Truthful knowledge of redemptive work....

B.D. No. 8256

August 29th 1962

As soon as Jesus Christ's act of salvation is explained to you correctly, i.e. **truthfully**, you will no longer persist in your will of rejection which all those people oppose **the** knowledge they are given about it by human beings. First people have to know **why** Jesus' act of salvation was necessary, what motivated Jesus, the human being, to walk a path of suffering on earth which required supernatural strength. They need to know what Jesus wanted to redeem people from.... For the human being is not aware of such great guilt, although his way of life on earth cannot always be called good. But he will only regard the events surrounding Jesus, as they are described to him, as a legend, he lacks understanding precisely because he does not know about the **spiritual** motives. He knows nothing of his great original sin, and even those who teach him mostly know nothing of it and therefore cannot make their teachings credible to people. Although all people will know that 'sin' was the cause of Jesus' act of salvation, they will not be able to understand that a human being had to suffer so horribly for his fellow human beings, who therefore would have to pay off their guilt themselves if they had become guilty on earth.... But that it was an original sin, an offence so serious that people would never have been **able to** pay it off **themselves....** that it concerns the created beings' past apostasy from God and that this guilt was so great because it was committed in a state of brightest realization and was a direct rebellion against God is something people don't know, and therefore they don't want to acknowledge Jesus' act of salvation either. However, it can be easy for them if they are informed in absolute truth about the cause of the act of salvation and the mission which the man Jesus fulfilled with it.... if they are instructed about the process of the original spirits' apostasy from God and that people themselves are those fallen original spirits who are on the path of return to God but nevertheless cannot reach the goal **without** Jesus Christ.... and that Jesus therefore has to be acknowledged as the son of God and redeemer of the world.... They must know that **God Himself** accomplished the work of redemption in the man Jesus and how this incarnation of God is to be understood.... They are still in spiritual darkness and therefore cannot believe vividly, and the redemption through Jesus Christ is therefore not credible to them because they do not recognize its meaning and purpose, for only the pure truth gives them light about it, and in this pure truth they have not yet been instructed.... For even if people acknowledge Jesus Christ with their mouths and do not openly contradict when the redemption through Jesus is spoken of, this is nevertheless not living faith but only learned knowledge which they dare not contradict.... Yet they will profess Him with inner joy and also acknowledge God Himself in Him when the pure truth is presented to them, which presupposes an introduction into God's plan of salvation, the imparting of knowledge which can only be given to people by God Himself through His spirit. For only He knows everything, only He is aware of the spiritual processes which took place in His kingdom. Only He knows what underlay both the apostasy from Him as well as Jesus' act of salvation, and only He can introduce people to the truth, and He also does it, as He Himself promised when He walked the earth in Jesus. And truthful knowledge will also give people a bright light. And they will now voluntarily and consciously take their path to the cross, whereas previously they refused because they lacked full understanding.... The human being only needs to want to stand in truth, then it will also come to him, for God does not want darkness to dominate the human being, and therefore He will always kindle a bright light when such is desired. Only pure truth will ever emanate from God, and therefore **His word** must be listened to, and it will be easy for the person to believe who is of good will....

Amen

Translation handled by Doris Boekers

Original sin of the people and the way through creation

Question 'Why'.... (Anthroposophist Cologne).... Fall of the angels.... Sin....

B.D. No. 4551
January 28th 1949

It remains perpetually unfathomable for human beings what moves God to rule and work as He does, because human intellect cannot comprehend what motives form the basis for God's expression of strength; neither can it comprehend the interactions because it can only see and feel the result of what primordially had happened in the spiritual realm, in a world, of which all visible creations are mere weak reflections that cannot even comparatively be referred to and which were only created as a result of what had taken place a long time ago in the realm of God's created spirits. These were the purest expression of His strength, consequently they too were powerful and strong, they were of the highest perfection. God's creative will had transferred itself to His created beings too, with the result that all His thoughts urged to express themselves in them as well and therefore a creative will of unimaginable extent inspired these beings which now became active without restriction. In other words, new creations were produced which surpassed themselves; however, these new creations were always inspired beings and of greatest perfection too, therefore also cognitive and in possession of free will.

The first entity which came forth out of God outshone everything with its light and strength because it had developed from God Himself and found its bliss in the constant use of its unlimited strength. Its creations increased and its bliss grew immeasurably, God had imposed on it no limitations. However, He put it to the test because He wanted the entity to become aware of itself as the carrier of God's outgoing strength.... This test required that the entity.... Lucifer.... should depict God to his creations as their origin, in order that he too would continue to always consciously accept the strength, which enabled him to be creatively active, from God. Thus he was meant to acknowledge God as his Creator and source of strength and his bliss would be unlimited for all eternity. He was not put to the test merely for the sake of this acknowledgment but he was expected to make a decision of his own free will that was intended to elevate him from the perfectly created being to a perfect being of his own volition, so that he too could use his power and strength as a truly divine being within the will of God....

And he failed.... He did not want to be the recipient but the source of strength himself, and the amount of strength at his disposal seemed proof enough to him.... Therefore he volitionally separated himself from God, although a separation from Him was not possible since he couldn't exist without God. And since his will, with the use of God's strength, had created innumerable beings, he considered himself as their creator and of enormous strength and power; consequently he volitionally separated from God in arrogance and lust for power, thereby becoming sinful and pulling all of his creations into sin too. Although they themselves were still innocent they were completely under the influence of him who had given them life.

And these were now given the right of self-determination by God, they were permitted to see the light and in their perfection also recognised their origin, they could therefore also stay with God and participate in His glory. However, only few followed Him, that is, only few chose to stay with God of their own free will and, as His angels, were constantly with Him and worked for Him in the spiritual realm. The greater part, however, fell.... they followed their creator, freely chose to accept his will as their own and by doing so fell into a state of spiritual darkness.... His awareness was taken from him because the effect of the strength reduces as soon as the entity distances itself from God....

But everything was and is strength out of God which eternally cannot be lost and therefore must return to Him in a way that God's wisdom has judged to be effective. And this way is the progression

through the earthly physical creation, which God had brought into being for the purpose of leading the fallen spirit back to Him. The spirit moves through this creation with a bound will, that is, in a state of compulsion on the slow path of upward development until it reaches the stage when its free will is returned to it and it is once again confronted with the decision to choose the power it wants to adhere to.

The being is burdened with the sin of its past opposition to God but can release itself by using God's strength which it once had rejected; however, it has to acquire this through works of love and by consciously requesting it from God in prayer. It has to use its free will during its earthly life in the right manner.... it has to turn towards God again and acknowledge Him as eternal Father and Creator.... Then it returns once more to the state of light, it becomes a recipient of strength and can work again in accordance to its will which now is also God's will.... and it shall be able to create and shape for its own happiness and thus be eternally blessed....

Amen

Translation handled by Heidi Hanna

Hereditary sin....

B.D. No. 5967

May 29th 1954

Questions, which you would like to have answered, will have to arise in you time and again, then I can enlighten you as soon as you contact Me in heartfelt prayer and listen to what I say to you.... by regarding your emerging thoughts as My reply, if you are not addressed by Me **directly** through the voice of the spirit. Your desire and appeal to Me will ensure your correct thinking.... yet without Me you will not recognise the truth, without Me your endeavour for enlightenment will be futile, since without Me you will only have **misguided** thoughts which the powers from below will be able to convey to you.... precisely because you evade Me, Who is the provider of truth.... And thus listen to the following:

As long as you are not perfect you can only receive explanations in a **descriptive** manner.... You would never be able to understand the infinite profundity of divine wisdom, you would never understand the reasons for My reign and activity, since your imperfection also means inadequate power of perception, and thus you are unable to find an explanation by **virtue of your intelligence**.... but you will be able to receive it in a flash as soon as you are permeated by the light of My love in the spiritual kingdom. On earth you will need to receive descriptive clarification, the processes that took place in My creation can only be described to you in line with your ability of comprehension.... And thus the spiritual processes in the hearts of the first people can only be intelligibly explained to you along the lines of earthly processes which, however, are but a faint comparison.... simply because you are still weak in spirit yourselves.... You humans are constrained by laws of nature because total freedom, which you forfeited through your past apostasy, first has to be regained by you during your earthly life.... For **that** reason I imposed a limit on the first human beings' will because I first wanted them to realise that they were **subject** to a Power and that they should voluntarily submit to this Power.... in order to then have their final freedom bestowed onto them. In the past they refused to acknowledge Me, which was the first sin, their opposition to Me from Whom they had originated.... Only voluntary acknowledgment could cancel this sin again. And I wanted to obtain this acknowledgment of Myself when I brought the whole of creation into being. As a result, the first human beings were endowed such that they **could** in fact recognise Me but were not compelled to do so.... And therefore free will had to make a choice which, again, should be tested against 'temptation'....

People had to see something they desired, while a prohibition **and** an enticement **at the same time** had to prompt them into a decision of will.... but, understandably, the enticement had to be linked to a promise, which they were then supposed to resist.... The prohibition and the enticement ensued from two sides.... since they involved the return of the fallen spirits to Me and their stay with My adversary, i.e., My created spirits achievement of their goal or their fall into the abyss again.... Consequently, the

people had to have the desire within themselves and be offered the opportunity to satisfy this desire.... or to overcome it for the sake of a far higher goal: for eternal bliss with Me, which surpassed this earthly fulfilment of desire a thousand fold. Since regaining the deserted spiritual beings was a battle between Me and My adversary he also had to have the opportunity to influence these beings' will.... only that he feigned illusive values and illusive happiness so that people should forfeit true happiness and a blissful life in eternity.... I knew of this temptation and therefore gave the first people a commandment with a simultaneous warning of eternal death.... This warning should have sufficed in stifling every desire in the people in order not to die.... And My adversary convinced them of the **contrary**.... he promised them **life**.... But they **recognised Me** as the supreme Power and yet followed the lie.... and thereby brought death into the world.... But what was it that made their desire so powerful that they succumbed to it?....

They lived a blissful life in paradise, they were masters over all created things; everything was subject to their will and they felt happy in full possession of strength and power. And as long as this love was intended for Me and the partner there was no danger either that the test of will would fail.

But My adversary knew how to turn this love in the wrong direction.... He reversed it into selfish love by making false promises to them and thus kindling their desire to obtain happiness for **themselves**.... Their love became craving, selfish and low, and thereby they once again handed themselves over to the power of the one from whom they should and could have delivered themselves had they valued My **commandment** more than their desire.

You humans ought to understand.... that the time for Me to bless the first human couple had not yet come.... **Therefore** they became sinful.... for nothing is sinful that fits in with My plan of creation, nothing can be a sin that happens in lawful order.... and **the process of procreation** can never be **against** the order ordained by God. Yet the satisfaction of the senses without the will to bring forth life is no act of divine love, but it is selfish love kindled by My adversary which draws the human being down and totally submits him to his control.... The first human beings had fallen victim to this **wrong** love, and this **wrong love** was the sin, which in turn related to the original sin of arrogance.... which did not want to give itself but possess everything, which was the inheritance of its maker.... but which has nothing in common with divine love....

Divine love rests as a spark in your hearts and can ignite itself into brightest radiance. But My adversary's goal was and is to reverse this love, and he has succeeded in doing so. What was pure and divine became soiled and changed into a love of self, which no longer merits the concept of 'love' and can only be called lust, selfishness and love of self, and which is also capable of doing whatever My adversary wants you to do.... And thus the act of procreation became a means for My adversary to turn countless souls towards him, which would never have been possible had it taken place with My blessing.... where the divine love of giving and bestowing happiness should find its culmination in the emergence of a new life.... Hence the original sin consisted of the abandonment of pure divine love for the sake of impure selfish love....

The divine spark in the human being was extinguished through satanic influence and replaced by a fire which destroyed everything that was noble and pure.... The senses became aroused and were driven into utmost greed, which in no way corresponded to My act of creation.... yet for the sake of My adversary's and My created beings' freedom of will it was not prevented.... since it is still up to the will of each individual person to resist this temptation by Satan.... The original sin was therefore not the act of procreation but the voluntarily ignited wrong and sinful love induced by Satan.... A happiness giving act of creation in the divine sense was reduced to a game of unclean spirits.... My adversary was permitted to take part in an act where **I Myself** wanted to be present in people with My blessing in order to increase the pure, divine love in them, so that it should also flow into the then begotten beings. And thus a new human generation would have arisen which would have found its way back to Me in increasingly brighter light without suffering and pain, which would soon have liberated itself through love, because it had to recognise Me Myself where love shines forth.... The first human beings **could** have passed this test of will.... but since I was struggling with My adversary

for the human souls I could not prevent him from using means which would ensure his victory. For it involved My created beings' return in completely **free will**.... which, however, had failed and resulted in a fate for the whole human race from which it could not free itself anymore.... Until a human being in pure divine love achieved the act.... which redeemed all of humanity and opened the path of ascent again.... For love is victorious and will not rest until even the last fallen being has found the way back to Me....

Amen

Translation handled by Heidi Hanna

Process of development on earth....

B.D. No. 7800

January 21st 1961

When earth came into existence, countless spiritual substances were able to embody themselves in its works of creation and gradually ascended during their evolutionary process, because the creations corresponded to the spiritual substances' inherent resistance, which was still unbroken but of different intensity. The works of creation were more or less hard matter, because even earth itself gradually evolved into a work of creation which was to shelter people one day.... the spiritual essence which had already covered the process of development to the point when all substances of a fallen original spirit had gathered once again and regained their self-awareness and free will....

But an infinitely long time had passed before the spiritual substance could reach this stage because earth needed this time in order to produce all the creations required by the spirit for its higher development. And the human being should know that he has already spent infinite periods of time on this earth, that the stage of human being is the conclusion of an evolutionary process which his will can now bring to an end. He should also know that one day this infinite path will be shown to him in retrospect, but that this memory has to be removed from him as a human being, since his task as a human being concerns his **voluntary** return to God. However, when he contemplates the countless wonders of divine creations surrounding him he should seriously ask himself what purpose they have to fulfil, and then he will receive clarification in his heart.... He will feel it, if the knowledge is not yet made accessible to him. And he should try to grasp the Creator's fundamental nature, i.e. request clarification about his relationship to Him. And this, too, will be given to him, since the goal of earthly life rests in the person re-establishing his relationship with God, which he once voluntarily had severed. For that **was** the 'fall of the spirits', they had separated from God of their own free will.... And thus.... during the last stage of their return to God.... they have to voluntarily restore their relationship with Him again and the purpose of their earthly progress will be fulfilled.

The fact that creation has largely contributed in returning the fallen being again can only be understood by you humans when you have achieved this return, because you would never have been able to reach the ascent if the divine Creator had not taken you away from His adversary's power who had caused your fall into the abyss.... if He had not removed you from his influence during the infinitely long time when you were integrated in the works of creation as tiniest particles of soul. His adversary had no control over you during this time, nevertheless you still belonged to him because you once followed him of your own accord into the abyss. But since you were completely without strength and light as a result of your apostasy from God, your path of return to God would have been impossible for you. For this reason God Himself provided you with this path of return through His works of creation which, in supreme wisdom and infinite love, were shaped to give the spiritual substance the opportunity of **service** in some form or other and thus, through **service**, reach ever higher levels of maturity. The spiritual particles which once belonged to an original spirit gathered again and, having achieved a certain level of maturity, commenced their last transformation.... For a brief period of time they were allowed to live on earth as a human being and had to be of **service** again.... but of their own **free will** and with **love**.... The purpose of earthly life for every soul embodied in a human being is to liberate itself from every cover by way of loving service, to return to the

spiritual kingdom again, when its earthly life has ended, as the free spiritual being it had been in the beginning.

However, it cannot achieve this spiritualization without help because it is burdened by the original sin which repeatedly pushes it down again.... i.e. during its earthly life God's adversary has the right to exercise his influence again, since the spirits once followed him **voluntarily**. And the fallen original spirit.... the human being.... would succumb to his influence once more were it not for the offer of guaranteed help: redemption through Jesus Christ.... in Whom God embodied Himself to redeem the guilt of sin for all fallen spirits through His sacrificial death on the cross.... This help by Jesus Christ, the complete redemption and forgiveness of his sin, is assured to him providing he wants it himself, providing he acknowledges Jesus Christ and His act of Salvation and he acknowledges Jesus as **God Himself**, Whom the original spirit once denied acknowledgment....

And thus you humans are given a brief explanation concerning the cause and significance of the act of Salvation. You have to know this in order to fulfil the purpose of your earthly life, in order to understand the divine plan of Salvation too, which only ever aims to guide the spirit essence back to God and which will be carried out with love and wisdom, since He has every power at His command to one day achieve the goal He had set Himself when He created all spiritual beings....

Amen

Translation handled by Heidi Hanna

Recognize and acknowledge God

Recognising and acknowledging God.... Atheists....

B.D. No. 6481

February 20th 1956

You look upon yourselves as independent beings as long as you don't believe in a God to Whom you owe your existence and your life.... for you don't want to know yourselves guided by His will, on which your existence depends.... And yet you know that you yourselves are incapable of shaping your life as you please, that you are also incapable of extending your life even for one day. Thus you know that you are dependent on a Power.... or, if you deny this Power.... on a law to which you are therefore subject by nature.... You have to accept this **natural law**, but you refuse to acknowledge a **Being** as a **lawmaker**.... you refuse to acknowledge a purpose or a directive for your existence, because you still share too much of the attitude of the one who once renounced his Creator and presented **himself** as determining and acting independently to all beings whom he created in this wrong attitude.... You are these spiritual beings he created, and you share the same opinions as him, you don't acknowledge **his** existence either, you shelter the same sentiments in you which filled him and impelled him to desert God. As long as you do not recognise and acknowledge God you are full of the satanic spirit.... arrogantly relying on your own strength and in addition full of selfish love, which explains why your thinking is wrongly inclined and you live in an unenlightened spiritual state on earth. The wisdom you deem yourselves to possess makes you increasingly more arrogant and self-confident, and yet it is completely worthless knowledge, since it only concerns things which disappear for you at the moment of death. Everyone who denies God, who does not believe himself to be connected with a Power, is isolated from God, and he will remain isolated after his death, nevertheless, he exists.... Death does not extinguish him, as he erroneously assumes during life on earth, he remains self-aware as a being, it merely recognises itself to be weak when it wants to carry out the same things as it had done in earthly life.... And then it will often take possession of the strength of people who share the same opinion and even encourage their wrong thinking. For all God-opposing beings remain associated.... both among each other as well as with the being which accomplished the separation from God first.

God certainly externalised all spiritual beings as independent so that they could recognise themselves as individual beings, however, He Himself did not sever the bond with these individual beings but constantly permeated them with His strength of love.... And as long as they accepted His strength of love they were blissfully happy.... but when the first-created being rejected God's emanation of love.... when it believed in its own arrogant thinking, that it no longer needed this, it rejected God at the same time and totally isolated itself from Him and thereby became wretched and spiritually unenlightened. And so the 'denial of a Deity' is always the unmistakable evidence of a follower of the one who once revolted against God.... In earthly life the human being can easily come to realise that he depends on the will of a Power which is in control of him, because he receives too much evidence of that in regards to himself as well as his environment.... Yet God never determines the human being's will to think in accordance with divine order, but He will grant light to everyone who desires light.... There is no excuse for a person who denies God, for everyone can recognise Him if he abandons his spiritual pride, the hereditary evil.... if he lowly and humbly asks questions in his mind which will surely be answered to him and which can grant him belief in a God. Every atheist is spiritually arrogant, and this arrogance also prevents him from questioning because he proudly claims 'to know' where he is entirely ignorant. And every atheist is in contact with people who believe in a God and Creator of eternity, Who determines their existence.... And through these he will time and again be motivated to think about it.... if, however, he inwardly refuses to do so then he has not yet relinquished his past opposition, and he will hardly accept an explanation in the beyond either if he is

not remembered in loving intercession.... Anyone who denies God is still infinitely far away from the eternal home....

Amen

Translation handled by Heidi Hanna

God is seen in creation....

B.D. No. 8606

September 4th 1963

Everything around you should prove to you an exceedingly loving and wise creator, but you only look at creation with dead eyes; you do not see the life, which flows through everything; you often do not know about purpose and destiny of the individual works of creation; you cannot see through them to all subtleties, and therefore you take everything for granted, and you do not recognize the perfection of Him, Who let everything come into being. You yourselves live in the midst of a work of creation and walk carelessly along without asking yourselves what purpose the whole of creation could possibly have. And you yourselves are the crown of creation.... you are self-aware, thinking beings with vitality and free will, you can make use of creation according to your will, you can be creatively active yourselves, you can research and also subjugate forces of nature to yourselves. You can truly be regarded as masters of creation, for it was created for you that it might fulfil its purpose.... But you do not know the meaning and purpose of creation, you do not know that greater than great love let it come into being because you humans are supposed to mature in it, as well as every work of creation itself has a spiritual purpose.... You do not know that God's wisdom recognized everything what served this task, and that His power also carried out everything what love and wisdom decided. But the assignment of the whole creation is the return of all once fallen spiritual, and you men are in the last stage of this process of return, while everything what you see around you still goes its course in the different stages, but in the end also has to end the course on earth as man. Since you now possess the ability to be able to think, everything what surrounds you should also let you recognize a creator of it, a **being**, Which can think and want like you, but stands in highest perfection. For you are the most highly developed work of creation on earth, thus the creator must surpass all that in perfection which He Himself has created.... But He **must** be a **being**, since all His works of creation, because created for a purpose, presuppose the ability to think and a will, and.... because you yourselves are self-aware.... this supreme being must also be a self-aware spirit Which works in love and wisdom.... All this should let you recognize creation, and therefore it should not be difficult to mentally join this creator and to acknowledge Him as exceedingly perfect. But mostly you men blindly pass by everything what proves a creator to you. You have no desire to fathom what purpose creation could have; you look at everything with worldly directed senses; you resign yourselves to the fact to live in the midst of creation, and you desire no closer information about its reason and purpose. Yet again and again your thoughts are directed into spiritual territory, for thought activity is also a means to find your God and creator. Again and again you will be prompted to think, and you will be surrounded by waves of thoughts which flow towards you from the spiritual kingdom, which also belong to the greatest miracles of divine creative power.... and can be accepted or rejected by yourselves, since you possess free will. But it is the last stage in the process of return, and this is to be used well to successfully bring the process to an end. And since the aim in earth life is the voluntary union with God, everything is done from His side to direct the thoughts of man towards Him, Who is both his creator as well as his father, because the being emerged from His love in the beginning. And when the creation surrounding him does not bring about that man thinks about it and learns to recognize a God and creator, his fate of life must cause him to it, which then can indeed also be very sorrowful, but can still bring man on the way to God.... but then also the aim is reached, on which his happiness depends in the spiritual kingdom. For every person knows that his stay on this earth is not eternal.... But that he cannot pass away, only few believe. And for those then the lot will be dreadful, who did not want to acknowledge a God and creator despite all aids, which were given to man in earth life. Because man **can** recognize God when he only **wants** it himself. But he cannot be forced to it because his perfection can only be reached in free will. Every man can recognize a power over him,

and he should connect himself with this power and seek to make it inclined towards Him. Then his earth course will truly not be in vain; the process of return will be finished, which has needed eternal times and still has to be carried out by every once fallen being....

Amen

Translation handled by Doris Boekers

Jesus Christ - Son of God

"God sent His son to earth.... "

B.D. No. 8263

September 3rd 1962

I sent My son to earth.... A Being Which emerged from My eternal primal love, Which turned Its whole love towards Me when a great host of My originally created spirits fell away from Me, Which recognized Me as Its father of eternity although It could not see Me, wanted to prove Its greater than great love to Me by wanting to bring the apostate children back to Me through a work of a unique kind.... And because His love moved Him to do so, I allowed it, I gave My consent for this being to descend to earth, for It to go from the kingdom of light, where It was immeasurably blissful, into a dark region.... into the kingdom of My counter-spirit Lucifer, who was the first of the fallen beings to become My antipole. I sent My son to earth Who offered to serve Me Myself on earth as a cover because I wanted to bring help to all fallen beings in their great spiritual adversity. For their way back to Me had been cut off, they would have had to remain eternally at a great distance from Me in a state of endless torment and wretchedness.... But they were all My creatures which had come into being out of My love and might through the will of the first-created being.... Lucifer.... who originally found the greatest bliss in creating creatures using My strength.... That this original spirit, which I had put forth as My image, fell, I could well have prevented, but I did not.... for in My love and wisdom I foresaw a process of complete deification of the fallen beings with the ultimate goal of **childship** to God, which, however, had to be achieved by free will.... However, the will of the fallen beings was so weakened by the influence of My counter-spirit Lucifer that the beings were incapable of once again reaching up from the deepest depths if I had not given them help, which was now also given to them on My part by the being in a state of compulsion.... thus according to **My** will.... through the material creation.... But even then the beings were still completely powerless because they once rejected My strength of love and could only gain this strength for ascent through love.... However, they had become incapable of love.... In My overwhelming mercy I probably put in a spark of love in their last stage on the path of return to Me.... Nevertheless, the immense burden of original sin, of rebellion against Me as their God and father in the state of brightest knowledge, remained on each of the fallen original spirits, for it had to be redeemed according to the law of divine justice, atonement had to be made which these fallen beings could never make themselves.... And therefore an original spirit remaining with Me offered to accomplish this work of atonement on earth because His love for Me and for the fallen brothers was so immense that He was willing to take upon Himself everything that this work of atonement required in terms of pain and suffering.... For He wanted to walk the earth as a '**human being**', He wanted to embody Himself in Jesus' human shell and walk a path of suffering which required utmost love and which also made the manifestation of the Eternal Deity Himself in Him possible.... For I could only be where love is.... I could only unite Myself with love and therefore choose a vessel for My dwelling which had completely shaped itself into love.... Jesus' soul indeed brought love for Me with it to earth, but the region it entered at His birth was Lucifer's kingdom, and the soul was oppressed by him, everything surrounding Him was Lucifer's share, and because He had taken on the task of carrying out a mission as a human being to save His fallen brothers, He was not allowed to use the strength of love which was at His disposal as 'My son' in order to defend Himself against the oppressor and to shake it off.... but He had to wrestle with His fellow human beings and redeem the oppressor through a life of love.... which was therefore not so easy to lead because the unspiritual tried to hinder Him and His human outer shell reacted in the same way to all temptations.... thus His soul had to fight against it until the love in Him broke through ever more strongly and He thereby also spiritualised His physical shell, thus His light of love shone ever brighter and He did what the adversary wanted to prevent Him from doing:.... that He endured superhuman suffering and death

out of love, thus He opposed My enemy with love and defeated him through **love**.... that He satisfied My justice and paid the purchase price for the souls which the adversary could now no longer hold captive.... Love, then, accomplished this work of mercy, which completely filled Him, and this **love** was **I Myself**.... But 'My son' had to pass through this darkness, through Lucifer's kingdom, and therefore had to leave behind His light and strength, which He possessed as a non-fallen original spirit. He had to.... like every human being, start earthly life in the same weakness, for He was meant to show people the path which leads back to Me again.... the path of love and suffering, which truly the man Jesus preceded His fellow human beings and I was able to take abode in Him because His soul was not burdened by original sin and His love gave Him the strength to also spiritualise His human body, thus He passed through earthly life without any sin.... For sin is only that which violates love.... And since I place a spark of My divine love in every human heart, every human being is also capable of igniting love and fanning it into highest embers.... Thus nothing impossible is required of you humans, because only **weakness of will** can prevent you from working with love and you can always ask Jesus Christ to strengthen your will, because this is one of the blessings He acquired for you through His death on the cross. And you humans must make use of these blessings of the act of salvation so that His act of mercy will not have been offered to you in vain, so that you will recognize **Me Myself in Jesus**, Who took abode in His shell in order to redeem you from your guilt of sin....

Amen

Translation handled by Doris Boekers

'God sent His Son to Earth....'

B.D. No. 8537

June 22nd 1963

Time and again it is explained to you that Jesus' soul came from the world of light to earth in order to embody itself in the man Jesus for the sake of a mission which required a **pure** soul, for God Himself wanted to take abode in this soul, and He was only able to do that in a pure soul without sin.... He sent His Son to earth.... Can there be a clearer word to confirm this? It was a **non-fallen** soul, as opposed to the human souls which have to take the long process of development through the creations and start their human embodiment in a very imperfect state.... But that does not rule out that Jesus' soul had to struggle and fight incredibly hard against everything unspiritual which besieged it from outside.... for His body was immature matter and, due to the adversary's influence, the soul was badly besieged by these unredeemed substances.... All earthly passions clung to the body and its instincts, which still adhered to the body as part of the very immature substances, demanded gratification. Jesus' soul came to earth in a completely pure state, yet untold immature beings clung to it which the soul was not permitted to shake off; instead, it needed to pacify and mature them. Jesus, the man, was also inundated by external immature substances, his environment so affected His soul that it had to endure the same inner battles a fallen soul has to endure, and therefore it is untrue that because of His perfect soul it had been easier for the man Jesus to accomplish this act of Salvation.... On the contrary.... because it was pure and without sin.... His soul suffered far more in the immature environment, His pure soul reacted exceedingly sensitively towards sin, towards everything that due to the adversary's influence inundated Him on part of his fellow human beings.... The darkness which the soul of light had to stay in caused it indescribable pain and yet, it was filled by burning love for this sinful human race and wanted to redeem it from sin and death. So although everything of a satanic nature crowded Jesus soul, it nevertheless did not succeed in making Jesus Himself fall into sin. He withstood all temptations, He fought against His adversary as well as against everything unspiritual pestering Him.... His love for His brothers in need did not diminish and He also succeeded in spiritualising his body's unspiritual substances through love, which constantly increased, and so filled the man Jesus that the Eternal Love Itself took possession of Him, Which would never have been able to manifest itself in a sinful soul without causing it to perish.... Why won't you humans accept these Words 'He sent His Son to earth....'? That which comes from Him is perfect and thus it is said 'He came down to earth' and not 'He ascended from the abyss....' Although Jesus' soul was surrounded by satanic elements to a great extent, they approached His soul from outside and His soul nevertheless resisted

them and did not allow itself to fall as God's adversary had intended.... Regardless of whether He was pestered by His body's immature substances.... or whether unredeemed beings were trying to cling to Him as Satan's emissaries.... His pure soul resisted and fended off everything of a satanic nature, whereas it matured its body's immature spiritual substances so that it was able to join the soul in a spiritualised state when Jesus had accomplished His act of love. As soon the soul entered the realm of darkness it was subjected to satanic forces yet it did not succumb to them, it resisted them instead because it was full of love and this love provided it with the strength to persevere until the end.

However, the soul brought **love** along from above, it did not sacrifice love, instead, it united itself increasingly more with the Eternal Love and thus the unification took place, which should be every person's ultimate goal on earth. Jesus, the human being, deified Himself on earth through His great love and His extreme suffering and agonising death.... Yet He, too, had to struggle in order to attain this deification, it did not come any easier to Him than any other person, for people also possess the divine spark of love and can constantly nourish and fan it into a bright flame.... They can appeal to Jesus for help, whereas Jesus only ever drew strength from love.... but this love sheltering within Him was God Himself. And then again, God was only able to shelter in a being without sin, He would never have been able to enter a fallen soul which had travelled the path of ascent through the creations.... a soul which had once fallen away from Him and rejected His love.... After all, this had been the original sin which burdened all fallen beings, and this original sin would have had to be redeemed first before a union with God was possible again.... Therefore, had the soul of the man Jesus been a 'fallen' soul, it would not have been redeemed prior to the crucifixion and God would never have been **able** to take abode in it.... However, He did shelter in Jesus for **He** was the **Love**.... God Himself had become human. God's human manifestation would never have been possible in any other way.... but this is and will remain the greatest mystery of all.... A pure being had to accomplish the act of atonement for humanity's original sin, for a fallen being was still subject to God's adversary's rule and would never have been able to muster the strength of detaching itself from the adversary, its prison guard.... Now it is possible for a person, because Jesus Christ died on the cross for it.... A soul of light had to take up the battle against the adversary and Jesus won this battle because His strength was love, because He waged this battle in unity with God Himself, the Eternal Love, and thus God Himself redeemed the human race from sin and death.... You humans need to be given the relevant information, for mistaken opinions will also lead to mistaken conclusions. Lucifer would not have had to fight against Jesus had he been in command of Him.... And every fallen soul is still subject to the adversary's control.... until it is redeemed by Jesus Christ.... No fallen soul would ever have succeeded in defeating the adversary.... The act of Salvation had not been accomplished as yet, therefore Jesus' battle would have been unsuccessful, for a fallen being which had once resisted God's strength of love had indeed received a tiny spark of love from God, but it would never have fanned it into a bright flame because the adversary would have stopped it and because the being itself was too weak.... You humans should understand that you lose yourselves in wrong thoughts if you don't let go of this opinion that Jesus' soul is Satan's share, thus once a fallen away spiritual being.... With this point of view you would only make the problem of God's human manifestation even more incomprehensible and questionable.... And therefore the pure truth must be repeatedly presented to you, for only the truth will enlighten you correctly and the truth will only ever come forth from God Himself....

Amen

Translation handled by Heidi Hanna

Incarnation of God

God became visible in Jesus Christ....

B.D. No. 7147

June 18th 1958

Anyone who professes Me will also be admitted into My kingdom, for he will already be an Aspirant to My kingdom as soon as he has found the path back to Me from Whom he once separated of his own free will. He no longer acknowledged Me, and this was the sin against Me, his God and Creator of eternity, which could not be redeemed in any other way than through the conscious acknowledgement of Me Myself.... And in order to enable the human being to do so I personified Myself in the human being Jesus.... For the reason for apostasy from Me rested in the fact that My living creations were unable to behold Me.... Hence they turned to the one who was visible to them who, in a manner of speaking, participated in their emergence and who, despite greatest awareness, volitionally dissociated himself from the Deity Whom he, too, was unable to behold. And thus I became a visible God for you humans in Jesus Christ, and as a result of My human manifestation the reason to deny Me acknowledgment actually no longer applied.... But now the acknowledgment of Me at the same time also requires the acknowledgment of Jesus Christ's act of Salvation....

Due to the immense guilt of the original sin a redemption from it became necessary for you humans, the guilt had to be redeemed first because I could not accept sinful living creations anymore, or, My justice demanded an atonement for this guilt which only then would restore the former relationship between the living creations and Myself again.... which had been disrupted by the said sin. This act of atonement for humankind was thus offered by the human being Jesus; nevertheless, I manifested Myself in this human being Jesus for **I** wanted to redeem you humans from the great guilt **Myself**, it is just that I had to avail Myself of a human cover which then, however, should eternally shelter Me within itself, so that My beings would be able to behold their God and Creator, so that they would be able to recognise and love their Father in Him, Whom they then could wholeheartedly approach without having to vanish as a result of His fire of love....

And thus everyone who acknowledges the divine Redeemer Jesus Christ has started the path of return into the Father's house, because he simultaneously acknowledges Me Myself in Him and, as a result of the act of Salvation, his original sin is redeemed. He will therefore also be admitted into My kingdom, I will come to meet My child as Father, for I Myself never separated from him, I merely accepted his will which had turned away from Me because it was free. And thus **free will** has to become active again and strive to return to Me. This is demonstrated by the person through his conscious acknowledgment of Jesus Christ and His act of Salvation and the conscious relationship with Him through his call and appeal for deliverance. For he knows that he is restricted as long as he has not yet found Me in Jesus Christ.

The acknowledgment of Myself is a free act of will which, however, changes a state that had lasted an eternity, which leads from death into life, out of the night and into the light.... For the acknowledgment of Me will also, and without fail, entail a change of character, the human being will re-enter the divine order.... he will leave the region which has been his abode for endless times and enter the spheres of light, albeit his body still remains on earth.... But the soul.... the once fallen spirit.... strives towards its home again, for the acknowledgment of Me Myself in Jesus Christ will always be associated with a transmission of strength and light so that the person will recognise what is right and good and thus his intentions and actions have to be good and right too. For now I will not leave the side of My child again which has found Me, and with My guidance it will also reach its goal with certainty, it will be accepted as My child in the Father's house where it will live in freedom and

light and blissful happiness, where it will create with Me and in My will as is and has been its destiny since the beginning....

Amen

Translation handled by Heidi Hanna

God and Jesus are one.... Human manifestation of God....

B.D. No. 8250

August 24th 1962

That the human spiritual state is growing increasingly darker is revealed by fact that people are no longer able to understand God's 'becoming One' with Jesus properly.... and that they therefore also lack the right comprehension for God's 'human manifestation'.... Owing to the misguided teaching of the three-person Deity they began to think wrongly. Yet, time and again, it has to be said that the eternal Deity cannot be personified.... thus It cannot be conceived as anything other than power permeating the whole of eternity.... This power cannot be limited nor can it be thought of as a 'form'.... but it can permeate a form completely.... And this process of complete permeation by divine strength occurred in the man Jesus....

He was full of love and love is the fundamental substance of the eternal Deity.... ceaselessly emanated into infinity, which creates and maintains everything.... And this divine strength of love permeated the human form of Jesus and thus manifested itself in Him. God's fundamental nature took abode in the man Jesus and thus God became 'human'.... and since Jesus was completely filled with the fundamental substance of God, He became 'God'.... Because even His completely spiritualised human form was able to wholly unify with God after His crucifixion so that Jesus then became the comprehensible Deity.... that the human being cannot imagine God other than in Jesus.... but that it cannot ever be a question of 'two people'.... The human being Jesus had achieved the goal on earth, the complete deification, which all created beings should achieve.... Because God wanted to create images of Himself whose final perfection, however, had to be achieved by the free will of the being itself. Jesus the man achieved this deification not only on account of a life of love, but with the act of Salvation He also redeemed humanity's guilt of sin.... for He used God's strength of love or He would have been unable to bear the terrible suffering and crucifixion. This strength of love was God's fundamental nature, thus God Himself was within the man Jesus in all fullness and accomplished the act of Salvation....

However, it is a misleading concept when you humans speak of a three-person God because the eternal Deity cannot be personified since It is pure love, and this love manifested Itself in Jesus, and thus the eternal spirit God was working in Jesus, and to all beings He can only be comprehensible in Jesus.... Since God's former created beings had abandoned Him because they could not see Him, He became a visible God to them in Jesus.... But Jesus is not a second being that could be thought of as existing next to God.... He is God because God is strength of love, Which permeates a fully spiritualised form, thus it consists entirely of divine fundamental substance and is therefore only visible to those beings who have also become spiritualised in order to see spiritually.

It is certainly correct to describe God's nature as Father, Son and Holy Spirit if the Father is acknowledged as love, the Son as wisdom and the Holy Spirit as the will or power of God.... Because God's nature is love, wisdom and power.... But the goal God had set for Himself when He created the beings, the voluntary deification of these beings, also explains.... when it is achieved.... God's manifestation in Jesus.... the visible Deity in Jesus, while the three-person Deity does not allow for a correct, i.e. truthful explanation. People have created their own concepts which obstruct their spiritual maturing process, because only one God can be called upon; three different Gods may not be prayed to but God Himself wants to be acknowledged in Jesus, and hence He can only be worshipped in Jesus.... And He demands this acknowledgment of all human beings, because this acknowledgment had been denied to Him in the past, and because the act of Salvation has to be accepted at the same time.... Because no person can find forgiveness of his original sin without Jesus Christ, and therefore

the human being has to declare his belief in Him.... he has to believe that God Himself has shown compassion for humanity and accomplished the act of Salvation in Jesus....

Amen

Expiation of guilt by Jesus Christ

Jesus' spiritual mission....

B.D. No. 6985

December 5th 1957

When you have recognised Jesus' exalted spiritual mission then you will also understand why the divine Saviour must constantly be mentioned, because an ascent into the light is only possible when the human being has been released from his original sin. People are not aware of this original sin, consequently they do not know the meaning of the act of Salvation either.... They cannot find the connection between the crucifixion of Jesus the human being, in Whom they might perhaps believe, and the beatification of people.... And many people reject Him because they were merely told of this act of Salvation but it was not truthfully explained to them. And yet, such an explanation can only be given to those who sincerely want clarification, and there will only ever be few people who want this. Because even the most lucid explanations are incomprehensible to people who do not glance into the spiritual kingdom, who only acknowledge the physical world and anything that can be seen and proven to them. But the mission of Jesus the human being was not an entirely earthly issue, although it took place in full view of people....

It had a profound spiritual reason and as long as people are not aware of this they cannot face the divine Saviour Jesus Christ as guilty brothers who burden Him with their guilt, who ask Him for redemption. And yet this request has to precede their salvation, consequently they have to know about their guilt of sin, about the immense offence against God which had led them into sin and which could not be redeemed except through the great sacrifice of compensation by the human being Jesus. Hence, as long as people do not feel that they are sinful they will not take the path to Him, to the cross, with their guilt. And until then they will not acknowledge the divine Saviour Jesus Christ either. Only the knowledge of their original beginning, of their former nature, and of their resistance to God, can give them the understanding for the achievement of Salvation by Jesus, Who had lived in such a way as a human being that He could receive God Himself within Him. Thus the act of Salvation was accomplished by Eternal Love, Who wanted to liberate Its living creations from the constraints of Its opponent.

This description will make Jesus' mission more plausible to people than merely talking about the sins they have committed during their lifetime and which often appear too small to justify such an achievement of Salvation in order to redeem these sins. Of course every sin is an offence against love, thus an offence against God.... but the original sin of the former apostasy from God was so immense that the beings themselves could not have redeemed it in an eternity. It is not possible for you humans to understand this.... But a huge sin like that also necessitates a huge expiation, which was indeed achieved by a 'human being' but only because this human being incorporated God within Himself, thus the strength of God had enabled Him to do so, but this strength was only 'love'.... God's fundamental substance....

As originally created beings people had once rejected God's strength of love and thus were entirely without strength....

However, the man Jesus consciously accepted God's strength of love and used it to accomplish an act of mercy for His fallen brothers.... to make

Amends for their guilt. Nor do people know that their existence as a human being on this earth is the result of this original sin and that they will indeed return to their original state again one day, but not without acknowledging the One, Whose immense love had redeemed them. Because their apostasy from God was a deliberate 'turning away from Him' which necessitates a deliberate 'turning towards

Him again' in order to establish their original relationship with God once more. It is a tremendous blessing that this knowledge is given to people, which everyone should make use of simply by considering it and by accepting as truth that which has been imparted to him. Then he need only turn to the 'Jesus the human being' and speak to Him in thought.... And He will reply to him as 'God', He will help him to recognise his guilt correctly and take it from Him, if he admits to it and requests His help....

And every single human being can become aware of the fact that he must have done something wrong at some time, if only he considers that he is an imperfect, weak and ignorant being and seeks to discover its cause. For no such inner question remains unanswered, it merely has to be asked, but most people refrain from doing so, yet callously spurn any mention of the divine Saviour as well as His great spiritual mission when they are made aware of it. But time and again God will proclaim the divine Saviour Jesus Christ to humanity, and all His servants working for Him on earth will constantly preach His name and His Gospel with ever growing enthusiasm, so that all will be released from their guilt who listen and enter into sincere contact with Jesus Christ, in Whom God Himself had become human in order to redeem what is constrained by His adversary....

Amen

Translation handled by Heidi Hanna

Good Friday....

B.D. No. 7577

April 15th 1960

Through My suffering and death on the cross you found redemption from sin and death.... I offered the sacrifice for you as a human being, I gave My life in dreadful agony in order **to redeem your guilt of sin**, in order to open the kingdom of light for you again which was closed to you due to your fall into sin. And this sacrifice was made by love in Me, for this alone was capable of accomplishing such a work of mercy, because love is the strength, because love is God Himself from eternity.... What the man Jesus suffered you humans will never be able to measure, for although I Myself was in Him the human body was not spared the suffering and pain because He wanted to atone for the great guilt for the sake of righteousness.... The sin of the past apostasy from Me was so immeasurably great that the beings themselves could not have atoned for it, even if eternities had passed. For the beings were full of light when they rebelled against Me.... And the man Jesus, by virtue of His immense love, knew about this great guilt, He knew that this sin demanded an immense atonement so that justice would be satisfied.... And He offered Himself as a sacrifice to Me, and I accepted this sacrifice because **love** offered it, or also: I offered it Myself, I Who am eternal love.... I took abode in the man Jesus, I filled Him with My spirit, with My love, which is strength, and thus the man Jesus also mustered the strength for this work of salvation, which was associated with immeasurable suffering and torment, which corresponded to the magnitude of the guilt.... For He wanted to redeem this guilt of sin, He wanted to make atonement for the sake of righteousness.... He also knew the hardship humanity was in when no help was brought to it, and His soul had offered itself to Me as a sacrifice, His soul had remained with Me when His brothers plunged into the abyss, and His soul offered itself for their salvation because they were no longer able to ascend and because the path of return into the father's house was also blocked for them as long as their great guilt of sin had not been redeemed. The soul of Jesus knew everything.... I had sent My son to earth, I had accepted His offer to make atonement for His fallen brothers.... And He knew about the measure of suffering that awaited Him. But His love impelled Him, His love was for Me and the fallen brothers whom He wanted to bring back to Me again.... He descended to earth and walked the path as a human being, He completely accepted Me into Himself; the love which filled Him more and more.... I Myself.... determined everything He did, for this love was only meant for enslaved humanity which He wanted to release from My adversary's fetters. And so He walked the path of the cross.... the path of suffering and love.... until the time had come when He sacrificed His life for His fellow human beings, until the day had come when He suffered death on the cross in excruciating pain and agony, when He sacrificed Himself on the cross in order to redeem the great guilt of sin which burdened humanity. He suffered unspeakably, unspeakable

pain was inflicted on Him by His adversaries who, as My adversary's emissaries, went wild on Him.... They were sufferings which no human being would have been able to endure had He not been sustained by the strength of love.... had not love itself filled Him and given Him the strength to persevere until His death. And this **act of love redeemed humanity from eternal death....** God's **justice** had been **satisfied**, My love had made the atonement and people were **free from their guilt** who acknowledge Jesus' act of salvation and want to participate in it.... I Myself took pity on people, I Myself accomplished the act of salvation in the human being Jesus, I chose a human form which took superhuman suffering upon itself so that My act of mercy became evident to humanity, so that it recognized the magnitude of its guilt and now carries its guilt to Him of its own accord Who died for it on the cross.... And since I Myself was thus in this man Jesus, people now come to Me with their guilt and ask Me for forgiveness.... They acknowledge Me as they once refused to acknowledge Me, and they thereby recognize and confess their guilt.... And I accept everyone who carries his guilt under the cross, and for everyone the path to Me is now also free, for everyone the path to the father's house is free, for Jesus Christ has opened the gates which were closed due to the fall....

Amen

Translation handled by Doris Boekers

'It is finished....'

B.D. No. 7668

August 7th 1960

The One who allowed Himself to be nailed to the cross on behalf of your sins has truly accomplished the act of redeeming humanity from sin and death. For I Myself dwelled in the human being Jesus, thus it was not a mere **human being** who accomplished an act which should only be judged in an earthly sense, but **I Myself** took pity upon the whole of humanity and atoned for its sin in order to enable its return to Me, which had become impossible for every single person because of the original sin, that is, the guilt of the past apostasy from Me and the fall into the abyss. It must repeatedly be emphasised that **I Myself** have offered the sacrifice in a human shell.... And it must be stressed that 'Love' made this sacrifice, but that I Myself **Am** the Eternal Love. You humans are unable to comprehend the full depth of this act, but you can be certain that it was not 'human work', even though the human being Jesus sacrificed His life on the cross; yet it only happened so that humanity would take notice and become aware of its enormous guilt, the redemption of which required an exceptional deed which was and will remain unique. Thereby the **complete redemption** was accomplished so that it only depends on the human being's will to release himself from the guilt of sin which burdens him for as long as he does not acknowledge Jesus Christ's act of Salvation. The act of Salvation has been accomplished for all time.... It need not be repeated, it covers the redemption of all once-fallen spiritual beings because I Myself attended to it, for the sake of My love I Myself wanted to remove the guilt and for the sake of **justice** I made **amends** for it. The enormous extent of suffering the human shell had to endure was sufficient atonement for Me.... However, the **human being** Jesus would have been **unable** to endure the extent of suffering by Himself had the **Love in Him** not enabled Him to do so. Time and again I stress that this act of Salvation is and will remain unique, because its redemptive effect will last for all eternity. As long as fallen spirits still exist, the divine Redeemer Jesus Christ will also be mentioned, and the acknowledgment of His act of Salvation will always liberate people from the guilt of their past apostasy from Me and, truly, no **further sacrifice of atonement** will be necessary because I Myself accomplished this sacrifice for all eternity.... Thus you humans should be satisfied with this explanation and not pay attention to satanically-inclined events which cannot be brought into harmony with My act of Salvation. For if ever My act of Salvation is described as incomplete, if ever people are shown a path to happiness other than the path to the cross, then the divine working of the spirit cannot be spoken of; then there will be forces at work which seek to prevent your redemption, which try to deter you from Me, Who wants to be recognised and acknowledged in Jesus Christ.... In that case you should be careful, for My adversary knows how to present himself in an angel's garment of light and then you will find it difficult to expose him. But always call upon Jesus Christ, Who certainly recognises His enemy and adversary, and appeal to Him

for protection. For He and I are One, and if you pray to Me for correct thinking and for protection in every spiritual adversity then you will no longer have to worry, for then you will be guided wherever you go, the 'redemption' will reveal itself in you.... and you will clearly and assuredly recognise which way you will have to take and where danger threatens you. I have redeemed you from all sins, for My crucifixion was the atonement for your guilt. And this act of atonement cannot be lessened by My adversary, nevertheless he will continue to try to influence you humans such that you become unsure and start to doubt Me as your Redeemer Jesus Christ.... For during the time of the end many false Christs and false prophets will arise and try to pull you onto wrong paths. Then you shall be strong in faith and know that you should only keep to Jesus Christ, because by doing so you acknowledge Me Myself and call upon Me as a Father in every adversity and distress of body and soul....

Amen

Translation handled by Heidi Hanna

Acknowledge the work of redemption

Acknowledgement of the work of redemption necessary for maturity of soul....

B.D. No. 3642
December 31th 1945

The open confession of Christ and His work of redemption irrevocably belongs to the attainment of maturity of soul. The human being cannot mature without love.... but the one who has love also recognizes Him who sacrificed Himself for humanity out of love. He also knows that Christ took death upon Himself on the cross as atonement for humanity's great guilt, that He therefore wanted to redeem it from an infinitely long time of captivity. And consequently He will also acknowledge this work of great love and mercy and place Himself under Christ's cross in order to also partake of the graces of the act of salvation. But the graces of the act of salvation only bring about the maturing of the soul, for the redeemer Himself now draws the soul to Himself, upwards, He imparts strength to it to want and do what is right. Anyone who does not acknowledge Jesus Christ and His act of salvation remains under satan's control, his will remains weak or turned away from God, the soul remains on a low level of development, for it lacks love.... But love recognizes Jesus Christ, for where love is there is also wisdom, the power of realization for pure truth, and thus Christ's act of salvation will be fully understandable to the loving person, whereas the unloving person is completely ignorant of humanity's sin and guilt, of the meaning and purpose of earthly life, of the human being's aim and task on earth. If he knows all this his way of life is already a life of love, and then the divine redeemer will only be the symbol of profoundest love for him, Whom he has to acknowledge and Whom he also confesses before the world if this is demanded of him. And then his soul will strive upwards and it will certainly reach its aim, because it will not strive of its own strength but with Jesus Christ, because its will will be strengthened by Him and the soul will constantly receive strength and grace, for His promise is: 'He who believes in Me has eternal life....' Faith in Jesus Christ and His act of salvation is absolutely necessary in order to be able to enter the kingdom itself, which signifies eternal life for the soul, which is filled with light and strength and signifies bliss, which Jesus promised to those who believe in Him, because these will endeavour to follow Him and live a life of love as Jesus exemplified to them on earth, for only love will earn them supreme beatitude in eternity....

Amen

Translation handled by Doris Boekers

Remember the significance of the work of redemption....

B.D. No. 7156
June 30th 1958

You humans too seldom remember My death on the cross.... And yet this was decisive for the entire spiritual world, for everything unredeemed on earth as well as in the spiritual kingdom. Previously the souls entered the kingdom of the beyond hopelessly when they left earth, for they took a burden with them which prevented them from entering the spheres of light. And only those people who, in filial piety, believed in the coming of the messiah and took this faith with them, awaited the divine redeemer full of longing in the kingdom of the beyond, Who was to bring them final liberation from the fetters of the adversary. But the adversary still had control over the souls for as long as his power had not yet been broken. Only through My act of salvation, through My suffering and death on the cross, a new time dawned, and now no soul need go through earthly life without hope, every soul could already secure its entry into the kingdom of light on earth if only it believed in Me and My act of mercy and called upon Me for help against its previous lord. But in order to consciously send up this call to Jesus Christ the human being must also occupy himself with the act of salvation in his thoughts.... he must remember My suffering and death, he must often turn his thoughts to the cross, he

must try to imagine the immense suffering the man Jesus endured for his fellow human beings out of love for them, he must intimately unite himself with Me in Jesus and again and again keep in mind what I suffered for his sins.... He must not go through earthly life in ignorance of Jesus Christ's work of mercy or in indifference merely express a **dead** faith in Him through words. He must seriously concern himself with His sacrifice on the cross, only then will it not fail to have an effect and move the human being to remember his own guilt and carry it to the cross.... You humans could all experience a great deal of help if only you would call upon Me Myself in Jesus Christ for mercy, for help against the enemy of your souls. But I must demand this call from you.... I cannot grant you this assistance **without** your request, and you usually refrain from requesting the divine saviour's help.... (30.6.1958) If only you would consider that a human being sacrificed himself for you in order to help you out of eternal bondage.... However, as long as you are still on earth you are still in this bondage, which is also your fate until you remember the man Jesus, in Whom I Myself was in fullness, and until you call upon Me Myself in Jesus Christ to help you attain freedom. You are not able to do it without help.... You will also be granted help but not without your will expressing itself that you take the path to Jesus Christ yourselves, that you remember His crucifixion and also want to belong to those for whom Jesus shed His blood. But when do you dwell on Him, the divine redeemer, in your thoughts?.... My act of salvation is not a significant event for you, it is rather a problem you do not like to solve.... it is a question of doubt or a legend to which you attach no deeper value. And yet, it is the most important thing, and only the person who immerses himself in this greatest work of mercy ever accomplished by a human being on earth will not live his life in vain, and he will reach the aim, for he is also assured of redemption from sin and death, from bondage and darkness. You have to hand yourselves over to the divine redeemer Jesus Christ with full awareness, you have to appeal to Him to take care of you, you have to confess your weakness and sinfulness to Him and ask Him to release you from it.... You must involve Him in your life, you must not walk without Him, for only then, when you daily and hourly remember the immense love which prompted Me to take abode in the man Jesus in order to release you from your great guilt, will you also understand the act of salvation in all its depth and ask for forgiveness of this guilt.... And it will become yours.... But the people on earth no longer know it, which is why they take the path across earth. And if it is brought to them, then their unbelief holds them back from accepting it. They don't know and don't believe that Jesus Christ's act of salvation has to be acknowledged by **every** person who wants to exchange bondage and lack of strength for freedom, light and strength one day.... But they also don't know and don't believe that the hour could ever come when they recognize their dark, powerless state, for they don't believe in a continuation of life after death and in a responsibility towards Me for the benefit of their earthly existence. And yet, again and again clear knowledge will be given to people from My side about the significance of My human manifestation in Jesus, the act of salvation and the acknowledgement of it.... for this knowledge will never be lost, it will also be given to people again and again in an **understandable** way, because due to My adversary's influence the ignorance and lack of understanding of it will become ever more visible and people would find it difficult to believe if the teachings about it are deformed, thus they no longer correspond to the truth. But I want you humans to see clearly that you take the path to Me in Jesus Christ of your own free will. And therefore I will also take care again and again that you will be enlightened about the **most important** of all faith teachings.... about the mission of the man Jesus and the significance of what He accomplished.... For I do not require you to accept what seems doubtful to you, but I enlighten you so that you will voluntarily accept and then also take the path to the cross, which alone brings you redemption, which lets you be free of your original sin and secures your entrance into the kingdom of light.... the path which alone leads back to Me, from Whom you once came forth....

Amen

Translation handled by Doris Boekers

Conscious asking for forgiveness of sin

The way to the cross must be taken....

B.D. No. 7717

October 1st 1960

All of you will return to the heavenly home, all of you will be embraced by My fatherly arms again, and all of you will be immeasurably blessed. This is certain for you who are still unfinished in the flesh on this earth or in the kingdom of the beyond. For one day the time will come when your heart will be aglow with love and press towards the father's heart, and then I will have achieved My aim which I set Myself when I created the spirits. And if only My **love** were decisive then the heavenly realms would have welcomed you all long ago, for I long for My children and want to make them immeasurably happy. But My **love** cannot act against My law of eternity.... And this demands the **voluntary** return of the beingness which had once departed from Me and had also distanced itself from Me of its own free will. And thus the path to ascent for you humans.... who are the once fallen original spirits.... of quite different lengths of time. It can be covered in a short time, but it can also require eternities, it can need several periods of development and also mean for you endless long times in torment and bondage.... But you will reach your aim one day. As human beings you don't know about the agonizing state of bondage, but I know about it and I love you and would like to spare you the agony so that you don't sink back into the same state again which you have long overcome as human beings. This is why I offer Myself as your guide on your earthly path of life, this is why I approach you on the pilgrim path in order to show you the shortest path which leads upwards. And this path leads to the cross.... The path of ascent leads to Jesus Christ, and anyone who takes this path will most certainly return to Me in the father's house, because Jesus Christ and I are one.... because you acknowledge **Me Myself** when you recognize **Him** and His act of salvation and thus allow yourselves to be redeemed by Him, Who has redeemed the guilt of your past apostasy from Me for you. This path has to be irrevocably taken on earth or in the beyond, the path to the cross, because then My love, which had to step back for the sake of justice when you fell, can become active again. But justice was satisfied through the man Jesus, in Whom I embodied Myself.... Thus My **love** has created the balance, justice has not been eliminated, for as a **human being** I took upon Myself an abundance of suffering and pain as a sacrifice of atonement for the great guilt which once was your apostasy from Me.... But your will must now also accept this sacrifice of atonement, your will must consciously request the forgiveness of guilt, thus you must confess yourselves guilty under the cross.... You must **freely** call upon the **divine redeemer Jesus Christ** for forgiveness of the guilt of sin, for His mercy and His grace.... You must take the path to the cross.... And then My love can take hold of you again, for you then recognize Me Myself, Whom you once refused to acknowledge, for He and I are one, I Myself redeemed you on the cross from sin and death in the human being Jesus.... And once you have taken this path to the cross, then your earthly progress will be complete, then the stage of development will have been reached which secures your entrance into the spiritual kingdom. Then you need no longer fear a repeated path through earthly creation, then you can ascend ever higher in the spiritual kingdom, My love will draw you and your love for Me will become ever stronger.... father and child will unite, and the beatitudes I prepare for My children will be unlimited, because My love is also unlimited and wants to give itself away eternally....

Amen

Translation handled by Doris Boekers

It is also of crucial importance for you humans that you recognise and profess your guilt in order to become free from it through Jesus Christ, the divine Redeemer, Who died for it on your behalf on the cross.... For the admission of the fact that you had become guilty must precede the will of allowing yourselves to be redeemed, because then you will consciously strive for returning to your Father's house. Sooner or later you will have to realise that you once sinned against God Himself and then also seriously desire to become released from this immense guilt, which forms the basis of your existence as human beings on earth. And if you then consciously carry this guilt under the cross, it will also be forgiven as well as all guilt you accumulated on earth when you were still without knowledge of the divine Redeemer's significance for the human race. However, a mere avowal with your mouth is not enough, mere conventional faith in Him is not sufficient, you must be completely conscious of what Jesus, the human being, had done for you, that He suffered and died on your behalf, on behalf of your guilt of sin, in order to offer the sacrifice of atonement to God, without which you would have been unable to enter the kingdom of light. Only then will it be a living faith and this alone is valued by God, your Father of eternity.... For only then will you also recognise your past guilt, and you will admit to your own fault and appeal for forgiveness.... This alone is the task you ought to fulfil on earth but which you will only accomplish when love has taken possession of you, for an entirely heartless person does not entertain such thoughts. He is unable to believe and thus his life is a standstill, he does not live up to the actual purpose of changing himself again into what he had been in the beginning, for he will enter the kingdom of the beyond burdened by his original sin and cannot be released from it until he finds Jesus Christ, Who will certainly approach Him over there but He will leave it up to his freedom of will as to whether or not he will accept Him....

For this reason you are constantly given a light in regards to this, yet only rarely can open hearts and ears be found which are grateful for this light, the majority of people are unaware of any wrongdoing, they don't investigate the reason for their existence and live their lives indifferently, only desiring that which pleases their earthly body. They neither think deeply nor do they live a life of love of their own accord, otherwise they would gradually come to the right realisation.... And time flies.... It is getting ever shorter, for the end is close at hand.... God Himself can only make a small and disappearing proportion aware of the significance of the act of Salvation, for it is precisely the act of Salvation which is disputed almost everywhere in the world, and even where it is emphasised it is merely a matter of conventional faith which leaves much to be desired, where a redemption through Him is indeed **spoken** of but barely being made use of by consciously realising and confessing guilt, but only this can result in redemption. People don't know that they need to use their own will, they think that they need only profess with their mouth in order to receive forgiveness of sin, but this cannot be valued by God.... instead, the human being must **completely consciously and of his own free will** hand himself over to the divine Redeemer.... Only then can the act of Salvation take effect on him. However, as long people only accept the information with their ears without involvement of their heart, they cannot count on the redemption of their original sin. Consequently, the work of those who try to exert a living influence on their fellow human beings, by mainly admonishing them to love in order to enable their understanding of the great act of Salvation, will always be blessed. And all those capable of a living faith will be redeemed from their guilt, for love gives light which will shine ever more brightly **because** they had found redemption from their immense guilt. Yet all people must be clear of the fact that there is no path to God without Jesus Christ, since only One was able to redeem this immense guilt but He also wants to be consciously called upon for forgiveness in order to distribute unlimited bliss, for God and Jesus Christ are one.... The great secret precisely rests in the fact that you acknowledge God again in Jesus Christ, Whom you once denied your acknowledgment and thereby fell into the abyss.... This was your immense sin which made you guilty and which Jesus Christ redeemed for you....

Amen

Connection with Jesus Christ

Man's conscious approach to God....

B.D. No. 7940

July 11th 1961

And I will be your companion in all your ways.... I will guide you, I will walk beside you, I will instruct you and advise you and make My will known to you.... and if you fulfil this will of Mine you will also successfully complete your earthly path of life.... You will have reached the aim of being eternally united with Me and now be able to work in freedom, light and strength.... Thus I Myself want to be your companion, then I will also always be able to ward off My adversary from you who will not stop harassing you, and this the more the closer the end is. And therefore I inform you again and again through the word that you are in danger as long as you don't let Me Myself walk next to you through your free will to be united with Me. You live your earthly life and don't know that an everlasting battle is being waged around you in the spiritual world which applies to your soul.... And you don't know that there is a continuous struggle for your soul on the part of the world of light and the dark world. Both forces want to win you over, and you yourselves make the final decision as to which forces will gain victory over you.... You yourselves determine in which sphere you want to dwell, and you determine this through your will, which is turned towards or away from Me. And truly, only a brief thought is enough for you to call Me to your side and I will not leave you and protect you from further influence by My adversary and his helpers. Just let Me always walk by your side and your pilgrimage on earth will be blessed.... It is only a matter of your **conscious** approach to Me in earthly life. If you achieve this of your own free will, you will also have passed your test of earthly life, for the purpose of which you were allowed to embody yourselves on earth. Yet I cannot force you to turn to Me either, I can only ever try to draw you to Myself through loving words, I can only ever approach you, force Myself into your thoughts and fatefully intervene in your life.... But I always have to leave the effect to yourselves. You must decide for yourselves in free will.... You must grasp My hand yourselves and want Me to be with you and no longer leave you.... But this will also decides your fate in eternity. But all of you humans don't have much time left.... the end is near and you will all be taken by surprise, and your fate will now also be according to your attitude towards Me, which is why I admonish you again and again to seek the bond with your God and creator of eternity, to draw close to Him like a child draws close to its father, and now also to stand under My protection until the end has come. Precisely the time of the end prompts Me to repeatedly make My will known to you, which will always remain the same: that you live in love, because then you will establish the most secure bond with Me, Who am **love** Myself.... **work in love** and remain in **constant prayer**.... And you will draw Me to you and I will never leave you again forever.... For I Myself am love, and he who abides in love abides in Me and I in him.... And intimate prayer likewise unites the child with the father and enables My strength to overflow to always carry out My will.... And if you are united with Me then you no longer need to fear anything.... neither My adversary nor the coming end, for then you belong to My own who will stand firm until the end and whom I will protect in physical and spiritual adversity.... You need only give your will to Me, subordinate it to Mine and let your thoughts wander into spiritual spheres from time to time.... And My love will take hold of you and guide you until the end of your life.... I will walk beside you, you will no longer be lonely and abandoned.... Then you will walk by My hand and return home to the fatherland....

Amen

Translation handled by Doris Boekers

Every person should strive to gain a living faith, for then he will never be without strength, he will always take refuge in Me, in Whom he has a living faith, and constantly be able to receive strength from Me, for this flows to every person who unites with Me in prayer or heartfelt thoughts of Me.... But a living faith requires a life of love.... because anyone who lives in love draws Me to himself, Who is love. And anyone who can be present to Me will no longer doubt Me, he will have gained a living faith and will no longer sever his bond with Me, he will never be without strength and thus need not fear anything he encounters. Living faith is to be highly valued, for the human being no longer walks his path alone but in constant company, because I will no longer leave him, for he allows My presence in him through **love**. Faith in Me is also the passed test of will, the human being has taken the path back to Me, for he acknowledges Me, otherwise he would not be able to believe or his faith would only be dead. But if his faith has come alive through love a change of nature has already taken place in him, love has kindled a light in him in which he now also recognizes Me Myself and cannot help but consciously strive towards Me and seek the union with Me which he once gave up. Love and faith cannot be thought of without each other.... for living faith emerges from love.... spiritual knowledge becomes **conviction**, as it were, which cannot be proven because love gives bright light.... And only convinced faith provides the human being with strength which I Myself can now give to him because I am present to him through love.... How calmly a person walks his earthly path who has a convinced faith.... he never feels abandoned or weak, he knows that I am close to him, he comes to Me with every request and knows that I will grant him every request he makes to Me in earthly or spiritual adversity.... A living faith is truly strength-giving; and therefore you should all strive to gain such faith. Then it will prove your approach to Me, your will to be united with Me, you will acknowledge Me and thus pass the test of will for the purpose of which you stay on earth.... And then I will also be able to give you life, as I have promised, "he who believes in Me shall not die eternally...." You are therefore still doomed to death as long as you are unable to believe in Me Myself, Who redeemed the world from sin and death in the man Jesus.... For as long as you still don't recognize Me in Jesus, and as long as you are still under the spell of sin, as long as your spirit is still darkened, and this always means that you refuse to acknowledge Me as you once did. And you should try to free yourselves from this dark spiritual state, you should change your nature into love again, and then you will also be able to believe in Me as your God and creator, as your father of eternity.... You will soon try to establish the bond and it will become a firm conviction in you, because love will shine in you.... if you let it shine in.... gives you bright enlightenment. And you will truly awaken from death to life, you will believe in My presence alive, and then I will also reveal Myself to you, I will prove Myself to you.... **because you believe....**

Amen

Translation handled by Doris Boekers

The adversary's onslaughts in the last days....

You still will have to prove yourselves many times, for My adversary will attack you wherever possible.... And he will sow strife, he will incite people against each other, he will do everything to make you feel uneasy in order to bring you to fall, and you will always have to appeal for the strength to resist his temptations.... And therefore you should at all times take refuge in Me before he is able to attack you, you should daily and hourly appeal for My protection, so that I can stand by your side and repel him. The battle against him will continue until the end, for he will not hand you over to Me, your God and Father of eternity, without a fight. But I, too, have a claim on you, hence you need only turn to Me and I will always stand by you, because I love you and want to keep your souls' enemy at bay to prevent you from **falling** during the temptation.... Wherever My adversary recognises spiritual aspiration he works particularly rigorously and seeks to stop it.... Then you will have to prove yourselves and seriously resist him, you must not offer him any targets by allowing yourselves to get

carried away by impatience, irritation or unkindness, for then it will become increasingly more difficult to get away from him, although I Am always willing to help. But then your thoughts will not find the way to Me as quickly.... And only your heartfelt bond with Me will protect you from his onslaughts and temptations. And as long as he is still able to unsettle you into becoming impatient and enraged you will also be weak and he will make use of his power....

This is why you should constantly work on your soul and try to relinquish all faults, and you only ever should appeal to Me for the necessary strength and, truly, just your will alone will give you strength and you will emerge victoriously.... His activity is so obvious in the last days before the end, he tolerates no peace, no harmony, no unity amongst people, he only ever intends to disturb, and it is up to you yourselves whether he will be successful, for just a call upon Jesus, your Saviour and Redeemer, will strengthen you and you will be able to resist.... For Jesus defeated him with His death on the cross, and if you call upon Me in Jesus he has to release you.... However, especially during such temptations you often forget to remember the Saviour and Redeemer, for the adversary's work consists of confusing your thoughts so that you react to his onslaughts and try to humanly assert yourselves where only I Am able to help because you don't have enough strength....

Hence you shall prove yourselves in every temptation, that is, you shall take the path to Me in Jesus, for then he will have to withdraw, because My strength is truly greater than he is and because I will not leave anyone in distress who takes refuge in Me. Yet by yourselves, of your own strength, you are unable to do anything but with My strength achieve everything, and thus time and again I will give you strength provided you request it from Me, for then your thoughts aim towards Me and I will be able to assert My claim and protect you in every adversity and danger.... Don't forget this, for he will still provoke you many times, he will still often push himself between you and Me, and you will still often be in danger of succumbing to his temptations.... Just one call to Me in spirit and in truth is enough and I will push him away from you, I will not leave you to him but always help you in every spiritual crisis....

Amen

Translation handled by Heidi Hanna

Spirit strengthen by Jesus Christ

Strengthening of will through Jesus Christ.... Assessment of will....

B.D. No. 7035
February 6th 1958

The will is enough where the deed cannot be implemented.... For you humans are judged according to your inclination of **will**.... However, this does not absolve you becoming active, from employing your will, providing the latter is feasible. For words alone are not enough, your resolve must be serious, and a serious will indeed do whatever is within a person's power.... but that you will also be given strength as soon as I recognise your serious will goes without saying, otherwise I would be unable to hold you to account for omissions you could have acted upon. Nevertheless, you need help in order to be able to make a firm decision in the first place.... The only purpose of your earthly life is your free decision of will, but you would hardly make the right choice were this will not strengthened through Jesus Christ. Although every person is capable of direct his will towards Me, he would nevertheless repeatedly succumb to weakness of will again and therefore often fail to implement his will; yet changing his will towards Me already enables Me to guide him to the Salvation work's source of divine grace.... it enables Me to provide him with strength and to influence him through My spirit, so that he will be impelled into actions of love.... And thus he can already receive an influx of strength if he complies with this inner urging. But only through help by Jesus Christ will assured spiritual progress be possible, otherwise his will would keep flagging again as a result of My adversary's temptations, who still has power over a person as long as he is not yet released from his guilt of sin. All the same, a will inclined towards Me is very highly valued by Me and I won't rest until the human being has taken the path to the cross.... For I truly have sufficient means at My disposal in order to achieve this, if only the person allows his thoughts **of Me** to take effect in him. Then I will also be entitled to fight for this person against My adversary. If, however, a person approaches Jesus Christ consciously, his resolve will not so easily weaken anymore, for then he will consciously pursue the goal and also always let the deed follow the will and thus ascend and attain maturity of soul. For Jesus Christ's help does not solely consist of strengthening the will but also in the creation of opportunities to actively practise neighbourly love.... However, My adversary knows how to limit even kind-hearted activity, he understands how to harden his followers' hearts such that they will prohibit loving actions for their fellow human beings. And these followers are real vassals of Satan.... For they decisively intervene in the spiritual development.... However, they won't achieve their purpose, for where people's loving activity is prohibited I assess the will and credit it like an accomplished deed. And My adversary will manage to achieve that My divine commandments of love will be repealed where the will is still so weak that it does not offer inner resistance. Yet I evaluate the human being's heart and not the externally visible deed.... but neither do I absolve anyone able of implementing this deed from accomplishing it.... Thus you have yet another explanation, that and why I expect actions of love from you, that and why the serious **will** to help is judged in the same way where the action must necessarily be omitted. Yet I Am not satisfied with the will alone which, without becoming active, is lacking the required sincerity. However, as long as you have not yet taken the path to Jesus Christ, your resolve will still be very weak, therefore you should avail yourselves of the blessings of the act of Salvation in order to come out of this weakness of will. But then you will pursue your goal with great vigour by complying with My will: To become absorbed in love for Me and your fellow human beings and to thereby acquire the heavenly kingdom for yourselves....

Amen

Translation handled by Heidi Hanna

The fact that I died for you humans on the cross was an act of grace of such profound significance that it cannot be held up to you often enough, so that you will also make use of the grace which the man Jesus acquired for you humans through this death. For as soon as you disregard Jesus Christ's act of salvation there will be no redemption for you, and you will remain bound in the power of the one who is and will remain your enemy, who never wants your beatitude but will only plunge you into ruin since he lacks all love. You yourselves are also devoid of all love due to your past apostasy from Me, for you rejected My illumination of love.... And as long as you are still in the power of the adversary who caused your apostasy from Me you will never be able to receive My strength of love either, for this requires your own voluntary willingness to let yourselves be illuminated, and you will never be able to muster this will, for your will is extremely weakened. Through My death on the cross I acquired for you the blessings of a strengthened will, thus it will no longer be impossible for you to release yourselves from the adversary's power if you seriously want to do so and turn to the divine redeemer Jesus Christ to release you, to redeem you from sin and death. Apart from Him there is no one who could help you in your adversity, for Jesus is your redeemer, He is your God and Father, it is He to Whom you owe your existence, for Jesus and I... your father from eternity.... are one. I Myself offered the act of salvation for you humans in the form of the man Jesus, so that the act of atonement visibly took place for you humans and you can now also consciously carry your guilt of sin to the cross, for you can only be redeemed from your original guilt if you want this yourselves.... when you realise that you have sinned against Me yourselves and you now ask Me Myself in Jesus to forgive your guilt.... What was impossible for you before My crucifixion, that you were able to muster the strength to fight the enemy of your souls, became possible for you after My crucifixion, because then you had an abundance of grace at your disposal which you only needed to use by turning to Jesus of your own free will and asking Him that He may also have died for you.... And truly, your guilt will be redeemed for the sake of Jesus' blood. Yet you can never be released from your past guilt if you pass by Jesus Christ, then you will irrevocably continue to carry your burden which presses you to the ground, and you will remain a slave to My adversary, you will continue to live in darkness and weakness, you will be wretched beings who walk the earth without any spiritual success, whom My adversary does not release and who alone cannot muster the strength to detach themselves from him.... If only you humans could grasp the significance of Jesus and His mission on earth, and if only you could muster the will to turn to Him for help in your adversity, for only if you acknowledge Him as the Son of God, in Whom I Myself became human and Who died on the cross for you and your sins.... will He strengthen your will, and then you will also have the strength to detach yourselves from the enemy of your souls. But because you don't know about the correlations, about the cause of your existence as a human being, about your actual relationship with Me, your God and Creator, you don't seriously think about what Jesus' earthly life and His suffering mission was based on, and you don't consciously make use of the blessings which, however, are at your unlimited disposal if only you want to accept and make use of them.... Just as once Lucifer.... the first-fallen angel spirit.... plunged you into the abyss, so now Jesus, the Son of God, will help you up out of this abyss again.... but you were not forced to fall then, and so you are not forced to return now either.... Your free will has to prompt you to turn to Jesus, and then you will truly feel His strength and power, then you will be released from My adversary and become full of light and strength again yourselves, because the divine redeemer will give you light and strength as soon as you acknowledge Him and thus Me Myself in Him.... He redeemed the great original sin of all fallen spiritual beings and has now opened the door for them again into My kingdom, which they would not have been able to enter in their state burdened by the original sin.... He paved the way for all beings to return home to their Father's house. Yet no being is forced to take this path, instead, he (the human being) has to follow Jesus voluntarily, he has to want to be redeemed through Jesus' sacrificial death on the cross and therefore also voluntarily renounce My adversary.... And what he cannot achieve on his own he will be able to do with the help of the divine redeemer, Who has paid the ransom for all souls, so that the adversary **must** release every soul which **wants** to be released from him.... And in order for it to want to do so, the man Jesus

died the most bitter death on the cross, He offered Himself as a sacrifice and bought all souls free with His blood.... This work of mercy is so immeasurably significant and yet many people pass it by and do not avail themselves of the most delicious thing that can be offered to them on this earth.... They persist in sin and refuse to acknowledge Jesus, and thus they do not acknowledge Me Myself either, Who died for you in Jesus on the cross in order to redeem you....

Amen

Translation handled by Doris Boekers

Acknowledging Jesus Christ

Acknowledgment or rejection.... Jesus Christ....

B.D. No. 5844

January 3rd 1954

You humans can only acknowledge or reject Me. The latter merely proves your complete unbelief and will have very painful consequences for you, for the rejection of Me means that you are still completely under My adversary's control and openly oppose Me. However, acknowledging Me means being fully and completely on My side and also having entered My eternal order, acknowledging Me means believing in Jesus Christ as the Son of God and Redeemer of the world and living as a disciple of Jesus; acknowledging Me means striving towards Me, the eternal Love, which is only possible through living a life of love, since only this establishes the union with Me.... And thus it will also be understandable to you that I only recognise a Yes or a No and that I cannot be deceived by evasive Words which are used when I Am only professed with words voiced by the mouth without any involvement of the heart.... You do **not** acknowledge Me if your way of life does not reveal your serious striving towards Me, if your way of life lacks love, if you do not hold My image in your heart, if your faith has not yet come so alive that you eagerly work at improving your soul, if you do not turn to Jesus Christ imploring Him for help and grace, if you walk along without Jesus Christ.... In that case, all your words which intend to demonstrate belief are mere empty phrases, which do not deceive Me regarding your true state of soul and which are synonymous with rejecting Me.... The person who acknowledges Me also lives with Me, time and again he makes contact with Me in thought, he enters into heartfelt dialogue with Me, he lets Me speak to him as his Father for he feels himself as My child, and thus he belongs to My Own who I have won back forever. He belongs to those who are redeemed, for he was only able to attain the strengthen of will to reach Me through the grace of the act of Salvation.... Understand.... the path to Me **can** only lead through Jesus Christ.... No one will reach Me and no one will strive towards Me either if he has not requested the blessings Jesus acquired.... who therefore consciously places himself under the cross of Christ. For he can only seriously strive towards Me when he has come alive through the blessings of the divine Redeemer Jesus Christ, in Whom I became a visible God for you humans. Yet ask yourselves whether and to what extent you seriously strive towards Me, and don't believe that you can be counted as My Own if you are not yet permeated by My spirit of love, if you only outwardly want to show your faith in Me but your way of life lacks all contact with Me.... Words alone will not do, and the affiliation with a Christian denomination does not make you aspirants of My kingdom if you have not yet found the path to Jesus Christ, if you have not yet seriously called upon Him to take mercy upon you who, without Him and His Salvation, are still enslaved by the adversary You must recognise yourselves as being burdened by guilt and confess your guilt to Him and appeal to Him for salvation for the sake of the blood He shed on your behalf.... Then you will belong to those who voice a loud Yes when the Father's call of love rings out, you will belong to those who hurry towards Him, who have separated themselves for good from My adversary, who love Me with all their heart and enter into marriage with Me.... who will remain My Own for all eternity....

Amen

Translation handled by Heidi Hanna

Acknowledging Jesus Christ and benefiting from the graces....

B.D. No. 6670

October 15th 1956

If you want your earthly life to be successful for eternity, then you must make use of the blessings which the divine redeemer Jesus Christ acquired for you on the cross.... If you don't make use of

these blessings then it is impossible for you to attain the degree of maturity which guarantees you entry into the kingdom of light after your physical death.... For you lack strength because you have become weak and helpless due to your past apostasy from Me, because you are subject to the power of the one who dragged you down into the abyss.... You are now at the mercy of this power and cannot resist it with your own strength, you also have too weak a will which does not strive for a release from this power.... But you can certainly experience a supply of strength and a strengthening of will if you turn to the one Who died for this on the cross in order to help you break free from your dungeon master. For what you lack He acquired for you because He knew of your weakness and helplessness and because He wanted to break the adversary's power.... because He wanted to pay the ransom for you through His death on the cross and that adversary **can** no longer hold you if you want to be released from him. Everything has been done for you so that it is now possible for you to ascend again.... you **can** attain maturity of soul on earth but never without Jesus Christ.... You first have to let yourselves be redeemed by Him, you have to appeal to Him for strength and grace which you may now also receive in abundance because you desire to become free from the enemy of your souls. Thus you have to make use of the blessings of the act of salvation: You must ask for strength and reinforcement of will from the one Who acquired this treasure of grace through His death on the cross. When you enter this earth as a human being My adversary still has power over you.... And in earthly life it is solely a matter of whether you turn your will away from him and towards **Me** again, which, however, you only prove if you acknowledge Jesus Christ, because **I** embodied **Myself** in the human being Jesus in order to use My love for you so that you can return to Me again.... Hence, acknowledging Jesus Christ is synonymous with acknowledging Me Myself, Whom you once rejected, thus you separated yourselves from Me of your own will. This great sin had to invalidate you, for My strength of love could no longer take effect in you due to your resistance.... And if I want you to take the path back to Me, then I first have to impart strength to you.... thus I have to give you something you don't have to claim: I have to impart **grace** to you, and this, in turn, had to be acquired through an immense sacrifice which **love** wanted to make for you. And thus the sacrifice must also be acknowledged and thus also the one Who made the sacrifice.... the man Jesus, Whom deepest love motivated to bring help to the bound souls. And in this man Jesus I embodied Myself, because I am 'love' from eternity. Therefore, if you want to return to Me, if you want to successfully cover your earthly path, you can never pass by the divine redeemer Jesus Christ, for only from Him will you receive the strength and reinforcement of your will, whereas otherwise you will remain weak and will never be able to release yourselves from My adversary's power.... Only the call of Jesus Christ is enough to prove that you acknowledge Him, and you will now receive from His inexhaustible fountain of grace what you need in order to attain light again, strength and bliss.... But **without** Jesus Christ you live your earthly life in vain. You will remain in the abyss, for you will be held fast until you call upon Me yourselves in Jesus Christ, for as long as your will is still turned towards him, who will not release you.... but who **no longer** has control over you as soon as you hand yourselves over to the divine redeemer, which is also recognition of Me and you have now also passed the test of earthly life....

Amen

Translation handled by Doris Boekers

'No one comes to the Father....'

B.D. No. **6579**

June 25th 1956

No one comes to the Father except through Me.... The extreme importance of these words also explains the necessity of leading those people who are not yet believers to faith in Jesus Christ, or of advocating a living faith where knowledge of Jesus Christ is already present. For no one can come to Me who does not recognise Me Myself in Jesus Christ.... Because there are people who indeed say that they believe in 'God', since He gives evidence of Himself in everything which surrounds the human being, but who do not want to accept Jesus Christ as Son of God and Saviour of the world although they do not consider themselves unbelievers. But these people are still very distant

from their God and Creator, they have not yet come into closer contact with Me and hence their thoughts cannot become enlightened.

They are still burdened with the sin of the former apostasy from Me, and this sin ties them to My adversary, they will not get away from him without Jesus Christ. But not many people know about this sin of the past apostasy from Me, consequently they are not aware of the significance of Jesus and His act of Salvation either. Providing people know the teachings of the Gospel, providing they know the words spoken by Jesus on earth, they could also reflect on the words 'No one comes to the Father except through Me....' And if only they seriously wanted more information about this, they would certainly receive it, and the thought of these words would certainly never leave them again....

The only way to Me is through Jesus Christ, since the redemption of the guilt of sin has to come first in order to be accepted by Me.... No being who had voluntarily become sinful can approach Me before salvation through Jesus Christ. This is a law which even My infinite love cannot reverse. And no human being will really feel completely confident in his heart about God either, Whom he may well acknowledge with words or superficial thoughts, because on serious reflection he would know that he does not have the right relationship with his eternal God and Creator....

He will never confide in Me like a child to his Father, he will only believe that God exists but not establish a close connection with Me, which requires love.... Because love also enlightens his spirit, love would improve his spiritual vision.... Love would make him question but not make an erroneous statement. Every person will feel slightly uneasy when he contemplates spiritual thoughts and will not yet have made contact with Jesus Christ.... The course of suffering and crucifixion will not remain unknown to him, time and again he will enter into conversations with other people or be reminded by them of Jesus Christ because I constantly guide his thought to the human being Jesus, Who lived on earth and experienced a painful end.... Even if he does not yet acknowledge Him he does know of Jesus' earthly life, and I Myself will remind him of Me in Jesus Christ.

And corresponding to the human being's degree of love will be his acceptance or rejection.... Wherever there is love I take hold of the person Myself, and his resistance will steadily lessen, until he finally sees the human being Jesus in an entirely different light than at the beginning, when He was still defensively opposed to Him. However, if he does not want to learn, if his will is still hostile at the hour of his death, he cannot expect blissfulness in the spiritual kingdom, in spite of a right way of life he can only be accepted into the realm where all deniers of Christ dwell, because he refused to be redeemed on earth, and he will enter the spiritual kingdom in a constrained state.... But even there he can still find his divine Saviour and Redeemer....

And again, it is a great mercy on My part that I will meet all those in the spiritual kingdom who so far had rejected Me, that I will hear every appeal sent to Me as the Redeemer, and that I will then take hold of the caller's hand and lead him from that realm into My divine region.... Because I will still retrieve the souls from the abyss providing I Am acknowledged.... providing a soul has found the way to Jesus Christ, Whom it had rejected on earth but without Whom it cannot reach its goal. The kingdom of light is closed to every soul as long as Jesus Christ does not open the gate for it, but this necessitates that He is acknowledged as Son of God and Redeemer of the world. For this reason the human being Jesus said the words 'No one comes to the Father except through Me.'

Because I Myself spoke through the human being Jesus, I Myself wanted to be acknowledged in Him, Who merely served as a cover for Me during earthly life.... but which I kept even in the spiritual kingdom so that I could be a visible God to all My living creations, since I was an eternal Spirit after all.... and as such could not be seen by the created beings. I chose a form for Myself in order to become a visible God for you humans, and in this form I accomplished the act of Salvation. Consequently, you also have to acknowledge the form in which I had dwelled, and then you will already have taken the right path to Me, your Father of eternity.... However, without Jesus Christ you will not ever be able to come to Me, because without Jesus Christ My adversary will not release you, since you still belong to him as a result of your will....

Amen

‘Whosoever shall confess Me before men ’

B.D. No. 7216

November 28th 1958

Anyone shying away from confessing Me before the world is not permeated by My spirit, he is just an empty vessel, a lifeless form without spirit and life, for life knows Me and also confesses Me to fellow human beings. And you will also be able to recognise the Christians who merely observe formalities by the fact that they anxiously avoid mentioning My name, that they do not speak about Me and My act of Salvation, that they only rarely let themselves be drawn into spiritual conversations and even then only with a sense of discomfort And you will recognise them as ‘dead’ followers. For wherever My spirit is able to work, My name will be confessed with the greatest of joy, the human being will be impelled from within to confess Me before the world If you then watch how rarely people behave in a ‘Christian’ manner, how they try to avoid everything relating to religion or Christendom be it in relation to church or other proclamations of the Word, if you watch how everything is only covered with secrecy, how people in company of others shirk from touching upon a subject which concerns God, Jesus Christ, the spiritual kingdom or the human being’s task on earth then it is easy to guess what people’s decision will be one day when it is necessary for them to confess or deny the One Who had redeemed the world from sin and death. Then only a few will stand up for Me and My name before the world with full conviction however, the majority will keep a low profile, perhaps not entirely having detached themselves in their heart but lacking the strength of faith in order to accept the consequences of a true confession Only a few will bear up against the pressures, My adversary’s activity is approaching its end. Then it will be proven as to who is redeemed from sin and death, for only this person will loudly confess My name before the world, only he will summon the strength to resist when he is requested to renounce Me. Only a living faith will give people this strength, only a living faith will ensure the working of My spirit in the human being and thus also a certain confidence in My support during the time of the end. And this is the time when the separation of the spirits will take place, when it will become clearly obvious who belongs and wants to belong to My Own and whose Christianity has so far been a mere formality Then it will not be enough to be a follower of this or that school of faith, instead, a person must follow **Me Myself in Jesus Christ**, his bond with Me must be so alive that he cannot help loudly proclaiming My name as that of his God and Redeemer In that case he will also be accepted by Me, I will also confess him in the kingdom of light, I will fulfil My promise ‘Whosoever shall confess Me before men, him will I confess also before My Father ’ For he has acknowledged Me Myself in Jesus Christ, and the fullness of My spirit is in him Yet woe to those who renounce Me They still belong to My adversary’s followers and are and will remain his for an infinitely long time again. However, they knew that I demand the acknowledgment of My name, they were not left in ignorance and must therefore also be answerable on the day of Judgment. Then I will come to judge the ‘living’ and the ‘dead’ Understand these Words correctly: **Life** only comes from Me, and anyone who is **My Own** will live but all those who turn away from Me by renouncing Me when the final decision is demanded of them will die And their number will be great, yet only small will be My flock which I will guide into beatitude.

Amen

Acknowledging Jesus in the beyond

Entrance into the kingdom of light without Jesus Christ?....

B.D. No. 8036

November 8th 1961

Your father's love for His children is unlimited.... And this love will also grant you the requests you present to Me because it wants to make you happy. You should only ever ask and I will answer you. And if it is not possible to address you directly then you will receive an answer through My messengers who serve Me as instruments and whom I can address at any time if they want to hear Me. And thus you shall also receive information if you are moved by the question whether a person can enter the kingdom of light without acknowledging Jesus Christ if his way of life has been led in constant compliance with My commandments of love. Since I embodied Myself in the human being Jesus and thus accomplished the act of salvation in Him, this acknowledgement of Jesus is indispensable because it also results in the acknowledgement of Me, which you once denied Me and thus became apostate to Me. If a person now lives in love, then he is also united with Me through love.... thus he will acknowledge a God and creator and also establish the connection with Him in his thoughts.... he will believe in Me because his way of life, his life of love, has awakened a living faith in him which makes him consciously strive for perfection, for constant union with Me.... And yet, he is still burdened with the original sin which, for the sake of justice, first has to be atoned for in order to be accepted into the kingdom of light again. If the human being knows this and knows that the man Jesus atoned for his guilt with His crucifixion, then his life of love will also let him recognize the significance of the act of salvation and he will take the path to the cross himself in order to release his original sin. And then the gates into the kingdom of light will also be open to him. If the original sin has not yet been redeemed.... which includes the conscious request for forgiveness of sin.... then the spirit in the human being cannot be awakened either, which gives him the brightest knowledge.... For the spiritual darkness still exists, which was the **result** of the former apostasy from God.... For the spirit within him kindles a bright light for him about the mission of the man Jesus and about His becoming one with Me. The awakening of the spirit is indeed always the **effect** of a life of love but it is prevented by the human being himself who does not seek to free himself from the darkness imposed on him by the adversary.... **because he does not desire the sole truth....** The spirit in the human being does **not force** a change of thinking, and thinking is still influenced by the adversary as long as the human being is not yet redeemed through Jesus Christ.... because the adversary's power over his soul has not yet been broken. Yet such people can never go astray because they inwardly profess Me through their God-pleasing way of life, in whatever form and under whatever name I can be imagined to them.... And when they enter the kingdom of the beyond I Myself will meet them in Jesus.... A mighty change takes place in them because I now give their spirit freedom, because My adversary no longer has access to him, even though he is not yet in the kingdom of light.... But he now recognizes his guilt, his wrong thinking, and the request for forgiveness is his deepest inner need, which is also granted to him in view of his way of life and good will.... For all resistance is broken in such a soul, love pushes towards Me as the eternal love, and brightly and clearly lies before those souls the immeasurable work of love and mercy of Jesus Christ, Whom they now recognize as their God and father from eternity and also their original sin is now written in the sand, that the entrance into the kingdom of light is now open for them, which would not be possible **without** the recognition of Jesus and His act of salvation.... For He and I are one, and Jesus Christ must be acknowledged, which also proves the acknowledgement of Myself....

Amen

Translation handled by Doris Boekers

Hell does not want to hand over its victims, and the beings in darkness lack the strength to resist My adversary who keeps them bound. And thus these souls would be hopelessly lost were it not for a weapon against which the lord of the underworld is powerless.... the weapon of love, with which every battle is won and the strongest enemy is defeated. I use this weapon, and with this weapon I will succeed in redeeming hell, albeit in an infinitely long time, because love does not compel the will either and therefore can only become effective when a soul wants it itself.... But how is its will to change, which still remains in hardest resistance against Me?.... My love also descends into hell, and My adversary cannot deny Me entry because he is powerless in the face of My love.... And thus no being of darkness can take action against Me, they can only turn away from Me and reject My illumination of love.... And these souls are incorrigible for the time being and must continue to remain in their wretched state. Yet I know the state of every individual soul, I also know when the resistance decreases, when the soul enters a state of lethargy and how such a soul then reacts to My illumination of love. And I come to the aid of these souls because they cannot redeem themselves on their own. They are illuminated by a light in the form of a cross which instantly gives them the memory of the one Who died on the cross.... And with the emergence of this thought they now feel a relief, they are suddenly inspired by the desire to get out of their surroundings, and because the cross lights up for them again and again a faint hope arises in them to which they cling and now no longer drop the thought of turning to Him for help.... This desire is the effect of My illumination of love which, however, only occurs where the being has given up resistance. And even this passive state is the result of the love I send to hell and which is able to smooth the waves of hatred in those spheres, to break the resistance and to make a soul compliant.... but without forcing it. Moments speak in the soul's will which are well known to Me and which I will not let pass without doing redemptive work on that soul. But once a soul has been illuminated by the light of Christ's cross, then even the worst forces of darkness are no longer able to hold it back from its intention.... to turn to the one from Whom it promises itself help.... until it once calls upon Him for mercy and pity.... And then My love of Jesus can take hold of it and pull it up from the depth, then its will and its call for Me will have cleared the way for it, for the name of Jesus Christ loosens all chains and opens every dungeon.... before Him the powers of darkness give way, and the soul steps out into the light and is received by servants of love who help it on its way up.... And even if eternities pass, even if the resistance of the fallen is still so great.... one day they will let themselves be taken hold of by My love, for it is infinitely long-suffering and patient and will not let any soul be lost forever....

Amen

Translation handled by Doris Boekers

Every soul must find Jesus Christ....B.D. No. 6797
April 3rd 1957

Every soul thanks you, which was led through you to Jesus Christ as its redeemer from sin and death.... For He alone can open the gate to life for it, He alone can lead it into the kingdom of light to eternal beatitude. But as long as it has not yet found Him it wanders around unhappily when it has arrived in the kingdom of the beyond, its thoughts become confused, its surroundings are devoid of light and its own state is agonizing because it sorely misses the vitality it now lacks but feels the agony of its lack of strength and its state. For this reason it is the greatest work of love and mercy you can accomplish on a person while he is still on earth if you acquaint him with Jesus Christ, if you make it clear to him that he may not pass Him by if he does not want to endanger himself and meet an unhappy fate after the death of his body. All people you come into contact with know Him, yet their attitude towards Him leaves much to be desired, they know Him but do not evaluate this knowledge, they have certainly heard of Him as redeemer of the world but His act of salvation is not a true concept for them. They know about His death on the cross but only consider it in a purely earthly way and are hardly aware of its spiritual significance.... They also do not have the inner bond with Him and

therefore do not take the path to the cross, they do not feel like sinners and therefore do not ask for forgiveness of their sins either.... They do not recognize the eternal deity Himself in Jesus Christ and therefore do not call upon Him in full faith either. And therefore they remain burdened by guilt and enter the beyond with this guilt, without light and without strength, for they have not yet attained the life which can only be given to them by Jesus Christ. And then their earthly life was also an idle one and did not bring them any success, it did not bring them closer to God, Who walked across earth in the man Jesus.... These souls will be unhappy when they arrive in the kingdom of the beyond, and they will not be blissfully happy until they have taken the path to Him on the other side. But even in the kingdom of the beyond they are often unteachable when it comes to the problem of Christ, and it requires a lot of love and perseverance on the part of those who want to help them, be they beings of light or people on earth who want to help the souls. But anyone who lovingly takes care of such a soul will also succeed in imparting so much light and strength to it that it will strengthen its will and that it will listen without resistance when it is informed about Jesus Christ, and that it will now no longer resist calling upon Him for love and mercy either.... It **has to** find Him in the kingdom of the beyond, and Jesus Christ can also be found.... He comes to meet every soul, but only if it has given up its hard resistance, if it looks around helplessly and begs for salvation, if it is aware of its weakness and now listens attentively to what is conveyed to it by beings willing to help or by people on earth.... Then Jesus Christ Himself will force Himself into its thinking and truly make it easy for the soul to believe in Him.... But the **first step** has to be taken by the soul itself, and in order for it to take this first step it has to be helped by people on earth or by beings of light in the spiritual kingdom through loving intercession or through everlasting instructions. It must find its way to Jesus Christ.... otherwise there is no beatitude for it.... But it is extremely grateful to those who helped it to salvation. And precisely the great hardship awaiting such a soul in the beyond, which has not yet found Him, should prompt you humans to repeatedly mention His mission on earth, so that fellow human beings will still find Him on earth and not pass over into the spiritual kingdom without light.... so that Jesus Christ Himself will now come to meet them and open the gates to paradise.... that they will only be relieved of their great burden of sin for the time being, but only Jesus Christ Himself can take it away from them and therefore He has to be recognized and acknowledged as God and redeemer of the world....

Amen

Translation handled by Doris Boekers

Refuge to Jesus....

B.D. No. 7572

April 10th 1960

Carry all your worries to Jesus, Who has understanding for everything because He walked the earth as a human being.... And He will give you comfort, He will advise and help you, just as He as a human being helped His fellow human beings who came to Him in faithful trust and desired His help. For there is nothing that is impossible for Him, there is no worry that He cannot resolve.... There is no disaster which He cannot avert from you if only you trust in Him. For Jesus is God, He is your father from eternity, Who walked across earth in the shell of the man Jesus and to Whom all power belongs, Who works in love and wisdom on earth as well as in the spiritual kingdom.... And when you call upon Jesus you call upon God, the creator and sustainer from eternity, you call upon Him Whom you once did not want to acknowledge and through this heartfelt call return to Him from Whom you once voluntarily separated. Go to Jesus with all your worries and you are already on the way back to God.... He accomplished the work of redemption on this earth in order to redeem your great guilt of sin of the former apostasy from you. And He accomplished this work in the man Jesus, He chose His physical shell as His abode because a human being had to suffer and die on the cross so that humanity could take notice of this greatest work of mercy ever accomplished on earth. And in this human being Jesus God Himself walked the earth, for God, as the eternal love, filled Jesus fully and completely.... Love walked the dreadful path of suffering which ended with death on the cross. And with this death on the cross Jesus bought the right to bestow His acquired blessings upon people so that they became free from their lord, who held them captive in bondage until a saviour came to redeem the captives. He paid the debt to God's adversary with His blood and people could now become free from Him who acknowledge Jesus' act of salvation and want to partake of the grace. Then you will also acknowledge God Himself in the divine redeemer Jesus Christ, and this acknowledgement has to precede it, because then you will distance yourselves from the former sin of apostasy from God, because your will has now returned to God again and you will now accept His love and mercy again, which you once rejected and thereby fell into the abyss. You should not try to deal with any worries yourselves, you should always go to Jesus, you should carry all concerns to Him, because then you will unite with the father Who took abode in Jesus in order to atone for your guilt.... and Whom you thus acknowledge through your call, which is the purpose and aim of your earthly life: to accomplish the return to God from Whom you once voluntarily separated. Never walk your earthly path alone, always seek contact with Jesus, choose Him as your companion, as your guide, as your advisor and protector.... Stay in contact with Him in every earthly and spiritual adversity, and then you will truly be guided correctly, you will enjoy His protection, you will be relieved of your worries, for Jesus lived on earth as a human being and truly knows all the hardship a human being has to endure on earth. But He is also always ready to help because love fills Him, because He Himself is eternal love, because He and the father are one and His infinite love is always meant for you, His living creations. For you came forth from His love, and you shall also return to Him again.... And therefore He will pursue you with His love, He will do everything for you what you faithfully ask Him for in order to win you back again for eternity....

Amen

Translation handled by Doris Boekers
