Announcement of divine judgement....

B.D. No. 2447

August 12th 1942

Everything on earth points to the decline, to the spiritual downfall. And that is why it has become necessary that humanity's attention is drawn to the end, which will still come as a surprise to all those who have faith. But people are to be warned and admonished to repent beforehand, the end is not to come upon them unannounced, and therefore God will announce it long beforehand through people who are called to predict the coming time with its horrors and hardship. They will not find much credence among their fellow human beings, they will rather be ridiculed and their words will not be greatly respected; yet God will not allow any judgement to come upon humanity without informing them in advance but leaving them the freedom to accept this announcement, thus to believe it to be true or to reject it. It is not a long time which will still pass after the announcements until they are fulfilled, and yet it would suffice for the return to God, it would suffice for the transformation of thinking as soon as the human being would only be willing and want to heed God's serious admonitions. Yet only a few recognize the emergency and take it into account.... Only a few go into themselves and tackle the work on their soul.... And these few will look forward to the divine intervention with composure and conviction and await it strengthened in faith.... For they recognize that the scriptures are being fulfilled, that everything must come to pass as it is written. For the spiritual decline can no longer be stopped, only those whose will is not completely enslaved by God's adversary and who can therefore still benefit from the coming interventions for their souls shall still be saved. God's mercy applies to these weak earthly people, it tries to bring them help and therefore comes to meet them in the word, instructing them and drawing their attention to what is to come. But only a few accept the divine word, only a few are believers and take it to heart.... And that is why only a few will be able to be helped when the time comes that signifies an end for people who have not first united with God....

Amen

The reason for the earth`s restoration....

B.D. No. 8258

August 30th 1962

The earth must be renewed because it no longer serves its purpose as a place of development for the spirits.... All order has been revoked, people pay no more attention to My will, they live contrary to law, for love is the essence of divine Order and this has grown cold among people, hence their earthly path is in vain since it does not ascend but irrevocably leads into the abyss. The human being ought to be of loving service but he strives to dominate, and even many of the bound spiritual substances are prevented from being helpful because people hoard material things and deny them all useful purpose.... People are in a state of complete spiritual darkness, for without love there cannot be light and thus people remain spiritually blind and don't recognise their God and Creator.... Consequently this state has to be brought to an end, everything must be restored to its rightful order again.... the people who fail have to be separated from those who belong to Me, who strive to live an orderly life and who will therefore be treated with hostility by the former.... The lowest point has truly been reached which necessitates a renewal of earth, when all bound spiritual substances will be

released and placed into new forms again, when everything will be placed into the most diverse kinds of new creations according to their degree of maturity. And then the human being, who had become totally enslaved by material things, will become matter again himself.... he will be banished into the creations of the new earth.

This is the most horrific fate you humans can imagine, the fact that your 'Self' will be dissolved into countless tiny particles once more and has to travel the path through the creations of the new earth in order to reach the stage of a human being again one day, even though it will take an infinitely long time all over again.... You humans cannot imagine such a work of transformation, after all, it means the end of this old earth, even if the planet as such remains. My might and wisdom will nevertheless subject it to a complete transformation and thereby make it suitable again to serve its purpose of helping the spiritual substances gain full maturity. You should accept the knowledge you receive about this process and its reasons and think about it seriously. You should know that this work of destruction will particularly affect you humans very painfully since it will be your loss if your way of life does not correspond to My eternal order. You should also know that I will keep to the day which will bring an end to this earth, for My plan was determined by My love and wisdom and is set for eternity.... And so one period of Salvation comes to an end and a new one begins, where order has been restored and where tranquillity and peace prevails, where it is impossible for My adversary to be active because he will be banished for a very long time....

Don't think that you are being wrongly instructed if I repeatedly send you the information about this impending act of disintegration of all creations on, in and above the earth.... Believe Me that everything is possible for Me and that I also know when such destructive action is necessary in order to guarantee the development of the ascending spiritual substances. Yet those of you humans who lack all love won't accept My Word, hence you will be harshly affected when the last day comes.... But there is no other option because My love applies to all still unredeemed and enslaved spirits.... And even for you, who fail in your free state as a human being, I will create new possibilities to reach the goal one day; yet the fact that you infinitely prolong the time of your distance from Me again is your own free will, thus your own fault, which you have to pay for with a renewed banishment into the creations.... For I truly don't want your unhappiness and will help you until the very last hour of this act of banishment passes you by, so that you will still find Me and call upon Me for mercy before the end....

Amen

Doomsday

Last Judgment.... Rapture....

B.D. No. 2211

January 14th 1942

The last Judgment will suddenly and unexpectedly come upon people. And it will slay every creature on earth, for the earth will change in itself. Everything that can be called alive will be destroyed by a blistering firestorm which will change the appearance of Earth beyond recognition to people who presently inhabit it. Yet it shall be proclaimed to them since a few will be amongst them who will live on the old as well as on the new earth, and they shall testify to the miracles God performed on them. For they will experience the destruction of the old earth in the flesh and yet not be affected by it, for the Lord will approach them, and He will lift them away from the earth. These few are strong in faith and devoted to God in love, they live according to God's will and are placed under tremendous pressure by those people who lack all faith. And thus they are in utmost danger and will be rescued by the Lord Who will come and fetch them Himself. And a separation will happen; good will be separated from evil, the faithful from the unbelievers.... God will seize Satan's power over the spiritual substance by banishing it into the solid form again.... And thus the earth will be shaped anew....

Nothing will remain in its old form because the time has come to an end which God gave to the spiritual beings for liberation from the form.... It will be a new era in the period of salvation which will be realised with surprise by the people who will be returned to this newly shaped earth in order to become the root of a new generation. They will know about the old earth and will now live on the newly shaped earth.... They will recognise the greatness of God, His wisdom and omnipotence and His infinite love, for their eyes will be presented with a scene which they will absorb with amazement and reverence. It is a realm of peace, delightful and graceful to behold with a most manifold array of exceedingly charming creations, yet completely divergent from those of the old earth. And people will cheer and rejoice elatedly for having been granted the great blessing of inhabiting the new earth. And the horrors of experiencing the last Judgment will fade from their minds, even though it had not affected them. For God will let the event that brings destruction to everything living on earth happen before their eyes, yet they will emerge from it unscathed because God will move them in the flesh to a place of peace until He has accomplished the work of reshaping and then He will return them to Earth again. Then love, peace and harmony will unite the people who were allowed to experience this process of transformation; they will praise God, give thanks to Him and worship Him with profound reverence, they will live according to His will and God will bless them and let a new generation come forth from them which cannot be oppressed by the adversary for a long time, because all power has been taken away from him. And this will be a time of peace and of union with God, for God will stay in their midst because love dwells within these people....

Demise of the world....

B.D. No. 3479

May 10th 1945

The end of the world is the end of a redemption period and the beginning of a new epoch, which again has the redemption of the still unfree spiritual as its purpose. For the time being the earth as such will completely change, i.e. its external form will not remain the same but the earth's surface will be completely destroyed by the forces of the earth's interior, and this will understandably result in the perishing of all creatures on earth.... All living creations, animal and plant life, will be destroyed, and

Word of God - 6/38

even the hardest matter, the rock, will experience a change within itself, and this signifies the end for humanity living on earth, the downfall of what is visible to its eye, although the earth will still exist as a heavenly body. In God's eternal plan of salvation this change of the earth is intended as a means of regaining the spiritual, and thus what God has proclaimed through seers and prophets since the beginning of this redemptive epoch will inevitably come to pass. But people do not believe it and will therefore fall into deepest despair if they experience this end unprepared. People are unfamiliar with the fact that all events, every work of creation and every creature only has the spiritual maturing as its aim, and since they don't look at earthly life with a spiritual eye they only see the course of earthly events and also deny every cosmic change, thus also a downfall of this earth. And they are difficult to instruct and therefore cannot be persuaded to change their lives in accordance with the approaching end and to prepare themselves. They reject every hint and are more than ever addicted to earthly goods, the striving for which keeps them completely away from spiritual striving. And even hardship does not make them more accessible to ideas which touch them mentally or through mediators from the spiritual kingdom. And that is why the time is approaching when the old earth will be dissolved because a change of thinking, a spiritual ascent among humanity can no longer be expected. Thus people themselves determine when the end will come, for God foresaw people's will from eternity, He foresaw their complete turning away from Himself and He foresaw the futility of the old earth's continued existence.... And in His merciful love He uses new means to win people's souls.... He lets a new earth arise which contains the fallen spiritual again, which now has to go the long and agonizing path through the new creation again, but which once again has the possibility to strive towards God in free will and to redeem itself from the form.... And He still tries to spare the people of the old earth this renewed path through creation in the last days by pointing them again and again to the end, to the hour of judgment and condemnation, by letting speakers arise amongst them who proclaim His word, who are to present the consequences of their way of life to people in order to persuade them to change their will.... But in the last days all those who preach God's word will be persecuted, and this will be the most difficult time for the believers who shall be deprived of all support. But then God will reveal Himself to His own and His word will sound directly and indirectly to them, He will awaken people amongst the believers through whose spirit He will make Himself known. And His own will be strengthened and consolidate their faith, they will confidently await the end, they will stand firm and defy all threats from the world, for they will feel their father close by and all fear and anxiety will fall away from them as soon as His word sounds audibly.... And He will be in the midst of those who long for Him, He will show Himself to them and, through His presence, lower deepest peace into the hearts of those who are worthy of His nearness. And their confessing courage will grow, they will unabashedly stand up for the name of God, they will profess to be followers of Christ and not fear death, they will await His coming and hope for redemption from utmost adversity. But the flock of believers will be small.... amidst living devils will only ever be a few who carry God in their hearts and are in intimate contact with Him. And where God Himself dwells visibly or invisibly to human eyes, the devils will be powerless, even though they seek the lives of Jesus' followers and use all conceivable means to make them apostate to Him. The power of God is stronger and even God's adversary is powerless against it. And the end will come when the adversity appears unbearable.... Then the lord Himself will come in the clouds and fetch His own home into His kingdom.... Then the old earth will pass away, it will be a downfall for all people living on earth.... it is the end of a redemption era and the beginning of a new one, as it is proclaimed in word and scripture....

Amen

Turn of the world.... not world's end....

B.D. No. 5807

November 17th 1953

The turning of the world does not mean the end of the world.... For My creations will still exist eternally until they have fulfilled their purpose of helping the spiritual beings in the abyss to ascend. Only then can we speak of the end of the world, when everything is spiritualized which these

creations needed for perfection. But what lies ahead of you, what you can expect with all certainty, what I let you know through seers and prophets, is a turning point which can certainly be called the end for the inhabitants of earth but which, to put it more correctly, is a total change, a turning point of the existing and a complete transformation of earth's creation.... It is a change from one epoch into a new one.... which means an end of life for human beings as well as for every creature.... which is equal to the end of the world for human beings. The total transformation of the earth's surface with all creations is also at the same time an end of all development of an earthly material kind. Everything that could be thought of progress in the scientific field or human achievements, everything that has been achieved, falls prey to destruction, and all experiences lose their value because no-one can use or apply what was previously regarded as so important that all spiritual striving was forgotten. Nothing of all this will remain, none of it will be taken over to the new earth, even though it will be inhabited by people who have experienced and lived on the old earth.... for none of it will be of use on the new earth and none of it will be needed.... A completely new world will delight the small flock of the raptured, a world which in nothing resembles the old earth, which can rightly be called a changed earth. And the people of the new earth will now understand why there was talk of a **turning point**... which, however, is never to be understood as the **end** of the world. Earthly, then, this turning point is recognizable, but even more so spiritually.... The spiritual turning point is the cause and purpose of what is to come.... A spiritual state, as it exists before the end of the old earth, irrevocably entails a dissolution, because something spiritually dead also means the solidification of it and true life can only emerge from spiritual life.... Therefore a turning point must occur where life is no longer conceivable in the completely dead environment....

It is obvious that the turning point can no longer take place on **this** earth,

(17.11.1953) for people are becoming more and more worldly, they are increasingly striving for material goods and their faith is becoming less and less, because love is growing cold in them. But love growing cold means hardened spiritual substance or also the rejection of My all-living strength of love.... and thus a motionless state, a complete lack of strength and therefore a freezing in inactivity.... What is still alive will then be doomed to death, but what is now still bound will attain freedom in order to now be able to strive upwards with the aim of final freedom. A turning point has come for the whole of earth's creation, everything spiritual changes its external form, and thus a general ascent is also assured then, because only the positive forces but not the negative forces can be effective, because the latter are bound and completely powerless.... and therefore spiritually only an ascent is possible everywhere....

Amen

Justification for the destruction of the earthly creations

Signs of total dissolution.... will of the people....

B.D. No. 4014

April 3rd 1947

It is all too obvious that the process of a complete dissolution on earth is preparing itself, for the destructions caused by human will are already the prelude; they are the first signs, for the world has not yet experienced works of destruction on such a scale and therefore they should make every individual think. A time of earthly adversity has arisen from it which affects almost every person, so that every person can also draw the conclusion from it which is that the time has come which was mentioned in word and scripture from the beginning of the redemption era. Whoever looks around also sees the spiritual decay of humanity, which inevitably leads to a total dissolution. It could certainly still be postponed through God's great love and mercy, but the adversity of the time demands that the development of the spiritual be interrupted, otherwise the eternal deity would not be acknowledged, but rather completely displaced from the sphere of human thought. And this means an immense regression for the spiritual already embodied in the last stage, which God therefore wants to stop and therefore releases all spiritual bound in matter so that it can decide anew for God or against Him. The fact that so much spiritual matter is illegally released before the complete dissolution by God's will, as the work of men or brought to execution by human will, however, conspicuously points to the last great dissolution. Human will is indeed indirectly the cause again, for it is directed against God, which is why it is bound again and this causes the dissolution of all works of creation. And God pronounces His judgement according to law and justice.... He draws to Himself those who carry His will within themselves, who submit themselves to Him. And He binds people who are completely distant from Him in the creations of the new earth, He helps the still immature spiritual to higher development, He loosens that which is bound in hard matter and gives every spiritual increased opportunity to develop upwards. It will mean an interruption of development for the entire spiritual on earth and likewise a renewed ascent, because nothing is eternally condemned but always has the opportunity to approach God again if it has distanced itself too far from Him. But in a spiritual low, as it is to be recognized in the forthcoming time, a total dissolution of the works of creation is of urgent necessity and greatest benefit, only it has to come forth from God Himself, and His will has to be expressed so that God will be recognized as the originator of such a dissolution. What precedes destructions of all kinds is not caused by divine will but is nevertheless permitted by God, so that people themselves recognize the wrong thinking and actions, so that they are free in their thinking and actions and let their will become active in one direction. His will now initiates the last work of destruction, after He has made Himself known once again, after He has revealed Himself to humanity through nature.... This will already be a work of destruction of unusual magnitude but it will still be surpassed by the last total work of dissolution which will soon follow. For the inhabitants of earth have forfeited the right to a long, peaceful earthly life because they do not use it according to God's will, and thus a transformation of the works created by Him will take place, and everything spiritual will be embodied again in a new form after the dissolution of the old and creation of a new earth, according to its state of maturity. For God is infinitely loving, supremely wise and omnipotent.... and His will is to make all His creatures blissfully happy, and His wisdom finds the right ways....

Amen

Translation handled by Doris Boekers

He who rules the world truly also has the power to rebuild what previously had to be destroyed because it no longer corresponded to His will.... For God has His laws which have to be fulfilled, and where His laws are acted **against** there is no order.... where there is no order there is decay and decline, there is chaos which completely contradicts divine will. And this also means a dissolution, a destruction of that which is outside of divine order, be it human beings or other living beings or also creations which can no longer fulfil their purpose because they are prevented from doing so by human beings. Partial destruction, however, would no longer suffice, for even hard matter begins to revolt because the spiritual in it wants to free itself.... **Partial** destructions could therefore also not correspond to the eternal plan of salvation because all earthly creations have fulfilled their previous tasks, because a time limit was set for them from the beginning which has now passed.... because one day the day of liberation, the day of the transformation of its outer shell, must also come for the spiritual bound in hard matter. And thus **God's power** first expresses itself in a work of destruction of unimaginable magnitude, and then people's lack of understanding continues this work of destruction through presumptuous experiments, through truly satanic attempts.... Therefore not hindered by God, because He neither imposes a restriction on His adversary nor on people's will and because He is also mindful of that spiritual which is now to begin its course of development again in new creations.... For He is lord of heaven and earth.... And if He Himself **destroys** or **allows to be destroyed** what has arisen for the purpose of the spiritual's upward development through His strength and His will, He will also, by virtue of His power, **build up** a new work of creation again, to which He again assigns its purpose in wisdom and love.... He is a God of strength, He is a God of justice, He is a God of love and wisdom, and He will truly restore the order which is and remains eternal law.... For a world without divine order is the realm of God's adversary, who rages in it because he has gained dominion over everything spiritual.... But such a world cannot remain, otherwise it would also be hopeless for the spiritual to ever escape its power. The earthly creation, however, was only created for the purpose of liberation from its power.... But if there is no longer a possibility for this, the destruction of those creations is only a work of God's mercy, Who now also lets His will of love become active again and a new creation arise which again meets all requirements in order to promote the spiritual's course of development. What is destroyed is no longer suitable for His plan of salvation, but what arises anew will also support the divine plan of salvation again. But something new can only ever emerge when the old has been completely destroyed.... whereby destruction only means the destruction of the shell which was only a shackle for the spiritual substance but offered it no opportunities to serve its purpose accordingly. And the day is coming when the power of God will show itself but only few people will become aware of it.... The day is coming when satan will transfer his diabolical plans to people who are willing tools for him.... The day is coming when he will carry out his last work on this earth through people who are in bondage to him.... Then every work of creation on this earth will burst, nothing belonging to this earth will remain undissolved; but everything will be seized again by God's wisdom, love and power and reshaped.... A new earth will arise, as it is proclaimed in word and scripture.... And this earth will be in divine order and thus also able to serve the spiritual in every form again, so that it will ascend. And the power and glory of God will be demonstrated to those who will be brought to this new earth, who were raptured before the last work of destruction because they stood firm until the end and remained in divine order....

Amen

Purifying the divine plant nursery....

My divine plant nursery often has to undergo a thorough purification process when the weeds so threaten to overgrow all good seeds that even the healthy plants can no longer develop in a way that their thriving is pleasing to Me. In that case all good plants will have to be carefully separated, the

weeds must be dug out and burned, the ground must be ploughed over, and only then can it receive new seeds, only then will I be able to harvest the right fruit again, new life can take root again and make Me happy, which was no longer possible before. And such a thorough cleansing process has been intended for eternity, and you humans can expect it daily and hourly.... The earth no longer serves its purpose, evil dominates everything, it often even suffocates delicate seedlings wishing to burst through in order to attain light and life.... The world's poisonous breath destroys life, and therefore many a seedling withers that promised to become strong and healthy.... People are drawn into the whirlpool of the world and many a soul which was intended to live finds its death therein. The atmosphere in which people are meant to perfect themselves is no longer clean, it is nothing but a realm of sin and depravity.... And for this reason the said purification can no longer be avoided.... irrespective of whether you humans believe it or not....

One day the lowest point will come and therefore also the hour when My plan of Salvation, which includes this thorough cleansing of earth, will be carried out. And thus, once the few who have found life have been separated, everything incapable of living will have to be destroyed.... For it is no longer enough that only what is evil and unsuitable should be removed because it predominates. But neither will I sacrifice to evil what has prevailed against it.... I will gather the people who are and will remain My Own and who did not let themselves be enslaved by My adversary.... I will lift them up and remove them from earth in order to cause a total transformation and to make the earth suitable again as a nursery school for a new human generation. Everything a good farmer does when he ploughs his field, when he clears and prepares it for new good seeds, will also be done by Me, because the time for it has come and because one day I, too, want to achieve a good harvest again, since this has become impossible now. For people by and large leave earth in a lifeless state, their earthly life does not result in any progress, they remain as they were at the start of their earthly life or they become stunted and incapable of living, and this is not the purpose of their embodiment on earth.

And thus I will have to prepare the nutritious soil for the next human generation, I must cleanse the earth and deny My adversary access for a while, I must create the opportunity for the souls to be able to fully mature again, for his time, which he had truly used well to ruin people, has come to an end. Even for My adversary the hour will come one day when his activity will be prevented.... Nevertheless, at the same time I also have to make his followers' activity impossible. And this is only feasible when everything belonging to him is banished again, thus I will let a new earth arise with all kinds of new creations which will shelter these spirits again until they have calmed down and can start their process of development once more.... The earth has to be made suitable again, so that the people on it can achieve perfection, since My infinite love for My living creations strives to give them life and not death which, however, has found entrance in this earth. And I want to repel death and turn the earth into a field of life again, from which the weak will also be able to draw their strength once more and attain life....

Amen

Earth renewal....

B.D. No. 8130

March 20th 1962

A renewal of the earth is inevitable.... for everything has gone out of order, people themselves are in a completely disenchanting state, and they also make it difficult for the spiritual being bound in the works of creation to develop upwards, for their addiction to matter often determines them to actions which signify the premature destruction of works of creation.... But people themselves constantly violate divine order because they completely disregard the principle of love, which, however, is the epitome of divine order. They are only concerned about their physical well-being, therefore all their thoughts and aspirations only apply to matter, they only apply to earthly goods and worldly pleasures. They are in no way aware of the actual purpose of earthly life, and therefore this life remains an idle one which will have serious consequences if people do not change and take a

different path. Thus there is little prospect that people will change and allow themselves to be convinced of their spiritual low.... Even severe strokes of fate or world events are unable to induce them to change their thinking, and they do not listen to the reproaches of fellow human beings who would like to help them out of the night of the spirit, for they believe nothing.... And such a state cannot remain, because the earth is intended to serve as a maturing station for the spiritual, which is on the path of return to God.... Therefore it will also remain as such, but a purification has to take place; everything has to be reclassified again; everything spiritual has to be reorganized.... from hard matter up to the human being.... must again be given the opportunity to **serve**, because only through service can the spiritual develop upwards and finally be redeemed from all forms.... And therein lies the overthrow of divine order, that the spiritual is increasingly deprived of the opportunity to serve.... This is the violation of divine order, that **people** also lack all **love** which presupposes 'service' and that they also often make it impossible for matter to be of service by collecting earthly goods and enjoying their possession which, however, are never allowed to fulfil their purpose and therefore the time of their development is prolonged, which causes the bound spiritual being agony. And thus people are also overly self-loving, they only think of themselves and the fulfilment of their desires.... they are in completely wrong love, they only ever seek union with things which belong to the world. Their love is a false love which only ever wants to take but never to give.... The right kind of love has grown cold amongst people, and this is a spiritual low which makes a life on earth unsuccessful, which completely contradicts divine order and necessitates the dissolution of the earth's creations, during which the human race will also perish because it has not made use of its earthly life, thus it has completely failed in its last test of earthly life. People themselves bring about the end of the earth's existence in its old form, people themselves, through their wrong will and their spiritual low, also determine the time of the end, which has been foreseen by God since eternity.... And since not only people but also the earth's creations are affected by people's wrong will and thinking, the **dissolution** of these earthly creations has also become necessary, and the consequence is a total transformation of the entire earth's surface, whereby every living being will be affected.... but will also be begotten again through God's love into the form on the new earth which corresponds to its spiritual state of maturity.... Order will be established on the new earth again, for everything has to progress in its development.... and the human being's soul, which has failed, must also be given renewed opportunities of ascent, which, however, requires dissolution and a new banishment into solid matter and is therefore to be feared. For every human being still has the opportunity to change if only the slightest will is in him to fulfil his purpose of earthly life. Then he will be assisted in every way in order to protect his soul from this new banishment.... And therefore people will be informed time and again of the occasion and significance of the end of this earth, and world events can also have a favourable effect on people's thoughts.... But the human being's will cannot be forced, he must think of his own free will and seek contact with the creator of heaven and earth.... And he will never be left without help, for God wants people to attain eternal life, but not to lose life again for an infinitely long time....

Amen

Reason for the work of transformation....

B.D. No. 8609

September 7th 1963

You will find it increasingly more understandable that a tremendous change will have to happen, which will involve people's spiritual as well as their earthly life.... For the state they have reached can only be improved by a massive intervention, and although this will take place in an earthly way it will also result in a spiritual change.... For everything has become disorderly, people's spiritual development has come to a standstill and in many cases even a decline can be noticed, hence the earth is barely fulfilling its purpose anymore and needs to go through a transformation.... lawful order has to be restored again, all spiritual substances must be allocated the place which corresponds to their degree of maturity or development. And people must especially integrate themselves into the right order again if they are to reach the goal one day: to become perfect according to their purpose....

Were you humans able to have an overview of the spiritual as well as the earthly chaos which presently prevails on earth, you, too, would realise that the only way out is a huge change, yet for the most part you are spiritually unenlightened and have no idea about your actual purpose of existence. This is already part of the low spiritual level, for you do nothing to obtain a little light as to why you live on earth. And you also reject your fellow human beings when they want to enlighten you of it. Everything has become disorderly because people's free will itself revokes the order, with the result that all still developing spiritual substances are unable to make progress, since people prevent their being of service and yet they can only advance by way of being of service.... Therefore divine order has to be restored again one day, and everything must fit in with this law.... People must voluntarily live in divine order, then they will also help the spiritual substances still bound within the works of creation to fulfil their serving function, they will be used appropriately and thereby slowly ascend too. Anyone who is spiritually enlightened, who, through a life of love, has awakened the spirit within him to life, will recognise the urgent situation and will also fully understand the work of transformation, which will shortly be carried out on earth, for he knows that there is no other way out, he knows that all spirits are in the midst of a process of return, that this has come to a halt and that something urgently needs to happen so that this process can continue with promising results.

The time granted for the spiritual beings' development has come to an end, and thus all that which failed when it reached the state of free will must start the process of development again according to its degree of maturity, whereas the still bound spiritual substance will enter into new forms, also in line with its degree of maturity. This, therefore, necessitates a total transformation of Earth, the termination of all life, the dissolution of all external covers which still held the spiritual beings captive, and a complete redevelopment, the emergence of new creations. And this new work of creation will also be inhabited by people again who had reached full maturity on the old earth, who had remained faithful to their God and Creator even during their worst temptations through God's adversary, who remained faithful to Him until the end.... until they were lifted away in order to be returned to Earth again as the root of a new human race.... You humans are facing this enormous transformation, and you are told time and again to prepare yourselves for it.... so that you will not belong to those whose fate will be a renewed banishment into the creations of the earth.... And if you only have a glimmer of faith in a God and Creator, then pray to Him that He may save you from this fate, and He will truly grant your prayer.... If you are **unable** to believe, that is, if you are not **convinced** of an end, then at least take the possibility into account and live your life on earth accordingly, for the time which is still granted to you until the end will pass by quickly and you should and still can use this time well if only you didn't reject the thoughts in you which keep reminding you of that which is proclaimed to you through your fellow human beings.... Live as if the next day would be your last, and truly, you will not get lost.... And only pay attention to what is happening in the world and around you, and you yourselves will realise that the only successful solution is for everything to be replaced.... that a new Earth has to be created, so that the spiritual development can be continued again with a favourable outcome....

Human experiments trigger the destruction of the earth

Experiments.... Work of destruction....

B.D. No. 7372a

May 25th 1959

Penetrating the core of the earth can only ever be permissible up to certain limits; once these limits are exceeded you will suffer the according consequences.... It will result in a work of destruction on such an enormous scale which is impossible for you humans to imagine because you will not survive such devastation but fall victim to these experiments at the same time. Human intellect studies and speculates and has already deeply penetrated the laws of nature. And these investigations could indeed be a blessing for fellow human beings were they conducted with the right attitude towards Me, so that it would be possible to direct the researchers' thoughts according to divine order. Yet this right attitude towards Me is usually missing, and individual people are often drowned out by researchers and scientists who are distant from Me and whose thinking can therefore also go astray.... Which, in the case of experiments on the intended scale, will result in awful consequences: they will no longer be able to control the laws of nature, they will draw the wrong conclusions, and they will conduct tests on the basis of incorrect calculations and thus trigger forces which they will no longer be able to keep in check. People only calculate with earthly figures, but not with spiritual problems which, in view of their ignorance of God, are impossible for them to solve. But the basis of everything is spiritual, earth exists for a spiritual reason, and the goal of people inhabiting it should be to rise above the earthly realm and become mature for the spiritual kingdom, but of whose existence researchers and those who deem themselves knowledgeable don't know very much or nothing at all or don't want to believe in.... However, My works of creation are nevertheless at the mercy of people's free will, and people will not be hindered from causing even the greatest extent of destruction.... Yet they will do this at their own detriment, insofar as that all living creations will lose their lives, be they human or animal, be they plants or other creations which contain bound spiritual substances for the purpose of higher development. And even if the latter is not believed, the lives of fellow human beings should nevertheless be taken into consideration....

Even so, people deem themselves intelligent and wise, they believe that they can also penetrate the laws of nature which so far had been unknown to them. They are conducting experiments which they will constantly expand until they trigger hitherto unknown forces with the inconceivable result of a total destruction of the Earth's surface, which no living being will survive, as has been predicted by seers and prophets since the start of this earth period. And I allow people's will its freedom; however, My eternal plan of Salvation is based on this will, because I foresaw from the start that by that time people have reached such a low spiritual level it will necessitate a restoration of My eternal order again and thus I was able to base My plan of Salvation on it without enslaving people's will. For they themselves will be the architects of the end of this earth, they themselves will determine the date despite the preceding warnings and admonitions, despite the continuous references to their wrongdoing, as long as they are not in association with their God and Creator of eternity, Who then would also truly be able to guide their thoughts and intentions correctly without coercing their will. But people don't want to believe that they are approaching such a work of destruction of Earth, and they cannot be warned in any other way than through My Word, which is conveyed to them from above.... But if they incline their hearts towards Me of their own accord, they will also become enlightened and refrain by themselves from further experiments.... Yet there are only a few of them and they will be unable to assert themselves, even though they recognise the immense danger which threatens the human race.... But the majority will be opposed and won't let go of a plan which will result in the end of the earth. And because of their freedom of will they cannot and will not be stopped by My side because, according to My wise counsel, it will further countless beings' higher

development again, because I know how to guide everything, even that which is bad, such that it will nevertheless still result in beneficial consequences and precisely this is My plan of Salvation which will therefore also be implemented according to My love and wisdom....

Experiments.... Work of destruction....

B.D. No. 7372b

May 26th 1959

I truly know what is beneficial for all the beings I once created.... I know how effective everything will be, and I can also direct the effect of everything such that it will only be good for the development of the spirits.... And so My adversary's truly satanic actions during the last days will merely result in the fact that most of his followers will be snatched from him again and bound into matter, thus they will be removed from him and his influence for an infinitely long time. He believes he has won the spirits over from Me and owns them again, nevertheless he will lose them and the spiritual substance will start its higher development once more. For My love will never end, time and again My love will create new possibilities for development in order to help the spirits' ascent. And My love will time and again also find new ways.... Even if the being in the state of free will, as a human being, very frequently conducts itself contrary to My eternal plan and endangers higher development.... I will repeatedly restore order again which is and remains divine law; but never to the detriment of the spirits and always with the goal of deifying the beings which are still very distant from this state. Therefore, regardless of what happens in this world.... My love and wisdom knows every outcome and will always steer it for the benefit of the spiritual beings, and the final goal will always be their salvation, their return to Me and the perfection of the souls.... The final goal will be the attainment of the original state, where the being, as an 'image of God', will be able to work and create with Me in beatitude....

Destruction of Earth....

B.D. No. 8304

October 20th 1962

One thing is certain, My Word is and will remain truth and you humans need not doubt that which has originated from Me. Since the time is constantly coming closer which concludes one period of Salvation so that a new one can begin, the clarifications will also be given to you increasingly less veiled, and shortly before the end I will initiate you into My eternal plan of Salvation and inform you about things which have so far remained concealed to you because this knowledge was not necessary for the salvation of your souls. But now the time has come when My plan of Salvation will be implemented as far as it concerns the transformation of earth, which has become unsuitable as a place of education for the spiritual beings and which therefore has to be restored so that it will be able to fulfil its purpose again. You must bear in mind that My love also applies to the spiritual substance which is still bound in the works of creation and that I also want to give new forms to this spiritual substance in order to facilitate its higher development. For these bound spirits have already languished for an infinitely long time in the hard matter which makes up the earth, i.e. all creations on it.... And this hard matter as well as the bound spirits within the earth must one day be dissolved, respectively released, so as to be able to enter new forms, and therefore the work of destruction will be on a humanly incomprehensible scale; consequently a total disintegration of all earthly creations can be spoken of, although it should be borne in mind that the material building blocks will remain but effectively unconstrained until I shape them into forms again to serve the spirits as a cover once more.... Thus the creation work Earth **will not cease to exist**, because all that which was dissolved shall be held and shaped into new forms again by My will, on account of which one can speak of a new earth.... Concluding this period of Salvation is an act of greatest mercy for all spiritual beings on

earth and those bound in the works of creation, which signifies a complete transformation but not the disappearance of the planet Earth....

However, this transformation will only be recognisable on the earth's surface, because people would be unable to detect or follow the process of the inner change even if they were able to consciously observe the transformation. But the latter will not be the case, for it will be the work of an instant, because all the conditions already exist to animate the new creations with the spiritual substance which has reached the appropriate degree of maturity; for all these tiny particles are present and need only be placed into external forms again which are beneficial for them. All the same, you humans cannot possibly imagine this final work of destruction, although you yourselves give rise to it through your anti-divine experiments to penetrate the earth's interior in order to avail yourself of forces which you cannot control as yet and whose ramifications you don't know.... But neither will I stop you since the time I designated for the past period of Salvation has also come to an end.... Yet time and again I emphasise the fact that I will leave nothing in the old state and that no living being will survive, and that I will also give the still constrained spirits their temporary freedom, which therefore implies that even the hardest matter must one day release the spiritual substance and for this purpose has to be dissolved too, in order to harden anew and to shelter spirits again, as is My will.... Since matter itself is only spiritual substance at the start of its development it can therefore not cease to exist either, and therefore the creation work 'Earth' will not **vanish** but only be transformed, and you can believe these Words even if the whole process of the end of the old earth is still incomprehensible for you.... However, everything is possible for Me and everything is based on My infinite love.... If you therefore only regard My work of destruction as an act of cruelty on My part you are still far removed from the right realisation.... Yet you only ever want to see humanity's destiny and fail to take the spirits bound in hard matter into account for whom the moment of liberation from their present form also has to come one day, so that their higher development can also take place according to My plan of eternity.... And because this end is constantly coming closer I Am informing you of My plan of Salvation, so that you will not belong to those who forfeit the blessings of existing as a human being on earth and run the risk of being banished into the creations again.... And I truly instruct you in all truth yet it will only be accepted by the person who wants to know the truth and has the sincere will to reach his goal on this earth....

Amen

The final powerful work of destruction.... I.

B.D. No. 8684

November 25th 1963

Even if you are constantly made aware of the end your faith in it is nevertheless not alive enough to seriously prepare yourselves for it.... You are facing such an extraordinary event that it is difficult for you to believe since nothing remotely similar has ever taken place as far as you can ascertain from the past. The individual periods of Salvation are so long, and besides, it is My wise intention that you should not be able to estimate the interval between the beginning and end of such an epoch and that you should lack all knowledge in this regard. For even what you think you can ascertain by way of research is not reliable information, it will always remain unverifiable assumption. And thus the forthcoming work of destruction, which will totally change the earth's surface, will indeed affect the whole of the earth, yet it will only be consciously experienced by the few who, as the root of the new human generation, will be carried away before the end. And they will in fact still remember the old earth, however, the new period will start so entirely differently that people will soon get used to living in a completely new world and thus their thoughts utterly distance themselves from the events on the old earth.... It will only affect them like a dream since the new earth will present them with entirely different problems because they are spiritually minded and only ever try to come closer to Me. Worldly thoughts will dwindle, but the spirit will already be remarkably active and the souls will attain a high degree of maturity, so that, to a certain extent, they will have reached their

earthly goal already and be in contact with the inhabitants of the kingdom of light although they will still live in their physical bodies.

What you are told in this respect is completely incomprehensible to you humans on this earth, yet it is the truth and therefore you are repeatedly informed that the time has come when you can expect unusual happenings, because events will happen thick and fast in the end and only a specific degree of maturity will assure people the strength to cope with what is to come and thus survive the last days in conscious unity with Me and the certainty that I will support them no matter what happens. Significant events of all kinds will always be caused by people themselves even if a direct cause is not perceptible, yet only I know what people's souls need.... And unusual occurrences will have to happen in the end in order to galvanise people.... And yet, all these events can be called negligible compared to the large work of destruction which will befall earth when the time comes for the lawful order to be restored in accordance with My will. Nevertheless, only the people carried away by Me and before whose eyes everything will take place will be able to watch the full extent of the destruction work.... and only because they shall realise their God and Creator's might and also experience the truth of My Word....

Yet prior to this many an event will still frighten people and only for the sake of directing your thoughts towards the One to Whom all Power is given and at whose mercy everyone is.... And truly, every human being who is still called away from earth before the end may consider himself blessed, for he will not meet the dreadful judgment of the new banishment which, however, can be expected by everyone who does not belong to My Own.... to those whom I will carry away from this earth, as I announce to you time and again.... You humans cannot give credence to such an occurrence either, because no previous incident of that nature can be verified and because people will not allow for anything that contradicts natural laws. Yet He Who gave these natural laws can truly also revoke them, for nothing is impossible for Him, especially when it concerns establishing a new order again so as to safeguard the further development of all spiritual beings. This is why you should faithfully accept everything that is imparted to you through My Word.... You should believe that everything is possible for Me and that I will also use My might in the end because I want to repeal My adversary.... For his time is over, and he has really made good use of it to the detriment of what also belongs to Me.... And for the sake of these spiritual beings I will let new creations arise which will receive the spirits which had failed their last test of will on earth, for I always have the salvation of all spiritual beings at heart. And even if you find it impossible to recognise My love in all forthcoming events.... one day you will be able to understand it and then you will acknowledge the greater than great love, wisdom and might of the One Who wants to deliver you from the abyss but Who will let you keep your free will so that you will be able to become perfect as your Father in heaven is perfect....

Amen

The final powerful work of destruction.... II.

B.D. No. 8685

November 26th 1963

Great events cast their shadows before them.... And thus the final powerful work of destruction affecting the earth will be preceded by ever more distressing events, what happens to a lesser degree in many places will finally happen to the whole earth.... with the difference that the previous divinely intended natural disasters will horrify people, whereas the final work of destruction on earth will be triggered by human will, thus people will initiate the end themselves.... on the one hand by involving themselves in all kinds of tests and experiments and on the other hand by their increasingly firmer connection with God's adversary who impels them to do so because he himself is incapable of destroying works which emerged through God's will.... You humans will be kept in constant suspense, for the day which brings everything to an end because a new earth period will start, comes ever closer.... And every frightful event is intended to wake you up, for you are truly sleep walking, you don't see and realise anything because you don't **want** to see or realise anything. You are in grave

danger of becoming lost again for an infinitely long time, and yet you could avert this danger if you were genuinely interested in your salvation.

However, regardless of what is yet to happen, only individual people will derive benefit for their soul, whilst the majority takes notice of everything, gets upset about it and then lapses into its state of sleep again, and nothing changes in their way of life, in their attitude towards God, for He is distant to them and they won't look for close contact with Him as long as their earthly life still seems bearable to them. Yet a state of calm will not return anymore, one piece of bad news will follow the other, and even the adversary's activity will become clearly evident, the separation of the goats from the sheep will become ever more distinctly noticeable. People will soon demonstrate that they pursue two different goals: people who still seriously try to find God and those who deny Him and aim to completely exclude Him from their lives. And the latter will treat the former with hostility and oppress them, for they will be in the majority whereas the believers will always be the weaker ones, yet they only outwardly yield to the superior numbers whilst always receiving strength from God in order to withstand the adversary's demands to renounce their faith.... For soon the last battle of faith will erupt and that will also be the beginning of the final phase, which will be closely followed by the end.... But due to people's low spiritual level such upsetting events cannot be avoided, everything will still be tried on the part of God to motivate people to think, and the proximity of death will be brought home to them over and over again....

By way of destruction through the forces of nature they will be shown that everything is transient and be encouraged by any means to form an opinion about all happenings, for they shall be shaken out of their lethargy and motivated to reflect on the possible reasons for all occurrences.... And even people who are not directly affected themselves can nevertheless observe their fellow human beings' fate and form their own opinion.... Whatever it takes will still be done on the part of God which could result in some success.... Yet generally everything will be looked at from an earthly point of view, earthly disadvantages will be discussed.... but the fact that everything has its spiritual reasons will be ignored and therefore only little spiritual success will be gained.... Even so, you are told in advance that you will repeatedly be shaken up, you shall know that everything is planned for eternity and that nothing is without meaning and purpose even if you don't recognise it. Observe the cosmic events and heed world events.... And know that there are no coincidences in earthly life, that everything is determined or permitted by God's will because He also knows the results of what He sends upon earth and humankind. For He holds the reins and knows how to steer them according to divine wisdom.

Try to understand God's language, for you only need good will to subordinate yourselves to His will, hence you should only ever try to derive benefit for your souls from everything that happens around yourselves, but don't remain indifferent, for God always wants to tell you something when your heart and mind are affected by extraordinary events.... Listen to His soft voice and don't let anything pass you by without impression, take notice of the signs of the last days which shall be your indication that the time has come which has always been mentioned.... And believe that you don't have much time left until the end and that everything will come to pass as it is written.... that the old earth will pass away and a new one will arise.... For the time is fulfilled and thus the divine plan of Salvation will be implemented as it has been planned for eternity....

Amen

Dissolution and remodeling of the old earth "There shall not be left one stone upon another!"

Complete dissolution and remodeling of the earth....

B.D. No. 4086

July 18th 1947

In a very short period of time the complete dissolution of the earth will take place, for the forces which have their effect are so elemental that nothing will withstand them, that everything will be destroyed which exists on the earth's surface as well as in the earth's interior of creations of every kind. Thus it is not possible to speak of a partial dissolution but the spread of force extends over the whole earth, and thus the whole earth is a single conflagration to which everything falls victim because everything is seized by fire. And so the fire will certainly spread more slowly in individual places, according to God's wisdom, namely where the souls are still to be offered the opportunity in the last hour to call upon God for help, where people live whose mind can still be changed shortly before the end. But the earth will be completely destroyed, i.e., the core will certainly remain but the entire surface of the earth will undergo a change which is so enormous that one can speak of a passing away of all works of creation. A transformation of the old earth is also only necessary and possible when all creations of the old earth have passed away and the creations of the new earth can be formed from the remains, which are to receive the spiritual again, which is still in the midst of its development. And this spiritual will be released to its great satisfaction, for it longs for upward development in order to be able to make use of the blessings of earthly life as a human being, and it pushes towards this last embodiment. Thus the new earth will not have any old creations but they will be completely destroyed and newly formed, and the process will only last for a very short time.... In fact, the destruction will take place before people's eyes, yet in their great horror they will only pay attention to themselves, i.e., in their fear of death they will only be concerned about saving themselves, but this is impossible for them. However, the believers, whom God catches up before the complete destruction, will be able to watch the work of the ruin of the old earth, for it will take place before their eyes so that the power and glory of God will be revealed. Yet the emergence of the new earth will remain hidden from their eyes, for when they are brought to this new earth by God all creations already exist, and a diverse picture unfolds before the eyes of the believers, completely unknown creations, glorious to behold and surpassing in their usefulness everything the old earth offers in terms of creations. However, people on the new earth cannot assess the duration of the emergence of these creations, for people are deprived of any concept of time for the time of dwelling after the rapture, and they will also initially lack the concept of time on the new earth, since people already possess a high degree of maturity and this results in past, present and future only being **one** concept for them until people's outlook grows more material again and thus they are also subject to the law of time and space again.... And thus the emergence of the new earth is completely hidden from people's view, yet the explanation will be given to them spiritually and they will always be able to take the most important part of the divine teaching from it, but on the other hand it will also be conveyed directly to people themselves, for God will dwell in the midst of people who love Him because they have shaped themselves into love and God Himself, as well as His angels of light, will instruct people on the new earth. And thus the original light dwells in the midst of His Own and distributes light to all who are worthy of it....

Amen

Translation handled by Christian Taffertshofer

You can take it for granted that the world is facing a change, spiritually as well as earthly. The earth itself is approaching a total transformation, a transformation of its surface as well as extensive internal changes, and, likewise, people need to prepare themselves for a process that will have spiritual repercussions because all life on earth, human and animal, will cease to exist as soon as the reshaping of earth is under way. Thus it stands to reason that the entire transformation will have a spiritual foundation, that a new school for the spirit will be created which, however, will first call for the destruction of the former. Earth cannot continue to exist the way it is at present if it is not to circle through the universe amid other creations and heavenly bodies devoid of all purpose.... Change has to take place, and this act of transformation will be experienced by people to whom God has given the grace to use the final opportunities for achieving maturity. For God has blessed the last days of this earth's existence by providing blessing upon blessing for people who could certainly reach full maturity by the last day. That the gifts of grace are ignored, that the majority of people do not welcome and thus do not accept them, is only proof that the last days have arrived.

Hence only few will be able to observe the final act of transformation because they accept God's will and therefore also know of His eternal plan of Salvation. They will not be harmed by the process of transformation as they will be raptured before the last act of destruction of the old earth. And thus the change will merely affect them such that they will change their environment for a kingdom of peace until they are returned to the entirely reshaped earth as root of the new human race. Until the last day, however, others will still have ample opportunity to change and thus save themselves too. For as soon as their spiritual transformation has taken place, as soon as the soul has returned to God, Whom they had adamantly resisted so far, the souls also become aspirants to the kingdom of the blessed and need no longer fear the destruction of the old earth. No creation on the old earth will survive nor will any human being continue to exist who was not lifted to heaven by God's love beforehand.... The complete destruction of the earth's surface as a whole will also result in the demise of every creature, and the transformation of any soul capable of change will have been achieved by the hour of the Last Judgment. Hence it depends on the human being's spiritual change whether he will survive the end of this earthly period and be permitted to re-inhabit the new earth as a child of God....

All people will still be capable of change but only few will be willing, and thus the earth's process of transformation will take place, given that people's will shall no longer take the right direction and earth no longer fulfils its intended purpose. Earthly life is misused.... As a result, the whole of humanity faces a spiritual turning-point. However, it will not happen on the old earth and it will only consciously be experienced by a few people, whilst the majority of people will indeed enter an entirely different developmental stage, hence also be affected by the spiritual turning-point, but in a regressive sense.... they will lose their physical life and continue their existence in a completely different form.... 'Life' will have ceased to be and the state of 'death' will surround the spiritual essence because it will have failed as a human being, because it did not use its opportunity to change in order to redeem itself.

In the universe, however, the act of transformation will denote an entirely new period of redemption and the conclusion of an era which was extremely significant, because God Himself incarnated on earth in order to exemplify to humanity the change from a human into a divine being, which all people should accomplish. Earth, which carried His physical body, will now have to help the hardened spiritual substances, solid matter, to achieve redemption. Every living thing will have to experience a change of its external form; everything constrained in a form below the human level will have to be able to comply with the impetus for ascent. As a result of earth's total transformation this will indeed be possible since the love of the divine man Jesus also encompassed the as yet unredeemed spiritual substances which He also intended to help with His act of Salvation. When this period of redemption comes to an end it will also mean the end for all creations in, on and above the earth. Then a continuation of development in the creations of the new earth can commence for all spiritual substances which still need to be redeemed and which, depending on their will towards God, will animate the various forms until their final salvation....

Amen

The transformation work of Earth....

B.D. No. 7754

November 24th 1960

In My plan of eternity the day is determined which signifies the end of this earth, which both earthly as well as spiritually entails a total change. And My plan will irrevocably be carried out, for I foresaw humanity's low spiritual level from the start, and thus the plan of Salvation is devised such that it will time and again include new developmental eras, as My love and wisdom foresaw this to be good for the spiritual beings which are intended to advance in their maturity.... Thus one developmental period comes to an end and a new one will start again.... The end of the earth can never **purely** be regarded as a work of destruction. It also must be realised that the still bound spiritual substances also need help to continue their development and that therefore the creation of a new earth has become necessary, which first requires the disintegration of the old works of creation on earth. But I will not let anything come upon humanity without announcing it in advance so that they can prepare themselves for it, so that they can still do what it takes in order to avoid the dreadful fate of a new banishment, which will meet those people who fail, who exist without faith in Me and who therefore have not used their life on earth to liberate themselves. Time after time I announce the end to people, and again and again I point out the signs which reveal the last days.... time after time I warn those people who carelessly and thoughtlessly live from day to day and through seers and prophets refer them to the near Judgment, for the day of the end was set from the start because I foresaw that a spiritual change for the better will not happen anymore and because people's low spiritual level requires an end.

And thus all references, all prophecies, concerning a near end should only ever be considered to be loving gestures of admonition and warning by which your God and Creator would still like to save you before it is too late.... I truly don't want your downfall, I want you to live forever and still obtain this life on earth. But you don't take any notice of what I let you know and have predicted since the beginning of the epoch.... You transfer all these announcements into the future and don't take into account that one day even the future will become the present.... And the time has come when My Word is fulfilling itself, when My plan of Salvation is being carried out.... And no matter how much you doubt when the near end is announced to you.... it will take you by surprise because the time has come to an end. Even if a thousand years are like a day before Me.... this day will also come to an end, just as the thousand years will pass by, and you are standing at the verge.... It is you who will experience the end if I don't recall one or the other of you prematurely for their own sake.... You should always bear the near end in mind, you should live as if every day is your last, as if you will have to justify yourselves the next day. And you will truly do well by turning your thoughts heavenwards, by considering the spiritual life more than the earthly one.... for then you will not need to dread an end either, you will calmly look ahead to whatever approaches you. But you will also believe that the end of this earth has come.... You will recognise the signs of the time and appeal to Me for strength.... and you will certainly be saved from ruin....

Amen

The last hours of the old earth

Hour of the end.... present.... seers and prophets....

B.D. No. 3407

January 16th 1945

The divine plan has been decided and unchangeable since eternity. For it has been thought out in unsurpassable wisdom and predetermined down to the smallest details. And this plan is by no means arbitrary, but it is based on the reclamation of the once fallen spiritual, and every event in the spiritual kingdom as well as on earth unfolds according to this. There are constant phases of development, periods of time of different lengths, which are granted for the recovery of the spiritual, which are therefore limited and the end of which has been determined by God since eternity. And God announces this sequence of developmental periods to people through seers and prophets, and indeed, He will always point out the end of such a period to them in order to spur them on to fulfil their purpose of earthly life. But He will never predict the appointed time to people, so that they must always and constantly reckon with living in the time which precedes the end. In the period of eternity there are always only short phases of development which are always replaced by a new one, and therefore the end can also always be described by God as imminent, even though the time appears long to people. And that is why predictions of this end have been sent to people by God at all times, and a long time has passed in the meantime, seen through human eyes and according to human time reckoning. Nevertheless, these predictions will also come true, the announced time will become present, the redemption period will enter its final phase, and people of the present day will experience what seers and prophets have foreseen since the beginning of a redemption period.... The end time will have dawned, the end will be near, there will be no long time left because the time set by God will have expired according to God's eternal purpose.... And now the prophetic words begin to take shape in that the earthly events seen by the seers become reality and people's spiritual low can also be recognized by this, which determines the end of a period of development. And therefore, in the last days the end will be announced to people ever more thoroughly and urgently, even though the day and the hour will still be kept secret because it is not suitable for the human soul when it is revealed to it. God knows the hour and He will keep it, as it is intended in His plan from eternity. And His word is to be fully believed, the hour will come as a surprise even to those who are initiated, who reckon with the near end.... For once it will become the present, because the word of God is truth. And that is why this hour is constantly referred to in the last days, because it comes like a thief in the night.... And it ends a long period of redemption and ushers in a new era.... The old earth will pass away and a new earth will arise, not only spiritually but also materially, because this has been determined since eternity....

Amen

From God is appointed the day of the end....

B.D. No. 6244

April 23rd 1955

In My eternal plan of salvation the day of the end of a redemptive era is also fixed, for I foresaw the spiritual development, I foresaw the standstill and the danger of the complete descent of the spiritual into the abyss, and I truly know how this danger can be stopped and the development continued.... I know when the time has come when a tremendous upheaval must take place, and I also know about the blessing of such an upheaval. Whatever happens in human existence is included and based on My plan of salvation, so that the day of the end could also be determined and will also be irrevocably observed.... Yet you humans do not know the day and hour of the end.... And it must also remain hidden from you for your own sake, but this does not exclude that everything will take place as

I have deemed it beneficial from eternity.... And you humans would do well to unconditionally believe in the end predicted to you and to prepare yourselves for it, for this will only be to your benefit. The entire spiritual world is active to awaken the right realization in you humans; it constantly endeavours to direct your thoughts towards the inevitable end and also influences you in every possible way.... Thus everything is truly done to make you aware of the transience of earthly things and also to make your own life seem unsecured by calling many people away from the midst of life. The end of the world is being preached everywhere.... The thoughts of all people are influenced, yet always without coercion.... and therefore often without results.... But no matter how you humans behave, no matter how you relate to Me or to the word presented to you.... you do not determine My will by your behaviour, you do not stop the end, rather you always give more cause for the fulfilment of what is foretold by seers and prophets.... For **you** do not change and therefore **I Myself** must bring about the change.... as I foresaw it from eternity. But until the end you will be admonished and warned, until the end you will be given the opportunity to change your will.... But until the end world events will take place in such a way that they will not force you to change your will. And therefore everything will take its course, people will eagerly endeavour to secure their well-being, they will make great plans, want to carry out great undertakings, they will undertake much that promises worldly advantage, they will live and enjoy, unaware of what lies ahead of them.... And I will let them do as they please because I don't want to exert any coercion, only I will address people again and again and hold it against them what awaits them.... I will address all people through My servants on earth and again and again announce to them the forthcoming judgment, i.e. the transformation of the earthly works of creation, which has the purpose that everything of a spiritual nature will be placed into the form it deserves. I will not stop proclaiming this until the day when My words will be fulfilled.... And this day is close at hand for all of you.... Believe My words and prepare yourselves, for there is only a short time left to you.... use it and change before it is too late....

Amen

The earth's last hour....

B.D. No. 8071

January 2nd 1962

And the last hour of the world's clock comes constantly closer.... These Words don't mean much to you humans for you don't believe that you are so close to the end.... And for your sake I cannot give you compelling evidence of this for your fear would render you incapable of fulfilling your earthly task. And thus you may or may not believe it, and your nature will be in accordance with this unbelief when the hour has come. For My plan has been determined for eternity, and profound love for My living creations made Me decide on this plan in all wisdom and will also determine Me to bring it to fruition because the time is fulfilled. My Nature is forever unchanging, and what I once foresaw as being necessary and successful for the beings which are still separated from Me I will also carry out and not allow people to make Me change My plan, since it was based on humanity's will which I have eternally foreseen as no longer capable of change on this earth. I do not plan and act arbitrarily but immeasurable love and wisdom determine Me in everything that happens. Hence there is no reason why I should refrain from implementing My eternal plan of Salvation, for I can see every situation clearly and therefore know that nothing will be gained by changing or deferring My plan of Salvation.

You humans must bear in mind that you truly have had enough time at your disposal and yet those of you who do not believe in Me have not changed.Even if you had far more time at your disposal you would still not change, hence a postponement of the end would be completely ineffective and pointless and would even put My Own at risk of falling prey to My adversary as well if I do not constrain him as it is intended.... You really ought to grant Me supreme wisdom and profoundest love, then you will no longer appeal to Me for preventing the end of this earth, then you will expect the coming time with complete trust in My love which shall protect everyone who wants to belong to Me and which will truly also use its might when My Own need help in any adversity. Even if you humans don't want to believe that your time is nearing its end you should at least consider the possibility that

you suddenly will be recalled from earth; for you know that you cannot prolong your own life and that you don't know when your last day will come. Just consider that you cannot stop death and think what will happen to your soul, which is immortal, which is your real Self whose fate you decide yourself during your earthly life.... But you do not even believe in your soul's continuing existence, and as a result of your unbelief you are in serious trouble for it will not stop Me from carrying out what is proclaimed in Word and Scripture.... For the time is fulfilled and everyday is still a blessing which you can use if only you are of good will.

However, don't put your hope in false prophets who deny an end, who believe that they can change My mind, for they do not speak in My name but are the instruments of the one who wants to keep you in spiritual darkness and who therefore wants people to believe that they have unlimited time.... People would rather believe these false prophets and only ever seek fulfilment by enjoying a good life but fail to consider their souls whose existence they doubt or deny. And it will come to pass as it was foretold.... I Myself will come in the clouds in order to fetch My Own before the work of destruction of the old earth begins.... Not one stone will remain on the other, for the earth will have to be renewed. A new earth will arise, a paradise-like creation which will accept all immature spiritual beings again which were released at the destruction of the old earth and require new forms once more in order to continue to mature fully. And this new earth will be inhabited by those who had remained true to Me until the end.... For they will have reached the degree of maturity which allows them to enter the sphere of light and therefore they will also be allowed to inhabit the paradise which will truly be the same state of beatitude for them as if they had entered My spiritual kingdom without their physical shell. Yet they shall serve Me as the root of the new human race....

A new period of Salvation can only start with spiritually mature human beings who will also help all still constrained spirits within their environment to speedily achieve maturity, who have such a heartfelt bond with Me that they will also teach love to their children and children's children and bear witness to their God and Creator's glory, and thus the release from the form can progress quickly because I will dwell amongst them in the living Jesus.... Because all people who will then inhabit the new earth will also entrust themselves to their divine Saviour and Redeemer Jesus Christ and in awareness of the original sin also consciously take the path to Him and therefore all resistance will have been broken, for then every person will consciously take the path of return to Me so that I Myself can be present to him since his great love for Me will allow it. Hence this will be the thousand-year kingdom in which the victory over Satan will be evident, for he cannot and will not oppress anyone anymore since all have entirely freed themselves from him and achieved the return to Me, leaving him unable to enter My kingdom until even this blissful time will gradually change again.... until people once again show an inclination towards matter and thereby release the chains of My adversary.... who is lord over matter.... and his influence markedly manifests itself again.... Yet before this time comes to pass many souls will have entered My kingdom in a completely redeemed state.... I will have been able to reap a good harvest, and then the battle with My adversary for the souls will start again.... Yet I will be victorious and time and again wrest souls from him and reduce his follows who represent his power. And time and again he will contribute towards the fact that the redemption of the fallen spiritual will continue. For I will never surrender what is Mine, even if it takes eternities.... one day it will return to Me and then remain united with Me forever....

Amen

The emergence of the new earth

Duration of shaping the new Earth Paradise

B.D. No. 3595

November 5th 1945

The time it will take to shape the new Earth would astonish people if they knew about it. Yet their concept of time will have been taken from them while they stay away from Earth in the kingdom to which God's love will lead His faithful followers in order to complete the act of destruction of the old Earth. They will live in bliss and peace, no longer being subjected to the enemy of their body and soul, they completely hand themselves over to God's reign because their love and faith is so deep that they will be in heartfelt contact with God. And thus God proceeds with His work of shaping a new Earth which is to serve God's faithful followers as an abode. He will not need the time which any other earthly creation usually requires; instead, He creates new forms which are to shelter the still immature spiritual substances for the purpose of their higher development in an instant. And, since the people will have lost all sense of time during their rapture from the old Earth until their return to the new Earth, they will certainly be able to appreciate the marvellous creations but not the great miracle of their sudden emergence. Countless creations will arise in an instant from God's love and strength which will delight the human eye and exponentially increase their love and gratitude towards God. Then people will start a new life which will completely deviate from their life on the old Earth, for there will be profound peace on earth, people will live together in love and harmony, each one helping the other with love, and all people's eyes and thoughts will be turned upwards, for they are in heartfelt contact with God, God Himself will dwell in their midst, teaching them and distributing spiritual wealth and they will glorify and praise Him without end. And so only short periods of time, judged by human standards, will be enough to result in a complete change, and the people of this earth will have the opportunity to marvel at the new creations and compare them with the old ones. These will be the people who possess the knowledge of God's Word and who are therefore also acquainted with God's plan of salvation for the spiritual beings. They will consciously expect the Day of Judgment, the rapture and the destruction of the old Earth, yet prior to this they will go through anxious times of adversity in order to then be allowed to populate the new Earth as victors, as God has promised. Therefore people should be informed in order to offer them the opportunity to pay attention to the progression of world events and thereby recognise that the time of the end has come, so that they will endeavour to belong to those who will not perish with the old Earth but, as God's faithful confessors, may find His love and grace and be permitted to start the paradise-like life on the new Earth instead People ought to know what time they live in. Nevertheless, the knowledge conveyed to them does not oblige them to believe They are at liberty to form a mental opinion about it, yet it is one more opportunity to find God and to ensure the soul's life. For everything will come to pass as God proclaimed a long time before, because His Word is and will remain truth for all eternity.

Amen

Develop of the new earth at the moment....

B.D. No. 3990

March 4th 1947

The destruction of the old earth is followed by the construction of a new earth.... This has been planned since eternity, and God's will and power will be active for a work of the most meaningful and purposeful kind. New creations will delight people who are honoured to enliven the new earth. And these creations will come into being in an instant.... yet not before the eyes of people who still dwell in the place of peace where they will be raptured to before the downfall of the old earth. They

will indeed see the old earth perish, they will see the work of destruction which they themselves escaped through God's great love, but they will not see the emergence of the new earth but will be brought to it after the completion of a work which reveals God's great power and glory. And God accomplishes the miraculous work at the moment, His will lets His thoughts and ideas become form, for the slow course of development, which was observed during the creation of the old earth, has now become unnecessary because the spiritual, which is to enliven the new creation, has already covered this slow path of development, because this course has been interrupted and thus now only works of creation are necessary which receive the spiritual awaiting its further development, which happens at the moment of creation. The spiritual, which as a human being did not pass the last test of earthly life, is banished anew in solid matter, which, however, is also assembled differently than on the old earth insofar as that it has new substances which are completely unknown to people, which are in themselves difficult to dissolve but which will serve people for their benefit in a way they will soon understand, and thus the spiritual is allowed to serve in it, as well as matter fulfils its serving purpose, which, however, again depends on the will of the spiritual. The other creations are also inconceivable to people of the old earth and therefore they will cause unspeakable rejoicing because they delight the eye and the heart due to their beauty and purpose. All spiritual substances which have become free will take abode in these new creations and now be able to continue the interrupted development, for the people of the new earth will immediately realize the purpose of every work of creation since they have a high degree of maturity and will, as it were, also be instructed by God Himself through the voice of the spirit in the application of these works of creation in their daily life. It will be a life of joy and peace in God, for the new creations contribute considerably to people's love for Him increasing considerably and their complete absorption in His will. Nor will they need to suffer any hardship, for God cares for them fatherly and provides for them bodily and spiritually in abundance. The concept of time for the length of their being far away from the old earth has been taken away from them so that they do not know and cannot fathom the period of time in which the reorganization of the earth took place... They continue their life as they led it on the place of peace after the rapture, they are in constant activity and in constant working in love, they are intimately united with God and know no other will than His.... they live in a paradisiacal state of bliss and peace, and thus a new era of redemption begins again with spiritually mature people who are no longer harassed by the enemy of their souls and can therefore travel the path of ascent unhindered, who still shape themselves into purest beings of light on earth and find complete union with God.... who are therefore true children of God and can enjoy all the bliss of God's nearness already on earth....

Amen

Experiencing the downfall as if in a dream state.... memory, new earth....

B.D. No. 4644

May 19th 1949

As in a dream state you will experience the downfall of the old earth after your rapture, thus you will see the work of destruction and also be able to comprehend its extent, yet you will remain unburdened by it yourselves so that you no longer take anything heavy from the old earth into the kingdom of peace, which is now your abode until you are transferred back again to the newly formed earth where a new life begins for you in constant contact with Me. Nevertheless, you had to witness the downfall of the old earth, because the knowledge of it shall remain with you for the instruction of your children and your children's children. You should keep the memory of the old earth with its creations, with its spiritual state amongst people, with the sinfulness, the battle of faith and the end, so that the new generation will also take note of it and the knowledge of it will influence their attitude towards Me, as it shall also serve in later times to warn and admonish people of a spiritual decline which would inevitably result in this effect again. On the new earth nothing will remind people of the old creations anymore, and it will mean miracle upon miracle for the inhabitants of the new earth to compare the new creations with the old ones, and there will be no end to bliss. And in a dreamlike way the old earth with all its experiences will appear before their eyes at the end and yet will not leave

their memory because it is good for people to remain in this memory. What still seems completely impossible to people today will have to be experienced by those who are faithfully devoted to Me, and the fact that they withstand this last great adversity will earn them a state of bliss in the paradise of the new earth, which is why they will only live through the last horrors as if in a dream, because otherwise it would not be bearable for them after the time of suffering which the battle of faith means for them in the end. But those whose faith is strong are kept upright by the hope of My coming, of the rapture and the paradise of the new earth, and I will not let this faith be destroyed.... I truly prepare a fate for them which fully compensates them for all suffering, for I Myself am among them with My love and grace....

Amen

About the Last Judgment and the new earth....

B.D. No. 7425

October 9th 1959

You cannot truly imagine in what way the Last Judgment will proceed; suffice it to know, that it is only a short action where everything will fall prey to its huge power of destruction, and that you will then have no more time to change your thoughts and intentions, because everything will happen rapidly and leave you no time to think.... You will be judged at a moment's notice, i.e. whether you will enter into life or death within a very short time.... Those of you who remain loyal to Me until the end will be carried away, the others will be devoured by the earth, which denotes their souls' new banishment into hard matter. Only people who still have a small glimmer of faith in God will have the strength to call upon Me in the last moment and still be saved by being spared the fate of a new banishment, albeit they will not belong to the flock of the raptured. Nevertheless, their share will be an easier fate, since they will be granted another embodiment as human being in which they should and will be able to prove themselves because the time on the new earth will be free from the adversary's temptations, who will be constrained for a long time, as it is written....

And that is an exceptional act of grace which, however, will only be taken up by a few, for humanity is completely subject to My adversary at the end, and a person will only seldom detach himself from his restraints in view of the Last Judgment.... which will be dreadful. For all human beings face an appalling physical death, yet before they can spend much thought on it, it has already happened.... And My Own will witness this event, because I want them to get to know My might and glory, My righteousness and My wrath towards the sinners and testify to it as long as they live. For they will become the root of the human race on the new earth.... The event of the rapture is equally unimaginable because it happens in a way that defies all laws, and never before has it been experienced on earth that human beings were lifted up and taken away in their living bodies.... that I move them unharmed into a divinely beautiful region, from where they will then be brought back to the new earth, as soon as it is created in accordance with My Will.

I will not require time for this, because all spiritual substances are just waiting to be placed into works of creation which correspond to their degree of maturity in order to continue their path of development.... Human eyes do not see the act of creating the new earth, therefore it is not necessary to observe a specific duration of time for the sake of people.... And the people who are raptured lack all sense of time, so that they are unable to ascertain what time it takes to create the new earth.... Yet My might is unlimited and will reveal itself in the formation of the new earth, for this will show new creations which you humans cannot imagine but which will highly delight you, who may experience this earth.... It is truly a paradise on earth.... For My Own remained loyal to Me during the battle of faith and shall receive their reward for their loyalty.... All human beings could experience this happiness if only you would use the short time until the end well. But you do not believe and don't do anything to improve your soul's maturity, and therefore everyone will receive the reward he deserves.... a blissfully happy life in the paradise of the new earth or new banishment in the creations

therein, so that after an infinitely long time you may once again live as a human being on earth for the purpose of a final test....

Amen

Life in the paradise of the new earth

New wonders of creation on the new earth.... Brittle matter....

B.D. No. 3264

September 22nd 1944

Throughout every single phase of development the spiritual substance is kept in a constrained state until it has acquired the necessary maturity for its final embodiment as a human being, hence.... if it failed its previous phase of development as a human being it has to start in the confines of hard matter again and cover the path through the mineral, plant and animal world until it can become a human being once more. However, spiritual substance which has not reached the final stage in this period, but is nevertheless released by God due to the last destruction of earth, will be bound in outer forms which correspond to its maturity again, i.e. the interrupted process of development of the past period will continue in the new phase of development.... on the new earth.... For this reason the new earth will contain the most diverse creations again, however, they will be entirely new and different forms from those on the old earth. And thus new wonders of creation will come into being which the first people living on the new earth will undeniably acknowledge as miraculous, as a testimony of God's glory, as evidence of His love, omnipotence and wisdom. People will be extremely amazed at what the new earth has to offer and in admiration will praise God, love Him and give thanks to Him with all their heart. And the souls will continue with their development....

But the substance constrained in solid matter is tormented by its restriction and tries to escape. Depending on the resistance of its will it shall either succeed or fail, but God takes the will of the substance into account and thus the material of the new earth is of utmost solidity and stability in order to soften the inherent spirit's will that it should finally surrender its resistance. Consequently, the slightest change of will shall loosen the form.... in earthly terms this means that although the solid matter of the new earth is indeed exceptionally hard it is also very brittle and thus can easily break or shatter as soon as God's will intends a release from this captivity. Similarly, other creations will also have a shorter lifespan, because the transformation of the spirit substance shall proceed at a faster rate, which can indeed be possible but nevertheless depends on the spirits' willingness to serve. The spiritual substance is merely intended to achieve its final embodiment as a human being faster than in previous phases of development as long as its will is not entirely opposed to God. For this reason the first human beings on the new earth shall experience miracles upon miracles, they will be so affected by them that their love for God and their unity with Him will grow ever more and they will live in His grace, but they will also understand these miracles, they know that they are only the expression of God's infinite love Who wants to retrieve all spirit and offers it every opportunity to change its will.

And this shall continue for a long time until the initially constrained spirit substance within the plant and animal world has reached the stage of embodiment as a human being.... Then people's understanding for the wonders of divine creation will gradually fade, the inclination towards matter will be awakened again and, due to their own longing for possessions which still contain immature spiritual substances, Satan's influence on people becomes stronger again. Subsequently, the unity with God will diminish and the battle between light and darkness, which in the beginning had disappeared because everything living on earth of its own free will was enlightened, will increase again.... For the evolutionary process of the spiritual substance is always the same during every period.... the spirit has to live within the hard form until it is willing to walk the path of service through the creations, which amounts to less constraint, and then it has to serve until it has achieved a certain degree of maturity which results in a condition where it should serve of its own free will but, unlike during the previous stages, it is no longer forced to do so. And at this stage it should not fail otherwise the whole earlier process of development has been in vain. The human being's volition determines whether this will be

his last earthly embodiment or whether he has to repeat the evolutionary process, whether he will turn towards the light in the last stage or allow himself to be captured by dark forces and has to be banished again into hard matter for ages to come....

Amen

Passing on the divine Word to the new earth....

B.D. No. 4054

June 2nd 1947

Just a small flock will await My coming before Judgment Day; there will only be a few people whom I can call My Own, who remain strong in faith and confess Me before the world, and who will therefore be persecuted in every way and would have to fear for their lives if they had no spiritual vision and were not spiritually minded. But this small congregation will know about the end, it will expect Me with profound faith and therefore will devotedly endure the extreme time of hardship. It will confess Jesus as Son of God before the world and thus I will lift them up to Me and provide them with a heavenly place to stay until they may return to the restructured earth.... This small flock has the task to pass My Word on to their descendants, so that it will be offered again just as unadulterated as I conveyed it to people and remain the fundamental teaching of Christianity on the new earth. For I will continue to take care of My Own, which include all who accept My will, who aspire to reach Me and therefore act with love, since their desire for Me is already a manifestation of their feeling of love which also expresses itself towards their neighbour. Thus they will fulfil My commandments, and they will also receive My Word from Me, either directly or indirectly.

My Word comprises the teaching that Jesus Christ preached on earth because He was permeated by My spirit of love, since the human being Jesus had already found union with Me on earth. And in order for people to achieve the complete union with Me on the new earth they have to be informed of Christ's teaching. Thus the pure truth, which is presently offered to you humans from the heavens, has to be taken along as My Word onto the new earth, where its utmost profoundness and wisdom will be recognised as a message from above, as a direct instruction from God. For that reason it will remain the fundamental teaching for a long time, until people become more materially minded again and make corrections and changes to My Word once again. This is already the next cause of digression from their knowledge and will darken their state of mind, which determines Me to send My Word to earth once more. But for the time being it will remain pure and reach many people. Every Word will be acknowledged as My gift and people will love and serve Me, they will love each other and be happy on earth. For they will live in constant contact with Me and are therefore also recipients of light and strength, because My proximity will result in making them strong and wise, as I promised....

Amen

Harmony on the new earth....

B.D. No. 5258

November 22nd 1951

The transient will cease to be, but the spiritual will leave the form that has kept it safe until now. And then the new embodiment of the spiritual takes place again in another form, depending on the state of maturity the spiritual has reached. The course of development of the spiritual in the preliminary stages continues, so that this spiritual is not particularly affected by the destruction or dissolution of earth, whereas everything that had reached the stage as a human being and does not belong to the raptured no longer progresses upwards in its development but falls deeply down.... It begins its upward development anew because it has totally failed in the end.... Therefore the new creation will be an exceedingly peaceful world, equally pleasing to human beings and animals, which is in fullest harmony with the divine principle, and every work of creation will praise and glorify God in its beauty and expediency, which will be felt exceedingly beneficially by human beings. There is, so to speak, nothing base, nothing that does **not** delight the human eye, everything is only joy-inducing,

everything is purposeful and created for people's comfort. But hard matter, in which the God-rebellious is banished, cannot yet influence people unfavourably because it is still in a state of new banishment, completely powerless and incapable of any activity. That is why it is now also a time of peace, because nothing is in opposition to each other, because everything moves in divine order again, because the still bound spiritual feels that it is progressing upwards, and because people are full of divine spirit, thus they know about everything, and this knowledge makes them happy and makes them the most peaceful inhabitants of the new earth. For they are in contact with God and their nature is therefore so permeated by love that they can only ever be good, which is also felt by the spiritual beings still below them, the animal and plant world, and the whole sphere of love is suitable for rapid ascent development.

As dreadfully as the earth will end it will begin again peacefully and harmoniously, and the earth's inhabitants will be granted a blissful fate as a reward for their loyalty to God and their steadfastness in faith. And God Himself will dwell like a father in the midst of His children, as He has promised....

Amen

Paradise of the new earth....

B.D. No. 6373

October 8th 1955

The earth will lose its old appearance, completely new creations will arise, extremely attractive regions will delight people who will enliven this new earth.... A new period of time will begin but under completely different conditions, because it is no longer necessary for creation to **develop slowly**.... because external forms only have to be produced again for the maturing spiritual substance which correspond to the degree of maturity.... but because all degrees of development already exist, thus creations of all kinds can be given to this spiritual substance as external cover. Therefore a long period of **creation** is no longer necessary but at the moment the new earth can be created.... that is, the surface of the previous earth.... can be reshaped. The lawfulness always observed by God will nevertheless not be overturned, for the people of the new earth do not know the time in which the new creation took place, even though the knowledge of it could no longer harm them, since they have recognized God's power and glory after what has gone before and are fully believing, so that even unusual activity on God's part does not mean a compulsion of faith for them. A completely new phase begins in the lives of these people who will be raptured at the end to be brought back to the new earth as a tribe of the new generation. They certainly feel on earth again, but their souls are already spiritualized to such an extent that the barriers in which people otherwise move on earth fall away. The spiritual kingdom is accessible to them insofar as they are in contact with the beings of the kingdom of light, that they can communicate with them unhindered, that they no longer have to suffer from earthly heaviness and that their life is only of service to the next generation which, although it also has a certain degree of maturity, is nevertheless already more connected with earth due to its spiritual ascent. There will be a state of peace and bliss on earth because evil will be silenced for a long time, because the originator of evil is bound and can no longer exert any influence on people and therefore a good harvest for the kingdom of light can be recorded for a long time.... where the complete redemption from the form is assured and thus God's adversary will also lose an immense amount of power because his followers will constantly decrease.... until one day he will free himself from the fetter again because people themselves will help him to do so.... because their will will turn more towards matter again, which means liberation for God's adversary.... But it will take a long time until this happens, because the world of light is infinitely capable of.... The direct contact with people on earth has the best influence on them, and people's will is always directed upwards, for the strength of love works so powerfully in them, love for God fills their being, and they only ever want, think and act in His will.... They are intimately united with Him through love and guide themselves as well as that which is bound in creation.... surrounding them.... to redemption.... The new earth will be a paradise such as you humans cannot imagine.... But blessed is he who may experience it.... Blessed is he who endures to the end, for he will be partaker of a life on earth in bliss....

New earth.... Romans 8...

B.D. No. 7520

February 11th 1960

No work of creation on this earth will escape the huge upheaval; it will involve everything from hard matter to the plant- and animal kingdom up to the human being.... Everything will be affected by a work of destruction the extent of which will surpass anything that has ever taken place on earth.... Everything will be consumed so that one can truly speak of a new earth after the work of transformation has been completed. Thus all banished spiritual substances will first be released from their material form; but they will not be able to enjoy their state of freedom for long since they will be bound again in new creations according to their respective degree of maturity. This is why the new creations can arise in a very short time and don't need a long process of development because the appropriately matured spiritual substances are already present and only require different forms so that the development can continue to progress on the new earth. And these new creations will be so diverse that it will truly lead to great spiritual advancement within far shorter time than on the old earth, for the spiritual substances will not be subjected to as much opposition as is the case in the last days during which evil forces noticeably exert their impeding influence everywhere.

And so the act of transformation will happen quickly but no human being will be conscious of it, for those who were raptured will be returned to the newly shaped earth but will be unable to estimate how long they had been absent from earth because they lacked all sense of time. But nothing will remain in its old form. And even the people themselves will not experience their earthly garment as burdensome.... to a certain extent they will already be enclosed by a more spiritualised form although it is still earthly-material substance, but they will experience no physical weaknesses and pain and will be able to live their life on the new earth in a state which truly can be called paradise. And this state will continue for as long as people live in close unity with God, for as long as they are in direct contact with the world of light and its occupants and completely live in accordance with God's will. In time, however, a change will take place again when the prince of darkness will gain control over people once more; but that will not happen for a long time since the first generations will still be very intimately united with God, Whose power and glory they were permitted to experience, so that they would remain faithful to Him and constantly live their lives in His love and grace.

As a result the influence of people on all creatures will be most favourable too; people's love will be felt by the spiritual substances in all works of creation and the more love they sense the faster they progress in their development and in this loving environment also abandon their inner resistance faster. It will gladly be of service and can often leave its form very quickly in order to occupy the next higher one, which considerably shortens the process of development compared to the previous period on the old earth. If only for the sake of this bound spiritual substance alone people should recognise God's love in the act of transformation, for not only the human being requires God' help but all creatures sigh for release.... The human being, however, has the opportunity to release himself from the form during his earthly life.... If he fails then it will be his own fault that he has misused his free will again and so he will also have to bear the consequences, for then he will only receive what he had aimed for himself during his earthly life.... since he only desired material things they will become his external shell....

Amen

State of paradise on the new earth....

B.D. No. 8352

December 10th 1962

I want to turn the earth into a place of peace again where love reigns supreme, where there is no hostility, where all created beings live together in harmony and happiness, where the radiance of

people's love will also beneficially touch all still constrained spiritual substances, where everyone makes an effort to help his fellow human being spiritually as well as earthly.... and where I Myself, the Eternal Love, will be able to dwell amongst people because nothing of a negative nature prevents Me from doing so.... It is My will that the earth will once again serve in helping the human race to attain utmost maturity, so that many people will be able to leave earth in a perfected state because they are closely united with Me and thus they will no longer be burdened by the effects of the past original sin, for they all will have been redeemed on earth through Jesus Christ already and therefore can be placed onto the new earth.... For their removal from the old earth prior to Judgment Day is evidence that they belong to Me, it is proof that they have found union with Me on the old earth.... that they are free of all vices and cravings which thus enabled Me to return them to the new earth....

And a new period of redemption will begin which will at first result in many human souls' maturity because My adversary will be bound and unable to oppress these souls and also because they voluntarily abandoned all resistance.... hence they had already become My Own and only live an earthly life for the sake of the succeeding generations, for they shall bear witness to My might and glory, they shall be able to speak from their own experience about the state of the old earth and also teach their descendants to love Me.... Their children and children's children will be imbued with love as well; their souls will not be far from their original state, for they were conceived in pure, unselfish love due to My adversary's lack of influence on the people who populate the new earth.... Love, however, is strength which can truly hasten the soul's maturing, it can also help the bound spiritual substances to leave their form and they, too, will relinquish their resistance and always move forward in their development according to My will....

This state will continue for a long time.... during which many of the fallen spirits will return to Me in a perfect state, during which I will gain many 'children' and My as well as their happiness will know no bounds, for I know that **all** fallen spirits will return to Me one day and that My eternal plan of Salvation will not be unsuccessful. And yet, even this state on the new earth will change again one day, for ever more souls will incarnate which had passed through the creations of the world and the inclination for material things will break through once more.... rarely at first but steadily increasing, and the desire for material goods will also loosen My adversary's chains, for people's free will is decisive and this can be influenced by My adversary again because the people themselves will no longer resist him. Yet time and again My love will also help these souls and the struggle for them will start anew, however, people's resolve itself will decide which lord shall be victorious. For the knowledge of Jesus Christ, the divine Redeemer, will also be imparted to these new generations.... Hence they will not be left helplessly at the mercy of My opponent and will also abandon their resistance sooner, because their faith in Me as God and Creator will still be strong enough and thus My influence through the voice of conscience will have an effect....

Nevertheless, it will no longer be the paradise-like life that it was in the beginning, people will go through inner conflicts, My adversary's temptations will not fail to materialise themselves and the struggle for existence, too, will get harder yet be easily endurable for those people who remain faithful to Me and foster the love within themselves.... And even then My messengers of light will help people, partly embodied as human beings, partly exerting a spiritual influence on those who entrust themselves to them and remain in constant contact with Me. And as long as love reigns My influence on people will be strong and no regression into the abyss will have to be feared.... for My adversary fights against love in vain....

Amen

The little flock as a witness on the new earth

Small flock at the end.... gap widens.... God's help....

B.D. No. 4955

August 24th 1950

The gulf will become ever wider between My own and satan's children, for people are increasingly distancing themselves from Me and turning to the one who is the master of matter insofar as it still harbours the spiritual, which is completely of its own mind, i.e. of a will turned away from Me. Therefore you, who strive spiritually and turn your thoughts and aspirations towards Me, will always stand more and more isolated in the midst of the world, you will be shunned by the children of the world or scorned and ridiculed by your fellow human beings who have already become devils and are devoid of all love and faith. But then you will also realize that the end is not far away, for I have foretold you that in the end there will only be a small flock which is Mine, which recognizes its shepherd in Me and respects My voice. But the majority no longer know Me, yet not without fault, for My love also wooed them, yet they did not accept My love, they strove ever further away from Me and fell into deepest night because they shied away from the light which I offered them in My love. In the world, however, only will-o'-the-wisps shine and they chase after their appearance and splendour, they do what the prince of the world commands them, they strive for earthly possessions and seek fulfilment in the pleasures of the world, they only think of physical comfort but not of their soul. Again and again I step into the path of the individual, again and again narrow paths branch off from the broad path, paths that are difficult to pass, where I stand and try to pull them over from the path that leads to ruin. But they walk past Me with their eyes turned away, they do not see because they do not want to see.... But if they meet a messenger from Me they blaspheme and try to harm him wherever they can, driven by My adversary to whom they are in bondage through their will. My gift of grace is not appreciated and you, My servants on earth, will stand alone the closer it gets to the end. But you need not fear anything because I am always with you and therefore you will never be lonely. You will certainly stand alone amongst unbelievers but My own will recognize each other and stick together and draw comfort and strength from My word. And this word of Mine will compensate them for everything they have to do without. Those who are in bondage to My adversary are earthly well provided for, they lack nothing. And therefore they look down on the meagre, needy people and are without mercy. Yet My love does not abandon My own, even though earthly hardship approaches them in an unusual way. My own can be recognized by the fact that they certainly live in physical adversity but their souls are free from fear because they recognize Me as their father and are certain of My care. And thus they will often be strengthened and comforted by their fellow human beings; yet My help will also be obvious, just as satan is obviously effective. The separation will always be more and more accomplished the closer the end is, and the two camps will wage a battle with each other, the children of satan in hatred and unkindness, My own, on the other hand, still want to convert them and try to win them over for Me and My kingdom in love. But the gulf will widen until it has become unbridgeable, until the last end comes, the Day of Judgment, when the goats will be separated from the sheep and both will receive punishment or reward according to merit. For he who is not for Me is against Me, he who does not gather scatters.... He who believes in Me also confesses Me before the world.... but he who does not confess Me belongs to My adversary, and he will also share his fate, he will be condemned on the Day of Judgment, when My justice will speak, because the time is fulfilled....

Amen

Translation handled by Doris Boekers

You all shall be witnesses of My power and glory, you shall live to see My return, partly in spirit and partly in the flesh, for the time is coming to an end and it will come to pass as I have always and constantly proclaimed. You shall experience My return and bear witness of it in the paradise of the new earth.... For I will move those who remain faithful to Me onto the new earth, where they shall also proclaim My Word as they do now on My instruction.... I know who is suitable to do so and know full well how to protect My servants from the destruction, I will endow My disciples of the last days with extraordinary strength to enable them to successfully attend to their office, so that they will courageously fight all those who are hostile to Me and who also extend their hatred to My Own. And not one of them will pass away from earth until his mission has been accomplished. The last on this earth, however, shall be the first on the new earth, where their task will be the same.... To proclaim My Word, albeit in a different manner, for it will be gladly and longingly accepted, it will be recognised for what it is.... as the Father's evidence of love, Who wants to give pleasure to His children.

They will all recognise My voice when I speak through you to people. For they will have all passed their ordeal on this earth and remained faithful to Me. Hence their reward will also be substantial and pleasing, a harmonious life in the paradise of the new earth, which no person can yet imagine but which is granted to them so that My might and glory will manifest itself. And I Myself will be in the midst of them.... I will come in the clouds to bring them home and stay with them, because due to their demonstrated loyalty during the last battle of faith they will have become My children. For they will fearlessly confess Me, they will testify of Me without having seen Me. For this reason they will also be allowed to see Me in full glory before the very end. And what I proclaim will fulfil itself.... I will return, and you will live to see it....

You do not yet believe that the time is so close at hand, that you will have to experience the horrors of the last days, and that this earth will be destroyed with My permission. You do not yet believe that the proclamations by seers and prophets concern the present time and that you humans of this time will experience significant things which no person can imagine, for this earth has never yet exhibited such. But humanity will soon watch the events with horror and bewilderment which will make an early disintegration of earth believable, and then it will rapidly progress towards the ultimate end. Yet My chosen people will survive the time because it is My will, and because even this time shall have its witnesses who will be selected to speak of it, so that My might and glory will become evident amongst the human generation's descendants on the new earth. For it will have to be preserved as tradition for the descendants, because even then a time will come again when sin will be prevalent and I will be ignored. Then their testimony shall warn and remind people what fate will await those who completely forget about Me.... Then they shall be told about the downfall of the old earth and the Last Judgment which decided over life and death, over happiness and damnation....

Amen

Witnesses to the end on the new earth for descendants....

B.D. No. 5743
August 9th 1953

You shall be My witnesses on the new earth, you shall give evidence of Me and My glory, of My might and love, for you will experience all these at the end of this earth.... you will see Me coming in the clouds in radiant brilliance of My splendour.... you will feel My love when I save you from utmost hardship, when I remove you before your fellow human beings' eyes who, with a truly satanic mind, have every intention to kill you. You shall experience the evidence of My power, because the last work of destruction on this earth will take place before your eyes. And thus you will enter the kingdom of peace with an experience which you are meant to remember in order to bear witness to future generations, to people who will only receive knowledge about the events on the old

earth on account of your information, so that they, in turn, will pass it on again and thereby uphold the knowledge on the new earth for a long time. You shall bear witness to Me and My glory....

A devout generation, faithfully devoted to Me, will indeed populate the new earth, who will not doubt My strength and might, My love and perfection. And as long as I Myself can dwell amongst them because their faith and love for Me allows for it, it will not be necessary for you to testify of your experience.... But as soon as new generations come forth from them they will have to be given the knowledge again and the end process of the old earth has to be particularly emphasised, so that these new generations will also intimately unite with Me in order to be and remain My children.... The living testimony will have a remarkable effect on their hearts, and they too shall proclaim in future times what they received from you.... Then faith and love for Me will be upheld for a long time, for a long time the human generation will live in peace and unity, in harmony with the Infinite, in constant contact with Me, and My spirit will be able to flow into their hearts, they will be able to hear My Word and be blissfully happy.

And yet, even this situation will change. At first the influence of adverse powers will be only slightly noticeable and then gradually get ever stronger.... For the constrained spiritual substances in creation will arrive at the stage of embodiment as human beings once more, and these will have developed in different ways, so tendencies and instincts will surface in their human state which require more changes, which will still betray a tiny resistance to Me, and therefore human beings who need special, more effective methods of education.... will live on earth again. And then it will be necessary to inform them about what effect a way of life in opposition to Me will have. Then the battle between light and darkness will start anew, for the desire for matter will start to grow stronger in people's hearts again, they will no longer be able to hear My Word directly, and messengers of My Word will speak to them on My behalf. And for the sake of a living message, testimony shall also be given of the end of the old and the beginning of the new earth....

And therefore, those of you humans of earth who will experience the end, who will remain faithful to Me until the end, will also have a task on the new earth.... to make sure that the knowledge is preserved, that the following generation will be able to keep these events in mind, that it will be inspired to remain in My will, that it will let Me come alive within its heart and always endeavour to reach Me....

Amen

World renewal.... "No stone will be left unturned...."

B.D. No. 3330

November 14th 1944

The renewal of the world can only begin when the old world is completely destroyed, and thus the word will also be fulfilled: "Not one stone will be left upon another." This is to be understood spiritually and earthly, a total spiritual upheaval will take place, and therefore a spiritual disruption, a state of dissolution, must also occur first, just as nothing will remain in existence earthly which was before. And both will be accomplished by human will itself. Earthly creations will be destroyed by human will, earthly institutions and circumstances will be untenable and thus many earthly changes will be made which will finally have the effect of the dissolution of matter. And this dissolution will also be observed spiritually, for initially all schools of thought will go against each other, one will be opposed by the other, the earthly authorities will take action against each one, and finally the battle of faith will break out which wants to make all spiritual striving impossible.... People want to eradicate all faith in something imperishable, spiritual and in a higher power.... And God also allows this, because all this must precede the spiritual change, because something new is to emerge from the chaos, something pure, purified, strong spiritual, and this requires the final destruction and dissolution of the old world.... Not one stone will be left upon another.... If the human being is attentive he recognizes the decay and therefore he also knows that the end is not far away. And even if everything threatens to sink into spiritual and earthly chaos, the human being should save himself from it, he

should stand firm and not let this decay spread to himself. And even if everything around him sinks, he should keep his head above water; he should always stretch out his hands upwards, he should let himself be drawn by divine fatherly love so that he will not sink when everything sinks.... He should want from the bottom of his heart to experience the new world, to emerge unscathed from the spiritual and earthly chaos, healthy in his soul and full of hope for a new time which is spiritually and earthly peaceful, because God Himself is close to the people who survive this last time of dissolution.... For the evil will perish, it will no longer be able to rage on earth and thus will also no longer afflict people who are united with God through love.... And therefore the world will renew itself, it will no longer be the old earth, for not one stone will remain upon another, and the old earth must undergo this process of transformation, it must become a new earth, also purely materially, creations must pass away and new ones arise, because the spiritual renewal also necessitates a renewal of earthly creations at the same time.... nothing can remain as it was before because a new purpose is assigned to the creations and therefore the old creation has to completely dissolve according to God's eternal plan of salvation.... Everything will be changed but will not perish eternally, it will take on a different form because the old form no longer fulfils its purpose.... And this has to happen because it has been determined since eternity.... and because humanity's will has reached a point where it is far more destructive than constructive, and this is a violation of divine order. Therefore this must have such an effect that earthly and spiritual chaos arises, and this is the end of the old earth.... But out of this comes a new world.... a world of peace, a spiritual and earthly paradise.... in which love reigns, because the eternal love Itself dwells amongst people who remained faithful to It even in the most difficult battle....

Amen

Spiritual turn....

B.D. No. 7616

June 5th 1960

The spiritual turning point can soon be expected but no longer on this earth. Individual souls can certainly still be saved, they can be induced to leave My adversary's camp and cross over into My camp, but they will only ever be a few for whose sake I will also delay the end, even though the spiritual low has already occurred which justifies the end of the old earth. But I have fixed the day and therefore I will not accomplish the work of transformation of the old earth an hour earlier than it has been planned since eternity.... And with the end of the old earth a new time also dawns.... Then the spiritual turning point will have occurred and everything will again move in the righteous order which corresponds to My law. And all people will then also be spirit-filled, for the inhabitants of the new earth will then be in a state of maturity that My spirit can constantly overflow into their hearts. They live in and with Me, I Myself can instruct them, I can speak to them, I am in the midst of My children and all live a right and righteous life in paradise on the new earth.... This spiritual turning point is imminent.... Even if I still delay, but the time has approached, and the time limit is only short until the appointed day. But you still have a time limit, and you should make good use of it, for no matter how short it is, every individual can still achieve spiritual progress, and every individual can prepare himself to belong to those who may live the paradisiacal life on the new earth, as I have promised you. You should know that every day you work with love will bring you unimagined wealth; you should know that I accept everyone who calls upon Me and also grant him the strength to accomplish the work of transformation in himself.... And you should believe that you are close to the end of the old earth, that the day will come sooner than you think. And according to these words you should now live, i.e. shape your being into love, and you will have done everything and can then look forward to the end with great peace of mind.... Just let love flare up in you and know that you thereby unite with Me and that you can never ever get lost in your connection with Me. Make the spiritual change in yourselves before the end, turn back on the path you are now walking on.... if you have not yet taken the spiritual path. Let yourselves be called by Me and reminded to remember the end, and then eagerly start working on your soul.... Connect yourselves with Me in thought and don't sever this bond, for

then you will be saved, even if the end comes suddenly and unexpectedly, if you are called away beforehand or even if you still experience the day itself.... But then you can no longer get lost, you will have taken the path home into the father's house, and you will reach your aim on earth or in the kingdom of the beyond if you have to leave earth first. But **change yourselves and your nature into love....** I urgently call upon you who have not yet seriously thought about your purpose on earth, who walk your earthly path without Me and are therefore in greatest danger of losing yourselves completely to My adversary. There is still a short period of time, words of love still sound to you again and again which admonish and warn you.... But it will soon be over, and then irrevocable judgment will come, irrevocable the last day will come and the responsibility for each one of you. For I restore the order which is law from eternity, and that also means the end of the old earth, the end of a redemption period and the beginning of a new one.... It means an earthly and a spiritual turning point.... a new earth and a new heaven will arise, as it is proclaimed in word and scripture....

Amen
