Right enlightenment about Jesus Christ... work of redemption....

B.D. No. 7842
March 5th 1961

Faith in the divine redeemer guarantees that you will enter the kingdom of light after death, because then you will also have found redemption, the forgiveness of guilt, which has so far kept the kingdom of light closed to you. And you can only attain living faith if you make an effort to live a life of love.... if you keep the commandments which He Himself gave you when He lived on earth. But you also need to know the truth about Him and His act of salvation; you need to know what motivated Him to die on the cross for people, and **Who** actually existed in the man Jesus, **Who** accomplished the act of salvation.... You must know that **God Himself** was in Him and therefore also acknowledge Jesus as God's son and redeemer of the world, in Whom the eternal deity manifested Himself in order to accomplish the act of salvation on the cross. As soon as you humans are taught the pure truth you can also attain faith, because then love for Him will be kindled in you humans and this love will then also let faith come alive in you. This is why it is so extremely important that you are given a **true** picture of the mission of the man Jesus, for you will be willing to accept the **truth** if only you are of good will. But if you are given an unclear picture then you will doubt and also completely reject it, you will only regard Jesus Christ and His life on earth as a legend which is not to be taken seriously, and you will not be able to experience the blessing which arises from **living faith** in Him.... You will not be released from your great guilt of sin and with it burdened you will enter the kingdom of the beyond after your death, where no light and no beatitude awaits you, because you do not avail yourselves of the grace(s) of the act of salvation on earth, which require faith in Him.... And if you humans think you cannot believe in Jesus and His act of salvation, then only want what is **right** in your heart.... want the **truth** and ask God, Whom you acknowledge as your creator, to grant you the truth.... And you will truly receive right enlightenment about Jesus' work of redemption. You will receive knowledge, in whatever way it may be.... which you then willingly accept because you inwardly feel that it is the truth. For God does not want you to believe blindly.... He wants you to be serious about standing in the truth.... And therefore He will also help you to gain a living faith in Jesus Christ, the divine redeemer, because only such faith can open the kingdom of light for you, because only in living faith will you recognize the father Who died for you on the cross in order to redeem you.... The truth will bring you full assurance that you have been redeemed from sin and death.... On the other hand, wrong or inadequate knowledge will cause you to doubt and you will reject the divine redeemer and thus also God Himself, but you will have to profess Him in earthly life if you don't want to have lived it in vain. Just try to attain a living faith in Jesus Christ and pray for it with all your heart and soul.... And the gates to beatitude will open for you, you will be allowed to enter the kingdom of light after your death, you will no longer be burdened by sin and you will only ever be allowed to experience His infinite love and mercy and praise and glorify Him.... And through the truth you will still be able to believe on earth and receive this truth again and again through His word, which God Himself conveys to earth, so that people will find Jesus Christ through the truth and thus also Himself, Who was in Him and Who died on the cross for you and your guilt of sin....

Faith in Jesus Christ is in danger, therefore revelations....

B.D. No. 8618
September 16th 1963

Faith in Jesus Christ as redeemer of the world will dwindle ever more, for everything will be done on the part of the adversary to place doubt and rejection into people's hearts.... and since no direct

evidence can be produced, only faith in Him will ever have to be strong so that people will not succumb and completely exclude Him from their thoughts, which, however, signifies great spiritual darkness with the danger of falling back into the abyss. But this is the plan of the adversary so that he does not lose his following, which only Jesus Christ can wrest from him through His death on the cross when man believes in this His work of redemption. That is why the most unbelievable assertions are made, which all amount to denying an existence of Jesus completely or to put Him down as man like every other man, to call all His miracles until His resurrection from the dead a lie or legend and therefore to deny the whole work of redemption and to make it ineffective. And the adversary finds many receptive ears for his work of lies, who are all too willing to believe him because they do not **want** to believe in Jesus Christ and His work of redemption.... but just as he also shakes the faith of those who are indifferent and not fully convinced of the teachings concerning Jesus Christ.... And even these easily separate themselves from their former views.... and only he who earnestly seeks the truth can have his faith strengthened again, for it will be clearly given into his thoughts what the redemptive work of Jesus Christ is about, or he will gain exact knowledge through My word, because this is the most important reason for the transmission of My word to earth, that people will be truthfully informed about the act of salvation so that they will take the path to the cross and fulfil their most important task on earth, to seek forgiveness of their original sin from Him, the divine redeemer Jesus Christ. Because you men can only then speak of success in earth life when you become free of your original sin in this, and that alone only requires the acknowledgement of Jesus and the intimate request to Him for forgiveness of all sin. Then your existence as man was truly not in vain, then the aim has been reached by you, which however can never be reached **without** Jesus Christ. Redemption through Jesus Christ means complete solution and becoming free from the enemy of your soul, who then has lost all power over you men. But that he wants to prevent this with all means (in every way) is understandable, and that is why he also reaches for all imaginable plans (means) to take all faith in Jesus Christ from men. And since men in the last time before the end are also completely without love, they also possess no living faith, which would withstand the onslaught of the opponent, but they voluntarily also give up their weak faith; they accept erroneous teachings without hesitation to also shake off all responsibility, because they then also hardly believe in a God, Who once demands account from them for their walk of life. But My counteraction will now also take effect to a greater extent, and what cannot be made credible to people through evidence will be proven through the 'working of My spirit', and clear knowledge will be given to people as a result, and Jesus' act of salvation will also be truthfully explained and substantiated. These clarifications of Mine give such an understandable picture of the mission of the man Jesus that **this** human being comes to a convinced faith who is only serious about standing in truth.... And whether it is only few, but these also represent their knowledge, and the opponent will no longer be able to shake their faith. For they need no evidence, because the evidence alone is the 'working of the spirit', which also only became possible through Jesus' death on the cross and which only ever imparts pure truth to the human being and explains all spiritual correlations, so that the human being can no longer doubt.... But he has free will, and he can withdraw himself from the influence of My adversary, but as he also can be at his will and closes himself to pure truth. And the adversary's activity will become ever more apparent until he will finally also want to eliminate Me Myself and also want to deprive people of their faith in a God and creator, in a power which stands and works above all things.... And then his hour has also come, then he exceeds his authority and thereby ends even the time of his work on this earth.... Then he will be bound again for a long time, as it is proclaimed in word and scripture....

Amen

Historic evidence of Jesus and His act of Salvation does not exist....

B.D. No. 8634

October 3rd 1963

People generally regard Jesus' death on the cross as a purely worldly event, providing they believe in His existence in the first place. They regard His death as the execution of a judgment against a

troublemaker; they present Him as a court case based on an offence against the authorities by the man Jesus. And these people cannot find redemption through His crucifixion either, because they don't believe that He died in atonement for a grave sin which burdens every person, and from which everyone who believes in Him and His act of Salvation can be released. Therefore, as long as people have no knowledge of the reasons for the act of Salvation, as long as they are unaware of the immense original sin on account of which people live on earth, as long as they don't know the spiritual correlations which explain this said act of Salvation by Jesus, they will not avail themselves of the blessings of this act of Salvation either. They will only ever regard Him as a person who supposedly had a mission, for they have no time at all for this mission. And yet it is of vital importance for a person's life on earth that he professes Jesus Christ and His act of Salvation, that he tries to release himself from His immense original sin which cannot be redeemed without Jesus Christ, and thus also requires the acknowledgment of Jesus Christ in order to become free of it. And precisely the importance of it.... the great significance of acknowledging Jesus as Son of God and Redeemer of the world.... should make you understand why I keep enlightening you about it. This alone should explain My remarkable activity of conveying the truth from above to earth, for no historical evidence can be produced for the sequence of the crucifixion as well as for all accompanying circumstances.... for Jesus' way of life on earth and His countless miracles, which any person will deny who has no knowledge of the power of the spirit, of the power of love.

People believe mere traditions which were passed on from generation to generation, which cannot be reinforced through evidence and which therefore might just as well be consigned to the realm of fantasy. But time and again people must be informed of the fact that Jesus Christ is their only salvation if they want to enter the realm of blissful happiness after their body's death.... They must be informed of the fact that they do not cease to exist when their body dies and that their state afterwards depends on their attitude towards Jesus Christ and His act of Salvation. Faith in Him is so important that everything needs to be done to make it easy for people to gain this faith. And the quickest possible way is through a truthful portrayal of His life on earth, through clarification about His **mission** which was not based on earthly but instead on spiritual reasons. This also requires the truthful passing on of **knowledge** which explains everything that preceded Jesus' act of Salvation.... Anyone who can be introduced to this knowledge on account of his own willingness to know the truth, will no longer doubt the extremely important mission of Jesus, the human being, and acknowledge Him and His act of Salvation as well as profess Him to his fellowmen. Admittedly, none of this knowledge can be proven to him in an earthly way, but if he accepts the teachings through the spirit he will not doubt them, he will believe them **with conviction**, even **without** evidence, and advocate the truth of it himself. Every person's life on earth is in vain if he does not find Jesus Christ and take the path to the cross. And although it is still possible to accept Him in the kingdom of the beyond, he will nevertheless lose many blessings which he could have used on earth in order to attain the childship to God, which is only possible for him on earth. In the afterlife it is often difficult to receive a little light if the soul is as stubborn as it was on earth and refuses to accept the instructions it is offered by the beings of light. For this reason everything will still be done before the end to bestow upon people the correct understanding of Jesus Christ, wherein you can also recognise the reason for My revelations, for people cannot provide you with the true explanation. However, I will always make sure that the knowledge about Jesus and His act of Salvation is preserved, and I will always correct errors, for only truth is the right light and you will also be able to accept the truth without qualms if you desire it and appeal to Me to give it to you....

Original sin - the occasion of the creation

Lucifer and his apostasy from God....

B.D. No. 6954

October 25th 1957

My plan from eternity is the return of the spiritual, which My adversary bound to himself after his fall into the abyss, after his apostasy from Me and his rebellion against Me. My adversary emerged from My love as a first-created being.... I had created this being in My image and therefore it stood by My side in an inconceivable abundance of light and strength, exceedingly powerful and wise.... it was the most blissful creature because My love constantly permeated it, bestowed supreme beatitude upon it and again and again sought to increase this beatitude for that being. My fundamental being was reflected in this being created by Me, except that it was visibly externalized for Me, whereas the being was **unable** to behold Me Itself. But it knew of Me, it knew that I had let it come into being and that it received this blissful strength of love from Me. For I Myself transferred that knowledge to My image because I Myself wanted to establish an exchange of our thoughts with it.... because I had also given it the **ability** to understand the 'word' which sounded in it as an imprinted thought and which it was now likewise able to return and thus the most blissful exchange took place between us for the sake of which I had let the being arise. For My infinite love sought a resonance, it sought a vessel into which it could pour itself, it sought an object which it could make happy, for which it wanted to prepare the most blissful existence forever.... This plan had certainly been designed by Me since eternity but it always left open the question whether this being would also join My plan, because it was created in all freedom of will and externalized by Me as an **independent** being which could also determine itself. Although My thoughts in the form of the word resounded in it, the being was nevertheless not **forced** to think and want like Me.... It possessed the ability to consider My word in all directions.... it was therefore able to arbitrarily give the word a meaning for itself which I had not put into it. But it was only able to do so as soon as it entered into an **inverted** relationship with Me, its God and creator.... whereas it completely agreed with Me in its thoughts and intentions as long as it opened itself to Me with devoted love in order to receive My ray of love. But the being was also aware of this very ability and therefore also attempted the state of repelling My strength of love in order to be able to form its thoughts according to its own will completely uninfluenced.... These attempts only took place after an infinitely long time of unlimited bliss which My love had prepared for the being.... And during this time of the first-created being's most intimate communion with Me it was creatively active to such an extent that it called countless beings into being, because this urge for exchange, for objects to receive its love, was also present in it as a sign of My image and I therefore constantly supplied the being with the strength necessary for creation. However, when the being made the first attempts to repel My inflowing strength of love, the process of wrong thinking also began.... and the strength to create temporarily diminished.... But the being also felt the decrease in bliss and turned to Me again in pure love, so that I was able to make it happy again as before and the creation of supremely perfect beings also continued again.... But those temporary interruptions increased.... (25.10.1957) For again and again the being considered within itself whether it should not be able to achieve and create the same without Me, and it also tested itself in its creative activity by temporarily isolating itself from Me, thus also denying Me the supply of strength of love, and yet used its existing strength to create beings entirely according to its will, which then also already carried something of its will within themselves. But these were only ever short attempts and it always returned to Me again in order to experience the happiness through My strength of love. Its thinking, however, took on an increasingly more hostile form.... The strength of love, which it knew had its origin in Me, was envied by this being.... of light bearers.... Me, and he toyed with the thought of inducing Me to divest Myself of My strength of love by perpetually creating new beings, of appropriating the right of possession

over these beings for himself and thus weakening Me.... while he wanted to enjoy the **evidence** of My strength withdrawn from Me and surpass Me in power and strength.... These thoughts did not suddenly arise in him, but a single wrong thought.... one moment of wrongly-directed thinking.... gave place to ever new wrong ideas. The light-bearer was at odds with himself. And he could easily have found his way out of this conflict if he had discussed it with Me, which was certainly possible for him. He constantly drew My strength of love, and precisely this uninterrupted influx caused him to think wrongly that this influx would not change forever, even if he isolated himself from the one Whom he certainly recognized as his God and creator. But every thought directed **against** Me weakened the supply of strength and caused him to become ever more rebellious against Me.... until he finally completely renounced Me and thereby also put an end to the influx of strength which enabled him to create.... But during this infinitely long time an endless number of beings had also emerged from his will with the help of My strength, which were of the **same** inner nature as their creator was to Me at the moment of creation.... But My strength of love permeated all beings otherwise they could not have come into being, and this strength of love also urged all these beings towards **Me** to the same extent as towards their producer. For although the latter placed his wrong will into these beings, the light of realization was nevertheless still in them which ignited My strength of love in them. Hence the beings were **not** yet **sinful** when My now adversary let them **come into being**. But they were also easily inclined to believe his ideas when he presented himself as the highest being, because none of the created beings could see Me. They were impelled by love for **Me**, yet the one who was visible to them wanted to be acknowledged by them as God and creator, and He was also acknowledged by those beings whose act of creation had taken place at the moment of an inner opposition to Me.... Light was given to those souls from Me, they were also able to hear My word and they were also able to think.... Hence they **need** not have believed his ideas and acknowledged him, but their will was also free, they could neither be forced by Me nor by My adversary, and therefore they became sinful when they were supposed to use the right of self-determination and decided in favour of My adversary. For they recognized Me even though they were unable to see Me, but they voluntarily followed the **one** they could see.... It was, as it were, a decision **against** their **better knowledge**.... and therefore a huge guilt which caused the being's complete weakening, a darkened spiritual state and lack of all strength.... For the influx of My strength of love was consciously rejected when they followed My adversary into the abyss.... Only those who are able to grasp the perfection in which all beings once emerged from Me, how brightly the light shone in all of them, can imagine the magnitude of their guilt for having given up the light and followed the one who led them into darkness. All these fallen beings could not have been called to account if they had been deprived of all knowledge beforehand by My adversary's will, but they were all products of My strength of love, and thus they were also permeated by it and, as beings of light, able to make the right decision when this was required of them. But they directed the will in themselves wrongly, and they were not prevented from doing so, and therefore the distance from Me is also in accordance with their guilt, and the return to Me requires eternities and can also only take place when the substitutionary atonement of the man Jesus is acknowledged and requested by every being which once fell....

Amen

Cause and origin of creation....

B.D. No. 7770

December 12th 1960

Your human existence is the result of your earlier apostasy from Me in the spiritual kingdom. It has been explained to you many times already that you yourselves were the cause of the emergence of the earthly creation through which you, as creation's crowning glory, shall once again achieve your original state which you once had voluntarily surrendered. I brought every kind of earthly creation into existence because of you, for I searched for and found a way for you to return to Me, and this way is the progress through the earthly-material works of creation. The last stage of this earthly progress is your human life.... And now you have to start your voluntary return to Me again,

since you once parted from Me voluntarily. Because you are divine beings by origin who, as a sign of their divinity, possess free will. Your life as a human being gives you the opportunity to prove your divinity.... it gives you the opportunity to direct your free will towards Me and thus also to unite with Me again.... Then the earthly creations have served their purpose, they succeeded in achieving the work of return in accordance with My plan of eternity. And thus you have to view all creations as the result of your transgression against Me but also as your means of learning to acknowledge Me again.... you have to recognise creation as an expression of My love for you which I did not want to lose. You should know that My supreme wisdom recognised 'creation' as the most reliable means of winning you back.... And one day you will be able to see the progress you made through the creations for yourselves and be tremendously grateful for the mercy My infinite love bestowed unto the souls which otherwise would be lost.... Then the creation will no longer be a constraint for you, rather it will be such immense proof of My love that you yourselves will want to take part in the work of creating in order to give the spirits even more opportunities to return to Me for good....

Just as love motivated Me to create, so will love not let you rest either, and then you will use the strength, which flows from Me to you, in accordance with My will: you will create and design for your own blissfulness.... But this requires a certain degree of maturity which you can acquire during your earthly life already if you use your free will correctly and direct it towards Me.... Then your soul will return to the original source of light and strength from whence it once originated, and then it may also receive light and strength in abundance, then it will be able to create and work with Me and be happy. And thus, on the one hand the works of creation are a constraint for the immature spirit, but on the other hand they are an opportunity for the free spirits to work lovingly and help the unredeemed souls.... On the one hand they are judged spirits themselves, and on the other hand they bring freedom to the spirits because all creations have to comply with their instructions to serve, thereby enabling the constrained spirit within to achieve freedom.... The redeemed spirit of light knows this and in its love is constantly active by forming new creations in accordance with My will, by taking part in creating, because it knows My eternal plan of Salvation and wants to help with the work of returning all spirit essence to Me. Hence the creation may well be considered My adversary's realm because it contains the unredeemed spirit.... however, he himself cannot influence this spirit during the time of its constraint.... while the world of light protects this spirit and time and again can help it to become free.

Yet the human being has to fear his influence again. But he need only use his will correctly, he need only direct it towards Me and I will take care of him and truly release him from the hands of My adversary. However, he has to pass this test of will himself.... neither I nor My adversary will force his will in either direction, he has to prove his 'divinity' himself by asking for the light, from whence he once originated....

Amen

Occasion of the mission of Jesus

Occasion and purpose of the descent of Jesus....

B.D. No. 6438

December 29th 1955

The core of Christ's teaching is the commandment of love, because people lack love and love is nevertheless the most important thing if your upward development is to progress.... if the soul wants to find entrance into the kingdom of light at the end of earthly life.... That is why God Himself came to earth in the man Jesus, in order to show them for the time being the way, which leads back to Him, which forms the being again in such a way, as it came out of God once.... The man Jesus taught love and lived it Himself to the people. Through His life of love, the man Jesus also proved to people the attainment of perfection, He proved to them that it is possible to come into a state through love which makes the union with God possible and thus brings in light and power in abundance. For He was as man the same as every other man. What led Him to the union with God, what brought Him the power to work miracles, what gave Him light-full recognition and deepest wisdom.... was only the love, which glowed in Him overpoweringly to God and to His fellow human beings.... And for the first time He wanted to make this love the most important thing for people, that they should do like Him, that they should follow Him in their way of life, in order to reach again the former perfection, which they had once lost in the spiritual world through their apostasy from God.... But mankind was heavily burdened by this former apostasy from God.... A sin debt weighed on it, from which the man Jesus was free.... a guilt of sin, which also pulled down the willing people again and again, which also gave another lord the right to prevent the ascent.... a lord who was opposed to Jesus, who was completely devoid of love and who therefore prevented the people, who had become his property through the fall of man, from acting in love wherever possible.... The love teaching of Christ could have been accepted but not lived out by men as long as they were still under the power of him who had once been responsible for their fall. And so his power had to be broken first, people had to be freed from him first, it had to be made possible for them to go the way up, **someone** had to **help** them.... because they were too weak on their own, even if they were of **good will**.... The burden had to be lifted from the people that kept them chained to their jailer.... And this burden, the guilt of sin of their former rebellion against God.... they could not bear or pay off themselves, because it was immense and would have eternally prevented them from ascending to God.... Therefore Jesus took this mission upon Himself, for the people.... for His fallen brothers.... to wipe out the guilt, to atone for it and to redeem people from the power of the adversary. For Jesus was likewise a being that came forth from God's love, like His brother Lucifer.... and He recognized, as an angelic spirit remaining with God, the great misery of the fallen and the impossibility of getting rid of this misery by his own strength, if help was not brought to him.... And His exceeding great love offered itself for this help: To embody itself on earth in the man Jesus and to serve the eternal deity as a cover.... the eternal **love**, **which** wanted to redeem that guilt of sin through a work of atonement, which **it** brought to execution in the man Jesus.... Only **after** the work of redemption was it possible for people to become free and to rise out of darkness, through love work, through **living out** the teaching which Jesus preached on earth. Because before men would not have been able to do this, because they were still bound, because their will was so weakened by the burden of sin that they would have sunk back again and again through the influence of the adversary. The souls belonged to Him, and voluntarily He would never have given them up, but Jesus paid the debt through His suffering and death on the cross.... The divine love, which had embodied itself in the man Jesus, redeemed the guilt itself, and people became free.... as soon as they acknowledge Jesus as the divine redeemer and also claim His work of mercy for themselves.... as well as they believe that **God in Jesus** has taken care of people in order to make the way of return to Him possible for them.... as well as they now also live in the following of Jesus, as

well as they lead a life in love and shape themselves again to what they were in the beginning... beings filled with light and power, who united with God through love....

Amen

Justification of the redemptive work of Jesus Christ....

B.D. No. 6926

September 23rd 1957

The commandments of love for God and neighbour are the primary things in human existence. For if they are fulfilled, then the meaning and purpose of earthly life is fulfilled, and then the divine order, which was once overturned, is also restored. God's plan of salvation now only aims at the establishment of divine order, and all His working and activity is only directed towards this, because the state of order is a divine one and because everything divine is also incomparably blissful. God as eternal love will only ever want to make happy, but according to His perfect nature a making happy of His creatures can never take place outside of justice.... Thus only something divine and perfect can be made happy by Him as it corresponds to His love, because the imperfect is guilty of its nature, because in free will it gave itself up to perfection, thus it also voluntarily spurned bliss. This was a guilt which put a barrier in God's delightful love, admittedly not a barrier which God's **power** could not break through but which would question His supremely perfect being if God, despite this rejection, wanted to bestow on the **imperfect** being what perfection presupposes. The debt must first be paid, the being must recognize its guilt and seek to restore the state in which it originally found itself. For justice cannot be eliminated. The creature's happiness can therefore only take place in a state of divine order, and happiness means 'being permeated by divine strength of love', it means that divine strength of love flows into the being, which is now also able to create and shape itself for its own happiness.... But it is extremely difficult for the being which once rejected God's strength of love to enter the state of divine order again, because in the lack of strength resulting from the rebellion against God it also lacks the strength to change itself again, and therefore it would have to eternally remain in the voluntarily striven for wretched state if it were dependent on the being **itself** to return into the state of divine order. Alone, without help, it is no longer able to do so, for the guilt was too great and the depth abysmal into which it fell through this guilt.... God's love and mercy, in turn, was so great that He wanted to provide this help for the beings which had fallen away from Him.... But His **love** could not simply cancel a guilt because His **justice** did not allow for this. He had to demand an atonement and the debt had to be paid.... And because the debt was immense and the beings themselves would never have been able to pay it off in their weakness and darkness, a supreme being of light offered to pay the debt on behalf of God so that God would become righteous and His love could give itself away again.... The being of light wanted to make a sacrifice to God which, however, also corresponded to this great guilt. It wanted to make use of God's **strength of love** in order to be able to carry out a work of mercy as a 'human being' which was intended to bring redemption to all fallen beings.... It wanted to divest Itself of Its strength and light, take on a human form and now, as a self-weak being, walk an excruciatingly difficult earthly path with the aim of sacrificing Itself, of giving Its life for Its fallen brothers.... And it only wanted to make use of God's strength of love for this purpose, it wanted to bring love within itself to its highest development and thus exemplify a life of love to people which earned it God's strength of love, which resulted in 'eternal love' completely filling it, that it took possession of the body of the man Jesus and thus it was now also possible for it to suffer the most dreadful death on the cross and to atone for guilt through its suffering and death.... And God accepted the sacrifice, His **love** was willing to make even the compensation by Himself which God's justice demanded.... The guilt was therefore redeemed by Jesus, in Whom God embodied Himself, because love.... which is God.... completely filled the human being Jesus and thus the 'human being' deified himself, i.e. united with God, thus became one with Him. Every once fallen being must strive for this deification and make it its aim, and since deification can only be achieved through the irradiation of divine strength of love, the fallen being must therefore live a life of love in the human stage, through which it enters into intimate union with God and thus the divine order is also restored....

(9/23/1957) And because people are without realization until the divine light of love illuminates them, they have been given the **commandments** of love for God and neighbour, the fulfilment of which earns them that light of love.... And they should also know **why** this commandment is the **most important** commandment, they should know that only love can lead to union with God and that union with God also means divinization, the establishment of the original state where everything moves in the law of eternal order and can now also use the strength flowing to it from God in love and wisdom.... in the will of God, which is now also the will of the being. Love is therefore the fundamental law.... But the human being is still weak and darkened in spirit as long as he stands outside of divine order, as long as he still lives under the burden of original sin. And so long he will hardly perform works of neighbourly love. But the knowledge that Jesus Christ's act of salvation has also been accomplished for him can cause him to call upon Him, he can mentally occupy himself with Him even if he is not fully convinced of His spiritual mission.... And every thought of Him in **good will** is already a bond which has a beneficial effect. For the divine redeemer Himself already thereby gains influence on the human being's soul. And everything else merely depends on whether the human being allows himself to be determined by this influence or not. But the influence consists of stimulating the human being into loving activity, for Jesus Christ will do the same as He did on earth as the human being Jesus: He will only ever point to love, because this is the principle of divine order, thus love has to be practiced without fail in order to first reach a degree of enlightenment which then determines the human being to seriously seek unity with God.... And thus even people who know nothing about Jesus Christ and His act of salvation can attain this degree of enlightenment if only they **live in love**. For a spark of love is placed in every person's heart.... Thus a person only needs to be **willing** to love because the **ability** to love exists as a divine gift of grace. The human being can remedy the weakness which burdens him through original sin through loving activity, **because** Jesus Christ died for **all** people, because He accomplished the act of salvation for **all** people. These people have entered the divine order through their willingness to love, and if the knowledge of Jesus Christ is conveyed to them they will also grasp it and enter into conscious contact with Him, to Whom they had already unconsciously united through love.... But the realization will come to them in a flash when they leave earthly life, and therefore they can be considered redeemed because the soul pushes towards Jesus Christ by virtue of its love.... Every person is **able** to practice love.... because God does not completely abandon a person to His adversary and because the human being's will is also influenced from a good spiritual side.... But the weakness of will is often so great that he needs help, which will certainly be given to him through the call of Jesus Christ. But where the knowledge of Jesus Christ has not yet been conveyed to the human being, the forces of light are constantly endeavouring to stimulate people into a life of love, and the knowledge can also reach them through inner enlightenment, no matter in which form it is offered to them. But they will learn to believe in a God who is inclined towards them in love and mercy.... And if they consciously surrender to Him they will also be released from their past guilt, they will be freed from the power which kept them bound, because eternal love Itself loosens the chains of the being which practices love and thereby joins It again in free will....

'God sent His Son to Earth....'

B.D. No. 8537

June 22nd 1963

Time and again it is explained to you that Jesus' soul came from the world of light to earth in order to embody itself in the man Jesus for the sake of a mission which required a **pure** soul, for God Himself wanted to take abode in this soul, and He was only able to do that in a pure soul without sin.... He sent His Son to earth.... Can there be a clearer word to confirm this? It was a **non-fallen** soul, as opposed to the human souls which have to take the long process of development through the creations and start their human embodiment in a very imperfect state.... But that does not rule out that Jesus' soul had to struggle and fight incredibly hard against everything unspiritual which besieged it from

outside.... for His body was immature matter and, due to the adversary's influence, the soul was badly besieged by these unredeemed substances.... All earthly passions clung to the body and its instincts, which still adhered to the body as part of the very immature substances, demanded gratification. Jesus' soul came to earth in a completely pure state, yet untold immature beings clung to it which the soul was not permitted to shake off; instead, it needed to pacify and mature them. Jesus, the man, was also inundated by external immature substances, his environment so affected His soul that it had to endure the same inner battles a fallen soul has to endure, and therefore it is untrue that because of His perfect soul it had been easier for the man Jesus to accomplish this act of Salvation.... On the contrary.... because it was pure and without sin.... His soul suffered far more in the immature environment, His pure soul reacted exceedingly sensitively towards sin, towards everything that due to the adversary's influence inundated Him on part of his fellow human beings.... The darkness which the soul of light had to stay in caused it indescribable pain and yet, it was filled by burning love for this sinful human race and wanted to redeem it from sin and death. So although everything of a satanic nature crowded Jesus soul, it nevertheless did not succeed in making Jesus Himself fall into sin. He withstood all temptations, He fought against His adversary as well as against everything unspiritual pestering Him.... His love for His brothers in need did not diminish and He also succeeded in spiritualising his body's unspiritual substances through love, which constantly increased, and so filled the man Jesus that the Eternal Love Itself took possession of Him, Which would never have been able to manifest itself in a sinful soul without causing it to perish.... Why won't you humans accept these Words 'He sent His Son to earth....'? That which comes from Him is perfect and thus it is said 'He came down to earth' and not 'He ascended from the abyss....' Although Jesus' soul was surrounded by satanic elements to a great extent, they approached His soul from outside and His soul nevertheless resisted them and did not allow itself to fall as God's adversary had intended.... Regardless of whether He was pestered by His body's immature substances.... or whether unredeemed beings were trying to cling to Him as Satan's emissaries.... His pure soul resisted and fended off everything of a satanic nature, whereas it matured its body's immature spiritual substances so that it was able to join the soul in a spiritualised state when Jesus had accomplished His act of love. As soon the soul entered the realm of darkness it was subjected to satanic forces yet it did not succumb to them, it resisted them instead because it was full of love and this love provided it with the strength to persevere until the end.

However, the soul brought **love** along from above, it did not sacrifice love, instead, it united itself increasingly more with the Eternal Love and thus the unification took place, which should be every person's ultimate goal on earth. Jesus, the human being, deified Himself on earth through His great love and His extreme suffering and agonising death.... Yet He, too, had to struggle in order to attain this deification, it did not come any easier to Him than any other person, for people also possess the divine spark of love and can constantly nourish and fan it into a bright flame.... They can appeal to Jesus for help, whereas Jesus only ever drew strength from love.... but this love sheltering within Him was God Himself. And then again, God was only able to shelter in a being without sin, He would never have been able to enter a fallen soul which had travelled the path of ascent through the creations.... a soul which had once fallen away from Him and rejected His love.... After all, this had been the original sin which burdened all fallen beings, and this original sin would have had to be redeemed first before a union with God was possible again.... Therefore, had the soul of the man Jesus been a 'fallen' soul, it would not have been redeemed prior to the crucifixion and God would never have been **able** to take abode in it.... However, He did shelter in Jesus for **He** was the **Love**.... God Himself had become human. God's human manifestation would never have been possible in any other way.... but this is and will remain the greatest mystery of all.... A pure being had to accomplish the act of atonement for humanity's original sin, for a fallen being was still subject to God's adversary's rule and would never have been able to muster the strength of detaching itself from the adversary, its prison guard.... Now it is possible for a person, because Jesus Christ died on the cross for it.... A soul of light had to take up the battle against the adversary and Jesus won this battle because His strength was love, because He waged this battle in unity with God Himself, the Eternal Love, and thus God Himself redeemed the human race from sin and death.... You humans need to be given the relevant information, for mistaken opinions will also lead to mistaken conclusions. Lucifer would not have had

to fight against Jesus had he been in command of Him.... And every fallen soul is still subject to the adversary's control.... until it is redeemed by Jesus Christ.... No fallen soul would ever have succeeded in defeating the adversary.... The act of Salvation had not been accomplished as yet, therefore Jesus' battle would have been unsuccessful, for a fallen being which had once resisted God's strength of love had indeed received a tiny spark of love from God, but it would never have fanned it into a bright flame because the adversary would have stopped it and because the being itself was too weak.... You humans should understand that you lose yourselves in wrong thoughts if you don't let go of this opinion that Jesus' soul is Satan's share, thus once a fallen away spiritual being.... With this point of view you would only make the problem of God's human manifestation even more incomprehensible and questionable.... And therefore the pure truth must be repeatedly presented to you, for only the truth will enlighten you correctly and the truth will only ever come forth from God Himself....

Amen

Problem of the incarnation of God in Jesus

Personification of God....

B.D. No. 3443

February 22nd 1945

The belief in a spiritually tangible Deity by no means implies a personified Deity, for this reason the human being should not have a narrow idea of God, Who is omnipresent and beyond time and space. He permeates everything with His spirit, the whole universe, the whole spiritual kingdom.... and therefore He is not conceivable as a person who, according to human comprehension, is spatially limited. Instead, a personification of God must be completely avoided if the human being wants to come anywhere near visualising God as the highest and most perfect Being of God. God has indeed made Himself visible to His living creations in a human form by permeating Jesus' body with His Divinity and showed Himself in His transfigured state to people, so that they were able to visualise the eternal Deity in Jesus Christ. Yet once the soul has discarded its body and enters the kingdom of light it will realise that the eternal Deity can never be grasped by human intellect and that the embodiment in Jesus Christ was intended to awaken or strengthen the belief in a spiritually tangible Deity in people during their earthly life, otherwise they would find it difficult to have faith which, however, it is necessary to have in order to establish a connection with God through prayer....

Thus the eternal Deity became visible to people in Jesus Christ and in merciful love It tries to make Itself accessible to people in order to encourage them in establishing their contact with Itself. Jesus Christ was the form which sheltered the eternal Deity for the people on earth.... In the spiritual kingdom the same form will be spiritually visible by those beings which have attained the degree of maturity that enables them to behold God.... But this spiritually tangible Deity is present everywhere and therefore never expended in a limited form. Hence It cannot be addressed as a personal Deity either, because this concept is only used for earthly life, for the human being himself who, as an isolated individual being within the universe, claims for himself the acknowledgment of being a personality, thus a person always has to be understood to be a human creature. That this concept can never be applied to the eternal Deity is due to the fact that God is a spirit.... but the spirit is never something restricted, something bound in a form, once it is perfect. The supreme Perfection is therefore limitless beyond all comprehension and permeates the whole of infinity; it is omnipresent because its fundamental substance is love which likewise is not restricted and therefore also not conceivable as a form. The human being's intellectual capacity is limited, he is unable to visualise anything but earthly things as long as he is still spiritually unenlightened. And therefore he tries to imagine the eternal Deity as a person as soon as he believes in a spiritually tangible God, in a God to Whom he can pray.

And God accommodated this purely human desire by embodying Himself in Jesus Christ, that is, by demonstrating how a human being living a God-pleasing life can unite with God on earth and thus become as one with Him.... He wanted to show people the path to achieve the final goal, the total unification with God. The emanation of the Divine Being completely permeated the man Jesus, consequently only the external frame, the physical form, was human, but His soul and spirit were divine, they had entirely united with God again from Whom they had come forth. Yet the eternal Deity did not expend Itself, because it is impossible for the most perfect Being ever to be limited within a form. Nevertheless the eternal Deity is something spiritually tangible, that is, it is spiritual strength which has to be granted will and faculty of thought, thus existing as a being with Whom the human being can also make heartfelt contact by using his will and his thoughts. For the human being's will and thoughts are not tied to the external form either but are part of the spiritual essence which is embodied in the human form. Once the physical shell falls away, the soul, the spiritually tangible

being, remains capable of thinking and wanting, but according to its state of maturity the ability can merely be weaker or stronger, whereas the eternal Deity, as the most perfect Being, executes Its will and Its thoughts in profound wisdom and inconceivable strength.

The human physical form is just the means to an end for the duration of his earthly life. Yet anyone believing in the immortality of the soul will also understand that the external form, the person, will not be required for the soul's continued existence. Nevertheless, the soul remains conscious of itself as an individual being, even when it has joined equally mature souls.... just as the eternal Deity will likewise remain the highest and most perfect Being for the most elevated beings of light which have entered into union with It.... which are totally united with God and yet are inexpressibly happy in their own existence because they always and forever receive and feel God's strength of love Who, as eternal Father, is in intimate contact with them....

Jesus Christ.... redeemer - God-man....

B.D. No. 5213

September 16th 1951

I entered My kingdom when I had accomplished the act of salvation. I dwelled as a human being in the midst of people, I taught them as God, I worked miracles as God and died again on the cross as a human being.... This is a mystery which is not so easy to reveal to you humans as long as you don't know about every individual person's development, as long as you haven't recognized the meaning and purpose of your earthly life and understand the process of a person's deification.

As such, man is still connected with matter, both in his body and in his thoughts, as long as these do not turn away from the world and towards God.... And as long as he will also not understand the mystery of Jesus - human being and son of God at the same time.... and will not be able to understand the explanation given in all truth. But he can still be taught about it, so that the spiritual in him begins to stir and is given the opportunity to unfold....

I worked on earth as God and suffered as a human being because the deity in Me **could not suffer**, thus the act of salvation for humanity had to be accomplished by a **human being** if it was to benefit the whole of humanity. And these sufferings were and had to be so unspeakably great so that they demonstrated to humanity the magnitude of its guilt, so that the act of salvation was not valued too low, even if people believed in the divine redeemer Jesus Christ. A human being cannot measure the agony and suffering of My crucifixion, his senses would dwindle if only he could gain a proper understanding of it, for it was beyond human strength and yet I endured it as a human.... Only a small part of these sufferings would have been enough to end a person's life, for I felt them even more profoundly than a normal person. Yet My body was tremendously strong-willed due to its spiritualization and therefore took upon itself everything that could still contribute to humanity's deliverance from its immense guilt of sin.... I **consciously** walked the path to the cross, I **consciously** accepted death on the cross. You humans cannot measure what that means.... I **wanted** to suffer in order to redeem people.... And therefore nothing was spared Me, and the most dreadful description of My suffering and torment would still not be nearly sufficient to be able to imagine it to you. And therefore the deity had to emerge from Me, from the man Jesus, and leave the work to Him alone to accomplish. This is why it was preceded by a dreadful battle which the man Jesus had to fight beforehand in order to place Himself outside the deity dwelling in Him and to remain strong. The man Jesus suffered unimaginably, and that only out of love for humanity, which was in greatest spiritual need. And for the sake of this greater than great love I accepted the sacrifice, otherwise I would never have let a being suffer like that, which was completely blameless and so close to Me.... I accepted the sacrifice and gave the man Jesus into the hands of his enemies and tormentors.... For the work He accomplished was valid for the whole of eternity, it meant redemption for the whole of the wretched spiritual, which shall find its way back into the father's house.... The soul of the man Jesus recognized all this and, as a spiritual being, was ready for any atonement, for any help it could render the

unredeemed spiritual being.... But such a sacrifice had to be made by a human being who walked on earth in equal weakness in order to show people a passable path to Me, to their father of eternity.... For this reason a supreme being of light embodied Himself as a human being and, as a human being with all weaknesses and faults on earth, provided the evidence that through a rightly used will and a life of unselfish neighbourly love on earth a unification of the spirit with Me, the father-spirit of eternity, can already be achieved, that this unification provides the human being with an abundance of strength, that the human being is therefore able to work miracles in union with Me, that he can penetrate the deepest wisdom, that he knows everything on earth and in the spiritual kingdom and that he can completely spiritualize himself, his body and his soul on earth through love. Only a human being could and had to bring this proof, otherwise humanity would not take the same path which leads to the aim.... to Me into the father's house. Nevertheless, people were too weak without help precisely because they lacked the will to love. And Jesus knew about this weakness of will as a result of the past sin and wanted to help them to strengthen their will.

I was indeed in Him, the man Jesus, but I did not influence His will; He acted and thought as a human being and yet drew Me into His heart in all fullness.... For My fundamental nature is love, and His greater than great love established the union with Me.... He became one with Me.... The man Jesus may have suffered the bitterest on earth, but through His love He attained the highest.... He descended to earth as a high being of light and returned to the kingdom of light again as God, for He completely merged with Me through love, Who has now become visible to you humans as saviour Jesus Christ, Who can now also enter into contact with each one of you through Jesus Christ, because He atoned for your guilt of sin through His death on the cross, through His indescribable suffering, because His love for you was exceedingly great....

Incarnation of God in Jesus....

B.D. No. 6999

December 22nd 1957

And salvation came from above.... For the earth lay in deepest darkness, the earth and the kingdom of light were unbridgeably separated from each other, and therefore first a bridge had to be built from above to the earth, which people were then to enter and were also able to do so, because one preceded them, Who wanted to lead them back to the father... For the father longed for His children.... But He could not lift them up by virtue of His love, instead, the guilt had to be settled first which had caused a wide gulf between the creations and the creator. Without atonement for this guilt it was impossible to return to the father; but again, the guilt-ridden creatures were also unable to make atonement **themselves**. And therefore the gulf was unbridgeable until a saviour descended from **above** Who accomplished the work of atonement.... The eternal love Itself descended to earth and brought salvation to humanity.... The eternal love Itself redeemed the guilt and made atonement for the great sin by incarnating Itself in a human shell and now made a sacrifice as a human being which was unique.... for this human being Jesus took upon Himself a measure of suffering and torment out of love and walked the path to the cross with people's guilt of sin burdened.... He suffered and died on the cross in order to offer God the sacrifice of atonement for His fallen brothers. For this man Jesus recognized humanity's enormous guilt of sin because His soul came from the kingdom of light, because a soul of light, a primordially created angelic spirit, voluntarily offered to make atonement for His fallen brothers as a human being. This soul of light therefore animated the body of the infant Jesus and as such began its journey across the earth with the same task that is given to all of God's creatures: to spiritualize themselves through a life of love and to reunite with the eternal love as it was in the beginning.... And Jesus exemplified a life of love to people, He showed them the path to the father, He demonstrated in Himself the effect of a way of life in unselfish neighbourly love, and He concluded His earthly life with the work of redemption, with the redemption of that great guilt which once caused the beings to become wretched.... But this act of atonement was not accomplished by the 'human' but by the 'love' in Him.... For through His life of love He caused the eternal love to manifest

Itself in Him, to fill Him completely. And Jesus then drew the strength from it to accomplish the work of salvation. A human being would never have been able to accomplish such an act **without** love, and thus it was **love** Which atoned for humanity's sins.... it was God Himself Whose fundamental substance is love and Who was in all fullness in the man Jesus, so that He deified Himself on earth through love, so that He became one with the eternal love.... God became 'man'.... Jesus was 'God'.... Only he who has changed himself into love will be able to understand this mystery, and he will also be able to understand that from the hour of redemption onwards there was a bridge which leads to the father, which can be entered by every one of His creatures who wants to reach the father, and that Jesus, the divine redeemer, built this bridge through His suffering and death on the cross. Love Itself devised a path to enable the fallen being to return home to the father, and love Itself initiated this path.... And thus salvation came from above to earth, which was cut off in deepest darkness and no longer had any contact with the kingdom of light. The eternal light let Himself descend, He broke through the darkness, the lord of light and bliss took up the battle against the prince of darkness.... And He defeated him, He paid the debt on the cross with His death and ransomed the souls from the one who held them in bondage. But God accomplished this act of salvation in a **human being** because God was **unable** to suffer and die and because a sacrifice which was intended to compensate for this immense guilt could only be associated with immeasurable suffering and torment and the most bitter death, which the human being Jesus wanted to endure out of love for humanity in order to bring His children back to the father, for whom He yearned. This work of salvation was unique, for profoundest love and highest wisdom united, which the man Jesus possessed, and He therefore mustered all willpower to suffer and die for His fellow human beings. And thus salvation came to earth on that night when the infant Jesus was born.... God Himself sent His Son to earth, Who then prepared a dwelling place for the father in Himself, so that father and son.... God and man.... united and accomplished the work of mercy, so that the original sin was redeemed and the path is now free for every human being upwards, to the father, to the kingdom of light and bliss....

Agonizing sufferings of Jesus Christ... Incarnation of God....

B.D. No. 8156

April 20th 1962

With the most bitter suffering and pain I concluded My life as a human being on this earth, when I shed My blood for the sins of men in order to redeem their great guilt.... Only one "human being" died for people on the cross.... and a human being also took the most agonising suffering upon Himself in order to offer the sacrifice of atonement to Me, yet **I Myself** was in the human being Jesus because **love** provided Him with the strength for this work of grace and mercy, and I Myself was this love.... As long as you live on earth as a human being and are not yet perfected you will not be able to understand that I Myself was in the man Jesus, because it is incomprehensible to you that God **is** love.... that **God** can only be spoken of when it concerns **love**, which is God's fundamental nature.... The human being Jesus was full of love, and His greater than great love motivated Him to sacrifice Himself for His fellow human beings because He recognized their wretched state and wanted to bring them help. But I Myself **was** the love which filled Him, I Myself was in Him in My fundamental element, and therefore I Myself accomplished the sacrifice on the cross in the man Jesus, yet the 'human being' endured the most agonizing suffering because I, as 'God', was unable to suffer. You humans should only believe that I embodied Myself in the human being Jesus.... You should only believe that I Myself chose this human shell because otherwise you would not have been able to take notice of My act of mercy.... You should only believe that I made Myself 'visible' to you humans in Jesus and that you therefore have to acknowledge Him if you want to acknowledge Me again, Whom you once refused to acknowledge.... My incarnation in Jesus is such an enormous problem that it cannot be expressed in a few words.... Nevertheless, time and again I try to solve this problem for you as far as it can be made understandable to you. I Myself accomplished the sacrifice on the cross for you because it was love Which wanted to redeem you humans from sin and death.... The human being

Jesus took immense pain upon Himself, His human shell, His body, suffered unspeakably and died the most agonizing death on the cross in order to atone for the great guilt of sin.... But this human being Jesus was in intimate union with Me, otherwise I could not have taken abode in Him, otherwise **love** could not have completely filled Him.... I was in Him, He had become a shell for Me.... The Godhead, Whose primal element was love, radiated through Him completely, so that He was completely merged with Her.... that He became one with Me.... Jesus and I are the same, Jesus had become a visible God, whereas before I could not be seen by any of My created beings.... because they would have passed away in the primeval fire of eternal love.... But the suffering the man Jesus endured for His fellow human beings was unimaginable, and thereby the great original sin of the beings which had once fallen away from Me was atoned for, so that the path to Me became free again for all beings.... into the kingdom of light and bliss.... You humans will never grasp the full depth of this work of grace and mercy, but you will be able to believe that it was not a purely human affair which was carried out on earth by the man Jesus, but that profound spiritual motives underlay christ's act of salvation and that I Myself must be recognized and acknowledged in Jesus. And time and again I will convey this knowledge to people so that they will know that they cannot ignore Jesus Christ and His act of salvation if they want to attain eternal life. Time and again I Myself will inform people of this through My spirit, because school-transmitted knowledge will never be accepted or find the right understanding which, however, is the prerequisite for acknowledging Jesus Christ as the son of God and redeemer of the world, in Whom I Myself became human in order to redeem humanity....

Amen

God Himself, love, accomplished the work of redemption

Love has accomplished the act of salvation....

B.D. No. 5215

September 21st 1951

I died for you on the cross. My love for you was boundless and enflamed in the man Jesus to a strength, which caused the deification of His soul, a condition, which lifted Him above the human earthly sphere and He became one with Me.... Only such a strong love was able to bring a sacrifice on the cross, because otherwise He could not have withstood as a human being, if not the strength of love would have strengthened Him. He died on the cross as a man, and yet I was Myself, Who sacrificed himself on the cross for you people, but the man Jesus remained in love, until He gave up His spirit.... The **love** made the sacrifice, and the love I was self.... This is also a mystery and will remain, as long as the earth exists and you people judge the act of salvation with earthly directed senses.... The man Jesus died on the cross.... I Myself came to earth, to redeem you.... An apparent contradiction, and yet it is the truth, that is unknowable as long as you humans can not understand, **that I Myself am love**.... that love is the original substance of the eternal Godhead and that therefore **love** has done this work, which should redeem the humanity from the sin. But love was in the man Jesus, therefore a man died the death on the cross.... but that this man was divine, that proved the excess of His sufferings, which He did not previously succumb.... His love for mankind was so deep, that He **desired** to suffer, in order to help them.... He has taken a superhuman degree of suffering upon Himself, which alone was enough, to take the viability from a human body, but His strength of love kept this body alive so long, until His enemies had increased Him, until they had nailed Him to the cross, until the highest point of His suffering was reached. He wanted the people let perform the atrocities, to whom My opponent drove them, also to show him, that the power of God's son extended even after the death, that He was Lord over the death....

All mankind should take note of His death, so they wanted to be saved.... Until the end He was connected with Me, the Father, by His love, but His anxious soul did not recognize Me longer, the fearful soul sought Me out beside itself, and Jesus therefore cried out the words: "My God, My God, why have You forsaken Me?" The **powerful** deity only had withdrawn, but the love was and remained in Him.... Love probably was strength in itself, but Jesus did not use this strength any longer, to prevent His crucifixion, but only to be able to **experience** it, because He wanted to experience it, to serve Me as a human and to suffer and to atone for the neighbours. That is why He suffered and died consciously too, that is why He begged Me for mercy for His tormentors, and in full consciousness He spoke the words: "Father, into Thy hands I recommend My spirit...." The bond between Him and Me He held upright, for He Himself could not longer come loose by the One, with Whom He had become one through love.... And therefore I was He and He was I, there was no separation between both of us, because the love, the original substance of Myself, also fulfilled Him completely, so I had to be with and in Him, even though I did nothing as strength, until the person Jesus had accomplished His work. He and I, we are one, and whoever sees Him, sees the Father, because the Father is love, and love was in the Son.... But love could not die, and so it rose again the third day, and love also revived the body, who was completely spiritualized by the suffering of Jesus and does not need a further course of development on earth any longer. Thus love has overcome death.... the divine Savior overcame satan.... the light broke through darkness, and the way was free to eternal light....

Amen

Translation handled by Heidi Hanna

From the night of death you came to life through My death on the cross. Darkness was your fate and would have remained so if I had not taken pity on you and opened the gate into the kingdom of light for you again by redeeming your guilt of sin Myself, by shedding My blood for you, by paying the purchase price for your souls to the adversary who had held you captive for eternities until I Myself redeemed your guilt on the cross. Now he had to release you, he could no longer keep you in bondage if you are willing to release yourselves from him, if you take refuge in **Me**, Who accomplished the act of salvation **for you**.... Your guilt of sin of the past apostasy from Me was immeasurably great, and thus the work of atonement also had to be unusual.... And a soul of light, an original spirit that came forth from Me, offered itself for you.... His fallen brothers.... to make atonement for you in order to lead you back to Me Myself again, in order to clear the path into the kingdom of light for you again, which otherwise would have remained eternally blocked for you. This soul of light descended to earth, it took on a human shell, it lived a life of love as a human being and thereby prepared itself to become a vessel in which I Myself could now take shelter.... And I took abode in this human being Jesus and accomplished the work of salvation in Him.... The man Jesus took immense suffering upon Himself, for He wanted to atone for all of humanity's guilt of sin through His path of suffering, which ended with the most bitter death on the cross.... He wanted to make satisfaction for My righteousness because He knew that no being could stay close to Me which was still burdened by sin. And I accepted His sacrifice because love brought it.... For love was in Him, and **love** was **I Myself**.... This act of becoming human in Jesus will always remain a mystery for you humans, for only when you have fathomed the 'essence of love' will you also be able to understand this act of love of My becoming human.... For I Myself, as 'God', could not suffer, the atonement had to be made by a 'human being' who was **capable** of suffering and also **willing** to suffer, for I could not determine a human being to make such a sacrifice for his fellow human beings.... But Jesus, the human being, was full of love, and this **love** determined Him to freely offer Himself as a sacrifice of atonement to the father, Whom He loved with all the ardour of His soul. Thus He accepted Me completely into His heart, for every thought, every breath, was meant for Me, from Whom He had come forth.... But he who abides in love abides in Me and I in him.... thus it was I Who completely filled the man Jesus and Who therefore also offered the sacrifice, Who accomplished the act of salvation for all people of the present, the past and the future. The man Jesus took immense suffering upon Himself in order to atone for the great guilt, and I was satisfied with this act of love and redeemed the great guilt, and the path to the kingdom of light was cleared, the bridge from the kingdom of darkness to the height was built, which can now be entered by every person who wants to ascend from the abyss.... And I conquered death, which he had brought into the world who first apostatized from Me.... I have risen from the dead, I have conquered death and acquired life for every human being who only acknowledges Me as redeemer of the world, who consciously avails himself of the graces of the work of salvation, who bears his sins under the cross and asks for forgiveness of his guilt.... I have risen from the dead to give you humans the evidence that you, too, will rise to eternal life if only you believe in Me, if only you let yourselves be redeemed by Me. Then there will be no more death for you, then you will be free from all guilt because I Myself have redeemed it as the man Jesus...., then the kingdom of light with all its glory will be open to you...., then you will truly have emerged from the night of death into the light of life, and then you will also never lose this life again, for you have now received it from My hand, Who has loved you from the beginning and will love you for all eternity....

Amen

Your separation from Me would have lasted forever had I not accomplished the act of Salvation for you by taking your guilt upon Myself and redeeming it through the sacrifice on the cross, which I accomplished through the man Jesus on earth.... An unbridgeable gulf existed between the kingdom of light and that of darkness.... You would never have been able to overcome this gulf yourselves, My kingdom was closed to you forever because My justice would have been unable to accept you, who had become sinful as a result of your apostasy, until the immense sin had been atoned for. This sacrifice of atonement was rendered by Jesus, the human being, in Whom I Myself took abode, because His untainted human shell allowed for it, for I would never have been able to embody Myself in a sinful person.... Thus a soul of light had to descend to earth voluntarily in order to make

Amends for its fallen brothers for the sake of My justice, which could not be bypassed according to the law of eternity.... I Am a perfect Being, Which is indeed Love in Itself, but without justice I cannot possibly be called a supremely perfect Being. And Jesus, the human being, satisfied this justice through the sacrifice on the cross, which was offered by a soul of light with the intention of returning the fallen living creations back to Me, in order to build a bridge from the realm of darkness into the kingdom of light. However, I Myself dwelled in the man Jesus, for **Love** accomplished the act of Salvation, Which utterly permeated the man Jesus and also gave Him the strength to take the most severe suffering and pain upon Himself, to walk the path to the cross with all of humanity's guilt of sin and to lay down His life for this guilt.... Had this Love not been present in Him, He truly would have been unable to make such a sacrifice.... And I Myself was this Love....

I took abode in Jesus' shell, I.... the greatest Spirit of eternity.... manifested Myself in Him, I pervaded Him with My fundamental nature of love; My love utterly permeated Him, the human shell merely curtailed the working of My strength of love when He took the final path to the cross, where Jesus, the man, suffered incredibly and died the most bitter death on the cross in order to atone for the sin of the once fallen beings.... I dwelled in Him and He voluntarily accomplished the act of deifying His soul, which is the final goal of all My created beings.... He had totally merged with Me, He was I and I was Him.... I had become a human being, He had become God, for He was totally permeated by My love, and love is My fundamental substance.... Jesus' crucifixion absolved the great guilt and opened up the path for you humans into the kingdom of light.... However, you are not instantly redeemed, because your free will caused your apostasy from Me and thus free will must also be willing to return to Me; you must become aware of your past guilt and appeal to Me in Jesus for forgiveness, or you will remain burdened by your guilt and your entry into the kingdom of light will be denied to you. Time and again you humans are informed of Jesus Christ and His act of Salvation and the **spiritual mission** of Jesus, the man, is explained and substantiated to you. Even so, you must **believe** it, for you cannot be given any evidence apart from the fact that you.... once you have found redemption through Jesus Christ.... will gain complete understanding of it yourselves, because, as a result of the redemption through Jesus Christ, the working of My spirit will not be prevented, which will subsequently guide you into all truth, and this is the certain proof that you have been redeemed from your original sin.... But first you must take the path to the cross of your own free will, you must be willing to do so and **want** to belong to the circle of those who were redeemed through Jesus' blood.... and then you will truly accept and make use of the blessings of the act of Salvation. Then you will be on the path of return to Me, you will have stepped onto the bridge which Jesus built for you so that you can find admittance into the kingdom of light and bliss, and whose gate was opened for you through the act of Salvation by Jesus.... within Whom I Myself dwelled and became a visible God for you so that one day you would be able to behold Me face to face....

Graces of the work of redemption

Grace of the work of redemption.... strengthened will....

B.D. No. 2902

September 29th 1943

Through the grace of the divine work of redemption, the will of man is decisive as to whether he receives the power to exercise it. Whoever acknowledges Jesus Christ as the redeemer of the world, whoever regards His death on the cross as having been suffered for the whole of humanity, whoever believes that the man Jesus, Who had an abundance of power and strength at His disposal through His work of love, freely offered the sacrifice of atonement to God in order to redeem people from their guilt of sin.... anyone who, through this faith, places himself in the circle of those for whom Christ died on the cross.... need only want to come to God, to reach the goal for the sake of which he is on earth, then the strength will also come to him for the sake of Jesus Christ and his path will be the right one before God. Faith in the work of redemption builds a barrier to the adversary which he cannot tear down, and a person can never go astray and take the wrong path, he can never fall prey to the forces of darkness if this faith is alive in him.... "He who believes in Me has eternal life...." Jesus Christ has broken the adversary's power through His death on the cross, He has bought a strengthened will for people so that all those who believe in Him and have the will to do what is right before God can feel the grace of the act of salvation, the strengthened will upwards, which now also gives them the strength for a right way of life on earth. Only the human being's will should freely decide for or against God; but where Christ is rejected as redeemer of the world and son of God, there the will will also be fickle, for the adversary still has his full power over him and will not allow the human being's will to be carried out. But man himself is too weak to resist, for he is still in the bonds of the power that works against God. The human being in his weakness would have completely fallen prey to its power had Jesus Christ not made him free through His act of salvation, but he must also acknowledge this and thereby acquire the justification that Christ also died for him.... And thus he must claim the graces of the act of salvation, then he will be victorious over that power which wants to distance him from God. The will for God and faith in Jesus Christ as redeemer of the world is the only decisive factor, and then a person need never fear to miss the right path. God Himself will lead him by the hand, Who embodied Himself on earth in Jesus Christ in order to redeem people who are of good will....

No one will be blessed without Jesus Christ....

B.D. No. 6176

January 26th 1955

No one will ever attain beatitude who passes by Jesus Christ, who does not acknowledge Him on earth and also does not make use of His help in the beyond. He stands at the gate to eternity, and He wants to be recognized by every person as his redeemer so that He can guide him into the kingdom of peace and bliss, into which no soul can enter without Him.... And the soul which does **not** confess Him, which rejects Jesus Christ as it did on earth, which only saw a human being in Jesus Christ and does not want to see **more** in Him in the spiritual kingdom than a human being like itself, will eternally have to remain outside.... He descended to earth for the sake of humanity in order to open the kingdom of light for them, which His followers can now enter because He Himself is with them and guides them into it.... But no adversary of His may ever enter His kingdom.... and everyone is His adversary who does not acknowledge Him as He is: God Himself, Who embodied Himself in the human being Jesus in order to accomplish the work of salvation for people. No one can appropriate

something for himself which he has not acquired himself.... The human being is an inhabitant of the dark world and is bound to it as long as he does not take the path to the one Who is light Himself and gives light to all who turn to Him.... Therefore he must first believe that he can leave the kingdom of darkness with His help, and he must approach **Him** for help.... He must entrust himself to Him, the divine redeemer Jesus Christ, Who only died on the cross so that He could open the path to the kingdom of light for everyone.... Whose death on the cross was the opening of the gate to the kingdom of light. But no soul will succeed in entering this kingdom if it has not first handed itself over to the divine redeemer. For it had once voluntarily left it, it had closed the entrance to itself by turning away from God.... It must now voluntarily return to God, Who came to meet it Himself in Jesus.... Who took her great guilt upon Himself and made atonement for it. But this sacrifice has to be **accepted** or it was made in vain for the one who rejects the divine redeemer Himself, who places Himself outside of those redeemed by His blood.... Without Him there is no redemption from darkness, and even if you humans have to languish in it for eternities you can free yourselves from it by remembering Him Who died for you and call upon Him to help you.... And He will accept you, He will introduce you into His kingdom as soon as you have voluntarily surrendered to Him, as soon as you believe in the one Who redeemed you from eternal death....

Forgiveness through Jesus Christ.... Degree of light and love....

B.D. No. 7660

July 30th 1960

And you will enter eternal peace, for all adversity will have ceased to exist, all worries and anguish will be over, you will be surrounded by an abundance of light and your life will be a blissfully happy one.... Nevertheless, you must have attained maturity of soul, all guilt of sin must have been taken from you, you must have become My Own during your life on earth and have returned to the Father from Whom you once came forth. Hence, you must have found redemption through Jesus Christ, otherwise you would still not be free from the guilt of sin and your entrance to the kingdom of light and bliss would be closed for you. Therefore you should strive to find forgiveness of the guilt of sin while you are still living on earth. Try.... if you still can't believe in Him as yet.... to find clarification about Jesus, the Son of God and Redeemer of the world. And appeal to Me Myself for conveying this clarification to you so that you can believe in Him with a living faith and subsequently step under His cross with your burden of sin and ask Him for forgiveness.... And all guilt will be taken from you. This will ensure your entrance into the kingdom of light, because Jesus Christ had paid for your guilt with His death on the cross. However, the degrees of light after your death can be quite different, for it depends on your soul's state of maturity as to how light-receptive it has become on earth.... It depends on your way of life on earth and to what extent you lived up to My will.... that is, whether the commandments of love for God and your neighbour had become your guideline for your conduct and you had changed your nature into love. Only the degree of love determines your soul's maturity. And no-one can practise love on your behalf, love is the law of eternal order in which you must live in order to adapt to your fundamental nature again, in order to become My image once more according to your purpose. And to become love means to discard all faults and flaws which still adhere to your soul, to fight against all low cravings, to shape your nature into humility, gentleness, peacefulness, mercy, righteousness and patience.... to dispose of all bad habits and to always remain in heartfelt contact with Me, Whom you acknowledge in Jesus Christ as your Father of eternity. You must fight against all faults during your life on earth, then your soul will become as translucent as a diamond and able to receive the rays of light which signify its beatitude in the spiritual kingdom. Then it will live forever, it will not know death anymore, no sin and no blemish.... it will be pure and clear and thus also worthy of My presence, and it will be able to behold Me face to face.... For it will see its Saviour Jesus Christ, in Whom I made Myself visible to My living creations, just as they once desired.... Shaping yourselves into love must be accomplished by you humans on earth yourselves, if you want to be inconceivably happy one day. Yet first take care to

dispose of your burden of sin, for this will draw you down, and being burdened by sin prevents you from entering the kingdom of light. If you find it difficult to believe in Jesus Christ then try to pray to your God and Creator Who called you into life and appeal to Him for enlightenment and for His help to believe.... And I will truly grant you this prayer, I will not leave those in ignorance who desire to know, and I will present the truth to him such that he will be able to accept it.... For faith in Jesus Christ as the Son of God and Redeemer of the world is absolutely essential in order to be accepted into the kingdom of peace and bliss. Only then will you acknowledge Me, Whom you once refused to acknowledge, from Whom you once separated of your own free will and fell into the abyss.... You must want to return to Me voluntarily, and you can make this will known by turning to Jesus Christ and admitting your guilt of sin with an appeal for forgiveness.... Then your sins will be forgiven, I Myself, Who accomplished the act of Salvation in Jesus, the man, will absolve you from them, and I will also help you to attain maturity while you are still on earth, providing you want to unite yourselves with Me, to return to Me voluntarily and to shape yourselves again as you were in the beginning....

Faith in Jesus Christ

Acknowledgment or rejection.... Jesus Christ....

B.D. No. 5844

January 3rd 1954

You humans can only acknowledge or reject Me. The latter merely proves your complete unbelief and will have very painful consequences for you, for the rejection of Me means that you are still completely under My adversary's control and openly oppose Me. However, acknowledging Me means being fully and completely on My side and also having entered My eternal order, acknowledging Me means believing in Jesus Christ as the Son of God and Redeemer of the world and living as a disciple of Jesus; acknowledging Me means striving towards Me, the eternal Love, which is only possible through living a life of love, since only this establishes the union with Me.... And thus it will also be understandable to you that I only recognise a Yes or a No and that I cannot be deceived by evasive Words which are used when I Am only professed with words voiced by the mouth without any involvement of the heart.... You do **not** acknowledge Me if your way of life does not reveal your serious striving towards Me, if your way of life lacks love, if you do not hold My image in your heart, if your faith has not yet come so alive that you eagerly work at improving your soul, if you do not turn to Jesus Christ imploring Him for help and grace, if you walk along without Jesus Christ.... In that case, all your words which intend to demonstrate belief are mere empty phrases, which do not deceive Me regarding your true state of soul and which are synonymous with rejecting Me.... The person who acknowledges Me also lives with Me, time and again he makes contact with Me in thought, he enters into heartfelt dialogue with Me, he lets Me speak to him as his Father for he feels himself as My child, and thus he belongs to My Own who I have won back forever. He belongs to those who are redeemed, for he was only able to attain the strengthen of will to reach Me through the grace of the act of Salvation.... Understand.... the path to Me **can** only lead through Jesus Christ.... No one will reach Me and no one will strive towards Me either if he has not requested the blessings Jesus acquired.... who therefore consciously places himself under the cross of Christ. For he can only seriously strive towards Me when he has come alive through the blessings of the divine Redeemer Jesus Christ, in Whom I became a visible God for you humans. Yet ask yourselves whether and to what extent you seriously strive towards Me, and don't believe that you can be counted as My Own if you are not yet permeated by My spirit of love, if you only outwardly want to show your faith in Me but your way of life lacks all contact with Me.... Words alone will not do, and the affiliation with a Christian denomination does not make you aspirants of My kingdom if you have not yet found the path to Jesus Christ, if you have not yet seriously called upon Him to take mercy upon you who, without Him and His Salvation, are still enslaved by the adversary You must recognise yourselves as being burdened by guilt and confess your guilt to Him and appeal to Him for salvation for the sake of the blood He shed on your behalf.... Then you will belong to those who voice a loud Yes when the Father's call of love rings out, you will belong to those who hurry towards Him, who have separated themselves for good from My adversary, who love Me with all their heart and enter into marriage with Me.... who will remain My Own for all eternity....

Belief in Jesus Christ.... Christ's suffering....

B.D. No. 5847

January 7th 1954

No person on earth is able to judge Christ's suffering as Jesus experienced it, because the physical pain was accompanied by indescribable spiritual torment, for which a person has no

understanding as long he himself has not been spiritualised. No person will therefore be able to claim of having suffered the **same** agonies, because the agonies of soul far surpassed the physical pain.... since Jesus carried humanity's entire burden of sin and was the centre of the battle against evil forces which He had challenged Himself. This darkness made his soul of light tremble and His soul suffered far greater torment than His body.... And this appalling agony is inconceivable for you humans, even though you know of it, hence you will only realise the magnitude of His act of Salvation in the spiritual kingdom, when your soul is enlightened and it is shown the inconceivable act of compassion.... As long as you live on earth you should simply believe in Him, you should envisage the love of Jesus, the human being, Who took upon Himself an exceedingly painful death merely to help His fellow human beings in their spiritual adversity.... You should envisage that He suffered innocently, that He Himself was the purest and kindest Being on earth and that He, on account of His boundless love, was also full of strength and power.... and yet He forfeited His strength in order to suffer on your behalf.... You should.... whether you can empathise with the depth of His suffering or not.... place yourselves consciously by His side, you should not keep a distance, for through His crucifixion He calls you to Himself.... He only wants you to acknowledge Him as Son of God and Redeemer of the world.... that you believe in His mission, that you believe that God Himself was in the human being Jesus and that His suffering and death on the cross was only permitted by God so that humanity would be redeemed, that the atonement was offered to God for a transgression which could not remain unexpiated according to divine justice and which people would never have been able to absolve themselves of.... You humans should believe that the mission of the man Jesus consisted of bringing God's **love** and His **righteousness** into harmony again and so to re-establish the order which had been revoked through the past sin of rebellion against God.... You should only believe that every human being requires salvation through Jesus Christ, that Jesus' crucifixion was not merely a **historical** event but had a **spiritual reason**.... You should believe that **Love** descended to Earth in order to redeem you humans. And you should believe that Jesus, the human being, so abundantly loved God and His fellow human beings, that the Eternal Love was able to manifest Itself in Him and that all miracles and Jesus' wisdom can only be explained in this way.... You should simply believe that Jesus' crucifixion was **more** than a historic event.... and draw your own consequences from it, i.e. by placing yourselves under the cross of Christ and know that you, too, belong to those for whom Jesus accomplished the act of Salvation. You should acknowledge Him as Son of God and Redeemer of the world.... Then your faith will result in your soul's redemption, for it will detach itself from the opposing power, it will feel itself looked after by the Saviour Jesus Christ, for it will learn to love Him and only want to live to please Him.... it will avoid sin and do good works, it will give itself to the One Who has set it free.... and it will profess His name before the whole world....

Belief in the existence of Jesus....

B.D. No. 6485

February 26th 1956

Jesus' life on earth is often questioned if not entirely doubted, and to accept or reject Him is an expression of free will too. Even believers have no proof and yet they do not doubt it, because the truth is confirmed to them from within.... which could occur to every human being if they didn't deliberately continue to oppose God. Belief in Jesus Christ as Saviour of the world is being demanded.... Consequently no irrefutable proof can be given for this.

However, since there is no other way to happiness but through Jesus Christ, the very problem of Christ is precisely the test of human will.... God's adversary uses an exceptionally effective weapon by casting doubt into human hearts concerning the existence of Jesus. And anyone whose will is still in opposition to God will accept such doubt, but people whose resistance towards God has already weakened or has been completely defeated will equally determinedly dispel it. But every human being could dispel such doubts because even the most rationally gifted person cannot dismiss all references,

all teachings and the Christian teaching itself, as having been taken 'out of thin air'.... And there is far more evidence in favour than against....

The believer needs no further evidence because the 'outpouring of the spirit', as promised to the people by Jesus, is such convincing proof that any doubt becomes invalid. But this proof cannot be given to an unbelieving person because the enlightenment by the spirit first requires faith in Jesus Christ which, through love, has become a living faith.... People who do not believe in Jesus' way of life on earth are of completely darkened spirit, they find no correlations, they look at everything with mere worldly eyes, they have no spiritual life, and their way of life will lack unselfish love.... which would result in assured spiritual enlightenment. They are people who rely on their lively intellect which, however, has been seized by God's adversary, and he certainly knows how to reinforce such people's rejection of Jesus Christ and the act of Salvation. But such 'deniers of Christ' will never believe in life after death, and their life, their intellectual activity, will only ever relate to their earthly life, and they will go to great lengths to prove to other people that belief in Jesus Christ is an illusion.... For they will not be satisfied with their own point of view but also try to convey it to other people. This, too, is the influence of God's adversary, because it is 'salvation through Jesus Christ' which snatches his followers from him. And he will do anything to undermine faith in Jesus Christ.

These deniers of Christ are under his control.... and on earth they only work for Satan.... which, however, they would not understand unless they gained spiritual knowledge.... but it is the consequence of faith in Jesus Christ and His Salvation in the first place which ensures the working of His spirit in the person.... The fight between light and darkness is raging to an extent which you humans would not believe.... And since salvation is only possibly through Jesus Christ, God's adversary will try to refute this very salvation, he will portray the problem of Christ as unprovable and thus attempt to avert people from their faith in Him.... And time and again he will find people who can follow his mental notions, whose lively intellect has made them arrogant and who, therefore, want to intellectually analyse something which can only be understood by way of faith and love. For where God's spirit cannot work the human intellect draws the wrong conclusions.... and the latter finds itself in impenetrable darkness.... because it avoids the only path which would lead it to the light.... the path through Jesus Christ, the path of faith and love.... of truth and of life....

Faith in a mission of the man Jesus....

B.D. No. 7084

April 5th 1958

In order to be able to believe in Jesus Christ and His work of redemption, in a **mission** of the man Jesus and its execution, scientific research or intellectually acquired knowledge is not sufficient, for His mission was a spiritual one, and spiritual things cannot be fathomed or proven intellectually. The man Jesus certainly walked the earth like any other human being, for even those unusual phenomena which sometimes accompanied His birth and His earthly life can now only be believed.... They can be explained by opponents as natural today as they were then, as far as credible evidence for such phenomena still exists. Yet this, too, was planned by Me, precisely because faith in Him and His act of salvation should not necessarily be achieved but has to be a free matter of will for every individual person. This faith could be gained under certain preconditions and, as long as the earth exists, it will again and again demand these preconditions.... precisely because it concerns the spiritual maturing of the soul, the final release from My adversary. And thus people will be able to be introduced at any time to knowledge which precisely has Jesus Christ's act of salvation as its most important content... and it will always be possible for people to gain a living faith in that which is dismissed with ever greater zeal as a legend, for which such evidence can also never be produced which forces people to believe in Jesus Christ.... **Again and again I will work amongst people in the spirit....** But such working of the spirit will also always not be allowed to be one hundred percent **proof** for fellow human beings. Spiritual knowledge will only ever be believed and understood by those people who

strive spiritually themselves, who awaken their spirit within themselves to life and who then truly no longer need proof and yet are full of inner conviction. Anyone who approaches the questions concerning Jesus Christ and His act of salvation intellectually will get lost in all kinds of thoughts and will not find his way through. For he only ever tries to fathom human things, he weighs up all pros and cons and in the end is just as ignorant as he was before.... For although he finds evidence for the existence of the man Jesus, for the reasons of His condemnation and His shameful death on the cross.... as long as he does not know about the **spiritual** motives of His existence on this earth.... as long as he does not believe that I Myself wanted to create and have created a connection in this human being with the whole of humanity.... as long as he lacks any spiritual knowledge at all, it is also completely irrelevant to want to prove the earthly life of the man Jesus or to explain His earthly activity, because it is also completely irrelevant to such people whether He lived on earth or not, whether His existence can be proven historically.... To recognize Jesus Christ as the divine redeemer, as My emissary Who served Me Himself as a cover, is the only decisive factor.... And this mystery **cannot** be fathomed **intellectually** but it can easily be understood by people who desire Me, who keep My easy commandments of love. These will awaken the spirit within themselves which gives them light about everything and especially about the act of salvation. And therefore it will be possible at **any time to** attain full enlightenment about the one Who has to be acknowledged as the 'son of God and redeemer of the world'.... Who has to be acknowledged **because** He sheltered Me Myself and thus **His** acknowledgement is also the acknowledgement of Me Myself at the same time, which you once denied Me and therefore also fell into a state of ignorance. The man Jesus fulfils a mission with His earthly life: to atone for your former sin. And as long as this **mission** of the man Jesus is not recognized, as long as the human being lacks living faith in it, he will remain unchangeably in this state of ignorance, and then it will not be possible for him to change this state intellectually either.... But as soon as he starts to look at everything from a spiritual point of view which requires a life of love true to My commandments.... he will also find the explanation for all events during Jesus' life on earth. Although he will still not be able to 'prove' anything, he will be inwardly fully convinced that he is thinking correctly.... Thus he will believe alive, and then no intellectual thinker, no matter how sharp, will be able to dissuade him from his faith, for then Jesus Christ Himself will help him, then His spirit will work in him as He has promised.... Then the human being's will is turned towards Me Myself in Jesus Christ and he will brightly and clearly recognize what is still hidden from everyone else....

Amen

Evidence of Jesus' existence on earth....

B.D. No. 7250

January 8th 1959

Every human being has the opportunity to discover the secret of God's human manifestation, and every human being will then also have proof of Jesus' existence, Who will be revealed to him as God's Son and Redeemer of the world, which will render all other evidence superfluous. And anyone who has finally understood the human manifestation of God also knows that, and why, faith is required, why proof is not favourable but rather unfavourable for the soul's process of development, which is the reason for a person's life on earth.

The fact that God embodied Himself in Jesus Christ, in Jesus the man, is and remains beyond belief for people who have no spiritual connection at all, to whom spiritual aspiration is unfamiliar.... And thus 'spiritual aspiration' should be understood to mean the 'soul's process of development', which was not given earthly life as an end in itself but merely as a means to an end. Consequently, anyone not spiritually motivated is not 'awakened' either, i.e. his reasoning is more influenced by error than truth, he will rather accept misconceptions and regard them as truth, and the pure truth will seem unacceptable to him.... precisely because his spirit is still dark, which does not refer to his intellect but to the spiritual spark within a person, the divine part. This person will not accept purely spiritual causes and thus God's human manifestation as the 'result' of such a spiritual 'cause' will be beyond his

understanding. But it happened, God Himself embodied Himself in a human being, and this human being was Jesus, the son of Mary, Who was begotten by the spirit of God. Nothing was allowed to happen which could force people to believe, even Jesus' birth was subject to human law, but not the conception.... People should not be so arrogant as to doubt this when they consider that all living beings as well as the whole work of creation emerged out of God's strength, thus it is indeed possible for this strength to create a human being out of His will.

But this birth without conception also had spiritual reasons which an awakened spirit can quite easily understand. However, the human being has to know that there were spiritual reasons for the entire work of creation which were based on the free will of the first created spiritual beings, and that this free will also plays a part in the existence of the human being.... the first created original spirit.... which is significant and at the same time also an explanation why no or only little evidence can be found for the existence of Jesus the man, since a human being may not be compelled by any means to take a positive or negative attitude towards Jesus Christ, the divine Saviour. His attitude towards Him must be the result of complete freedom of will because this alone determines the human being's spiritual rebirth into the first created being, which is the purpose for the human being's life on earth.

Whatever can be proven enforces a decision.... No person may be forced to make a decision if the previous perfection of the first created being should be achieved once again, which is the purpose and goal of the entire work of creation. Hence, first of all a person has to know about the origin and goal of everything in existence, about the meaning and purpose of creation and all created beings within it. Yet he will never be able to gain this knowledge from books, it has to be conveyed to him through the spirit of God, Who is eternal truth Himself. This, however, requires conditions which all people certainly could but only few want to meet.... Nevertheless, the spirit of God can only express itself where these conditions are met: a living faith in God which can only come alive through love, and a conscious request for God's truth in the very belief to receive the truth from Him.... And it will be given to the person because the spirit of God now contacts the spiritual spark, which is a part of Him, in the human being and the person will be taught through the spirit....

Anyone who cannot or does not want to believe this will never attain wisdom, the light of knowledge.... But the most marvellous revelations will be unveiled to anyone who believes, he will see brightly and clearly that which is incomprehensible to other people, he will be able to understand the correlations, and the problem of God's human manifestation in Jesus will be resolved in such an amazing way so that he will not require any further proof and yet he will be able to perceive everything more clearly than even the keenest intellect could. But then the period of time between Jesus' life on earth and the present is irrelevant to an awakened spirit because Jesus' life was not an event intended for a certain group of people but it was intended for all people in the past, present and future.... All people will know of Jesus' life but they need no evidence of His existence if their spirit is awakened, yet without the awakening of spirit even the most distinct evidence would be useless for the attainment of the maturity of the soul, because faith on the basis of proof is no faith which respects free will, and only free will is taken into account. The intellect is of no or very little significance to the awakening of the spirit within the human being.... The latter is the result of a life of love, a life of unselfish love for other people, hence researching the most profound secrets is not the privilege of keen intellectual activity but solely the prerogative of those who keep God's commandments, which Jesus the man taught on earth 'Love God above all else and your neighbour as yourself....' The result of fulfilling these commandments is the most certain and obvious evidence of Jesus' existence because then God's spirit will lead the person to finding the truth and also explain to him all correlations which the human intellect alone would never be able to achieve....

Amen

He who believes in Me shall not die for eternity..." These Words of promise of Mine very often cause you humans to draw erroneous conclusions if you believe that it is only enough for you to confess with your mouth or not deny that I walked the earth in the man Jesus.... if you believe that it is enough for you not to dispute the existence of the man Jesus, Who is said to have died on the cross for humanity.... if you only accept without contradiction what you have been taught since childhood without having seriously dealt with it yourselves. For the fact that you believe that I Myself lived on earth in the human being Jesus does not yet testify to your inner attitude towards this greatest act of mercy of My divine love, it does not testify to Me whether you want to belong to those whom I have redeemed through My blood which was shed for you on the cross. You first have to realize what I mean by a right faith, which I require in order to be able to give you eternal life.... Accepting a teaching without contradiction is not yet faith, for a right faith first requires serious reflection about this teaching, it demands a serious opinion about it.... And the result of a person's reflection can also be wrong if he lacks the good will to arrive at the truth and if he is without love.... which completely excludes a **right** faith. For a person without love will never be able to believe correctly, because a true faith is only awakened to life through love, but without love only a confession with the mouth can be expected but never an inner conviction of the truth of what the person should believe. And thus a person without love can never refer to My promise that "he will not die for eternity...." if only he can believe My word.... if he only acknowledges My life on earth and the crucifixion because he was taught this way but his inner attitude towards this teaching is still lacking.... because he does not have the will to live in love and to attain the right truth. So then his faith is a dead faith which can also never give him 'life' in eternity. But very many people hope for this promise, who only go through earthly life as formal christians, who do not think seriously but only allow themselves to be satisfied with such words and believe of their own accord that they belong to those who "will live in eternity...." But I demand more from people, for I want them to become truly blessed. And thus I also demand a clear decision from them in all truthfulness.... I demand that they also follow Him in Whom they claim to believe, that they live a way of life in love as Jesus lived it.... And if they do so they will also start to think about this person and His actual mission, and only then will they themselves mentally take a stand on the teachings which so far only their intellect but not their heart had processed. And only then will it be decided whether and what the human being believes of the teachings which were conveyed to him educationally, and only then will his faith become a living faith which has the strength within itself to let the human being penetrate ever deeper into the great problem of God's incarnation and His act of salvation.... Only now is faith the way I want it to be in order to reward it with eternal life, for only now is the human being's attitude towards Me as the divine redeemer Jesus Christ such that it is possible to speak of a right faith which secures the human being 'eternal life' in accordance with My promise. And if you humans seriously ask yourselves then many a person will have to admit to himself that he, too, lives in such a formal faith which certainly accepts Jesus Christ because he does not presume to reject Him outright but which does not yet have the inner conviction of Jesus the man's mission and of My nature which has taken abode in Him for the purpose of your redemption. You also have to 'live' on earth, i.e. let your thoughts and your will become active, if you want to attain eternal life, living faith in Me in Jesus Christ, Who has redeemed you from sin and death.... Only then will you "not taste death for eternity", you will enter into life as I have promised you....

Belief in God in Jesus Christ

Confessing Jesus and the act of Salvation....

B.D. No. 3787

June 1st 1946

There is a great risk that people will abandon their faith in Jesus Christ, the Son of God and Redeemer of the world, and yet people have to be subjected to this last test of faith, because it is decisive for eternity.... I Myself incarnated on this earth in Jesus Christ, I Myself accepted the crucifixion as a human being in order to open the gate into eternity for humanity.... But people lock this gate themselves, they do not accept My act of Salvation, they do not benefit from it. And therefore the gate will remain closed to them for eternity, a person who does not acknowledge Me cannot be acknowledged by Me to belong to Me either. He is not part of Me as long as he is still subject to My adversary's influence, which remains in tact with those who do not acknowledge Me and My act of Salvation. Hence they separate themselves from Me and aspire towards the one whose will enslaved them and deprived them of all awareness. The end is near and with it the Last Judgment.... And once again I approach humanity as the Redeemer, I try to bring spiritual freedom, light and enlightenment to people and only want to be acknowledged in order to distribute the blessings of My act of Salvation to the souls, so that they will not perish when Judgment Day comes. I want to redeem them but they have to let themselves be redeemed of their own free will.... Thus they have to confess Me before the world as the One Whose strength and grace enables them to become blessed.... They have to believe that the Deity was in the man Jesus in all fullness, that His greater than great love motivated Him to suffer and die on behalf of His fellow human beings in order to avert eternal death from them, which is the irrevocable fate of everyone who does not believe in Him, who does not acknowledge His act of Salvation and does not claim the blessings He acquired through the crucifixion.

And people will have to confess this faith before the world, they will have to openly bear witness to the love of the God-man Jesus, because by making this testimony they stand by Me completely.... they will show the world that they are My children in truth who, raised by the love of the Father, also fulfil the Father's will.... Thus this decision of faith has to be made, and it will be a difficult time for people who belong to Me and have to publicly acknowledge Me. But whoever has the will to do so also has the strength, which will be given to him in abundance, as I promised.... For I Myself Am with My Own, and My Own are those who strive towards Me, who aim to reach Me, Who call for Me in spirit and in truth, who live with love and endeavour to fulfil My will. And therefore they should not worry about the approaching battle of faith. It has to happen to people so that they seriously make up their mind about a problem which has found little attention so far.... They have to decide for or against Me, since anyone who acknowledges the Son also acknowledges the Father, and anyone who rejects the Son also rejects the Father. I, however, Am the One Who sacrificed Himself on behalf of humanity.... For I was in the human being Jesus in all fullness, I Myself descended to earth in order to redeem humanity from the sin of guilt and its consequences. Therefore, anyone who believes in Me cannot reject Jesus Christ, for He and I are One, and anyone who bears witness to Him bears witness to Me....

God in Jesus Christ....

B.D. No. 6098

November 4th 1954

I truly want to be your teacher and advisor and guide you on the path to perfection.... But your will has to accept and acknowledge Me as your guide and teacher, otherwise My instructions will remain without effect and you will not take a step forward in your development. If I now meet you in

Jesus Christ... to Whom you must completely profess in your heart... then the right path is shown to you at the same time, for only through Jesus Christ is the path leading to the aim. It is impossible to establish a connection with **God** without acknowledging Jesus Christ, because I Myself can only be sought and found in **Him** and there is no other God apart from Jesus Christ. And therein lies the great adversity on earth, that people reject Me, as it were, that they don't want to know and believe that the eternal deity... the all-fulfilling strength... manifested itself in Jesus Christ... but now also wants to be acknowledged... that I Myself in Jesus Christ confront them when faith in Me is demanded of them. And you will always be instructed in this sense when you are taught the **truth**. Every **other** portrayal of Me, of your task, of the eternal deity does **not** correspond to the truth... And yet, other representations are far more likely to be believed... And that is why humanity takes the wrong path, it does not take the path via Golgotha, it does not take the path which I, as the human being Jesus, initiated upwards... it does not take the path of love... otherwise it would recognize and acknowledge Jesus Christ as the 'embodied' eternal love.

Belief in a creating power alone is not enough, for such a Power **cannot** be denied by a thinking human being... But the fact that this creating power made Itself imaginable to you in Jesus Christ... that It and He are therefore **one** and that therefore the human being **must** unite with **Jesus Christ** if he wants to unite with God, this must be assumed to be true and established, otherwise the human being lacks faith in Me, even though he does not deny a 'God'. I call for faith in Jesus Christ, which only demonstrates a **true** faith... a faith which was awakened to life through love; for anyone who convincingly acknowledges Jesus Christ as God's son, in Whom I embodied Myself, has also already kindled the love within himself which imparted the light of realization, the strength of conviction to him... but without which one cannot speak of true faith...

But I am not satisfied with blind faith... And therefore I instruct you Myself and offer Myself to you as a guide so that you will be guided correctly in your thinking and through truth also gain full understanding for the mystery of God's incarnation in Jesus Christ. **Proper** instruction will give you light, and you will also accept it... And only **I Myself** can give you this instruction on condition that you allow yourselves to be taught by Me... that you ask the 'eternal deity', Whom you acknowledge within yourselves, for clarification, for right thinking and for right guidance. I will truly comply with this request and always be ready to introduce you to the truth, so that you can believe with full conviction and become blessed through this faith...

Amen

Belief in God in Jesus....

B.D. No. 8541

June 26th 1963

It is only necessary for you to believe in Me and take the path to Me when you suffer hardship... for you, like children, to take refuge with the Father, Who will protect you in every spiritual and earthly adversity because you entrust yourselves to Him... Time and again I emphasise that you only ought to contact Me in thought, through kind-hearted activity or in prayer and, truly, you will not be able to go astray anymore, because your bond with Me also guarantees you My help to be delivered from My adversary and to return to the One from Whom you once originated. Admittedly, evidence for the existence of a God and Creator cannot be given to you, you have to **believe** in Him... Yet if you are willing to do so then you will see the evidence that bears witness to Me in everything that surrounds you... And by just thinking about it you will already be able to come to believe in Me... I just do not want you to spend your life thoughtlessly, to only take notice of the world and believe that your earthly life is an end in itself...

You should always ask yourselves **why** and for **what reason** you live on earth... in order to then also get hold of the thoughts about a God and Creator, which will time and again encircle you like waves, for the purpose and goal of your earthly life is to recognise a God and Creator, to acknowledge Him and to desire making contact with Him. Then this God and Creator will also take hold of you and

never ever let you fall again.... And He will also convey the knowledge of Jesus Christ, your Redeemer, to you.... For you will have to find Him so that you lose your weaknesses, so that your ascent to the pinnacle is assured.... For even if you recognise Me, you will have little willpower to seriously strive for Me, since you are too weak due to the sin of your past apostasy from Me.... And for the sake of strengthening your will the man Jesus died on the cross in order to acquire the blessings of a stronger will for you.... I Myself came to help you in your great spiritual adversity which was the result of your original sin, and I Myself accomplished the act of Salvation for the redemption of your guilt in Jesus the human being . So the path of return will now be possible for you if you appeal to Jesus Christ for strength, if you place your guilt of sin at his feet and express the sincere will to return to the Father, Who took abode in Jesus, Who united Himself with Him for all eternity.... Even if you thus believe in God as the Creator and Redeemer, this God can never ever be regarded as being separate from Jesus Christ, for God and Jesus are one, God merely made use of an external human shell which people called 'Jesus', but Who sheltered the fullness of **Me** in Himself.

I created everything, even the human shell of Jesus came forth from Me, Which I chose for Myself in order to be able to stay amongst people. You humans, too, came forth from My will yet you once separated yourselves from Me voluntarily, for only love establishes a bond with Me but you forfeited it of your own free will, whereas the human being Jesus was permeated by love, thus My fundamental substance was in Him, for this **is Love**.... Hence, in keeping with His nature He must be God Himself, and only his external shell was human until He spiritualised it as well, so that it was able to unite with His divine Soul and nothing human remained once Jesus had accomplished the act of Salvation.... Anyone who therefore has recognised Me in Jesus has also escaped the darkness, for then the Light Itself will draw him into higher spheres, for I Myself Am the Light, and the light shone to earth through the human being Jesus because it permeated the human being completely. And I would like to send this ray of light to all of you, yet your heart has to open itself to Me, you must direct your thoughts towards the One Who created you.... You have to muster this will freely but then you will also be seized by My merciful love and everything will be done to impart the correct knowledge about Jesus Christ to you.... and if you acknowledge Him as God's Son and Redeemer of the world Who became as one with Me you will never ever be able to go astray again....

Amen

Call out to God in Jesus Christ!

In My name you should ask the father....

B.D. No. 5925

April 9th 1954

In My name you should ask the father, so that you may find your requests answered.... These were My words which I spoke to men while I still walked on earth.... Now how are these words to be understood in order to be heeded by you?.... I taught and lived on earth as the man Jesus, Who was in such intimate contact with the father that He completely entered into His will, that the father Himself spoke from Him, that He guided His thoughts and actions, that He only carried out what was the father's most holy will.... So He was also able to speak the words: Whatever you shall ask the father in My name, that He will give you.... For it was not the man Jesus who spoke, but the father Who was in Him.... No being could behold Me Myself, for I am a spirit Who is incomprehensible to all beings which came forth from Me, the father-spirit. For anyone who wants to behold Me would have to absorb the whole universe, the spiritual and the material world, into himself.... he would therefore have to be greater than Me in order to be able to grasp Me in My infinity, in My unsurpassable abundance of light and strength. This is not possible for any being created by Me, since it is an emanation of Myself, a **spark** of light, which would never be able to imagine the eternal light, the primary source of all strength, as something limited, something visible to it.... Yet the eternal light and the source of all strength was able to make a form serviceable to Himself and manifest Himself in this form in order to be visible to the beings which desired to behold Him.... And this manifestation took place in the man Jesus, Who fulfilled the necessary conditions for it.... Thus My eternally unfathomable spirit embodied Itself in Him, and thus I became human.... Jesus became God.... For only the external form was human, but that which fulfilled this form was God.... You therefore call upon God when you call upon Jesus Christ.... Understand rightly, if you ask the father for something in My name.... if you call on **God** in Jesus Christ.... then you acknowledge Me Myself or also.... you acknowledge Jesus Christ, you believe in My incarnation in Him, you confess Me because you confess Jesus Christ.... My name has become the name of your God for you, and now you can also hope in fullest faith that your prayer will be answered, for I Myself have given you the assurance that you will not ask in vain if you call upon the father **in Me**, in **Jesus Christ**.... As the human being Jesus I knew about the attainment of My aim, I knew about My mission, the crowning of which was complete deification, so that eternal love Itself could take abode in Me.... I knew about the complete fusion of My body and My soul with the spirit of love from eternity.... This is why I was already able to give you this assurance on earth that you will be answered if your prayers are directed towards eternal love in My name, for you thereby declare that you believe in Me, that I Myself as Jesus Christ have redeemed you from eternal death.... and I will truly not let your faith be put to shame....

Amen

Redeeming strength of Jesus' name....

B.D. No. 7066

March 14th 1958

You humans should seek salvation in My name.... you should know that you cannot find salvation anywhere else but with Me, that you definitely have to acknowledge Me Myself in Jesus Christ, that you thus have to believe in the divine Saviour and His act of mercy. I came to earth Myself in Jesus, the human being, through His mouth I Myself instructed the people, My strength manifested itself within Him, through Him I performed miracles, I raised the dead to life, I healed the sick and helped people in times of earthly hardship.... in Him I Myself died on the cross, because Jesus the

human being Jesus had received Me within Himself in all fullness, because He had shaped Himself into love and thus became a suitable vessel for Me in which I could achieve the act of Salvation in order to make

Amends for the whole of humanity's guilt of sin. Hence the name of Jesus is the name of your God and eternal Father, hence you have to gather in My name and let Me Myself dwell amongst you if you want to achieve bliss, which once had made you unspeakably happy.... but which you still lack as long as you live on earth. It is therefore not enough just to believe in 'God', because such faith is indeed the acknowledgment of a Creator Who brought everything into existence, including yourselves; however, this faith does not lead you back to Him, but you now have to acknowledge the Saviour too, Who first had made it possible for you to walk the path to your God and Father. And only in this way can you come to your Father.

Thus you have to believe in Jesus Christ and His act of Salvation, only then will you have the right faith, and only then will your faith lead you to Salvation, i.e. your soul can only then be returned to its former state, because it needs the help of Jesus Christ for this and without help it cannot ever reach the goal.... Consequently you have to look for salvation in My name.... And then you will also understand why it is necessary to tell people about Jesus Christ, that it is not enough to want to explore or prove the existence of God, because this belief can be gained by every human being looking around himself with open eyes and contemplating creation and its origin.... But the main fact is the redeeming strength of Jesus' name.... You humans first have to know the significance of the act of Salvation so that you then can step under the cross of Jesus and call upon the name of Jesus as the name of your God and Father for the salvation of your souls.

Because Jesus' arrival was the dawn of a new era, the time had come when, due to His crucifixion, the gate to the kingdom of light was opened and the first fully redeemed souls could return to the Father.... Because many souls stood before the gate to bliss who first had to be freed from their guilt of the original sin in order to dwell once again as blessed spiritual beings where they had originated from. And this final return into the Father's house was made possibly by the divine Saviour Jesus Christ, Who therefore also has to be acknowledged by every human being who wants to regain his original state. Jesus Christ Himself is the gate into the kingdom of heaven.... and His name is declared throughout the spheres of light, for I Myself Am within Him, He and I are one.... And anyone who utters the name of Jesus with profound devotion speaks to Me directly, and I shall truly bring salvation to him.... And therefore you will not make a wrong request when you say the name of Jesus with complete faith and thus submit your request to Me Myself.... Because when you believe in Him and His act of Salvation you will also have become redeemed from your encumbering original sin, and then My love will prove itself to you again, and your childlike call upon My name will also ensure that I will hear you and grant your request.

I Am always and forever your God and Creator.... but I could only become your Father through the act of Salvation, because only then could you receive the strength to change of your own free will into perfect beings, only then could you turn from 'living creations' into My 'children', if you use free will to return to Me.... and only with My death on the cross could this free will be strengthened. Therefore your salvation rests solely in My name.... Therefore you will only then be on the path of return to Me when you have taken the path to Jesus Christ, because only this path leads to Me, back into the Father's house....

Amen

Following Jesus

God's spirit in the man Jesus.... following....

B.D. No. 5577

January 14th 1953

You humans can be full of the divine spirit if you live as followers of Jesus. As a human being He was no different from you, His life was only a struggle and fight against the desires which He felt like you but wanted to suppress out of love for Me. His life was a life of love for His neighbour, whom He knew was in need and wanted to help. What He achieved you humans could also achieve if you were serious about receiving Me Myself in all fullness. His soul was indeed from the kingdom of light but it did not recognize itself as such **until** the man Jesus was permeated by My spirit of love. At times My spirit did speak from Him, then the man Jesus spoke with supernatural wisdom and astonished his fellow human beings.... Yet as soon as My spirit hid itself again Jesus felt just as human as they did and His occasionally brighter spiritual state confused and frightened Him; He was closed but turned towards Me with ever more intimate love which then also gave Him the light about His earthly task.... The man Jesus had to wrestle with all powers which were against Him, He had to experience and suffer everything only a human being can suffer, for He preceded you humans on the path which you should and can also take with His help. I helped Him Myself with My strength of love, which He constantly requested and acquired through His life of love. And this unusual supply of strength of love enabled Him to accomplish the work of salvation.... You humans, too, could accomplish unusual things if you wanted to acquire My strength of love yourselves through loving activity; yet you lack the will which, however, was overdeveloped in the man Jesus, yet again only as a result of the love He developed within Himself. As a soul of light His soul felt the great spiritual hardship of the environment, and therefore its will to help was so strong and inspired the man Jesus to work in love.... You humans also see spiritual and earthly hardship around you, and if you wanted to help, you would also receive the strength.... because the will is taken into account.... And you, too, could be full of the divine spirit, because every work of love could result in My strength of love and thus My spirit could become effective in you. The following of Jesus would truly not be demanded of you humans if it could not be fulfilled. For again and again it has to be emphasized that Jesus walked His path on earth as a **human being** and that all divine attributes were His humanly acquired merits, that the deity did not **determine** His path of life but that the human being subjugated the deity to Himself.... well understood: that the love of Jesus, the human being, moved Me to the unlimited expression of love, because I am powerless against **love**, because I Myself am love from eternity.... The man Jesus has conquered Me Myself with Me, He has done what I Myself had to do.... what My fundamental nature demands.... to let the power of love take effect.... And every human being who works in love forces Me into self-emptying.... Yet **this** compulsion is the most pleasing feeling for Me, Who always wants to give Myself away but **can** only give Myself away according to My law of eternity where love meets Me. Love must unite the being with Me, then it is filled by My spirit, by My strength of love, and then it can work in and with Me, then the human being has taken the path of following Jesus which leads to unification with Me....

Amen

Jesus Christ means everything....

B.D. No. 6333

August 15th 1955

No-one can become blessed without Jesus Christ.... And yet, countless people reject Him because they have no idea about the significance of His act of Salvation, for even **those** people who

profess Him with their mouth must be counted to the former, for the right understanding of the act of love and mercy by the divine Redeemer would make them follow Him on the path leading to beatitude. Even if preaching takes place all over the world, even if people are told time and again that His name is the only life line.... only a very small fraction of them know **what** Jesus, the human being, had done for his fellow human beings and **why** He had done it.... Jesus has only become a Saviour from sin and death for a very few people on earth who, being spiritually enlightened, are aware of the significance of the act of Salvation and who therefore also recognise the immense hardship on earth, who know how distant humanity is from the One Who alone can bestow upon them a life of beatitude Jesus Christ is preached throughout the whole world.... Many people are being addressed by Him directly when He is speaking to them through the mouth of an awakened preacher.... But only a few allow themselves to be captivated by His Words so that they will not leave Him anymore and likewise dedicate their life to proclaiming the name of Jesus.... however, most of them **forget** just as quickly as they get excited.... like a passing fancy which flares up brightly but quickly burns down again.... For Jesus Christ does not come alive in them, He does not find admission into their hearts because they don't live in love.... Only love gives life to faith in Him, without love the knowledge about Jesus Christ and His act of Salvation is nothing **more** than worldly knowledge which has no effect in eternity. For this reason, only a few will feel themselves so affected that they will subsequently become true followers of Jesus, that they will find deliverance from sin and death.... even though the divine Redeemer will not exclude anyone in order to attract him under His cross. He speaks to countless people and will continue to speak to them and admonish them to work at improving their soul, time and again He will proclaim His teaching of love.... Yet He can only come alive in their hearts if they accept His teaching of love and live up to it.... Only then will they understand His act of love and know how much hardship there is on earth.... For death is granted to every person, but death without Jesus Christ signifies a dreadful fate in the beyond, a fate which can only be improved through the divine Redeemer again, otherwise the soul will have to vegetate in darkness, in wretchedness, for an infinitely long time.... **Jesus Christ means everything**.... but extremely little to humanity, for it does not make much use of His act of mercy.... because it does not **recognise** Him.... And it **cannot** recognise Him because it is incapable of doing so as long it is lacking love.... and this has grown cold among people. Consequently, love must be preached continuously, the One Who was full of love Himself and sacrificed Himself for His fellow human beings must be referred to. If the human being then makes an effort to fulfil the commandments of love he will also become enlightened as to **why** Jesus died for the human race.... and he will take refuge under the cross and call upon the only One Who can redeem him from sin and death....

Amen

Change of nature into love with the help of Jesus Christ....

B.D. No. 8019

October 15th 1961

Your path of earthly life as a human being is the last short phase of your process of development from the deepest abyss into higher spheres.... But whether it will lead to completion is determined by you in your human state where free will has been returned to you, which you must use correctly in order to attain final perfection. Hence you bear great responsibility since you decide your fate for an infinitely long time of constraint again or for life in eternity.... With a correctly inclined will you can become free of every external form when you leave your earthly body; but you can also enter the hardest external form once more if you abuse your freedom of will, if you don't make full use of your life on earth, if you don't accomplish the transformation of your nature which must become love again, as it was in the beginning....

This transformation of your nature into love is the only purpose for your life on earth as a human being and it is possible for you to achieve this work of transformation because I will truly help you in every way.... For I long for My living creations to return to Me as 'children' and will truly do everything within My power to enable them to reach their goal.... but I will not enslave their will....

They must return to Me of their **own** free will, just as they once left Me and thereby plunged into the abyss. I take all weaknesses and faults into account, I help where you humans are too weak on your own; I reveal Myself to you so that you will learn to recognise and love Me; I shower you with an unlimited measure of grace which you need only make use of in order to enable you to become victorious in earthly life.... For you must wage battle against My adversary who refuses to let go of you but who likewise cannot **determine** your **free will** if it turns away from him.... You must fight against all instincts and cravings which still cling to your soul.... you must firmly want to move forward and to successfully complete your path of earthly life.... You must long for **Me** and, truly, I will come to meet you and draw you close to Me and never let you go again. For I love you and yearn for your return to Me....

You need never fear that you will lack the strength for your perfection, because One acquired it for you through His death on the cross.... Jesus Christ, Who redeemed you from sin and death.... And this One wants to bestow the blessings of His act of Salvation upon you and is waiting for you merely to request them, to also want Him to have redeemed your guilt of sin, and for you to appeal to Him to strengthen your will in order to accomplish the transformation work into love on earth.... As soon as you turn to Him you also acknowledge Me again and your return to Me will be assured, your return into your Father's house which you once left voluntarily....

You can truly reach the final goal during your short life on earth if only you acknowledge Jesus Christ as Redeemer of the world, Who sheltered Me Myself in all abundance.... Through this acknowledgement and the plea for forgiveness of your guilt, your original sin of apostasy from Me will be redeemed.... because the human being Jesus died on the cross in order to atone for the great guilt with His blood for the sake of justice....

You would never have been able to remove this guilt and make

Amends for it yourselves, this is why I Myself died in the human being Jesus on the cross, because only **love** was able to absolve such guilt, which Jesus, the man, mustered for His suffering brothers and which so permeated Him that He took all suffering and pain upon Himself.... But I Myself was this Love.... And therefore the path to Me was cleared for you humans again, so that you can return into your Father's house; I can accept you again as My children because your guilt has been redeemed by Jesus if you acknowledge Him and thus **Me** in Him, for He and I are one.... Anyone who calls upon Him, calls upon Me, and anyone who may behold Him one day will behold Me face to face....

Amen
