2. Petrus 3, 10

Fulfilment of the predictions of scripture.... receiving the word....

B.D. No. 0857
April 10th 1939

“Search in the spirit”, says the lord, “and you will stand in the truth....” Who is better able to guide you into truth than the lord and master Himself.... It was through His will that the door to the spiritual world was opened. He let the call from earth resound in the beyond, and those who asked for an answer were given it, for all wills are fulfilled which the spirit expresses.

Thus began the new time which will take its course. The lord referred to this time, He mentioned it during His life on earth, He also indicated the time when humanity's spiritual decline would begin and great hardship would befall the earth. He mentioned all events which precede the difficult time and also pointed out the visible strengthening which is offered to His own from heaven so that they should not perish without protection and desolation in the general chaos.... If you now pay attention to the appearances of the present time, you will also know that the time is near.... and you will also have to understand that the predictions which point to the connection from earth to the beyond must also come true, and all this will no longer seem so improbable to you if you realize that only the scriptures will be fulfilled. The visible help offered to you is only intended to restore the faith you have already lost, the faith in the eternal deity Who dwells visibly and tangibly amongst you, recognized by those who love Him and keep His commandments. It shall give you faith in His immeasurably great love with which He wants to bestow upon every earthly child if it does not resist this divine love. And therefore He announces Himself in a form which is intended to stimulate human thinking and at the same time testifies to His constant care for His earthly children. Whoever pays attention to these announcements, whoever receives them as daily bread from the heavens, whoever lets them become his sole purpose in life, whoever desires to live in fullest truth, the lord is close to him at all times. And he need never fear that the lord could restrict His bestowal of grace or completely revoke it.... on the contrary, it is pleasing to the father in heaven if the earthly child desires wisdom from the heavens. Every spiritual desire will be granted, and the lord blesses those who desire Him and His word. The one who feels drawn upwards is seized by the father's love and carefully gives him what he needs for his flight upwards.... enlightenment in all things, advice and help, strength, comfort and everlasting grace.... and where love for the heavenly father is the driving force, the earthly child will soon be granted knowledge, which sufficiently explains all divine miracles of creation to him and yet is also extremely comforting for the human being still living on earth who makes himself worthy of the lord's great grace and endeavours to inform erring humanity of God's visible working. And thus this proclamation will also be understandable to people who long for God, whereas the person who does not acknowledge the divinity will never grasp the profound meaning of the words from above and therefore will not feel such a desire for truth within himself, for this alone is the prerogative of the person who gives himself to the father in heaven with all love, that he receives the words of love from above....

God's plan of salvation and end....

B.D. No. 7565
April 2nd 1960

My eternal plan will be carried out, for My love and wisdom were decisive for this plan and My might brings about everything I want. Therefore neither people's will nor My adversary's actions can prevent Me from doing so, and it would be easy for Me to initiate you humans to such an

extent that you would also know the day and hour when I would carry out the plan. But My love and wisdom prevents this again, because it would not benefit My living creations if they would then fulfil their earthly task under a certain compulsion of will, which would mean knowing the day and hour of the end of this earth. But My love also wants to warn and admonish you humans again, My love only wants you to prepare yourselves and not to fear the end.... And therefore I repeatedly announce to you through seers and prophets that the end is imminent.... as it has happened since the beginning of this earth period and will happen until the end occurs. I will not leave you humans without knowledge about it, yet this knowledge will never be proven to you due to your freedom of will. You only ever have to believe it and live your life in accordance with this belief.... And then My plan of salvation will unfold such that you will not suffer any harm. But it will be carried out according to My will, for I truly know what serves you, My living creations, best, irrespective of whether you already live on this earth as a human being or still live in the bound state of the works of creation.... I know when the time has come for you to change your state, when all spiritual substances have to leave the form which keeps them bound, I know when lawful order has to be established again and what is helpful for the spiritual substances' ascent development.... And because My love and wisdom are decisive I will also pause the time I have set for Myself from eternity for My work of salvation.... And thus, when I announce the time to you humans as 'imminent', when I admonish you again and again to think of your end, this is also determined by My love, which truly wants to prepare a blissful fate for you and again and again shows you the path you should take in order to become blessed.... this is why I repeatedly speak to you humans from above, for you cannot receive information about what is to come in any other way, because no-one but Me can know this and because I want you to take notice of it, even if you only have to **believe** it. But you are blessed if you believe My word from above, for no-one but Me can instruct you in accordance with the truth, no-one can impart this knowledge to you if I Myself do not convey it to you through My spirit. Therefore it also requires firm faith to accept My word as truth, faith which was gained through love. And because there is so little love amongst humanity, the belief in an end is also rarely to be found, and people irresponsibly go their earthly way and don't use the time they still have until the end, which is truly only short. And if you knew the day and hour you would be frightened.... But this knowledge remains hidden from you, for it would be of no use to you for your perfection. But it will come, suddenly and unexpectedly.... And therefore My concern is always for you, and I address you again and again. The near end is the reason for My address, because I still want to win souls which listen to Me and believe My word, for these will prepare themselves, they will make an effort to live according to My will, and their good will will always receive strengthening from My side. Again and again they will desire to hear Me and truly draw strength from My word because I have blessed My word with My strength....

Amen

Time determination of the end - "Day and hour no one knows"

Determining the time of the end - False prophets....

B.D. No. 5162

July 1st 1951

The intention to determine the time of the approaching world judgment does not correspond to My will and My wisdom, which recognises full well that knowing the time and hour would not be beneficial to you humans, as it would influence your thoughts as well as your actions and therefore it will be kept a secret by Me, in spite of My constant announcements, warnings and reprimands. You humans have to conduct your life in free will, constant references to the approaching end are certainly good but not the exact knowledge of time and hour. Indeed the end, the world judgment, is very close at hand and I will repeatedly mention it to you, nevertheless you all will be taken by surprise because no one will expect it with certainty and believe in the approaching end. But anyone who believes that he can specify the time and hour is not My messenger, and his words should not be trusted even though he claims to speak on My behalf, even though he wants to guide his fellow human beings to the right faith in Me. All the same, this claim can not have been imparted to him by My spirit, it can not have originated from Me, it is his own product of thought which he firmly believes to be truth and therefore he tries to spread it....

‘No one knows the day and hour...’ Remember these Words, which I spoke to My disciples on earth.... As God and Creator of infinity I Am well aware of this day and hour since eternity, yet My wisdom prevents Me from proclaiming this knowledge to you humans. For it concerns the human being’s will which may not be infringed, but it would be infringed by any precise revelation of the last day.... The day itself has indeed been predetermined since eternity, but so are all events preceding it which aim to contribute towards the voluntary change of the human being’s will. And thus I will do everything which helps and enables the human being to expect My judgment on the last day in the right frame of mind.... But if a person himself makes no use of it, his fate is already decided for an infinitely long time.

To know the day and hour of the end would then result in a compulsory change of his nature which, however, would neither entitle him to enter the kingdom of light nor the paradise of the new earth, but it would not result in eternal perdition either.... because anguish and fear determine his will and not love, which should be the only reason for a change of will. Thus his love would not be sufficient, and therefore one cannot speak of a change of disposition; nevertheless, the human being has to be given credit for his will to do right, he effectively would be obedient, not due to love but due to fear... yet love is the crucial factor in the end.... For I want to separate the sheep from the goats, I want to initiate a purification process and thereby end one period of redemption before the beginning of a new one.... Hence a clear decision of will has to take place, for which people have ample time and opportunity, and in order to motivate them they are informed of the end.

But they have to make their choice entirely without compulsion. Therefore I will keep the day and hour a secret but it will come like a thief in the night.... it will arrive when no-one is expecting it, when people find their satisfaction in the enjoyment of life, when they chase one enjoyment after another, when they forget everything around themselves and are merry, when they experience utmost joy of life.... Then the day will dawn which brings everything to an end.... And then it will emerge who will stand by Me or by My adversary, who is lord of this world.... Everything will then be revealed, light and darkness, truth and lie, love and hatred.... no-one will be able to hide himself or conceal his true nature.... Then everyone will show his true face, because the hardship around him pulls the mask off his face, and then everyone will receive his fair reward.... light or darkness, heavenly bliss or eternal damnation....

Amen

The last day will come suddenly and unexpected....

B.D. No. 5305

January 28th 1952

A sudden end is being announced to you.... This has to be understood in a way that no-one is able to determine the day, that no-one knows the day which only My Own will be able to discern in view of the immense, almost unbearable adversity that has also been announced as an event occurring before the end. Many people certainly know that the time of the end has started and that it, sooner or later, will finish with this day.... they know this because it is talked about everywhere but they don't believe it so firmly as to prepare themselves for this day. Worldly people will be seized by a tremendous craving for pleasure, ever more greedily they pay homage to worldly pleasure and unscrupulously enjoy themselves at the expense of others, their wishes and demands become ever greater, and they sneeringly laugh at those who, in their belief in Me, ignore worldly pleasures, and cause them harm wherever possible. The world lives in sin.... And this shall be your certain sign, for you will experience things you wouldn't believe possible.... The evil conduct of your fellow men will reveal the hour on the world clock....

And despite the fact that you will be able to observe everything and that the signs of the time are completely obvious, you, too, will be taken by surprise, for the end will come sooner than you think.... The end will come from one day to the next, that is, the activity of the world will pulsate extraordinarily sprightly and make people believe that they are on top of life, that **they** are in control and can shape their life to their liking.... My Own will closely watch this commotion and anticipate the downfall, yet they, too, believe that the Judgment will still be delayed in view of people's seething joy of life although their nature is appalling and heartless. However, the harassments by the latter will grow and I Myself will stop them.... For this reason I will come suddenly and unexpectedly even for My Own, for the sins of worldly people are disgraceful, Satan oversteps his authority and therefore his hour has come.... When no-one expects it the day will come which has been determined from the start.... the last day on this earth, which brings fear and horror for those people who belong to Satan, but which also signifies deliverance for My Own from utmost adversity.... the day of Judgment, when it will come to pass what has been proclaimed in Word and Scripture....

Amen

Time of end....

B.D. No. 6291

June 22nd 1955

In My eternal plan of salvation the time is fixed when the work of transformation on this earth takes place, for I have known since eternity when My will has to intervene in order to prevent the spiritual substance from completely sinking into the abyss, in order to reintegrate it into the process of development so that it can strive upwards again. And the periods of time are always measured such that they are certainly sufficient for the complete redemption of the spiritual substance but that they must not be too long for the failing substance either, because it will always sink deeper and then the return to Me will become increasingly more difficult and agonizing, because the means for the redemption of this spiritual substance correspond to the distance from Me.... During the period of redemption a great deal of spiritual substance is released, but the spiritual substance which has passed through creation is often still so opposed to Me that it needs a **longer** time until it can embody itself as a human being, which is why at the end of such a redemption period humanity usually still carries much of this resistance within itself and therefore precisely these people have no impetus to ascend but increasingly chain themselves to matter again, thus the inclination towards matter also pulls the soul down. And when people of such an attitude predominate, then the time has also come when a complete transformation of the earth is necessary in order to favour the process of development

again.... Then the separation of spirits has become necessary.... And therefore I have known since eternity.... I will never prematurely end a redemption period in order to save what is still possible before the new banishment, because I alone know what such a new banishment in solid matter means for the spiritual being.... I will never let a being fall prey to this fate which still offers the slightest prospect of a change of will, of a rescue from this fate. But I will also not miss a day **longer** in order not to increase the agony of these newly banished beings, which, however, would necessitate an ever deeper fall. I know when the time is fulfilled which was granted to the spiritual beings to become free, and My eternal plan is also based on this. And therefore I also have to point out to you humans the events which lie ahead of you, because even these indications can still shake people up and the short time until the end can still bring them salvation. But the day of the end will not be postponed by this. And even if you humans are never allowed to know the exact time for the sake of your freedom of faith, I nevertheless tell you that you are very close to it, that you don't have much time left, that your life on this earth will end very soon.... I tell you very urgently and advise you to believe Me and to adjust your life as you would do if you knew for certain the day and the hour.... Let yourselves be earnestly warned and admonished.... Turn away from the world, leave everything that is perishable and remember your soul, which is imperishable, and prepare a blessed fate for it by only striving for that which will bring you salvation.... Establish contact with your God and creator of eternity, see in Me your father Who longs for His children, and entrust yourselves to Me that I will guide and direct you in the last days of your earthly life.... Use the last short time you have left until the end.... so that you belong to the few who will still be saved from ruin.... so that you may live and not perish to eternal death....

Amen

The day of the end is decided for eternity....

B.D. No. 8729

January 18th 1964

Even if you inwardly resist the thought that everything around you shall perish, as it is constantly proclaimed to you, it will nevertheless come to pass with certainty, for My Word is truth and the end of this world in its present form has been decided for eternity.... My plan of Salvation will proceed, for once I make a decision it will not change, because profound wisdom has recognised what serves My intention from the start the return of all fallen spirits.... and therefore I will implement what has been decided. The fact that the precise date will never be given to you humans is explained by your freedom of will, which would be at risk were you to know the exact day and hour. But the human race will never remain without warning, I will always announce what is to come, so that they can prepare themselves and the end need not be an end to be scared of for people. And thus I reiterate over and over again that the length of time the souls were granted for this salvation or earth period has expired.... that the total transformation of the work of creation called Earth is also necessary because everything has become disorderly, because nothing which furthers the soul's development is utilised anymore and because the earth shall fulfil its purpose again: to help the souls attain maturity, which, however, makes a total transformation of its surface unavoidable. And even if you are still granted a reprieve, you should not believe that the end has been revoked.... The day will be upheld which has been preordained for eternity.... You should merely know that you have already reached the lowest point which entails an end, thus, according to the state of you souls the prerequisites for a disintegration of earth would exist already.... However, My decision is irrevocable, and thus you may regard your remaining time as a gift of grace, for you can still change, since it is never too late for that.... And therefore I call to you time and again: Believe that you are shortly facing the end. For even if a short time still passes by, it is nevertheless but a moment compared to the immense happening which will subsequently take place, which will conclude one period, the beginning of which you are incapable of ascertaining because the beginning and end of an earth period are so far apart that you cannot produce any clear evidence, nevertheless, you can be convinced that they are infinitely long periods of time.

Although the individual human being is apparently unimportant and tiny in the great events of the world, he is nevertheless a once originally created spirit whose return means a lot to Me and whom I would therefore like to save **before** this end, so that he will not have to spend infinitely long times in agony and wretchedness again, which he can avert from himself by merely paying attention to My admonitions and warnings which he will still receive during the last days. The remaining time of grace is only short, and every day should be regarded by you as a gift which can manage to achieve your inner change, it can mean turning back on the path you are walking.... providing you believe in an end of this earth and therefore also in an end of all living beings on earth, as it is constantly proclaimed to you. You don't believe because one day goes by like another and nothing unusual happens, and yet I give you so many wake-up calls.... you are constantly faced by different natural disasters, time and again different commotions bother you, which are intended to arouse you from the state of sleep you find so comfortable.... But you don't want to accept anything as a sign from above.... You continue with your thoughtless way of life, you smother every sense of responsibility.... You live on earth and yet do not acquire **eternal** life but approach death instead. Nevertheless, you have reached the end of an earth period, and if you don't believe this you will be taken by surprise and will find no way out, but prior to this you can still find it if you take the path to Me, if you hand yourselves over to your God and Creator and appeal for My shelter and protection from all difficulties of the impending time.... if only you acknowledge Me as your God Who wants to be your Father.... Then you truly no longer need fear the end, for then your return to Me will have been accomplished and I will be able to accept you in the spiritual kingdom where you can still continue to ascend if you leave this earth in a low degree of maturity. Nevertheless, you will have found Me and accomplished your return to Me in the last minute, you will have escaped My adversary and, while still on the old earth, have come to the correct realisation that you can only find salvation and beatitude in Me, and then you won't need to fear the end anymore either....

Amen

The end casts its glow - Notification of a world-shattering disaster

Purpose of natural disasters....

B.D. No. 2086

September 25th 1941

It can be unhesitatingly stated that the earth will be afflicted by powerful natural disasters; indeed, these catastrophes should even be mentioned so that people will know that the respective events are not determined by coincidences. There is no such thing as a coincidence, everything is predetermined, and everything takes the path of higher development. And the forthcoming natural disaster will release countless beings and provide them with opportunities for new forms. At the same time, however the disasters are intended to affect people such that they will look for a connection with God. People only consider the latter very rarely now, this is why God wants to bring Himself closer to them again if only by means which cause fear and terror in people; but if events are proclaimed in advance a person will recognise the correlations and then entrust himself to the Power Which is able to help him. The forces of nature are the only means which can shake up the most unbelieving person and lead him back to faith. Yet they never last long and likewise the will to believe only lasts for as long as a person is in danger of losing his life.

However, the eternal Deity will never intervene with anyone such that a person is forced to believe.... Even in greatest physical adversity He will allow him his freedom. He certainly fights for the still imperfect souls but He does not compel them. And therefore natural disasters will also have to occur within some conformity to law, they just happen more or less violently depending on the necessity for those endangered people who lack correct realisation. And for that reason they shall be informed of the forthcoming events.... Humankind shall become utterly helpless and with childlike trust call upon God for assistance; prior to this it shall already be informed of the dreadful time it is approaching, and if it is only of weak faith all announcements will be accepted with indifference since it will most likely assume that the announced event will not happen. And yet, people will remember it if their body and soul are in peril. And this is intended, for as horrendous as the effects of a natural disaster might be it always entails a shock to human thinking and this can also have a beneficial effect on people's faith, providing they had received the knowledge beforehand. For the whole of humanity is facing a turning point of life. And blessed is he who recognises God's will in everything sent. Then he will truly not be able to behave differently than according to His will and only ever see the great adversity of his fellow human beings and look at the disaster as a means which can ease this hardship.... And this disaster is imminent.... it will come like a thief in the night.... And it will just as quickly be over again, yet the result will be inconceivable....

Amen

Indications of natural event.... Jesus' reference on earth....

B.D. No. 2437

August 5th 1942

It is not coincidence that increased indications in nature suggest an eruption of the elements, for God sends these signs in advance in order to prepare people for an exceptional natural event which will suddenly and unexpectedly take people by surprise and result in inconceivable misery. People are meant to associate these indications with His Word, for Jesus Christ already mentioned this time when He lived on earth, because He wanted to point out to people the eventual consequences of their way of life. This time is now approaching; people should heed the signs which announce the event.... They should not ignore anything that deviates from the framework of natural law. God announces Himself, that is, His intervention in the existing world order, it is not His will that people should experience

Source:: <https://www.bertha-dudde.org/en>

Word of God - 10/30

anything unprepared which should and can advance them spiritually if the correlation of all happenings is explained to them. For this reason God constantly refers to the forthcoming time and informs people that the time has come which necessitates divine intervention. Then it is left up to every individual person himself what he makes of this warning.... If he believes, he will adjust his life accordingly, he will make contact with God and humbly entrust his destiny to Him.... They will not be in as much danger as those people who lack all faith in an intervention. The latter will not prepare themselves either, instead, all references and admonitions will bypass their ears unheeded. And the natural event will be dreadful for them.

For profound faith gives a person the confidence that they are protected by God in every danger; yet an unbeliever will have nothing to hold on to if he does not recognise a Lord above Himself at the last minute and commends himself to His mercy. God sends His messengers long before the event already in order to stimulate humanity's thinking, and these indications can be recognised by everyone who wants to recognise them. They will give rise to thought because they don't just occur once but repeat themselves often and at regular intervals, so that they will have to be noticed by everyone. But every person usually devises his own explanation and this depending on his attitude towards God. As soon as he associates these phenomena with God's will, he pays attention to them and thereby benefits, since he prepares himself for the time ahead, which is of great advantage for his soul. What God has proclaimed in Word and Scripture will irrevocably come to pass, only the point in time is unknown to people.... For this reason they should pay attention to the signs which God had mentioned. And thus they will know that the earth will be facing severe tremors which will cause incredible suffering to the human race.... Then it is up to every person to shape himself such that he can brace himself for the coming time.... He should persevere and appeal for strong faith so as not to weaken in view of the work of destruction which is in store for humanity. And God will take care of every person who pays attention to His Word and consciously expects the divine intervention....

Amen

'I will come like a thief in the night....'

B.D. No. 2534

November 2nd 1942

People carelessly pay no attention to the signs of the time, nothing seems unusual to them, and they accept every happening without realising its significance. And they do not believe the proclamations about the impending natural disaster either, for they think that the time which is mentioned in the Scriptures has not yet come.... They do not accept any kind of explanation because the thought that people of the present time should be the victims is inconvenient to them. Therefore the forthcoming event cannot be made plausible to them either and they will be taken by surprise and be unprepared when the day arrives. And these are the people to whom the Lord says 'I will come like a thief in the night....' They will be fast asleep and will have made no preparations, and their souls will suffer serious hardship when they are recalled from earth. They will not be able to call upon God anymore because the magnitude of the disaster will deprive them of every thought.... God's love will not let anything happen to humanity without informing them first.... And He warns them a long time in advance yet He will not force people to believe these warnings.

However, anyone who pays attention to the signs will not find it difficult to believe. And anyone who is in contact with God will also feel God's admonition in his heart. He will become aware of the signs of the time himself and he will try to attain God's grace, that is, he will appeal for it and commend himself to God's mercy.... Only a short time separates you humans from this event, and you should use this time so that you can expect it with composure.... You should not entertain the thought that you are perfect and have no need of mercy, you should humbly entrust yourselves to God's love and always believe that your last hour has come.... you should listen to the admonitions of those who, as representatives of God, bring you His Word; you should know that the hour is not far away and always be ready. And God's love and mercy will help you during the hours of adversity. He will

remember you as you remember Him.... He will spare your life if it is helpful for you, or He will remove you from the earth and grant you a better life in the beyond if you are worthy of it.... But woe to those who approach this hour unprepared and lose their life.... Their fate in the beyond will truly not be an easy one. And God wants to protect people from this by announcing the forthcoming events to them and admonishing them to turn around if their way of life does not correspond to His will. And thereby He will demonstrate the Words of the Holy Scriptures 'I will come like a thief in the night, therefore watch and pray....'

Amen

God's intervention.... The end of the struggle....

B.D. No. 3143

June 1st 1944

The more the world becomes entangled in error the more it distances itself from God and the more heartless are the actions and thoughts of people who are worldly minded. And the increased unkindness also propels people into actions which surpass all previous happenings, and so people induce God's intervention themselves. People no longer realise that what they are doing is wrong. Global affairs will be steered into a direction for which no earthly solution can be found anymore, people's thinking is wrong and far removed from the truth, goodness will be persecuted and evil respected, and thus divine order will be revoked which is bound to result in a complete decline. And so the day which puts an end to the chaos comes ever closer, for the situation is so disastrous for humanity that God has set an end to it. And this end is approaching, the end of people raging against each other, the end of the war between nations which could never find God's approval because it is a battle for power which is not based on noble motives. People's hatred and heartlessness have given rise to it, yet they learn nothing in this battle, they have become more heartless than ever and their hate has deepened and manages to achieve such disgraceful deeds that they cannot be surpassed. And God will put a stop to this activity in a way that He shall thereby be recognised.... He will send a dreadful tribulation upon humankind which cannot be averted by their own will. He will terrify them and let them feel their own impotence because the elements of nature will be unleashed, leaving people defenceless and at their mercy.

And this day will not be long in coming. It will arrive so suddenly and unexpectedly that it will cause sheer horror, it will only take hours and yet be of such drastic significance that everything will have changed afterwards and people will only gradually become aware of the disaster when they have realised the full extent of the divine intervention. For God wants to reveal Himself with His intervention, He wants to show them that He Himself will bring about the end because people cannot find an end, because they would rather tear each other apart than give in and bring the indescribable adversity to a close. And this is why the end will be different from how people imagine it, God will demonstrate His power and remove the weapons from the hands of the earthly rulers, He will decide, and the outcome of the war between the nations will disappoint those people who wanted to achieve with violence what they were not entitled to and who therefore shall recognise their helplessness. For it is God Who ultimately determines world events, even if human will thinks that it directs them. And God's wisdom also recognises the most effective means for people and uses it in order to control the chaos which is the result of heartlessness and therefore has to lead to the downfall if God Himself will not put an end to it.

And the period of war will be followed by a new time of conflict which, however, will not erupt for the sake of worldly power but for spiritual supremacy, because the end is near and this spiritual battle will still have to be fought, the battle which concerns the faith in Jesus Christ, the divine Redeemer and His teaching....

Amen

Translation handled by Heidi Hanna

Open your hearts wide, be ready to receive My light of love from above and listen to Me: A sure sign of the approaching end is the visible appearance of a star which will move into the direction of your earth and yet takes a peculiar course.... it will often withdraw from your sight and then suddenly appear again, because it will be accompanied by impenetrable nebulae which every now and then will disperse only to condense anew....

You humans will experience something previously unknown to you as the effect of this star upon your earth is such that you will become alarmed because you fear that the earth could fall victim to this unknown star which will cause perceptible disturbances on earth which are, however, inexplicable to you. Some people on earth won't allow themselves to be shocked by anything that happens to them.... but who will now lose their composure because they can see themselves as well as the whole earth at the mercy of natural forces which they fear because they are unable to defy them.

And for the sake of these people 'are the powers of heaven moving....' I particularly want to address these people in order to achieve that they will entrust themselves to a God and Creator as soon as they realise that they are completely helpless.... What human will initiates.... no matter how dreadful its effect.... does not upset such people, yet they will become small and weak when they see themselves at the mercy of natural forces. And then it is possible that they will take refuge to Him, Who is Lord of all creation.... then it is possible that in their greatest need they will find Me.... This natural spectacle will cause enormous turmoil amongst people and the fear will not be unjustified either because, regardless of the strange phenomena accompanying the star, it will steadily move closer to earth and a collision will appear inevitable according to the calculations of those who discovered and followed its course. But I predicted long ago that 'I will send you an enemy from the sky....', that a natural disaster of immense proportions lies ahead of you which will precede the final end.... i.e. the complete transformation of the earth's surface.... and which will result in countless victims.... Time after time I draw your attention to it, and My Word is truth and will come to pass.... Yet you are informed of it beforehand so that you humans may become aware of My will and My power.... because you should know that nothing can take place without My will and that nothing happens without meaning and purpose.... that My thoughts are with those who are entirely without faith but whom I nevertheless don't want to lose to My adversary....

And for that reason you humans should know what lies ahead of you so that you may find faith easier when in your great need you think of Him, Who is Lord of heaven and earth.... of all stars and worlds and to Whose will everything is subordinate.... You receive knowledge of this in advance because it can help you find faith if you are of good will.... A disaster will come over you but for every one of you it can also be a blessing if he gains life for his soul in that way, even if he should meet with earthly death.... if he calls upon **Me** in his need....

Amen

Natural disaster before the end....B.D. No. 7151
June 22nd 1958

The earth will be shaken in its very foundations, because people shall be very clearly reminded of the end just once more, so that the thought of death will arise in them when they see themselves at the mercy of forces over which they have no control. Many people will in fact wonder how these earthly tremors came about but the rapidly succeeding events will not give them time for an answer.... For then detonations of huge proportions in different areas of the world will follow which make people incapable of thought, these will then be accompanied by a raging of the natural elements with inconceivable consequences, the extent of which can only be assessed by the survivors after the event. They will be inclined to believe that people's scientific experiments had been the cause of this

incredibly enormous work of destruction. However, they will be **mistaken**.... It is **My voice** which will and must resound forcefully, because people no longer listen to My gentle voice, and for their own sake a last rescue mission before the shortly ensuing end is still needed. Countless people will thus lose their lives, good and evil people will fall prey to the work of destruction but it can still be beneficial for the survivors if they learn their lessons from it, if they learn to recognise Me and henceforth walk their path together with Me.... I have long announced this event in advance yet meet with little belief, because people are unable to imagine a natural disaster on such a huge scale and because nothing of the kind has ever been experienced since the start of this earthly period.... Yet it has always been mentioned, and if people only had a shred of belief in My Word they would also expect one day what was announced to them a long time before. In the last days, however, all faith has vanished and even My Own find it difficult to take these proclamations seriously although they are willing and always united with Me by love.

However, suddenly and unexpectedly the first signs will become apparent, cosmic changes will manifest themselves and everything seems to leave its lawful order; strange observations will be made regarding the movements of the stars and for short periods of time alarming eclipses occur, but time and again an apparent period of calm will follow until the elements of nature are so suddenly and dreadfully unleashed that no-one will have time for considerations, and then the only help available will be to mentally call upon Me for protection in greatest peril and danger.... All people who had previously accepted the information.... even if it didn't seem credible to them.... will be greatly blessed because they will know about this only way and need only call upon Me in spirit and in truth. But many of them will be incapable of thought and I can only advise them to turn to Me beforehand already by appealing to Me for protection.... and I will accept this request, because it also demonstrates their faith in Me which I then clearly want to strengthen.... How the event will come to pass need not be explained to you humans since it would not benefit you; but you can believe the fact that it will happen and that it will exceed the hardship and misery which has occurred until now. And you can also inform your fellow human beings of it with inner conviction, for it can only be a blessing to know that everything is predetermined by your God and Creator, however, not in order to cause you harm but only to help your souls which are in extreme danger of going astray. For soon afterwards the end of this earth will occur, however, this will not be precipitated by Me but caused by human will which I nevertheless won't prevent from accomplishing all-destructive experiments, because the time has come for the unspiritual human race when a separation of the spirits will have to take place.... because all that which had left the divine order shall be led into order again, so that the faltered higher development can continue to progress on a new earth, which My love, wisdom and might will let arise again corresponding to My eternal plan of Salvation....

Amen

The end will come unexpectedly....

B.D. No. 7609

May 28th 1960

And unusual intervention by God will take place when the time is right.... This has been announced to you over and over again, yet you doubt it, because the time I still grant to you as a reprieve seems too long for you; however, you fail to consider that I regard time differently, that a short extension of time is irrelevant in view of the magnitude of My intervention, in view of the overwhelming act of destruction which this intervention as well as the forthcoming end will mean to humanity. You forget the fact that you were nevertheless only granted a short time of grace but that even the longest period of time will one day come to an end and that you should, therefore, expect every day that My announcements will fulfil themselves. And this is how you should also look at your life, always thinking that every day could be the last day for you. One day, when you no longer live on earth in the flesh, you will realise how short your whole lifetime on earth has been. And then you will also understand the urgency of My admonitions and warnings, for only then will you realise that your concept of time on earth is different from that in the spiritual realm. However, you should already

recognise this while you are living on earth and therefore accept My admonitions and warnings, you should not doubt even if you think it takes a long time until My intervention will take place. It will nevertheless come unexpectedly and cause tremendous adversity to those people who are not yet so united with Me that, in their distress, they simply take refuge with Me.

The day will come unexpectedly, like all big natural disasters of a similar kind, which you humans are unable to prevent or evaluate in advance.... Even so, it will come without fail.... I will repeat this time and again with all urgency, because it is necessary for you to prepare yourselves for it, for you to believe and always live your life in view of this natural event. For no human being will know whether he will belong to the survivors, no-one will know where the event will take place and which countries will be affected by it. You all should count on it and be thankful to Me if it passes you by. For in that case you will still have to fulfil the task of carrying out labours of love for those affected unfortunate people and of showing them the path to Me, so that I can comfort and uplift them and lead them out of all adversity. For truly, nothing is impossible for Me, and an intimate prayer can avert much suffering and hardship, wherever it may be. This is why I repeatedly come in the Word to you, so that you can draw strength from it in advance and calmly face whatever will affect you. And time and again I say to you: take care that you belong to My Own, who will find refuge and protection with Me, whom I will strengthen over and over again and to whom I will impart extraordinary strength to work for Me and My name. And then the end will not be far away anymore. And you should all prepare yourselves for this end and learn to believe ever more firmly what is proclaimed to you through My Word.... For everything will come to pass when the time is right....

Amen

Renewed reference to the end....

B.D. No. 8876

October 29th 1964

How often has the near end been pointed out to you already, how often have you been admonished not to live your life on earth complacently and to eagerly work at improving your soul, yet you do nothing in order to avoid the dreadful fate of a renewed banishment.... You don't believe these references until one day it will come upon you with force and then you will no longer be able to change your thinking and intentions. For the time I determined for it will be adhered to and the last day will come like a thief in the night.... Yet beforehand you will still be seriously shaken out of your sleep.... for all great events cast their shadows before them.... And this, too, will seem inconceivable to you, for the elements of nature will so violently manifest themselves that it will take many people's lives and cause great lamentation.... And yet, this natural event will only result in the fact that people will acknowledge it as the reign of a higher Power less than ever, that it will only add to their doubt in this Power because a God of love cannot be recognised in an event where countless people will have to sacrifice themselves.... But how shall I give you a sign of My power and might? You, who are unable to believe in this Power although you are at Its mercy? If I speak quietly to you, you don't listen to Me, for you close your ears and eyes and are unable to see the gentle light shining for you.... And since you don't pay attention to My quiet voice I must speak louder.... so loud that no-one can deny this voice anymore. Yet you will all make up excuses so as not to have to admit that you are being addressed by God for your own good. But those who recognise this wake-up call, who recognise Me Myself in the raging of the natural elements and take refuge in Me will indeed be saved, for even if they lose their earthly life they will nevertheless enter into eternity with the realisation of a God and will be able to continue their ascent.

But the end will come soon after this intervention.... no matter how implausible it seems to you.... This end has been planned from the start and nothing will persuade Me to stop it, for I do not only consider the human being who fails his last test of will but **all** creations are close to My heart whose development is still **below** the human stage but which are also My beings to whom I grant My mercy and whom I want to lead to ascent. And for this purpose the earth will have to renew itself, the earth's

surface must go through a total transformation, and the day is firmly predetermined. And you humans have to be told that you should pay attention to the sign of the times.... that I said to you 'it will be just like it was at the time of the Flood....' People will enjoy life to the fullest, they will not be able to stop sinning anymore because they will only love themselves, and this wrong love will allow them to do whatever they like.... And this will result in confused thinking, for no-one will pay attention to the divine Word any longer which clearly points His will out to them.... And then only the short time of the battle of faith lies ahead of you, which is the last phase before the destruction, it is the time when My Own will have to prove themselves, when they must profess Me as their Lord and God, as their Redeemer.... in order to then be able to enter the paradise of the new earth.... The hour of Judgment is very near and, yet, people refuse to listen, they continue to live their life on earth with indifference and unscrupulousness, and regardless of how many people mention it, they are lacking faith and without faith they won't change their way of life.... But the day will come like a thief in the night, and blessed are those who give credence to My Words and live in such a way that this day cannot frighten them.... who will therefore also prevail until the end....

Amen

Chaos and lack of faith after the intervention of God

Signs of the last days.... Battle of faith.... Chaos....

B.D. No. 3209

August 2nd 1944

To specify (know?) the moment of spiritual change would not benefit humanity since the precise knowledge is an interference with free will, because at the approach of the predicted time the human being would feel obliged to change his way of life. But it is not God's will that people shall receive knowledge of the day and hour when He sits in judgment over them, they shall only know that the end is near and by the signs of the time become aware of this end. However, if devout human beings ask Him for clarification He will answer them in a manner that is helpful for the salvation of their soul....

The Last Judgment is preceded by the last days, which last just a few months and are characterized by an exceptionally rigorous battle of faith. As soon as this battle of faith is carried out quite openly, as soon as all secrecy is ignored and all spiritual aspirations are bluntly and recklessly attacked, as soon as laws and decrees are endorsed which prohibit people's spiritual pursuits, as soon as all divine commandments are no longer observed, as soon as all believers are persecuted and have no more rights, the last days have entered into their final phase and the Last Judgment can be expected daily and hourly.... However, before this battle of faith flares up, humanity will find itself in a spiritual and worldly chaos; there will be noticeable regression in every respect. And this regression will be initiated by people who are dominated by Satan. He will show himself in earthly devastation and destruction, in heartless laws, in a God- opposing way of life, in civil disobedience and rebellion against the governing powers and in brutal oppression by the latter, in restriction of freedom and in evasion of law and justice.

These conditions will ensue after a huge earthly tremor, which takes place in accordance with God's will in order to terminate a conflict between nations that human will fails to end. For the people who are affected by this earthly tremor it will denote a change of their accustomed way of life, it will be a time of greatest deprivation and most difficult living conditions, and although this time will be favourable for the spreading of the divine Word it will not signify a revival of a worldly-clerical power. People will indeed eagerly strive to improve their earthly living conditions but these efforts will not be compatible with spiritual aspirations, with the belief in an Authority Which holds them to account and with the divine commandments that require love. And that is why everything that interferes with the return to the former good living standard comes under attack. Thus the battle of faith will start soon after the divine intervention which turns global affairs into a different direction. The events will follow each other quickly as they are hastened by people's low spirit, and this spiritual low shows itself in people's heartless actions, in their thinking, which shows extreme depravity and which prepares deeds that can only be called satanic. And thereby you can identify the moment in time when God's intervention can be anticipated. The global affairs themselves shall be a timetable to you, by the actions people are capable of doing you can see that they have totally distanced themselves from God and this clearly contradicts the opinion that this human race can still expect a spiritual renaissance.

The people who faithfully remain with God will indeed intensify their intimate relationship with Him, they will be in truth His church which will stand firm amid misery and affliction, but it is just a small group. The world, however, denies God, it is hostile towards all who support God, and this spiritual need signifies that the end is near.... Therefore pay attention to the signs of the time, pay attention to humanity's conduct, to their desertion of God and their preference of the world, when people are evidently influenced by Satan, when they are enslaved by him and do everything to disobey

the divine commandments, when nothing is sacred to them any longer, neither the life of their fellow human beings nor their possessions; when lies triumph and the truth is treated with hostility you know that the end is not far. Then you can watch the events unfold as they are revealed to you, because it will all take place during the lifetime of a man who, in a manner of speaking, hastens the disintegration, who pays homage to the destructive principle, who is not constructively but destructively active. And this man's end is also the end of the world, i.e. the end of the world in its present form and the end of those people who presently inhabit the earth, which are separate from those who belong to God. And now you know that there is not much time, that you are not given a long period of time and that the end is upon you shortly. And for this reason you have to prepare yourselves, you have to live as if every day is your last because you don't know when you will be called back and whether you will live to see the end of the earth. If, however, you are needed as defenders of God during the time of battle before the end, God will also guide your thoughts correctly and you will know when the time has come.... the time of the divine intervention by means of unleashing the forces of nature, the time of the battle of faith and the time of the Last Judgment.... It is God's will that you make people aware, thus He will also enlighten your spirit and guide your thoughts in a manner that you understand correctly and only voice and reveal to your fellow human beings what you have understood properly....

Amen

Antichrist.... End....

B.D. No. 3672

January 31th 1946

The spirit of the Antichrist has been in the world since Jesus Christ accomplished of His act of Salvation. He has constantly attempted to undermine His act, he has always and forever fought Jesus' followers, he has always and forever driven people into heartlessness, thus he has actively opposed Christ's will and teaching on earth, partly by means of spiritually confusing people's thoughts and partly, in human appearance, clothed in a gown of knowledge and intelligence. The teaching of Jesus Christ was opposed by a human teaching at all times which aimed to weaken it, thus it was antichristian, and this has always been Satan's work, the work of forces from below which intended to cause people's desertion from God or to obstruct their way to Him. And this antichristian activity is steadily on the increase and will be blatantly self-evident before the end.... Satan himself will be active on earth in human form, the Antichrist in person, whose activity will be extremely ominous for the whole of the human race. For he will initiate laws which aim to eradicate spiritually-minded thoughts, which will prevent all spiritual endeavour and intend to entirely secularize people. And this will be the last work of the one who fights against God, for he will be transgressing the limit of his authority, which is relentlessly punished by God.... The change of worldly events will be rapid, extensive worldly changes will occur in short succession and a ruling power will come to the fore by wanting to direct the state of affairs of all nations and, instead of order, will cause utter disorder. For his regulations will first and foremost apply to the suppression of all faith. He will find many supporters on earth, and that will be the sign for the End. For people won't resist it but will almost unanimously profess and celebrate him as a hero and victor whose goal they acknowledge and consequently also support.

And this will be the start of the most difficult time for believers. It will seem incomprehensible to them what is going on in the world, it will seem incomprehensible to them that God's love and patience allow His most sacred name to be slandered and ridiculed and Jesus Christ's followers to be ostracized and pursued in a most brutal way. Yet they penetrate the truth of the divine Word ever more, which has predicted all this, and thus they also faithfully commit themselves to God's guidance. The Antichrist rages in a most frightening way, he dazzles people by the actions he implements with support of strength from below.... Satan himself works through him as the opposing spirit of the One Who works in the living creations of love and faith, in people, who love God above all else and firmly believe in Him and thus have to suffer great adversities due to God's opponent. People will pay

homage to him, they will erect altars, they will proclaim him as the Messiah bringing salvation to them, for he will achieve feats which will impress people, yet they will not be works of love but mere activities of arrogance and craving for power. He will work as a human being, try to explain his strength as human strength and oppose and deny everything that is divine, that points to and testifies of God. And his willpower will be rock hard.... He will give orders, and anyone resisting his command will be destroyed by him.... He will seek to prohibit all teachings of Christ, all knowledge of Him and His act of Salvation, he will try to drag everything through the mud and regally reward those who assist him in his quest against Christ, just as he, full of hatred, will also take actions against His followers....

The Antichrist's stature will be recognisable by its external good looks, by his physical strength.... for Satan conceals himself so as not to be recognised for who he is. And his extraordinary abilities will draw humanity's attention to him, there will be no end of admiration. He will reside on earth in external splendour and grandeur, in contrast to Jesus Christ Who lived inconspicuously amongst his brothers, devoid of all earthly possessions with a love-filled heart for his fellow human beings. But the Antichrist's heart will be callous and unemotional towards all worldly hardship and yet humanity will jubilantly applaud him, blinded by his external brilliance and strength. He will appear suddenly and unexpected at a time of utmost earthly adversity and, with strong hands, promise relief, seize power and authority without meeting any resistance, because people only pay attention to the harsh conditions on earth and ignore this hero's spirit, who will want to distinguish himself and, with the help of like-minded people, elevate himself as a ruler. And then the end will be near.... For the resulting battle of faith will be the prelude to the entire work of destruction of earth.... It will only last a short time but with such intensity that it will require an extremely strong faith as not to succumb.

Yet once again God Himself will confront His adversary.... For He is in spirit amongst those who fight on His behalf, and the Antichrist runs in vain against the bastion of faith.... And he will fall from his throne into the mire of damnation.... His government will not last long but will cause unspeakable misery amongst the whole of humanity which will predominantly support him and abandon all faith in God, which will believe his earthly implementations and will thus finally also share the damnation, for it will be subject to God's adversary and therefore also share his fate. And this will be the End.... Jesus Christ will remain victorious and His church will continue to exist for all eternity....

Amen

Sudden end amid the ecstasy of worldly pleasure....

B.D. No. 5589

January 29th 1953

In the ecstasy of worldly pleasure people pay no attention to the signs from above, and the end is approaching with giant strides. The world keeps all their senses enthralled and utterly blurs the spirit; they respect no God and fear no power above, for they are content with the measures taken by the ruling powers, and the more secular their worldly promises of improvements are the more they applaud them. It is the same state of affairs as it was at the time of the great flood; their increased lust for life allows for no spiritual thoughts, and the fulfilment of their wishes and cravings is sinful because they discard all moderation and indulge in unbridled pleasure and thereby completely put themselves into the hands of God's adversary. And he has won his game with these people; he enticed them with earthly possessions and won them over surprisingly quickly. But his victory signifies death for people, death of body and soul, for the end will not be long in coming, the end will come amid the ecstasy of pleasure, unexpectedly and so fast that no-one will be able to think about it and there will be no more escape. They certainly could have recognised that it was shortly before midnight, for all the signs pointed to it, yet they kept their eyes and ears closed as not having to hear and see what they didn't want to hear and see. And thus the end will come unexpectedly.... When lust and vice have reached their climax, when sin gets so out of control that it can no longer be stopped by the warnings and admonitions of God's servants.... then the Judgment must come, which has always been and

forever will be announced. Therefore, pay attention to the signs, earthly prosperity will be recognisable which will signify an uninhibited enjoyment of life for worldly people who try to gain whatever they can from the world. In so doing they will find their faithful brothers' admonitions inconvenient and getting in their way, for this reason the latter will be treated with such hostility that a time of need will commence for the believers for the sake of Jesus' name, because the goal of the sinners' attacks will focus on His teaching and because everyone professing Jesus and His teaching will be deprived of everything essential for living. However, this time of need will be a temporarily blessing for the believers, for their faith will become increasingly stronger since obvious strength will be conveyed to them from above and because they will be able to hear the Word of God either directly or through His messengers.... And this time is still ahead of you; it will arrive without fail and must be overcome, because it is necessary to separate the goats from the sheep, because every individual person's attitude must be clarified; every single person must make a decision for or against God, and since this decision shall be taken in complete free will the pressure exerted by the earthly authority will be permitted, just as blessings from above will provide exceptional strength to those who want to make use of them in faith in God.... in Jesus Christ, the Son of God and Redeemer of the world.... People will still have to go through difficult times, yet blessed is he who experiences life as difficult.... For the others will go down because they paid no attention to any signs, because they feared nothing and yet will nevertheless have to face God's decision on the day of Judgment when the end of this Earth has come....

Amen

Announcement of the last judgment

End of the world.... Judgment Day....

B.D. No. 3519

August 22nd 1945

The end will come when no-one expects it.... It will be a time when God-rejecting people are enjoying life to the full while God's faithful are anxiously awaiting the coming of the Lord. The former, however, don't spend a single thought on the forthcoming end, they live for the moment without scruples or tempering their earthly pleasures, they indulge themselves, commit sins and are totally subject to Satan's influence. It will be a time when an apparent improvement of living conditions has been achieved, when earthly hardship has diminished for people complying with the demands of the ruling power, when only those people have to suffer who are excluded on account of their faith. And in the midst of this euphoria the Judgment will come.... surprising even God's faithful since nothing before will have given the impression that a change of their sad situation might occur. Humanity is rife with guilt of sin, it has completely detached itself from God and turned to His adversary, it has received his share on earth, earthly pleasures in abundance, and people's intentions and endeavours get increasingly worse and demonstrate themselves in their actions against the faithful, who are mercilessly bullied and helpless against their power and brutal aggression. They do a first class job for Satan and humanity is ready for destruction. And thus the end will come as it is proclaimed in Word and Scripture.... It will be a horrendous day for people, the earth will split open, fires will break through the earth's crust and all elements will be in uproar.... And people trying to flee will break into indescribable panic, yet wherever they turn they will find the same everywhere, certain destruction....

The end has come for all whose mind is turned away from God.... and the deliverance from greatest danger for His Own, who will be removed alive and thus escape physical death. God has already announced this time long in advance, yet no-one appreciates His predictions, and thus people will suddenly find themselves in a dreadful situation from which there is no escape. The destruction of the old earth has been decided since eternity, but when it will happen remains hidden from people, and thus they will experience it at a time when they believe themselves safe and masters of the world, when they try to get as much enjoyment as possible out of life, when they are totally captivated by the world and therefore exclude God from their thoughts.

And thus God reminds people of Himself.... He calls to account those who sin against Him because they refuse to acknowledge Him.... He sits in Judgment over humanity and separates people by lifting His Own into His kingdom and banishing the others once again.... by leaving them to lose their lives in an appalling way and imprisoning their souls once more, i.e. by constraining the soul's will so that it will have to take the path of development through the new creation again. This is a cruel act and yet one of divine justice, for people's sinfulness will have reached its climax. They are of service to Satan and have become sheer devils themselves; nothing else can be given to them but physical destruction and spiritual captivity so that God's faithful will be released from them and able to lead a life of peace and harmony on the new earth.

And although God is ever forgiving and patient while the sinfulness keeps growing.... the end will come without fail and at a time when it is least expected. For even the believers will be shocked, because everything worldly appears to prevail, because the increasing power of the world's representatives has rendered the faithful helpless and without rights. And thus the world appears stable and yet is so close to its destruction.... until the day comes, which God has determined since eternity, which no-one is able to predetermine and which, according to God's plan, will nevertheless bring the final disintegration of everything on earth. Only God knows the day, people shall always expect it and

prepare themselves for it so that they will belong to those who will be taken away by God in advance, so that they will not belong to those who will be condemned on the Day of Judgment, as it is proclaimed in Word and Scripture....

Amen

Coming in the clouds.... Rapture....

B.D. No. 3557

September 24th 1945

An unusual roar will fill the air as the Day of Judgment arrives. And this will be the last sign for people, yet it will only be recognised as such by the believers, which will cause them great joy. For then they will be anticipating the coming of the Lord.... It requires a strong faith to expect God to be coming in the clouds, for this is such an extraordinary process that godless people just ridicule and make fun of it when it is mentioned to them. They will indeed hear the sound, too, yet they won't see the Lord in the clouds and thus take little notice of the unusual noise in the air and won't let themselves be distracted from their lives.... exuberantly and without scruples they will continue to enjoy themselves. The faithful, however, will get together and, with a happy heart, prepare themselves to receive the Lord. They will have reached the limit of their physical endurance and know that their time of suffering has come to an end, and in the final hour they will unanimously profess their faith in God although it will mean the loss of their earthly life, because they will be mercilessly attacked by the world. Yet the appearance of the Lord will thwart the plans of their godless pursuers.... For suddenly they will see the believers being lifted off the ground and rising into the air.... At the same time there will be a sound of dreadful thunder and people will realise with dismay that something dreadful is going to happen. Paralysed by the unusual process of the rapture they will be unable to think, they will try to flee and see the same everywhere.... flames of fire bursting through the earth from which there is no escape. And their life will end in a most dreadful way, for the people who rage on earth like devils and are rife with sin cannot be saved.

But the flock of the faithful will witness the end of the old earth; the divine work of destruction will take place before their eyes, while they will have escaped and will be safe and secure in a place of peace, as promised by God. This will be the end of one period of Salvation and the start of a new one as soon as the old earth is shaped anew through God's will. Then the faithful will continue to live as the root of the new human race and the new period of Salvation will begin. The process of rapture is only understandable and therefore credible to a knowing and profoundly enlightened person, yet it will be the culmination of an anxious time of hardship and suffering, it will be the conclusion and the evidence of God's glory, Who will also prepare a fate for His Own which testifies of His glory.... It will be an act of profoundly divine love for His living creations who will recognise in Him their Father of eternity, who will have returned to Him and become as one with Him through love.... with whom He will then be able to stay because divine love meets with no obstacle once the human being has become love himself....

Amen

Coming in the clouds.... Rapture.... End....

B.D. No. 4531

January 4th 1949

And I will come to you to carry you into My kingdom.... Remember this promise during your hours of distress and wait for Me and My help, firmly believe that I will come as your Saviour when the adversity becomes insufferable. And don't be afraid, for I Am stronger than the one who wants to ruin you. You should know that it would be easy for Me to destroy him; yet nothing would be achieved by this for his many followers would continue his work if they were not destroyed as well. This, however, is not acceptable, for that which came forth from My creative spirit will continue to exist forever, it cannot cease to exist because it is everlasting strength from Me. Nevertheless, I will

rescue you from his power by banishing him and all those who are enslaved by him. You, however, will be led into the kingdom of peace where you will live as if you were in paradise, until I return you to the new earth which you then shall populate according to My will. No-one will believe this promise, this prophesy, for when I come in the clouds I will repeal the natural laws by lifting you up to Me in the flesh before your fellow human beings' eyes who succumbed to My adversary. They will effectively experience something unnatural, which they currently don't want to believe in.

But you, who are My Own, you know that nothing is impossible for Me, and therefore you also know that I can stop or revoke natural laws if it benefits My eternal plan of Salvation, thus you also know that there will be an end and that you are living in the last days before the end. Consequently you do not doubt this proclamation either, which I imparted to humanity at the beginning of this period of Salvation. You consider it possible, and you should firmly believe it, so that you subsequently will be able to survive the difficult time, always thinking and hoping for my assured help and My coming from above. Regardless of what evil people will do to you, don't take offence, for they will receive their punishment which will be bitter indeed. They will see you being lifted up before their eyes while death is lurking around them and they will be unable to escape in any direction; they will be devoured by the earth and be granted a wretched fate on the new earth. You, however, will receive your just compensation, all hardship will have come to an end, you will live in freedom and with joy on the new earth amid a paradise, amid love and in direct contact with Me, Who will often stay amongst the people who have become love. And this is the end which was predicted by seers and prophets time and again, which was announced ever since the beginning of this epoch of Salvation so that humanity will believe. Yet no-one takes these predictions seriously, nevertheless, the day will come when all this will happen and the last Judgment will occur, as it is proclaimed in Word and Scripture....

Irresponsible experiments are the reason for the destruction of earth....

B.D. No. 4708
August 9th 1949

The divine world order cannot be revoked; nevertheless human determination can challenge it, but only to its own disadvantage. Laws exist which human intellect will never be able to ascertain, for they not only affect the natural properties of earth but also form the basis of continued existence for other creations, hence they are impenetrable for the human intellect and have to be accepted, that is, they must not be ignored if opposite laws are not to come into effect, which were likewise given by divine wisdom, thus intending to maintain the eternal order.

A certain degree of creativity is indeed granted to humanity, and research in all directions can likewise be embarked upon. However, as long as the human being is not yet in full possession of spiritual strength he is subject to limitations both in regards to knowledge as well as to the exploitation of earth forces which are always active and must be utilized in definite conformity to law, in some sort of orderliness. If this lawfulness is ignored, if these forces are activated contrary to law, then the effect will be disastrous and total destruction of all matter will be the inevitable result, which human will is unable to bring to a halt. For then other creations, other celestial bodies which interact with these forces, will exert an influence and thus will be affected. People will no longer be able to observe these effects as they, without exception, will fall victim to such destructions, apart from those already in possession of spiritual strength who will be taken away from the endangered vicinity of earth by God's will.

Such a process will take place and thus signify the end of this earth. Human will is arrogantly resolved in wanting to investigate forces and through experiments thus will activate forces with said enormously destructive effect.... For the motives for these investigations, which will result in this unimaginable outcome, are not honourable. Hence God will deny them the blessing which rests on activities that aim to benefit fellow human beings. Besides, they will be contravening divine natural

law in so far as that they conduct experiments at the risk of human life, that they use human beings as test objects who have to sacrifice their lives. This is a sin against divine order, against the love for God and other people, as well as a sin against humanity which thereby is doomed for destruction. For the knowledge of those conducting such tests is far from sufficient and thus they will be undertaken prematurely which, however, is known beyond doubt. And such irresponsible experiments cannot be tolerated by God, hence they will have repercussions for the experimenters, who will achieve nothing else but total destruction of all material creations on earth, thus a shattering of matter which, however, in the spiritual sense means a disintegration of every form and a release of the spiritual substances bound therein. Thus people will trigger this final act of destruction on earth, and the whole of humanity will be destroyed due to the fact that craving for fame, excessive need for recognition and greed for material possessions are turning people into reckless speculators, who nevertheless are not ignorant of the fact that they will endanger their fellow human beings and still conduct their tests. Previously gained experiences will already have provided them with enough cautions and warnings in order to refrain from them, consequently their action is a sacrilege which God will not leave unpunished....

Sudden end even for the believers....

B.D. No. 5712

June 30th 1953

The hour of the end will come unexpectedly for many of those who know of it, for they, too, still deem it far away, because the commotion in the world does not yet reveal any decline, because the signs of the end are not yet obvious enough, even if they certainly consider it possible that they are living in the end time. And even My believers are as yet unable to seriously get used to the idea that they will live to see the end, for they are still firmly down to earth themselves, they see their fellow human beings constantly bustling with activity and the spiritual knowledge seems almost unreal to them in view of worldly people's aspirations, in view of the earthly progress and people's future hopes and expectations. Hence they, too, will be taken by surprise and realise that the apparently unreal is becoming reality and that people's hopes will be shattered. The end will come like a thief in the night.... yet it announces itself in advance, it casts its shadows, prior to it something will happen on a smaller scale, a natural disaster of immense proportions will announce itself and this will be the last admonition, the final indication of the end.... And although you humans doubt or refuse to believe it.... My plan of eternity is definite, and everything in the universe happens according to this plan. The end will arrive suddenly, because My admonitions and warnings are being ignored, which are truly constantly sent to humanity so that they will not experience the end unprepared. And the only reason for My announcements is to make sure that people will prepare themselves for it, that they consider the end and start the work of improving their soul, that they will live according to their short physical life which can nevertheless lead to the soul's maturity.

It is My will that all My admonitions and warnings shall be distributed, I want people to be informed of it, just as it is My will that the day of Judgment and the fate of those who have deserted Me shall be bluntly presented to them, for people can achieve their own deliverance, the end need not signify the hour of terror for them, they can also calmly look forward to the end if they comply with what is lovingly recommended to them, if they prepare themselves, that is, if they still live on earth according to My will until the last hour has come. Although they are indeed unable to postpone this hour they can nevertheless await it consciously because it signifies the end of suffering for those who have found Me and will only harshly affect people who have renounced Me and therefore are no longer entitled to inhabit the earth which is only intended to help the soul attain maturity.... The end will come as certain as night will follow the day.... the day was determined an eternity ago yet you don't know when it will come.... However, you should believe that everything I announced and continue to announce through seers and prophets will come true, that the day is close at hand for you, that it will take all of you by surprise and that you therefore should consider every day as the last one in order to

live consciously and to work at improving yourselves. Then you will never again need to fear the end but look forward to it with complete trust in My coming, which will deliver those of you who believe from greatest adversity....

Amen

Spiritual turning point.... The approach of night....

B.D. No. 6250

May 5th 1955

You humans cannot expect a spiritual revival on **this** earth anymore, for all forces of hell have been let loose which work on My adversary's instructions and truly have immense influence over people, because due to the extent of their own lack of spirituality they don't recognise who is controlling them. A spiritual turning point can no longer take place anymore, yet individual people can still be led onto the right path, individual people will still accomplish a change in themselves, and for the sake of these individuals everything will still be done before the end arrives. However, it will be strikingly obvious how rapidly humanity slides down, how increasingly deeper it descends into darkness and shuns the light.... it will be obvious how brutally the light of truth will be fought against, how much the unbelief comes to the fore, how far away from God people live yet pay homage to My adversary.... And therefore there can be no delay anymore because there is no further prospect that a change will ever take place unless I accomplish this change Myself.... but in a way which is **unwanted** by humanity.... by putting an end to everything and creating a new beginning.... The time span until the end is exceedingly short yet no-one knows the day, and therefore everyone strives half-heartedly, even My believers don't imagine it to be forthcoming so **soon** as to diligently work for their souls.... But I keep telling you time and again: You will be approaching it shortly.... I must reiterate this call over and over, I must incite you to be extremely active, I must also ask My servants to do their work ever more eagerly, because it is important and can still save individual people from ruin when the end arrives, which I announced on and on.... Although the events in the world will have to take their natural course, and this also places My Own into a certain state of calm, yet time and again I say to you: The end will arrive suddenly.... the day will dawn unexpectedly and end differently than usual.... it will be followed by an everlasting night and the light of day will only shine again for the few who are and will remain My Own despite the testing hostilities and pursuits by My adversary.... Admittedly, you still have to face the time of the battle of faith yet even this will only last for a short period of time, because it will be extremely fiercely waged, so that the day of My coming to earth will be precipitated by people themselves.... Events will very quickly follow each other and yet appear to people as completely natural occurrences which deserve no special merit.... hence they will not want to associate these events with the shortly approaching end....

For this reason it will also take My Own by surprise, for I will come like a thief in the night.... because no-one will think of it if the announced event still appears to be far away. If only you humans believed that your attention is merely drawn to it so that you can prepare yourselves.... Your remorse will be painful, for **all** of you still do far too little for the salvation of your soul. Earthly life was not given to you as an end in itself, and every day could be utilised such that you could attain an incredible abundance of light which will provide you with incomparable beatitude in the spiritual kingdom.... and one day you will realise this and sorrowfully remember the insufficiently used time on earth. But at the time of the end no-one believes or understands it, the prevailing low spiritual level can almost not be thought worse anymore, for you humans are unable to see that which is open before My eyes, you humans must believe what cannot be proven to you, and this also includes the termination of this earthly period, which is of great spiritual significance. You must, if you don't want to believe or think yourselves unable to believe, make an effort to live a life of unselfish love, and then you will feel within yourselves that you are approaching a completely different era.... And you will not go astray, for I take pity on all those who don't entirely belong to My adversary and help them to progress further in the kingdom of the beyond, if their earthly life comes to an end before the Last Judgment.... An extremely dark night is approaching, the day soon comes to an end but as yet there is

still light.... you are still able to use the light of the day and ignite a light within yourselves which will never be extinguished again.... And then you need not fear the approaching night....

But woe to you if you are sluggish.... if you believe that the day will never end.... Woe to you if you live from day to day without considering your soul.... And to those of you who don't fear death because you believe that you will cease to exist.... I say that you will experience death with all its terrors and that you will be unable to escape these terrors.... Then you will no longer be able to discard your life for you cannot cease to exist, you will continue to live even in the state of death, you will have to suffer agonies which you cannot get away from.... For spiritual death is far worse than the death of the body, which can also be your admission into a blissful **life**.... Listen to My call from above, let yourselves be warned and admonished.... Don't be indifferent and let these Words pass your ears unheeded but vividly imagine the hardship which will await you if you don't give credence to My Words.... You will constantly be able to observe the signs of the end, yet everything will happen so naturally that you certainly could believe but don't have to. Nevertheless, your beatitude depends on your belief, for only the believer will prepare himself, he will remember Me and stay in contact with Me, even when the work of disintegration has begun. For time has run out and in keeping with divine order, what has been determined in My eternal plan of Salvation will come to pass. The earth will be transformed and with it all living creations, so that all spiritual substances will be engendered into **those** forms again in which they belong according to their degree of maturity.... The divine order will be restored again, because there is no other way to guarantee the spirits' higher development, yet the goal of My love is only ever this higher development which intends to bring you, My living creations, closer to Me again....

Amen

The last judgment....

B.D. No. 7403

September 3rd 1959

There will be an end with terror for all who do not believe.... For they will experience something they did not think possible because it is something completely extralegal.... a process they cannot even follow to the end but will be the victims themselves, for they will lose their lives in the process, they will be swallowed up by the earth, and there is no way out for anyone.... unless he still calls out to Me from his heart in the last hour that I may help him. But the people who will experience the end, **apart** from the small flock of My own, who will be raptured before their eyes, are already completely given over to satan. are already completely enslaved by satan, and there will only rarely be one among them who converts not only out of fear but out of sudden realization of a mighty God Who can help him. And people will also no longer have time to think about it, for suddenly and unexpectedly the last judgement will fall upon humanity.... Suddenly and unexpectedly fire will come out of the earth, it will split and devour all living things on earth. It will be an act of very short duration but of tremendous effect, the earth will open like an insatiable abyss and absorb everything as it is proclaimed in word and scripture.... And there is no salvation.... it is irrevocably the end for everything that lives in, on and above the earth.... For the time set for the spiritual's development has come to an end and much of the bound spiritual must continue its course of development in a new form on the new earth. And this spiritual substance is grateful for the transformation because it is progressing in its development, which was already made very difficult for it on the old earth by human will.... But the spiritual embodied as a human being experiences a step backwards in its development because it is dissolved again into innumerable particles which all have to go the path again through the creations of the new earth, all of which are banished again into solid matter and begin an exceedingly agonizing existence again in a bound state, so that one day they will reach the stage again where they are allowed to embody themselves again as the soul of a human being.... You humans are now facing this great earthly and spiritual change, and the time until the end is shortening from day to day.... You are unaware of the horrors that lie ahead of you.... you calmly approach the day of dissolution which will nevertheless cause so much horror in you with subsequent banishment if you do not belong to My

own, to those who believe in Me and.... if they are only of weak faith.... will already be called away from earth beforehand so that they will not completely fall prey to satan because they would not be able to withstand the temptations by the adversary in the last days before the end.... All you humans who have to prematurely give up your earthly life, all you who mourn your departed loved ones.... rejoice, for they are saved from the downfall, from the ruin to which people fall who live ungodly lives and experience the end in this ungodliness. They cannot find mercy with Me, for I admonish and warn people again and again and so urgently to prepare themselves for this end without being listened to, and I cannot exert a coercive influence on them, I have to leave them their spiritual freedom which they abuse in such a way that they strengthen the adversary's power until the end and will also succumb to his power. Hard battles with this adversary still lie ahead and I therefore appeal to you humans to stand by My side in this battle if you want to be victorious and emerge from the fight in freedom.... And I will speak until the last day, but it is entirely up to all of you humans how you decide.... But the end with terror comes for all who do not believe and do not acknowledge Me.... But I will save My own from every adversity, I will fetch them into paradise and they will be witnesses of the downfall because they shall recognize My power and glory and bear witness to it to their descendants on the new earth....

Amen

2 Peter 3:10....

B.D. No. 8066

December 21st 1961

The day of the Lord will come as a thief in the night.... the day when I will reveal Myself to humanity with a voice of thunder which will be heard by everyone and which no human being will be able to avoid.... For sooner or later the act of transforming the earth will have to take place, sooner or later order must be established once again; the earth must again become a place of education for the souls which should mature fully and reach perfection. And this day has been planned for eternity, My plan is based on the fact that a transformation like that will occur one day because the human race itself will provide the reason for it.... which was certainly recognised by My wisdom.... And thus My power will also implement the plan and you can expect this day with certainty.... it will bring one period of Salvation to an end and a new one will start, as it is proclaimed in Word and Scripture.... Time and again I point this out to you, but since you humans don't believe, since you don't take My Words seriously, it will take you by surprise, for even if My adversary reigns on Earth in the last days, even if he brings people so completely under his control that they lose all faith and in the end are true devils which oppress My Own and cause them utmost distress, they will nevertheless be equally horrified when My Own are lifted up before their eyes and they realise that they cannot be saved anymore, that they will fall prey to an act of destruction themselves, that there is no way out anymore and that the earth will devour them.... For there is no other way to purify the earth; all living creations will have to be dissolved and the spiritual substances within be placed into new forms.... a comprehensive cleansing work has to take place so as to re-establish order, which will also guarantee progression for the spiritual beings and which will completely exclude My adversary's activity for a period of time, on account of which he and his followers will be constrained for a long time.

This day of the end is proclaimed to you humans over and over again, yet only a few believe in it and even these few have no idea how close it is.... yet I will repeat My admonitions and warnings until the end, until the end I will address everyone and draw your attention to it, and until the end every one of you will still have the opportunity to avoid the horror of this end.... And therefore don't pity those who leave you, whom I take from this life prematurely.... don't pity them, for their fate is better than yours who live until the end and don't believe.... They still have the opportunity to attain light in the beyond, but the former continue to descend ever deeper, for I know that they would also choose the path to the abyss in the kingdom of the beyond, that they would not make use of the blessings of an early death; after all, I know the state of every soul and accordingly also shape its earthly destiny. And even if it is difficult to believe in an end of this earth, people will nevertheless have no excuse for they

should only live righteously, then their end will not result in their banishment into hard matter, then they will either belong to My Own, whom I will return to the new earth, or they will still be recalled before and then they will not go astray either.... But it is better that they prepare themselves for an approaching end, that they take the possibility into account of being suddenly faced by an act of destruction from which there will be no more escape.... Anyone who reflects on these thoughts just once will certainly also find the path to Me, to the Creator of heaven and earth, Who brought everything forth from Him and therefore can also destroy everything again.... And I would like to rescue all of you from ruin; consequently I will bring the final work of destruction on earth home to you time and again And anyone who believes will not have to fear this day either, for he will prepare himself, and even if he is still weak and not perfect, he will nevertheless find a merciful Judge Who will not condemn him but help him attain eternal life....

Amen

Fulfilment of predictions made by seers and prophets....

B.D. No. 4879

April 14th 1950

Very soon you will realise that My Word will fulfil itself, because the time has come I have always and forever announced through seers and prophets. They all proclaimed My Word, thus they only expressed what I wanted to tell people, and since I used the prophets as My representatives they were only able to say what I Myself wanted to say. Hence it is certain that these messages will fulfil themselves, because My Word is truth. The believers are merely unsure when My prophesies will come to pass and therefore they are not taken seriously either, for everyone believes that what people were foretold a long time ago will happen in the future. They don't know when the time will be fulfilled, but neither do they believe that they are living in the midst of this time....

They believe and yet they do not believe.... They do not reject it, but they do not want to admit it is happening now, and therefore they have become indifferent to their psychological task. But I keep telling you that you do not have much time left to think about it if you do not want to be taken by surprise. You will only be on this earth for a very short time and it is up to you whether you, too, will belong to the inhabitants of the new earth. In that case you will have to believe firmly and resolutely that the end is near and prepare yourselves for this end. You have to live in accordance with My will, then you will discover for yourselves what time you live in. Then you will no longer waste time and also know what fate awaits humanity; and in order not to belong to those unfortunate people who will have to fear the end you will have to join Me and turn your back on everything that belongs to the world.

But if you exist without faith you will only pay attention to the world and will not recognise the gravity of the hour. Then you will be hopelessly lost for an infinitely long time. I can only warn you of the end and remind you to love, but I cannot forcibly convey the understanding and knowledge to you. You are therefore in utmost danger and only because you do not believe the Words, which will be repeatedly proclaimed to you through seers and prophets that the end is near. Yet time and again My love will cross your path in order to guide your thoughts to the end.... My love will let you take painful ways in order to take your eyes off the world.... My love will speak to you through My servants, it wants to save you, nevertheless, it allows you complete freedom....

Amen

Notice to the near end.... judgment day....

B.D. No. 5159

June 26th 1951

You shall all experience My grace and in the last days be clearly informed of the end by being able to perceive many changes around you, the passing away of earthly possessions, the sudden

passing away of fellow human beings who are torn from the midst of life, strange changes in nature and all in accordance with ancient prophecies which I always and constantly sent to people through seers and prophets in order to draw their attention to this last time. You humans will all be prompted to think and the question will be put to you as to what fate you yourselves are facing. Earthly and spiritually you will be troubled, for earthly events will frighten you and also give rise to spiritual thoughts, because you humans unconsciously feel that your order is very poor. All earthly events would not frighten you if you had established spiritual order, but you look for a substitute for the spiritual in the earthly, and since the former now seems uncertain to you, your thoughts are nevertheless directed towards the question: How will I survive when everything is over?... And this question shall arise in you, this is why I allow so much adversity to befall people, for you don't have much time left but still enough if you seriously want to change. All the strokes of fate that still affect you before the end are means of grace, even if you don't want to accept them as such, but they can still bring you to your senses how miserable you are in the event of a sudden recall from this world.... Pay attention to all events around you, keep your eyes and ears open and prove to yourselves that there is still a spark of responsibility in you; don't be indifferent, look into yourselves and quietly reflect on your intrinsic value if you are to justify yourselves before Me on the last day. For the last day is for everyone the day of his body's death, which is closer to **all** of you than you realize and will befall some of you even more quickly, for much still lies ahead for all of you. You cannot prevent the death of the body when your hour has come, yet you can stop the death of the soul, indeed, you can give the soul true life which lasts forever, which can never be taken away from you once it has awakened to the life of the spirit. That is why I so often hold bodily death before your eyes, that is why you so often see it around you; you see everything pass away that was worthwhile to you and gave you joy, you see dear people pass away from where no return can be expected. I let you see all this so that you become thoughtful about your own ego, so that you give yourselves an account of what you have to record in order to secure eternal life for yourselves when the body passes away and nothing remains on earth. And if you think about it and only listen a little to the voice within you, you will have made use of a means of grace, for I cannot help you in any other way. Everything that comes from Me must look as if it comes from within you, only then will you accept it. You will still often have cause to think about it, and you should always remember that the last time brings extraordinary phenomena with it, so that all those who still have a good will can achieve in a short time what they otherwise have a lot of time at their disposal for. But the end is approaching with rapid steps and I still want to win many **before** the end comes. For this reason My grace is constantly distributed to you, anyone who recognizes it and makes use of the means of grace will not be lost on Judgment Day, even if it comes suddenly or only at the end. He will not need to fear it because My grace has saved him from spiritual death....

Amen

"Work while it is still day.... "

B.D. No. **8413**

February 16th 1963

It is still daytime when you are in the grace to receive light, for much light flows to you from Me, you who open your eyes and desire light.... But the day draws to a close and is followed by a night of endless duration for those who did not use the light of the day to work on their souls, who did not seek and find the right path in the light, which leads up to the eternal light, where there is no more night.... You are standing in a late hour and are therefore admonished with a loud voice to make good use of the last rays, the last glimmer of light before nightfall, for you can also make up much in a short time if you are only serious about escaping the eternal night. Don't follow the one who wants to lead you back into deepest darkness again but turn your eyes upwards, to Me, from Whom the light emanates which will make you immeasurably happy, you who want to escape the darkness. But time draws ever closer, the world clock does not stop, and night falls for people who walk along indifferently and do not think of their souls. And what this night means for those you cannot understand, otherwise you would truly do everything to escape it.... The night means for the souls a

relapse to the deepest depth, it means renewed dissolution and renewed banishment in solid matter, it means a renewed walk through the creation of the new earth, in torment of the bondage which they had already once lived through and overcome.... But you are warned and admonished again and again, and everything is tried to portray the night to you as black as possible.... However, you do not believe and it cannot be proven to you. But the words are well known to you: 'Work while it is still day, for the night is coming when you will no longer be able to work'. "But you only understand bodily death by this, you do not know that another night is meant, for bodily death need not mean renewed darkness for your soul; after bodily death the soul can also enter into the brightest light, where there is no more night for ever.... So the death of the body need not be feared, for it can also induce immature souls to seek the light in the kingdom of the beyond.... But the night, which is meant by these words, is to be feared, for it lasts for eternal times and means endless torment for the souls until they slowly reach the height again in order to once more lead an existence as a human being on earth and to be faced with the same decision as the human soul is now facing.... Please listen to My warnings and try to get an idea of this dreadful imprisonment which you can still escape if you are of good will and turn to Me, Whom you are unable to deny upon serious reflection.... Don't let yourselves be completely taken captive by My adversary but believe that there is a saviour Whom you can call upon for help when you are too weak yourselves.... Jesus Christ, the redeemer of the world, Who defeated the adversary and also paid the purchase price for your soul if you yourselves only **want** to be set free from My adversary.... And hand yourselves over to Him, in Whom I Myself became a human being in order to redeem you from his power, so that you can become blessed again.... Don't let the night fall upon you which will deprive you of your self-awareness again, for you have already come considerably closer to Me when you start your earthly path as a human being. Don't let it be in vain, and don't let him triumph who only wants to ruin you but not prepare beatitudes. Just believe that night will irrevocably fall, for the time has been fulfilled which was granted to the spiritual being for its redemption from the form, and this time will also be kept, as it is intended in My plan of salvation from eternity.... Believe it, that you will feel exceedingly well when you have made use of the light of day and no longer need to fear the night, even when your temporal life has ended.... You will rise to eternal life and never lose this life again, which means light and strength and freedom in bliss.... Therefore work while it is still day, for the night is coming when you will no longer be able to work....

Amen
