Revelations expression of God's love....

B.D. No. 5859

January 22nd 1954

My love for you knows no limits, and My love for you also causes Me to reveal Myself to you, for what I love I want to possess. But I can only take possession of that which voluntarily comes to Me, and in order to be voluntarily striven for I must also be recognized as worth striving for. You must recognize Me as the eternal love, as your father Who created you in His love. Therefore I must reveal Myself to you.... Everything that is announced to you about Me must be confirmed by My revelations, otherwise it is untrue, and all promises I give or have given to you must come true.... And so I also gave you the promise to remain with you until the end of the world.... And if you want proof of My presence you must pay attention to My revelations, you must believe that I am with you faithful to My promise, and then it will also no longer be improbable to you that I address you in My greater than great love, which wants to give you a sign in order to win your love.... you have come forth from Me.... you cannot deny a creating power, a father Who called you into being.... and you should now also believe that all His love belongs to you.... You shall believe that He created you to remain in union with you forever and ever... You should believe that the being Which created you in His love is also exceedingly wise and also has a purpose connected with your creation, that you are not merely products of a whim but destined for a high and highest aim and that therefore your creator will not rest until you have reached the aim of your destiny.... that He therefore does not let any of His creations out of His sight and accompanies them with His care on all their paths. You should believe that His fatherly love follows you even if you strive towards the abyss, but that it always steps into your path and makes itself known to you.... that you will therefore always be looked after by My love even if you don't recognize it.... But I want you to learn to recognize Me, and I constantly direct your thoughts (eyes) to My rule and activity, to all My works of creation, to everything that proves to you a creator and sustainer.... I first try to awaken faith in Me as creator in you in order to only then emerge as eternal love, in order to then reveal Myself to you through My word, through My address, which proves Myself to you as **father** and also makes My will known to you. For by fulfilling My will you also prove your love for Me, and now you voluntarily come to Me and I can take possession of you for My exceeding joy and make you blissfully happy for eternity.... I only want your bliss because all My love belongs to you, but you will only find the path to Me when you are informed by Me of your aim and your earthly task. And therefore revelations continue to reach you in various forms.... Every revelation proves Me.... But if I can be present in you and reveal Myself to you through My word, then you have already come considerably closer to Me, then My love has taken hold of you and will never let you fall again....

Amen

God is love

God is Love.... The mystery of love....

B.D. No. 2289

April 4th 1942

The greatest mystery is the love of God, and this mystery can only be revealed through love, that is, only a person who is actively kind-hearted himself is capable of understanding divine love. Each loving spiritual thought is an emanation of God, Who is Love in Himself. And the willingness to accept such a thought, that is, to direct it from the heart, where it is born, to the brain, hence to effectively take possession of it, is the willingness to receive this emanation of love from God. For the heart's willingness is the prerequisite for God's love to become effective.... God is Love.... This is a mystery and it will remain a mystery for people for as long as they belong to this earth and often still in the beyond. For they associate the concept of love with a Being. In their eyes it is a characterisation of a Being, and yet Love is the Being Itself.... Love is something spiritual which does not explain the character but is in itself a Being.... love it that which is good, divine, when the word is used in relation to people.... whereas God Himself is only imaginable as Love, yet it will only become understandable to those people who are so permeated by love themselves that they, during their activity of love, also feel the closeness of God. For what they feel is only love again, and yet they are close to God, because God and love are one and the same. Everything that shapes itself into love is in heartfelt contact with God, i.e., shaping oneself into love is adapting the hitherto imperfect to the perfect. Love is something perfect.... God is perfection, thus love and God must be one and the same. But lack of love is a degree of imperfection; it is also a state of distance from God, because God without love is inconceivable. For this reason loving activity will always trigger a feeling of happiness, and this is the proximity of God which can be markedly felt by the soul, consequently, **all** increased activity of love will also manifest itself in an increased feeling of happiness, inner peace and firm self-confidence, because all this is divine, i.e., the evidence of God's closeness which can only have a spiritual effect, thus in emotions of the soul and not in the body's well-being. God's proximity in turn generates love, for since God is Love in Himself, His presence must manifest itself in a feeling of love again. And this love flows back to God as its origin.... the person having shaped himself into love, that is, his soul, unites with God.... Love flows to love, and thus the unification takes place between the being with the Primordial Being, Which in Itself is only Love....

God wants to be recognised through Creation as Love....

B.D. No. 5689

May 31th 1953

The Controller of the universe knows no obstacles, everything is subject to Him, every creature must yield to His will, every living creation, be it a spiritual one or banished into an earthly shell. His will reigns supreme, even though He allows the human being freedom of will; nevertheless, it can never be doubted, for He alone is Lord over Heaven and Earth, over the blissful world of spirits as well as over the kingdom of darkness. It should therefore not be difficult for people to acknowledge this Lord, for everything surrounding a person testifies to Him and His will. For although the human being has freedom of will, he is not capable of challenging God's will, nor is he able to make God's will compliant with his own; but he is not capable of creating from within himself anything that his eyes behold and his senses feel either.... He **can** acknowledge God, if he therefore does **not** acknowledge Him he will be lying to himself and through this lie he will defy the Spirit Which created Him. And, in a manner of speaking, he is passing his own judgment.... banishment from God's

proximity.... were it not for the fact that God is also Eternal **Love**.... God's strength and power cannot be denied, and the fact that it reveals itself through Creation is the evidence of His love for His created beings. For it is His will that they can recognise Him, it is His will that they believe in Him and He makes Himself recognisable by revealing His power and strength.... He longs for His living creations' love and can only gain it by manifesting Himself as a God of love.... And therefore it is clearly identifiable that His creations **arose for His living beings**. The strength motivating Him to let constantly new creations arise is **Love**; consequently, the creations must also correspond to the purpose of showing love, His creations must serve to cause happiness and delight or help to lead to happiness and bliss. Anyone who wants to recognise this creative will and is able to do so will himself come aglow with love for his eternal Creator, for where the evidence of love is established it awakens love as well. Demonstrating His **power** and **strength** is not the **sole** purpose for His Creation; instead, it is intended to show His love which motivated Him to let each creation arise. However, first the Being Itself has to be recognised before a Being's **love** can be known, it has to be believed that the Being is a Supreme Power, that It is supremely perfect; and this **can** be believed because this Power gives evidence of Itself through every creation. Yet God is not satisfied by the mere belief in His power and strength, He wants to be recognised as love, on account of which all His creations also prove God's emanation of love by having the useful and beneficial purpose of facilitating the return of that which is distant from God.... But this ultimate purpose is only evident to those who have already recognised God as a supremely perfect Being, as love; even so, every thinking human being should questioningly observe the surrounding creations so that he can receive an answer:... that God reveals Himself through Creation, that His will emerges everywhere, that no being can determine this will, that therefore the power and strength is entirely with Him, but that His power and strength only gains shape through His all-transcending love which demonstrates itself because it wants to be loved in return.... because it only ever wants to give pleasure. God's love can never be denied, just like the powerful will of the Controller of all worlds, Who cannot be resisted by anything, Who must and can be recognised where the will for it exists....

Amen

Turn away of spiritual beings from God

Act of creating the spiritual beings....

B.D. No. 7067

March 17th 1958

It is My will that you shall be enlightened where darkness prevails. People who don't question cannot receive answers, but those who want to know and turn to Me Myself will receive My reply so that they will learn to recognise Me in My love and wisdom and grant their love to Me.... The act of creating the spiritual beings was a spiritual process which will only be understandable to you humans when you enter the kingdom of light. As long as you live on earth it can only be roughly outlined to you according to your level of understanding. Nevertheless, it will not divert from the truth, but it will lack both the deeper reasons as well as the infinitely many intermediate processes which, however, would not contribute towards your enlightenment either. However, you can rest assured that I will not let your thinking become confused, since you only wish to be instructed in the truth. When I created the first being I was only motivated by the thought of creating a vessel for Myself which was intended to assimilate My ceaselessly outpouring strength of love.... because My infinite love wanted to give itself and only ever provide happiness.... My strength of love constantly brought forth all kinds of spiritual creations. Therefore I also wanted to create something that corresponded to Me Myself, thus an image of Me. And My will came to pass a being of supreme perfection arose beside Me which was pleasing to Me, which was indescribably beautiful, it was an image of Myself which from then on was so permeated by My strength of love that it was equally able to be creatively active without limitation. And just as the source of My strength of love had motivated Me into shaping a receiving vessel into which it could flow, the same will and desire also arose in this being to make use of the constant influx of My love's strength and, likewise, to let beings arise from within itself. Thus the same process repeated itself, because I wanted to let this first-created being participate in the incredible bliss of giving life to like-natured beings, for as an 'image' of Myself it was imbued with the same feelings, it was overflowing with love, and the strength it constantly received from Me did not keep the being inactive either... which resulted in this very process of creating countless beings.... Hence these created beings could **not be different** from My first-created being.... they were supremely perfect, brightly radiant and overwhelmingly powerful spirits which all corresponded to the image I had externalised. Through My influx of strength, which made the act of creating these beings possible in the first place, I was therefore also their 'Creator', although the will of the first-created being had to avail itself first of this strength of Mine. Hence **all** beings emerged from Me and My first image.... and all beings possessed the same creative power. But **My will** was also active in all originally created beings, the host of originally created spirits were inflamed with burning **love** for Me, because My fire of love was their fundamental element, they had been the products of purest love and therefore all created beings were also positively inclined towards Me....

Endless times passed by in most blissful harmony and a constant exchange of love.... and this state need never have changed. But then the process of creating took on a different form.... which should only be understood in a spiritual sense. This was triggered by the desire of My first-created being, the bearer of light, to see Me. The being's love for Me was still unchanged and therefore it desired to behold Me even though it knew that I, as the 'centre of strength and light' could not be visible to My created beings, which would have ceased to exist in view of My abundance of light.... it would have consumed the created beings.... which were sparks of My light.... and thus a beholding of Me was not **possible**. And because it was unable to behold Me the thought flashed up in it to become independent from Me and more or less present itself to the host of originally created being as 'Creator itself'.... a thought which arose as a consequence of the desire to see Me **despite better knowledge**. As an attribute of perfection all beings also possessed free will which, however, always corresponded to My

will. And this free will allowed for the said mental confusion.... Thus the bearer of light, Lucifer, was not prevented by Me from aiming his will in the wrong direction. Even so, the process of creation started to falter, that is, as long as his will no longer harmonised with Mine he more or less closed himself off to the flow of My love, yet always just temporarily, for at first his resistance was so small that love nevertheless came through again and he utterly devoted himself to Me once more, which then also resulted in an unabated flow of My strength of love and thus continued creative activity. But time and again the wrong thoughts kept emerging in him because he did not confide them in Me Myself so that I could have refuted them.... For he temporarily excluded Me without realising that he thereby lessened his strength.... As soon as he loosened the bond with Me through wrongly inclined thoughts the inflow of strength of love also lessened; however, he did not realise this in view of the countless multitude of spirits he had already called into existence through his will and the use of My strength.... Time and again it must be emphasised that My strength enabled him to create the beings in the first place and that only his love for Me gave him the strength.... so it is understandable, that a **reduction** of his love also reduced the influx of strength. And at the same time, every created being was also the **proof** of Lucifer's connection with Me.... thus no other being could arise after Lucifer consciously separated from Me, on account of which all created beings belong to Me as well, for they are 'My emanated strength of love'. And yet a large proportion of all created beings had fallen away from Me.... And that justifies the question as to whether the beings differed in their fundamental substance....

I only externalised **one** being as an independent entity.... And this being was created in My image. Consequently, all spiritual beings which were brought into existence by this being had to entirely correspond to Me and My image again.... They were the same perfect, most radiantly shining living creations, for only something supremely perfect was able to emerge from our mutual love and will, which both corresponded to each other.... beings, which were by no means inferior to the first-created bearer of light.... Hence they were equally extremely powerful and ablaze with burning love for Me, even though they were unable to behold Me. Nevertheless, they recognised Me, for I also revealed Myself to them through the Word. It was an infinitely large number of spirits which glorified Me and sang My praises, which, in reverence, were willing to serve Me and which were only ever active according to **My** will, thus they were images of Me Myself. And this indescribably happy multitude of spirits should have increased the light bearer's love for Me ever more.... Yet various feelings in him began to oppose each other: He saw the gloriously radiating beings and desired to behold Me as well.... Since he was visible to the beings he deemed himself superior to Me and no longer wanted to acknowledge Me as the One from Whom everything had emerged, despite the fact that he **knew** that he, too, had originated from Me. Conscious of the strength permeating him, he began to separate himself from the source of strength.... a process which lasted for an infinitely long time because the desire for happiness repeatedly pushed him back to Me and therefore he repeatedly received strength again for the creation of new beings. And so these beings, too, consisted of the same fundamental substance, namely of My emanated strength of love; however the sporadic separation from Me also influenced the process of creation to a certain extent, insofar as those beings' will and love was more inclined towards their maker than Me.... but I neither tried to influence these beings nor the bearer of light. Yet they were equally enlightened, they recognised Me as their Creator and were therefore also able to make the **right** decision in free will when this important decision was demanded of them.

My first-created being was connected with **all** beings produced by him, just as I was inseparably linked with all beings because My strength of love had to permeate them were they to continue to exist. My adversary tried to maintain the connection with his created beings even after his will was already opposing Mine.... that is, he also inspired the **first** spirits into turning away from Me and a number of of them succumbed to his temptation, Lucifer also pulled them into the abyss and their realisation should have truly made them abhor his disgraceful plan. And their sin was far greater still, therefore, their path of return will also be considerably more difficult.... whereas the majority of the first-created beings remained with Me when the followers of My present adversary detached themselves from Me. The hidden resistance with which Lucifer started to oppose Me resulted in the fact that an infinitely large host of created spirits decided partly for and partly against Me when the

test of will was expected of them. For the resistance disturbed the hitherto integrated whole.... My former image was no longer governed by the **same** will, the **same** love, it had caused a rift and this division was also felt by the beings which had emerged from our love, which were now like their maker, even though My strength was involved in their creation. But since this resistance had not been present in the first-created spiritual being, since the light bearer's love and will were completely merged with Mine, it was only possible for such beings to emerge from our love which utterly corresponded to us, whose brilliant abundance of light and unlimited strength were true images of Me Myself as well as of the being which I had externalised from Me in My love.... and which also, with a few exceptions, remained with Me. And the same process occurred in the latter as happened in Lucifer: free will aimed in the wrong direction.... they desired to see their God and Creator and drew the wrong conclusions from My necessary invisibility by acknowledging that which was 'visible' to them as their 'God', who then exalted himself and drew countless beings to himself, which all detached themselves volitionally from Me and thereby plunged into the abyss....

Once all created beings glowed with light and strength, because nothing could have arisen without the flow of My love's strength. The reduced emanation of light only began with Lucifer's reduced love for Me, but this did not mean that these beings were lacking the light of realisation, for at the moment of creating the beings My strength of love also permeated the maker of all the beings again; but these moments became increasingly less frequent until he voluntarily rebelled against Me and was no longer able to receive any influx of strength because he rejected it by believing himself to be just as powerful as Me.... And then his state of mind became dark as well.... He.... who once had been in My image.... became My direct opposite, his nature reversed completely, he had sunk into the deepest abyss and his followers with him, whom he regarded as his supposed power and strength. The highest being, having emerged from My love, had sunk the lowest, because it misused its free will, the characteristic of divine origin.... And it was left up to every being to aim this will in My or his direction, every being was **able** to pass the test of will because every being possessed the light of realisation and also had the strength at its disposal to resist the urging for its maker.... But neither will every fallen being ever lose My love, for My love let it arise and My love will never ever let it perish again, but until it surrenders its resistance it will not be able to feel My love and thus remain wretched. However, one day its resistance will diminish and the being will look for My love again and consciously take the path of return to Me.... Then it will recognise My inconceivable love, it will recognise its God and Creator in Jesus Christ, in Whom I Myself became for all beings the visible God, Whom they desired to see and Who prepared for them the path of return into the Father's house....

Amen

Cause of Lucifer's apostasy from God....

B.D. No. 8672

November 13th 1963

When I called miniatures of Myself into being I was motivated to do so by My infinite love which wanted to give itself away, which wanted to create vessels for itself in order to flow into them.... My love demonstrates itself as strength, and this strength wanted to be creatively active, and thus My creations.... because My strength flowed into these vessels.... likewise had to be creatively active again, for these beings, as images of Myself, had the same intrinsic creative urge which impelled the constantly inflowing strength into activity again, because the strength which emanated from Me as the primary source of strength constantly created life. And thus you will understand that all beings which had come forth from Me were in a state where they knew no restriction in the creation of manifold works, which made them blissfully happy.... but that they, like Me, were not subjected to any restriction either, for My love was infinite, and thus My strength of love flowed into all beings in order to give them pleasure.

Neither did the being's creative activity ever come to a standstill, because My **strength** had no **limitation**, it will never spend itself, it will always and forever flow, and thus new creations will

eternally arise, just as all My once emanated beings will receive My unlimited strength for creating and shaping as long as they open themselves to Me, i.e., as long as they do not resist My illumination of love. And this blissful state truly would never have needed to end because I, for **My** part, would never have imposed a restriction on the beings and thus they never needed to fear a lessening of strength either. And yet a change occurred in the beings' greater than blissful state.... caused by a situation which the beings considered to be imperfect: the fact that I Myself, their God and Creator, was not **visible** to them as a being like themselves, that they indeed knew of Me as their Father from Whom they had originated, but because I did not visibly present Myself to them they looked at it as a limitation of My perfection. They began to entertain wrong thoughts since they did not openly raise this question with Me Myself, which I would have answered so that they could have realised and corrected their wrong notion....

But they believed they could conceal these inner doubts about My perfection, and yet I knew of them.... However, I did not use coercion but gave their thoughts free rein which they nevertheless misused.... For they also recognised the same doubts about My perfection in the **first** being I had externalised and whose beauty radiated in supreme brilliance.... For eternities this being had given Me all its love indeed, and in this love it was exceedingly happy and shared My will.... even though its will was also free.

Yet now and then small doubts arose even in this brightly radiating being because it could not see Me either. Nevertheless, time and again its great love for Me suppressed the emerging doubts, and it gave itself to Me finding its beatitude in constantly creating same-natured beings by means of its will and the use of My strength. Yet this doubt about Me kept emerging and he, too, did not put it to Me, which he could have done.... He nourished the doubt so that it became increasingly stronger and reduced his love for Me.... But thereby he also weakened himself since his reduced love for Me also lessened My flow of love and thus restricted his creative activity as well.

Had he been able to see Me it would not have been possible for him to turn away from Me, yet the fire of My love would have consumed him, for no created being is able to look into the primal fire of My love without ceasing to exist.... He knew it, too, because he possessed supremely enlightened awareness, yet he played with the thought to be greater than Me because he radiated in brightest light and supremely perfected beauty.... He could not imagine any being to exceed him in light and beauty, and therefore he also claimed the right to rule over all created beings, whom he undoubtedly had created but the strength to do so he had received from Me. He now saw his power in the host of the spiritual beings and therefore believed himself able to do without My strength, he believed that he had withdrawn it from Me through the creation of the countless beings, and the fact that I did not visibly present Myself to him was regarded by him as **evidence** of My powerlessness....

And I did not disillusion him because I had externalised him as a completely free being which I will never ever compel into changing its will and its thinking.... even if he keeps his distance from Me for eternities. Now My strength met with opposition and resistance, and consequently it remained completely ineffective. And now this, My first-created being, is no longer capable of generating any works of creation, yet it believes itself great and powerful because it looks upon the immense number of spiritual beings as **his** possession, who, like him, had revolted against Me and rejected My illumination of love.... They, too, are incapable of any activity, because they also moved infinitely far away from Me. But it was their **free will**, which I respect and thus they will remain distant from Me until they voluntarily approach Me again and appeal to Me for My illumination of love.... Even the first-created being.... My present adversary.... will take the path of return to Me one day, sooner or later he, too, will long for My illumination of love again and voluntarily accept it from Me, because one day he will give up his resistance, even if it takes an eternity.... Yet everything that was once emanated by Me as strength will inevitably return to the eternal source of strength again....

Amen

Translation handled by Heidi Hanna

If you are spoken to from above it is a sign of My never-ending love which takes pity upon humanity and wants to come to their aid.... And this love will always and forever apply to you, for you are also part of **Me**, even though you followed My adversary into the abyss of your own free will. Nevertheless, your **fundamental nature is love**. And I will not rest until you have changed yourselves into your fundamental nature again. So if you are now spoken to from above you will also recognise by My address that it can only be the work of a **good power**, for I only ever endeavour to cultivate **love** in you and to refer you to Jesus Christ and His act of Salvation, since then you will travel the right path which results in your change while you are still on this earth. Hence you should not doubt the origin of that which comes to you from above.... Its content cannot be anything but **good**, and thus it must be free from **error**.... For you are taught by the **Eternal Truth Itself** and can be completely confident that **It** will not offer you misguided teachings. But during the last days this assurance is absolutely essential, for it is even intended to make My light bearers doubt the truthfulness of their messages. Yet let it be sufficient for you to know that I Myself protect My bearers of light from all errors. For who else can give you the guarantee for pure truth if not I Myself, Who knows their will and their desire for truth? Time and again I say to you that the adversary's working is **especially** aimed at those of **you** who want to spread the **light**.... that he intends to prevent this and therefore avails himself of all means in order to cast doubts into people's hearts regarding the truthfulness of these proclamations.... Yet **My** influence, too, will become more and more evident. I will ever more obviously highlight the error he has pushed you into, for his aim is to prevent you from knowing the truth.... although he will not succeed with those who genuinely desire the truth. And thus everyone must seriously scrutinise himself as to whether he desires the pure truth.... in that case he cannot be misled anymore; he will recognise it and liberate himself from error. The moment of creation was an act of incomparable bliss for Myself as well as for My bearer of light, for the products of his will and My strength of love were so extraordinarily magnificently shaped that they made both of us indescribably happy so that the light bearer's love for Me flared up ever brighter. For the same creative power was inherent in them.... they were able to take pleasure in it and likewise actively fashion spiritual creations, thereby raising their blissful happiness beyond measure. If I therefore state the fact that these created beings did not lack anything, that they were all externalised in My image and that they were able to work and be creatively active as long as they were permeated by My light of love.... then it must also be obvious to you that they forfeited their activity when they rejected this flow of My strength of love.... that they thereby lost their light, their realisation, so that their thinking became confused and they were no longer capable of being active.... that they hardened but were nevertheless My once emanated strength which I therefore reshaped into creations of the most varied kinds....

This process has been described to you so often already and you can accept this as the purest truth, you can unhesitatingly accept that only the **rejection of My strength of love** was the **sin** against Me, since the brightest light was kindled in them in which they were entirely aware of the implications of their rebellion. Consequently, I will also highlight the misguided notion of any portrayal that I **determined** or **caused** the fall of the bearer of light as well as the fallen beings. All beings acted according to My will until they rejected the flow of My strength of love. But this also resulted in the hardening of the spiritual substance.... and the strength I once emanated as a being had to become active in different ways, which happened through the dissolution of the substance into tiny particles and thus Creation emerged from these. Only from then on did the being have to fight against all kinds of obstacles, since it had to overcome them in order to develop higher again. The activity of the non-fallen beings consisted of using the strength flowing from Me to them.... but these beings were in a state of brightest enlightenment.... hence in a state of realisation.... and therefore these beings used nothing else but what was according to My will.... As long as the being remained faithful to Me it worked and created in My will. But when it turned away from Me it lost the strength for creating and shaping. It hardened and remained inactive.... which then resulted in the emergence of Creation. I certainly knew from the very beginning that Lucifer and the beings would fall and, for sake of his free will, I did not stop him. Nevertheless, I took no part in it because I had granted the bearer of light....

Lucifer... the same power, and neither did I limit it, so that he was able to do anything he wanted to do.... And so it was possible for him to persuade the beings to fall away from Me in order to create a second world, in a manner of speaking, a world in complete opposition to Me.... Yet all this was only possible by closing himself... and afterwards also his followers.... to the flow of My strength of love.... So the rejection of My strength of love was the **actual sin**, for it was aimed against **Me Myself**, since the beings were utterly enlightened regarding their past origin from Me. The fact that the beings' thinking ability expressed itself in a completely opposite will to Mine, that it gave rise to something utterly adverse to God, did not originate from Me, however, the rejection of My strength of love resulted in this wrong direction of will because it signified spiritual darkness, spiritual blindness. From then on Lucifer became My direct opposite who was able to transfer all evil thoughts.... which originated from himself... onto the beings. For from the moment they consciously rejected My love he gained full control over these beings and kept it until I let Creation arise in order to snatch them from his power and to inaugurate the process of return.

But then the beings had to travel a painful path until they.... in the stage of self-awareness and free will as a human being.... were able to dispel all their wrong thoughts, completely change their will and utterly deify themselves again. Thus they must discard everything of a satanic nature and, of their own free will, strive towards the divine. This alone already proves that evil cannot originate from Me or I could not be called **divine**, since **only good** can be understood by it.... that light and darkness cannot exist **at the same time**, that I do not incorporate love **and** hate ... in short, all **opposites within Myself**. The free will was indeed able to choose between Me or My adversary, but he **was** already evil when he became My **adversary**.... and then also created everything that was in opposition to Me.... as he was a power like I Myself was.... with the exception that he had a beginning. The worst deception used by My adversary is to make you believe that everything of an evil nature originates from Me as well. This is why I repeatedly draw your attention to the fact that the actual sin was.... **the rejection of My strength of love**, because this caused the state of confusion in the beings.... the state in which they refused every kind of activity according to My will and therefore were dissolved and bound in all kinds of creations. For it is the law of eternity that My emanated strength must become active.... that this strength must voluntarily be requested again in order to enable the re-transformation into a perfect being. That these implanted thoughts in the being originate from Lucifer and thus must be fought against during the time of embodiment as a human being has, through My love, become the process which is intended to turn the 'creatures' into God's true 'children'. And thus Lucifer unwittingly takes an active part in this process of return, which I certainly foresaw from the beginning but I Myself have not **destined** him to become My direct opposite, because he, too, was a free being which came forth from Me in all perfection....

God's saving plan

The plan of deifying the beings....

B.D. No. 6336

August 19th 1955

My plan of Salvation covers infinitely long times.... the plan of redeeming the fallen spirits, the deification of the created beings which once made a wrong decision of will and which therefore require an infinitely long time in order to align their will correctly because they completely changed their nature into something entirely opposite to Me and yet shall nevertheless become My image again one day.... The process of this transformation or regeneration necessitates an infinitely long time, because it must take place in lawful order, otherwise it would result in unavoidable chaos and the ultimate goal would never be reached. The fundamental law of My eternal order is and will remain love.... Hence, a return to Me can only be achieved if I give all fallen spirits, all those which had become imperfect, the opportunity to practise love.... **And practising love means being of service....** Consequently, I first had to create the opportunities in which the fallen spirits were able to serve actively.... I had to create something which enabled these fallen spirits to contribute towards its emergence and maintenance.... in every possible way.... And so I conceived Creation as appropriate for this purpose.... In a manner of speaking, I let the spiritual substances take active part in its emergence, however, I had to enforce this, according to My will they had to enter specific external shapes and carry out their assigned activity.... The whole of Creation is governed by the principle of being of service, because **My will** governs, which is only ever the expression of My greater than great love. Compulsory service was therefore necessary at first, because no being would have chosen to serve.... to express love.... of its own accord, but the return or re-transformation of the fallen being is and will remain My goal.

Nevertheless, even service in a state of compulsion achieved a change, although it required an infinitely long time.... But once the re-transformation has advanced to a point that the original opposition to Me has weakened, the being can receive a certain amount of freedom again so that it is no longer **forced** into being active but voluntarily continues doing the same instead: to serve, for which, however, it must first kindle love in itself. The purpose and goal of the whole process of development is.... that its will shall take the right direction now, that its thoughts, intentions and actions are only determined by the principle of love.... that the re-transformation into love is proven and thus the being's deification takes place.... that the goal I set the externalised spiritual being has been accomplished.... that the **created** being has voluntarily shaped itself into My image, into My child.... Yet during this infinitely long period of development the being passes through countless phases which one day it will be able to look back upon when, in a state of light, it is capable of grasping the sheer magnitude of My plan of Salvation.... And every individual phase will disclose to it the suffering and agonies, which only then will show the immense extent of its fall into the abyss, the distance from the One Who, in the beginning, had created it in all perfection.... Only then will My love, wisdom and omnipotence be revealed to the beings, and only then will the upsurge of their love for Me engulf them and they will become completely immersed in My flow of love.... They will praise and glorify Me without end and have no other desire but to serve and help Me to achieve My goal one day.... the deification of all created beings.... They are constantly active with love and comply with their original purpose: to work and create according to My will which now is their own will as well because they are perfect....

Amen

My plan of salvation is designed in unsurpassable wisdom so that it will certainly lead to the aim one day. Yet freedom of will is always taken into account, which is why, despite greatest wisdom and endless love, it can take eternities until the spiritual will fully belongs to Me. But free will requires such a plan, which always adapts itself to that will and opens up the greatest possibilities for the right direction of will. My wisdom, however, saw the direction of the will at all times and My love was therefore always able to plan according to this will.... so that success was and is always recorded and that again and again spiritual things reach perfection, thus they successfully cover the path of salvation. Yet I also saw the many failures which I have to tolerate because they are based on free will but which have already motivated Me from eternity to everlasting activity of love, thus My plan of salvation could therefore already be determined from eternity. An infinite number of beings had fallen and the depths of their stay are endless. The path back is infinitely long and yet the aim is once attainable. I recognized from eternity what demands were made on My love on the part of those beings which do not want to give up their resistance and yet are not left in the abyss by Me **forever....** Only My **love** can rescue them from this, and this love therefore devised a plan which will **certainly** bring all fallen beings back to Me but which will also require eternities until all fallen beings have been completely redeemed. Love, wisdom and might will always accomplish this work of return with respect for the free will of that which once emerged from Me as a supremely perfect being. The human being can certainly take note of My plan of salvation and then gain the conviction that nothing is arbitrary, that everything is based on My will of love and My wisdom. But he can never overlook My rule and activity for the purpose of the fallen person's return in its full extent, he can only be informed in a few words that My love will never rest until everything that once fell can be active in fullest freedom and in light and strength.... and that everything takes place according to plan in order to achieve this aim, that every thought, every direction of will and every stage of development is known to Me, that I know about everything and accordingly approach the human being in earthly life such that he **can** accomplish the return to Me if he wants it himself.... Everything is included in My plan of salvation from eternity but coercion is never exerted, which is why even the most favourable opportunities can remain unused and the time of distance from Me is prolonged by the being itself. Hence it is **free will** which is decisive in which time the once fallen being's redemption takes place.... As long as you humans believe that you are unfree in your thinking and willing, you still have little knowledge.... as a result of your former fall.... It is precisely free will which prevents Me from redeeming you abruptly, which My infinite love would certainly like to do but then the 'characteristic' of divinity, free will, would be taken away from you and you would eternally no longer be able to become **perfect** beings but would only ever be directed beings determined by **My** will which do not correspond to My aim, My divine plan of love. People who dispute a free will are still very darkened in spirit, for they are still under the influence of My adversary who has transferred his will onto them.... But I gave the spiritual being begotten through its will the right of self-determination, so that it recognized itself and could freely decide for it or for Me.... And it still fell and thus became guilty itself in free will. If, therefore, as a human being it still considers itself dependent on external power which determines its will, then it **is** also still very much in that power.... but it can detach itself from it precisely **because** it has **free** will which would be strengthened remarkably quickly through the call of Jesus Christ, Who died for the human being to be able to strengthen his weakened will at any time. And therefore, with the help of the divine redeemer the return to Me can take place in a shorter time, but eternities can still pass by, because free will is decisive.... But everything is planned in My eternal plan of salvation, and My love, wisdom and omnipotence will surely reach the aim one day....

Amen

The upward trend in the creations

The transformation of the original spirit into creations....

B.D. No. 8216

July 16th 1962

My Word shall bring you clarity, it shall answer questions and solve problems which you are unable to solve intellectually yourselves. You shall become knowledgeable if you desire to know, you shall be educated in all truth, for I want to give you light and illuminate your spirit, so that you do not continue to live in darkness and damage your soul, for I want to save it for all eternity. My immense love only ever wants your soul's salvation because I long for your return, for unity with you, which requires the perfection of your soul. You once came forth from Me in all perfection, for I created you as My images, as utmost perfect beings, as miniatures of Myself and yet of the same quality, because your fundamental element was love since you came forth from the original source of Love, Which created vessels for Itself in order to emanate Itself into the vessels.... in order to let this strength of love continually flow into these created beings....

These beings, My images, were pure love. They were My radiated strength of love which could indeed perceive and behold each other but they were unable to behold Me Myself from Whom they originated, because I was the original fullness of strength of love Myself which they could not see or they would have ceased to exist. For I had externalised them as tiniest sparks, as independent beings.... as I have already explained to you several times.... although, as a purely spiritual process it will never be quite understood by you humans on earth. But since these beings were independent entities endowed with free will and a lot of strength and light at their disposal due to the fact that they were constantly permeated by the flow of My love's strength, I could not prevent them from misusing their free will such that they turned away from Me, that they.... when faced by their test of will to acknowledge Me as their God and Creator.... denied Me this acknowledgment....

They turned to My first created being.... Lucifer.... who was visible to them and whose beauty stood out in brilliant radiance, and rejected the emanation of My love's strength, which meant that they distanced themselves ever more from Me as the primary source of light and strength.... This process, too, has been explained to you humans time and again as far as I could make it understandable to you.... But now you should know that although My externalised living creations could indeed change themselves into the opposite.... they could not perish but continued to exist and will continue to exist for all eternity.... The beings' fundamental substance was love, thus strength which, according to eternal law, has to be active.... it cannot remain inactive forever. Due to the ever increasing distance from Me as a result of rejecting My emanation of love, My created original beings' spiritual substance became solid, and thus these beings became incapable of working and becoming active.... And so I dissolved the original spirits, I transformed the beings which were My once externalised emanated strength, and creation came into being, in which the strength could work again, thus become active in accordance with My will.

Consequently, you can rightly say that the whole of creation consists of original spirits transformed by My will, the same strength which I emanated in form of self-aware beings were now changed into other forms, into works of creation of every kind.... I then assigned a task to every work of creation, and thus the original spiritual substance, dissolved in particles, now passes through all creations and serves Me in the law of compulsion. The strength becomes active in relation to My will, because strength must become effective in line with fundamental law.... Always consider that the first created spiritual entities were My emanated strength, irrespective of whether they were dissolved or joined together again after an endless time.... the first created spirit will not cease to exist, but it will return to Me again one day without fail, but then it will be the same being again that had originated from Me....

On its path of return to Me it passed through all creations and finally enters the form of the human being.... as his soul.... the last brief stretch of the path when it has to achieve unity with Me again, when it has to consciously accept the emanation of My love again, because voluntary return to Me requires the original spirit to relinquish his resistance to the emanation of My love's strength.... Then it will once again be the Godlike living creation, My image.... the fallen original spirit.... the perfectly created being, but now it will have achieved its perfection again entirely of its own free will, and therefore it will be able to unite with Me again and remain united with Me forever....

Amen

The beings' gradual higher development in Creation....

B.D. No. 8702

December 17th 1963

And thus listen to the following: When I transformed the beings, which I had once emanated as strength, into many different kinds of works of creation, it started the gradual higher development of these beings in their dissolved state.... At first it was an incredible mass of spiritual substance which slowly took on form when My will solidified the spiritual strength into matter, and this matter was so differently natured again that it cannot be made understandable to you humans. According to My wisdom and My love I had devised a plan of Salvation for the fallen spirits which was to be implemented in the creation. The purpose of My creation was to induce the bound spiritual substances within to be of service, thus one work of creation was needed for another in order to make it possible for a gradual higher development to take place. The serving functions at the beginning of creation cannot be made conceivable to you humans.... only when the works of creation became somewhat more solidified some activity, albeit very slight, commenced. And every activity testifies to life, every activity achieves a change, therefore the forms also changed constantly, developing into ever larger works of creation, each one of which had to fulfil a task determined by My will and which was also carried out according to My will, because the spiritual substance was unable to resist My will. Therefore the creation did not arise in an instant through My will, instead, the spiritual substances, or 'transformed strength', bound therein covered a slow path of development so that its resistance gradually subsided which manifested itself in being of service which, admittedly, still happened under My law of compulsion but nevertheless proved a reduction of opposition.... And so the process of higher development through the mineral, plant and animal world until the stage of a human being, has been explained to you such that the external forms constantly released the bound spiritual substances within, which linked up in order to take abode in a larger form again and continue their service, until all tiny particles belonging to a fallen original spirit had come together again and were able to embody themselves as 'soul' in a human being.... But just as it happens in the animal world, that, after dying, the smallest living organisms join other spiritual substances of the same degree of development and enter a larger external shape, so the process of development continued, and My love and My wisdom constantly created new forms which were able to accept the destined spiritual substance.... In nature you look upon this as 'evolution' of a small living being into an ever larger one.... Yet first I had to create a new form which previously had not yet existed. And although these forms constantly became larger and resembled the previous forms, it always involved an act of creation on My part which, however, could not be observed by people because no-one endowed with intellect and free will populated the earth as yet.

However, My eternal plan was definite, therefore I also knew about the living creation which was intended to live on earth as a 'human being' for the purpose of taking its final test of will.... And thus the spiritual substances which were still bound in the various works of creation were continuously placed into new creations the closer the individual being's spiritual substance approached maturity.... The works of creation became increasingly larger.... which is not to be understood in terms of physical size but the individual living being's constitution, their functions and their abilities are referred to in this instance.... Yet each new living creature was the work of My infinite love and wisdom and omnipotence.... which subsequently reproduced itself but always remained the same creation as I had

externalised it... Do understand that no living being will change its constitution, and where you believe you notice a change or further development, its emergence has been an act of creation on My part. Thus every human-like creature inhabiting the earth before the creation of the first human being always were new creations which, however, remained the species they were created as a product of My omnipotence. And since the bound spiritual substance within them constantly developed further, My will also created an increasingly **more** human-like external form, yet this creation was always based on **My will**, which manifested itself as **natural law** again.... what you humans now describe as the natural evolution of the beings.... But the **human being** can never be regarded as a product of natural evolution, for he is a separate creation, having emerged from My omnipotence, love and wisdom and being designed such that he shall and is able to fulfil an eminent task on earth. Even if you try to train the most intelligent animals to think and decide independently you will never succeed, for the abilities possessed by a human being are not hidden in any animal, for the human being is the only life form on earth in possession of thinking ability, intellect and free will.... which can never be slowly developed nor are they attributes of a creature's gradual higher development, instead it merely proves that the human being is a work of creation in its own right, called into being through My will and My power in order to accomplish a task. And it was only possible to place the creation work 'man' into the world after the once fallen original spirits had already covered the gradual higher development through the creations because the human being was intended to shelter one such fallen original spirit within himself as soul. The word 'development' only ever applies to the sheltering or bound spiritual substance in every work of creation which has to go through this upward development, whereas the material works of creation must always be regarded as acts of creation, because My will brought these external forms into existence in order to serve the spiritual substance as external shapes, which themselves should advance through being of service.

The fact that **My will** simultaneously also signifies '**natural law**', which no work of creation can resist as long as it does not yet shelter a spiritually mature being like people do, will also explain the word 'development'.... but it will never justify the allegation that the human being evolved by himself.... for he was a separate work of creation which My will and My strength of love brought into life....

Amen

The creation of man

Creation of the human being.... The fall of man....

B.D. No. 5800

October 31th 1953

The fallen spiritual substance needed an endless time for its higher development, and an endless time was also required for My individual creations, which more or less had to evolve in line with the indwelling constrained spiritual substances in order to hold ever more mature spiritual substances. Time and again new forms were created, and time and again these forms were assigned a task.... Hence, earthly creation did not arise in an instant but infinitely long periods of time passed until the spiritual substance of all degrees of maturity found the appropriate external form, since the constantly increasing maturity also necessitated constantly new creations which could accommodate it. But as long as the spirits were subject to the law of compulsion My creative activity meant: Creation of earth as a place to mature for the lowest fallen spirits, which had to acquire the level of maturity that would return free will to the constrained spirits again, which they had abused in the past.... But now an external form had to be created for this fully matured spiritual essence, so that it could test its free will again in this form....

This work of creation was the human being, who differed from all previously arisen creations such that he, apart from free will, was also endowed with intelligence and reason.... with a faculty of thought, with self-awareness and with the ability to interact with his fellow human beings through language, because coexistence provided the necessary conditions for the test of will. The human being's external form already existed in its last stages in the state of compulsion and was destined to receive countless fully matured substances of soul, but these living beings still acted in a compulsive state as required by natural law, and therefore they were not responsible for their actions.... They only had very limited ability of thought but as receptacles for the spiritual essence, which was fully matured after an endless time of development, they were also works of creation formed by My wisdom and love for this spiritual essence. But only the living beings who possessed free will, intelligence and self-awareness were human beings.... and only then started the plan of spiritualising the latter.... This required that the living creations.... the human beings.... were educated by Me.... that they should use their ability of thought, their intelligence and their free will in accordance with My instructions and by virtue of their free will could then live and work on earth.... that they could shape themselves into Gods but also act in opposition to My advice and My will and regress to the abyss from where they had ascended.... I created the human being....

Having attained a specific degree of maturity I gave the spiritual essence an external form in accordance with My love and wisdom, and the task the human being subsequently had so carry out.... The external form only became a living being after the spiritual essence had entered it.... the composition of innumerable minute particles which, as 'soul', gave life to the form. For the spiritual essence is a constantly effective strength and was in fact constrained and incapable of unrestrained activity during the preliminary stages, during the endless process of development. However, in its ultimate external form, in the human being, it can be active again. It can unfold its inherent strength and through unity with Me increase it without limitation.... The first human beings had My strength at their unrestricted disposal, they were extraordinarily well equipped in view of the fact that their test of life on earth should have resulted in their leaving their earthly form completely spiritualised in order to return as true children into their Father's house again.... But the test of will, which I demand of every created being, was required of them. The first human beings' passing of this test would have enabled all subsequent generations to reach the final goal with ease.

(01.11.1953) By creating the first human beings I had created beings for Myself who, in spite of their inadequacy.... i.e. their lack of perfection as a result of the apostasy from Me.... could nevertheless have attained realisation of Me Myself since they recognised themselves as living creations.... Thus, due to their ability of thought and their free will, they were able to recognise My will and act in accordance with it.... I had created beings for Myself with whom I could communicate despite their distance from Me, who could hear My Word and let it take effect on them, which was impossible in the earlier state of constrained will.... Thus the human being was the first earthly work of creation which carried a fallen original spirit in himself, and he was then meant to help this original spirit to return to its original state in order to work and create in eternal unity with Me as a free spirit again.... This was the task of the first created human being, and it will remain the task of all people until the end, until the final spiritualisation of all fallen spirits....

The test of will the first human being had to pass was not too difficult.... Yet for the sake of this test My adversary also had to be allowed to exert his influence on him.... And the human being succumbed to this influence.... He deserted Me for the second time, and this was the first fall into sin on this earth.... the original sin which is known to humanity, even if it does not know of the apostasy of the spirits from Me.... But only the latter explains everything.... For the first human being could not have fallen had he been the first created being externalised by Me, as he would have been in full possession of strength and light since only perfection can emerge from Me. In that case he could not have been influenced by an opposing force.

But the reason for his fall is to be found in the apostasy of the spirits and thus in the still immature human soul which could indeed have passed the test but was not obliged to pass it.... Nevertheless, the human being was in possession of intelligence and free will and therefore also had to accept responsibility for his soul.... And thus the human being has to do penance for his guilt.... My adversary kept his authority over the spirit embodied in the human being, and that means a laborious path of struggle and suffering during every human being's earthly life with the goal to free himself from his control.... The human being is able to achieve this goal because Jesus Christ came to help humanity which was weakened by Adam's fall into sin, and therefore salvation is assured to everyone who recognises Him as Son of God and Redeemer of the world and follows Him willingly.... The first human being would have been able to built the bridge on which all his descendants could have reached Me.... but since he fell, humanity still had to remain in Satan's bondage for a long time until the arrival of the Saviour, until Jesus Christ descended to earth in order to build a bridge into the spiritual kingdom by way of His suffering and death.... by way of His crucifixion....

(02.11.1953) The decision of will demanded of My first created being.... of Lucifer.... was by no means to be regarded as a commandment; rather, it was entirely left to the being's choice to direct its will either way, and the direction of its will was totally based on its yearning for power and dictatorship. It was certainly aware that it had originated from Me but believed that it could also rule on its own because it could not see Me.... It recognised Me as its source but it did not want to acknowledge Me.... And this will was not placed into the being by Me but the being itself had changed the free will I bestowed on it.... This was the difference between the first fall of Lucifer and the first human being's fall into sin.... because the wrong will was still in the human being and therefore I gave him a commandment which he should not transgress.... a commandment he could easily have kept had the opposing spirit not influenced him. The opposing spirit's influence on the human being was so strong because the human being was still part of him.... since he had not yet regained perfection, which would have made a fall impossible.

A perfectly created human being could not have fallen, that is, he would not have been able to violate this commandment, because the perfect spirit in the human being would have prevented him from every God-opposing action.... But the creation of the human being was only the consequence of Lucifer's fall and his followers, or it truly would not have been necessary for Me to give the spirits, who had been brought into life by Me, an external form as a cover. The human form, however, contained the fallen spirit, and therefore the human being Adam was already burdened by the past sin which he nevertheless could have pushed away had he kept My commandment.... It would have been

possible for him to redeem the inherited sin.... his fall delayed the fallen spirits' return to Me for an infinitely long period of time again. Yet it has become possible through the act of Salvation by the man Jesus Who did, without any commandment on My part, what the human being Adam should have done.... to completely accept My will and through a life of love unite with Me again on earth and achieve full possession of strength and light....

Amen

Self-awareness of the original spirit....

B.D. No. 7569

April 5th 1960

Every original spirit regains its self-awareness when it lives as a human being on earth and recognises itself as a human being. Then all the small particles of soul, which were once dissolved for the purpose of return through creation, are gathered in the spirit again, and then the being will be able to acquire the degree of maturity which it originally possessed as a created spirit, which it had renounced and now has to regain in order to enter the spiritual kingdom as a spirit of light. And thus every human being is an embodied original spirit, a once fallen being, My eternal love's product of creation, which had merely left Me of its own free will and therefore also has to return to Me again of its own choice.

But the human being does not know what he was, what he is and what he should become again.... He first needs a certain level of maturity before he can receive and understand this knowledge.... He certainly recognises himself as a human being soon enough but not as a spiritual being that is to fulfil its purpose, and since he only recognises himself as a human being living on earth, his thoughts are more directed towards the world. And this usually prevents spiritual awareness which he will only experience when he turns away from the world towards the spiritual kingdom. Then it is possible to inform him of his real purpose, and then he will be able to accept and adjust to it voluntarily, which will certainly result in his full spiritual maturity. However, once he has accepted it he will also be happy at the thought and the certainty of belonging to the original spirits which I externalised as living creations and which return to Me as children, and as human beings are therefore approaching their perfection.

And only the human will needs to be good, because then it will focus on Me of its own accord. The human being asks for his God and Creator and this resolve is already the right decision, it will have passed the test of will which confronts the original spirit as human being on earth. Life on this earth does not last long but it can fully suffice for a person to spiritualise himself so completely that he acquires the degree which results in the childship to God, i.e. which returns the original spirit into a state of perfection again. On account of his resolve he will have achieved the highest degree himself and can then stay in closest proximity to Me where the direct emanation of My love is assured to him.... even though every original spirit will be able to ascend ever higher once he is allowed to enter the kingdom of light, provided the right decision of will was made on earth. And every original spirit is ecstatically happy when he becomes aware of the infinitely long path he had travelled in order to achieve the greatest abundance of light, in order to be immensely blissful.... And he will sing My praises and give thanks and glorify Me eternally, he will be and remain My child which will never leave Me again, which will create and shape in accordance with My will for its own happiness....

Amen

The endless-long walk of the fallen original spirit....

B.D. No. 7824

February 13th 1961

The path of development of the fallen spiritual extends over endless times because the resistance was so great **before** the spiritual could be banished into the firmest matter and the dissolving of

this already required endless times. As a result the material cover became increasingly looser but there were an infinite number of deformations through which the spiritual had to pass, for in its dissolved substances it animated every work of creation for a certain time, which will one day be evident to the spiritually-able-to-see in the shaping of the soul.... The further the development progressed, the quicker the spiritual substance could leave the respective form again, for the form which enveloped it became increasingly lighter and looser until finally all particles of a fallen original spirit had gathered again to animate the last form of the human being as a 'soul'.... It is certainly possible to speak of eternities which such a course of development has taken, but one day it will also come to an end, one day the soul will have reached the stage where it can embody itself as a human being, where it will regain ego-consciousness and free will. But this last time as a human being is only a moment in time compared to the previous course through the whole of creation.... But now the last decision is demanded of the once fallen original spirit: the recognition of God in free will, Whom he once did **not** want to recognize as his God and creator.... And it is truly made easy for the human being to make the right decision of his free will. But the will is not forced.... And now, during his time as a human being on earth, he will be worked on again by God's adversary whom he had once followed into the abyss.... And this one again seeks to take away or destroy people's faith in a God and creator in order to be able to continue to keep his former following for himself. Nevertheless, the human being is not without help, for his God and creator also struggles for his soul because His infinite love wants to win him back again. And He truly does everything to make the human being's decision easy.... He reveals Himself to him as God and creator in every way and also conveys the knowledge to him.... Yet He also respects the human being's free will, He also does not force him to make the right decision.... But man has already reached a certain maturity so that it is **possible** for him to make the right decision, and he is constantly cared for by the love of God.... For God's **love** reveals Itself to him again and again in order to also win the human being's love. Hence the short time as a human being **can** bring the former original spirit full redemption from the form, because the act of salvation has been accomplished for him, which brings him strengthening of will if only he acknowledges the divine redeemer Jesus Christ.... for then he also acknowledges God Himself in Jesus Christ, and his will has made the right decision. And therefore it is the most important thing in earthly life that the human being finds Jesus Christ, that he hands himself over to the divine redeemer and appeals to Him for strengthening of will, for forgiveness of his original sin and for His constant help for his earthly path.... And truly, he will cover his earthly life with success, he will return to God again from Whom he once originated, for he has already found Him with the acknowledgement and faith in Jesus Christ and His act of salvation. But he must not pass Him by, for without Him and His act of salvation he will not be eternally rid of his form, he will fall back into the abyss and have to start his path of development again, and he will delay it again for an infinitely long time until he is in the stage of free will again and decides correctly.... which therefore takes eternities but can also be achieved in the short time of earthly life. Yet he will never be without assistance, for God's love pursues him and seeks to shorten his path, and the being need only give up its resistance and acknowledge Him.... and it will become free from all form....

Eradication of original sin by Jesus Christ

God's love expressed in the work of redemption....

B.D. No. 7575

April 12th 1960

You are all touched by My love which has never left you and which will follow you even if you reject it.... which will apply to you for all eternity and therefore will not rest until you have become Mine again. And I gave you all the evidence of My great love and mercy when I suffered and died for you on the cross.... For this greatest work of love brought the lost back to Me, although it is up to My living creation's own will whether it wants to return to Me. But one day every being will have the desire to return to Me, one day I will also possess the love of My living creations, and the creature will be blissfully happy like Me that it has found the father, as I have found My child.... But the act of salvation was necessary for this, My love had to enter into supreme action, love had to suffer unspeakably because only through this could the great guilt be redeemed which separated you, My living creations, from Me, your creator and father. The great debt had to be paid, and My love did do that. It suffered **for you**, and it died on the cross **for you**. And you humans should take part in this work of mercy, and therefore a human being accomplished it on earth, in Whom I Myself took abode. And this human being was Jesus, My only begotten son, Whom I sent down from above to earth so that He should save people from their adversity.... He had emerged from My creative power and His love for Me was immeasurable.... the love for His fallen brothers likewise and this impelled Him to the work of mercy, because He knew the hardship of His fellow human beings, because He knew that they could not become blissfully happy as long as they were burdened by the original sin which kept the path into the kingdom of light closed to them. People's guilt was enormous and I had to receive satisfaction for it for the sake of justice.... The man Jesus offered to do so out of immense love and I accepted the offer because I did not want to and could not resist love, for what love does is always right before Me and My eyes. The man Jesus walked the earth and His life was love which He constantly increased, which completely filled Him and which therefore completely deified the man Jesus, for **love is God....** You humans will never be able to unveil this secret and yet it can only be made understandable to you in this way, that I am eternal love and completely sheltered Myself in the human being Jesus.... Only the outer shell was still human, but His whole being was God, for it was **love** and **love is God**. Love moved the man Jesus to suffer and die on the cross in order to redeem people. Only **love** could take on such a degree of suffering as Jesus endured, because love is strength and enabled the man Jesus to endure until the end without succumbing beforehand. And Jesus knew about this measure of suffering long before, and therefore He also travelled an extremely painful earthly path, always aware of the time that lay ahead of Him. He often feared to fail and not to be able to accomplish the work of salvation, yet love always gave Him new strength again.... For My love was meant for all My creations which had fallen away from Me, and this love sacrificed Itself for all My creatures. You humans will never be able to completely fathom the mystery of My human manifestation until your nature has completely changed again into love, as you were in the beginning. But I try to make it understandable to you so that you will learn to believe that He and I were one, that you call upon Me when you call upon Jesus Christ.... For it is about the recognition of Me, Whom you once did **not** want to recognize because I was not visible to you.... Now you shall recognize and acknowledge Me in the visible saviour Jesus Christ, and only then will you return to Me again, from Whom you originated. And therefore My love pursues you until this return.... I will not let go of you and will not rest until you acknowledge Me and return My love.... My love will touch you again and again, it will shine upon you again and again until you open yourselves to My radiance and then find your way home again into the father's house and be eternally blissful....

Amen

Original sin and atonement through Jesus Christ....

B.D. No. 7748

November 17th 1960

In My great mercy for you I accomplished the act of Salvation in Jesus, the human being.... That which I had externalised had sinned against Me and only a small proportion of the created beings remained with Me when the decision of will, which I demanded in order to make the created beings immeasurably happy, had to be taken. They wanted to behold Me, and since this was impossible.... because the beings would have ceased to exist had they beheld the huge abundance of light.... they turned towards the one they were able to see, whom I externalised as the first spirit from Myself in My image.... However, the beings were not lacking realisation and therefore aware that they had emerged from Me, yet despite this they turned away from Me and towards the former, which was the immense sin that plunged them into a bottomless abyss.... But their condition aroused My pity, I felt sorry for the beings which My adversary.... the first fallen spirit.... kept under his control in a completely unenlightened state and whose exceedingly wretched situation would never ever have changed had I not granted them My mercy.... This was the result of the love which had once created those beings and which therefore also followed them into the abyss.... My infinite love did not abandon the fallen beings, which belonged to Me as well. For they had emerged from My strength, which incessantly flowed to My first-created being.... Lucifer.... and enabled him to create countless beings.... Therefore, these beings belonged to Me, too, however, they had become sinful of their own free will, they had voluntarily followed My present 'adversary'.... Nevertheless, the fate of these fallen beings aroused My pity, I wanted to provide them with the opportunity of working their way up from below until they could reach a state of free will again in order to take another test of will as to which Lord they wanted to belong to. But as a result of rejecting My strength of love, the beings had become so weak that even when I returned free will to them after an infinitely long time they still failed their test of will.... And this weakness of the beings aroused My mercy and I was determined to accomplish the act of Salvation in order to convey strength to the weak, which was acquired through the atonement of the past guilt.... through the agonising death on the cross.... I felt such overwhelming compassion for the fallen beings that I was willing to take the sins upon Me and to exonerate them. But since I was unable to suffer as God, the work of redemption had to happen in a human being Who, for love of his fellow human beings, agreed to atone for them, and Who crowned His act of love with an extremely agonising death on the cross.... The actual Redeemer of the guilt was the **love** in Jesus, the human being, and I Myself was this love.... I Myself was overwhelmingly powerful in Jesus, the human being, I was able to use My strength in Him to full effect, His every action was determined by love, and thus 'Love' accomplished the act of Salvation, It merely harboured within a human shell which took this superhuman suffering upon itself....

'**Love**' took pity upon humanity and redeemed the immense guilt of sin which caused the fallen spiritual beings such wretchedness.... **Love** had mercy and opened the path again which led back into the Father's house.... Only **Love** was able to redress God's righteousness, for this could not be ignored since it is part of My nature, otherwise My perfection would be questionable. And for the sake of righteousness the immense guilt had to be redeemed so that it would be possible for Me to accept My living creations into My kingdom of light and bliss again And thus a way was found.... 'Love' sheltered within a human being Who was **capable** of suffering and Who, because of love, was **willing** to take the immense guilt upon Himself and suffer immeasurably for it and finally die the most bitter death on the cross.... Jesus, the man, walked this path to the cross, He sheltered the **Love** in Himself which I Am for all eternity.... Only in this way was it possible to redeem the immense guilt. Only great mercy motivated Me into personally taking care of My living creations which were wretched beyond all measure and who, without help, would never have been able to release themselves from My adversary's power. Since they had followed him into the abyss voluntarily, he was entitled to these beings. I do not deny him this right but these beings also belong to Me, and therefore I fight for them and help them to reinforce their will so that they try to release themselves and indeed are able to do so through the blessings acquired on the cross. Jesus, the human being, accepted Me Myself within

Himself.... Through His life of love He so shaped Himself that I Myself, the Eternal Love, was able to take abode in Him.... that I so completely permeated Him that He only wanted and did what 'Love' demanded of Him.... so that I Myself therefore carried out the act of Salvation, because Jesus, the human being, had utterly entered into My will. For He and I were One, He was 'God' in all fullness, and only His external shell was 'human' for the eyes of His fellow human beings.... But even this external shell had spiritualised itself, it merely continued to be 'human' until the act of Salvation was accomplished.... For only Jesus, the **human being**, was able to **suffer**, and His suffering and pain were indescribable because the guilt He had taken upon His shoulders in order to atone for it was also indescribable. So now every human being can release himself from his guilt if he acknowledges Me Myself in Jesus Christ and accepts the blessing of the act of Salvation.... if he believes in Him and also that I died in Him for you in order to set you free....

Amen

Jesus lived life for the people....

B.D. No. 8331

November 18th 1962

The life of the man Jesus on earth was a continuous service of love, for He wanted to give people an example of a right way of life in order to induce them to follow Him and thus also to receive the blessing of the effects of a life of love.... He Himself was filled with love, for He brought love with Him from the kingdom of light from which His soul had descended to earth.... He was not burdened with the original sin which consisted of the beings completely renouncing their love, that they rejected their father's illumination of love from eternity.... He was most intimately united with the father, and thus He also constantly received His illumination of love and therefore brought love with Him to earth.... And by virtue of His love He also knew what lack of love meant for people.... He knew that they were darkened in spirit without love and that they were therefore completely enslaved by the one who, devoid of all love, ruled them and caused them to act in a way that was contrary to God.... And He took pity on this great misery of people.... He drew all people into His sphere of love and served them by taking care of all earthly needs of those around Him, by healing their sick and freeing them from their weaknesses and infirmities.... And He also took care of the spiritual hardship by teaching and trying to introduce people to the truth in order to dispel the darkness from them.... to enlighten them that they could only return to God through love again.... For He knew that He would accomplish the act of salvation for humanity in order to make the fallen brothers' return to God possible again, which could never have taken place without His death on the cross as the redemption of the original sin. Yet the act of salvation could only be successful for people if they now also lived a life of love, because only through this could they regain their original nature.... because only love made it possible to approach God as the eternal love.... This is why He taught constantly and the content of His gospel consisted of the divine teaching of love.... the commandments of love for God and love for one's neighbour.... which His disciples were then also to spread throughout the world.... Therefore you people should walk the path of following Jesus.... You should live a life of love but also patiently accept a measure of suffering. For Jesus' earthly path was unspeakably sorrowful and He already knew beforehand what great suffering awaited Him and yet walked this path of His own free will.... For He had come to earth to make an immense atonement to the father for His fallen brothers. This guilt of sin could only be redeemed by an unusual path of suffering, and this was truly walked by the man Jesus.... Yet the love within Him also gave Him the strength to do so.... He was filled with divine love, His body contained eternal love itself.... And thus He also constantly drew the strength from it which enabled Him to accomplish the act of salvation. **God Himself** was in Him, His soul was a soul of light, and only the body belonged to earth which still contained immature substances but which the man Jesus spiritualised through His life of love and finally through His suffering and death on the cross.... Thus He exemplified to people the life which all people can lead with His help, i.e. as soon as they are redeemed through Jesus Christ and have found forgiveness of their sin.... For **without** this redemption they are too weak to live as followers of Jesus, they will neither practise love nor be

willing to bear suffering because the original guilt still weighs them down and thus they are under the influence of the adversary who caused their fall into the abyss.... But anyone who is willing to take the path of following Jesus also acknowledges Him as the divine redeemer, and he has carried his guilt under the cross, he asks Him to strengthen his will, for he will make use of the blessings which the man Jesus acquired for him through His death on the cross. And his soul will also mature through love and suffering.... It will.... as being rid of its original sin.... will now also be able to cast off all dross, which love and suffering bring about.... For Jesus did not speak the words in vain: Take up your cross and follow Me.... He went before you as the bearer of the cross, and you are to follow Him. He took the strength for His walk on the cross from the love that dwelt in Him.... You humans can make use of Jesus' love and His strength at any time, for He is the eternal love itself, which took abode in His fleshly shell, which completely spiritualised this shell and radiated through it in order to make itself visible to the beings which once emerged from the eternal love and wanted to behold God.... But the human being always has to put himself into that state through love which was his own in the beginning.... He must accomplish the change back to love as long as he remains on earth, and he can do so if only he takes refuge in Jesus Christ.... if he follows Him and takes the path of love and suffering....

Amen

Purpose of earthly life: Change of character to love

Earth life purpose transformation of the being to love....

B.D. No. 4933

July 13th 1950

In the realization of My will now also lies your task in life: to shape yourselves into love in order to assimilate yourselves to My nature, in order to take on your original nature again, which is necessary to stay close to Me, because otherwise you would have to perish in My radiance of love. The shaping into love then infallibly also results in the state of light, thus a constant increase in wisdom and strength. Earthly life is only a means to an end in order to achieve this transformation, which is an act of free will, thus it **can** be accomplished on earth but does not **have to** be. The human being is always offered the opportunity in earthly life to be active in unselfish neighbourly love; he can grasp every opportunity but he can also pass it by, yet the ultimate purpose of life is only the transformation of his nature which, at the beginning of its embodiment as a human being, knows little of the love which applies to his fellow human being but is only inspired by selfish love, which he should overcome on earth. It is a certain process of change which takes place in earthly life but which can also remain unsuccessful if the human being's will does not strive for success. But anyone who regards earthly life as an end in itself, who still tries to gain from it the physical pleasures it offers, who does not create for his life after death, will be in a miserable condition at the end and full of remorse think of the unused opportunities he missed of his own free will. He will be in the same state of maturity as at the beginning of his embodiment on earth or will even have regressed in his development if he allowed his urges and desires to break through unrestrainedly on earth and thereby acted contrary to My commandments of love, thus increasing his distance from Me even more. I gave the human being earthly life for perfection, for higher development, and it can bring him the highest success, yet he must also answer to Me for an unused earthly life, for a gift he disregarded or misused for new sin, for renewed apostasy from Me....

Amen

Transformation of nature.... Fighting against perverted love....

B.D. No. 6557

May 29th 1956

The greatest benefit of your earthly life is the union with Me. You must see your goal in it, and you must not rest until the union with Me has taken place.... You can bring about this union consciously and unconsciously but you must always believe in Me first. You must acknowledge Me as a Being with Whom you now desire to have contact. This desire in you is already proof that the will, which initially still belonged to My adversary, has turned towards Me. And as soon as you now mentally occupy yourselves with Me you consciously unite yourselves with Me, even if the right bond first requires that you first transform yourselves, that you make an effort to adapt your nature to Mine, because I can only unite with perfection, but this perfection can also be achieved by you.... Hence you first must shape yourselves into love, because My fundamental nature is love. But as soon as you mentally establish the bond with Me, as soon as you pray to Me, strength will also come to you to be able to accomplish this change of your nature. Your will now is Mine and therefore I can give you strength, which was not possible before, since belonging to My adversary also implies resistance at the same time, i.e. defence against My power of love. Therefore, the **change of will** is necessary first, only then the change of nature can happen, which requires Me bestowing power. My power, however, is the radiation of love.... and it will have an effect again in loving activity.... As soon as you carry out works of love you make use of this power and thereby draw Me Myself ever closer to you.... I am

Love Itself, and therefore the uniting with Me can only take place when love joins love...., just as no work of love can be accomplished **without** Me. For this reason you can also unconsciously establish union with Me if you live in love, even if you do not mentally seek the bond with Me.... Yet such thoughts will certainly arise in you later and will not leave you any more, for the conscious acknowledgement of Me Myself must take place so that you can be saved, and it will also take place where I Myself can be close to the human being because he works with love and thus makes use of My power. It is not so difficult to find this union for the person who is not dominated by selfish love, but it is difficult where selfish love prevents the person from unselfish neighbourly love.... Thus My adversary dominates the human being's thoughts there, no ray of love from Me has access there, I am still far away and the bond with Me is neither established willingly, thus consciously, nor unconsciously. And without love the human being is still so imperfect in his nature that I Myself **cannot** unite with **him**.... Then the human being will not reach his goal on earth, and it will also be difficult to bring him to think differently in the kingdom of the beyond, for as long as he is dominated by selfish love he will not be touched by the hardship of other souls either, and he will never be able to receive strength because he will never allow the will to help to arise within himself. Therefore the most important and also most difficult battle on earth is the battle with oneself, the battle against **wrongly** directed love, which must be changed into complete unselfishness in order to be capable of being addressed as 'love' which changes nature. Where only an attempt is made I will help out with My power, for love must find love, only then will you be able to unite with Me and remain united forever....

Amen

Right use of life force.... great responsibility....

B.D. No. 7241

December 30th 1958

Make sure that at the end of your earthly life you can look back on an earthly course which has not been in vain for your soul.... Make sure that it can mature and that it can still record progress in its upward development at the end, for life is only short and eternity is infinitely long. Then you will enter a kingdom which will be in accordance with your state of maturity, which can be indescribably beautiful but also gloomy and grey if you don't sink into deepest darkness and your state is extremely agonizing. You still live on earth and can create the state for yourselves, the fate that awaits you in eternity. You are still in possession of vitality which you can use for your soul's well-being.... For you can perform works of love, the strength to do so is at your disposal as long as you live on earth.... But if you fail to do so and lose your vitality when your body dies, then you will no longer be able to work with love in the kingdom of the beyond because you lack all strength to do so.... which is why you cannot reassure yourselves on earth with such thoughts to do in the beyond what you previously failed to do. Then you will be completely powerless and dependent on help which has to be brought to you by people's loving intercession or by the beings of light.... And you should also take care of this as long as you live on earth, that you remember the love of your fellow human beings, that good thoughts follow you into eternity, that your people on earth take care of you and include you in their prayers, otherwise you will stay over there helpless and abandoned and unable to help yourselves in your adversity. Don't take life so lightly, evaluate it, for you can gather treasures on earth which will follow you into eternity, which are imperishable because they are spiritual goods which no-one can take away from you. For this reason you should always remember with the utmost seriousness that the hour of death can lie very close to you, you should not let any opportunity pass by where you can do a good deed and fight against all earthly material desires.... Life does not last long but it can suffice to create a garment of light for the soul so that it need not fear any hardship, darkness or lack of strength on its entry into the spiritual kingdom, so that it can enter into all glories which replace a thousand fold everything it gave away in earthly life.... And every soul will also have to recognize how worthless the goods were which captured the human being's senses in earthly life, and good for those who did not let themselves be dominated by such goods.... good for those to whom the

soul's fate meant more than the body's comfort, for they did not travel the earthly path in vain, they lived life in accordance with its purpose and gathered riches for eternity.... And it is never too late to turn back if the path you are taking is wrong.... At any time you can take the right direction and at any time reflect on your actual earthly task.... i.e., at any time you can practice and strive to live a life of love.... For this is all that is required of you, that you change yourselves into love, that you put self-love aside and practice unselfish neighbourly love and thus establish unity with God through love, which then also guarantees a life of beatitude. Think with great seriousness of the end which is granted to every human being once on this earth, and now consciously live as you would if you were to become aware of the glories.... But you must do this without knowledge, only in faith that incomparable glories await you. Live in love and you will also live in God's will. And a life of love will soon cover you in a garment of light, and then you will have no need to fear any darkness, the light will already shine on earth and one day in eternity....

Amen

Change of character into love.... God's presence....

B.D. No. 7351

May 1st 1959

I can only be present to you if you change yourselves into love.... However, My presence is the epitome of bliss for you. And therefore you should do everything in your power to shape yourselves into love again, which was your nature in the beginning.... My presence is the equivalent of being permeated by love, and this permeation of love in turn assures you strength and light, without it you cannot be called blissfully happy. But if you are full of light and strength you will also be able to work in complete freedom of will which, however, will no longer be directed against Me but will be utterly absorbed in My will. You will be happy to be able to create in this freedom and strength, because this had been the purpose of every originally created spirit, it merely disregarded it and thus placed itself into the wretched condition in which the still imperfect human being finds himself on earth.... But he himself can change this situation; he can change the unhappy fate into a blissful one by merely doing everything in his power in order to assure My presence with him.... by changing himself into love again.... And this is truly not so difficult, for he need only use My commandments of love for God and his neighbour as a guiding principle for his life on earth and always live according to these two commandments. And since he claims the right for himself to be respected by his fellow human being, since he feels the benefit himself when the latter helps him with kindness, he knows exactly which path he ought to travel in order to do justice to the commandments of love.... He need only treat his fellow human being as he would like to be treated himself were he in the same situation as the other person. What he considers beneficial he should do to his neighbour, and he will always have the strength and the means for this providing he really wants to do it. And what he initially does deliberately will soon become his heartfelt need and he will experience for himself how gladdening it can be to do good deeds for his neighbour, to give and help where it is needed.... Love will fill his whole being and he will come ever closer to Me, for with every act of love he draws Me to himself and ensures My presence....

And then he will fulfil the purpose of his earthly life, he will accomplish the transformation of his nature, he will live up to the reason why earthly life was given to him: He will try to become as perfect as he was in the beginning. With My grace and support He will certainly succeed in doing so but never without Me, because he is too weak for it. He must ensure himself of My presence.... He must appeal to Me and thus through prayer come close to Me one day, he must beseech Me to grant him strength for his change of character into love.... This prayer will be granted to him without fail, for it gives evidence of his sincere will to accomplish this change of character, and once a person has appealed to Me for this he will time and again encounter opportunities where he can practise love, where it is no real effort of will for him because he will clearly receive the strength he appealed for from Me. Just take your change of character into love seriously.... and appeal to Me for help.... And truly, I will remain present to you and inwardly impel you to be lovingly active wherever the

opportunity presents itself, for I want to be united with you and this can only take place through love which you voluntarily have to demonstrate, but you will always be supported by Me providing you sincerely ask Me for strength to accomplish your intention. You are incapable of doing anything without My presence, but you can always ensure My presence through activity of love or a prayer in spirit and in truth. I will hear it and answer your prayer, I will be and remain with you, I will draw you until you will no longer want to detach yourselves from Me, until you have so strengthened the bond with Me through your activity of love that I can constantly be present to you and then the re-transformation into love will have been accomplished, you will have brought your nature into line with Mine and thereby fulfilled your purpose of earthly life, and you will be able to work again as you were destined to in the very beginning....

Amen

Change of nature into love with the help of Jesus Christ....

B.D. No. 8019

October 15th 1961

Your path of earthly life as a human being is the last short phase of your process of development from the deepest abyss into higher spheres.... But whether it will lead to completion is determined by you in your human state where free will has been returned to you, which you must use correctly in order to attain final perfection. Hence you bear great responsibility since you decide your fate for an infinitely long time of constraint again or for life in eternity.... With a correctly inclined will you can become free of every external form when you leave your earthly body; but you can also enter the hardest external form once more if you abuse your freedom of will, if you don't make full use of your life on earth, if you don't accomplish the transformation of your nature which must become love again, as it was in the beginning....

This transformation of your nature into love is the only purpose for your life on earth as a human being and it is possible for you to achieve this work of transformation because I will truly help you in every way.... For I long for My living creations to return to Me as 'children' and will truly do everything within My power to enable them to reach their goal.... but I will not enslave their will.... They must return to Me of their **own** free will, just as they once left Me and thereby plunged into the abyss. I take all weaknesses and faults into account, I help where you humans are too weak on your own; I reveal Myself to you so that you will learn to recognise and love Me; I shower you with an unlimited measure of grace which you need only make use of in order to enable you to become victorious in earthly life.... For you must wage battle against My adversary who refuses to let go of you but who likewise cannot **determine** your **free will** if it turns away from him.... You must fight against all instincts and cravings which still cling to your soul.... you must firmly want to move forward and to successfully complete your path of earthly life.... You must long for **Me** and, truly, I will come to meet you and draw you close to Me and never let you go again. For I love you and yearn for your return to Me....

You need never fear that you will lack the strength for your perfection, because One acquired it for you through His death on the cross.... Jesus Christ, Who redeemed you from sin and death.... And this One wants to bestow the blessings of His act of Salvation upon you and is waiting for you merely to request them, to also want Him to have redeemed your guilt of sin, and for you to appeal to Him to strengthen your will in order to accomplish the transformation work into love on earth.... As soon as you turn to Him you also acknowledge Me again and your return to Me will be assured, your return into your Father's house which you once left voluntarily....

You can truly reach the final goal during your short life on earth if only you acknowledge Jesus Christ as Redeemer of the world, Who sheltered Me Myself in all abundance.... Through this acknowledgement and the plea for forgiveness of your guilt, your original sin of apostasy from Me will be redeemed.... because the human being Jesus died on the cross in order to atone for the great guilt with His blood for the sake of justice....

You would never have been able to remove this guilt and make

Amends for it yourselves, this is why I Myself died in the human being Jesus on the cross, because only **love** was able to absolve such guilt, which Jesus, the man, mustered for His suffering brothers and which so permeated Him that He took all suffering and pain upon Himself.... But I Myself was this Love.... And therefore the path to Me was cleared for you humans again, so that you can return into your Father's house; I can accept you again as My children because your guilt has been redeemed by Jesus if you acknowledge Him and thus **Me** in Him, for He and I are one.... Anyone who calls upon Him, calls upon Me, and anyone who may behold Him one day will behold Me face to face....

Re-transformation into love.... Spiritual spark.... Outpouring of the spirit....

B.D. No. 8510

May 27th 1963

Every person carries the divine spark within himself, which is part of Myself, Whose fundamental element is love.... Hence a tiny spark of divine love is inside of you and is in inseparable contact with Me, the primary source of the strength of love.... Consequently, this spark smoulders within you when you start your life as a human being on earth, and you are able to fan it into a brightly burning flame of such radiance that nothing inscrutable can prevail in it, since this flame illuminates everything and is able to completely permeate a person, so that he will live in brightest realisation as it was in the beginning, when he came forth from Me as a ray of love and a supremely perfect being.... Everything that is intimately connected with Me is in full possession of light and strength.... This is why the only important thing in a human being's existence is to restore **this connection**.... which the being once voluntarily severed.... and precisely this is made possible through this very spiritual spark, which is intended to establish the connection with the eternal Father-Spirit in order to attain a state of brightest enlightenment and clearest realisation which, at the same time, is a state of strength and freedom. Anyone having kindled this divine spark within himself will never be able to go astray again, for he will then move within the range of My divine light of love, he will have become a vessel into which the flow of My love can pour, for love caused this spark to ignite. Thus, anyone who is lovingly active also establishes the bond with Me, because I Am Love Itself, because....'Whoever lives in love lives in Me, and I in him....' Love is the principle of divine order, only love is important in earthly life, for I Am Love Myself and if you want to reach Me then it can only be done by shaping yourselves into love and thereby becoming as one with Me again.... For your fundamental nature was love and it is only necessary for you to transform yourselves into your fundamental nature again.... for this reason I placed a spark of love into you, because you had forfeited love completely and without My support would never ever have been able to change back again, which I thus bestowed upon you by placing a part of Myself into you which is eternally connected to Me....

And now you should use your existence on earth to fan this spark into the brightest glow.... Then all imperfection will fall away from you, you will have escaped all unhappiness, spiritual blindness will give way to brilliant light, you will know everything again, for love itself is the light which will illuminate you and dispel all darkness.... Through love you awaken the spiritual spark in you to life, and you will have evaded the state of death which every form of heartlessness signifies for the once created living creation. Then My ray of love will be able to permeate you, and since I Am all-knowing you will also attain the state of knowledge, because you will have entered the state of divine order which guarantees brightest light and clearest realisation.... where you will become as perfect again as you were in the beginning. Do you still find it incomprehensible as to what is meant by the 'outpouring of the spirit'? Do you now understand that it is a completely natural process when the spirit instructs you from within? As soon as you establish a bond with Me through living a life of love I Myself will be able to work in you by helping you attain the realisation again which you once lost, which you voluntarily forfeited when you relinquished all love and resisted My illumination of love. To accomplish your task on earth merely means to change yourselves into love again, for which I gave

you the opportunity by placing a tiny spark of divine love into you.... And therefore only love needs to be preached to you, for if you practise this you will also gain a complete understanding of the consequences which the activity of love will have.... The pouring out of the spirit will become a comprehensible concept for you and then you will also know what truth is and where and how you can attain it.... For everything originates from Me and only requires a connection with Me so that you can partake in it and become as perfect as your Father in heaven is perfect.... However, as long as you lack love your spirit will remain dark, it will certainly rest dormant within you as a spark but it will not be motivated into action which always requires loving activity. Therefore you can consider yourselves blessed if this information is imparted to you, if you accept it and then endeavour to live your life according to this knowledge.... that you let love flare up in you and thereby receive the life again which will last eternally....

Amen

Bond with the Father

Humble prayer.... pride share of the adversary....

B.D. No. 7116

May 9th 1958

Just present your requests to Me in all humility and you will certainly find an open ear. For humility of heart results in the human being speaking to his father like a child, that his prayer is not a demand but a request which I will only gladly grant. As soon as the human being lives a spiritual life in addition to his earthly life, as soon as his thoughts are not exclusively turned towards the world but when the human being constantly reflects on his heavenly father in the midst of the world, he will soon establish the right relationship with Him. He will recognize Me as his God and creator and therefore approach Me in all humility but nevertheless always come to **Me** when earthly or spiritual worries beset him, because he knows that I alone can provide a remedy. And therefore he asks Me in childlike trust and will truly not make a wrong request. A humble person has already taken the path of return to Me, for what kept his soul separated from Me for endless times was pride as part of My adversary, whom it once followed to the depth of.... Hence, every person who still shows a spark of pride within himself is still under My adversary's control, and until he has discarded this characteristic, until he exalts himself towards Me, he will not be able to be accepted by Me either, for thereby he sets up the barrier himself, and he will hardly establish the right relationship of a child towards the father, because this requires humility of heart. And as long as the human being refuses to enter into humility of heart towards Me he will not be able to pray to Me with childlike trust, his prayer will rather be a request prompted by his own feeling of powerlessness to be able to help himself.... And such a prayer is not the right one, it will not reach My ear because the intimate bond between child and father is missing, the intimate relationship which, as it were, forces Me to consider the child according to its request. The acknowledgement of a God and creator can be the result of intellectual thinking which, however, need not be proof that the human being has already given up his inner arrogant attitude towards this 'God and creator' he has recognized. Whereas I am acknowledged as 'father', pride is also overcome there, the human being feels his lowliness towards Me but nevertheless comes to Me because love also dwells in a humble heart, which has thus recognized Me and pushes towards Me. And therefore I can also shower such a child with My grace which it gratefully accepts from My hands and which helps it to always reduce the distance from Me.... It is something significant when the human being has discarded his arrogance, when he himself feels small and yet can receive special consideration from Me. For he has now become My child in truth, which can also soon reach that degree of light which he once possessed. For his prayers will predominantly be for his spiritual well-being, he will certainly also trustingly turn to Me in earthly adversity, yet his spiritual progress is of greater concern to him and he will never stop asking for help to reach his aim on earth. But only a truly humble person can address such a prayer to Me, because he recognizes his weaknesses and shortcomings.... Yet you must also differentiate between inner humility or outward submissiveness which is of no value to Me and cannot earn you any influx of grace either.... And therefore every person should subject himself to criticism as to how his **inner** thinking and feeling is. And it will only be a blessing for him if he tries to purify himself from every arrogant thought, if he tries to withdraw himself from the power of the one whose arrogance once brought him down....

Amen

Every bond with Me, every thought that applies to Me, is of greatest blessing for your soul.... I tell you this time and again, for then you will be touched by My flow of strength time and again, because then you will also open yourselves so that this flow can flow into you. You cannot measure what this bond means, after all, it is the conscious turning away from My adversary and return to Me which, as it were, cancels your former sin of apostasy, for your thoughts will only stay with Me if you yourselves **want** the separation to be lifted.... And then the possibility is also created that My ray of love will strike you again, because then you will no longer reject it.... And to be illuminated by My love again also means that your being will slowly change again into what it was in the beginning: strength of love radiated by Me, thus beings full of love who were immeasurably happy. Believe that every thought turned towards Me makes this illumination of love possible and that your soul has to irrevocably mature on this earth so that it will no longer be denied entry into the kingdom of light.... For to be able to be illuminated by My love again also includes everything else, which is the prerequisite that the gates into the kingdom of light are opened for you.... For you will work in love yourselves because the strength flowing to you from Me impels you to do so, and love will kindle bright light in you so that you can already attain a high degree of realization on earth.... And thus you will also understand Jesus' act of salvation and fully turn to the divine redeemer Jesus Christ, and this also means that He will open the gates into the kingdom of light for you upon your entry into the kingdom of the beyond. And your purpose of earthly life will only be able to be fulfilled if your soul constantly receives strength from Me.... But the flow of strength from Me necessitates the voluntary opening of your hearts, it necessitates the conscious bond with Me which you establish through thoughts turned towards Me, for no such thought remains unnoticed by Me, you draw Me to yourselves when your thoughts deal with your God and creator, and now I can also guide these thoughts correctly, I can, as it were, take possession of your soul and push the adversary away from you. For then you will give yourselves to Me, and this devotion to Me will then also take place consciously, that you will give your will to Me yourselves, that you want to be seized and guided by Me, that you will mention Me as your guide through this earthly life.... if you ask Me to be your friend and brother, your father, Who walks with you on your pilgrimage path on this earth.... then you can also leave yourselves to Me completely carefree, for then you will also safely reach your goal on earth: complete union on earth with Me.... Then you will have successfully made your way back to the father's house, you will be with Me again, from Whom you once started.... For this reason every minute of the day you give to Me is blessed, and then you will stay with Me longer and longer, for the strength of love which touches you also has the effect of a desire for My presence, then you will not only lead your earthly life but the spiritual kingdom will be ever more desirable to you, and your earthly life will be increasingly spiritually oriented. Then there will also no longer be any danger that you will sink back and long for the world with its goods. For these no longer tempt you once you were allowed to take possession of spiritual goods which were offered to you in the form of knowledge through the increasing flow of love. And My love will draw you, the impulse for loving activity will grow ever stronger in you, and thus you will also fulfil your purpose of earthly life. For love alone will release you from all bondage, love will free you from all forms, and you can leave the earthly body at the hour of death as mature and enter the kingdom of light and bliss as a free spiritual being, in which you can now create and work in union with Me, as is your destiny....

Amen

Bonding with God guarantees His illumination of love....

This is the surest sign of My love that I am always in contact with you, that you only need to raise your thoughts to Me in order to draw Me to you, that I always lean down to you and speak to you when you ask Me for it, when you want to hear My voice yourselves.... No-one will call to Me in vain

if his prayer is directed to Me in spirit and in truth. For I long for this bond between you and Me because you are My children and because My fatherly love wants to find unity with you, which has to be accomplished of your own **free** will. But as soon as you yourselves are convinced of My love you will also give your love to Me, and then your return to Me, for the purpose of which you live on earth, will also be assured. I know no limitation, and therefore you can receive My illumination of love unmeasured.... Only open yourselves to this ray of love by never leaving Me out of your thoughts, by turning to Me time and again and conversing with Me in secret as often as possible, for then I will be able to answer you even if it is not obvious, but My emanation of strength is also an answer, and since you constantly need strength for your ascent upwards, there is no better way to receive My strength than that you intimately remember Me and mentally speak to Me. Yet what you receive yourselves you should also be able to distribute to your neighbour again, and therefore My flow of strength is sent to you in the form of My word, as a direct address which you can hold on to and pass on.... And this process is such visible evidence of My love that you should not give it up, for you are to be called rich, after all, you receive a gift of grace of greatest value which cannot be surpassed by anything earthly.... You receive the proof of My existence and My presence.... You can no longer deny God because you hear His address.... And you also receive an unmistakable sign of His love, for what He gives you are imperishable goods which you can no longer lose for ever.... I give you again what you had lost through your former apostasy from Me.... Light and strength are imparted to you again because My love knows about your lightless and powerless state and wants to remedy it.... For love always wants to give itself away, love wants to give and make happy.... And My word, which you receive, is truly a gift of grace which will make you happy, even if you are unable to appreciate its value on earth.... But in the kingdom of the beyond you will be able to look upon a wealth over which you will rejoice and exult, for you will be able to recognize Me Myself and My love and praise and glorify Me eternally.... Every person on earth could accept these proofs of My love, yet his free will alone decides whether he allows himself to be addressed by Me or rejects a gift of grace.... And only a loving person will correctly recognise this gift as a gift of love from his God and father of eternity.... And so that you now also feel a right love for Me, I would like to illuminate you, and therefore you should often and intimately remember Me to make this illumination possible.... For then you will open your heart for My flow of love which now touches you and fills you with strength which you use again for loving activity.... Time and again I want to fill your thoughts, I only want you not to switch Me off, that your daily routine often gives you the opportunity to send your thoughts upwards to the One Who created you and Who wants to make you endlessly happy, Who wants to help you to live a life of bliss which lasts forever. And truly, I will always be with you and you will feel My presence, for you will go through earthly life cheerfully and carefree, because you will never be without strength and therefore also able to cope with all demands made on you.... And you will mature spiritually, for the strength flowing to you from Me impels you into loving activity, and thereby you will also find unity with Me, which is the purpose and goal of your life on this earth....

Amen

Union with God

Union with God through love....

B.D. No. 5357

April 8th 1952

My will is and always remains the union of you humans with Me through love. Love alone establishes the unbreakable bond between us, and love alone abolishes every separation between us. But you have to kindle love within yourselves, it cannot be imparted to you as a gift of grace, it is solely your own feeling which you have to let become divine if it is still ungodly before, that is, if you are still completely immersed in self-love. Then you must change this feeling into a completely selfless love which will make you happy because it will already lead you close to Me, because you will already draw Me to yourselves and I will no longer leave you until you are so permeated by love that you will feel Me Myself in your heart, so that I can take abode in you and then remain with you forever....

You must establish this union with Me, then you will fulfil My will, and then you will also have reached your aim on earth, the union with Me, the transformation from My living creation into My child. Therefore I only gave you the commandment of love for Me and your neighbour.... It is not difficult to fulfil as soon as you have overcome your self-love. Yet precisely this self-love still clings too much to all of you, and anyone who is completely immersed in it can only free himself from it with difficulty, and therefore it is also unspeakably difficult for him to unite with Me and to reach his final aim on earth. For selfish love seeks fulfilment in the pleasures of the world, selfish love prevents giving, it prevents the human being from working with love and will therefore also be an obstacle to recognizing the creator and father of eternity.... No-one will try to reach Me who is still full of selfish love, and thus he will also lack the truth, for there is no light in him which spreads an illusion. In no way can I influence a person who only thinks of himself and has no understanding for his fellow human being's adversity. Only when he renounces what appeared desirable to him for his own good will he ignite the spark of love within himself and approach Me, for love is solely the means of bonding between the human being and Me, and a union between us can never take place **without** love, but it is the purpose and aim of every human being on earth, because the union with Me first earns the being beatitude, whereas selfish love drives the human being towards My adversary who stirs it up ever more and promises the human being everything the world can only offer.... But I think of your former life, which can only be blissful in union with Me....

Amen

Only through the work of redemption is "divinisation" possible....

B.D. No. 8420

February 23rd 1963

The fact that you can shape yourselves into My 'children' on earth is My eternal plan which will also be carried out, only the duration of this transformation is determined by yourselves. It has become possible through Jesus Christ's act of salvation, for you can request strength from Him at any time, you can ask for the strengthening of your will at any time. For this is why the man Jesus died on the cross, so that He acquired graces for you without measure and all these graces can accomplish the return to Me. In order to reach the degree of childship to God the being once **created** by Me had to go through the deepest depths and, by overcoming them until its existence as a human being, reach a degree which it shall now increase in free will until its perfection.... i.e. until it has assumed its original nature again, which I brought forth in all perfection out of My might and My love.... But now My **might** is no longer the cause of your perfection but your free will has striven for it, and

consequently you have become God's 'children' from 'creatures', you have shaped yourselves into gods, as this has been My plan from the beginning. And in the only exceedingly short time of earthly life as a human being your free will is tested.... The time of your human existence on earth is but a moment in eternity, and this moment can suffice for you to perfect yourselves, for your transformation back to your original nature to be accomplished, if only you direct your will correctly.... For this is not determined in any way, yet the human being will always be helped to direct it correctly.... My measure of grace is inexhaustible and every person can request and evaluate grace, he is not limited in any way.... But the greatest grace is the redemption through Jesus Christ, which takes away all weakness from him, for to surrender to Him means to be introduced into the kingdom of light by Himself.... the Son of God and redeemer of the world, in Whom I Myself accomplished the work of redemption.... to be introduced into the kingdom of light and bliss. For anyone who hands himself over to Him now also acknowledges Me, and he is forgiven for his original sin which plunged him into the abyss, and at the same time he is provided with the strength to cover the final ascent, to reach the final goal, to accomplish the change back to his original nature, which then is also the attainment of childship to God, the change from My living creation to My child. However, no human being can achieve this transformation on his own, without the help of Jesus Christ, for he is under My adversary's control as long as he is still burdened by his original sin, and for that long he will not be able to perfect himself either, because My adversary prevents it and does everything in his power to prevent the human being from recognizing Jesus and His act of salvation.... And yet, this is only ever decided by the human being himself through his will, and earthly life is given to him for this purpose because in it he can use his free will again, because My will and My might withdraws and leaves the human being fullest freedom.... But the goal is so exceedingly high and significant, for being a 'child of God' guarantees unlimited beatitude, which My **might** cannot grant to the being which, as 'created', has not yet reached the highest degree of perfection. It is your own work which you should and can accomplish because My love assists you, yet always respecting your free will. But love gives you means of grace in abundance, My love does not make any demands on you which would **not** be possible for you to fulfil..... My love illuminates you, and the more you open yourselves to this illumination the easier your ascent will be, the more surely you will reach your goal.... For nothing else is required of you but a transformation of your nature, which initially as a human being is strongly self-loving, into right, divine love which is completely unselfish, which only wants to please and give and which the human being therefore has to let flare up in himself in order to achieve the complete transformation of his nature. And it is **possible** for every human being to practise this unselfish love, thus every human being **can** attain childship to God, because nothing else is required of him but love.... Once his original sin has been redeemed through Jesus Christ, his selfish love, the sign of his belonging to My adversary, has also been overcome.... He is free from his opponent's power and will only ever turn to Me in Jesus Christ with love, and this love will clarify and illuminate the soul, this love will grow and completely fill the soul and now the change back is also accomplished and I have reached My goal....

Amen

Reconversion process takes ages....

B.D. No. 7133

May 28th 1958

Unthinkable times have already passed since the spirits' former apostasy from Me, and thus this spiritual substance has been in an unhappy state for unthinkable times. For since its hardening, i.e. its endless distance from Me, it is no longer touched by My strength of love, which signified life and bliss for the spirits. The state of death is inconceivably agonizing because the spiritual original state was freedom in light and strength and now its state has changed into the opposite. How long the reversion has been going on is incomprehensible to you humans, since you too are still in a state of imperfection which can only grasp limited things, yet we have to speak of eternities here in order to give you only an approximate idea of what it means to be in the last phase shortly before your perfection. The process of re-transformation, which you have already completed, has lasted for

eternities. And it will only cost you a little effort to bring the last phase to a successful conclusion in order to then return again as the most blissful spiritual being from where you started. But the degree of beatitude in your original state is so immeasurably high that its attainment also requires the being's will, and it is precisely this will on which the attainment of the final aim depends. And therefore the return could certainly proceed for eternities according to the law of My eternal order, according to My plan of salvation, which therefore required endless times but certainly once reached a certain degree of maturity.... But first the free will of every individual being has to agree to this upward development, the being has to prove, as it were, that it is now willing to enter into My will, which it once resisted.... It must freely strive out of itself towards Me again, as it once turned away from Me in free will. And what it could no longer do before.... use its free will.... it can now do in earthly life as a human being. And that is why earthly life is so immensely significant for the spiritual being which, in embodiment as a human being, covers the last short distance which concludes an endlessly long path of bitterest torments and hardship and can bring about a complete change of state.... The fact that you humans have no evidence for these revelations of Mine should not cause you to doubt the truth; but to provide you with evidence would exclude any free decision of will on your part and thus also render the final result invalid. But it is already a special grace that you receive knowledge of it in a way which is not commonplace.... And you should only pay attention to what further reaches you on this path.... Then many things will become understandable to you and you will also be able to believe without evidence if you learn about My will, which consists of the fulfilment of the commandments of love, and you are willing to comply with this will. There have been very significant events which form the basis of your existence as a human being. You don't know anything about these processes, and you can only be informed of them in a way which does not force you to believe.... But you should not simply dismiss anything out of hand, you should deal with it mentally in good will to learn the truth. **And truly, it will become yours....** For this desire for truth alone also proves the will which turns towards Me, which is also grasped by Me so that the human being will reach the aim.... to the final union with Me, to a blissful state of freedom, light and strength....

Amen

The shortest way is the way across the cross....

B.D. No. 7300

March 6th 1959

I want to show you the shortest path that leads to Me, back into the father's house. It is the path across the cross, the path to Jesus Christ, Who became a shell for Me as the human being Jesus so that I could accomplish the work of redemption for you, the work of atonement for your once great guilt of turning away from Me. This work of mercy was accomplished by My love for you, My creations which had become sinful, which had thereby plunged themselves into greatest wretchedness and were to be released from it. My love wanted to take over the guilt for you and make atonement for you, for love was the only thing which could redeem this great guilt, and you yourselves had renounced all love, you had rejected every illumination of love on My part, you were completely devoid of all love, and since this great original guilt could only be atoned for with love, **My love** had to redeem the guilt **for you** if I wanted you to ever become free again and be able to return to Me.... You have now also become free from this through My act of salvation, yet always with the restriction that you yourselves want to return to Me in freedom again.... that you yourselves want to be illuminated and permeated by My love again, which is strength and light and freedom. Hence you first have to muster this will if you want to be accepted into the circle of those for whom I died the most bitter death on the cross. Only your will is necessary so that you will then also receive the necessary strength to be able to travel the path to Me, for to travel this path means to be willing to enter the realm of My sun of love again, so that you will change your hitherto unloving nature into love.... Hence there is only one path which leads back to Me again.... the path of love, but you will only be able to take it when this path leads to the cross, otherwise you will be too weak to perform works of love despite your good will as long as My adversary still has you under his control, as long as the

divine redeemer Jesus Christ has not yet entered your life, Whom you will only find on the cross of Golgotha if you set out on the path to Him. For He alone can and will strengthen your still weak will by showering you with His graces acquired on the cross and thus you will, as it were, receive back the strength of will you once possessed and lost due to your fall into the abyss. If I therefore want to show you the shortest path, it means that you absolutely have to make contact with Jesus Christ, that you approach Him for the strengthening of your will, for the forgiveness of your guilt and for redemption from your still bound state.... And all this is also synonymous with a life of love, with everlasting activity of love which completely transforms your nature and thus brings it into line with Mine again, Who is eternal love.... Every person who endeavours to live in love will also look up to Jesus Christ on the cross, he will feel guilty and ask to be released from his guilt, in weakness of his soul he will take the path to Jesus Christ and avail himself of His graces acquired on the cross.... He will lean on Him because he feels too weak himself, and he will not need to go any further than the cross because there he will find everything he needs in order to be taken back into his father's house.... He will be certain of the forgiveness of his guilt of sin because he has also changed his nature, as well as the path to the cross is a matter of heart for him and therefore he also deeply regrets his guilt. But this change of nature does not take place without the will to love, for it is precisely love which the being lacks and which it has to ignite in itself again in order to assimilate itself to My original nature. But the human being will also be able to do so if only he is of good will to fulfil his earthly task for the purpose of which his earthly existence was given to him. The will is everything, and it is certainly strengthened by Jesus Christ.... But for this reason the divine redeemer cannot be excluded, and therefore the path to the cross is the human being's one great task, the fulfilment of which, however, secures him strength and freedom, light and beatitude, as it is promised to you....

Amen

God's great love....

B.D. No. 8042

November 18th 1961

Let yourselves be bestowed by Me, for My love for you is exceedingly great and only ever wants to give and make you happy. And I require nothing more from you than an open heart, that is, your will to accept gifts of love from Me. But then you will be abundantly provided for, I will provide for you spiritually and earthly.... everything you need for body and soul will be sent to you so that you can cover your earthly path with the success of being spiritually matured and having found unity with Me.... which is the purpose and aim of your existence on earth. Let yourselves be blessed by Me.... I want to pour out My blessings on you in abundance because you are weak and in need of help and because you would not be able to ascend without My help. But I want you to reach the height, I want you to become again what you were in the beginning: perfect beings who are unspeakably happy.... You are My share and therefore you shall also be united with Me. But you still keep yourselves distant from Me unless you voluntarily open your heart to Me and desire that I Myself take possession of you.... This will, this desire, must become active in you, and for this you need strength and grace, for you are still weak beings and you are still under My adversary's control as long as you have not yet consciously joined Me through your will.... And therefore My love constantly endeavours to approach you such that you let yourselves be touched by it.... or also, I constantly bestow gifts of love upon you so that you should turn towards the giver, for only then will these gifts of love be of value to you. I love you and only want you to feel My love, but this requires an opening of your heart, an inner willingness to receive My radiation of love. And you prove this to Me when you think of Me when you think of a God and creator from Whom you yourselves originated. Then your will is already directed towards Me and I use every such opportunity to convey gifts of love to you in whatever form this may take.... I bring My word close to you, I stir up the desire in you for the bond with the one Whom you acknowledge as your creator, and I mentally enlighten you or forward scriptures to you which correspond to the truth, or I bring you together with people with whom you can have spiritual conversations.... I take care of every individual and want to radiate love into his heart so that this love

will be reciprocated and you will consciously strive for unity with Me, Who is eternal love. For I constantly want to give Myself away, I constantly want to make you, My living creations, happy, because I also constantly want to win your love in return, which again establishes the original relationship which signifies eternal bliss. And you can be certain that My love will never give up on you, that it will pursue you even if you still keep away from Me.... I will not rest until I have also won your love, for only reciprocated love makes you happy.... My love for you, however, never ceases because you came forth from My love.... And therefore I will never stop giving Myself to you.... I will never stop encouraging your return to Me.... I will constantly touch your hearts, and even if you close yourselves off.... once My strength of love will break through, you will voluntarily surrender to it, you will push towards Me in love, and the bliss of receiving and giving will have no end.... For My fundamental substance is **love**, and you, too, will return to your original state again, because I will not give you up, because I constantly pursue you with My love until you have become and remain Mine forever....

Amen
