Indications of natural event.... Jesus' reference on earth....

B.D. No. 2437

It is not coincidence that increased indications in nature suggest an eruption of the elements, for God sends these signs in advance in order to prepare people for an exceptional natural event which will suddenly and unexpectedly take people by surprise and result in inconceivable misery. People are meant to associate these indications with His Word, for Jesus Christ already mentioned this time when He lived on earth, because He wanted to point out to people the eventual consequences of their way of life. This time is now approaching; people should heed the signs which announce the event.... They should not ignore anything that deviates from the framework of natural law. God announces Himself, that is, His intervention in the existing world order, it is not His will that people should experience anything unprepared which should and can advance them spiritually if the correlation of all happenings is explained to them. For this reason God constantly refers to the forthcoming time and informs people that the time has come which necessitates divine intervention. Then it is left up to every individual person himself what he makes of this warning.... If he believes, he will adjust his life accordingly, he will make contact with God and humbly entrust his destiny to Him.... They will not be in as much danger as those people who lack all faith in an intervention. The latter will not prepare themselves either, instead, all references and admonitions will bypass their ears unheeded. And the natural event will be dreadful for them.

For profound faith gives a person the confidence that they are protected by God in every danger; yet an unbeliever will have nothing to hold on to if he does not recognise a Lord above Himself at the last minute and commends himself to His mercy. God sends His messengers long before the event already in order to stimulate humanity's thinking, and these indications can be recognised by everyone who wants to recognise them. They will give rise to thought because they don't just occur once but repeat themselves often and at regular intervals, so that they will have to be noticed by everyone. But every person usually devises his own explanation and this depending on his attitude towards God. As soon as he associates these phenomena with God's will, he pays attention to them and thereby benefits, since he prepares himself for the time ahead, which is of great advantage for his soul. What God has proclaimed in Word and Scripture will irrevocably come to pass, only the point in time is unknown to people.... For this reason they should pay attention to the signs which God had mentioned. And thus they will know that the earth will be facing severe tremors which will cause incredible suffering to the human race.... Then it is up to every person to shape himself such that he can brace himself for the coming time.... He should persevere and appeal for strong faith so as not to weaken in view of the work of destruction which is in store for humanity. And God will take care of every person who pays attention to His Word and consciously expects the divine intervention....

Amen

Spiritual adversity – Reason for divine intervention

Atheism.... Divine intervention....

B.D. No. 1066

August 22nd 1939

The divine Creator must rightfully address the extent of people's lack of concern in respect of spiritual matters, since the whole of life on earth is pointless and useless if the soul leaves its earthly shell in the same state as it had received it. And such a wasted life is an abomination before the Lord, for the Lord gave people this life for improving their soul and not for a thoughtless way of life and the chasing after earthly pleasures. Woe to those who do not recognise their task on earth.... Countless obstacles will be placed into their path, so that they will run into them and be forced to investigate where all this is coming from. Such an obstacle is occasionally able to cause a complete change of thinking and to resolve the carelessness and indifference towards all spiritual matters. And therefore God's will always intervenes where spiritual ruin is foreseeable. If the human soul's downfall is looming, drastic experiences must weigh the mind down if the soul's fall into the abyss is to be prevented at the last minute. The distinctly visible continuous spiritual decline is the best evidence of this. Does anyone ever even associate the smallest event with God? Does anyone ever give honour to God and thank Him when daily life proceeds smoothly?.... Does the human being not experience new miracles around and above him every day, do these constant experiences ever make him think of his Creator?.... And how often does God's grace guide a person through adversity and danger.... and he accepts it as a matter of course when he should, in fact, praise and glorify God without end. Only a devout disposition recognises the Lord's guidance in everything.... only a faithful child places all its trust in the divine Creator and Redeemer.... Yet the human race barely knows faith, and it is so removed from spiritual experience that the God of love wants to help people in their spiritual adversity. And thus the day has come that the flood of divine love once again pours itself upon humanity, for faith in God as Ruler of heaven and earth shall arise anew through signs of a miraculous nature.... The spirit of a kind-hearted person will brightly and clearly recognise God's activity and he will instruct and help his neighbour to learn to interpret the signs correctly as well. You humans will come into possession of spiritual values; even so, you will look outwardly and unless you make an effort to listen to the inner voice, all Words will be in vain and thus the signs must talk instead on behalf of God's wisdom and might.... And you will experience many of those.... they will all point to above, for you do not recognise human influence therein; instead, they solely show the Lord's will and purpose. And this time is near and thus the time of spiritual adversity can be over for everyone who pays attention to these signs and draws on it for the benefit his soul....

Amen

The spirit of heartlessness.... Divine intervention....

B.D. No. 1464

June 9th 1940

The spirit of heartlessness rules the earth and its inhabitants, and the opponent has become victorious over countless beings whose lives are devoid of all love. And countless people are thus driven into the chaos he has caused and which became feasible precisely because of this heartlessness, which aroused inconceivable hatred and discord amongst people. People have lost all common sense for they are guided by the spirit of darkness, and this also keeps people's thinking enslaved or distorts it such that they no longer know what they are doing. Humanity has indeed rarely subordinated itself to the opponent's will so thoroughly as is the case now, and therefore the countermeasure will have to be exceptionally harsh too, if a higher spiritual state is to develop and people's present-day spiritual delusion remedied again. And so this spiritual hardship requires divine intervention, and divine love

and wisdom are aimed at using an event for the sake of removing this hardship which, admittedly, makes humanity doubt divine love and wisdom but which is nevertheless the only option left to save people from certain ruin.

People remain irredeemable; they cannot be persuaded in any other way to accept the faith and they comply even less with the commandment of love for God and their neighbour.... And then again, the human being has to acquire the right way of thinking if he is to be spared the adversity of the approaching time and his earthly life left to him. For the divine intervention will befall people with elemental force, no one will be prepared for it who has not united himself with God beforehand. And there will be a panic which only God Himself can avert again if He is sincerely called upon to do so. Yet people will lack the faith in God. For even those who live with faith and love will be stricken by anxious doubts since they, too, will very clearly hear God's voice. Their spirit will certainly take refuge in God, yet their soul will fearfully and with dismay await the events which are yet to come. They will barely be able to comfort their fellow human beings and will have to struggle for faith themselves, yet God will support them so that they shall not waver in their faith. But those who don't recognise God will look for rescue on earth and find no help.

They have to change their thinking or become victims of the elements which are instructed by God, the Lord Himself, to serve Him. There will be indescribable confusion, since only the most extreme adversity can still bring about a change in hardened sinners.... only the fear of losing their earthly life will make people soft and submissive and willing to pray. However, without prayer no gift of help can come from above, for only prayer provides the certain guarantee that God Himself will take care of His earthly children and release them from all anguish. And the hour will seem awfully long to people who see everything they found desirable up to now fall prey to destruction. And yet, people cannot be spared this hour since all of God's love and kindness has been rejected and there is no other possible way out of the spiritual adversity. Again and again God's forbearance has postponed this event, but finally His prophesy shall be fulfilled.... For the time has come when extreme weakness of will and unbelief can only provoke this catastrophe. The time is near which the Lord has announced through His Word when He lived on earth and referred people to this time of apostasy from God. For His Word is eternal truth and will come to pass, down to the very last letter....

Amen

Immorality.... Unwritten laws....

B.D. No. 2461

August 30th 1942

General immorality accompanies the time of people's unkindness and the fact that people no longer show any consideration towards their fellow human being's feelings and thus no longer exert any kind of self-restraint is also a sign of spiritual deterioration. And a generation without manners and without meaningful morality is heading for disaster.... Admittedly, people find this incomprehensible, since they consider decency a mere human addition and that the times justify giving full expression to all instincts. And their points of view are encouraged by the completely wrong opinion that moral laws merely prevent people from enjoying life and therefore must be abolished. No nation will ever survive if it does not want to accept any laws as a guiding principle which give people moral stability so that they will live their life within the framework of a certain social order.... These are unwritten laws which people have nevertheless accepted until now, because they have all recognised both the necessity as well as the blessings of such laws and, for the sake of human order, have submitted to them without argument.... These laws are increasingly more forgotten or they are knowingly discarded by people because they prevent them from living up to their sensuality. This clearly shows a decline of spiritual development, for the more sensual a person is, the less he strives towards God; he desires the world, that is, everything that gives pleasure to the body, and for the sake of the body disposes of all consideration towards his fellow human beings. As a result, the human being falls prey to spiritual forces which had lived a life of uninhibited pleasure on earth, which indulged their cravings and thus had led a sinful life. These spiritual forces exert

tremendous influence on these people and use them such that the human being pays less and less attention to the unwritten laws, that he unreservedly indulges himself in an easy way of life and that no limits exist for him than the fulfilment of his lust. This attitude towards worldly pleasures will never be conducive to spiritual development, for anything the body demands will always disadvantage the soul. Besides, spiritual aspiration will be laughed at and ridiculed, and this without all inhibition, because people will have lost all sense of decency and good manners.... Hence, the individual person's point of view will not be respected either but will be deemed hostile and therefore be discarded, often in the most shameless fashion. For immorality and spiritual deterioration go hand in hand. People indeed speak about being enlightened and, yet, they are less enlightened than ever before.... They speak of spiritual advancement and, yet, they remain far behind, for they don't understand it as the progress of the soul, instead, they only mean a wrong way of thinking, which they nevertheless find worth striving for. They try to construct a new morality for themselves which aids and abets an easy way of life and intend to portray it as ideal. And thus new laws will come into being and old laws will be revoked, and humanity will change accordingly and lose every guideline for a virtuous, God-pleasing life which is intended to improve the human being's soul....

Amen

Spiritual decline.... Signs of the end....

B.D. No. 4390

July 30th 1948

Spiritual decline is increasingly more noticeable and this alone ought to explain to you the earthly adversity, for the latter is the only means which could wake people up and prompt them into changing their way of thinking. People only strive towards acquiring earthly possessions and allow themselves to be controlled by matter rather than the other way round so that they would win in their battle against matter. Hence I constantly bring the foolishness of their endeavours home to them by showing them the transience of earthly things. Yet less significant happenings are to no avail, the individual person won't change his thinking and ignores the life of his soul, for he only takes his earthly existence into account and has completely lost faith in an afterlife. Humanity is descending ever further, faith is becoming increasingly more superficial and a bond with Me, their God and Creator of eternity, ever more seldom. And this will become particularly evident in a short time. The day of a complete change in living conditions, the day when everything will experience a transformation, is coming ever closer because My will is clearly moving into action. People will be unable to protect anything unless I protect it for them, and they will be defenseless in the face of My might and experience serious difficulties.

But blessed is the difficulty if it only has an earthly effect on a person, if his soul is not in jeopardy.... if the person has faith.... Then he need not fear this earthly tribulation, then he will only be able to gain despite his earthly losses. But this will be the start of a trying time for unbelievers, for their loss of earthly possessions will cause them indescribable suffering and they will have to give up all hope of regaining them. Spiritual possessions will be no substitute for them, for they don't strive for but reject them when they are offered to them. But this suffering has to befall earth, it is inevitable and only the prelude to the final event, to the complete destruction of the old earth which will be experienced by all of you if I don't end your life prematurely because I consider it favorable for your soul. The believer will see and recognise all signs of the end, the unbeliever will pass them by, he will only take notice of the earthly hardship and its effect on earthly life and increasingly turn away from God. And thus, there will soon be a separation between spiritually aspiring and utterly worldly-minded people and this, too, will be so obvious that the spiritually awakened person will recognise the last days by this alone. The end is approaching with giant steps and you will experience the end....

Amen

The greatest evidence of humanity's spiritual low level is lovelessness, which is evident amongst people everywhere. Selfish love has steadily increased and hardly anyone is practicing neighbourly love anymore, hence there also has to be a profane state on earth, a state of activity by evil forces, where God's adversary always has the upper hand and people are his willing subjects. The spiritual darkness is getting increasingly worse, rays of light are only seldom recognisable and even frequently feigned by deceptive lights without strength of radiance.... Judging by people's degree of love the time of the end has clearly arrived....

An obvious decline can be detected, people are firmly attached to matter, they only value their body and its comfort, earthly success and an increase of earthly commodities. They do not believe the fact that their souls are suffering extreme hardship since they do not believe in the soul's life after death, indeed, they frequently even deny having a soul. They cannot be forced into a different mode of thinking, their free will has to be respected, but accordingly they also prepare their own fate after their death.

And anyone who observes what is happening in the world, in his immediate neighbourhood, also knows that this state cannot continue forever because it is getting worse from day to day, because people's greed for matter continues to grow, because no spiritual aspiration can be noticed and because every situation will eventually come to an end if it does not correspond to divine order.

People no longer serve each other, everyone wants to rule instead and be served at the same time, everyone wants from the other what he enjoys but no-one is willing to do the same in return.... There is no love, people's hearts are hardened, and there are only ever a few people willing to help in times of need.... And this is the small flock, for once the will to love becomes active it will establish the bond with Eternal Love. And This will not leave a person again, who voluntarily performs labours of love.

You humans do not know the blessings of loving deeds.... you do not know how much easier you could travel your earthly path if only you would practice love and thereby receive consistently more for your soul, but also receive what you need for earthly life. But heartless humanity lacks this knowledge, everyone just looks after himself, and everyone tries to get whatever he can out of life and forgets that his hour of death is unknown to him, that he can pass away at any time and take nothing he owns into the beyond, but that he will arrive bare and miserable on the other side. For he has nothing to show for his soul which he had starved in earthly life but which is all he has left now and which enters the spiritual kingdom in desperate poverty. And this heartless state of people cannot result in the slightest spiritual progress. However, since the soul only lives on earth as a human being for the purpose of maturing, but this purpose is not fulfilled, a powerful intervention by God has to take place, a sharp reprimand and reminder, so that a few people will reconsider the purpose of their earthly life and change themselves before the earth's last stage begins which will not last long until the end.

People take no notice of God's gentle voice through strokes of fate, disasters and all kinds of accidents, through the Word of God from above, and thus they have to be spoken to with a louder voice, and blessed, who wants to hear God's voice and takes it to heart, for even then there will be many people who don't want to recognise Him when he speaks to them through the elements of nature with tremendous strength.... They, too, will not be forced but able to make a decision of free will, nevertheless they will be spared the worst, the recurrent banishment into hard matter, if they still find and take the path to God, if they still acknowledge Him and call upon Him for mercy....

But then the end will have come, for the earth will no longer fulfil its purpose, it will no longer be used by the souls as a place to mature, it will merely be utilized for the body, and everyone will elevate himself to a ruler of the world and cause the greatest destructions himself in the belief to

control all laws of nature and thus also to experiment with impunity, which then will lead to the final destruction of earth.

But this is what people themselves want, and thus it will come to pass as it is proclaimed in Word and Scripture: a new heaven and a new earth will arise and divine order will be re-established, so that the return of the souls to God can continue, as it is intended in His eternal plan of Salvation....

Amen

Indications prior to God's intervention

Destruction of works of creation and its consequences....

B.D. No. 3300

October 20th 1944

Everything visible to your eyes testifies to God's love, it was created to help the fallen substance, to elevate it from its sunken state again, and therefore every work of creation should be seen as an emanation of divine love and be respected and valued accordingly. None of God's creations may be wilfully destroyed, for then its function, its intended purpose, will be prevented. And neither may human work be destroyed which also has a function.... the function to be helpful. For every work of creation that originated from God's will was given this function, otherwise it could not result in higher development of the substance. And human creations are also assessed in relation to their function.... As long as they have the task of being useful, as long as they somehow serve other people or even other creations, they contribute towards the development of the substance and fulfil their purpose.

To destroy such creations results in the interruption of the spirit's progress of development and can never be justified before God.... as in fact all destruction of matter has to be motivated by love to be justifiable before God.... Consequently, if destruction takes place for the purpose of producing objects which are helpful to people, which serve a useful purpose, the destruction is justified for the love of other people. However, any other destruction is sacrilege.... sacrilege against other people and against God, Whose power created things which truly have another purpose than to fall victim to the human will of destruction.... And this sacrilege avenges itself badly....

When the driving force of hatred and unkindness between people destroys matter then people also have to pay for it.... materially, because they lose things that had fulfilled a useful purpose, as well as spiritually, and the latter in a particularly painful way.... Because spirit has been freed against its will and before its time, and this spirit disturbs all substances in its environment but especially the human being by permanently appearing before his soul's eyes, that is, by constantly occupying his thoughts with the lost objects. This is extremely harmful to the soul since it inhibits its development. It is held back from spiritual aspiration, its senses are constantly directed towards material things and therefore the creations can quietly torment a human being when they are unavailable to him, when they fall prey to the human will of destruction.

Every work of creation by God, or by a human being who just wants to work constructively, should be respected. The destructive principle denotes the actions of God's opponent.... And at this moment in time he is raging in the world.... He induces people to God-opposing behaviour against His creations, he has awakened the destructive urge in people because they lack love and no longer understand the meaning and purpose of creation. And this shall result in serious consequences. God will counteract the human work of destruction, which is the influence of the evil power, with a far greater work of destruction but which is entirely warranted in God's love....

He shall liberate the spirit which is willing to walk the way of service on earth from endless long captivity.... He shall release the solid matter so that the human destructive will is stopped and human beings learn to see earthly creations for what they are: means for development as long as they can exercise their useful function. This divine destructive action will affect people even far more seriously; however, this is necessary so that they return to the right way of thinking, that they respect and appreciate every work of creation, that they understand its function and once again occupy themselves constructively. Because this and only this is divine order: that everything in existence shall progress and that every human work of creation shall also be a guarantee for the development of spirit as long as it fulfils its useful purpose, as long as the human will to be of help has produced it....

Amen

Decline of vegetation.... Storms - Tempests....

B.D. No. 1888

April 14th 1941

It is by no means by chance that the earth's surface vegetation has changed as far as it involves stretches of land where human will and activity played a determining part. This particularly applies to forests or tree plantations which have fallen prey to human destructive will, which will not remain without influence on the climate as well as the condition of the soil.

Such deforestation represents a great danger to humanity if it takes place before its time, that is, before the spiritual substances in the plant creations have sufficiently matured to animate the next form. For these prematurely released spiritual substances don't leave the place of their interrupted stay without claiming appropriate compensation by pestering the spiritual substances in their vicinity and, in their unconstrained state, frequently express themselves undesirably, from which they are not prevented by God either. Thus people in those areas will have to suffer extraordinary storms and devastations which will also severely impair the growth of the entire plant world. But where there is very little vegetation other disorders also manifest themselves. The water conditions leave much to be desired, that is, the absence of a constant supply of water turns the earth's soil into sand. And thus such stretches of land can become barren and desolate, and although people believe they have no influence over it they are nevertheless the actual cause of whole stretches of land becoming barren and excessively dry.

The danger is now that this will not be recognised and that people will thoughtlessly sacrifice constantly more areas of land to their greed for profit, for this is usually the reason why whole areas waste away. If the human being destroys creations for the sake of earthly gain it is a deliberate acknowledgment of the evil power. For the sake of money and monetary value he interferes with the divine plan of creation which gave everything its function and not least of all the whole world of plants on the earth's surface. But such interference also has to have an appropriate effect, albeit these consequences are not so immediately recognisable but require a certain length of time.

Storms and tempests will alarmingly increase, floods will make plant cultivation difficult, and this will result in a decline of vegetation and simultaneously restrict the spiritual opportunities of development for the substances which want to take abode in the plant world corresponding to their degree of maturity and are thus prevented from doing so, which will result in constantly new storms and tempests....

Amen

Indications of disasters....

B.D. No. 7475

December 11th 1959

Soon it will become obvious to you how transient everything is that belongs to the world, because you will hear more and more often about destruction by the forces of nature, about all kinds of accidents and disasters and the unexpected deaths of many people.... And no-one knows whether and when they might have to suffer the same fate, no-one knows when their last hour will come. Yet each person knows that they cannot take anything along into eternity.... Therefore they should let-up in their earthly striving, in their chasing after all sorts of earthly possessions, for when the hour of death arrives they must leave everything behind.... Time and again you will be reminded of this through unforeseen instances when belongings have become worthless through sudden cases of death and all kinds of misfortune. But these are all signs of the Eternal Deity's mercy which are to remind you to remember your own death as well.... All these are signs of His love, which only ever wants to advance your soul's salvation and which would like to help you take stock of yourselves and change your way of life. For everything you do for the world, everything you only do for your earthly life, merely provides you with transient goods; but the spiritual goods you offer your soul will gain you spiritual

possessions again which will follow you into eternity, even if you are suddenly and unexpectedly recalled from your earthly life. For spiritual possessions are everlasting, they cannot be taken away from you and will make you very happy in the kingdom of the beyond one day.... Nevertheless, regardless of how often the transience of all earthly things is pointed out to you, you never ever try to mentally assign such destinies to yourselves but go on living as before, and time progressively moves towards the end; a limit has been set, both for the individual person as well as for all people, which no-one can ever determine but which might be the next day for him, because every individual person is in God's hand. People should always remember this and live as they would were they to know the day. Every day they should be willing to leave the earth; they should constantly increase their spiritual wealth and always defer their earthly desires, they should live in awareness of eternity and not just for the moment, since plans for the future can never be made with certainty, thus they should rather count on an early death and prepare themselves for eternity than spend every day merely striving and craving for earthly possessions, for these are and will remain transient and won't gain the soul any advantage. However, only the **soul** will survive, it cannot perish, and to make sure that its fate will be good, the human being should provide the soul with that which will help it progress towards happiness:.... The human being should only ever accomplish works of love, in that case he would truly take better care of his soul than he is able to do for his body. For the latter will be preserved as soon as the human being considers his soul first, but soul and body need not fear death, which otherwise will always be dreaded by a person and scare him as long as the human being on earth does not bear his actual purpose in mind. Yet anyone who takes care of his soul first is no longer afraid of death, to a certain extent he is prepared every day and death will not take him by surprise, instead he will merely consider it a much welcome change of location....

Amen

Reason for painful strokes of fate....

B.D. No. 7928

June 26th 1961

I will still create many opportunities for you before the end which shall enable you to find the path to Me.... Time and again I will reveal Myself to you, though often in a painful manner, yet you shall always recognise that you are unable to determine your own destiny, you shall always recognise a Power above yourselves Which intervenes in your life, and harshly so if there is no other option, in order to pull you back from the abyss towards which you are blindly striving.... I want to save you, and all My admonitions and warnings bear no fruit.... this is why every so often I have to treat you harshly and inflict pain on you.... I have to take your most precious possession on earth away from you, I have to inflict death and disease on you, you will have to be struck by all kinds of misfortunes because you don't believe in a Power to Which you owe your life.

And there will be more and more instances when I will tear people apart, when death will come marching, when disasters will abruptly end people's lives.... I will manifestly show Myself, yet only be recognised by the willing person who will then find his way to Me and can no longer go astray.... The end is coming ever closer, and thus My love, wisdom and might will still also have to frequently intervene.... Time after time humanity has to be shown the transience of earthly things anew, they have to come to realise the triviality of their aspired goals, and as a result will often have to suffer physically and psychologically, but they shall always also receive help if they turn to Me and appeal for My support in their adversity. And their fellow human beings, too, shall consider that they could suffer the same fate and realise that they don't live on this earth for earthly life's sake....

Every stroke of fate can result in making other people think and question whether their own way of life corresponds to God's will, if they believe in a God.... Each stroke of fate can help people to believe if they turn to Me and through My obvious help will also be able to recognise Me.... Thus you, who receive My Word, should explain to your fellow human beings My occasional interventions in people's lives which appear harsh and cruel.... explain to them that I will use all means in order to win people over for Me, and that I will not stop expressing Myself, for every misfortune is an expression

of Myself which can happen to anyone yet it only ever intends to turn their thoughts into My direction.... For there is only little time left and you humans merely pay attention to the world but not to the salvation of your soul....

The world will pass away, that is, you won't be able to take anything belonging to the world across into the kingdom of the beyond.... You only ever chase after dead commodities, and therefore you will be repeatedly made aware of the world's fleeting nature. Again and again you will hear of accidents and all kinds of disasters, again and again you will have to suffer the loss of human lives, and again and again you will ask yourselves why a God of love allows this to happen.... The God of love wants to win you for Himself, he wants to make you blissfully happy, and therefore He wants you to turn your thoughts to Him....

My love alone is the reason for everything that affects you badly, for you will go astray again for an infinitely long time if you don't remember Me.... And only for this reason I reveal Myself to you and also intervene harshly and painfully if you ignore My loving admonitions and warnings.... For I don't want you to go astray.... I still want to save you before the end and protect you from a far worse fate.... from the new banishment into the creations of earth, which will be inevitable if you don't find Me before the end of the earth....

Amen

Further indication of disasters and war....

B.D. No. 8717

January 6th 1964

The forthcoming time will burden you extraordinarily, for world events will enter into a new phase, the restlessness amongst nations will increase, each one will consider the other as the enemy and nothing will be seriously done to establish peace even though all people will be longing for it. But materialism is the driving force of all plans and undertakings, and everyone aims to gain the greatest advantage, yet no one is fair in his thoughts and intentions and motivated by good attitudes while misfortunes increase fear and unrest, for God Himself still tries to make Himself known to people, since only the belief in Him and His might is the right counterbalance for all adversities and afflictions which you humans are approaching.

Consequently, there will also be more natural disasters, so that a higher Power will be acknowledged, for whatever people do will only ever deepen their hatred for each other but not lead to spiritual reflection. Heartlessness will take on shapes which will soon be unsurpassed, and the state of people warring against each other will therefore become ever more determined, there will be anything but peace amongst people although the great conflagration will not have yet erupted but will not fail to materialise. People themselves live their lives indifferently and only few spend thought on the fact that this state of affairs cannot continue for long. Yet the people in charge are generally spiritually blind.... there will be much talk but these will be just empty phrases which will not be followed by actions. For the earthly hardship will not be remedied where it is clearly recognisable and since the commandment of neighbourly love obviously remains unfulfilled the spiritual state cannot be good either, although they will be living in earthly prosperity and will apparently not have to go without anything.... The souls, however, will go hungry, and yet people will be unapproachable for spiritual instructions which would provide the souls with the right nourishment.

People should look around themselves open-eyed and be seriously critical of their own lives, then they will learn to understand and be able to observe the forthcoming events with the right realisation which, although they have always been announced, only now become more significant in view of the serious difficulties of those who are directly affected by it.... Yet these are the last days, and since people no longer have any faith it requires especially severe strokes of fate in order to disturb them, so that a few will find their faith in a God and Creator again to Whom they owe their existence.... in order to make them think why and for what reason this God and Creator has created them.... It is a matter of life or death for you humans, of infinite beatitude or torment and anguish, of brightest light or absolute darkness.... And thus, anyone who wants to be happy and live eternally in light has to fulfil

his God and Creator's will, he has to try to discover this will and then live a life of love for God and his fellow human being.... If, however, he does not believe in a God then his whole earthly life will have been pointless, he will constantly contravene the law of divine order, and revoking the laws of divine order will always result in chaos, and you humans are now irrevocably approaching this chaos....

And it will not just affect you spiritually but the earthly world will also be completely turned upside down, time and again you will receive news about natural disasters, accidents and other calamities, for there will no longer be any harmony and peace in a world which is devoid of all love and faith.... But whoever has found the path to God, who endeavours to fulfil His commandments of love, who hands himself over to Him in spirit and in truth, who prays to Him and appeals for His protection, will also surely receive it, for these people belong to His small flock who will persevere until the end, who will not let their faith waver, who will stay together and carry God deep within their hearts and who will therefore be lifted up in the end if God does not recall them to His kingdom sooner, if it is His will....

Again and again your attention will be drawn to what lies ahead and comes ever closer to you, even if you are of little faith.... you will be unable to prevent it, and you can, with absolute certainty, stand up for what is announced to you, for the point is that people should be told that everything has been taken into consideration in the Plan of eternity, that **everything** is dependent on God's will Who, however, proceeds in His wisdom and love in order to accomplish the work of return to Him, and will also achieve the goal one day....

Amen

End of the world conflagration.... Establishing divine order....

B.D. No. 2803

July 8th 1943

It is impossible to restore worldly order again as long as people are full of hatred and envy, for these are God-opposing qualities which will have to destroy all order, since anything that is opposed to God is also in opposition to divine order. And this is a state of extreme heartlessness which will never manifest itself constructively but will always have a destructive effect. Understandably, a destructive state like that cannot go on indefinitely, and therefore God Himself will call a halt to it in a way which, admittedly, will also result in enormous disorder, but in which God's wisdom is nevertheless recognised as the only means to restore order again. Humanity itself will make no attempt to end a battle which causes suffering and boundless misery across the whole world. Consequently, it must be ended in a different way; nevertheless, it will not reduce the suffering on earth because it is needed by the human race. People must return to the old order, they must learn again to forego their neighbour's possessions, which they aspire to own and for which they fight with the most appalling weapons. Their addiction to earthly commodities will cause the world conflagration, which will be difficult to extinguish.... Yet people will not achieve any earthly gain, on the contrary, they will incur immense losses, the extent of which humanity has no knowledge of. For every victory will have been bought at the expense of indescribable losses, both in regards to material assets as well as to human life. However, humanity has become insensitive to such losses, it ignores what human will has caused, and thus, divine will itself shall intervene in order to forcibly initiate a change of world events.... because people's thinking can only be turned around when they feel that they are helpless, that a stronger Power than themselves takes the control out of their hands and utterly shatters their will. The spiritual darkness they are in is the cause of their heartless actions, whereas their heartlessness is the cause of darkness again.... They must realise in a flash that their thinking is wrong, that they are chasing after the wrong goals and that they will come to a deadlock if they don't return to divine order and radically change their way of life. The divine intervention is intended to cause this flash of realisation, even though they are still far removed from believing in a higher Power, Which controls their destiny.... Nevertheless, they can only attain faith through deliberation, and their thinking shall be stimulated when they see that everything turns out differently than it was humanly possible to foresee. The spiritual as well as earthly chaos conjured up by human determination would, without God's

intervention, increase and lead to final destruction, because humanity no longer respects divine order, apart from a few who are devoted to God and strive to fulfil His will. But they do not arrest the process of development, they are merely the cause for intensified measures against divine order; and the time has come when humanity subjects itself to God's adversary and their thoughts and actions become increasingly uncaring. God's intervention will entail inexpressible suffering and destitution but it is the only option to lead people back to divine order and to change their spiritual state, although this will only be the case with a small amount of people. And therefore the time of the final annihilation of those who are inconvertible is coming ever closer, as is proclaimed in Word and Scripture....

Amen

Cosmic phenomena....

B.D. No. 6313

July 16th 1955

Very soon you will know for certain that something is taking shape in the cosmos, for unusual events will worry you humans because you will be unable to find an explanation for them. Many speculations will surface, many opinions will meet with conflicting notions, yet only those people's points of view come close to the truth who suspect a connection between that which was proclaimed in Word and Scripture, which people were told by seers and prophets at all time.... Anyone with spiritual vision can find an explanation for all events, for everything has a **spiritual** meaning and is intended to fulfil a **spiritual purpose**: to draw people's attention to their actual purpose of life so that they prepare themselves for the imminent Judgment.... And science, too, will support this, for it will discover the unusual changes in nature first, the cosmic happenings, which will confound them, and the significant appearances which they will not be able to explain due to lack of knowledge. They will observe and marvel but they will not accept the only true answer that the earth will be shaken to its foundations, which could indeed be caused by these phenomena. They won't want to believe it and will therefore always argue against it if the Scriptures, the ancient prophecies, are pointed out to them, if they hear the opinion of the believers or if the messengers of My Word proclaim to them the approaching end.... And therefore it will be difficult to make the intervention on My part plausible to worldly people, because an attempt will be made to explain everything in a purely scientific way. And only a few will become aware of these unusual phenomena and therefore ever more assuredly draw people's attention to the end.

And I will so evidently support their words of admonition and warning that even the scientists will apprehensively admit their lack of knowledge.... And they will discover a star which will come constantly closer to the vicinity of earth and which will apparently take an irregular course.... By observing its path their attention is drawn to ever new peculiarities.... And they will recognise it as a danger to earth.... and at the same time they won't want to believe in its destruction because it will never before have been experienced.... But I will allow it to happen, because My eternal plan of Salvation necessitates something extraordinary which still intends to benefit humanity.... and because it shall be an warning sign of the work of destruction which will follow soon afterwards and which will bring this period of Salvation to conclusion.... The more the end approaches, the greater will be the irregularities which people will experience, because they are meant to take notice and begin to wonder about the correspondence with that which is quoted by the believers as the Word of God, as predictions by seers and prophets, and endorsed as truth.... And now My spirit also proclaims through My servants on earth the near end again and My loudly resounding voice of thunder before this event.... and these very phenomena will bear witness of the truth of My Word.... Pay attention you humans, and just look at everything as indications of the end, which I give to all of you so that you do not fall prey to ruin, for everything that happens is so important that it would be able to convince you if you were of good will.... The time is fulfilled and the end is near....

Amen

People will be seized by immense anxiety shortly before I appear through the forces of nature. The event will announce itself such that people and animals will feel nervous and inwardly sense that something is about to happen in nature. Strange behaviour amongst animals will be particularly apparent, they will attempt to flee in a certain direction and suddenly turn back as if driven by an invisible power. And this behaviour will cause apprehension in people who realise that imminent danger is approaching against which they cannot defend themselves.

And thus everyone will worriedly wait for what is to come. And you, My servants on earth, should make good use of this time for it will be a short reprieve when people will still listen to your words because they will be looking for an explanation for the unusual sensations experienced by people and beasts. Then draw their attention to My Word, prepare them for My appearance and refer them to Me so that they will take refuge with Me when the hour has come that I will speak. At the same time you should unite with Me in thought so that you may be strong and able to support those who are unbelieving or of little faith.

You have to prove yourselves and will be able to do so if you call to Me in advance and in the hours of greatest need. I will draw your attention to the signs in advance and give you the opportunity to observe your environment so that you will see that everything I told you will come to pass, that an oppressive feeling and restlessness will burden people, the cause of which you know and thus you will be able to speak effectively where necessary. And once again you will experience a situation where the person who lives in love will believe you, whereas the heartless person, although listening to you, will derive no benefit from it. Until the hour comes when I will speak from above.... And there will be raging and gusting in the air, no one will take notice of the other any longer but only be concerned for his own life. Every person will try to escape but hear the same raging and gusting from all directions and, depending on his attitude to Me, he will be affected by the event.... he will stay alive or be killed by the natural disaster, as My wisdom has recognised and determined since eternity....

Even though it is seemingly calm and there are no recognisable signs as yet.... do not believe that you are safe because the day of the natural event will come without fail, and the unbeliever will be able to see it for himself, if he still has time to think about it.... I have spoken and revealed it to you through My spirit, and I will speak through nature with a voice which can be heard by everyone. Anyone who does not believe the first voice will have to hear My voice from above.... But even then he will be at liberty to witness it as a mere play of nature or remember My predictions and believe that I want to reveal Myself so that you, who do not acknowledge the voice of the spirit, should hear Me. And blessed is he whose life is spared as he will still have a short time of grace at his disposal which he will be able to use to make up for what he has neglected up to then, in order to prepare himself for the end, which will soon follow the event in nature....

Amen

God's intervention – Signs of the near end

Natural disaster before the end....

B.D. No. 6601

July 21st 1956

The end of this earth and of all living creatures upon it is inevitable.... No creations on earth will remain, people and animals will lose their lives apart from the small flock of those who will be raptured in the flesh. This last act of My will has been planned from the beginning, time and again it has been proclaimed to people by seers and prophets, and is now announced to people again with all urgency as being close at hand, because it will be so enormous and no-one shall experience the end without having been informed of it. Yet the proclamations find no credence.... An event is approaching people, the enormity of which cannot possibly be imagined.... and yet it is dismissed as implausible and the admonitions and warnings are futile, for no-one prepares himself for this enormous happening. People don't believe in an end.... And thus I will proceed with My final exhortation.... I will still give the unbelieving human race a last sign in the shape of a natural disaster... the scale of which will also be huge but it will only affect the earth to a limited extent, so that they will no longer think it impossible and seriously take account of themselves as to whether and how they can be justified before Me at the end. Great events are often foreshadowed.... The natural event, which will be followed by the end shortly afterwards, is intended to be a final admonition, for it will cost many human lives, countless people will fall prey to the elements of nature, or little impression on the hardened hearts can be expected which, however, shall still be saved prior to the destruction.... I have always spoken through the mouths of prophets and even now I keep speaking through My devoted servants.... Yet people do not listen to this language apart from a few who believe My Words and are therefore willing to influence their fellow human beings according to My will....

But now they shall clearly hear My voice and not be able to close their ears, for humanity's indifference motivates Me to disturb them and shake them out of their tranquillity, their worldly spirit.... so that no one will be able to claim that he received no warning. But even this warning will not result in turning to Me completely, because people don't want to recognise My voice and because I do not use force which impels people to come to Me.... Then the end will sweep everything which remains in opposition to Me away, for every human being still remains in opposition who does not turn to Me in view of the previous immense destruction.... which demonstrates My might Everyone still remains in opposition who thinks that an end of this earth is impossible, for he is spiritually unenlightened, which betrays his affiliation to My adversary.... I still try to break this opposition by all possible means without using force. And this final intervention will truly appear to be a cruel method yet I use it for the sake of your salvation, because My Words are not being believed and because the end is near to which they will then inevitably fall prey, and then their spiritual state will be the decisive factor as to what fate awaits them on the day of Judgment. And time and again I say to My servants that they cannot mention the end and the preceding natural event diligently enough, that they should not be afraid to draw people's attention to the fact that they will not have much time left, that they should unhesitatingly speak about My eternal plan and that they therefore should also spread My Gospel, so that people know what I expect of them as not to descend into darkness as a victim of the forthcoming event.... I only ask for a loving heart which is willing to make sacrifices.... Then they will be able to wait for the coming events without fear, then they will belong to those who will emerge unscathed even if everything around them threatens to disappear.... However, dreadful things will be in store for those who do not want to believe.... And then I will have mercy on everyone who calls upon Me in his adversity, for I only want to rescue people and not let them fall prey to ruin.... For the end will come without fail, and then everyone will be judged in accordance with law and justice....

Amen

Revelation 16, 18.... Star....

B.D. No. 7421

October 3rd 1959

A violent quake will shake the earth.... spiritually as well as physically the earth will be faced by a tremor the likes of which will never before have been experienced by people since the start of this epoch.... But this is predicted because it is the beginning of the end that will follow not long afterwards. There is not much time left and your attention will ever more urgently be drawn to it, because you should still make use of every day by helping your soul to mature, for time flies and you are approaching the very end with giant strides. And then a long night for all those who did not take advantage of the day in order to work for the salvation of the soul will follow. For only a few will survive this last end and be allowed to occupy the new earth, only a few will stand firm in the last battle on this earth. The signs of the end will be presented to you humans time and again, and the last powerful sign will be the great quake. You have already been told how it will come about: a star will leave its orbit and with gigantic speed head for the earth.... And the fact that you are still uninformed of it is due to the great distance this star will still have to cover before it comes into the field of view of those who will detect it. But then the anxiety will be great, for everyone will realise the danger in which the planet 'earth' is in but no-one will be able to do anything in order to ward off the danger.... And now that you know of it you should make especially good use of this last brief period of time, for none of you know whether you will survive the event, none of you know which part of the earth will be particularly affected and no-one should count on being spared, for it is God's last great wake-up call before the end which He will resound in order to find belief in this very end and still convert a few who are not yet entirely enslaved by the adversary.

Do not consider these predictions lightly, do not let yourselves be misled by the apparent work of progress which you can observe in the world, but understand that the shadows of destruction are already emerging, that not much time will elapse until you receive knowledge of the approaching disaster in the form of a star which will be hurled from its orbit, because it is God's will that the earth shall be stricken by a tremor which shall and will be able to save people who are of good will. There will really not be a lack of signs of the near end, but this last sign will have enormous consequences and many people will lose their lives in the process.... And no-one will be able to turn a deaf ear, for it will be too powerful as not to affect all people. Only the results will differ, for people will either partly revive their weak faith and hand themselves over to God again, but partly even lose their weak faith as well and completely turn to the adversary, which will be expressed by an increased pursuit of material possessions, mostly by dishonest means. And there will be great hardship amongst people.... And that is when the right strength of faith will prove itself, which will signify help for every person who faithfully entrusts himself to God. For He will help all those who want to be His Own, who even in their greatest affliction remember the One Who alone will be able to help them. And this will be the start of the time when real vineyard work must still be carried out in order to help all those who are still weak in spirit and who shall experience a strengthening of their faith. For it will be followed by the time of the last battle of faith which will still require a final decision by the believers, yet anyone who perseveres until the end will become blessed....

Amen

Prediction of the natural disaster.... Dead stretches of land....

B.D. No. 4940

July 21st 1950

The last end will be preceded by an enormous event which is bound to make all people think who survive it. It will be an indication of the end, a small scale destruction compared to the final work of destruction of this earth, yet of such an extent as never experienced by humanity since the earth came into existence. It is a natural happening which will throw all affected people or those who hear about it into turmoil, for the consequences of the incident are too vast as to go unnoticed. So-called

dead stretches of land will form which exhibit no life whatsoever because the vapours of the earth smother all life in these areas. An obvious influence by natural forces will be recognisable so that this phenomenon cannot be traced back to human activity because I want to reveal Myself through this happening in order to make the near end credible to people, which seers and prophets are constantly proclaiming on My instructions. People are faced by renewed suffering and yet cannot be spared this suffering as long as they still pay tribute to the world and only take notice of Me in passing. They must look for Me so that I can let Myself be found, which can only be accomplished by an event which can no longer be explained with people's activity. They must sense that a higher power is behind it and entrust themselves to this power in their earthly adversity. But in order to do so they must also be at the mercy of this power in order to take refuge in it of their own accord. They must physically be without help in order to noticeably feel the help from above....

And for this reason a violent storm will arise which will uproot and lift everything off the ground; the earth will split open and from above and below people will find themselves at the mercy of the elements which they will be unable to fight as they will not have enough strength; an unbearable heat will, in fact, have already rendered people incapable and lethargic beforehand and so they will watch the first signs in nature without interest until they recognise their grim situation and then they will almost brutally fight for their life which they fear to lose. And I will help all those in their adversity who are of good will; I will provide them with realisation so that they can recognise **My** reign and activity in all happenings and as a result of this insight also instruct their fellow human beings and encourage them to turn to Me, and they will preach to them about My love, wisdom and omnipotence so that they will call upon Me when they are in danger. I want to be their Leader, and those who believe in Me and want to serve Me shall be saved during all hardship of the last days before the end. For shortly after this event follows the destruction of the old earth, as it is written. Yet people shall not experience this destruction unprepared, hence I will cast a shadow beforehand.... a final indication which should be given credence, so that people will not walk into eternal ruin, so that they will be able to save themselves if only they use their will correctly....

Amen

Natural disaster before the end....

B.D. No. 7151

June 22nd 1958

The earth will be shaken in its very foundations, because people shall be very clearly reminded of the end just once more, so that the thought of death will arise in them when they see themselves at the mercy of forces over which they have no control. Many people will in fact wonder how these earthly tremors came about but the rapidly succeeding events will not give them time for an answer.... For then detonations of huge proportions in different areas of the world will follow which make people incapable of thought, these will then be accompanied by a raging of the natural elements with inconceivable consequences, the extent of which can only be assessed by the survivors after the event. They will be inclined to believe that people's scientific experiments had been the cause of this incredibly enormous work of destruction. However, they will be **mistaken**.... It is **My voice** which will and must resound forcefully, because people no longer listen to My gentle voice, and for their own sake a last rescue mission before the shortly ensuing end is still needed. Countless people will thus lose their lives, good and evil people will fall prey to the work of destruction but it can still be beneficial for the survivors if they learn their lessons from it, if they learn to recognise Me and henceforth walk their path together with Me.... I have long announced this event in advance yet meet with little belief, because people are unable to imagine a natural disaster on such a huge scale and because nothing of the kind has ever been experienced since the start of this earthly period.... Yet it has always been mentioned, and if people only had a shred of belief in My Word they would also expect one day what was announced to them a long time before. In the last days, however, all faith has vanished and even My Own find it difficult to take these proclamations seriously although they are willing and always united with Me by love.

However, suddenly and unexpectedly the first signs will become apparent, cosmic changes will manifest themselves and everything seems to leave its lawful order; strange observations will be made regarding the movements of the stars and for short periods of time alarming eclipses occur, but time and again an apparent period of calm will follow until the elements of nature are so suddenly and dreadfully unleashed that no-one will have time for considerations, and then the only help available will be to mentally call upon Me for protection in greatest peril and danger.... All people who had previously accepted the information.... even if it didn't seem credible to them.... will be greatly blessed because they will know about this only way and need only call upon Me in spirit and in truth. But many of them will be incapable of thought and I can only advise them to turn to Me beforehand already by appealing to Me for protection.... and I will accept this request, because it also demonstrates their faith in Me which I then clearly want to strengthen.... How the event will come to pass need not be explained to you humans since it would not benefit you; but you can believe the fact that it will happen and that it will exceed the hardship and misery which has occurred until now. And you can also inform your fellow human beings of it with inner conviction, for it can only be a blessing to know that everything is predetermined by your God and Creator, however, not in order to cause you harm but only to help your souls which are in extreme danger of going astray. For soon afterwards the end of this earth will occur, however, this will not be precipitated by Me but caused by human will which I nevertheless won't prevent from accomplishing all-destructive experiments, because the time has come for the unspiritual human race when a separation of the spirits will have to take place.... because all that which had left the divine order shall be led into order again, so that the faltered higher development can continue to progress on a new earth, which My love, wisdom and might will let arise again corresponding to My eternal plan of Salvation....

Amen

Gathering strength ahead of the chaos....

B.D. No. 8549

July 5th 1963

Keepp drawing strength from My Word for you will need this fortification in the forthcoming time and should gather strength now, since you will be unable to collect your thoughts in prayer when My long-announced intervention takes place.... Whatever is decided by My wisdom and love will also be implemented, and every prediction which I sent to you so that the event will not take you unawares without warning will be fulfilled....

You shall always remember it and try to set your heart free from all earthly longings.... You shall try to let go of matter, for one day you will have to give it up, and the less your heart clings to it the easier will be your loss, the less you will be burdened by My intervention.... Again and again I tell you to prepare yourselves for this period of unprecedented chaos when only your heartfelt bond with Me will give you the support to do justice to all demands. For anyone not directly affected by the disaster by losing his life will then have to lead a difficult existence, because there will be no ordered living conditions and you will be burdened by earthly adversities which you will be unable to handle on your own, without My help.

Time and again you shall accept My Word in your hearts and draw strength from it, you shall gain such strong faith from My direct Word that nothing will be able to unsettle you in the forthcoming time, so that you will completely rely on Me and only ever wait for My help.... And believe that I will help you.... that just the heartfelt bond has to be established with Me which, however, can only be achieved by a person who is completely dedicated to Me and who will merely recognise the fulfilment of My predictions in the huge disaster and thus will even more devotedly wait for My help, which indeed will be granted to him. Then I will carry out the seemingly impossible on those who place their complete trust in Me.

And every human being should get used to the idea that the orderliness surrounding him will not continue, he shall believe that the earth will be affected by an unimaginably huge tremor, and that countless people will fall victim to a natural disaster.... the survivors, however, will experience

extremely difficult living condition which require much strength and confidence in My help in order to cope with them. Then it will become evident where neighbourly love is being practised, for only there will My help be evident as well.... And anyone who is just anxiously concerned about himself and his well-being will also have to labour by himself and yet be unable to master his situation.... For you humans must learn that love is strength and that you will be able to achieve much if your actions are motivated by neighbourly love.

Time and again I refer to the time when great chaos will befall you caused by a huge natural disaster.... because I still want to give you humans a last sign of the Power Which is in charge of you.... But you, who receive My Word directly or given to you through My messengers, you shall constantly listen to My admonition, engross yourselves as often as possible in My Word and your strength will grow, even at times of extreme adversity you will not lose the connection with Me and then you will also always be certain of My help, for I manifestly want to help My Own to strengthen their faith as well as that of their fellow human beings so that they will establish and never again abandon the living bond with Me.

And don't count on being spared, don't believe that other, distant regions will be affected.... This disaster will be far-reaching and involve a large area, even though it will not affect the whole earth.... Consequently, the immense adversity will not pass anywhere without a trace, which you will only understand after the occurrence has happened, when My voice resounds in the world and you realise the dreadful effects.... the full extent of which will take a long time again to be assessed.

As yet you are still living in peace and are unable to imagine such chaos.... But I draw your attention to the fact that everything will come to pass what was announced in advance, I only want to influence you insofar as that you should do everything that will give you the strength to endure.... For I will not abandon you, who have submitted yourselves to Me and want to belong to Me.... And I will always provide you with strength.... Let Me talk to you time and again and draw strength from My Word and truly, you will be able to find Me even in utter suffering, and I will always be ready to help, I will always stand by your side and through you also bring help to those whom you lovingly try to take care of....

Amen

Indications prior to the last judgement

Signs of the last days.... Battle of faith.... Chaos....

B.D. No. 3209

August 2nd 1944

To specify (know?) the moment of spiritual change would not benefit humanity since the precise knowledge is an interference with free will, because at the approach of the predicted time the human being would feel obliged to change his way of life. But it is not God's will that people shall receive knowledge of the day and hour when He sits in judgment over them, they shall only know that the end is near and by the signs of the time become aware of this end. However, if devout human beings ask Him for clarification He will answer them in a manner that is helpful for the salvation of their soul....

The Last Judgment is preceded by the last days, which last just a few months and are characterized by an exceptionally rigorous battle of faith. As soon as this battle of faith is carried out quite openly, as soon as all secrecy is ignored and all spiritual aspirations are bluntly and recklessly attacked, as soon as laws and decrees are endorsed which prohibit people's spiritual pursuits, as soon as all divine commandments are no longer observed, as soon as all believers are persecuted and have no more rights, the last days have entered into their final phase and the Last Judgment can be expected daily and hourly.... However, before this battle of faith flares up, humanity will find itself in a spiritual and worldly chaos; there will be noticeable regression in every respect. And this regression will be initiated by people who are dominated by Satan. He will show himself in earthly devastation and destruction, in heartless laws, in a God- opposing way of life, in civil disobedience and rebellion against the governing powers and in brutal oppression by the latter, in restriction of freedom and in evasion of law and justice.

These conditions will ensue after a huge earthly tremor, which takes place in accordance with God's will in order to terminate a conflict between nations that human will fails to end. For the people who are affected by this earthly tremor it will denote a change of their accustomed way of life, it will be a time of greatest deprivation and most difficult living conditions, and although this time will be favourable for the spreading of the divine Word it will not signify a revival of a worldly-clerical power. People will indeed eagerly strive to improve their earthly living conditions but these efforts will not be compatible with spiritual aspirations, with the belief in an Authority Which holds them to account and with the divine commandments that require love. And that is why everything that interferes with the return to the former good living standard comes under attack. Thus the battle of faith will start soon after the divine intervention which turns global affairs into a different direction. The events will follow each other quickly as they are hastened by people's low spirit, and this spiritual low shows itself in people's heartless actions, in their thinking, which shows extreme depravity and which prepares deeds that can only be called satanic. And thereby you can identify the moment in time when God's intervention can be anticipated. The global affairs themselves shall be a timetable to you, by the actions people are capable of doing you can see that they have totally distanced themselves from God and this clearly contradicts the opinion that this human race can still expect a spiritual renaissance.

The people who faithfully remain with God will indeed intensify their intimate relationship with Him, they will be in truth His church which will stand firm amid misery and affliction, but it is just a small group. The world, however, denies God, it is hostile towards all who support God, and this spiritual need signifies that the end is near.... Therefore pay attention to the signs of the time, pay attention to humanity's conduct, to their desertion of God and their preference of the world, when people are evidently influenced by Satan, when they are enslaved by him and do everything to disobey

the divine commandments, when nothing is sacred to them any longer, neither the life of their fellow human beings nor their possessions; when lies triumph and the truth is treated with hostility you know that the end is not far. Then you can watch the events unfold as they are revealed to you, because it will all take place during the lifetime of a man who, in a manner of speaking, hastens the disintegration, who pays homage to the destructive principle, who is not constructively but destructively active. And this man's end is also the end of the world, i.e. the end of the world in its present form and the end of those people who presently inhabit the earth, which are separate from those who belong to God. And now you know that there is not much time, that you are not given a long period of time and that the end is upon you shortly. And for this reason you have to prepare yourselves, you have to live as if every day is your last because you don't know when you will be called back and whether you will live to see the end of the earth. If, however, you are needed as defenders of God during the time of battle before the end, God will also guide your thoughts correctly and you will know when the time has come.... the time of the divine intervention by means of unleashing the forces of nature, the time of the battle of faith and the time of the Last Judgment.... It is God's will that you make people aware, thus He will also enlighten your spirit and guide your thoughts in a manner that you understand correctly and only voice and reveal to your fellow human beings what you have understood properly....

Amen

Immense affliction before the end....

B.D. No. 4883

April 22nd 1950

People everywhere will experience immense affliction when the final adversity before the end starts. Every nation will go through suffering and distress, partly caused through human will, partly through the influences of nature or fateful events, and people everywhere will have the opportunity to place themselves at the service of neighbourly love, for wherever there is adversity it can be alleviated by people who are able and willing to love. All people will be affected apart from those who receive their strength from below, that is, whose hearts are so hardened that they are enslaved by God's adversary who will provide for them to an exceptional extent. The contrast between good and evil will strongly emerge everywhere, and thus a spiritual battle for people's souls will also be waged before the end. Spiritual influence will therefore trigger all instincts in the human being during the end time, both good as well as evil will visibly manifest themselves and, therefore, a separation will also be noticeable, for good people will keep away from evil ones and yet will constantly be pursued with hatred, on account of which good, and therefore God-inclined, people will suffer progressively more distress. There will be an extraordinary scale of adversity.... The words of the seers and prophets who have proclaimed this immense affliction for the time of the end can be applied in all instances; it is merely the cause of affliction which will not be the same everywhere. But a separation of the spirits will happen in all places and thus the time of end can be recognised. The earth and the spiritual realm will be the goal of people's efforts, and anyone aiming for the earth with its possessions will be lost for the spiritual kingdom, he will pay homage to the world and therefore to the one who governs the world. And the majority of people will focus on the world, whereas the spiritual kingdom will only have a few followers; only a small flock compared to the whole of humanity will consciously or unconsciously strive towards God with a will for good and abhorring evil. For this reason there will always be just a small number of spiritual aspirants present among people, at first they will be laughed at and ridiculed by their fellow human beings until people's evil nature breaks through and expresses itself in hostile actions against all those who abide by God and remain steadfast in faith.

This will be the start of an affliction the world has never before experienced.... Evil will prevail everywhere and suppress good, evil will indulge itself in all places and good will suffer adversity. Until, finally, even the life of God's faithful followers will be in danger, they will have no more protection because people will reverse the laws, that which is right will no longer be acknowledged and only the power of the stronger will count. And this will be with those whose attitude committed

them to Satan. They will be favoured by him throughout their temporal lives, for they will have sold their souls to him in return and will have elevated themselves as masters over the weak, treating them vindictively and denying them all earthly necessities. The extent of distress will be such that the believers will require, and indeed receive, an extraordinary supply of strength so that they will not give up during the final battle, which will only last for a short time and will be shortened for the sake of the chosen, so that they will not weaken in view of the hardship within their own ranks and the affluence in the ranks of the adversary. Then salvation will come to them from above, as it is proclaimed. The Lord Himself will come in the clouds and deliver all those who remain true to Him. The affliction will come to an end and a new life will begin on earth, and God's faithful followers will receive their reward.... just as Satan's children will be punished, because God's justice demands their atonement. It will come to pass as it is written.... The Lord will fetch His Own and place them into a realm of peace, He will pass strict Judgment on all sinners and they, too, will receive what they deserve, and the hardship on earth will be over....

Amen

Battle of faith.... The coming of the Lord....

B.D. No. 3569

October 6th 1945

Anyone professing the church of Christ will be treated by the world with hostility and his fate on earth will be difficult, albeit only for a short time, for as soon as the adversity seems beyond endurance, God will rescue His Own and all adversity will end. And God always points out the end to the believers, so that they will bear up against the external onslaught, so that they will faithfully persevere until God delivers them. He will inform them long in advance how Satan will rage and He will promise His Own His protection, so that they recognise the truth of His Word and remain firm in their resistance. If the believers therefore recognise the truth of the divine Word by the progression of world events, by the progression of the battle of faith and the earthly ruling powers' brutal disposition, they will defend His Word even more eagerly, because it will deepen their faith to such an extent that human measures will no longer be able to shake it. And they will receive strength from God, according to their will and their faith, and thus endure the difficult time, for God will not let those down who want to remain faithful to Him unless He still recalls someone into His realm before the end of this earth, if his physical end has come in accordance with divine purpose. However, He needs staunch representatives of the church of Christ during the last days, so that the separation of the spirits can take place. He requires people who proclaim His Word and preach Christ's doctrine of love to the unbelievers, and this without fear and inhibition, so that the unbelievers shall recognise the strength of faith and be shaken up from their spiritual lethargy once more, so that they will still be able to change their mind in the last hour and take the path to Christ, Who alone can bring them salvation, Who alone can redeem them by strengthening their will to liberate themselves from evil and to strive towards God. The fact that the strength of faith is visibly pointed out to the unbelievers are the final means of grace; even so, very little use is made of them because humanity is entangled in Satan's web of lies, because it pays excessive homage to the world and sees its goal of life in exuberant pleasure. And therefore the end will soon happen to you.... and you can recognise this by the fact that faith is being fought against in a way which can truly be called satanic. Then the followers of Christ should unite and together wait for the Lord's help and His coming, for every day and every hour could be the last one, because earthly adversity will become so severe that it will necessitate God's immediate appearance, so that the promises will come true which God gave to people through His Word.... that He will deliver His Own from utmost adversity....

Amen

You, too, will be addressed by Me in an extraordinary way.... You should pay attention to the signs you see in the sky and on earth, for all great events are often foreshadowed. Thereby you will be able to identify the hour you live in, because the precise time cannot be given to you or you would not be able to continue living on earth, since you would die of fear and prematurely end your own life. Therefore you need never believe those prophets who inform you of the time when the Judgment will happen These are false and merely confuse people's thoughts. But pay attention to the signs which I have announced to you time and again. For, before the end, a battle will yet ensue for the sake of My name and you, My servants on earth, will be called to account.... This is a certain sign that the last day will come soon afterwards, for I said 'I will shorten the days....' because this battle will be waged with such brutality that I must appear personally in order to put an end to it. And **I will come....** You need not fear this battle because I will furnish you with great strength for the sake of those who are still weak or undecided and to whom you shall serve as an example, so that they will still find the path to Me. And then My power will manifest itself, and My wisdom will truly do what is right in order to turn the earth into a place of education for the spiritual beings again.... For the time has come to an end, a new era will start for the human beings who, as the root of a new generation, I will remove from earth before the end.... Then a paradise-like state will exist on earth again where all people will live in love and in the right love for Me, so that I can dwell in the midst of them as I have promised those who will persevere until the end, for they will be blissfully happy.... But the fact that a time of adversity must first come to pass on earth is unavoidable because a few shall still be saved.... they shall still find redemption through Jesus Christ, hence prior to it His name shall still be proclaimed throughout the world.... However, the time of affliction has started already and the world is yet to see great hardship.... Nevertheless, My Own recognise the time and abide by Me and I will truly strengthen them and support them whenever they threaten to weaken.... I Myself will be on their side and lead the way as their commander-in-chief, therefore they will indeed remain victorious in the last battle because they will make use of My strength and anticipate My coming.... And they will stand firm until the end.... Anyone whose strength is fragile will be recalled by Me before, because he shall not fall prey to My adversary.... But you should always appeal to Me for an intensified influx of strength, you should only ever stay in contact with Me and this difficult time will pass you by as well and My coming will deliver you from all adversity. You will be able to enter the kingdom of peace, the new Earth will receive you in all its splendour and glory, and you will start a new life in and with Me, as I shall dwell in the midst of you as I have promised....

Amen

The last judgement

The end.... Transformation and new creation....

B.D. No. 6230

April 6th 1955

And it will come to pass as I have told you.... the earth will lose its present appearance, an earthly and spiritual turning point will come, there will be a separation of the sheep from the goats.... My Own will attain beatitude and those who belong to My adversary will be banished again.... And this will have to happen or no further development would be possible anymore, for all souls strive towards the abyss except the few people who will remain true to Me until the end. But the people of the present time, who have already passed through the creations, will have taken the whole previous path of development in vain.... they, who have already reached the highest stage of development due to their previous earthly path, are now failing during the last stage and descend to such a point that the entrance into the spiritual kingdom will remain closed to them.... so that they will have to be banished into hardest matter in order to be admitted once again to take their last test of will as a human being after an infinitely long period of time....

The number of those who use their earthly life correctly in order to become perfect is very small, since My adversary's spirit exercises such poisonous influence on all earthly inhabitants that the earth will have to be cleansed first before it can fulfil its real purpose again.... And thus I want to carry out this cleansing process through a huge work of transformation which mankind cannot avoid, since they give rise to it themselves with their conduct and their utterly rebellious attitude towards Me. A change has to take place for the sake of My living creations which will have to suffer for an infinitely long time if they don't complete their path of development on earth according to My will.... And this point in time has arrived, although it seems unbelievable to you humans that something should happen in creation, in nature, for which no proof of similar events on earth exists....

The earth in its present form is in the last days of its existence.... None of you can possibly grasp what this means.... that everything will cease to exist.... that human beings, animals and all works of creation will come to an end and an entirely new earth will arise which will exceed your wildest imagination, because completely new works of creation will come into being which have never been seen by human eyes and which to you, who will experience and populate the new earth, will mean one miracle after another.... All through the ages I have told people that a new earth and a new heaven will come into being.... People failed to understand the meaning of it. But My Word is truth and will fulfil itself.... yet it will only be proof of My Divinity to the few whose profound faith in Me made them become My Own and to whom I can open the paradise of the new earth because they are and will remain My children forever.... These few also understand the meaning of My Words and they will expect Me and My arrival in the firm belief that I will rescue them from the adversity which precedes the final end. For they are My children and I will come for them when the time is fulfilled....

Amen

Experiments.... Work of destruction....

B.D. No. 7372a

May 25th 1959

Penetrating the core of the earth can only ever be permissible up to certain limits; once these limits are exceeded you will suffer the according consequences.... It will result in a work of destruction on such an enormous scale which is impossible for you humans to imagine because you will not survive such devastation but fall victim to these experiments at the same time. Human intellect studies and speculates and has already deeply penetrated the laws of nature. And these investigations could

indeed be a blessing for fellow human beings were they conducted with the right attitude towards Me, so that it would be possible to direct the researchers' thoughts according to divine order. Yet this right attitude towards Me is usually missing, and individual people are often drowned out by researchers and scientists who are distant from Me and whose thinking can therefore also go astray.... Which, in the case of experiments on the intended scale, will result in awful consequences: they will no longer be able to control the laws of nature, they will draw the wrong conclusions, and they will conduct tests on the basis of incorrect calculations and thus trigger forces which they will no longer be able to keep in check. People only calculate with earthly figures, but not with spiritual problems which, in view of their ignorance of God, are impossible for them to solve. But the basis of everything is spiritual, earth exists for a spiritual reason, and the goal of people inhabiting it should be to rise above the earthly realm and become mature for the spiritual kingdom, but of whose existence researchers and those who deem themselves knowledgeable don't know very much or nothing at all or don't want to believe in.... However, My works of creation are nevertheless at the mercy of people's free will, and people will not be hindered from causing even the greatest extent of destruction.... Yet they will do this at their own detriment, insofar as that all living creations will lose their lives, be they human or animal, be they plants or other creations which contain bound spiritual substances for the purpose of higher development. And even if the latter is not believed, the lives of fellow human beings should nevertheless be taken into consideration....

Even so, people deem themselves intelligent and wise, they believe that they can also penetrate the laws of nature which so far had been unknown to them. They are conducting experiments which they will constantly expand until they trigger hitherto unknown forces with the inconceivable result of a total destruction of the Earth's surface, which no living being will survive, as has been predicted by seers and prophets since the start of this earth period. And I allow people's will its freedom; however, My eternal plan of Salvation is based on this will, because I foresaw from the start that by that time people have reached such a low spiritual level it will necessitate a restoration of My eternal order again and thus I was able to base My plan of Salvation on it without enslaving people's will. For they themselves will be the architects of the end of this earth, they themselves will determine the date despite the preceding warnings and admonitions, despite the continuous references to their wrongdoing, as long as they are not in association with their God and Creator of eternity, Who then would also truly be able to guide their thoughts and intentions correctly without coercing their will. But people don't want to believe that they are approaching such a work of destruction of Earth, and they cannot be warned in any other way than through My Word, which is conveyed to them from above.... But if they incline their hearts towards Me of their own accord, they will also become enlightened and refrain by themselves from further experiments.... Yet there are only a few of them and they will be unable to assert themselves, even though they recognise the immense danger which threatens the human race.... But the majority will be opposed and won't let go of a plan which will result in the end of the earth. And because of their freedom of will they cannot and will not be stopped by My side because, according to My wise counsel, it will further countless beings' higher development again, because I know how to guide everything, even that which is bad, such that it will nevertheless still result in beneficial consequences and precisely this is My plan of Salvation which will therefore also be implemented according to My love and wisdom....

Amen

You humans are approaching the end....

B.D. No. 7935

July 5th 1961

A period of Salvation comes to an end, for the time is fulfilled.... My plan of Salvation has been predetermined for eternity and will be carried out as decided by My love and wisdom. However, you humans cannot judge what the conclusion of an epoch of Salvation means, for you will never be able to envisage that a transformation on this earth will take place which will destroy all creatures, in which all living beings, all life, will be dissolved and wiped out.... As no parallel has ever been experienced by humanity before, it does not believe that the earth is approaching its end. You humans

are facing inconceivable happenings but you will not attach the right significance to any of them since you are ignorant of the seriousness of your situation.... **You are approaching the end....** What you see around yourselves, what exists and can be perceived by you, will cease to exist.... Everything will be destroyed, and even you yourselves will fall prey to this destruction if you do not belong to My Own, whom My power and My will shall lead away, as I have proclaimed.... whom I will lift up to heaven before the eyes of their fellow human beings because they belong to Me and I can and want to transfer them to the new earth once the work of transformation has taken place. **The time is fulfilled....** For the duration of **every** period of Salvation is limited, even if it is so infinitely long that you humans no longer know its beginning and thus also deem an end impossible.... The fact that **you** now have to experience this end is only based on your own will, on your soul's past and present opposition towards Me, otherwise it would be unable to go astray, that is, it would not have to fear the banishment into matter, into the creations of the new earth.

Only your resistance determines your destiny, your fate after the end of this earth, for as soon as you abandon it you will turn to Me and then you will also belong to My Own, whom I want to save before the end arrives. Everything related to an 'end of the old earth' is incomprehensible to those of you who have no spiritual bond whatsoever, and you will never believe that the time has come when every individual person has to make a decision for **life** or **death**.... You will have to make the decision; no-one can be spared from it. And you should not assume that you are safe, that the end of this 'creation work earth' is yet to take a long time.... The end will come sooner than you think.... precisely because the time is fulfilled. And I Myself Am steadfast in My **Nature**, I Am steadfast in My **reign** and **activity**, and I Am steadfast in My **Word**. And so, what I have told you must also come to pass, that My plan will be implemented when the time has come.... And the fact **that** it has come can be seen by the many signs which I brought to your attention, which I pointed out every time I mentioned the end of this earth.... He who has ears to hear, let him hear.... He who has eyes to see, let him see.... But you humans do not want to hear and see. And thus I cannot reveal Myself more plainly in order to compel you into believing. But My warnings will not stop until the day has come. And blessed are those who believe My Word, who live their life in accordance with this belief and unite themselves with Me in love and trust.... For they will be saved for time and eternity, I will take care of them in every earthly and spiritual adversity, and never again will they have to fear an end because I will remove them before the hour of horror and will indeed allow them to observe the process of destruction, but only in order to let them recognise My might and magnificence and to testify to them on the new earth, where all suffering will be over and where they will be allowed to experience the happiness of paradise. The time is fulfilled, and it will come to pass as it has been proclaimed, for My Word is and forever will remain truth....

Amen

Purification of Earth....

B.D. No. 8112

February 28th 1962

I want to purify the earth and turn it into a place of peace again, where love will reign and where I will be able to stay amongst My Own because their love for Me allows Me to do so.... But first a purification process has to take place, My adversary's activity has to be stopped, and thus he has to be chained up together with his followers.... that is, all souls enslaved by him have to be banished into hard matter again, all spiritual substances on the path of higher development have to be placed into forms which correspond to their state of maturity; and thus My adversary will lose all power, for the spiritual substances which will travel the path across earth in a state of compulsion again will have been removed from him.... and the people whose will he was able to influence shall have turned away from him and come back to Me for good, so that they, as the root of the new human race, can no longer be bothered by him. All power, which he associates with his adherents, will have been taken from him, for he will have no control over the spiritual substances bound in matter, in the creations of earth.... And there will be peace on earth again for a long time....

Hence it has to be preceded by a purification process, and this will come about through a work of destruction of inconceivable proportions, for a total transformation of the entire earth's surface will occur, all creations will be disintegrated and shaped anew, which also means the downfall of all people and living beings, the disappearance of everything that shelters spiritual substances.... Although the creation work of 'Earth' will indeed remain, the power of natural forces will penetrate far into the core, dissolving the solid matter and giving all constrained spirits the opportunity to receive new forms. For everything will have become disorderly because people live and act in complete opposition to My eternal order.... Consequently, everything has to be arranged anew, which first requires the disintegration of the works of creation which, to you humans, is the same as your downfall, for no-one will survive the end apart from those who will be taken away by Me before the end

Yet this last event will only be dreadful for the **human being**, because his soul will be banished into solid matter again, whereas the development of all other spiritual substances can only advance, for new forms will be created for all spiritual substances to shelter them.... And the creations on the new earth will be incomparably delightful, and the spiritual substances will be given the opportunity to be of active service again whereby all spirits will be able to ascend and time and again change their present form.

This work of transformation of the old earth is about to happen to you humans.... And although you don't know the day and the hour, you, who do not want to be doomed, who want to belong to Me and not suffer the dreadful judgment of a new banishment, should prepare yourselves for the end.... Believe that you live in the time of the end and consider the thought that you are creating your own fate that you can live an exceedingly blissful and glorious life in the paradise of the new earth.... but that you can also descend into utter darkness, if you are not granted the grace to be called back before in order to still find the opportunity of ascent in the beyond And take your psychological work seriously, that is, live a life of unselfish neighbourly love and you will thereby establish the bond with Me and without doubt be saved from this downfall. Time and again I will send you My messengers to admonish and warn you, and time and again you will hear of or be afflicted by all kinds of misfortunes and disasters, for they are all reminders to make you consider the possibility of a sudden departure and your souls' fate, if it has not yet reached a state befitting its entrance to My kingdom of light and beatitude....

I don't want you to go astray, I want you to achieve eternal life, but you humans live irresponsibly, you don't consider Me and neither do you consider your soul's fate after the death of your body.... And your attention shall repeatedly be drawn to the fact that you are approaching a dreadful fate.... that you, banished into hardest matter again, will have to start the path of evolution all over again in inexpressible agony and distress.... but that you will be able to prevent this fate if you listen to Me, if you believe those who proclaim in My name that you are near the end.... For the time is fulfilled and it will come to pass as it is proclaimed in Word and Scripture....

Amen

Information about the end....

B.D. No. 6487

February 28th 1956

In a short time an era ends and a new one begins.... You can believe these Words because I say them so that you can live your life in a manner that you need not fear this end.... I have no other reason, I don't want to trouble you without cause, I don't want to throw you into confusion about the coming event, I simply want you to live in accordance with My will, then the end of this era will only be to your advantage, you won't need to fear it but can joyfully look forward to a blessed time. I don't have to inform you of this because no human being knows when his last day arrives and the knowledge that a period of deliverance ends would therefore be entirely unnecessary for many.... But this information can still be motivation for each human being to seriously consider his soul.... it can cause him to take a serious look at himself when he is reminded of the fleeting nature of earthly possessions and now strives to acquire spiritual wealth.... But he is not forced to believe....

Nevertheless, I Am calling ever more urgently: believe these Words and do whatever you can.... and it will be in your best interest.... Because you are all in a poor psychological state, you all still have to work on yourselves and not much time left to do so. Don't let yourselves be taken by surprise but acquaint yourselves with the thought that you are visitors on this earth for only a short time to come. This thought alone will make you live more consciously and you will turn to Me for help if you believe in Me as your God and Creator.... Consider your way of life up to now and question yourselves whether your conduct was right in My eyes.... Because you all know My commandments and you all know that love is the first and most important requirement, that you can never achieve bliss without love, and if you now have to admit to yourselves that you have treated this commandment half-heartedly and with indifference then you can still change.... as you have many opportunities to act with love....

You will see hardship around you everywhere and will be able to help, just be willing to live virtuously and just, and honour the commandments of love which I only gave to you for your salvation. Because you are given many opportunities to do kind deeds.... And always remember your Redeemer Jesus Christ.... Call on Him that He should guide your thoughts and give you strength to carry out the divine will.... Then you are calling Me Myself and demonstrate that you want to come close to Me. Then you walk the right path, the path that Jesus Christ had walked before you.... The end comes irrevocably and irrespective of the state of your souls....

But there is still time to prepare yourselves and therefore the warning call comes from above time and again: Think of the end.... My love wants to save you from destruction but it will never force you and therefore speaks to you in a manner that you can believe if you want. If you are observant you would notice much which could make you believe.... One era comes to an end and a new one begins.... And it merely comes to pass what seers and prophets had always predicted.... Because they too spoke in accordance with My instructions and announced the same as I Am telling you now, but your will is free; and your fate shall be as your will is once your earthly life has come to an end.... You can live in blissful happiness.... or you can become subject to death, an endless long time of torment and darkness from which you cannot free yourselves....

Amen

Only a short time of grace left....

B.D. No. 7207

November 14th 1958

Every day takes you closer to the end.... And no matter how busily you create and work for your earthly well-being, your concern will be futile, for you will be unable to enjoy the benefits of your efforts, everything you think you can buy will be taken from you again and you will only have few possessions to take with you into the spiritual kingdom when everything is over, because you will only keep the **spiritual** goods which your **soul** acquired on earth. But regardless of how often this is said to you, you don't believe in an approaching end and your efforts to attain the possession of this world increase every day and render you incapable of working at improving your soul. Yet were you able to foresee that you only have a short time of grace left, you would be alarmed at how close you are to the end.... But earthly life moves on every day, one day goes by like the other, and this is precisely what makes you question predictions of this nature.... However, from one day to the next everything will change, suddenly you will be confronted by events which will completely disrupt every individual person's life, all of you will be pulled out of your usual composure and be faced with great dangers, you will have to defer your earthly work and plans because you will simply no longer be capable of dealing with them in view of the imminent dangers caused by human will.... For nations will rise up against each other and it will only take something minor to burst into flames which will threaten to destroy everything. And then people will forget even more what their actual earthly task consists of.... But neither will they be able to continue with their work and activity, but instead only try to save themselves and their belongings, thus only consider their physical life and comfort but never

their souls. And they will have to recognise that they are powerless in the face of all events which threaten to befall them. They will appeal to people's common sense and good will but to no avail....

On the human side everything will take its dreaded course, but the divine side will intervene and thereby shatter human plans; nevertheless, people will not be spared what they had anxiously feared: They will suffer the loss of all that which keeps their hearts imprisoned, they will lose everything and will be able to learn to recognise the power of God in a natural event of incredible magnitude.... For the Scriptures will fulfil themselves.... And you human are on the verge of this whether you want to believe it or not. You carelessly only ever create and work for your physical needs and will lose everything.... But you do not care to satisfy the needs of your souls.... For then you will need not fear anything even in this forthcoming time, because then you will be taken care of by the One Whom you have already accepted, otherwise you would not want to consider your soul. For this reason the forthcoming event will be mentioned to you time and again, time and again His Words will sound as an admonition and warning, and time and again the foolishness and pointlessness of your earthly striving will be brought home to you. You only need to listen to it and arrange your life accordingly, and you would be able to face the coming events calmly and without worry.... Don't be too delighted about the apparent calm and the prosperity in an earthly sense, don't stifle your conscience with earthly pleasures.... They are only illusions which will quickly fade away, for you humans will watch powerlessly as everything comes upon you and be unable to defend yourselves from it.... But it has been announced to you often enough, giving you enough time to consider it and change yourselves. The fact that you fail to do so will have a dreadful effect on you, for God's plan is irrevocably fixed and, as soon as the time has come, it will be implemented, as it has been determined since the beginning....

Amen

The final powerful work of destruction.... II.

B.D. No. 8685

November 26th 1963

Great events cast their shadows before them.... And thus the final powerful work of destruction affecting the earth will be preceded by ever more distressing events, what happens to a lesser degree in many places will finally happen to the whole earth.... with the difference that the previous divinely intended natural disasters will horrify people, whereas the final work of destruction on earth will be triggered by human will, thus people will initiate the end themselves.... on the one hand by involving themselves in all kinds of tests and experiments and on the other hand by their increasingly firmer connection with God's adversary who impels them to do so because he himself is incapable of destroying works which emerged through God's will.... You humans will be kept in constant suspense, for the day which brings everything to an end because a new earth period will start, comes ever closer.... And every frightful event is intended to wake you up, for you are truly sleep walking, you don't see and realise anything because you don't **want** to see or realise anything. You are in grave danger of becoming lost again for an infinitely long time, and yet you could avert this danger if you were genuinely interested in your salvation.

However, regardless of what is yet to happen, only individual people will derive benefit for their soul, whilst the majority takes notice of everything, gets upset about it and then lapses into its state of sleep again, and nothing changes in their way of life, in their attitude towards God, for He is distant to them and they won't look for close contact with Him as long as their earthly life still seems bearable to them. Yet a state of calm will not return anymore, one piece of bad news will follow the other, and even the adversary's activity will become clearly evident, the separation of the goats from the sheep will become ever more distinctly noticeable. People will soon demonstrate that they pursue two different goals: people who still seriously try to find God and those who deny Him and aim to completely exclude Him from their lives. And the latter will treat the former with hostility and oppress them, for they will be in the majority whereas the believers will always be the weaker ones, yet they only outwardly yield to the superior numbers whilst always receiving strength from God in order to

withstand the adversary's demands to renounce their faith.... For soon the last battle of faith will erupt and that will also be the beginning of the final phase, which will be closely followed by the end.... But due to people's low spiritual level such upsetting events cannot be avoided, everything will still be tried on the part of God to motivate people to think, and the proximity of death will be brought home to them over and over again....

By way of destruction through the forces of nature they will be shown that everything is transient and be encouraged by any means to form an opinion about all happenings, for they shall be shaken out of their lethargy and motivated to reflect on the possible reasons for all occurrences.... And even people who are not directly affected themselves can nevertheless observe their fellow human beings' fate and form their own opinion.... Whatever it takes will still be done on the part of God which could result in some success.... Yet generally everything will be looked at from an earthly point of view, earthly disadvantages will be discussed.... but the fact that everything has its spiritual reasons will be ignored and therefore only little spiritual success will be gained.... Even so, you are told in advance that you will repeatedly be shaken up, you shall know that everything is planned for eternity and that nothing is without meaning and purpose even if you don't recognise it. Observe the cosmic events and heed world events.... And know that there are no coincidences in earthly life, that everything is determined or permitted by God's will because He also knows the results of what He sends upon earth and humankind. For He holds the reins and knows how to steer them according to divine wisdom.

Try to understand God's language, for you only need good will to subordinate yourselves to His will, hence you should only ever try to derive benefit for your souls from everything that happens around yourselves, but don't remain indifferent, for God always wants to tell you something when your heart and mind are affected by extraordinary events.... Listen to His soft voice and don't let anything pass you by without impression, take notice of the signs of the last days which shall be your indication that the time has come which has always been mentioned.... And believe that you don't have much time left until the end and that everything will come to pass as it is written.... that the old earth will pass away and a new one will arise.... For the time is fulfilled and thus the divine plan of Salvation will be implemented as it has been planned for eternity....

Amen

The day of the end is decided for eternity....

B.D. No. 8729

January 18th 1964

Even if you inwardly resist the thought that everything around you shall perish, as it is constantly proclaimed to you, it will nevertheless come to pass with certainty, for My Word is truth and the end of this world in its present form has been decided for eternity.... My plan of Salvation will proceed, for once I make a decision it will not change, because profound wisdom has recognised what serves My intention from the start the return of all fallen spirits.... and therefore I will implement what has been decided. The fact that the precise date will never be given to you humans is explained by your freedom of will, which would be at risk were you to know the exact day and hour. But the human race will never remain without warning, I will always announce what is to come, so that they can prepare themselves and the end need not be an end to be scared of for people. And thus I reiterate over and over again that the length of time the souls were granted for this salvation or earth period has expired.... that the total transformation of the work of creation called Earth is also necessary because everything has become disorderly, because nothing which furthers the soul's development is utilised anymore and because the earth shall fulfil its purpose again: to help the souls attain maturity, which, however, makes a total transformation of its surface unavoidable. And even if you are still granted a reprieve, you should not believe that the end has been revoked.... The day will be upheld which has been preordained for eternity.... You should merely know that you have already reached the lowest point which entails an end, thus, according to the state of you souls the prerequisites for a disintegration of earth would exist already.... However, My decision is irrevocable, and thus you may regard your remaining time as a gift of grace, for you can still change, since it is never too late for

that.... And therefore I call to you time and again: Believe that you are shortly facing the end. For even if a short time still passes by, it is nevertheless but a moment compared to the immense happening which will subsequently take place, which will conclude one period, the beginning of which you are incapable of ascertaining because the beginning and end of an earth period are so far apart that you cannot produce any clear evidence, nevertheless, you can be convinced that they are infinitely long periods of time.

Although the individual human being is apparently unimportant and tiny in the great events of the world, he is nevertheless a once originally created spirit whose return means a lot to Me and whom I would therefore like to save **before** this end, so that he will not have to spend infinitely long times in agony and wretchedness again, which he can avert from himself by merely paying attention to My admonitions and warnings which he will still receive during the last days. The remaining time of grace is only short, and every day should be regarded by you as a gift which can manage to achieve your inner change, it can mean turning back on the path you are walking.... providing you believe in an end of this earth and therefore also in an end of all living beings on earth, as it is constantly proclaimed to you. You don't believe because one day goes by like another and nothing unusual happens, and yet I give you so many wake-up calls.... you are constantly faced by different natural disasters, time and again different commotions bother you, which are intended to arouse you from the state of sleep you find so comfortable.... But you don't want to accept anything as a sign from above.... You continue with your thoughtless way of life, you smother every sense of responsibility.... You live on earth and yet do not acquire **eternal** life but approach death instead. Nevertheless, you have reached the end of an earth period, and if you don't believe this you will be taken by surprise and will find no way out, but prior to this you can still find it if you take the path to Me, if you hand yourselves over to your God and Creator and appeal for My shelter and protection from all difficulties of the impending time.... if only you acknowledge Me as your God Who wants to be your Father.... Then you truly no longer need fear the end, for then your return to Me will have been accomplished and I will be able to accept you in the spiritual kingdom where you can still continue to ascend if you leave this earth in a low degree of maturity. Nevertheless, you will have found Me and accomplished your return to Me in the last minute, you will have escaped My adversary and, while still on the old earth, have come to the correct realisation that you can only find salvation and beatitude in Me, and then you won't need to fear the end anymore either....

Amen
