have such harsh conditions been experienced but I have to speak as distinctly as that so that everyone can recognise Me in My might, and anyone who pays attention to the extraordinary help which could not humanly be expected will also be able to recognise My love. Anyone who merely establishes or strengthens a heartfelt bond with Me can always also be assured of My help, yet people without faith will be in serious trouble. They will try to help themselves and often at the expense of their fellow human beings.... but they will not derive any benefit from it, neither earthly nor spiritually....

Not much time will pass until this disastrous event takes place but you humans are being made aware of it and that, in itself, is already an incredible grace, for then you will also know Whom you must contact, Who can help you in extreme adversity and danger.... This is why I announce this event time and again, and anyone who listens should appeal for a firm faith, for strength and vigour, in order to remain steadfast. In that case he will indeed take the path to Me, Who alone can help him in this adversity.... And he will not need to fear anything, for I will take care of My Own, no matter how.... And anyone belongs to My Own who believes in Me, who prays to Me, who thus unites with Me and therefore can always be assured of My protection and My help.... And they have the task of referring their fellow human beings to Me so that they, too, will take the path to Me when the hour comes which will decide the weal and woe of all people....

Amen

Strength in adversity by God's word

Fulfilment of the predictions.... Proof for unbelievers....

B.D. No. 3741

April 11th 1946

Not one of My predictions will remain unfulfilled, for the present adversity, which is of a greater spiritual nature than a physical one, calls for it. And if you observe humanity's conduct, if you inspect people's thoughts and intentions more closely you will also realise the urgency of a change in all ways of life, for this alone makes it possible for people to change.... And this is why you can count on a speedy change, for the time has expired, the present adversity has remained unsuccessful, and thus only a greater tribulation can offer a last opportunity, and this will irrevocably happen due to My will. For I will reveal Myself and can be recognised by anyone of good will. What human will, human hatred and heartlessness have so far accomplished will still be surpassed by My will, it will also cause annihilation and destruction of the earthly possessions you still believe yourselves to own. People will have to reach such a low point that they will have to call upon Me for help if they are still to be saved before the end. They must realise that any earthly hope will be in vain, and only then will a few take an interest in spiritual matters, and for the sake of these few I will use the last means before the arrival of the end. Yet the period of time following My final rescue mission will be difficult for everyone, believers and unbelievers alike, except that the believers will constantly receive strength from Me in order to persevere. Many people's faith will start to waver if they don't have a living faith. And that is My intention, so that it will even awaken a dead faith or it will be of no value in eternity. I want to help the unbelievers and those of weak faith with My voice, which will resound loudly and perceptibly. Yet it will cause great apostasy from Me, the final storm will shake down many unsuitable fruit.... But this shall not deter Me from sending the storm across the earth. Anyone who stands firm will prove his worth for eternity.

Consequently, don't doubt My Word, wait for the day which will arrive with certainty and make use of every day until then, for you can still gain much if you diligently work.... at improving your soul. Every day of misery can yield spiritual success for you if only you remember Me, if you understand that nothing can happen without My will or My permission. And calmly cast all your worries upon Me and I will help you carry what I impose on you for the sake of your souls. Time will fly by in a flash, but regardless of how difficult it is for you, it is a blessing, because you can achieve far greater spiritual progress than during a longer and calmer time, which lets you become half-hearted and lethargic and will not lead you closer to the final objective. Therefore, wait patiently for the fulfilment of My predictions, don't expect an end to the adversity through My intervention but only a change of it, for your souls are not yet mature enough to live in total peace on this earth, you must fight and gain a strong faith, only then will I be able to remove your misery, only then will you be able to experience a time of peace on earth or in the kingdom of the beyond. Yet time and again bear in mind that My Word is truth, that I will not divert by one iota from what I proclaimed a long time ago and that you will witness it yourselves, that you will experience what I proclaim so that you can stand up for My Word before the world. For My last intervention shall be proof for those who so far did not believe My Word, whom I still want to win over for Myself and to whom I will clearly reveal Myself through the natural event.... so that they will believe in My might and in My working through you.... And thus I proclaim to you again that the day will come suddenly and unexpectedly, it will take the place of great earthly adversity yet bring new adversity of a different kind.... However, if you believe in the fact that I Am only motivated by love for you to let you go through suffering then it will also be bearable for you, for sooner or later the end will come along with salvation for all of those who believe in Me and hand themselves over to Me, for all of those who profess Me before the world....

Amen

Confirmation of the prophecies....

B.D. No. 8949

March 6th 1965

Don't let yourselves to be misled, even if the truth of My messages from above is doubted.... It will not take long until you receive the confirmation of that which I constantly announce to you. Yet it is difficult to persuade people who are still too attached to the world and its commodities to accept them, but then the events will affect them even more, for they will have to relinquish everything and be thankful that they were still allowed to keep their life. It will be indeed be a time of severe trials for all people who will be affected by the natural disaster, yet everyone who turns to Me with complete faith will visibly receive My help. This is why you should not miss any opportunity to draw your fellow human beings' attention to My intervention, which, however, will also stop an appalling earthly event, and which will clearly show that this adversity is not inflicted on you by people but that I Myself determine the distress which every individual shall have to bear, and which will certainly not be any less grievous yet will have to be regarded as the action of a higher Power which no human being can fight with his own strength. And then you humans will have to decide as to whether you want to acknowledge such a Power or whether you still deny it even then.... and this alone will determine your future fate. For then you will be helped by a power which will totally enslave you.... You will treat you fellow human beings in a ruthless manner and obtain everything you need at their expense in order to continue living your old way of life.... And yet he will not release you from his control anymore

However, anyone who is profoundly faithful will not be abandoned, I Myself will give him the necessary strength to persevere, because his love for his fellow human beings is evident and.... the measure he will use.... will also be the measure he will receive, for nothing is impossible for Me. And they will miraculously experience My help and humbly accept their situation. And the fact that it will come to pass is already specified in the Scriptures and has been proclaimed by seers and prophets time and again. But there is no-one left any longer who so firmly believes this that he will unreservedly commit himself to it, and even the recipients of My Word experience moments when they feel slight doubts creeping up on them. Yet they will be repeatedly instructed by Me to reveal themselves to their fellow human beings, and they certainly faithfully accomplish their work in My vineyard. For the one thing they are convinced of is that the time of the end has arrived, and therefore they also consider that My intervention will be possible.... especially since it is also confirmed in the Scriptures that 'there will be an earthquake so mighty, such as has not been seen since men were upon the earth.' And thus all the prophecies will come true because My Word is truth and **must** fulfil itself, only the day and hour has not been made known to you humans. And this is why you always postpone the event into the distant future without considering that one day the future will be the present and, thus, one day **those** people who happen to live at that time will be affected Let it be said to all of you that the time granted to you on earth is only short, and therefore do not doubt My Word which I transmit to earth because I don't want you to remain ignorant of the events ahead of you, because you still have time to change if you sincerely wanted to do so.... but that you can also irrevocably fall into the opponent's hands again and be bound with him so that you will have to cover the process through earthly creation once more.... You cannot be warned of this often enough because it is a bitter fate that you will have to bear again. Nevertheless, it cannot be avoided, for everything must be judged again and lawful order be re-established, so that the spiritual substances which are still bound in the form can also be helped to travel the path of return to Me one day in the state of self-awareness.... which therefore requires a total transformation of the earth's surface....

Amen

You don't have much time left and seriously ought to prepare yourselves for the day when an act of destruction will happen the likes of which has never been experienced before. And although I keep announcing it, you nevertheless doubt My Words and are therefore slow in your work of improving your soul. And you only have a little time left.... But I cannot make you aware of it by any other means than through My Word; if you don't believe it you will be shocked when the last signs start to appear. Although shortly before I will indeed warn you once again, yet even these Words will not be believed by you anymore than the previous announcements because you will be incensed by My forbearance and can't understand that I Am waiting for the sake of the souls yet to be saved, even though the time has long been fulfilled. Some can still be saved, I want to spare them the infinitely long path of a re-embodiment on the new earth and Am therefore patient and wait. However, even the final extension of time will come to an end, therefore take My Words seriously that you only have a little time left and that you will regret every day you have not used correctly for your soul.

And world events will change surprisingly quickly, just a few days will suffice in order to place you into a completely new situation. And then you ought to remember My Words and consider spiritual issues as being more important than earthly ones, for worrying about the latter is irrelevant since you cannot keep anything for yourselves if I won't retain it for you, and that it is up to My will and My might to physically protect and take care of you. Always consider your soul, be helpful and generous when you come across adversity, and enter into heart-felt contact with Me so that you will receive the strength to endure and to do justice to all requirements of life. Constantly draw strength from My Word, for it is a source of strength which can refresh you and which will never run dry. Be always ready for Me and I will not abandon you, regardless of what happens to you....

Amen

'Draw strength from My Word....' Prediction....

B.D. No. 1511

July 9th 1940

You should all draw strength from this Word of Mine. Consider that I Am coming down to you Myself in order to grant you support in your battle of life.... realise the fact that I will not leave My Own without comfort and strength if they are in need of it. Don't be content with only using My strength once, but want it all the time and it will flow to you in abundance. And thus I want to inform you yet again that you will be in desperate need of this strength, because the hour is not far-off which will deprive you of all sense of security, the hour which should bring you close to Me if only you would think of Me in your adversity. Then you will definitely raise your hands to Me in prayer and appeal for My help, and it will be granted to those who respond to My call, which you can only perceive in your heart. You will feel My presence, you will realise the gravity of the situation you are in, and that will make you take refuge in Me.

Remain faithfully devoted to Me in this adversity and it will pass you by. And draw strength and comfort from this Word of Mine in advance.... Accept Me in your hearts beforehand, lessen your resistance to Me by consciously handing your will over to Me, and don't doubt but believe, for this faith will keep the immense adversity at bay even if you are in the midst of the event. For the sake of the world My omnipotence has to be clearly recognisable to everyone, for the sake of the world this major event will come upon you, revealing to you My will and My omnipotence. And its effect can only be eased with those who believe and trustingly confide their hardship in Me, for My will controls life and death, and My will lets people suffer if it is necessary or spares them if they hand themselves over to Me.

And My will shall also shape happenings such that events shall only mildly affect My Own who are loyally devoted to Me. For it has to befall humankind in order to lead them back to Me, as far as it is still possible and the souls are not yet entirely hardened and deluded. I Am concerned about these souls and therefore use the last means, which appears to be cruel and yet offers the only prospect for

their salvation. In order to make this hour bearable for My Own I give them comfort and strength through My Word in advance. Anyone who allows himself to be influenced by it will not fear the occasion. He knows about My love and care and puts his complete trust in Me.... he will not anxiously await the day but be fully confident of being led through all horrors. For I know My Own and My Own know Me....

Amen
