God's little love spark in the heart

God's gift: the spark of love, a part of Himself....

B.D. No. 6941

October 11th 1957

You are lacking light and strength because you are still imperfect. However, without light and strength you will not attain perfection either and would hopelessly have fallen prey to a wretched state were you not granted help and first given light and strength, which subsequently enables you to reach the state of perfection. Hence, at the beginning of your life on earth you are oblivious of the correlations, of the meaning of your earthly life and your task, you are completely without knowledge.... you are lacking **light**.... And if this is brought to you by way of being instructed of your earthly task then you, on the other hand, lack the **strength** to attain your spiritual perfection as long as you don't acquire the strength for yourselves, which can only ever happen through kind-hearted activity. And for the acquisition of this strength.... thus for being lovingly active.... you usually lack the will, because your imperfect state also signifies an exceedingly weakened will.... So this is how you are at the beginning of your earthly life which was only given to you to shape your imperfect nature into becoming perfect. Your life on earth would therefore be incredibly hopeless had God's love not **granted** you something to help you attain perfection again: He placed a minutely small spark of His infinite spirit of love into you This tiny spark of love is His share, it is inseparably united with Him, it is spirit from His spirit, light from His eternal essence of light and strength at the same time.... This tiny spark is capable of achieving a change in you so that all imperfection will fade away and enable you to leave this earth as radiant beings of light. But this requires you to kindle this tiny spark yourselves, that you provide it with nourishment so that it can spread out.... it requires you to allow the divine spirit of love to impel you into activity of love, for that is its task, it is God's help that this spiritual spark constantly tries to influence you from within to do works of love.... because 'love' equals 'light and strength', because ignorance and lack of strength fade away as a result of activity of love.... because love is the only mean to become as perfect again as the being was at the start. Without this spark of love no-one would reach this goal in earthly life, for the being had once completely rejected all of God's illumination of love of its own free will and was no longer able to love correctly, which is its legacy of the one who was the first to renounce God's love....

Thus the human being is this once-fallen being which believed itself capable of existing without divine illumination of love.... Admittedly, it could no longer perish again but the state of a **fallen** being became a completely different one than as it was originally created.... For only love is the invigorating strength which enables the being to be blissfully active, **without** love the being is dead and in spiritual darkness and therefore must also feel tremendously wretched. Yet despite having formerly rejected His love God placed this minutely small spark of love into every human heart and so established contact between Himself and the person, which, however, must also be utilised by the person, because even this spark of love, the part of the divine spirit, does not coerce the human being's will. Nevertheless, with gentle urges it tries to influence this will to practice love, which then can ignite a flame in the person's heart spreading light and at the same time providing the person with strength to change his nature. Therefore it is **possible** for every human being to obtain light and strength for himself in earthly life, but since free will must not be excluded God's spirit of love remains in the background and does not compel a person into activity which causes his perfection.... on account of which countless people fail to make use of the great gift of grace and thus remain in darkness and weakness from which only activity of love can release the soul....

Amen

And My name shall be glorified before the world.... For you shall recognise Who reveals Himself to you by the effect it has on you and within you, you shall feel it in your heart when you are being addressed by Me and then consciously praise and thank Me because you recognise Me. The measure of My love is boundless and will never run dry, time and again the spring of love and strength will open and pour out over you and many times you will be able to sense your Father's presence.... It is My grace which I pour over you because you, like infants, are still weak and need My help. And if I thus reveal to you that I dwell within your midst then stay in silent worship and hand your hearts over to Me. And I will accept everyone and with loving care lead them to perfection. And you will start to live in heartfelt unison with Me.... for you have found your way home to the Father Who is inside of you because you have prepared an abode for Him, you opened the door of your heart when I knocked with a desire to enter. When you entered this earth as a human being I came to you, I placed a tiny spark of My divine spirit into you, a tiny spark of love, which was intended to grow into a flame and unite with the fire of My eternal love again.... Hence there is a small part of Me Myself in you when you embody yourselves as human beings on earth which establishes a connection with Me but of which, however, you must first become conscious by looking for contact with your God and Creator of your own free will, which will already exist because you have the **will** to be in contact with your God and Creator. This tiny spark of God in you characterises you as a divine living being if you allow it to break through. And it can break through in you if you change your nature into love. For you once changed your nature of pure love into the opposite; you adopted My adversary's nature who is totally devoid of love and thereby distanced yourselves from Me. All the same, you were the children of My love, you came forth from My love and I will never ever let go of you or hand you over to My opponent because I love you far too much. However, you would never find your way back to Me again if I did not provide you with a minute spark of My divine spirit for your life on earth, because this tiny spark of spirit shall guide you towards Me, it shall push you to Me, it shall prevail over the body and draw the soul.... your real Self.... close in order to unite itself with the spirit and thus also accomplish unity with Me, the Father-Spirit of eternity. And this spiritual spark lives in you but keeps silent until you, through your will, set it free to communicate with you.... And then I will manifest Myself in you.... Then you will have fulfilled your purpose of earthly life and your life will just be a constant prayer of thanks and praise, for then your nature will have changed itself into love again, since without love My tiny spark of spirit would not have been able to come alive.... But once My spirit can make itself known in you it proves that I Am present in you Myself.... it proves that the child has found its way home to the Father, that it has overcome the wide gulf which kept it separate from the Father for eternities.... that it is now illuminated by My strength of love as it was in the beginning....

Amen

The heart as a thoughts receiving station

Mental activity.... Heart.... Brain....

B.D. No. 0962

June 13th 1939

Unite in faith and pay attention to My Words, for the spirit in you will noticeably express My will. And if you live up to My will your life will irrevocably lead to the goal. The thought is spiritual strength, it propagates and is therefore the best evidence that it is not something dead, that it lives and invigorates and is in constant contact with the person's mental activity. Regular nourishment through spiritual strength is essentially the human being's mental activity. The human being is capable of receiving this flow of strength and effectively diverting it to the heart which, as a receiving station for spiritual strength, makes constant use of the nourishment and, thus utilised, returns it to the brain-centre where it, in a manner of speaking, activates the human being's mechanism.... This process is still entirely incomprehensible to the human being, since up to now he is advocating the mistaken opinion that only the brain carries out its organic activity and that the rest of the body is not involved at first until the will moves into action and then the body implements the mental activity.... but that, in fact, the heart is the receiving station and that an elimination first happens there as to how far the human being is willing to accept the spiritual strength, that is, the transfer of thoughts.... and this happens in a way that the body, and with it the brain as an organ, consents to either keep the received spiritual transfer as spiritual knowledge or merely senses it as a vague notion and instantly dismisses it again.

For this reason it happens so often that opposition makes itself felt when a particularly insightful and willingly receptive soul also wants to impart the information received in the heart to the brain.... The latter refuses to accept it completely, sends it back to the human heart, where it is received again with sadness, sent repeatedly up until the brain's opposition wears and subsequently acts as it should, since it is now determined by the strength of the spirit.... which grows increasingly stronger the more the brain's opposition wanes. Mental activity can only be fully explained in this way.... and provides the answer to the question why the same wisdom, which people are made aware of in the same manner, will be completely differently received, i.e. believed. In fact, it is simply due to a person's will to what extent he accepts and utilises the spiritual information received by the heart.... whether he therefore effectively offers resistance through the mere activity of the organs, which only utilise the spiritual strength so far as they need for their essential activity, thus for purely earthly thinking.... However, in order to solve spiritual problems the cooperation of the heart with the thinking organs is indispensable, because everything spiritual first takes the path to the heart until it is passed on, and then it will also have to be fully accepted by the organs, which are responsible for mental activity. And, once again, a heart living in love, will be incredibly richly endowed with spiritual strength and therefore the person, who shelters love within himself, will increase his spiritual knowledge and he will live in brightest realisation....

Heart and mind thinking

Emotional and intellectual thinking... Truth....

B.D. No. 2302

April 14th 1942

Every human being deems himself as living in a state of realisation if he advocates an opinion he formed intellectually. Nevertheless, this opinion need not always correspond to truth. God gave the human being intellect and free will, but He also gave him a heart.... As long as the intellect wants to find a solution for a spiritual question without the heart, he will hardly come close to the truth, for the truth comes forth from God and can only be received by the spirit and not from the body which is, after all, of matter. Intellectual thought is merely a function of the body.... but the heart is the seat of all emotions, the heart also shelters the divine spark of love and therefore the spirit, which is a part of God. A thought born in the heart, thus originating from the divine spiritual spark, can therefore always claim to be based on truth, for the spirit only imparts purest truth.... But whether the thought was born in the heart or is merely a product of rational thinking depends on the heart's ability to love. The more deeply the human being is able to love, that is, the more he strives for unity with God through loving activity, the clearer the thoughts will arise from his heart and enter the person's consciousness. For these thoughts are spiritual strength which flows forth from beings united with God and into the heart of someone who likewise unites with God through his activity of love. Whereas intellectual thinking is merely the function of physical organs, thus the utilisation of the human being's received vital energy, which can also be used by the person who exists without love, i.e. whose heart has little ability to love. Intellectual and emotional thinking should thus be separated. The latter will always arrive at the truth, whereas intellectual thinking need not always be the truth, even if one can speak of well developed reasoning power.

Only love is decisive, i.e. determinant of the truth. The human being has little information about the nature of thought, and therefore the difference is not clear to him. The thought born in the heart only has one thing in common with intellectually gained spiritual knowledge, both have to reach the brain in order to penetrate into the person's consciousness, and this makes the human being assume that every thought originates in the brain, that it therefore was intellectually achieved. Nevertheless, the mental knowledge of a loving person, hence a person whose life is a constant activity of love, has to be entirely differently judged than the purely intellectual thinking of someone with little capacity to love. The former will come close to the truth, whereas the latter offers no guarantee for truth and knowledge. For God reserves the truth for Himself and only distributes it to those who acknowledge Him, desire Him and demonstrate this through activity of love. Consequently, that which flows forth from a loving heart can be accepted as truth without hesitation, for such thoughts are subject to a certain surveillance through knowledgeable spiritual beings, whose responsibility is the transfer of thoughts and which therefore diligently watch that the person will think correctly. For through his activity of love the human being acquires the right and the claim for the light beings assistance, which now guard the person from thoughts which contradict the truth....

Presence of God in the heart

**God is the Word.... God's presence.... Different conveyance
of the Word....**

**B.D. No. 3596
November 7th 1945**

And thus I Am in the midst of you in the Word as I have promised. I won't leave you on your own and you shall also feel My presence, and so I draw near to you in the Word, for I Myself Am the Word and anyone who has My Word can also speak of My presence and feel protected near to Me. I Myself Am a Spirit Which is not bound to any material form but is strength and light to the highest degree and Which, due to Its will and Its thinking ability, has to be addressed as a Being, Which takes effect with love and wisdom and therefore emanates love and wisdom into eternity. And My love expresses the strength and the light in a form which you humans can become aware of, as you are not yet mature enough in order to receive strength and light in its fundamental substance.... And this expression is My Word, which I convey to you so that you shall gain maturity.... A Spirit which is light and strength in itself can in fact only be present in the form of light and strength, and thus My Word, the emanation of Myself, has to incorporate light and strength within itself, and this characterises My closeness. And therefore I gave you the promise that I will stay with you until the end of the world.... by the fact that My spirit is always with you who want to receive light and strength.... by the fact that My directly emanated Word is constantly conveyed to you in order to make My presence known to you. I Am with you.... and even if I don't visibly dwell among you, you nevertheless have the evidence of My presence in your hands if you recognise Me in the Word. For I Myself Am the Word.... and you will constantly receive it as soon as you desire Me and My being close to you.

Thus anyone who recognises Me in the Word will also be profoundly happy that I Am close to him, and all doubt, all fear and all worry will leave him because he knows that the One is beside him Who will helpfully support him in every adversity of body and soul. Consequently, My will grants strength and grace, for anyone desiring My Word will open the door to his heart through which I can enter in order to take abode in it. And I will never ever leave him again once his will applies to Me and he has recognised Me in the Word.

For the Word is the medium through which I express Myself, through which the most perfect Spirit of eternity reveals Himself to the imperfect beings in order to lead them to perfection.... I Am close to you.... So why do you who have My Word, who receive it directly or through the mouth of the recipient, still hesitate and worry.... I Am with all of you, because your desire for My Word demonstrates your love for Me.... And remember that only the flow of My Word to you gives you the certain proof that I Myself Am with you. Anyone who does not desire to hear Me does not desire My presence, his heart does not strive towards Me, for it would long for the expression of My love, for proof of My presence. Admittedly, the desire for My Word can certainly vary.... the human being can want to be comforted and strengthened through spiritual consolation, he can want to enrich his knowledge of spiritual spheres, he can also think of Me with gratitude and therefore want to express it by desiring My presence, he can want to remain with Me in intimate dialogue and accept My Word in his thoughts.... yet he must always be spiritually minded, then I will also let Myself be found and his call will draw Me to himself, and I will reveal Myself through My Word, since otherwise the human being would be unable to endure My presence. And likewise My Word will be conveyed to him in different ways.... through the direct working of the spirit within him so that he will be able to hear My Word himself.... through receiving it from a direct recipient who proclaims My Word on My instructions, or by way of mental transmission of knowledge from the spiritual kingdom.... through reading the Word I convey to earth.... through spiritual conversations with fellow human beings.... I will always look after a heart which desires Me, I will always be with

those who want to hear Me, for I Myself Am the Word, and thus I Myself dwell amongst people if they listen to My Word with the sincere will to let Me speak to them. Then I will offer them the bread of heaven, My flesh and My blood.... And if they thus eat and drink Me Myself they have to be most intimately united with Me.... if they accept My Word in profound faith that I Am the Word Itself they will accept Me in their hearts and I will constantly please them with My presence.... For I gave you the promise that I will stay with you until the end of the world, and every Word of My promise will come true, because My Word is and will remain the truth for all eternity....

Connection with God by prayer

Appeal for inner enlightenment...

B.D. No. 3597

November 8th 1945

Every human being can appeal for the grace of inner enlightenment and he will receive from God what he desires. Correct thinking and the right kind of conduct will result if God enlightens the person's spirit, and thus anyone who prays for the grace of inner enlightenment will lead a way of life corresponding to God's will, for if God's spirit determines the person's thoughts and actions he will only accomplish what is good and need not fear to do wrong. Yet he will have to pay attention to the inner voice, he must hand himself over to the working of the spirit, that is, he must open his heart in order to let the thoughts conveyed to him from the benevolent spiritual side influence him. The human being's will determines the spiritual beings' influence on him. If he desires to become enlightened by God then God will assign beings to his side which will guide his thinking correctly, providing he does not oppose them. Opposition, however, would be an unbending will which cannot be guided, which, prior to the appeal for inner enlightenment, has had goals in mind and is afterwards unwilling to let go of them in order to entrust himself to God's guidance without resistance. Anyone appealing to God for spiritual enlightenment must be willing to meekly hand himself over to His guidance, he must only ever listen within himself and give in to the prompting of his heart which will urge him to do or not to do this or that. He must let himself be guided by his feeling, for this is God's voice as soon as the person seriously strives to do what is right. The more he lets his own will become active the less audible will be the spirit's voice, God requires a relinquishing of will, a subordination to divine will in order to be able to work in the person through His spirit.

God's spirit will speak audibly and clearly in all who unconditionally hand themselves over to God.... He will lead them through all dangers, He will guide their thinking right, and what they should then do or not do will correspond to divine will. Admittedly, this does not comply with human requirements which only consider it sensible to pursue a designated goal, which are thus intended to activate a person's own will and regard a relinquishing of will as a shortcoming. As long as the human being deems himself strong enough and believes himself able to master everything solely through his determination he will undoubtedly be able to achieve earthly success but never progress spiritually, for his thinking and activity will not always comply with God's will because he fails to appeal for God's spirit.... for inner enlightenment. For God's adversary interferes quite often with his thinking and activity; the person listens to suggestions made by the beings which are subject to the opposing power and his way of life will be lived accordingly. Therefore pray for the grace of inner enlightenment, pray for the working of the divine spirit within you, and then let yourselves be guided by the thoughts flowing into you.... comply with the urging of your heart and you won't have to be afraid to think or act wrongly, for God will answer your prayer and He Himself will work through His spirit in people who entrust themselves to Him.... as He has promised....

Amen

Bertha Dudde - 12/29

T rue prayer requires true humility, only then will it be pleasing to Me, for humility towards Me is **also** proof of love for Me, because love will never want to dominate but only ever be of help.... Anyone who therefore appeals to Me with a feeling of love in his heart will also be able to humbly approach Me and I will respond to his love and grant Him My grace.... However, anyone lacking true humility merely sends a fearful call to Me, Whom he certainly acknowledges in his heart but Whom he does not love because he has not become love himself and, because he does not love his neighbour, cannot receive love and grace from Me either. This is also often the reason why prayers remain unanswered, for I request humility of heart since it is the evidence of love for Me. Humility of heart excludes every arrogant thought, it excludes heartless actions, for love and humility go together and are not in opposition to each other. This is why a humble heart is well-pleasing to Me and which I will provide with grace and love in abundance. Profound humility, however, does not show itself in a person's external demeanour, for this is at all times abhorred by Me.... Humility towards Me only manifests itself in prayer and humility towards another person in helpful neighbourly love. External gestures, however, often feign humility while the heart does not feel it. I, however, look at the soul's motivation.... I won't let Myself be deceived by appearances, and therefore the sign of My grace will only rarely be found where an outward appearance of humility is given, where fellow human beings are intended to recognise such in gestures, in attitudes or humbly sounding words....

I only pay attention to the humility of heart and these are the people I consider, although outwardly they assert themselves and don't display any kind of subservience. But anyone who actively engages himself in helpful neighbourly love will not elevate himself, he will always remain a servant of the Lord, for he complies with My commandment, he lives up to what his Lord requested of him, he subordinates himself to My will without having been forced to do so. And if he thus prays to Me his request will likewise be that of a servant to his Lord or that of a child to its Father, to Whom it subordinates itself in love and profoundly humbly entrusts its worries to Him.... it will not demand but request, which is a sign of humility, the acknowledgement of the One Who should grant its prayer.... and its request will not remain unheard.... Pray correctly and your wishes shall always be granted.... request but don't demand.... remain deeply humble in your heart so that My grace can flow into you and know that I will never require an external gesture, that external gestures are never pleasing to Me because they easily become a cover for those who are not profoundly truthful, who want to deceive and whose hearts feel different than it seems. Therefore take no notice of them or copy them, but be of loving service to your neighbour and you will be graced by true humility of heart which will find My pleasure and which I will be able to reward with grace in abundance....

Amen

Silent prayer... Public confession....**B.D. No. 6012
July 30th 1954**

L et those who worship Me do so in spirit and in truth.... Only what comes from the very bottom of your heart is pleasing to Me and will reach My ear.... Hence, I only look into a person's heart and disregard the words spoken by the mouth if the heart is not involved. If you are able to completely withdraw from the world in order to enter into heartfelt dialogue with Me, then you are already praising Me without words through your willingness to make contact with Me, then you are sending Me in thoughts a silent prayer, true worship, which will be a great blessing for your soul, for the connection with Me lets you gain strength and grace which is

experienced by the soul as help for its maturation. This sincere form of prayer is the true prayer which is pleasing to Me, for then you have voluntarily approached Me so closely that the strength of My love can touch you, drawing you ever more affectionately towards Me. If you want to speak to Me then the spoken word is truly unnecessary, for this can easily intend to hide or pretend something, which I certainly recognise but which need not be evident to another person who allows himself to be easily deceived and then will use the same form of prayer himself....

Step into your closet if you want to pray.... Withdraw into complete silence, you will be able to find Me there far easier and communicate with Me like a child with its Father.... And you will tell Me everything without fear and in childlike trust.... And your requests will be granted to you because then your prayers will reach My ear.... For I have promised you this with the Words 'Come unto Me all ye that labour and are heavy laden, and I will give you rest'.... Thus I will keep My promise with anyone who comes to Me, and this more evidently so the more trustingly he approaches Me, the more intimately he unites with Me and entrusts himself to Me in silent conversation. The spoken language is intended for your communication amongst yourselves.... But I don't need words for I know everything, I look into your heart and read your thoughts, and thus you cannot deceive Me no matter how beautiful your words are.... just as no words are needed if you want to exalt and praise Me.... because a silent expression of thankfulness, a humble call upon Me, a life following My will, a faith brought alive through love will truly please Me and include praise and thanks as well.

Yet you shall confess Me to your fellow human beings with your mouth.... Where it concerns your attitude towards the faith you shall confess Me freely and openly and not fear the consequences of your courage of conviction.... For this confession shall in turn be an incentive for your fellow human beings whose faith is still weak, and at the same time it demonstrates that you support the truth, that you don't want to give an outward impression which does not concur with your inner thinking, with your conviction. You shall always be true and put Me and My name above all else if this confession is demanded of you....

But whatever you want to tell Me can be presented to Me by you silently and in secret, for I want to hear the voice of your heart and not just words spoken by the mouth without the involvement of the heart. And such prayers are tremendously powerful if they are sent to Me in unison.... if people come together imploring Me to grant a particular request.... if they all appeal for the same, if they send the same plea to Me, and even if it is just a short call.... I will hear it and grant it if they pray to Me in spirit and in truth....

Amen

What kind of prayer will be granted?....

B.D. No. 8738

January 28th 1964

I Am available to you whenever you call for Me.... Every heartfelt, pleading thought gets through to Me, every sound the heart utters is heard by Me and I will always turn towards you, for the child's voice penetrates and will always reach the Father's ear. And then I will be ready at all times to help if you need it, or I will provide you with spiritual strength if you ask for it.... I draw close to you and listen to your plea, because I rejoice in pleasing My living creations, in providing My children with what they need and request from Me. No call to Me in spirit and in truth will ever go unheeded and remain unanswered, every heartfelt prayer to Me will benefit you, and your souls will mature. Your call to Me should not just be a mere empty prayer.... And precisely this requirement is often lacking, for people were taught a kind of prayer that will never be able to penetrate My ear.... They often pray together reciting words they were taught and which never express the feelings of their hearts but which are and remain empty words that had better remained unspoken.

Bertha Dudde - 14/29

Source:: www.bertha-dudde.org

A heartfelt prayer has to rise up to Me from the heart and must be the result of an intimate union with Me, so that the child will then speak with Me as with its Father.... And even if it only stammers without using well-formulated words I will nevertheless understand this stammering and value it as a child's loving call to the Father, and I will listen and respond to it.... A prayer to Me is a bridge you can cross any time, yet this path is rarely taken.... because 'prayer' has become a mere formality, a recital of words whose meaning are not considered and which usually also obstruct deep devotion.... heartfelt thoughts.... of Me. Thereby the human being deprives himself of a great blessing, because he does not utilise the strength of prayer.... since no strength can flow to him if he does not make intimate contact with Me which, however, does not need many words, it just needs an utterly receptive heart for Me....

In prayer the door of your heart should be wide open so that I can enter it Myself and permeate you with light and grace. Hence you have to be with Me in thought with all your love, your heart has to be completely devoid of all other thoughts, and then you should enter into a silent dialogue with Me and entrust all your cares and wishes to Me or.... if you don't come to Me with worries.... you should assure Me of your love, and for this you truly need no prayer events, no organised campaigns, no mass prayers.... unless a special request causes several people to ask for My help together, but even then it should take place silently and inwardly, for every external expression disturbs the inner contact, and the person will be unable to turn inwards such as to completely feel My presence.... Time and again I have to draw your attention to the fact that your customary prayers will not achieve much with Me, because I only take notice of the feelings in your heart and not the words voiced by your mouth, regardless how many people participate in such prayer.... This will always be abhorrent to Me, because it merely demonstrates your lack of sincerity to speak with your eternal Father, and because you even expect help from such prayers which, however, you will never receive, and thus you will start to doubt the love and might of a God again when you don't feel any help. You can achieve so much with a silent and sincere prayer arising from your heart, because I will never fail to hear it but rather take pleasure in it and will always be ready to respond and prove to you that the Father's love and might wants to make you happy. You cannot show your intimate dedication to Me better than by your heart's silent dialogue with Me, for you are unable to do this thoughtlessly.... as a mere formality. And then every word you say to Me will sound child-like and trusting, you will, in truth, establish a child's relationship with its father, and the child will achieve everything, because the father's love does not deny itself and constantly wants to please the child. But as long as people believe that their formal prayers will persuade Me to help them they will have little success and therefore, time and again, also doubt a God Who, in His love, is always ready and, by virtue of His power, able to help.... This faith, however, is a prerequisite for Me in pouring out the abundance of My grace over all people, and this faith also requires a living union with Me which will only ever be entered into by love, and therefore a loving person will achieve everything with Me....

Mental connection with God

Listening within.... Gifts from above.... Everything that is good is divine....

B.D. No. 2787

June 25th 1943

Every spiritual gift requires undivided attention for the divine expression of will; for this means that the human being must listen within in order to hear this declaration of will. God's will can only be revealed to someone who withdraws into his inner life, since God's voice is only perceptible in the human being's heart; hence, a person has to listen within if he wants to hear God's voice. And thus a person must first detach himself from the world, i.e., he must completely free his thoughts from earthly interests, he must establish a bond with the spiritual kingdom through consciously focussing within and enter into a silent communication with the spiritual beings in a perfect state or with the eternal Deity Himself. He has to present his spiritual adversity to God and appeal for being guided towards realisation, he has to try to live according to divine will and have the serious will to become worthy of God's voice, then God will also let His voice be heard in the heart of someone who wants to hear it. For God requires people who clearly and understandably convey to fellow human beings what the voice of the heart has imparted to them, consequently He will also always be willing to instruct people according to the truth. Therefore, He also expects the attention of those who are prepared to pass on the knowledge they receive. For this knowledge is so extensive that people can be offered something new every day and every hour. But it must also be accurately communicated, and thus the teacher himself must be knowledgeable and always and forever accept this knowledge, and this requires constant mental concentration, that is, the recipient must willingly detach the soul from the body and utterly hand himself over to the working of spiritual forces.... he must listen to what his spiritual friends impart to him and know that every message from the spiritual kingdom is offered to him according to God's will.... that he therefore receives the truth which he should pass on in exactly the same way. Thus, his own mental concepts must not precede the knowledge he receives but he must strictly keep to that which is offered to him from above. As soon as the person fails to listen to this voice in his heart he cannot be instructed either, for God will not manifest Himself more markedly as not to endanger people's religious liberty. However, to the listener His voice sounds so clear and pure that he cannot misunderstand it, and thus he grows in wisdom because he is instructed by God Himself, Who also avails Himself of His heavenly messengers in order to impart the truth through His devoted earthly child to people on earth....

But God is at all times the Giver of gifts from above, for it is God's voice which can be audibly perceived by a person if he attentively listens within. Everything that is good is a divine gift.... everything that urges a person to do good, that teaches him to love and points him into the direction of God.... And these instructions are always given to a person when his striving applies to God and the eternal truth and when his heart has made itself receptive through the will to hear the voice of God and through a God-pleasing way of life.... otherwise the desire for God will not be rooted within the person. But then his thoughts will be influenced by God Himself and the spiritual beings devoted to God, and these thoughts will predominantly arise in his heart and need only be grasped by the person's will by means of listening inwards to the divine gifts he is offered. If the person lives a life of love these thoughts will make such an indelible impression on him that he will accept these thoughts without doubting that it is the divine voice, since through love he is already so united with God that he knows His will and always strives to fulfil it....

Amen

You can distinctly hear the voice of the spirit in you providing you want to hear it and mentally make it known to God yourselves, since this mental expression of will enables you to receive thought transmissions from the spiritual kingdom. You cannot receive information unless you yourselves desire to receive it, but God responds to every heartfelt desire and gives to you in accordance with your degree of maturity and will. However, you have to observe the thoughts which approach you in a variety of ways when you ponder spiritual problems. They will affect you differently, appear to be acceptable or unacceptable to you and, providing you had prayed for enlightenment of spirit first, you can safely accept or ignore what you feel is right. Then you can follow your feelings and you will accept what is right but dismiss what is wrong. Thoughts from the spiritual world affect you in proportion to the strength of your desire for truth, so that a person who genuinely desires truth remains unaffected by wrong thought currents. In that case the influence of misguided forces is no longer sufficient to captivate a person, since the beings of light have free reign and the human being readily opens himself to their thought transmissions.

You have to practise this process of spiritual activity, i.e. you have to pay more attention to your inner life, withdraw into solitude more often, and if you would like clarification about a problem, spend a longer period of time in thought. However, this exercise always needs to be preceded by heartfelt prayer in order to establish a connection with God and thus also with the spiritual forces, who work in accordance with his will and whose actions consist of transmitting utmost truthful spiritual knowledge. This sincere connection protects you from contact with misguided forces who, understandably, endeavour to cloud and confuse your thoughts, because the battle of darkness against light and vice versa forms the basis of everything and will still continue for eternity. But anyone who acknowledges God as the most loving, wise and omnipotent being, who consciously enters into contact with this supremely perfect Being, who constantly strives to fulfil His will and then, having fulfilled these conditions, desires to know the pure truth, will not be left by God to fall prey to the forces of darkness....

God Himself will instruct him and the human being need only open his heart, listen inwardly and consider his thoughts, and he will truly be on the right track and receive clarification when he desires it. Because God, the eternal truth, also wants to convey the truth to his living creations, but God, the eternal love, also requires the human beings' will to shape themselves into love too, and anyone who endeavours to do so also aspires after truth, since God, love and truth are unthinkable without each other. And thus every human being who is willing to love and desires the truth is also able to hear the voice of God, Who expresses himself through the spirit in a person.... mentally or, in a state of advanced maturity, also vocally. And a person always receives the same truth, which is totally synonymous with the Word, which is directly transmitted by God's great love to people on earth through awakened servants and prophets, who have voluntarily offered their service to Him in order to help erring souls in utmost spiritual hardship. For there is immense spiritual darkness and people urgently need help if they want to become perfect....

Blessing of mental communication with God....**B.D. No. 6859****June 28th 1957**

Anyone who listens to Me when I speak to him takes the reliable path of ascent.... And I speak to all those who receive My Word, who in turn accept it from those who question Me in thought and who thus also may regard the thoughts they receive as **My Words**. You cannot think wrongly once you have acknowledged Me as the source of truth by directing your

thoughts to Me, once you want to know the truth. Nor can you take misguided paths anymore once you appeal to **Me** for guidance.... But you must willingly offer Me the opportunity to speak to you, and that always happens when you mentally occupy yourselves with Me, your God and Creator, for every thought of Me calls Me to you, and I follow this call.

You should often occupy yourselves with Me in thought, because this means that your heart is receptive for My communication and because you can only ever gain by this, for then you will also constantly receive the strength to do what I ask you to do, what My communication conveys to you as My will. You have to establish the connection with Me yourselves, because you had once isolated yourselves from Me.... You need not do anything else but think of Me without a will of resistance.... I Am always willing to meet you as soon as I recognise in your thoughts the resolve to make contact with Me.... And then you are truly protected from taking misguided paths, since now that I can speak to you I have also gained influence over you. Thus it is truly not difficult for you to acquire an immeasurable amount of everlasting riches in earthly life, as this is the result of your mental bond with Me.

It is completely impossible to leave Me empty-handedly, it is completely impossible that I will **not** make use of such a bond and remain silent in you, for I Am only waiting for such quiet moments when you make contact with Me, when you enter into conversation with Me or approach your God and Creator with questions, and I will certainly answer you again in the form of thoughts, if I cannot speak to you directly through the inner Word. This is why every person has the opportunity and the right to communicate with Me, and every person will receive as much as he desires. Even if nothing is visibly given to the body, the soul can still receive unlimited riches for itself. I **want** to speak to you, and I will speak to every one of you who thus is willing to listen to Me, who wants to hear My voice.... You all should avail yourself of this assurance, you should excel yourselves and devote every free minute to Me, and you would truly use your time on earth well. Then the connection would be established ever more frequently, because you would desire Me from the bottom of your heart, Whom you now recognise as your Father and constantly wish to be spoken to by Him. And you will also gladly comply with everything, you will fulfil My will because you have already adopted My will as your own, because the constant bond with Me also results in a constant submission to My will and because you have become enlightened as to Who I Am and what kind of relationship exists between us.... Think of Me daily and hourly, never exclude Me from any undertaking, constantly let Me be present with you by mentally calling Me to you.... And you will truly not take the path through earthly life in vain, you will grow and mature and reach the goal.... You will join Me once more in order to never ever separate from Me again....

Amen

The voice of the heart

The voice of conscience....

B.D. No. 1565

August 13th 1940

You have no better indication for that which is right than the voice of conscience, the voice of the heart, which truly advises you correctly. This voice will often guide you to do what is pleasing to God. And if you sometimes don't really know what you should do, think or say then you may always call upon God in all sincerity and He will inform you of it such that all doubt, all indecision will fade away and your actions will become conscious and unambiguous. Every wrong thought triggers unease in you and every right thought will make you feel glad, for all good spiritual beings around you endeavour to mentally inform you as to what you should or should not do, and if you willingly accept these suggestions they will give you inner contentment, whereas the other way round they will awaken in you a feeling of unease in order to make you become aware of the inner voice. The prompting of spiritual friends into doing a good deed is often the reason that this deed will then also be carried out, for a person on his own is often too weak-willed if he is not stimulated to do good. And if he only listens to the inner voice he will be correctly guided. The realisation of that which is right will likewise awaken him if he wants to act correctly. For his God-inclined will persistently rejects what is wrong, after all, this will attract the good and knowledgeable forces which will instruct him truthfully. Although adverse forces try just as hard to exert their influence they will only succeed if a person is weak-willed or indifferent and thus complies with every spiritual influence, completely oblivious as to whether he is being instructed by good or evil forces. This is where wicked forces have an easy game, although afterwards the voice of conscience will sound reproachfully and disturb his inner contentment. If attention is paid to this then the opportunity still exists that the good spiritual forces will still be able to be more persuasively effective, but often such silent reproaches deep within the heart only drive the person to try to drown them out, so that he will no longer take notice of them and thus deaden his conscience and no longer hear the subtle voice within. And this is extremely unfavourable for the soul. For then a person will find it very hard to perform kind-hearted actions, since he has insufficient strength to do so, but, since he is not stimulated by the voice of conscience to resist, he will not take refuge in God either, Who alone can make him strong-willed and send him spiritual strength to help him. If, however, a person cultivates the voice of conscience within himself, if he complies with everything this voice instructs him to do or not to do, and if he finally, after every question posed to the eternal Deity, listens to this voice, he is not likely to take any other path than the one which leads to realisation....

Amen

The inner voice....

B.D. No. 3199

July 25th 1944

Listen to the voice of your heart, it will show you the right way. A person's will is often undecided which proves that he is influenced by different spiritual forces which want to win him over for them. At this time the person must make a decision; he must not remain indecisive but ought to turn his will in one direction, and then he should pay attention to the inner voice which wants to advise him to use his will correctly. The more diligently he aspires to take the right path, the more clearly he will perceive this voice. Then it will warn him during temptations, it will strengthen his resistance, it will admonish him and always faithfully tell him if the person is in danger of wanting to take his own paths which don't entirely correspond to God's will. But it is

Bertha Dudde - 19/29

almost imperceptibly faint in those who live their life unscrupulously, who care little about right and wrong. And frequently it will be silenced completely because the person fails to listen and the gentle voice will be drowned out by the voice of the world. In that case, the human being will be in great danger, he must make his own decisions and is more likely to allow himself to be determined by ungodly forces and he will act accordingly. A person with the will to live a good life, thus to live according to God's will, is never left without spiritual guidance, he will be guided, his thoughts will be directed, i.e., although his freedom of will is not being curtailed, the thoughts will come so close to him that he has to accept them if he does not consciously reject them. And if he is weak-willed the spiritual forces will try twice as hard to convey their thoughts to him and he will merely need to listen within, i.e., the human being need only enter into a silent dialogue with himself, and he will be mentally clearly instructed as to what he should or shouldn't do.

However, people often don't remain in this short contemplation, their thoughts fly all over the place, one moment here, one moment there, and this results in indecision, in hesitation, both in regards to good as well as to evil.... For this reason you are admonished time and again to pay attention to the voice of the heart, so that you will act clearly and determinedly and not digress from the right path. An indecisive resolve offers God's adversary an excellent target, for this is the start of his control over the former, and every temptation confronts the will with a decision to be for or against it. If, however, the person pays attention to his inner voice he will not have to fight for long, he will resist the temptation since he will be supported by the forces of light as soon as he pays attention to them and complies with their admonitions. Then he will also grow in strength, for his will entitles the beings of light to give him strength, whereas a lack of will prevents them from doing so. For no human being receives strength against his will, although the beings of light are concerned for the human being's soul with utmost love. Yet their activity is subject to divine law as well, which respects free will first and foremost. The inner voice, however, is only audible to someone who voluntarily listens within, and therefore it can never be considered coercion, it can be heard or ignored, it can be complied with but also disregarded, all depending on the person's will. It merely gently admonishes and warns the person, it assists the weak and guides the undecided; it will never push itself to the fore but will only be heard by someone who listens. But he will be guided correctly and able to live his life without worry, for if he complies with the voice of his heart he will also know that he conducts himself correctly and lives in accordance with God's will....

Inner feeling and urge

Innermost feeling guiding principle for way of life....

B.D. No. 2104

October 9th 1941

The human being's innermost feeling is the guiding principle for his way of life. As long as a person asks questions he neither negates nor affirms anything, and then his inner voice will speak to him to which he only needs to pay attention in order to be on the right path. Being able to affirm is often very difficult as long as faith is lacking, yet only the will makes the decision. If it is good, then the human being will unhesitatingly accept what he is told by his innermost feeling, for with his questioning he opens his heart to the influence of friends in the beyond. But a person whose will is still controlled by the adversary keeps his heart closed to these suggestions. Thus he opposes and rejects them, that is, he negates. Paying attention to the voice of his heart will only ever be done by a person who is willing to do what is right, for he asks questions and waits for an answer. An unwilling person lives without asking questions relating to spiritual knowledge, because he negates everything of a spiritual nature, i.e., a life beyond the earthly life. And someone who does not ask questions cannot receive an answer. A person's thinking mostly revolves around earthly things, and he considers the time spent on spiritual research a waste of time. In that case, however, he is still so materialistically inclined that he lacks the sentiment for the gentle voice within himself. Therefore he will not pay attention to his innermost feelings either. Thus his inner voice will predominantly sound where the love for the world, the sense for all earthly things, for matter, begins to diminish.... Only then will a person occupy himself with deeper thoughts with the result that he will often question himself.... so that he then, in a manner of speaking, will also give himself the answer which, however, was actually mentally transmitted to him by spiritual friends.... For as soon as his will is good and does not reject God he will receive the truth mentally and he can confidently believe his inner voice.... hence his innermost sentiment.... and subsequently do what he is impelled to do. Only the will must aspire towards that which is good.... he must want to do what is right then he will invariably also be shown which path he should take....

Inner prompting is God's instruction.... Subordination of will....

B.D. No. 3308

October 27th 1944

God informs you of his instructions through your heart.... As soon as you feel prompted to do something, as soon as you are driven to it from within, you will always be instructed by the voice of God, providing you are making an effort to live according to God's will, that you thus strive towards Him and entrust yourselves to His guidance. Then you will be directed by His will such that you have the same will within yourselves because you have consciously submitted yourselves to His will; only then may you comply with the prompting of your heart and your actions will be right and in accordance with God's will. Yet you must seriously scrutinise yourselves as to which power you give the right to guide you.... Heartfelt prayer protects you from the opposing power; however, whatever you do without having requested God's blessing, whatever you do purely to improve your body's well-being, whatever those of you do who are completely

Bertha Dudde - 21/29

apart from God are not His instructions but His adversary's, and they will damage the soul. The person striving towards God need never be afraid of thinking and behaving wrongly, because his attitude towards God also allows him to be accessed by spiritual forces and entitles them to protectively walk by the person's side, thereby also averting the influences of evil forces. Only the desire for God guarantees divine protection for a person, and anyone being divinely guarded cannot go astray, he can only do what benefits his soul. He is guided by God Himself and every path taken by him is important and leads to the goal.

Although the person acts according to his own discretion, in as much as his will impels him to undertake this or that action, it is nevertheless God's will which manifests itself through his will as long as the person gives in to the inner prompting. If, however, he pays no attention to this urging then he resists it, he becomes undecided since his will has not yet entirely submitted itself to God's will. And this is what he has to beware of, for it is always the result of praying less often.... The more intimately he is in contact with God the more clearly he will see his delineated path and the more willingly he will follow the instructions revealed to him by God through his heart. Only the distance from God deprives him of the keen sense for the divine will, for in that case he has to rely on himself and will be unsure as to what he should or should not do. And God's adversary makes use of such situations by tuning into a person's thoughts, by trying to impel him to base his every action on his own advantage. And then the person will have to fight, he will have to struggle in order to restore his connection with God again which will gain him clarity of thought so that he will be able to resist the temptations. Anyone looking for God will not go wrong; however, the path of anyone excluding Him will lead him astray. This is why nothing should be undertaken without a prayer for God's blessing, then people's thinking will be guided correctly and every activity shall incorporate God's will....

Amen

God's will - voice of the heart.... Inner urging....

**B.D. No. 4104
August 13th 1947**

I will place the feeling as to what you should and shouldn't do into the heart of those of you whom I love because you strive towards Me. And if you entrust yourselves to Me in prayer, if you confide your worries or thoughts to Me, you will feel it in your heart and whatever you then feel urged or desire to do, that is what you should do and it will be right before My eyes. If you commend yourselves to Me in prayer you will no longer be able to sin, for then I will no longer let you become sinful. If you appeal to Me for My protection I will grant it to you, and then you can confidently rely on the voice of your heart, that is, you can do what your heart desires. I Am your Father, I want you to come to Me with complete trust, and I truly want to provide for you like a loving father does, I want to give to you what makes you happy, providing it does not cause you damage. And since you yourselves are unable to judge what is beneficial for you and detrimental to the soul, you should come to Me and totally hand yourselves over to Me, tell Me your problems, be they of a spiritual or earthly nature, and I shall answer you, that is, I shall place My will into your heart so that you will want to do what is right and also be able to accomplish it. And thus you can come to Me with all concerns, you will never be left without an answer, for I will place it into your heart. You just have to pay attention to the voice in your heart, you ought to know that every inner urging is always the influence of forces which want to persuade you to accomplish something or to leave it. Forces of darkness will want to tempt you into committing a sin, forces of light into actions which are pleasing to Me. Let the forces of light gain influence over you, then you will never be able to sin. And hand yourselves over to these forces whenever you seek to make contact with Me in prayer, whenever you communicate with Me and always consult Me with all your problems. I love My living creations and My only goal is their salvation of soul. And where there is no danger of this I will grant them everything, even earthly pleasures, if they do not detract from spiritual

striving. Yet I always want to be your Mentor, you should always leave the decision to Me and, after heartfelt prayer, ask your heart and it will truly guide you correctly....

Hear the speech of God

Prerequisite for hearing God's voice: Detachment from the world....

**B.D. No. 7258
January 17th 1959**

You must listen deeply within yourselves if you want to hear My voice. And that requires you to completely withdraw from the material world and engross yourselves in spiritual thoughts.... it requires you to completely empty your heart from earthly thoughts so that it can then be filled by thought currents of a purely spiritual nature. People will always find it difficult to completely detach themselves from the world, but My voice can be heard more distinctly the less the heart is burdened by mental impressions of worldly origin. Once the heart is completely empty the flow of My spirit can pour into it unimpeded, and then you will experience this as an uninterrupted talking to you, as a flowing-over of My spirit into you, as My direct Word which you can hear as clearly as a spoken word. The more you resist earthly thoughts, the more clearly will you hear My voice. And this requires a constant battle with the external world which, impelled by My adversary, wants to intrude time and again in order to disturb the intimate conversation between Father and child. You can prevent this by not yielding to it, by rejecting all thoughts pertaining to the world.... by instantly addressing Me in thought asking Me to prevent this interference.... And your will shall be taken into account, because it is solely directed towards Me.

Only those who are able to detach themselves from the world are therefore entitled to hear My voice, for whom I have become a Concept Which no longer can be replaced by the world.... who have recognised Me as their eternal Father Who wants to turn you into his children and will not let go of you again until He has accomplished His goal. Once this separation from the world has taken place, the world will no longer succeed in winning the human being back, because My direct Word will have granted enlightenment to him and he will not want to miss this light again. However, he will nevertheless constantly have to struggle with the world, since he still lives in the midst of the world and it will try to influence him in every way, because it is precisely this intimate dialogue which My adversary wants to disturb as and wherever possible. This is why it always requires a strong will to establish such an intimate bond with Me that My voice can come through, drowning out the voice of the world. The human being's will can accomplish that, and then he will only ever sing My praises and give thanks to the One Who speaks to him and thereby bestows an invaluable gift upon him....

For My Word is the visible or audible sign of My infinite love for you, My living creations. It demonstrates that it is in your own hands to establish such close contact with the highest and most perfect Being that you will be able to hear His voice.... and that you have the evidence of this communication when you write His sacred Word down just as you receive it.... This supremely perfect Being speaks to you.... Contemplate the meaning of these Words.... I speak to you from above, you hear My voice, you comprehend what I tell you, and thereby you can recognise your Father's voice Who loves you and wants to possess you forever.... I speak to you because I want you to come to Me of your own free will, so that you will start your return to Me into your Father's house, which I want to achieve by addressing you. But in order to hear My Words your will must be firm and strong, time and again it must look for the heartfelt bond with Me, Who cannot be found on the surface of the world but far away from it.... Consequently, all worldly thoughts must be suppressed and you must listen into the stillness of your heart, and then you will truly hear My Word in all clarity, because My love especially applies to all those who try to reach Me, who desire to hear Me and to whom I therefore reveal Myself according to My promise 'that I will come to My Own in spirit and remain with them until the end of the world....'

Amen

Bertha Dudde - 24/29

Source:: www.bertha-dudde.org

You should listen to Me, and I will always speak to you such that you will also be able to recognise My love for you.... Everything around you can and will change.... but My love for you remains the same, it pursues you whether you are far away or close by, and it constantly seeks to influence you, that is, to awaken reciprocated love in you, which signifies your ultimate return to Me. And if I can address you, if you listen to Me, you will open your heart's door to Me, and then the full strength of My love can be effective, then I can ignite a fire in you which cannot be extinguished anymore, because My love is so powerful that its fire dissolves all resistance, that it takes hold of the person's nature and changes him completely.... that it shapes the person into love. I desire contact with you, this is why I speak to you.... If you listen to Me willingly then you will establish the connection with Me, and then I can revive what is dead, I can give true life to you who are still dead while you are far away from Me. My Words shall change this dead state, for My communication is a ray of love that intends to awaken you to life.

If you then give Me the opportunity to lower My ray of love into your heart, if you make it possible by willingly listening to My Word, you will soon feel the effect in yourselves, you will become aware that you are no longer alone.... you will, as it were, sense the presence of a benevolent being to Whom you will give yourselves without resistance, for My ray of love has the effect that it lowers your resistance when I have the opportunity to speak to you, and you will listen to My Words carefully. And you will always listen to My Words if you withdraw into solitude for a short period of time, if you collect your thoughts in prayer or quietly think about yourselves. Then you always give Me the opportunity to speak to you, albeit you won't recognise My voice at first but merely believe that you hear your own thoughts....

I always enter your thoughts since you are, after all, pursued by My love which always tries to embrace you when you become silent and turn your vision inwards. In that case you listen, and then I can speak to you.... And the more consciously you practise this turning away from the world and looking within, the more willingly you open the door of your heart to Me and the more clearly will you hear My voice, which answers your questions or instructs you such that your love for Me flares up, because you will recognise Me as a God of love as soon as you listen to Me, as soon as you turn inwards and your thoughts turn towards Me....

I always want to speak to you, yet rarely do you listen to Me.... But if you seek solitude by turning your thoughts inwards you will hear Me speak, even though you will not immediately recognise it as an expression of My love, because the intellect cannot grasp as yet what the soul has already felt or comprehended. Yet My communication will ever more consciously become an indescribable blessing for you and all those whom you inform of the fact.... that the Father speaks to His child as soon as the child wants to hear the Father....

And you all can establish this bond with Me, you all need only listen carefully in order to hear Me, and I merely want to stimulate you to sharpen your spiritual ear, to practise listening to spiritual communications by often withdrawing into solitude and longing for My presence. Then I will be with you and speak to you.... Then I will come to you Myself in the Word, and then you will also know that I love you and want to gain your love as well....

Amen

The inner Word certainly sounds clearly and audibly, yet only to someone who listens within and who, due to his way of life, has so shaped his heart that God Himself is able to express Himself through this heart. The human being's soul has to be so intimately connected with the spiritual spark within that it can hear its voice at all times and that the spiritual spark, which is an emanation of God, is able to express itself such that the person can hear its voice like spoken words, so that the Words sound in him and thus cannot be misunderstood. Just like people who speak to each other from person to person, God speaks to people through the heart. This process cannot be explained in any other way, yet it is only understandable to someone once he has heard the divine voice. He feels God's Words in his heart and is ecstatically happy to receive this grace, for then he will have no more doubt, no unbelief, no question which will not be refuted or answered to him once doubt or questions arise in him. The audible Word is the evidence for the person that everything he previously believed is true. And the audible Word reveals to the person the heavenly Father's presence.... His proximity, which causes indescribable bliss.

However, it sounds so very gently and subtly in the heart that it can only be heard by paying utmost attention. The most heartfelt contact must be mentally established with God and then the listening will have to start, the awaiting of His grace, which then will noticeably flow into him. But only a person whose heart has changed into love will be able to hear the divine voice, for it is divine love which expresses itself to a person and this can only manifest itself where true love exists. Yet once a person has audibly perceived the divine Word he will never lose this gift of grace again, then he will be able to hear His voice at all times and in all places.... he will only need to remain in heartfelt contact with Him and he will clearly and distinctly hear the answer. He will not be overcome by doubt as to the truth of it because he feels God's nearness and it will also be understandable to him that God manifests Himself audibly. However, as long as the earthly child has not attained a specific degree of maturity as a result of a selfless life of love it will not be able to experience the happiness of this blissful union with God either. Nevertheless, it should always and forever listen within and from the bottom of its heart appeal for this grace, so that it will receive the strength to live according to God's will, and His eternal love will draw close to it.... so that it will clearly and distinctly hear His voice, so that He will speak to it through the heart and the earthly child will feel His love and be abundantly happy while it is still on earth

Amen

God answers every question through the heart.... I.

B.D. No. 7858

March 26th 1961

Everyone can work in My vineyard if only he has the will to be of service to Me. Yet there are many different things he can do because I only require a profoundly faithful heart which emanates love for its fellow human beings.... thereby awakening love in them again and this will spread and help to gain a living faith in a God and Creator.... And everyone who has a convinced faith of his own can also proclaim Jesus Christ, the divine Redeemer, in Whom I Myself accomplished the act of Salvation.... And he will be of service to Me, he will be My faithful servant, for he will also try to lead his fellow human beings to gain this faith. And I shall bless his will and manifest Myself to him, I will speak to him through his heart, he will sense it, he will be inwardly impelled to accomplish his vineyard work and be stimulated from within to speak to fellow human beings of good will when he meets them. And thus you can all serve Me and participate in the redemption work if this is your will.... The strength to do so will be conveyed to you by Me, Who knows your will and gives it My blessing. For there is great spiritual hardship because people no longer have faith, and My servants must be able to convincingly endorse this faith again if it is to be accepted by their fellow human beings, too. However, this redemption work need not be associated with any unusual activity, anyone can do it if he has living faith in Me and whose love applies to their fellow human beings suffering spiritual adversity, for My spirit works in everyone, even if it is not externally noticeable. And this silent redemptive work is frequently of greater value to Me than work of an externally obvious nature, the latter easily reveals earthly side effects which detract from the redemptive work. This risk occurs if overly eager people want to emphasise spiritual gifts.... if, regardless of where they are, they always expect My direct communication concerning personal wishes.... In that case they no longer allow Me to guide them, instead they try to oblige Me to take their wishes into account.... And then My spirit remains silent.... Then they speak themselves as people and jeopardize My working in them.

I indeed speak to all people through a human mouth if I seek to make the Gospel accessible to them in all purity, and if you humans comply with My will by living up to My Gospel then I will also be able to address every one of you through the heart, so that you will truly receive an answer to every question you have in mind.... But anyone who has not yet shaped himself through love such that he will be able to hear Me by **feeling** the answer I give to him, cannot expect a communication from those who would like to convey it to him either and thus the latter will pass on words which do not come from Me.... After all, it is My will that you should establish a close bond with Me yourselves, it is My will that you come to Me yourselves, that everyone should shape himself such that I will be able to answer him when he asks.... If you silently assure Me of your will to serve Me and to render redemption work you can also rest assured that I will look after you and you will truly not need any instruction conveyed to you from a fellow human being, for you thereby admit your own inadequacy: lack of love and trust in Me Who knows every question which moves you and Who will answer it if you ask Me.... The silent redemption work rendered by every individual person is truly more pleasing to Me than that carried out due to human influence, for you know that I welcome and accept **all** of you as My servants if you yourselves offer your services to Me and aim to fulfil My will.... Thus why do you desire confirmations which you expect Me to give to you

through a human mouth? You thereby open a door for your adversary who will then try to express himself in accordance with your desire, because you demonstrate that you don't believe in My **direct working** within you, because you don't **believe** that I place the answer into your heart when you make contact with Me in prayer.... And due to this unbelief, **he** whom you should avoid will gain influence.... For he, too, uses fine words and you will seriously have to examine where these words originated from....

Amen
